number of target slope directions & colors & kind of targets searched for, performance on searching for colored lines camouflaged by colored backgrounds, males, 58:2633
object distance & shape & closing velocity & experience, obstacle avoidance-behavior during helicopter flight simulation, US Army aviators, 58:4507
oblique projection of 4-dimensional cube, evoked visual responses & , illusions, 55:11376
observation of geometric models vs their pictures, accuracy of reproduction with vs without stimulus presence, Bukusu 7–14 yr old males, Kenya, 56:7763
olfactory & abstract visual stimuli of varying similarity, acquisition & retention of verbal associations, college students, implications for encoding & retrieval processes, 57:12011
operational development, performance of imaginal tasks involving object movement, 4–13 yr old females, 58:9253
optically induced & tracking-limb-movement curvature, visual capture phenomenon, college students, 57:7313
oral discrimination of geometric shapes & role of orosensory skill in consonant articulation, deaf vs normal 7–16 yr olds, 57:13041
oral stereognostic ability, 7–8 yr old tongue thrusters with vs without interdental lisp vs normals, 56:10160
oral stereognostic differences, aphasics vs dysarthrics, 57:13031
orientation & form & stroke patterns in slope drawings, 4–8 yr olds, implications for use of drawings as diagnostic tool, 58:7236
orientation effects, contour interaction in Zollner illusion, 54:2297
orientation of diamond vs square stimulus shape & frame, drawing vs positioning reproduction of orientations, 2–6 yr olds, 57:961
orientation of pictured spatial forms & availability of rectangularity & symmetry within form, angle estimates & order-imposing process, college students, 57:11922
orientation of stimuli & light masking, separation & detection thresholds with pairs of overlapping straight lines, dyslexic & normal secondary school students, support for concept of developmental lag in visual information processing, 57:13012
orientation of test items in spatial figure-completion test, perceptual response accuracy, 2nd vs 6th grade males from regular vs learning disabilities classes, 58:6358
orientation of test shape, RT in determining test shape similarity to imagined designated 2-dimensional rotating shape, college students, 56:3332
orthographic vs graphic stimuli & association value & exposure rate, visual language processing abilities, brain injured adults exhibiting apraxia vs dysarthria of speech, 57:3743
paired comparison, discriminability of tactile areal & line symbols, blind 11–19 yr olds, 54:12128
pairs of equal area geometrical forms & interstimulus interval, backward & forward masking effects in identification of 1st & 2nd forms, college students, 57:214
parallel-sided frame amputations of inducing figures, angular functions of illusions, college students, 58:6809
pattern & visual reinforcer disparities, fixation preference & habituation recovery in stereoscopic discrimination tasks, 2 mo old infants, 57:894
pattern arrangement & orientation, visual attention to target same as vs different from previous target, 4–5 mo olds, 57:908
pattern organization, spontaneous memory for visual patterns, 55:6192
patterns with curved vs straight contours, attention, neonates, 57:921
perceived "frontness" & "backness" of geometric forms, college students, 53:216
perception & memory of spatial orientation of simple forms vs spatially confusable letters, 10–11 yr old readers, 54:4961
perceptual cohesiveness of pattern & set size & grid cuing, pattern recoding in block design task, college students, 58:2589
perceptual vs conceptual judgments of relative lengths of lines,5 vs 8 yr olds vs adults, discussion of Piaget's & Taponier's views, 55:11990
personality variables, aesthetic preferences for computer-constructed designs of quantitatively defined content, 53:6545
perspective geometry rules, slant judgments from static & rotating trapezoids, college students, 53:2263
photic stimuli pairs, judgments of visual distinctness of borders formed by different colors & linear configuration in mapping judgments, normal trichromatic vs tritanopic Ss, 57:2330
physical configuration of testing space & observational strategy, tactual vs visual acquisition of random figure discrimination, male rhesus monkeys, 53:682
physical stimulus dimensions, space constancy, college students, 57:4862
physically vs numerically identical forms on spatially adjacent vs separated positions, RT in making same-different judgments of simple outline forms, college students, 58:4755
position &/vs form information, parallel processing of multiple-form arrays, 5–6 yr olds vs college students, 57:12504
posterior parietal vs frontal lesions, brightness discrimination & spatial pattern discrimination with identical vs separated essential cue & reinforcement site & form discrimination & delayed response, monkeys, 55:6514
practice & stimulus quality, accuracy & RT of same-different judgments of letter & form pairs presented to center vs left vs right visual field, college students, 57:11899
presentation method & set & stimulus dimensions, same–different reaction times to random shapes, students, 53:8694
presentation of Hirakana letters vs random forms to right vs left hemisphere 1st, same-different judgment times, left handed Japanese college students, 57:4875
pretask perceptual instructions with vs without practice, visual perception of random shapes, college students, 57:2315
pretraining in associating representative vs unrelated but meaningful labels with schema patterns vs observation training, recognition memory performance, 57:9543
pretraining, tactual preferences for shape & texture & preference effects on discrimination learning, kindergarten vs 3rd grade boys vs girls, 58:2588
prior knowledge of line position & orientation, detection of visual targets in random noise, college students, 57:11913
prismatically-induced curvature orientation, finger tracking pressure changes along horizontal straight edge in visual capture, college students, 57:234
production- & regulation-of-movement variables, active vs passive conditions in tactual exploration-recognition performance, female college students, 53:6520
program & apparatus for teaching receptive vocabulary & color & shape discriminations, 58:8623
prototypes of complex visual displays & line deletion & break & mirror-image reversal transforms, same-different judgments, graduate students, 56:7154
prototypes of letterlike forms vs transforms of prototypes critical vs noncritical for object identification, same–different judgments, 5–13 yr olds, 53:4875
proximal & distal gap & gap size, perceptual closure, 54:6639
proximity of contextual to standard contour & location in attentive field, degree of geometric illusion, college students, 56:9112
psychophysical measurement of grating & edge contrast & contrast fractionation, effective contrast constancy & linearity of contrast sensation, 57:11912
psychophysical model of measurement, form perception, children & adults, 55:3600
quantified complexity of contours, accuracy in discrimination & identification of human hands, college students, 56:9117
random forms differing in complexity, visual field superiority, right handed 18–28 yr old males, 56:9096
random forms presented to right vs left visual field, functional hemispheric asymmetry in perception, 55:3631
random polygonal patterns differing in similarity level & angular position, visual EEG evoked response waveshapes, 57:562
rate of appearance of new forms & transition rate while viewing rotating skeletal shape, measurement of individual differences in response to repetitive stimulation, college students, 57:11934
reaching behavior to visually presented solid objects & 2-dimensional representations, 7–23 day olds, 57:5526
rectangle dimensional salience, judgments of bigness, 3 yr olds, 57:7923
reduction of contour separation between end boxes, reversal of Baldwin figure, discussion of contour repulsion vs adaptation-level interpretations, 58:266
redundancy in visual patterns, looking time, college students, 58:8740
reflection & rotation & counterchange transformations of pattern subunit, detection of structured quadrant in visual displays, college students, 57:2312
regression to right angles tendency & lateral inhibition & transversals, Zollner & Poggendorff illusions, college students, 56:1721
regular vs randomly arranged dot pattern, perceived numerosity, college students, 57:7335
regulation & time constraints of movement on figurative pathways, validity of Derwort & von Weizsaker's constant figure time law, 57:2292
rehearsal & stimulus complexity & codability, random shape memory, college students, 53:378
relationship to perceived movement of straight line & presentation of circle under same experimental conditions as straight line, duration of experienced expansion & contraction of circle, college students & engineer, 55:6042
relative salience of stimuli differing in color & shape & standard vs nonsense shapes & integration of stimulus components, attention to shape vs color as primary cue for learning, kindergartners & 3rd & 4th & 7th graders, 56:5788
relevant vs irrelevant vs paralog labeling of novel shape & required use during transfer, redintegrative memory for shape, college students, 54:2366
repeated brief exposures to visual stimuli, tachistoscopic repetition effect & processing of visual form information, 58:10890
repeated exposure to stimulus object followed by introduction of novel object varying in color or shape & texture, concordance in visual & manipulative exploration, 26 wk olds, 58:6776
reproduction of 2- & 3-dimensional spatial models, performances & strategies, blind 7–11 yr olds, 57:1500
reproduction &/vs discrimination training with letterlike forms, reproduction & discrimination of test & similar forms, black low socioeconomic status 4 & 5 yr olds, implications for reading & writing, 55:8128
resolution of incompatible depth cues occurring to viewer, physical construction of version of Devil's Tuning Fork, 55:11387
response latencies for imagining depth rotations vs picture-plane rotations of 3-dimensional objects, criticism of R. N. Shepard & J. Metzler's study, 56:5227
response to multiple visual cues of color & size & form in visual discrimination learning, autistic vs Down's syndrome vs normal 5–13 yr olds, 56:8119
responsivity to curvature using habituation paradigm with leverpressing as instrumental response, 10 mo olds, 58:835
retention interval, same-different judgments of orally presented plastic forms, female college students, 58:223
retinal location & processing order, space effect in visual information processing of letter strings, college students, 53:8755
retinal stimulation, form & depth perception, 55:8754
ring & color experiences at straight line intersection point, college students, 53:220
salience level of nonsense shapes & instructions to avoid processing color cue, recognition thresholds & flexibility of preattentive & focal attentional systems, 6 vs 11 yr olds vs adults, 58:3087
sameness judgments for geometric figures, preference hierarchies for geometric properties, preschoolers, 55:9465
semantic & physical shape factors, rate of visual search for target words, 58:211
sensory modality & transmodal stimulus properties, dimensional discrimination learning & transfer, 4–5 yr olds, 56:9079
separate neuronal locations for form & movement perception in human visual system, 53:8698
separation & orientation of lines comprising surrounding afterimage & monocular & dichoptic presentation, duration of visibility of central afterimage, 56:9127
serial reconstruction task requiring sequential processing vs recognition task, verbal vs imaginal code processing of high- vs low-image words & random shapes & photographs, 58:6822
setting similarity, transverse patterning problem learning, 4th graders, 53:4883
sex & race & social class, achromatic & chromatic color & form stimuli sorting & preference, 5-yr-olds, 53:246
sex & race, semantic mastery of shapes, lower class Head Start vs middle class nursery school children, 54:11399
sex, preference for sphere vs cube shaped, 4–12 yr olds, 56:2121
shape & color disparity of visual stimuli, resolution of disparate colors, 57:255
shape & color, visually redundant coding in facilitating target location, college students, 53:4378
shape & size stimulus pair combinations, RT for same/different shape judgments, college staff & students, support for dual process model, 57:7374
shape complexity, voluntary exploration & preference for tactually presented nonsense shapes, 6–12 yr olds, 55:4293
shape constancy in elliptic figures, medical & art students, 54:10904
shape of fixation stimulus & saccadic suppression, fixation stability & direction of line of sight, experienced Ss, implications for motor theories of form processing, 53:10843
shape of form & relative location of form pairs, apparent area perception, 57:2311
shape outlines & motion patterns as sign stimuli & training to eat pelleted food, feeding behavior, juvenile bass, 57:2536
shape &/vs dimensional discrepancy of object & its pictorial representation, abstraction of equivalence of shape across dimensional transformations measured by visual attention, 15–16 wk olds, 58:3095
shape-slant invariance hypothesis of stimulus similarity space, shape constancy & perceptual bias towards symmetry, college students, 56:9104
simultaneous brightness contrast mediated by lateral inhibition, illusory contours, 57:240
simultaneous processing of visual/verbal multiple stimulus dimensions, paranoid & nonparanoid schizophrenic inpatients, 57:12915
single pair of shapes as stimuli, cross-modal matching, male monkeys, 54:9296
site of cerebral lesions, perception of spatial relationships, 58:11208
size of complex visual pattern & exposure duration & attention instructions, control of attention assessed by duration & size judgments, college students, 58:10850
slant & 2- & 3-dimensional shape, shape constancy in perception of form, 58:8741
solid objects vs black & white photographs & perspective line drawings & white on black silhouettes, transfer of discrimination, pigeons, 55:6251
sound frequency of pattern & number of visual pattern choices, matching auditory spatial pattern with visual pattern, children & adults, differentiation of mechanisms involved in spatial localization & acoustic pattern perception, 57:11882
spatial & ordinal components, form perception & literacy, male college students, implications for reading disabilities, 54:6680
spatial & temporal & learned vs innate features, visual pattern recognition, 53:214
spatial frequencies of sinewave gratings, contrast sensitivity function & development of form vision, 2 mo olds, 56:7617
spatial frequency, response properties of single neurons in striate cortex, monkeys, 57:12266
spatial orientation & objective vs projective shapes, identification of angles on random polygons displayed in complex & meaningful photographic slides in frontal-parallel plane, college students, 54:6682
spatial orientation of shapes & direction of scan, scanning speed, implications for reading & other high-speed scanning tasks, 57:4873
spatial proximity, global grouping & point-to-point disparities in depth perception of repeated dot patterns, 57:280
spatial reality & social environment & age, explanations of differences between pairs of geometric drawings using name of geometric form vs object vs graphic sign, 58:5164
spatio-temporal differentiation & integration in visual motion perception, analysis of calculus-like functions in visual data processing, 16–18 yr olds, 57:11904
standard shapes paired with identical test shapes vs shape perturbations vs mirror image, individual differences in same-different discrimination RT, college staff & students, 56:7129
static deformation of skin model, tactual roughness of grooved surfaces, 53:10788
static geometrical illusions, autokinetic movement perception, 58:6781
stereoscopic depth cues & disparity, perceived depth & contour clarity of figures, college students, 53:2275
stereoscopic depth separation, estimation of stereoscopic depth & subjective contour clarity of Kanizsa patterns, 53:6556
stereoscopic presentation, perception of less & more irregular members of pair of stimuli, adults, 55:6077
stimuli defined by chromatic contours, stereopsis, 55:3620
stimulus & organismic variables, spontaneous rotational transformations of visual figures, brain damaged Ss, 55:7462
stimulus attraction, color-form categorizing behavior, school age children at various developmental age levels, 55:4251
stimulus complexity & facial vs nonfacial organization in patterns, developmental changes in pattern fixation selections, 10 vs 15 wk olds, 57:932
stimulus complexity & similarity, mental transformations & visual comparison processes in discrimination of previously learned "stan-

dard" versions of shapes from randomly perturbed distractor versions, college students & staff, 57:2356
stimulus complexity & type of match & retention interval, form matching performance, college & graduate students, 58:2688
stimulus configuration & line orientation, horizontal-vertical illusion, 53:8691
stimulus contiguity & redundancy & irrelevant information, geometric figures comparison performance & analysis of processing strategies in card sorting task, 2nd–8th graders, 58:5169
stimulus contour relations & visual field location of stimulus design, binocular rivalry, normal-visioned Ss, 56:9101
stimulus duration & size, simultaneous judgments of duration & size of visually presented circles, college students, 56:3351
stimulus exposure time & shape vs letter comparison & standard multidimensional stimuli, number of dimensions used in same-different classifications, 1st vs 3rd vs 5th graders, 58:875
stimulus integrality, perception of schematic faces, 57:9457
stimulus interpretation, performance in delayed comparison discrimination task with visual stimuli, college students, 58:2667
stimulus presentation first to left vs right visual field, functional hemispheric asymmetries in perception of digit & line orientation, right handed Ss, 58:2618
stimulus probability & quality, encoding processes in memory scanning tasks using alphanumeric characters & nonsense figures, college students, 57:7402
stimulus range & demand characteristics, aesthetic preference for golden section as measured by choice of rectangle, college students, implications for golden section as stimulus range artifact, 57:4885
stimulus similarity, short term retention of visually presented free form figures, deaf vs hearing students, 58:9778
stochastic sampling model of P. C. Vitz & T. C. Todd, perceived complexity of straight line figures, college students, 55:3638
strength of linear perspective cue & simplicity of visual pattern, shape constancy, college students, 58:8733
stroboscopic motion & metacontrast, visual contour masking, graduate students, 53:8686
stroboscopic motion, U-shaped backward contour masking, female college students, 57:221
structural analysis, stability & perceived form of objects rotating in depth, adults, 57:11924
structural diagnostics in display, same–different judgments & simultaneous matching tasks with letter stimuli, naval enlisted men, 53:10830
structure of visual processes involved in form & color & light, perception of architecture, 57:9268
structured objects & perceiver & interaction at sensory & perceptual & cognitive levels, pattern perception, 54:6641
subjective contours, generation by visual system tendency to complete figural elements, 57:9461
subjective contours, measurement of increment thresholds at side points, trained Os, support for neural interaction prediction, 58:8736
subjective patterns elicited by light flicker, understanding of contours as seen in homogeneous stimulus field, human Ss, 55:3663
subjective task difficulty & horizontality concept, orientation errors in reproduction of model patterns, 10–16 yr olds, Ghana, implications for cross cultural differences in development of concept of horizontality, 57:937
successive visual processing of color & form, college students, 54:232
successive vs simultaneous presentation of forms, oral stereognostic testing, adults, 55:3613
symbolic implications of vowels & their orthographic representation, magnitude & brightness & hardness judgments of Hindi & Japanese characters, Hebrew-speaking 10th graders, 58:7133
tachistoscopic presentation of figures in- & outside & across hemianopic areas, residual function in cortically blind hemifields, male 52–59 yr old brain injured patients, 58:3665
target internal contours & intercontour space & interstimulus intervals & target detectability, metacontrast, college students, 57:256
task memory demand, haptic matching of shape, blind vs sighted adolescents, 53:3484
teacher observations & use of geometric drawing test, identification of learning difficulties, educationally handicapped & educable & institutionalized mentally retarded & normal 6–10 yr olds, 58:1158
teaching discrimination of shape orientation & sequence, male kindergartners, 56:10639
temporal determinants, shape of human spatial modulation transfer functions, 57:2304
temporal presentation of letters across columns in vibrotactile & blurred visual arrays with masking stimulator, spatially dependent masking effect, adults, 57:11876
temporal separation of English letter & random dot arrangement pairs viewed under correlated vs uncorrelated noise conditions, same-different RT & decision errors, high school students & staff, support for visual encoding, 57:2385
texture element size, perspective slant perception, 1st vs 3rd vs 5th graders vs college students, 56:3823
texture, visual noise masking in letter recognition task, college students, 57:228
theoretic measure, generation & categorization & evaluation of patterns used in psychophysical experiments, 56:117
time delay increase between angle observation & estimation, overestimation likelihood, college students, 58:6758
timing patterns, stochastic processes in reversing figure perceptions, female adults, 53:2277
tones, changes in perception of figures, children, 57:7345
training on color relevant oddity problem, cross-dimensional form oddity transfer, preschoolers, 55:8930
training to attend to color & shape differences in objects & left-to-right directionality, generalization to complex bead stringing task, mentally retarded 5–7 yr olds, 55:12502
training to observe vs associate stimuli with representative verbal labels, shape recognition test & label recall performance, kindergartners vs 2nd graders, 57:2451
training to perceive basic object structure as aggregate of simple geometric figures, drawing performance, 4–5 yr olds, 54:2675
transformations, memory for visual forms, kindergartners vs 2nd vs 6th graders, 55:9391
type of monocular configuration & magnitude & direction of disparity, stereoscopic depth & subjective contour clarity, young adults, 57:292
type of spatial memory training, development of spatial memory ability, 1st graders, implications for reading development, 55:13315
typefaces & discrimination of "A's" & "2's", transfer performance to different typefaces, pigeons, 57:514
uni- vs bilateral ECS therapy, amnesia for random shapes, 20–63 yr old right-handed depressed patients, 58:5732
unitary & nonunitary context & 3-dimensionality of context & bi-hemiretinal stimulus presentation, analysis of line segment feature detection using signal detection methodology, college students, 58:2641
values, perception of size & weight of commonplace objects, literature review, 58:10871
verbal instructions & overt verbalization with vs without visual referent vs overt visualization, discrimination of geometric shapes, 6–12 yr olds, 54:8810
vertical sinusoidal gratings, orientation & spatial frequency of hallucinated patterns, proposed cortical organization model based on D. H. Hubel & T. N. Wiesel's hypercolumn concept, 57:241
viewing distance, changes in shape & stability of frontal plane horopter, 21–28 yr olds, 57:281
viewing geometric & random designs with subsequent visual vs auditory interference task, recall accuracy & encoding processes in visual short term memory, 8–10 yr old eidetic imagers vs noneidetic Ss, 57:2446
visual blurring, tactile vs visual form perception, young adults, 55:8719
visual complexity, pleasingness & interestingness of random polygons, 17–50 yr olds, 53:131
visual contingent aftereffects involving color & contour, McCollough effect, review, 54:6697
visual dimensional dominance, performance on haptic recognition task, preschoolers, 57:196
visual displays with nonperceivable spatial correlations, methodology & proposal for physiological basis of pattern recognition, 57:243
visual experience of contours without gradients in visual field with homogeneous stimulation, possible interpretations, 54:10908
visual forms, spatial & temporal mnemonic integration, 58:6757
visual identification of different-sized objects as identically shaped, 55:114
visual noise field, masking of spatial & identity information from geometric forms, college students, 54:261
visual noise mask delays to interrupt & control processing time, duration & size & form discrimination tasks, college students, 56:3330
visual or haptic exploration of optically distorted square with subsequent visual or haptic selection of matching form, accuracy in match judgments & vision, 15–17 yr olds & tactually experienced patterns vs college students, 57:201
visual pattern recognition & relationship to reading ability, 3rd graders, implications for reading instructional materials, 58:4318
visual perception disturbances on Rorschach, normal Ss with monocular vision & patients with ophthalmoparesis, 58:3625
visual perception of shape & edges of dot figures, 53:8730
visual perception of 2-dimensional forms, 1868–1973 bibliography, 55:8785
visual sequence analysis & definition & calculation of measures of percentage attending & hit & anticipation from film records, 8–20 wk olds, 56:5777
visual similarity judgments among rectangles varying in form & area, right handed controls & right vs left brain damaged patients, 58:5657
visual texture, apparent velocity of objective motion & motion aftereffects, college students, 55:111
visual vs tactual perception of shape, 3–4 yr olds, 54:4965
wavelength composition of reflected light & illumination cues & surface composition & texture & organizational tendencies & 0's attitude, perception of surface color, 55:1798
weight–length continuous & color–form discontinuous dimensions, reversal & intra- vs extradimensional shift learning, junior high & college students, 53:2361

Form Classes (Language) [See Also Adjectives, Adverbs, Nouns, Pronouns, Verbs]
ability to conserve discrete quantities, use of English conjunction structures, kindergartners, 58:7222
acquisition of prepositional motor responses, knowledge generalization & control by prepositional type, retarded preschool children, 57:13005
advance organizers with social studies lessons, use of causal & logical connectives, 6 vs 10 yr olds, 58:12526
affirmative vs negative sentences containing definite vs indefinite articles, sentence interpretation, 4–10 yr olds, 58:5132
age & form class & word frequency, homogeneous word associations, 2nd vs 6th graders vs college students, 56:7642
age, understanding of sentences with temporal & conditional connectives, 5 vs 7 vs 9 yr olds, 57:7916
age, use of temporal adjoiners to combine 2 constituent sentences, 4–6.6 yr olds, 56:9700
articulatory & constituent phrases & phrase & sentence cues, word identification decisions, college students, 53:1140
auditory presentation, conceptual understanding of spoken word, preschool & kindergarten & 1st grade children, 53:11398
Chinese vs English verbal category norms, bilingual Chinese college students, 53:3078
cloze procedure approach to conceptual & syntactical structure of English language, reading comprehension, elementary school students, 55:6731
comprehension & use of prepositions to describe spatial relations, aphasic patients, 54:3445
cue word form class, solving of arithmetic word problems, mentally handicapped children in special classes, 55:3213
developmental language level, directionality of deletion component in sentential & phrase conjunction reduction, 2 & 3 yr olds, 57:12528
grammatical class & concreteness of cues, generality of encoding specificity effect, 57:7411
grammatical class of input & recognition cues & concreteness of cues, recognition vs recall performance, college students, analysis of E. Tulving & D. M. Thomson's specificity effect, 56:9236
malformed vs well-formed sentences, sensitivity to differences in use of operator "or", 53:7354
memory span for nouns & verbs & function words, Black & White working class & Black poverty-level kindergartners & 3rd & 5th graders, test & extension of S. R. Schutz & E. R. Keislar's study, 57:5565
observation of events varying in temporal & locative action relations, sentential vs phrasal use of "and" in descriptions, 4 vs 11 yr olds vs adults, 58:838
perception of reality & understanding & words as carriers & barriers of meaning, communication as process of exchanging meanings, 53:11676
perceptual organization of visually presented reference field & order of auditorily-presented nonsense words of miniature artificial language, language processing using English-based vs nonverbal reference field semantic code, college students, 55:1837
prompting & reinforcement, training generalized receptive prepositions, retarded children, 53:10512
psycholinguistic analysis of speech & language, depressed vs manic patients, 57:10423
recognition of grammatical categories, 17–69 yr old aphasics, 54:9963
richness of communication mode, language structure during cooperative problem solving, male high school students, 57:5438
sentence elements & structure, German newspaper text vs Swedish textbooks in German, 53:12454
sentence voice & reversibility, choice of definite vs indefinite article for 1st & 2nd or 2nd only nominal, English & American adults, 57:12461
sentences with contingent relations, comprehension, 5 vs 7 vs 9 yr olds, 58:7177
spoken English vs American Sign Language, communication of agents & objects & indirect objects, deaf & hearing college students, 53:11640
tense logic as candidate semantic structure of temporal specification in generative grammar, illustration through encoding of predicates of sentences into event space & predictability of recall errors, 57:12451
training in form class identification & recognition of types of relationships, identification of word meanings from context, retarded & normal students, 55:13148
understanding of relational words, 45–53 yr old male aphasic patients, 53:3451
understanding of system of definite & indefinite articles in story telling tasks, 3 vs 4 yr olds, 57:2936
various grammatical form class deletions & reader's linguistic ability & content area, comprehension of mutilated reading material, 7th graders, 55:13106
verbal ability & sex, speed of taxonomic category & homophone identity & physical identity word matches, college students, 58:2670
word class, sentence processing & storage, college students, 53:4400
word form class labels as verbal cues, production of descriptive sentences, 4–5 yr olds, 54:9345
word form class of word meaningfulness & frequency, short term recognition performance, 8th graders, 57:9527

Form Perception [See Form And Shape Perception]

FORTRAN [See Computer Programing Languages]

Foster Children
adjustment to foster home care, behavioral style & adjustment phases within crisis concept framework, 2–15 yr olds experiencing 1st foster home placement, 57:5705
age of 1st foster placement outside natural home, image of family, male adolescents in residential center for socially maladjusted youth, 54:11454
behavior modification techniques, families of children in foster care, 56:1096
characteristics of foster status, self concept & family identification, foster children, 58:8022
community-based family care program, foster children with emotional or behavior problems, 56:8480
conjoint family therapy involving foster & natural parents & child, resolution of role conflicts in foster home placement, 57:13236
contacts with natural parents, separation feelings, foster children, 54:5044
court review of foster care status, foster children in 2-mo voluntary placement, 54:5114
cultural beliefs & values, limitations of adoption & foster care in child rehabilitation, India, 58:1774
educational experiences, adjustment to school environment, elementary & junior high & high school foster children, 54:6301
exclusive vs inclusive fostering considerations for placement, social work, criticism of British Children Bill, 54:8196
false feedback conditions of child performance, permissive vs restrictive command frequencies, foster grandmothers & retarded children, 53:1480
foster family care, current practice & research, intellectually disadvantaged children, 58:5990
foster home adjustment factors, previously institutionalized male & female retardates, 55:7401
foster home care, adult adjustment, former & current foster home children, 53:4985
foster home placement program, scholastic achievement & intelligence, Indian 8–14 yr olds, 53:6148
foster homes care & programs, retarded & handicapped children, 53:9885
knowledge of child development & awareness of crisis intervention & play therapy, coping with uncertain environments & confused emotion, female adopted or foster 5 & 6 yr olds, 56:6331
parent-child relationship, development of psychopathological disorder, adoptees & foster children, 54:3345
placement in foster homes with 1 sibling, foster home experience, 6–12 yr olds, 56:4559
pre- & post-foster care, personal & social adjustment, adolescents, 55:4405
prediction of success of new foster parents, tape-recorded interviews with applicants for foster children, 54:10328
problems & frequency of placement of foster care children with biologic fathers & attitudes toward father-only placement, foster care workers, 57:13408
programs promoting adoptive & foster placement of handicapped children, 54:12434
separation & object loss, foster children, 54:862
social worker's characteristics & availability during placement & amount & kind of preparation of new parents, success of placement in foster homes, 55:2761
WISC subtests, behavior prediction in intellectual & emotional adjustment & social behavior categories, 8–13 yr old children placed in foster care, 55:3536

Foster Parents
age of entry & length of stay & age representation & return to natural family, children & adolescents placed by social aid program for long term care by substitute family, 57:6475
behavior modification techniques, families of children in foster care, 56:1096
characteristics of foster status, self concept & family identification, foster children, 58:8022
childrearing attitudes, 23–66 yr old licensed foster home mothers vs biological mothers, 56:7802
community-based family care program, foster children with emotional or behavior problems, 56:8480
conjoint family therapy involving foster & natural parents & child, resolution of role conflicts in foster home placement, 57:13236
constructive conflict resolution, foster family care & placement, 58:3989
content & followup evaluation of parenting course, foster parents, 57:5689
demographic characteristics & child-placing agency experiences & vocational interests & parental attitudes, relationship to & prediction of foster mother role satisfaction & social worker perception of foster mother adequacy, Black foster mothers, applicability to foster family care practice & research, 57:6479
development & implementation, long range program of foster parent education, 54:5034
employment as foster grandparents, intelligence test score improvement, previously unemployed poverty level older people, 7-yr followup, 57:5503
exclusive vs inclusive fostering considerations for placement, social work, criticism of British Children Bill, 54:8196
experiences & problems encountered by ex-foster parents, ex-foster-home husband–wife teams, 54:8199
foster family care, current practice & research, intellectually disadvantaged children, 58:5990
foster home placement & care, resocialization & symptomology, 20–60 yr old psychiatric patients, 18-mo followup, 56:2659
group therapy, experience of at least 5 foster home placements, 9–13 yr old adopted children & their parents, 54:8083
identification of personality & demographic characteristics, predictive potential in selection of foster mothers for mentally retarded, 56:6524
lack of trained psychologists & probation officers with excessive caseloads & court's lack of jurisdiction in dealing with parents & lack of adequate institutional & foster home settings, problems & failings of juvenile court, 54:5076
personality & demographic characteristics, foster parents who accepted vs refused to accept postinstitutional retardate into family structure, 56:2678
placement in foster homes with 1 sibling, foster home experience, 6–12 yr olds, 56:4559
placement with foster parent teams trained as therapists as alternative to residential treatment, emotionally disturbed 6–11 yr olds, 56:4551
prediction of success of new foster parents, tape-recorded interviews with applicants for foster children, 54:10328

prevalence & need for cottage homes & foster parent services, kidnapped Indian children forced to become beggars, 58:1733
programs promoting adoptive & foster placement of handicapped children, 54:12434
rearing in institutions vs foster homes vs with parents, intellectual & personality development & school performance & feelings toward parents & siblings & peers & self, 5–20 yr olds with 1 or 2 psychotic parents vs children of nonpsychotic parents, 54:5468
residence with single vs foster vs natural parents, recidivism rates during residential & after care programs, female 13–17 yr old 1st time offender delinquents, 56:4589
role & function of peer modeling as training procedure & reinforcement methods, development of foster grandparent-child relationship, foster grandparents assigned to severely & profoundly institutionalized retarded children, 56:2629
social worker's characteristics & availability during placement & amount & kind of preparation of new parents, success of placement in foster homes, 55:2761
standards for foster family service, Child Welfare League of America, book, 55:5229
state legislation promoted by private organizations, involuntary termination of parental rights & foster care review board system & subsidized adoption, 54:9464
weekend foster home visitation, 7–16 yr old boys in residential treatment home, 54:10339
workshops for training as foster parent skills trainers, child welfare agency personnel, 57:13505

Fowl [See Birds]

Foxes
dihydroactinidiolide in supracaudal scent gland secretion, red fox, significance for mammalian communication, 56:1938
food caching behavior, foxes, 57:12211
restricted laboratory environment, sleep-activity cycle adaptation, foxes, 53:8902
trapping proximity, dominance–subordinate relationships & aggressive interactions in captivity, male raccoons & red foxes, 53:2786

France
acute delirium with Yugoslav themes, Yugoslav immigrants, France, 57:6029
adjudicator activity & trial outcome & Ss' role in social structure, reactions to adjudicated conflict resolution, US vs French college students, 58:3227
analysis of French commune movement, expression of problems & finding place in contemporary society, youth, 54:9473
anthropometric & social data, matrimonial matching, French married couples from endogamous & exogamous groups, 53:998
antipsychiatry movement, Great Britain & Italy & France, 53:3550
assessment of aptitudes & motivation, selection & placement of vocational training candidates at National Association for Professional Training of Adults, France, 54:8579
attitudes & problems, student unrest in 1968, French students, 53:7182
attitudes toward & behavioral patterns in shopping, working vs nonworking wives, US vs France, 58:10742
attitudes toward authority in secondary schools & in National School of Administration, France, book, 56:6649
attitudes toward medical psychology, medical students being taught vs having been taught vs never having been taught medical psychology, France, 57:4217
behavioral model of coalition formation, application to French political alliances of 1951, 58:3226
bias toward structural balance in interpersonal relations, demand characteristics in experimental setup, French & black African students, 55:12221
birth order & age of emigration, later college acceptance, brothers who separated upon emigrating from Morocco to Israel or France vs Rumanian immigrants in Israel, replication of M. Martan's study, 57:4277
childrearing practices & attitudes toward pregnancy & contraception, mothers of large families who received the "Medal of the French Family", France, 57:3089
choice of major field of study & future orientation, 18–22 yr olds, France, 54:12648
class organization by group level in 1st cycle of secondary education, program evaluation, France, 53:3939
clientele & service activities in Alfred Binet Center designed to meet psychiatric needs of children, France, 1970–71, 57:8647
comparison of listening skills & performance in mother tongue vs second language, English-French bilingual college students, 55:8182
consumer habits & innovator traits, US vs France, 54:9639
cross cultural operativity, social principleness & humanism as underlying dimensions of moral reasoning, residents & college students, Hong Kong vs France vs US, 58:9368
current functions & developmental review, educational psychology, France, 53:3917
current professional training, therapists vs psychologists, France, 55:2825
demographic variables, traditional vs egalitarian sex role attitudes & expectations, college students, US vs France, 57:5728
description & utilization of spare time, 3rd-yr Lycee students, Paris, 56:3886
economic & political & cultural factors, working class politics, Chile vs France vs Italy, 53:11560
epidemiological survey of severely mentally or multiply handicapped, newborns to 16 yr olds, Paris, 57:5957
evaluation of "practical classes" reorganization, public school system, France, 53:10393
family policy, political significance & social security services & adjustment to changing economic situation & family aspirations, France, 54:9513
filmed images & TV, social development, French children, 57:5579
foundation & treatment methods of Marmottan Center, voluntary therapeutic inpatient hospital for drug addicts, France, 57:13463
free association norms, French- vs English-speaking Canadians vs French workers vs college students, 57:12460
French & English nosologic differences, genetic etiology of chronic delusions & their inclusion in classification of schizophrenia, families of patients with chronic delusions, 58:11798
French adaptation, Wechsler Preschool & Primary Scale of Intelligence, 4–6.5 yr old Belgians, comparison with French & American norms, 54:8691
French proverbs illustrating attitudes toward children, 19th century to present, 57:3053
general & differential & developmental & social & industrial psychology literature review, France, 56:8913
historical role in early 18th century of Faculty of Medicine of Paris, evolution of concepts of mental illness & treatment of mentally ill, 55:1745
history & current status, clinical child psychology, France, 55:2868
history & ongoing programs & training & public feeling, child care programs, France, 54:5107
inclination to reimmigrate, experiences abroad & future expectations, Israelis residing in France & in US, 57:12579
information specificity & number of words, evolution of titles of articles in psychology from 1900–69, France, 57:5426
institutional setting, industrial conflict & aggregate strike activity, France vs Italy vs US, 54:12753
language, development & pathogenesis & psychotherapy, 19th century France, 54:2169
method of direct interviewing vs use of medical sources, prevalence of mental disorders, adult vs total populations of 2 differing communities in southern France, 57:1305
national policies & socioeconomic conditions, elderly, France, 56:9747
nationality & education & sex of judge, judgments of social desirability of character traits, French vs German Ss, 56:4118
nationality of offending vehicle & S, latency of honking as unobtrusive measure of reaction to national stereotypes, Ss in Germany & France & Spain & Italy, 56:7765
occupational & social mobility, France, 53:6335
organizational structure evaluation, secondary school system, France, 53:10398
origins in 19th century France, crowd theory, book, 54:8662
origins of French law on psychiatric expert testimony, 58:7380
patient history & clinic functioning, outpatients at mental health clinic, Paris, 57:4088
physical & mental requirements of piecework, physiological & social & psychological behavior, female assembly line workers, France, 53:6381
political pressures & role of government, family ideologies from 18th century to present, France, 57:3112
position & evolution & reform in transition classes in educational system, schoolchildren with educational difficulties, France, 56:4900
price & brand image, perceived product quality, US vs French college students, 56:10927
progress of social gerontology research, France, literature review, 54:7271
psychiatric hospitalization, Paris, 55:5253
psychoanalysis, image in French press & relationships with religious & Communist party philosophies & other aspects of society, book, 57:3839
psychoanalytic & antipsychoanalytic movements & emergence of new psychoanalytic groups, France, 56:4401
psychodiagnostic criteria, English-speaking French vs German vs English psychiatrists, 53:1270
psychological & social characteristics, people of small French village who go to "indigenous healers" vs physicians, 57:6453
psychological testing programs, differences between French & British educational systems in New Hebrides, 54:4228
recycling behavior & knowledge & attitudes & personality traits & general attitudes, French vs American adults, 58:8539
reintroduction of French nosological concepts, classification of mental illness, 53:11874
relocation of elderly residents at Bicetre for renovation, benefits vs misfortunes of social change & societal values, 55:2247
report on hypnosis, 1784, France, 54:10795
sector psychiatry, comprehensive mental health services, Paris, 53:1798
segregation of sexual domains & different social structures & structure & function of families, 2 communes, France, 57:12601
sex role stereotyping & strong male bias in French children's picture books, 55:495
short & long acting neuroleptics, France, 53:9052
social change & revolution in social research, K. Marx's public inquiry into position of working class, France, 54:968
sociocultural background of family, verbal aptitude test scores, 5–6 yr olds, Paris, 56:7679
sociopedagogic treatment by probation, French offenders, 54:3915
Somatic Perception Questionnaire of R. M. Stern & J. D. Higgins, frequency of reported symptom reactions to stressful situations, French & US & Filipino college students, 54:2823
statistical & psychopathological features, parricide occurrence, France, 53:7655
statistical study of clinical features & demographic characteristics, patients passing through single psychiatric emergency room serving middle sized city, France, 58:5469
suicide & attempted suicide figures, 1964–1971, Sarthe, France, 54:3370
tendency for association of positive evaluation to color white & negative to color black, 5–6 yr olds, France & Italy, 56:3892
training methods & content & problems of practicing teacher, history of Center for Teacher Training in Secondary Schools, France, 53:3938
treatment & rehabilitation facilities & services for drug addicts, France, 54:3877
typology of personality traits, managerial personnel, France, 54:10731
work organization & worker's roles, US & France, book, 55:11061

Frankness [See Honesty]

Fraternity Membership
attitude similarity, attitudes toward & desire for membership in college fraternity or sorority, college students, 53:1943
minority vs fraternity & sorority organization membership & dogmatic orientation, conservative-liberal characteristics of value positions & preferences, college students, 56:10696
mode of college residence, perceptions of psychological climate at university, college residents of female vs male residence halls vs sororities vs fraternities, 55:13413
personality traits & student voting practices & attitudes toward social groups & sex differences, college students in social fraternities & sororities vs nonmembers, 53:10487
race relations communication skills training & selected life experiences, racial attitude change & anxiety reduction & facilitation of response ability, Black & White social fraternity pledges, 58:1943
residence in different resident halls & personality, perception of college environment, sorority vs traditional female vs fraternity vs traditional male college students, 56:2965

Free Recall
A–B & A–D learning, spontaneous recovery & response clustering on free-recall list with embedded response terms from List 1 or 2, college students, 53:6638
abstract & concrete sentences, comprehension & free recall performance, college students, memory storage implications, 57:12031
acoustic vs concept attainment instructional procedures, free recall of numerals in African Loko tribal language & serial position effects, 5th grade US students, 57:6763
acquisition of meaningless sounds serving expressive vs evocative functions, cue effectiveness & free recall performance in transfer task, students, 57:12004
active auditory vs passive auditory vs visual list input, free recall, 17–19 vs 60–70 yr old males, 57:4954
age & serial position, subjective organization & learning to learn in free recall task, kindergartners vs 3rd graders, 58:7200
age & socioeconomic status & knowledge of picture categories, clustering & free recall, 3rd vs 4th vs 5th graders, 57:2434
age & stimulus meaningfulness, free recall learning, kindergartners vs 2nd vs 6th graders, 57:967
age & training with hierarchically organized vs list presentations of animal terms, semantic structure as measured by free recall, kindergartners through zoology graduates, 58:9310
age differences, free recall of pictorial vs word stimuli, 18–25 vs 65–79 yr old females, 57:2923
age, free recall of related vs unrelated pictures & output organization, 3rd vs 7th graders, 58:5161
age, production & mediation deficiency in free recall, kindergartners & 3rd & 6th graders, 55:3775
alphabetical vs clustering organizational strategies & strategy overlap as retroactive inhibition, free recall learning, college students, 54:4566
analysis of higher order subjective organization units in free recall, criticism of J. W. Pellegrino's computer program, 53:8576
anomie & anxiety & sex, free-recall verbal learning task, college students, 55:4643
anticipation of free recall vs serial recall vs recognition tests of retention, encoding, female student nurses, 55:177
anxiety level, cue utilization in recognition & free recall learning, support for restricted coding hypothesis, 58:2704
application of idea & recall quantification method, idea retrieval vs construction in immediate & delayed prose free vs cued recall, college students, 58:6876
appropriateness of assumptions, applying statistical models to measuring organization in free recall, 54:10856
articulation & isolation of response term, free recall of response terms on paired associate list, 55:1873
articulatory suppression, free recall, college students, 55:8938
associative & conceptual organization of word lists, organization of free recall, thought disordered psychiatric patients, 57:3509
associative strength & paradigmatic vs syntactic work pair associations, free recall performance, 1st & 3rd & 5th graders, 57:431
attention to item exposure duration & semantic ratings as incidental learning tasks & massed presentation schedule, spacing effects in free recall, college students, 57:2466
auditory vs visual presentation of rhyming word & word associate pairs & test anxiety, acoustic vs visual organization in free recall, college students, 58:4820
aural & pictorial prompts for response & associative phase components, noun-pair learning & recall, 2nd & 3rd graders, 53:325
blocked presentation of categorical material, elicitation of categorical strategy of remembering, retarded adults, 53:11954
blocking plus instructions to adopt organizational strategy vs blocking plus exposure to category labels vs blocking, clustering & recall performance during transfer task, mildly retarded adolescents, 56:4269
categoric & associative & orthographic & rhyming word processing & intent to learn, free & cued recall, college students vs adults over age 60, 57:12524
categorically postcategorical interpretation of modality effect, reply to L. G. Nilsson, 55:3714
categorically vs alphabetically organized words, encoding specificity in cued & free recall, college students, 53:8820
categorizability of objects, free recall, kindergartners, 57:5575
categorized vs unrelated pictures, free recall, lower & upper class 5th graders, 55:6745
category availability & utilization & cues, free recall & clustering of lists, black 2nd vs 5th graders, 57:914
category clustering ratio independent of clustering of individual categories in free recall, 56:3291
category information & delayed recall, intralist release from proactive inhibition in free recall, 58:2701
category labeling & sorting, clustering in free recall learning, kindergartners vs 3rd vs 5th graders, 54:11402
category name meaningfulness & item frequency & use of category names as cues, free recall of categorized lists, college students, implications for mediation model of free recall, 56:7228
classical mnemonic procedure, free recall performance, Ss over 60 yrs old, 57:2462
clustering & subjective organization, prediction of free recall of categorized word list & list of unrelated nouns, 58:6882
coding efficiency, mnemonic transformations in free recall, college students, 54:6799
cognitive & memory abilities, free recall performance during various stages of learning process, female 18–27 vs 40–49 vs 50–59 vs 60–69 vs 70–85 yr olds, 58:3099
cognitive structure for encoding & utilization rules, encoding & search in free recall, college students, 54:6794
components of short term proactive interference using Brown–Peterson paradigm & final free recall test, college students, 54:2359
computer program, analysis of free-recall experimental data, 53:10664
computer program, measurement & statistical analysis of higher order units of subjective organization in multitrial free recall learning, 58:6619
conceptual organization of word lists & block vs random cuing, word recall & clustering on free recall task, 55:1866
concurrent auditory shadowing, free recall & recognition of pictures & words, college students, 54:11043
consistent contiguity vs spatial grouping of unrelated stimulus items, free recall & subjective organization, educable mentally retarded adolescents, 56:10135
constant & variable input effects, analysis of multitrial free recall using intertrial organization variance, female college students, 53:381
constant vs varied input of letter strings, recall & learning new letter strings, college students, 54:6790
context & length of interpolated list, retroactive inhibition in free recall, college students, 54:370
context effects, free recall of categorized words, college students, 53:10951
context variation & intracategory variation & spacing repetition & opportunity between recalls to "think about" pictures, free recall of pictures, college students, 58:2715
covert cues, conditional probabilities of free recall with success vs failure of cued recall of same material, college students, 53:2370
cued recall, trace storage in free recall, college students, 55:6177
cueing & constraint instructions, free recall performance, nursery school children, 54:5021
deficient auditory short term memory, immediate memory for word lists, patient with left posterior parietal lesion, 55:10145
definitions vs pictures vs words, free recall, college students, 53:418
delay interval before recall & computation &/vs rehearsal delay task, serial position effects in free recall & short term vs long term retrieval, 57:2477
delay of initial recall, subsequent recall, 7th & 8th graders & college students, 56:9221
development & test of model, free recall & ending process, 57:4911
development of short & long term storage mechanisms, free recall performance, 2nd vs 4th vs 6th grade high vs average academic achievers, 55:9390
developmental changes, free recall & serial learning of categorically structured lists, 1st & 3rd & 4th graders, 54:5011
developmental differences in rehearsal strategies, free recall, 5th & 8th graders & college students, 54:4993
developmental stage & presence vs absence of cues, categorical clustering ability during free recall, 4–6 yr olds, 56:2138
differential incentives, immediate & delayed free recall & recognition, 5th graders, 55:3789
disinhibiting whistle vs no whistle, retroactive inhibition during free recall, college students, 53:417
EEG alpha correlates & increased alpha, short term memory in delayed free recall & digit span memory task, college students, 57:9754
elaboration learning skill training program, reading comprehension & free & paired associate & serial recall, 9th graders, 58:8295
encoding effort & variability, spacing effect in free recall, college students, 55:11466
encoding vs cuing conditions, free recall task performance & subsequent sorting task performance, 1st vs 3rd graders, 56:7669
ethnic background, free recall of lists of categorizable words, black vs white children, 57:2957

exposure time & spatial organization of visual nonverbal stimuli, clustering in free recall, college students, 55:200
extraversion & general activation, categorized free recall, 18–30 yr old college students, 53:360
eye-movement treatment conditions & imagery levels, free recall, college students, 53:2329
face-to-face vs written exchange of attitudes vs value beliefs, recall of attitudes & value beliefs, college students, 53:3020
familiar object pictures viewing with recall vs recognition preparation strategies, free recall of object names & picture recognition memory, kindergartners vs 3rd vs 5th graders, 57:989
forced vs free vs restricted recall in verbal learning, retrieval of additional repeated items, 53:6672
format of items from mixed lists of words & pictures using unlabeled slides & auditory labeling procedures, memory for symbolic & sensory modality, 53:10950
free recall & subjective organization in performance, learning disabled vs normal 4th–5th graders, 58:5644
free recall, clustering of items from structured list & subjective organization from unrelated word list, 55:3708
free recall of affectively laden words, hospitalized nonpsychotic schizophrenic vs nonschizophrenic patients vs normal Ss, exploration of hypohedonia hypothesis, 55:7296
free recall of categorized lists, rehearsal & subsequent retrieval characteristics, college students, 54:11011
free recall of words, semi-urban vs rural primary school students, Buganda, comparison with data from other cultures, 57:1064
free recall, standard English vs Hawaiian Islands dialect speaking 5th graders, 53:7350
free recall task using categorized word lists, item exposure durations & interresponse times & recall accuracy &_ category output size, temporal flow of information through human information processing system, 55:8890
free recall vs instructional cue vs cued recall conditions, total recall & serial ordering & clustering responses, black vs white females, 55:8882
free recall vs recall in presence of other list vs extralist words, inhibition effects & rate of recall, high school & college students, investigation of cancellation of cue facilitative effects, 58:2707
free reproduction of memory contents, long term memory achievement, 57:12068
free vs sequential vs semantic recall instructions following listening to lists of categorizable words, short term memory recall performance, college students, support for semantic recall as retrieval phenomenon, 57:7500
free-recall familiarization task, verbal discrimination transfer repairing decrement, college students, evidence for associative mechanisms, 53:324
frequency attribute recall instructions, intralist repetition in free recall, college students, 53:10938
frequency of exposure to trigrams varying in affective meaningfulness & associative value, free recall & word associations & transfer of meaningfulness in nonmeaningful-meaningful pairs, 58:2679
general statistical framework, assessment of categorical clustering in free recall, 58:201
generation of hierarchical association instructions, free recall of conceptually unrelated or randomly or properly organized hierarchy of words, college students, 55:1893
grouping structure vs variation, free recall of letter sequences & transfer of coding strategies, college students, 53:4424
hierarchical location of words within semantic memory, free recall difficulty & production of subordinate vs superordinate associations, aged Ss, 55:11442
hierarchically vs list presented hierarchies & correct vs random-within vs random-across organization, free recall, college students, 53:369
high vs low imagery & color of noun lists, free recall & facilitation of learning, college students, 55:205
homogeneity of free recall ability domain & generalizability of free recall measurements, 5th graders, 57:78
hypnotic time distortion vs motivating instructions, free recall performance after 3 vs 10 min of study time, college students, 57:4827
identification of clusters of items in retrieval attempts, spontaneous chunking in natural free recall learning, 2 female adults & 12 yr old male, 56:7208
imageability & concreteness & lexical complexity, free recall performance, college students, 54:6810
imagery ability & modality of interfering task, selective interference in paired associate & free recall learning, college students, 56:9207
imagery, long term retention in free recall task, college students, 55:11463
imaginal & associative & anagram incidental learning tasks, free recall of concrete & abstract words, college students, 56:5291
imaginal vs verbal relational organization vs instructions to group by two's, free recall, mildly retarded, 58:11917
immediate free recall vs no recall of auditorily vs visually presented lists, delayed recall, college students, 58:325
immediate test condition & type of lists, priority effect on modified-modified free recall test, college students, 57:7488
immediate vs delayed free recall, isolation effect, college students, 53:371
immediate vs delayed recall using successive free-recall lists, proactive interference & measurement of degree of learning in short-term retention task, college students, 53:338
incentive level, overt rehearsal & free recall, 5th vs 8th graders vs college students, 53:850
individual differences in subjective organization, whole–part & part–whole free recall transfer, college students, 53:6602
individual recall sequences & effect of list 2 dominance, model for free recall of 2 lists, 55:1844
induced attention & encoding variability in semantic orienting tasks, level of free recall & consistency across trials & category clustering, kindergartners vs 2nd graders vs college students, 56:9706
inference in prior knowledge of word list organization, internal mnemonic organization, 58:10976
information flow from input to output in free-recall task, 16-yr-old retardates & normal 10-yr-olds, 53:5656
information of interpolating task, shift of reversal strategy in single-trial free recall of word lists, college students, 56:3388
initially imposed organization of word list, reminiscence in final free recall, high school seniors, 56:5331
input & output mechanisms, directed forgetting using free research task, college students, 53:10943
input & output orders of stories, primacy effect in prose free recall, students, 53:4461
input cue accessibility, free recall performance for unrelated words, college students, 55:3778
input modality & presentation rate, primary & secondary memory components in free recall, 20–39 vs 40–59 vs 60–80 yr olds, 55:6179
input order & grouping presentation, organization in free recall learning, college students, 54:4569
input order, free recall of number lists, college students, 54:11013
instructional objectives & text organization & prior experience, recognition & free recall of passages, high school students, 55:13135
instructional set, retroactive inhibition in free recall, college students, 57:2413
instructions to form linking vs separate images, free recall, college students, 53:391
instructions to "look" vs "remember" & presence vs absence of semantic category cues, constrained vs free recall & discrimination between perceiving & memorizing, 2nd vs 5th graders, 57:5576
instructions to maintain List 1 Organization during List 2, part-whole transfer in free recall, college students, 56:3445
instructions to semantically encode vs repeat aloud during presentation of each test item, free recall of unrelated words, male college students, 57:418
instructions to study silently & associative ability & presentation rate, associative encoding & RT in free recall, college students, 58:10978
interactive vs separation imagery vs repetition & categorization of list words, free recall performance, 58:8806
interpresentation interval of repeated items & number of repetitions, lag effect in free recall & study time & differential encoding vs differential rehearsal analysis, 57:7446
intonation grouping & meaning relations between words, free recall, humans, 56:5290
intralist repetition effects, free recall, college students, 55:3736
intralist repetition effects, free recall, 55:6157
isolated items, free recall & recognition, college students, 54:394
item availability & processing level, associate symmetry tested by free vs cued word recall following incidental vs intentional paired associate learning instructions, college students, 58:6858
item vs S arousal, paired associate learning & free recall, 56:7221
item-pairs & sex differences, free recall of 2-item lists, 29–35 mo olds, 53:367
lag & modality changes, free recall, college students, discussion of encoding variability hypothesis, 53:10975
lag interval in repeated word task, developmental changes in free recall performance, 4th vs 8th graders vs college students, test & modification of differential encoding hypothesis, 57:998
learner's cognitive style & free recall learning task presentation style, optimal learning, compulsive vs reflective children, 55:1869
learning free recall lists of trigrams, normal vs hearing impaired vs deaf Ss, 53:1528
learning of constant words, recall variation of new words, high school students, 56:9197
learning to learn & learning to organize, free recall, college students, 54:2352
length of rehearsal prevention task & lag between successive repetitions, free recall of object phrases, college students, 58:360
letter recognition & verbal discrimination & short free recall lists & forgetting of item due to between presentations, intervening interval spacing & lag effects with massed & distributed practice schedules, college students, 57:2473
level & type of processing, repetition effect in free recall, high school & college students, 55:8885
limited capacity of short & long term memory, organization of free recall lists, 57:7476
list composition & item sorting techniques, clustering of free recall, kindergartners vs 6th graders, 56:5774
list items presented in blocked vs random order & frequency of association, immediate & delayed free recall of categorically related list items, college students, 56:1799
list lengths, interference in delayed free recall of 2 of 3 learned lists, college students, 57:2467
list organization & rehearsal activity, free recall, 6th graders, 58:6871
list organization & retrieval cue factors, retrieval strategies in free recall task with categorized lists, 5th graders vs college students, 56:3818
list overlap information & part-to-whole & partial overlap conditions, old & new item free recall & negative transfer, college students, 54:2364
list-discrimination theory of negative transfer, whole/part paradigm in free recall, 56:1821
lists of unrelated vs taxonomically related words & magnitude of primacy effect, overt rehearsal strategies & free recall, 3rd vs 6th vs 8th vs 9th graders, 57:7983
locus of control & cognitive style & imagery value, prediction of free recall memory, inner city 5th grade boys, 55:6132
locus of control & idiosyncratic saliency of materials & organizational constraints, free recall of nouns, college students, 57:9551
locus of organization at input & retrieval in free recall, 55:8944
magnitude of positive recency effect in immediate free recall, magnitude of negative recency effect in final free recall, college students, 53:388
marihuana & cued vs uncued conditions, free recall of word lists, 21–28 yr old male moderate users of marihuana, 58:11321
massed vs distributed presentation & study time, attenuation of attention in free recall learning, 55:11496
meaningfulness & associative RT & pronunciability & recognition latency, recallability of consonant-vowel-consonant-vowel-consonant words & paralogs, college students, 57:7472
meaningfulness & formal similarity, accuracy & subjective organization in free-recall task, college students, 53:366
meaningfulness of final item in auditory memory list & verbal vs noise suffix conditions, free & ordered recall performance, college students, significance for preliminary stages of acoustic analysis & encoding, 56:9235
meaningfulness of verbal material, aggressive word recall, severely emotionally disturbed primary aged children, 57:8390
memorization of 2 noun lists & learning & recall strategies, item specific inteference in recall of 1st vs both lists, college students, 56:9177
memory organization, free recall of familiar words, schizophrenic vs normal adolescents, 58:9665
memory span & category clustering & reading comprehension scores, variance in average free recall of pictures & words, 10th graders in special reading classes, 57:9149
mental imagery instructions vs picture mnemonics accompanying aurally presented sentences, free vs cued recall vs retention of sentences, 1st vs 4th graders vs college students, 55:6759
mental imagery, memory & free recall of words associated with image, 58:8784
mixed-language vs 1 language lists, free recall, Arabic–English bilingual college students, 53:6662
mnemonic organization & processes of organization & free recall of words, schizophrenics vs normal Ss, 56:806
modality effect in single-trial free recall, 3-component analysis, college students, 58:4835
multiple vs selected retrieval processes, spacing effect in free recall, college students, 58:10986
multiple vs single retrieval paths, long-term free recall, 53:393
multiple-trial free recall, acquisition & long-term retention of concrete vs abstract words, college students, 53:4510
multivariate free recall, comparable ratio indices of sequential consistency & subjective clustering, 54:2323
new version of L. C. Shine combined analysis of variance, reanalysis of free recall data, 55:3779
nonrecognized repetition, directed forgetting & free recall, college students, 56:3447
nonsensical pictures with vs without verbal interpretation, free recall & recognition, college students, 54:6784
noun lists presented at the same decibel vs 11th item at higher decibel vs items repeated at same decibel using D. Rundus' induced passive rehearsal & von Restorff phenomena, free recall, normals vs noninstitutionalized retardates of equal MA, 55:2519
number & size of categories of lists, limited capacity of storage or retrieval of human memory in retroactive inhibition in free recall, college students, 54:11034
number of verbal modifiers paired with to-be-remembered items, free recall, 58:323
object drawing series based on color vs conceptual category, dimensional salience & free or cued recall or clustering & role as organizing principle in memory, nursery schoolers vs 2nd vs 5th grade Israeli Ss, 58:5157
opportunity to rehearse between end of paired associate list & onset of probe, probe responses & final free recall of response items, college students, 55:6187
order information, ordinal vs free recall, 53:4409
order of recall & recall of order, short term & long term retrieval in free & serial & modified recall tasks & 2-storage process model, college students, 57:7456
organization by modality vs semantic category in immediate free recall, 53:6666
organization of learning material, part-whole transfer in free recall learning, college students, 57:433
organization of material & level of difficulty, free recall performance, learning disabled children, 54:9971
organization of rehearsal & compatibility of responses, associative clustering in free recall, college students, 58:10963
orienting tasks & instructions about associative structure, free recall & clustering, college students, 55:6126
orienting tasks & knowledge about relevant context, word recall & sentence recognition, 56:9245
output recall strategies, serial position function during immediate vs delayed vs final recall, 57:7437
overt rehearsal frequency, free-recall performance, 53:4411
paired associates recognition & free recall & recognition tasks, items retrieved from long term memory as function of items presented, college students, validation of L. Standing's power function, 57:12055
paradigms in transfer experiments & experimental variables & data indices & theoretical interpretations, problems of transfer in free recall learning, 56:9242
paragraph size & content, free recall & true-false RT, implications for nature of paragraph memory, 57:7492
part vs whole list learning, organizational processes transfer in free recall of unstructured word lists, college students, 57:2428
part-whole transfer paradigm in free recall learning, investigation of list discrimination hypothesis, 57:420
passage organization & organizational set & verbal ability & cuing of text & serial position of material, cued & free recall of facts from prose, high school students, 55:184
perceptual vs verbal stimulus presentation & theories tested, recognition memory & free recall & paired associate learning, review, 54:6815
permanent memory component as relates to vector quantity which reflects sequential allocation of attention during encoding, 54:6793
phonemic similarity of list words, free recall learning, 58:8818
phonological similarity, modality effect in free & serial recall, college students, 53:2417
pictures & sounds & words in symbolic & sensory modalities, free & serial recall, college students, 55:11480
pleasantness-unpleasantness of words & affective encoding behavior, free recall, schizophrenics & nonschizophrenic psychiatric patients, 56:2465
practice, primacy & recency effect in single trial recall, college students, 56:3418
practice session & test expectations, priority effect in A-B–A-C paradigm, college students, 57:4951
preferences & abilities in use of organizational cues in free recall, kindergartners vs 3rd vs 6th graders, 58:11430
preferred vs nonpreferred stimuli, free recall & clustering, moderately & severely mentally retarded public school students, 58:5609
presentation model, organization & recall, college students, 53:10976
presentation order, learning in multitrial free recall, college students, 53:4442
presentation rate & rehearsal vs memory span task, ordered free recall, college students, 58:344
presentation rate & retention test interaction, negative recency effect, 55:6151
prior contextual information defined by topic vs picture cue vs categorical information, free recall & recognition performance, schizophrenic vs normal children, 58:9680
prior free recall, secondary organization, 4th graders, 55:8897
proactive inhibition & practice effects, single-trial free recall, 55:8895
quality of spatial cues available in visual presentations, 1-trial free recall, 55:1874
race & sex, free recall of organized vs unorganized lists & digit span performance, black vs white 1st graders, test of A. Jensen's theory of racial differences in conceptual & associative learning abilities, 55:1437
random vs ascending order presentation of 2-digit numbers & serial position cues, free vs ascending order recall, college students, 56:9202
random vs blocked presentation of categorizable word list with vs without instructions, clustering & free & cued recall, 4th & 5th graders identified as fast/inaccurate vs slow/accurate responders, 58:2712
rate of presentation, lack of effect at recency end of free-recall serial position curve, college students, discussion of problem for 2-stage memory theories, 53:10922
ratio of repetitions as measure of clustering in free recall, 56:3269
reading order & grade level, forward & backward measures of recall, 5th and 9th graders & college students, 54:6820
reading order & paced vs free recall of paired associate list, 5th vs 9th graders vs college students, 56:9708
recall & rehearsal, clustering in free recall, junior high school students, 55:11470
recall instructions for output order, serial position function in immediate & delayed & final recall performance, college students, 56:9190
recognition & free recall & cued recall tasks, memory for environmental sounds, significance for storage of perceptual & conceptual codes, 57:4958
rehearsal & order of recall data, free recall measures of short term store, college students, 55:11444
rehearsal & serial list position, free recall from long term memory, college students, 54:8874
rehearsal & serial position & presentation time, free recall curves, college students, 55:8869
rehearsal & serial position, multitrial free recall, female college students, 53:8826
rehearsal methods, positive recency effect in final free recall for associated items, 53:4438
rehearsal vs no training, number of items rehearsed together & corresponding free recall performance & transfer & presence of primacy effect, 2nd vs 6th graders, 58:857
"remember" vs "look" instructions & practice effects, behavioral vs metamnemonic indicators of strategic behaviors in free recall, 1st graders, 56:9691
reorganization of written material during notetaking & verbal aptitude, free recall, high school students, educational implications, 57:13829
repeated vs nonrepeated items across lists, specified list vs free recall, college students, support for list differentiation interpretation, 56:9205
re-presentation of original words, output monitoring in recall-recognition test, college students, 56:3375
response organization level during 1st-list free recall, recall of 2nd list consisting of new & 1st-list words, college students, 58:10983
retrieval cues, recall, 3rd & 6th graders, 54:380

retroactive inhibition of original list before & after removal of amnesia suggestion, availability of "forgotten" material during posthypnotic amnesia, college students, 57:2508
schematic black & white vs colored & detailed black & white vs colored drawings vs written nouns, free recall, college students, test of incidental-cues hypothesis, 57:4965
selective reminding of items not recalled on preceding trial, free recall verbal learning as learning by retrieval from long-term storage without presentation, 5 & 8 yr olds, 53:9255
self generated vs thematic vs taxonomic classification schemes, organized free recall & clustering, 2nd vs 5th graders, 57:8013
self pacing & item presentation duration, free recall & rehearsal performance for groups receiving equivalent list study time, evaluation of total time hypothesis by Atkinson-Shiffrin model, 57:2420
self-concepts & ego-strength & affective word meaning & free recall of trigrams or words, high school & college students, 53:2358
semantic & nonsemantic cued orienting tasks, associative clustering in free recall, college students, 53:10969
semantic cuing as alternative to exhaustive free recall, measurement of long term episodic memory, college students, 57:376
semantic distance, response latencies in similarity judgments & RT in same-different classification & proximity of recall in free recall, college students, 56:5285
semantic integration of sentences & prompted vs free recall conditions, retrieval methods in recall, nursery schoolers vs 1st vs 3rd graders, 57:12523
semantic list structure, free recall, college students, 53:4508
semantic processing & organizational activity, free recall, recognition performance for noun lists, college students, 57:2406
semantic recognition & free recall & memory for language in which concrete vs abstract words occurred, German-English bilingual speakers, 56:3452
semantically related vs unrelated associates varying in associative strength & frequency, clustering in free recall, college students, 56:5287
sentences in active vs passive voice & containing vs not containing adjective modifying categorizable noun, free recall & clustering of sentences, college students, 56:141
serial bias control, priority effect in free-recall learning, preschoolers & 2nd & 6th graders & adults, 53:7035
serial task training, number of category repetitions during free recall, 8 yr old educable mentally retarded, 54:4216
severe head injury, auditory vocal digit span & free recall performance as measure of short & long term memory, patients, 57:1473
S-generated vs E-supplied associations during storage & associative ability, free recall, college students, 56:3431
short term memory vs short & long term memory, recency component in free recall, 57:411
single vs multiple presentation of lists & related vs unrelated list words, information storage & retention & retrieval in standard & extended free recall situations, college students, 57:4969
single-trial free recall from temporal search sets in long term memory, college students, 54:11017
spacing between categorically related words & presentation rate & category size, free & cued word recall as function of serial order within category, college students, 58:4805
spacing interval in incidental vs intentional learning, free recall, college students, 56:7220
spacing of repetitions of pictures & words, incidental & intentional free recall, college students, 53:4507
spatial & temporal & control variables, free-recall serial position curve, retarded children & equal mental age normals, 53:11964
spatial presentation & blocking, organization & verbal recall, 4th vs 6th vs 8th graders, 55:11920
speaker's voice & source location & incidental vs intentional attribute retention instructions, long term free recall of sentences & attribute recognition, college students, 57:7453
spontaneously employed categorizing vs alphabetizing learning strategies, immediate & delayed free recall of instructional verbal materials & retroactive interference in category structured & unstructured 2-list learning, college students, 57:7475
stable 1st list learning vs underlearning of low meaning trigrams & 1st list availability during transfer, transfer task & recall performance, 56:9196
standard vs new measures, output order of subset of items in free recall, 53:2380
standard vs recall study-test trial procedure, item availability & accessibility in free recall of blocked vs randomly presented lists, 57:382
stimulus blocking & constrained free recall, storage & retrieval processes in free recall, 2nd graders, 58:2719
stimulus generalization & classification preferences & age, free recall, 1st–3rd & 5th graders & adults, 57:2973
stimulus luminance & duration, iconic encodability & free recall of letter matrices, college students, 57:11841
stimulus prefix & response prefix, probed recall & whole-list free-position recall, interference interpretation, 57:7471
storage during alcohol intoxication vs sobriety & word imagery level, free recall in intoxicated vs sober state, 21–35 yr old females, 56:2093
strong cues presented at output, reduction of retroactive inhibition in categorized free recall following interpolated list, college students, 57:7438
study time & interpolated learning & cueing, alphabetizing & categorizing as organizational strategies in immediate & delayed free recall, 55:11468
study times & procedures & associative ability, relationships between associative RT & meaningfulness & association responses during free recall learning, college students, 55:1822
subthreshold learning, intrusion upon later task performance, 19–32 yr olds, 56:144
synonymity & intralist synonym cohesiveness & list length, free recall, college students, 56:3393
task complexity & list segment positions, free recall after single presentation, males, 54:6814
taxonomic similarity of concurrent visually presented interfering list & auditorially presented learning list & orthographic & semantic processing of interfering list & category knowledge, free recall learning & retention, college students, 57:12016
temporally grouped vs ungrouped list items, order & account of free recall, college students, implications for short & long term memory, 58:330
test anxiety & concrete vs abstract noun lists & strategy instructions, free recall & subjective organization, college students, 57:7480
test expectancy & preliminary practice & study time, encoding for free recall vs recognition of relatively unrelated words, 57:7390
test-trial separation & item availability using presentation of pictures & separation of test trials using verbal materials, reminiscence & item recovery, 56:3435
traditional procedures & developmental theory, free recall, 53:2861
transfer of different organizational structures, free recall of word lists, 58:8794
unilingual & trilingual lists, free recall, female secondary school students, 55:194
unrelated words & isolation effects & selective attention, free recall, humans, 56:5284
validity of method using output order information from free recall learning task, graphic representations of models of memory structure, 58:8790
verbal & imaginal attributes in instructional sets & word lists, imagery & meaningfulness in free recall, college students, 54:399
verbal paired associate learning vs free recall vs perceptual-motor performance, long term memory, amnesia patients, 56:4313
verbal rehearsal training, recall accuracy & clustering, kindergartners vs 3rd vs 6th graders, 55:11993
verbal study strategies, free recall & recognition of concrete vs abstract nouns, college students, 58:4796
visual vs auditory presentation & list categorical structure & cuing, individual differences in strategies used & free recall performance over list-to-list within-S design, 5 yr olds, 57:7373
visual vs auditory presentation mode & type of interpolated task, negative recency in initial free recall, college students, 53:365
vividness & complexity of pictorial material & list length & mixed vs pure lists, primacy & recency effects in free recall, college students, 57:7496
white noise, facilitation of retention using serial & free recall & paired associate learning tasks, 2nd & 5th graders, 55:4221
whole-to-part list free recall transfer task, subjective organization, college students, 58:4833
within-list position, free recall, college students, 55:11458
word frequency & meaningfulness, discrimination learning & free-recall learning, 4th & 6th graders, 53:10898
word frequency & taxonomic frequency, incidence of category clustering in free recall, college students, 58:4776
word input list location, item strength assessed by free recall learning, college students, formulation of selective attention hypothesis, 57:12009
word length & word frequency, modality effect in free recall, college students, criticism of M. J. Watkins' conclusions, 53:10958
word presentations with different numbers & amounts & patterns of spacings, free recall, college students, 53:362
word-list spacing, free recall, college students, 55:8939

Frequency (Response) [See Response Frequency]

Frequency (Stimulus) [See Stimulus Frequency]

Frequency Distribution [See Also Normal Distribution, Skewed Distribution]
absolute normal scores test for symmetry of distribution of scores, 58:2580
association structure analysis in determining complexity of binary variables, hierarchic version of configuration frequency analysis., 53:100
comparison of statistical techniques for testing heterogeneity of variances, 58:8682
configural frequency analysis, evaluation of multivariate factorial designs, 53:10741
continous variable of rectangular & bimodal-normal & bimodal-peaked & skewed non-normal distributions, r-point biserial coefficient, 54:8723
flange detection cluster analysis, detection of subpopulations which deviate from primary subpopulation in well-defined direction, 56:3278
frequency distributions for mother-infant gaze durations, mothers & their 4 mo olds, implications for experimental design & statistical analyses, 57:8110
heterogeneity of variance & non-normality & nonlinear transformations of scales, t test distribution validity, 53:91
interval estimate for making statistical inferences about true scores, 57:147
marginal distributions for estimation of proportions in "m" groups, extension of Bayesian Model II approach, 54:6622
mean production rate of 2-stage production system of tandem type, 54:4488
mixed binomial & stratified mixed binomial for statistical inference in testing & estimation, 54:4484
nomograms, interval estimation of correlation coefficients corrected for restriction of range, 57:138
probability distribution of probability, 55:8810
rank order test for matched scores with unequal cell frequencies, methodological criticism of R. Meddis' proposal, 58:128
selected test items & score statistics based on simulated mental test data, development of computer program system for generation of expected sampling distributions, 58:8637
specification of resemblance between logistic & normal curves, choice of best logistic scale factor D, 53:8622
standard errors & frequency distributions of true scores, relative efficiency for subtests from Scholastic Aptitude Test, 53:4288
statistical bias & standard errors, sampling distributions of W. Kristof's reliability coefficient & L. S. Feldt's coefficient & L. Guttman's lambda-2, 58:10847
subjective probability distribution of random events & of hypothesis, 55:8835
support tests for dispersion & location differences in frequency distributions, 55:8689
test items with given estimates of difficulty & discrimination, program system for estimation of characteristics of test scores distribution, 55:3495
test score distributional shifts, reliability & validity of standardized test scores, 54:10833

Freud (Sigmund)
abstracts of complete psychological works of Sigmund Freud, book, 53:4269
account of stage hypnotist's association with Freud as his "medical hypnotist", 57:4648
Adjective Check List, assessment of personality characteristics of S. Freud & C. Jung, psychology students, 54:3174
analyis of Freud's letter to R. Rolland, 53:3106
analysis & J. Lacan's theory of unconscious, Freud's forgetting of Signorelli, 53:6438
attack on Freud with reference to responsibility for Victor Tausk's suicide, Freud biographer P. Roazen, 55:7
attitude toward death before & concurrent with terminal illness & death instinct concept, criticism of Freud's concepts, 55:11240
authenticity of Freud Memorial Collection, 55:3417
autobiographical material produced by Freud's Wolf Man case, identification with poet & writer M. Lermontov, 58:12036
awareness of unconscious, Freud & writings of Breton, 55:11238
biography of Freud by E. Jones, discussion & correction of 2 minor errors, 57:9301
character & society of politics & hope, W. Reich's vs E. Fromm's vs H. Marcuse's criticism of Freud's theory, 57:2157
charisma & moral authority & cultural superego, societal stasis & change, theoretical convergence among Weber & Durkheim & Freud, 55:12066
childhood memory of Leonardo da Vinci, discussion of Freud's essay, 56:3161
chronological phases of Freud's theory development, schizophrenia, 53:5546
clarification of libido concept & development of S. Freud's definition of humanism, 54:4414
cocaine use by S. Freud, understanding of subconscious, 54:2173
collaboration of S. Bernfeld & E. Jones, biography of Freud, 53:2133
comparative themes in Oedipal myths in Greek & Benin city-state civilization & psychodynamics of modern forms of civilization, hypothesis of social survival as alternative to Freud's & E. Fromm's interpretations, 58:51
comprehensive review of psychoanalytic concepts & Freud's views of narcissism, 57:7123
concepts of ego from works of Freud & Hartmann & Kris & Lowenstein & Bose, psychoanalytic ego psychology, 58:2423
concepts of unconscious & motivation of Freud, 57:5932
conflicts resulting from need to justify theory & practice of psychoanalysis with Freudian doctrine, 58:4548
critical evaluation, G. M. Beard's concept of neurasthenia & Freud's concept of actual neuroses, 57:11720
criticism by R. Niebuhr, Freud's psychoanalysis, 55:9863
criticism of English translation of Freud in "Standard Edition of Complete Psychological Works of Sigmund Freud", 58:5066
criticism of Freud's monograph analyzing Michelangelo's statue of Moses, 58:742
cultural & philosophical milieu & influences, development of Freud's thinking, 57:11724
Darwin & C. Claus's interpretation, source of Freud's neo-Lamarckianism, 54:2165
death of psychoanalysis & understanding Freud's character, significance of book, 54:3769
determinism & moral responsibility in writings of Freud & Calvin & Glasser, significance for pastoral counseling & reality therapy, 57:6233
development of influencing machine in persecution, analysis of Freud's "A case of paranoia running counter to psychoanalytic theory of the disease", 55:12406
diagrammatic model of repression constructed from Freud's theoretical formulation, 58:5421
discovery of childhood sexuality, contribution of Freud, 53:4917
discussion of previously unpublished letters & other correspondence from Freud to R. Rolland, 58:745
dramaturgical style of Freud's "Irma Injection Dream", 53:1118
dream interpretation, genetic aspects of Freud's analysis of dream about "Irma's injection", 58:4537
ego identity, Freud's "rat man" Paul Lorenz, 55:2595
ethics & effectiveness, Freud's treatment of Dora, 53:8018
evolution of modernism's concept of responsibility in European culture, Freud's theories, 54:11511
female sexuality & sex roles, reassessment of Freud's views in relation to work of W. Masters & V. Johnson & K. Horney & M. Klein, 55:682
fraternal theme, Joyce's "Ulysses", 53:3112
Freud & contemporary psychoanalysis, summaries of colloquium papers given at Salpetriere, 1976, 57:10677
Freud as both literary artist & 19th century scientist, analysis of "The Interpretation of Dreams", 58:6576
Freud vs Jung's psychology of the unconscious, book, 53:9618
Freudian & Jungian & anthropological elements in act of dismemberment murder, 54:5531
Freudian & Jungian & existential psychotherapeutic perspectives, daimonic hallucinations of Ivan Karamazov & Christoph Haitzmann, 54:5292
Freudian & Jungian descriptive analysis, symbols & myths, 57:1239
Freudian psychoanalysis, book, 57:6252
Freudian theories about family relationships, chronological discussion, 57:3083
Freud's approach types & phases of identification & resulting formation of superego, 58:1224
Freud's assumptions on perception & memory, concept of unconscious mental representation, 55:2415
Freud's concept of "meaning", 53:10222
Freud's conceptualization of death instinct as influenced by disruptive effects of his brother's death, 57:11713
Freud's delineation of limitations of formal psychoanalysis, guidelines for psychoanalytic psychotherapy, 53:3790
Freud's genius for language & consequent danger in imprecise translation of concepts into English, example from 1897 letter, 56:3788
Freud's hermeneutic in theory & practice of psychoanalysis, 58:7136
Freud's insights on religion & religious experience, applications for church & psychotherapy, 54:11528
Freud's mechanistic vs humanistic image of man, psychoanalytic theories, 53:7417
Freud's neo-Lamarckian interpretation of Darwin, 54:2166
Freud's recommendations for practice of psychoanalysis, current traditional analysis & modern psychoanalysis, 58:7833
Freud's theories about God & devils, object representations of significant people in early life & explanation of belief in divine being, 57:11721
Freud's theories regarding heredity vs findings from experimental literature, 57:7111
Freud's theory of transference, development of concept & discussion of "Misters E", 58:4549
Freud's theory, relationship between paranoid delusions & homosexuality, 54:5471
Freud's topological models & mind-body dualism, 53:4255
Freud's vs H. Deutsch's interpretation, cases of female homosexuality, 55:2417
Freud's vs Jung's theories of dream interpretation, 58:2450
Freud's vs R. D. Laing's & W. Reich's theories on femininity & treatment by feminists, book, 56:9
Freud's work at psychiatric clinic at Allgemeine Krankenhaus, Vienna, 1883, 57:11726
historical & structural approach to Freud's work, problematics of sexuality & ego & death drive in psychoanalysis, book, 56:6969
historical context & personal background, reappraisal of some Freudian tenets, 57:15
historical reflections, Freud & Jung & Paracelsus, 54:10804
history of psychoanalytic anthropology from Freud to G. Roheim, 58:6572
identification with Cipion from Cervantes' "The Colloquy of the Dogs", psychoanalytic beginnings of S. Freud, 58:4556
influence of traditional patriarchal values, Freud's theory of development & psychological characteristics of females, 54:3155
initial response to S. Freud's "The Interpretation of Dreams," educated German public, 54:7555
intellectual history of psychoanalysis, papers presented at Chicago Institute for Psychoanalysis, 57:9304
interaction between internal & external world, analysis & extension of Freud's insights, 53:9649
Jung & Freud & Alex, archetypal aspect of event triggering outbreak of sickness in depressive patients, 54:3287
Jung's empirical reservations & theoretical modifications following psychoanalytic affiliation with Freud, 57:9321
life & work of Freud through interviews of followers, book, 54:49
male & female sexual signs of Egyptian & Hittite hieroglyphics & Sumerian pictograms, validity of Freudian sexual symbolism, 58:11379
Marxist framework using textual criticism techniques, examination of Freudian "slips", book, 58:2447
narcissistic transformation & psychological creativity, Freud's relationship with J. Popper-Lynkeus, 53:6439
Nietzsche/F., influence on Freud & comparison of theories of human motivation, 53:5369
origin & nature of sexual disorders, S. Freud's views in historical perspective, 57:7114
overly strict vs lax consciences & Freud's concept of superego & therapy, 55:9830

papers of K. Horney & other psychoanalysts, criticism of Freud's phallus-centered point of view & theory of female sexuality, 55:1741
paranoia as transformation of persecution, criticism of Freud's analysis of Schreber as neglectful of father's childrearing practices, 53:5561
person as bipolar entity, Freud's contributions to philosophy of man, 56:5094
personal & cultural & historical contributing factors, Freud's discovery of the Oedipus complex, 53:9650
personal & professional relationship between S. Freud & V. Tausk, reply to K. R. Eissler's criticism, 53:9707
philosophers & institutions for emergency guidance in Greek antiquity, implications for Freud, 55:1727
philosophical interpretation of S. Freud's ideas, critical essays, book, 53:40
Piotrowski dream interpretation system, Freud's "Irma Injection Dream," criticism of J. V. Bowler's study, 53:1148
poet Hilda Doolittle's biography & sessions with S. Freud, book, 53:6412
primary & secondary narcissism & libido of ego & object, Freud's 1914 essay "On Narcissism: An Introduction", 53:3158
problem of psychological vs physical time in Freud's work on formation of psychoanalytic theory, 56:6973
problems of object constancy & moral development & developmental stages, comparison of older & newer works of Freud & Piaget, 57:9944
professional contributions & similarity to Freud's dream theories, E. B. von Feuchtersleben, 56:6972
psychoanalytic interpretation, relationship between Freud & K. Abraham, 53:2129
psychoanalytic interpretation, Freud's Jewish identity, 56:5078
psychobiographic study, Freud's experience in Paris & development of theory on sexual etiology of neurosis, 54:2136
reduction of Freud's dualistic concept of drives to monistic concept, 58:2436
relationships between Freud's Jewish background & his understanding of sociopolitical conditions of European Jews & his theory of psychoanalysis, 58:2443
religion & Freud, book, 57:5653
religious acts & obsessional neurosis, Freud's essay, 55:4731
repetition compulsion & death instinct, late writings of Freud, 55:2439
replacement of Freud's dream symbol approach to psychotherapy with Gestalt's method incorporating the body, 56:6333
response to Freudian theory, Virginia & Leonard Woolf, 53:7356
role of hypnosis in Freud's formulation of psychoanalytic theory, 57:9300
role of thoughts, Freudian ideas about etiology of neurosis & goals of psychoanalysis, 53:5540
semantic distinctions & definitions, Freud's terms of incorporation & introjection & identification, 54:1182
situation ethics & transactional analysis, relationship to Freud's theory of personality, 57:13210
spatial vs historical identification, Freud's article "The Uncanny", 53:8557
structure & assumptions, Freudian psychoanalytic theory & future of psychoanalysis, 53:5319
theoretical evolution in work of Freud & current status, castration complex, 53:7424
theory of universality of psychic determinism & K. Jaspers's divergence from Freud, 54:8135
third-party payment of fees for Freud's psychoanalysis, 53:10219

Freudian Psychoanalytic School

alternative language to that of Freudian metapsychology expressing psychological phenomena in terms of some activity & mode of action, 58:3745
analysis of E. H. Erikson's & R. May's & K. Stern's writings, application of Freudian vision to Western cultural problems, 55:5870
carry over of metaphysical assumptions from earlier topological theory concerning accessibility to consciousness, development of Freud's structural theory, 56:5077
concept of Eros, man's existential & psychological condition, Plato & Marx & Freud, 54:19
concept of trauma, study of early Freudian texts, 55:2370
criticism of use of Freudian analysis in literary criticism, 54:3068
Freudian & neo-Freudian theories, origins & parameters of anxiety, 57:4628
Freudian theory application to educational theory, book, 54:6149
Freud's recommendations for practice of psychoanalysis, current traditional analysis & modern psychoanalysis, 58:7833
Freud's theories regarding heredity vs findings from experimental literature, 57:7111
Freud's theory of Eros as basis for regaining communal purposes in modern Western society, response to P. Rieff's argument, 55:8590
heredity vs environment vs volition as change forces, Christian & humanistic vs behavioristic & Freudian views, 56:8922
historical review of Freudian theory & modes of psychic functioning & clinical utility & psychoanalytic nosology & theory, book, 57:4627
history of psychoanalytic movement, 55:3447
influence of ego psychology, Freud's early work as consolidation of pre-existing ideas, 56:5090
interview behavior, Gestalt vs psychoanalytic vs Kleinian vs Jungian psychiatrists, 54:9783
life of K. Kraus & his work on use & abuse of language by psychiatry & psychoanalysis, book, 58:4554
overview of Freudian theory & psychoanalysis, 1895–1939, implications for mental health trainees, 58:10778
overview of neobehaviorist theories of A. Bandura & R. Sears on modeling & social learning & child development, bridge between stimulus-response psychology & psychoanalytic concepts, 58:6571

Friendship

acquaintance & number of interactions, intimacy equilibrium & stability of immediacy behaviors & compensatory reaction to gaze changes, female college students, 58:11647
age & length of residence & alcohol consumption patterns & employment & incarceration experience, friendship formation & reference group selection, skid row men, 55:9566
age & sex, friendship fluctuations, elderly Ss vs college students, 58:3161
aging & estrangement from society, friendship & disaffiliation, male skid row residents, 55:12083
arousal level & friendship ties, physical & verbal aggression expressed by small groups, 57:1189
attending to cues & approaching &/or initiating skills in interpersonal training, friendship & interpersonal contacts, college students, 56:4991
chum relationships, altruistic behavior, male 6th graders, 57:10027
client friendly vs hostile behaviors, offerings of nonpossessive warmth & accurate empathy & genuineness, male vs female clinical psychologists, 57:6268
clique membership, academic achievement & self concept & school attitude & social acceptance of other students, 9th graders, 57:1977
closeness of social network of friends, companionship with wife, married male college students, 55:12130
college institutional factors & social life, social satisfaction relating to leisure time associates, female college students at small woman's college & large coed university, 55:8216
components of platonic & romantic heterosexual relationships, male vs female college students, 55:7069
conceptual variables, friendship as function of developmental age, 1st–8th graders, 55:6819
conduciveness of experimental setting for introspection & generation of successive images, visualization of friends' vs acquaintances' faces & imagery ratings, college students, 55:11495
contacts with foreigners during work vs during leisure time, attitudes toward European countries, Germans, 57:10112
content & context of joking & historically friendly relationships & their exclusiveness, culturally prescribed friendly relationships, criticism of narrowness of Radcliffe-Brown's conclusions, northeastern Nigeria, 55:9594
content in communication during acquaintance & formation of friendships as information-based communication process, 58:11651
context, ratings of attractiveness of photographs, college students, 54:3031
continence & friendship & incidence of marriage & childbearing & child's health, 17–56 yr olds with spina bifida, 57:8536
cooperative learning experiences, cross-ethnic relations & attitudes, white & black & Chicano high school students, 55:6943
degree of acquaintance & high vs low spatial density conditions, free play social behaviors, preschoolers, 58:7288
demographic characteristics, nature & predominance of intimate friendships, aged males vs females, 57:12567
development of affiliative behaviors, noncombat soldiers during wartime, 58:9355
developmental stages of same sex friendship, male & female college roommates, 58:11656
diagrams of friendships with members of same vs opposite sex vs both sexes, structural characteristics of closest friendships, 18–25 yr old single male vs female black college students, 56:652
dyadic vs individual task-oriented counseling approaches, acquisition of friends & absences & attending behaviors, high school girls who had recently transferred into school, 58:10612
dyads composed of strangers vs close friends, disclosure reciprocity, female college students, 58:1087
early peer relations & friendship, humans & animals, book, 55:2209
educational background & personal morality & religiousness & liar status & occupation & liar-listener friendship & polygraph vs listener detection of lying & individual vs group judgments, lying & evaluation of lies, 58:5308
ego perception & social intimacy of closest friendships & friendship group structural characteristics, male & female Black college students, 57:10265
expressed feelings about marriage & family & occupation & friendships & social life & academics & self image & self satisfaction & certainty about future, expressed feelings of identity, female college students, 55:7187
factor analysis of bipolar adjective checklist, goodness & enjoyableness & utility dimensions of friendship based on Aristotle's concepts, female college students, 53:1043
family involvement vs friendship & neighboring, personal morale, aged widows, 57:12625
feelings toward parents & best friends, self esteem, 8th & 11th graders, 57:3353
female model characteristics of stigma & friendliness & affect, imitation & learning, male vs female adults, 56:5288
friendly visiting with elderly & participation in aging course, attitudes toward aged, college students, 57:1932
friends vs strangers & high vs low intimate setting, mutual eye contact, extension of Argyle & Dean's equilibrium model, 55:9733
friendship & preference patterns at summer camp, 8–13 yr old boys with & without physical handicaps, 53:1563
friendship, communication task performance, dyads of 3–7 yr old friends vs nonfriends, 55:4491
friendship duration, responses to attitudinal agreement-disagreement, college students, 58:1169
friendship groups in collective behavior, persons celebrating football victory, 58:9466
friendship, interpersonal feelings & distance in cooperative & competitive interactions in success & failure conditions, male college students, 57:10311
friendship patterns, altruistic behavior, upper middle-class preadolescents with vs without chums, support for H. S. Sullivan's social development theory, 57:5600
friendship status & socioeconomic status, sharing behavior, kindergartners, 55:9741
friendship vs legal & medical vs benign authority vs drug experience, perceived credibility of drug information, black heroin addicts in narcotics treatment program, 56:4615
friendship with & sex of disclosee & negative vs positive self characteristics, degree of risk in self disclosure, male college students, 57:8210
friendship-expectation development, Anglo Canadian vs Scottish 6–14 yr olds, 58:7147
grade & sex & friendship & interpersonal distance, eye contact, kindergartners vs 3rd vs 6th graders, 54:1009
high vs low anxiety level & acquaintance vs nonacquaintance group conditions, verbal activity in dyadic communication, Japanese college student females, 58:1086
high vs low fear arousing persuasive communication of high vs low credibility & efficacy, attitude changes & defensive avoidance, Japanese college student females, 58:1095
hostile or friendly group characterization & group structure, group perception under stress/nonstress conditions, physical education students, 57:10235
humorous disparagement of self vs male friend vs enemy by male disparager, perception of disparager & humor appreciation, male vs female college students, 57:8261
identification of basic skills of friendship building & design of classroom exercises to facilitate their development, 55:8272
imaginary companions, social development, 4–7 yr old children, 55:4328
intensive & extensive peer relations & development, males vs females at 2.5 yrs old & later at 7.5 yrs old, 57:1026
interaction patterns with kin & friends & neighbors & housing satisfaction, Ss over age 55 living in retirement hotel, 57:12597
interpersonal attraction research findings, implications for development & maintenance of long term voluntary social relationships, 58:3334
interpersonal factors, acceptable levels of sexual intimacy in dating & friendship, college students, 56:7889
interpersonal involvement & conventionality, self disclosure to stereotyping of other S, closely attached couples, 56:9836
interpersonal trust & status & sex, development of early acquaintance impressions, college students, 55:9717
intimacy & perceived influence, correlational study of rated use of resource types & as bases of influence, heterosexual dyads of 3 intimacy levels, 57:8228
intimate friendship, kibbutz vs city children, 56:7722
intimate social relationship, severity of tiredness & anxiety & depression & irritability & backache & headache & palpitations & dizziness & breathlessness, women, implications for onset of depressive illness, 56:6164
intimate vs nonintimate self disclosure vs no disclosure, level of friendship rating, male vs female same-sex dyads, 56:9881
involvement in healthy vs unhealthy relationships with others & personal characteristics, distinction between toxic & nourishing persons in context of emotional adjustment & nourishment from relationships, 57:1249
learning of friend's duplicity, simulated interpersonal spacing, college students, 58:5315
length of same-sex friendship, perceived intelligence in self & friend, males vs females, 58:3311
life style vs traditional physical education program, physical fitness & friendship status & attitudes toward physical education, high school girls, 56:10627
life-cycle variations in patterns of close relationships, adults at different stages of life cycle, 56:5922
model & assessment technique, friendship formation & change, 53:1111
multiracial education, interethnic friendship patterns, English junior & secondary school students, 55:10919
number & patterns & functions of close friendships, students in professional counseling vs students with high vs low personal or social adjustment, 58:1256
number of foreign friends & age, attitudes toward European countries & attitude change, Germans, 57:10096
number of friends & age & socioeconomic status, social skills & interaction in classroom, 3rd vs 4th graders, 57:9099
number of Thai friends & enrollment in university departments with higher percentage of Thai students, psychological assimilation, Chinese college students, Thailand, 55:12114
open & traditional classrooms, friendship patterns, 9–14 yr olds, 57:11473
order of rating friends vs strangers & acquaintanceships, individual differences of raters & perceptions of ratees, college fraternity members, 57:1227
participation in contemporary interfamily cooperation with friends, married college alumni, 58:11588
patterns of interethnic marriage & friendship & various theories of ethnic assimilation, US, 57:12605
peer group influence, prosocial vs antisocial behavior & homogeneity & diversity in group members' behavior in naturally existing friendship groups, male vs female 6th–12th graders, 57:3003
perceived level of interpersonal communication & identity as religious & coping with celibacy & years in religious life & loneliness & friendship, retention in religious institute, Roman Catholic priests, 57:9219
perceived self concept support, friendship duration, college students, 55:742
perception of relationship with woman & support from significant others & sociocultural factors, anxiety on day of abortion, single males, 58:7985
perceptions of friendly relations with classmates & teachers, aggressive modeling, male 8th graders & teachers, 54:5236
perceptions of parents & best friends & favorite TV characters as behavioral models, 5–20 yr old male & female trainable mentally retarded , 55:887
personality needs, friendship patterns based on rewards of friendship, 58:11719
personality similarity among established friends, male vs female 12 vs 14 vs 15 yr olds, 58:3291
phenomenological viewpoint, dyadic friendship, college females, 55:4496
physical & fantasy expressions of aggression & friendly interaction, subsequent aggressive responding, college males, 58:11705
physical & social context & level of relationship, interpersonal distance, male vs female college students, 58:3274
physical attractiveness & attitude similarity, ratings of intelligence & popularity & desired friendship & dating, male college students, 53:7305
physical attractiveness & attitudes similarity & length of acquaintance, interpersonal attraction, adolescents, 56:4021
physical distance between residences & amount of face-to-face contact, choice of friends & enemies & strength of liking & disliking, townhouse residents, 57:12769
practice of sexually open marriage, development of intimate friendship, upper middle class respondents, 56:2228
reading stories with information changes in antecedent condition & disposition & intent of actor & likely & actual social outcome, friendliness attributions to act & actor, high school girls, 57:3260
relationship level, self disclosure, male vs female college students, 58:5326
residence propinquity & age & race & sex similarity between chooser & chosen, friendship network, city housing project residents, social space theory analysis, 57:3042
Samaritan concept of befriending, 56:640
self esteem & racial attitudes & academic & social status, cross-racial friendships & informal communications & interracial studying together, Black vs White 9th–12th graders, 58:4361
sense of powerlessness, formal social participation & neighboring & friendships & extended family relationships, lower class blacks in neighborhood, 57:3261
sex & age & degree of acquaintance between individuals, facial behavior during spontaneous interaction & attribution of social distinctions to unseen interactor by viewer, 57:12764
sex & birth order & target's relationships & self disclosure, college students, 56:4007
sex & college class, platonic & romantic love attitudes, college students, 53:1048
sex & dogmatism & amount of revealing to best friend vs acquaintance, & gilding, self disclosure, college students, 56:5992
sex & marital status, social interaction with relatives & friends & participation in religious organizations, aged, 57:12647
sex, interaction with classmates & age & race of friends, male vs female 8–10 yr olds, 55:8206
sex of S & degree of acquaintance, verbal & nonverbal interaction during parting, pairs of same-sex Ss, 58:11685
sex, patterning of platonic & romantic love, male vs female college students, 55:6883
social intimacy between closest friends of same vs opposite sex, Black single college students, 58:1113
social relations & interpersonal attraction & stages of acquaintance, friendship pattern development, longitudinal study, book, 53:919
socioeconomic status, interaction with kin & friends, black & white urban adults, 56:577
sociometric status, altruistic friendship, emotionally disturbed preadolescent males, 53:5560
spatial proximity, interpersonal conflict & friendship formation, patients in intermediate-care nursing homes, 54:3948
structural characteristics, homosocial & heterosocial friendship units, Black college students, 58:6328
urban vs suburban residential setting & social class, friendship patterns, members of Protestant congregation, 57:12600

Frigidity

female circumcision, treatment of frigidity, 54:1760
hypnosis, frigidity treatment, 53:5812
hypnotherapy, secondary frigidity following radical surgery for gynecological cancer, 2 case reports, 57:10973
learning theory & implosive therapy, treatment of frigidity, 55:5105
overview effectiveness of treatment approaches & outcome research, case reports of frigidity, 57:1538
psychoanalytic observations, female frigidity, 53:8013
psychoanalytic theory of masculine sexual frigidity, 54:12360
psychological characteristics, frigid females in university sex clinics vs private practice vs female neurotics vs psychiatric outpatients vs college students, 57:3412

sexual intercourse with frigid female clients as neurotic equivalent of necrophilia, physicians & psychiatrists & gynecologists, 57:11162
sexual life & sexual satisfaction & sexual frigidity, 40–60 yr old females hospitalized for myocardial infarction vs other diseases, 58:3619
short term hypnotherapy using exploration of early life feelings, frigidity, females, 57:10974
videotapes of heterosexual behavior in systematic desensitization, frigidity, 24-yr-old female, 53:7935

Frogs
aldrin-transdiol, neuromuscular facilitation & depression & evoked transmitter release, frog sartorius nerve–muscle preparations, 54:6982
bout leaders & calling, mate selection, Pacific tree frogs, 55:11602
chemical nature & concentration of olfactory cues, behavioral responses & habituation, clawed frogs, 54:9289
chronic LSD-25 treatment & dosages, morphological changes in cerebral areas belonging to limbic circuit, frogs, 54:9168
dextrotubocurarine, resting discharge & mechanical responsiveness of ampullar receptors, frogs, 53:4765
electrical stimulation, electrically evoked retinal response, dissected frog, 54:2403
electrical stimulation of taste cell membrane & sodium chloride, latency of gustatory neural impulses, frogs, 58:2940
electrically evoked slow potential of retina, identification with PII component of electroretinogram, frogs, 54:2402
electrophysiological study, qualitative & quantitative discrimination in olfactory receptors, frogs, 53:11014
environmental illumination & ontogenetic shift, spectral phototactic preferences, anuran tadpoles, 57:5027
facilitation of prey catching response, focal attention, frogs, 54:7081
factor analysis of responses of olfactory units in olfactory mucosa to odor stimulation, frogs, 57:561
frequency bands, long distance vocal communication, green treefrogs, 57:5088
hair cell types & distributions in otolithic & auditory organs, bullfrogs, 54:8922
integration time & temporal interaction & stimulus–response properties of color opponent slow potential of frontal organ, frogs, 54:437
ipsilateral &/vs contralateral optic nerve innervation of optic tectum, behavioral manifestations of competition for synaptic sites, frogs, 53:4658
kinetic differences, nicotinic vs muscarinic receptors, frogs, 56:3560
learning in water shuttlebox, frogs, review of literature using frogs in learning research, 56:7340
light adaptation of receptors, increment threshold functions for rods & cones, frogs, 54:11345
microspectrophotometry analysis, long-lived photoproducts of green rod pigment, frogs, 58:6987
operant avoidance procedure, inhibition of righting reflex, bullfrogs, 57:502
pentobarbital, action on motoneurons, frogs, 55:9294
perikaryon & dendrite dimensions & shape of dendrite field, classification of retina neurons, frogs, 53:9229
receptor selective sensitivity, mechanism underlying odorant quality analysis at olfactory mucosa level, frogs, 53:11002
retinal changes during light & dark adaptation of rod system, frogs, 58:4937
rod & cone aspects, delayed responses of on–off ganglion cell, frogs, 54:432
secondary & tertiary tricyclic antidepressants, reserpine effects on frogs & absorption of serotonin by human thrombocytes, 55:2098
sexual differences, response to different notes in 2-note call of male, tree frogs, 57:2546
shock avoidance conditioning, protein content in neuraxes & incorporation of 3-H-leucine into presumptive protein, myelencephalic grass frogs, 56:287
single unit activity of olfactory receptors to simple odorants, frogs, 56:263
spatial & temporal organization of binocular projection onto optic tectum, frogs, 55:9126
spatiotemporal analysis, binocular input to optic tectum, frogs, 55:6387
spinal cord transection, reflex activities, chronic spinal frogs, 56:7477
stimulation-independent influences, reflex sensitization, frogs, 55:3932
temperature, cone pigment regeneration rate following flash vs continuous bleaches, frogs, 54:2654
testosterones vs dihydrotestosterone vs estradiol, sexual "clasping" behavior, intact & castrated male & female frogs primed with human chorionic gonadotropin, 56:7523
time course of inhibition during delayed response of on–off ganglion cell, frogs, 54:431
time-dependent results of amino acid uptake, learning, frogs, 56:5404
tracing technique & microelectrode recordings, forebrain visual projection, leopard frogs, 53:446
tricyclic antidepressants, potentiation of inhibitory action of apomorphine on righting reflex, frogs, 53:11198
ultraviolet & visible region spectral sensitivity, frogs, 53:9224
uridine, epileptic activity & nucleoside incorporation & nuclear neuronal RNA & DNA synthesis, male frogs, 53:9101
visual vs olfactory vs compound cues, noxious vs non-noxious prey discrimination, leopard frogs, 53:2819
vocalization of parental species & auditory discriminative capacity, 3 naturally occurring hybrids of treefrogs, 53:6984

Frontal Lobe [See Also Gyrus Cinguli, Motor Cortex]
ability to construct & implement plan of action, Ss with frontal lobe damage vs brain damage in other locations, 58:5688
ablation of cortical projection areas of mediodorsal thalamic nucleus & lesions in neostriatum associated with anteromedial cortex, taste aversion interference, male albino rats, 54:9095
analyses of action in narratives, analysis of neurological development of the frontal lobe system, 2–4 yr olds, 53:7762
at rest vs during psychological testing, regional cerebral blood flow in frontal structures, chronic schizophrenics vs nonschizophrenic alcoholic controls, 55:12391
bilateral frontal lesions, behaviors & hypothalamic emotional threshold, cats, 54:563
bilateral lesions in anteromedian neocortex or associated part of neostriatum, spontaneous alternation, male albino rats, 54:9094
bilateral lesions of frontal lobes or occipital lesions with bifrontal lobectomies, ponto-geniculo-occipital waves & phasic activity in lateral rectus muscles of eyes during REM sleep, cats, 58:7055
brain wave components of contingent negative variation, college students, 57:2638
delta-9-tetrahydrocannabinol & other drugs, responses evoked in frontal lobe, polysensory areas, squirrel monkeys with postmesencephalic or high spinal sections, 56:7494
dextroamphetamine & illumination, hyperactivity following frontal ablation, male rats, 56:9468
differences in cytoarchitectonic organization & thalamocortical projections to anterior & posterior cortical fields, programing complex motor activity, cats, 54:6845
dorsolateral frontal cortex vs anterdorsal caudate nuclei lesions, startle responsivity, male rats, 57:9808
dorsolateral frontal lobe lesions, social behavior & aggression, male monkeys, 57:7741
electrophysiological study of direct occipito-frontal connections in centrum semi-ovale, baboons, 54:2395
evoked potentials in frontal & occipital lobes & short term memory, 16 & 17 yr olds, 55:1959
extrapolation problem solving, frontal lobectomized vs intact dogs, 54:9126
food deprivation & dextro- vs levoamphetamine & current intensity, self stimulation of lateral hypothalamus & substantia nigra & medial frontal cortex, rats, 57:5242
form analysis of action expressed in narratives, identification of frontal lobe system immaturity, normal vs delinquent vs emotionally disturbed 9–16 yr olds, 58:3437
frontal & parietal cortex ablations, sequential & spatial cognitive processing, monkeys, 58:11210
frontal & temporal lobe lesions, aggressive behavior, primates & humans, 57:2707
frontal cortical lesions, prestimulus inhibition of acoustic startle reaction, rats, 53:4635
frontal lobe lesions, phasic ponto-geniculo-occipital wave discharges during paradoxical sleep, cats, 57:9802
frontal lobe lesions, ponto-geniculate-occipital activity & phasic activities in lateral rectus muscles of eyes during paradoxical sleep, cats, 58:9080
frontal lobe lesions, social behavior & locomotor behavior, squirrel monkeys, 58:11215
horseradish peroxidase injection in frontal & parietal cortex, connections to basal forebrain & hypothalamus, monkeys, 54:537
left vs right frontal vs posterior lesions, cognitive & verbal & nonverbal performance, patients with penetrating missile wounds of brain, 57:3665
lesions of dorsolateral frontal cortex, impairment with irrelevant information presentation between presence of relevant information & opportunity to respond, monkeys, support for interference hypothesis, 55:6490
memory of structure of serial material, patients with right vs left sided lobectomy, 54:3489
modified card sorting test, measurement of perseverative errors & detection of frontal lobe lesions, patients with unilateral cerebral lesions, 58:5705
olfactory-system lesions, emotional & muricidal & pup killing behavior, female rats, 53:4677
one-stage vs serial ablations of middle third of sulcus principalis, delayed alternation performance, monkeys, 55:11747
performance on tasks of A. R. Luria, patients with lesions of frontal lobes, 55:12550
pontile & frontal neocortical lesions & thyroidectomy & tryptophan & 5-hydroxytryptophan, relationship of serotonergic system in superior colliculus to elicitable consummatory grooming fragments, cats, 58:631
posterior parietal vs frontal lesions, brightness discrimination & spatial pattern discrimination with identical vs separated essential cue & reinforcement site & form discrimination & delayed response, monkeys, 55:6514
psychopathology & diagnosis & etiology & treatment, frontal lobe & epileptic personalities, 53:5699
recall of memorized words, patients with lesions in convexital region of left frontal lobe, 54:5615
removal of caudate nuclei vs frontal cortical areas, neurology & gross behavior, cats, 57:2714
removal of cerebellum & frontal lobes, ponto-geniculo-occipital waves during paradoxical sleep, cats, 58:2953
successive unilateral ablations of frontal lobe principles, delayed alternation & delayed responses, female monkeys, 56:3671
unilateral subpial cortical ablations & olfactory bulb ablation, temporal cortical projections to olfactory tubercle, monkeys, 56:5629
Wisconsin Card Sorting Test performance, psychiatric patients vs patients with dorsolateral frontal lobe operations, 54:5425

Frostig Development Test Vis Percept
factor analysis, Frostig Developmental Test of Visual Perception & Illinois Test of Psycholinguistic Abilities, 53:10708
Frostig Developmental Test of Visual Perception, prediction of 3rd grade academic achievement, 1st graders, 56:1496
long range diagnostic-prescriptive reading intervention program using Frostig Developmental Test of Visual Perception alone vs with Illinois Test of Psycholinguistic Abilities, oral reading & academic achievement & psycholinguistic growth, language disabled low socioeconomic disadvantaged elementary school students, 55:5668
relationships among perceptual-motor measures & between these measures & academic tests, prediction of academic readiness, kindergartners, 56:10765
validity, Frostig Developmental Test of Visual Perception, preschool & primary school age children, 57:2218

Fruit Fly [See Drosophila]

Frustration
aggressive & dependency cues & frustration level, instigation & inhibition of aggression in naturalistic setting, adults, 56:2349
aggressive behavior in response to frustration, 58:5347
aggressive phase of menstrual cycle, aggressive behavior in double blind training task involving frustration, college females, 57:7672
aggressive predisposition & situational frustration vs no frustration & presence vs absence of aggressive cues, subsequent aggression in administering shock to rat in training situation, college students, 58:8822
aggressive vs nonaggressive film content & individual vs group viewing situations, subsequent aggressive behavior, nonfrustrated males, 57:8251
alcohol intoxication vs nonintoxication & frustration, physical aggression, male college students, 58:9174
amount of training in simultaneous discrimination learning, preference for more frequently occurring negative stimuli & less frequently occurring positive stimuli, pigeons, discussion from frustration & emotional factor bases, 57:12127
Amsel's frustration theory, frustrative nonreward & psychological child study, 54:406
analysis of the Informal Reading Inventory & Reading Miscue Inventory reading errors, reading ability at instructional & frustrational levels, upper elementary school children, 53:12509
anxiety & loneliness & affection & guilt & punishment & frustration, drug abusers, 55:695
approach response training with partial reward vs intermittent punishment vs combination, persistence to extinction vs punishment with reward vs punishment during extinction, male rats, 53:6928
attendance at college of choice vs not of choice, personality & study frustration, 1st-yr students at teacher's college, 55:10680
aversive conditioning treatment & intropunitive pattern of frustration response, frequency & duration of bruxing, nocturnal bruxists, 57:6347
behavioral indices of frustration effects, 7–11 yr old normal vs 11–15 yr old male emotionally maladjusted, 54:5482
behavioral stimulus similarity between conditioned fear & frustration in incentive shift paradigm, 56:9336
blocking interval length & pellet incentive magnitude & ingestion rate, frustration effect measured by running speeds, female rats, 57:12122
brief partial-reinforcement acquisition under varying reward magnitudes, primary frustration differences, male rats, 53:11265
chronic conflict situation, blood pressure, rats with genetic susceptibility to experimental hypertension, 55:3937
coercive power vs frustration-aggression theory, 54:3169
cognitive representation of rewards, self control, nursery school children, 55:9446
crowding, blood pressure & heart rate & task performance & tolerance for frustration & group cooperation & sex differences, humans, 58:10853
current status of Rosenzweig Picture-Frustration Study as measure of aggressive verbal behavior in response to frustration at various developmental levels, 58:2527
delay between trial segments, frustration effect in post-reward & post-nonreward performance, 55:11572
depression & frustration & threat of retaliation & sex of target, physical aggression & anxiety change, 55:7118
depression & target status, aggressive responding, male hospitalized depressives, 56:809
development of scale measuring attitudes toward approval seeking, relationship between approval seeking & social cost & aggression, college students, 57:9376
developmental changes in methods of coping with frustration, handicapped vs nonhandicapped 6 vs 10 vs 12 yr olds, 57:1492
differential behavioral contrast, stimulus choice, test of positive stimulus enhancement vs frustration theory of response rate increases, 55:11555
downshifts in magnitude but not concentration of solid sucrose reward, negative contrast effect, male rats, 54:4931
experimentally induced frustration & exposure to appropriate model, operant motor task performance utilizing delay of reward & thwarting of ongoing behavior & conflict operations, moderately retarded adult males, 57:13015
experimentally-induced frustration, aspiration levels & reactions to frustration, 1–13 yr old visually handicapped vs normally sighted children, 54:3459
extended training, frustration effect in discrimination, male rats, 53:6937
extraversion-introversion, conceptual recall & behaviorally-defined tasks, 6th graders, 55:12291
fantasy behavior & level of fantasy predisposition & anxiety & age & sex, direction of aggression following frustrating condition, 5–6 yr olds, 58:7277
"feeling ladder," frustration & resentment & defiance & indignation as threat-induced anger, 54:3591
fixed vs gradually decreasing vs increasing delays of reward, discrimination learning & later delay of gratification, male 1st graders, 56:537
frustration & aggressiveness & prior contact & opportunity for contact, interracial behavior & opinion change, Black & White high school students, 58:8352
frustration & social desirability, heterosexual attraction, male college students, replication of E. Walster's study, 55:9724
frustration & verbal attack prior to learning trials vs absence of attack, preparedness to learn high magnitude responses, 4–6 yr old sets of identical twins & fraternal twins, 54:6922
frustration, aggressive TAT fantasies, 18–20 yr old female college students, 55:4629
frustration conditioning trials with vs without CS-UCS pairings, learning of hurdle-jumping response, male rats, 58:471
frustration effect, class differences in perceived locus of control of reinforcement, lower- vs middle-class white 4–6 yr olds, 53:4946
frustration effect in free operant conditioning, male albino rats, 54:9243
frustration, figural creative thinking, male vs female 5th graders, 56:718
frustration, Freudian perspectives & neurotic symptoms & cultural & technical developments influencing frustration tolerance, 54:3141
frustration intensity & instrumental vs noninstrumental aggression, physical aggression, college students, 56:7269
frustration nonreward & conflict involving nonreward & conflict unconfounded with nonreward using simultaneous discrimination task procedures, motivation, rats, 57:7583
frustration of oral needs & resulting anger, depression as manifestation of unconscious guilt, 54:5340
frustration &/or insult, aggressive behavior, male college students, 56:7257
frustration, prejudice, South African college students & White residents, 57:10097
frustration reaction & aggression direction & superego patterns & group conformity ratings, emotionally vs behaviorally disturbed vs school age children, 53:1403
frustration, response rate on performance task, skid row alcoholics, implications for rehabilitation personnel, 57:12980
frustration, schedule-induced polydipsia, male rats, 55:6310
frustration styles & defense mechanisms & social interaction & organization patterns, moderately & severely mentally retarded, 55:2520
frustration vs sequential theories, partial reinforcement effect, male rats, 55:11578
frustration-aggression hypothesis, social identity & intergroup behavior, 53:11594
frustration-instigated behaviors & representative defense mechanisms, employees, recommendations for managers, 54:6454
frustrative nonrelief, instrumental escape conditioning, male rats, 53:11300
frustrative nonreward, verbal productivity in interview, college students, 55:12186
genetic influences, frustration effect measured by goalbox activity differences following nonrewarded & rewarded trials, rats, 56:257
history of physical aggression, frustration-induced verbal aggression, overcontrolled vs undercontrolled assaultive vs nonassaultive offenders in correctional psychiatric facility, 58:5567
holistic theory of K. Horney, sources of frustration & fulfillment in marriage, 55:12136
hostility & guilt & need for approval & assault, expression of aggression under arbitrary & nonarbitrary frustration, college students, 55:9783
hostility-guilt & dependency needs & blood pressure change following frustration & opportunity to aggress against frustrator, essential vs renal hypertensives, 58:7770
incarceration, social acceptance & economic status & wife's sexual & emotional frustration, families of Negro prisoners, 54:6140
incentive magnitude & length of blocking interval, frustration effect in running speed & ingestion rates, female rats, 56:9285
individual differences in locus of control & skill & chance instructions, development of expectancies for success in experimental task & operational distinction between frustration & failure, emotionally disturbed male delinquents, 58:1368
induced frustration & anxiety, systolic & diastolic blood pressure after passive vs aggressive counter-responses, habitually aggressive & anxious prisoners, 57:2672
instructions to use self verbalizations vs self distraction technique vs simply wait, delay of gratification behavior, male vs female 1st graders, 57:7504
instrumental catharsis, frustration instigated aggression & frustration impeded performance, college students, 55:7189
intelligence, frustration reaction, juvenile delinquents, 54:12062
interaction effects of frustration & inhibition & aggression stimulating cue, overt aggression, 14–18 yr old black male delinquents, 55:10011
interpellet interval length & sugar content of dry food reinforcement, development & maintenance of schedule-induced polydipsia, female rats, support for motivation explanation, 56:7309
introduction of errors during 1st subtask, performance & retention on 2nd subtask under errorless & trial-&-error conditions, college students, interpretation in terms of frustration theory, 57:426
learned helplessness caused by pretreatment with inescapable aversive tones, self reported moods, college students, 55:7203

learned helplessness vs depression, anagram solving performance & skin conductance, college students, 58:2877
learned responses to genetically programed responses of anxiety & depression & frustration, causal theory of alcoholism & drug addiction, 57:10526
length of delay of reward, frustration effects for running speed & ingestion rate, female rats, 56:5362
level of achievement & race, maternal role & locus of control & anxiety & frustration & self concept, black vs white high school students, 55:9903
locus of control & frustration as contrived expectations of adequacy of confederate's performance & attack as confederate's critical comments, aggressive shock administration behavior to teach mental maze task to confederate, 57:10276
locus of control & skill vs chance instructional sets, task performance & interest & frustration & motivation, 8th graders, 57:4997
locus of control of reinforcement as personality variable & as instructional set, frustrative nonreward paradigm, college students, 58:1184
low tolerance for frustration & development of reading disabilities, recommended kindergarten program combining reading skills overlearning & structural emotional support, 58:6375
low tolerance for frustration & perceptual training for reading tasks, criticism of M. Orlov's article & alternate recommendations, 58:6222
lowering of reinforcement density in presence of 1 stimulus following barpressing on multiple VI schedule, response rates to both stimuli & interresponse times, children, discussion of behavioral contrast & frustration effect, 55:191
management methods, work frustration in engineering departments, 55:1672
marihuana, hostile feelings & verbal hostility in small group setting before & after introduction of frustration stimulus, 21–30 yr old males, 57:5386
medial septal lesions, frustration effect following nonrewarded trials in straight runway, male rats, 54:4745
mental anguish & resultant pathology, plight of uprooted housewives, 54:11631
mepireserpate, stereotyped movements induced by frustration, hens, 56:394
mini-meal with Ss as hosts, verbal problem solving in family atmosphere & transference & acting out family problems & social skills & frustration tolerance & group feeling enhancement, aggressive & withdrawn 4th–8th graders in school-based therapeutic play groups, 57:13213
mode of perception, prediction of frustration levels in oral reading, 3rd–5th graders, 57:6821
mothers' placement of toy in Plexiglas barrier, crying & positive vs negative attention toward mother vs box, children tested at 18 & 24 mos of age, 57:7911
negative & positive contrast & frustration effect in modified double-alley runway, rats, 57:2588
nicotine, response to frustrative nonreward in Amsel double runway, rats, 53:11227
noise under active task involvement vs passive exposure, dial-monitoring task performance & interest & tenseness ratings & resistance to frustration, college students, 55:9006
noncrowded vs crowded vs crowded-with-perceived-control vs post-crowding conditions, simple & complex & frustration tolerance tasks, female high school students, 53:2989
nonreinforcement, behavioral contrast in discrete-trial discriminations, pigeons, 54:7119
nonreinforcement vs reinforcement using light-offset in 1st goal box, 2nd alley running speed as measure of frustration effect, planarians, 56:214
novelty & frustrative nonreward, hippocampal EEG, male rats, 53:2456
number of nonreward transitions & percentage of reinforcement, partial reinforcement effect following small number of training trials, rats, 54:2613
number of reinforced trials prior to frustrative nonreward, response properties of emission of odor-of-frustration, rodents, 55:9164
occupational interests & frustration types, parents, 57:10383
offer & presence of contingent reward & externally vs self imposed delay of gratification, time estimation of delay as measure of frustration, 3rd graders, 56:3456
omission of previously received reward, attractiveness of omitted reward, female rats, 57:496
oral vs silent reading, shift in reading error patterns between instructional & frustration levels, 3rd grade developmental readers, 55:13277
organizational frustration, reported performance of potentially detrimental behaviors, employees, 54:12754
partial punishment associated with reward & nonreward, resistance to extinction, 56:5303
perceived intention of aggression, frustration & attack behavior, male college students, 53:3036
percentages of oral reading & comprehension errors & polygraph indications of frustration, informal reading inventories, 3rd–5th graders, 54:8398
personal & impersonal frustration & intensity of instigation conditions & trait hostility, state hostility response intensity, male college students, 57:3388
personal causation & perceived control of noisy environment, performance on concurrent attention-to-detail task & post-noise task persistence, male college students, 58:2729
personality traits, emotional satisfaction vs turmoil in 2nd language learning, high school students, 55:3134
personality variables of present time orientation & inner urgency & self sufficiency, role change, Catholic priests vs ex-priests, 55:4627
positive vs negative reinforcement & reinforcement magnitude, frustration effect, college students, 55:3730
provocation to anger with vs without opportunity for retaliation, alcohol consumption in taste-rating task, male vs female college students who are heavy social drinkers, 55:10024
psychodrama, rechanneling of frustration & rage, 30 yr old male stutterer, 54:8089
quantity-stressing & criteria-cued instructions, thinking & frustration & other psychological processes in production & revision stages of problem solving, college students, 56:9165
random frustration vs expectancy violation vs behavioral freedom elimination & incentive item attractiveness, aggression instigation, male college students, 53:1110
rational-emotive affective education, anxiety & self esteem & frustration tolerance, 5th graders, 56:6700
reactions to frustration & intelligence levels, 5th graders, India, 56:8056
reduction in reward to previously experienced level, amount of resultant frustration, rats, 56:7311
relationship between sexual behavior & attitudes & purpose in life, male vs female college students, 57:3364
repeated exposure to frustrating puzzle situation, cognitive regression & subsequent changes in moral judgment, White male 11–14 yr olds, 57:5484
repeated oral readings at instructional vs frustration levels, reading rate & error type, 2nd graders, 57:11416
repeated oral readings at instructional vs frustration levels of reading performance, reading rate & error type, 3rd graders, 57:11421
response delay interval & instructions, magnitude of force in nonreinforcement-induced frustration, college students, 55:3766
responses to frustration, institutionalized retarded vs noninstitutionalized retarded vs nonretarded CA- vs MA-matched adolescents, 56:896
reversal of visual discrimination problem & differential frustration effects, dominant vs submissive male rats, 53:11271
reward magnitude & partial reinforcement & frustration, running speeds, male rats, 53:2745
rewarded vs nonrewarded trials, frustration measured by stabilimeter activity & movement away from apparatus, male vs female nursery school children & 1st & 2nd graders, 58:10791
reward–nonreward transitions as aversive vs frustrative vs inhibitory, resistance to extinction, male rats, 55:11571
role changes in small group play, frustration tolerance & adaptive behavior increases, psychoneurotic & antisocial & "sine morbo" boys in early adolescence, 58:5839
Rosenzweig Picture-Frustration Study, measurement of aggression, 58:8670
salient reward cues & reward concentration vs distraction instructions, intrinsic motivation & play activity choices, preschoolers, discussion of attribution & frustration theory, 57:2501
scale of social functioning, measurement of life satisfactions & frustrations, junior college students who continued or dropped out, 55:3175
self esteem, physiological & behavioral responses to frustration, male college students, 58:8839
signal properties of reinforcement & blackout, temporal control of keypecking on periodic schedules, pigeons, 53:6944
smallest space analysis, cynicism & frustration & anomia, New York City police, 55:595
student success & failure, duration of teaching sessions & voice rate & amplitude, preservice teachers, 58:1964
styles of aggression & modes of response to frustration, prediction of individual differences in social attitudes & belief patterns, college students, 56:757
subculture, aggressive behavior in stressful situation, black lower socioeconomic vs white middle socioeconomic college athletes, 55:12102
temporal course, frustration effect, male rats, 53:6909
training in instrumental helplessness with loud noise vs insoluble cognitive problems, learned helplessness & transfer to new instrumental vs cognitive problems, college students, 53:10978
training to resist punishment, incentive shift, male rats, 55:6297
transfer of learned helplessness from shock to frustration, rats, 54:711
use of superordinate goals in bargaining situations, reduction of intergroup conflict with continued frustration & lack of achievement of superordinate goal, 55:7074
various oral vs silent reading testing methods, reading performance & word recognition & comprehension & types of miscues at instructional & frustration levels, 2nd–5th graders, 56:1495
ventromedial hypothalamic lesions & pretraining, operant responding for food & frustration & reactiveness to food-related cues, female rats, 55:11724
ventromedial hypothalamus lesions, frustrative nonreward response in double runway, female rats, 53:4637

Fugue Reaction
family value fugue incident involving value conflict behavior between relatives during division of estate or monetary dealings, 58:7359
limbic dysfunction & EEG abnormalities, 28 yr old female in fugue state & with sexual promiscuity, 55:7310
Prednisone self medication, development of fugue state & commission of irrational crime, 41 yr old asthmatic businessman, 58:5927
psychophysiological parameters of fugue states during sleep & wakefulness, 46 yr old male patient, 57:3508

Fulfillment [See Satisfaction]

Functionalism
analysis of E. Brunswik's methodological & theoretical approaches to relationship between organism & environment, implications for educational research, 58:10765
development of functionalist ideas concerning man & his built environment, Sweden, 57:9261
formal structure, functionalistic explanations of behavior, 57:11715
history & functionalism & Darwinism, psychology of women, 54:9522
limitations to translations of W. Wundt's "Grundzuge der Physiologischen Psychologie", 55:3416
origins of Titchener's doctrine of meanings & relation to Wurzburg school, 55:3423
sociological theory of E. Durkheim based on functionalism, 55:3440
structuralist & functionalist approaches to memory & behavior, methodological & theoretical implications of interrelations between structure & function of behavior, 56:6976
symbolic interaction & exchange theory & structural functionalism, analysis of social interaction, 56:7935
theory of signal detectability & E. Brunswik's probabilistic functionalism & J. J. Gibson's functionalism, social perception research, 54:1039

Fund Interper Rela Orientat Beh Ques
FIRO theory of interpersonal behavior framework, clarification of educational administrator role & measurement of effectiveness, literature review, 58:1988
Fundamental Interpersonal Relations Orientations Scales-Behavior as index of compatibility, interpersonal relations orientations in dyads, 53:11579
Fundamental Interpersonal Relations Orientation Behavior Questionnaire scores & age & grade level & education & teaching experience, rating cooperating teachers' degree of success, principals & college supervisors & student teachers, 55:10708
innovative uses of Fundamental Interpersonal Relationship Orientation-Behavior in couple counseling, 57:3884
instructional sets, Fundamental Interpersonal Relations Orientation-Behavior test susceptibility to faking, college students, 54:98
norms & reliability data, Fundamental Interpersonal Relations Orientation-Behavior, college students, 55:11296
self ratings on Expressed Inclusion scale of FIRO-B & speaking time, male college students, support for scale validity, 58:5418
structured vs unstructured marathon encounter group counseling, scores on 16PF & FIRO-B scale & Rotter Incomplete Sentences Blank, college students, 55:10311

Fundamentalism
attitude & personality characteristics, Australian Protestant fundamentalist college students, 55:629
authoritarianism & sex, attitudes toward feminism, college students vs business employees vs fundamentalist church members, 57:10190
Fundamentalist church as autonomous community vs larger community, 55:4379

G

Galvanic Skin Response
acoustical stimuli, psychogalvanic responses as measurement of hearing, 6–15 yr old mentally retarded vs normal children, 53:3431
adrenergic stimulant & blocking drugs & isoproterenol & epinephrine & reserpine & chlorpromazine, electrodermal responses & neurophysiological characteristics, cats, 57:7774
advertisement preferences, GSR during rank ordering of magazine advertisements, postgraduate students, 55:8548
amount & intensity variations in persuasive communications, GSR measurement of anxiety & relationship to attitude change, college students, support for K. Haraoka's hypothesis regarding attitude change steps, 57:10304
anticipation & fear, relationship between extraversion scores & GSR & heart rate, college students, 57:2671
anxiety & GSR correlations, female social drinkers & members of Alcoholics Anonymous, 57:8440
anxiety & neuroticism, galvanic skin response recovery, 53:11692
apparatus & experimental procedure, quantification of hierarchy stimuli by GSR recordings, use in systematic desensitization, 54:1638
arousal level, number of trials to habituation criterion for skin conductance response to stimuli, college students, 56:7425
assessment & interpretation problems, contingency theory & classical autonomic excitatory & inhibitory conditioning, 54:8918
atmospheric pressure changes & acoustic stimulation, bioelectrical skin reactivity & memory task performance, 18–28 yr old sportsmen, 57:11674
attention measured by GSR orienting reflex & RT, chronic paranoid vs nonparanoid schizophrenics vs normals, 57:12906
attention to relevant information, detectability in lie-detection situation using galvanic skin response tracings, 53:422
audible feedback of GSR, use as subjectively measured test of anxiety & progress during systematic desensitization, 26 yr old female student with spider phobia, 54:1668
auditory or visual orienting stimuli, orienting or skin conductance responses, blind & deaf vs sighted & hearing 10–15 yr olds, 56:10168
autonomic arousal & anxiety level, galvanic skin response habituation & subjective response to tones of low & moderate intensity, female college students, 53:8910
availability of shock avoidance by tapping rapidly, heart rate & electrodermal reactivity to motor effort & imminence of threat, male college students, 56:173
availability of avoidance response in threatening situation, endorsement of anxiety adjectives & nonspecific GSRs & heart rate variability, male college students, 56:1956
avoidance tasks & electrodermal responsivity to aversive audiotape, student vs nonstudent depressed females, 58:11849
"aware" vs "naive" conditions, suppression of galvanic skin response activity & inhibition of learning, college students, 53:6728
awareness–unawareness of stimulus relationships, conditioning & extinction of galvanic skin responses, male college students, 53:8785
beautiful vs ugly colored stimuli, heart rate & respiration rate & skin conductance & GSR & eye movements, social work students, 55:6428
biofeedback & electrodermal self regulation, psychopaths, 56:10116
biofeedback & trait anxiety, operant control of GSR, male college students, 57:7681
biofeedback instruments & techniques required for research & clinical investigations of EEG & EMG & temperature & heart rate & GSR & blood pressure measures, 57:48
biofeedback training, alpha level during relaxation & short term memory task & GSR as measure of anxiety level & self report of anxiety, 56:9445
biological measures in instructional technology, 55:11608
change in stimulus significance & number of trials prior to stimulus change, GSR orienting response magnitude, female college students, 57:7692
chlorpromazine & subsequent placebo & drug reinstatement, evidence for lateralized temporal-limbic dysfunction in auditory & electrodermal responses & WAIS performance, 35–57 yr old chronic schizophrenics, 57:1686
chlorpromazine, electrodermal response evoked by central brain stem or reflex stimulation, cats, 57:721
chlorpromazine, sensitivity as measured by EEG & electrodermal response, 16–45 yr old schizophrenic inpatients vs normal males, 58:12164
classical conditioning & presentation of orienting tones, electrodermal activity response amplitude & frequency & habituation, adopted offspring of chronic schizophrenics, 54:7825
classical conditioning of GSR to visual verbal stimulus, development of word meaning, college students, 54:10998
classical conditioning trials in GSR paradigm, operant measurement of stimulus generalization, adolescents, 58:10973
cognitive & operant & psychomotor & psychophysiological behaviors & demographic characteristics & life history, prediction of length of psychiatric hospitalization, nonpsychotic vs nonparanoid vs paranoid patients, 58:10049
cognitive mediation, operant conditioning of palmar galvanic skin response, 53:329
contingent punishment for stuttering, emotionality as measured by GSR, adult stutterers, 55:10431
continuous vs partial vs random reinforcement & aversive vs nonaversive visual stimuli, heart rate & electrodermal activity, college students, 55:6364
cool air reinforcement, operant GSR conditioning, male college students, 55:6166
desensitization vs flooding therapy, specific vs social phobias & their physiological correlates, college students, 58:3877
detached & dominant & dependent value systems & language choice, GSR to stimuli phrased in designative & perscriptive & appraisive language systems, 57:5433
development of transcendental meditation creditability by use of biofeedback techniques employing EMG & EEG & GSR & thermometer, review of meditation outcomes, 57:10841
diazepam & ethanol, heart rate & GSR, male 24–30 yr olds, 54:592
differences in psychophysiological functioning, 20–60 yr old neurotic vs psychotic depressives vs 24–45 yr old normals, 56:2451
differential justification for undergoing placebo injections for alleviation of painful radiant heat stimuli, pain perception & GSR & attitudes toward injections, college students, implications for cognitive dissonance & placebo effect, 57:7695
discrimination conditioning, GSR amplitude & recovery time & heart period increment, unmedicated chronic schizophrenics vs temporal lobe epileptics, 58:7633
EEG vs GSR vs human monitoring with vs without feedback, brainstorming performance, college students, 58:9022
electrodermal activation levels during task, success in memorization through multiple reiterations, 20–25 yr olds, 57:2474
electrodermal lability level, judgments of auditory stimulus duration, female college students, 57:4907
epinephrine, heart rate & GSR & avoidance learning, attitudinal & socio-demographic variables, sociopathic vs nonsociopathic female prisoners, 55:12813
erotic & novel visual stimuli, heart rate & GSRs, self-report of sexual arousal & affective reactions, female college students, 54:4668
erotic visual stimulation, heart rate & galvanic skin responses, high vs low sex-guilt college females, 53:1019
event & time & quality certainty of UCS presentation, anticipatory & unconditioned electrodermal responses, college students, 56:5215
exposure to experimentally induced anxiety & verbal symbols of traumatizing stimulus, heart rhythm & GSR, encephalopaths, 57:10639

exteroceptive feedback, controlling electrodermal activity in preconditioned fears, male & female 18–25 yr olds, 54:9032
face-to-face vs videotape interviewing, GSR responses & state & rated anxiety & speaking time, college students, 55:12199
factorial study of GSR conditioning, diagnostic classification & equivocal neurological signs in childhood schizophrenia & minimal brain dysfunction, 55:9926
false feedback, conditioned galvanic skin response during extinction, college students, 53:2334
feedback, forced choice GSR detection task, college students, 55:9095
field dependency, physiological responses during escape & nonescape from stress, male college students, 54:2447
frequency distributions of electrodermal orienting responses to tones, drug-free acute & chronic schizophrenics, comparison to J. H. Gruzelier & P. H. Venable's findings with phenothiazine tested patients, 57:1401
galvanic skin potential responses, prediction of mental status & anxiety & depression & denial, acute coronary patients, 54:5608
group instructional sets of covert verbal repetition vs visualization vs usual paired associate learning instructions, chin muscle tension & respiration & ocular activity & heart rate & GSR over learning trials, 55:11679
GSR & EEG reactions of orienting reflex, 49–50 vs 60–74 yr old patients with chronic insufficiency of brain stem blood circulation, 57:8541
GSR & pursuit-rotor performance, evaluation of psychotropic effects of etifoxine & dextroamphetamine, college students, 56:391
GSR feedback, effectiveness of verbal psychotherapy, case reports, 55:10266
GSR, methodological considerations on measurement & habituation, 57:7654
GSR orienting reflex, measurement of tactile sensation & perception, institutionalized retarded children, 54:3410
heart rate & GSR reactivity, primary vs secondary psychopaths vs normals, implications for utility of term psychopath in diagnosis, 55:7321
heart rate & respiration & GSR, transcendental meditation vs deep muscle relaxers vs controls, 57:12095
high vs low self disclosure & exposure to accident scene photographs followed by stress reducing modalities, self report of anxiety & GSR, female college students, 57:5940
imaginal experience, attenuation of GSR to shock, college students, 54:4656
incremental stimulus intensity effect, habituation of autonomic responses, 18–35 yr old males & female college students, 56:1908
induced anxiety & modified implosive therapy conditions, self reported reactivity & GSR & heart rate & respiration responses, primary vs secondary vs over-active institutionalized criminal sexual psychopaths, 55:10344
inhibiting & facilitating conditioning sets, differential galvanic skin response conditioning rates, kindergartners & 1st & 2nd & 4th & 6th graders, 53:7058
instructions to facilitate or inhibit classically conditioned GSR, cognitive control processes during acquisition & extinction & analysis of associative vs incentive-motivational hypothesis, 57:7462
instrumental-avoidance vs classical conditioning with intermittent reinforcement, GSR in electrodermal audiometry, normal hearing 19–30 yr old males, 56:3295
intensity of auditory stimuli & presence vs absence of noncontingent electric shock, learning of 4-way discrimination task, autonomically labile & stabile male college students, implications for personality, 56:142
internally evoked phobic vs nonphobic thoughts, heart rate & respiration rate & amplitude & skin conductance level & GSR frequency, ophidiophobic female college students, 58:9655
interpersonal stress, behavioral & emotional reactions & blood pressure & GSR & plethysmograph responses, young male prison inmates, 57:6060
interstimulus interval, discriminative conditioning of GSR under masking conditions without awareness, 18–30 yr old students, 54:311
introversion & extraversion & neuroticism & stability, GSR conditioning, males, 55:9148
introversion & visual imagery occurrence & vividness & emission & control of GSR & perception of somatic activity, experiential focusing ability, 55:3591
introversion-extraversion & confederate's high vs low intimacy disclosure, heart rate & GSR changes, male students, 57:9753
location of interpolated UCS trials, classical GSR conditioning, application of Capaldi's theory of partial reinforcement, 53:8708
low-intensity auditory stimulation, GSR orienting response magnitude, males, replication of E. N. Sokolov's study, 54:8984
magnitude of agreement between polygraph examiners, identification of physiological responses in polygraph interview cases obtained from job applicant screening interviews, 55:1633
marihuana, paired associate learning & concomitant GSR activation peaking, 18–27 yr old male volunteers who were heavy & light marihuana users, 54:4786
masking task during interstimulus & intertrial intervals, differential conditioning of electrodermal responses, college students, comparison with M. J. Fuhrer & P. E. Baer's findings, 53:2366
menstrual cycle, susceptibility to acquisition of conditioned GSR, premenstrual vs intermenstrual female phobic patients vs nonpatients, 56:1788
method of limits vs operant conditioning of electrodermal response, determination of lingual vibrotactile thresholds, 18–24 yr olds, 56:9073
methodological problem of stimulus intensity modulation, interpretation of hyporeactivity of electrodermal activity of schizophrenics, 56:8933
MMPI Pd & Welsch Anxiety Scale scores, heart rate & GSR responsivity to distress, 17–29 yr old prisoners, 55:9176
monitoring & automatic processing of GSR by storing bioelectrical signals in tape recorder, transistorized device, 56:6988
monotony, work performance & EEG & galvanic skin responses, 17–28 yr olds, 53:8832
multidimensional locus of control, voluntary control of galvanic skin response using biofeedback, college students, 53:11759
music, anxiety determined by GSR, music major & nonmusic major college students, 55:356
musical selection & sex & academic discipline, GSR changes, music & nonmusic majors, 54:410
noise & task significance level, performance on information processing tasks, heart rate & GSR & respiration, 19–45 yr olds, 54:4556
nonaversive vs aversive stimuli, electrodermal recovery rate, hospitalized schizophrenics, 55:12418
novel auditory stimulation, GSR & heart & respiration rate & amplitude, young adults, 54:11114
nude male vs female film sequences & preferred sex of S, penile volume & GSR, male transsexuals vs patients needing treatment for homosexual impulses vs heterosexuals, 56:6185
operant autonomic conditioning of heart rate & GSR information vs no information concerning response-reinforcement contingencies, rod-&-frame test performance, female college students, 57:12298
operant control of GSR to fear stimuli, self report measures of fear & behavioral changes, females with high fear of snakes, 58:3815
orienting & signal & nonsignal tones, cardiac responses & electrodermal responses, 22–58 yr old schizophrenic inpatients, 55:4734
orienting reflex, reinforcing properties during learning task, elementary school students, 55:8893
orienting response of electrodermal response, increase of electrodermal response to CS after rest period, 18–32 yr old males, 58:9029
pairing of electric shock applied to 1 hand with visual presentation of triangle, establishment of bilateral electrodermal responsivity of skin on digits, male college students, 54:8976
patient classification on Levine-Pilowsky Depression Questionnaire, comparison with classification using diagnostic & physiological procedures, acute depressive patients, 54:7759
perceptions of own physiological arousal, elicitation of emotional behavior defined by galvanic skin response, college students, 53:8839
perinatal anoxia & maternal schizophrenia during pregnancy, GSR, children with high risk for schizophrenia, 58:9651
personal competence & interpersonal agreement vs disagreement, GSR & evaluation of partner, male college students, 55:12237
personality & cognitive & psychophysiological parameters, classical galvanic skin response conditioning, 53:2506
physiological arousal & habituation as measured by GSR & heart rate, extraverts vs introverts, 55:9168
physiological arousal as measured by GSR, male learning disabled pupils labeled as hyper- vs normo- vs hypokinetic, implications for diagnosis & treatment, 58:1411
pictures of potentially phobic objects as CSs for electrodermal responses, validity of equipotentiality in classical conditioning, college students, 58:589
pornographic stimuli, galvanic skin response & self-ratings of response, 18–34 yr old women, 53:495
positive & negative reinforcers, instrumental conditioning of GSR, 54:2414
positive vs negative feedback, GSR arousal, mentally retarded young adults, 55:897
preference for high vs low arousal colors, heart rate & blood pressure & GSR, college students, 54:9644
prejudicial verbal responses measured on attitude questionnaire, heart rate & GSR & respiration responses to slides of Negroes, 55:9576
premenstrual vs intermenstrual state & use vs nonuse of oral contraceptives, susceptibility to GSR response conditioning & resistance to extinction, female phobic patients, 58:9677
presence vs absence of electrodermal orienting responses & associated clinical characteristics, newly vs long term hospitalized male schizophrenics, 57:3453
pretest sensitization as measured by GSR, inhibition & enhancement, 54:4440
processing & recall of auditory &/or visual signals, heart rate & GSR reactivity, normal Ss vs Ss with primary vs secondary reading deficits, 58:3589
propranolol, heart rate & skin response patterns & contingent negative variation during verbal learning & RT tasks, elderly male volunteers, 58:686
psychopathological ratings, electrodermal response configuration, uniphasic vs biphasic electrodermally-labile children of schizophrenic vs manic-depressive vs normal parents, 57:1338
public music competition performances, pulse rate & muscle tremor & temperature & galvanic skin response, musicians, 54:11050
punishment vs reward seeking behavior, pornographic vs neutral stimuli GSRs & recognition thresholds, teachers & entertainers & nudists vs voyeurs & exhibitionists & pornographic film performers, 58:7708
random shock vs shock during presentation of semantically similar words in secondary message, GSR resistance to shock associated word class, college females, 54:9040
rate of change topography, measurements of single GSR, 55:1967
reflex-conditioned emotional sensitization, detection of simulated behavior by physiological cues, 57:2662
rehearsal time & neutral vs affect-arousing topic, endosomatic galvanic skin potential & heart rate during rehearsal & speech & after speech, college students, 54:11101
relevant and neutral stimuli-induced GSR habituation curves, prediction of standard information detection characteristics, college students, 54:6908
respiratory rate & amplitude & heart rate & skin conductance & GSR & finger blood & pulse volume & affective intensity during psychotherapeutic interviews, 21 yr old female psychiatric patient, 54:10127
response-contingent punishment, stuttering & frequency of GSR deflections, adult stutterers, 56:6460
rest & warning instructions & directed reverie, changes in EEG & GSR & EKG & EMG from chin & eye movements, 55:2004
retinoscope readings, comparison with concurrent polygraphic readings of respiration & electrodermal response & blood pressure & pulse rate, 58:4935
retrospective misattribution, extinction of conditioned galvanic skin response, female college students, replication & extinction of J. Loftis & L. Ross's experiments, 53:6694
RT task performance vs rest conditions, characteristics of GSRs, outpatients in anxiety states, 57:12875
self instructional treatment with vs without systematic desensitization, speech anxiety reduction as measured by behavioral & self report & pulse rate & galvanic skin resistance, speech anxious female college students, 57:8750
self presentation of interviewer to S during experiential confrontation of S's duplicity, GSR preceding & following statement of confrontation in psychotherapeutic session & judged ratings of embarrassment, women, 57:13159
self reported fears & threats of failure & loss of self esteem, electrodermal responses, high vs low trait anxious 19–35 yr old hospitalized male veterans & male college students, 56:5549
shock anticipation, GSR patterns & coping patterns, college students, 54:408
shock-associated words embedded in nonattended channel during dichotic listening & shadowing situation, differential GSRs, failure to replicate R. S. Corteen & B. Wood's study, 57:622
short term film preparation, unexpected film stress as measured by skin conductance response, male college students, 56:9435
S-initiated trials in classical GSR conditioning & interstimulus interval & pseudoconditioning & hypothesis testing instructions, response magnitude & percentages with vs without probe stimulus & arousal level, 58:2885
situational uncertainty & information content of event, orienting response strength using galvanic skin response as indicator, female students, empirical test of Sokolov's entropy model, 53:8931
skin color & startle tone, basal skin resistance & GSR amplitudes & heart rate response, black & white hospital staff members, 54:6858
socialization level & amplitude of unconditioned electrodermal response, cognitive-perceptual vs response system determinants, sociopaths vs nonsociopaths, 58:9712
spontaneous GSRs during night sleep, 57:2629
standardization & interpretation of GSRs in psychological experiments, 56:3202
stimulus duration, desensitization of physiological responses, snake phobic vs non-snake phobic Ss, 55:10374
stimulus incongruity level & task demand & degree of induced involvement, GSR amplitude, 6th graders, 58:2889
stimulus input & motor output & their interaction & expectancy, magnitude of heart rate & electrodermal response, 54:9001
suspense vs surprise onset of auditory stress & automatic vs "on demand" time information, anticipatory & stress electrodermal responses & ratings of unpleasantness & task RT during waiting, college students, 54:8992
systematic desensitization by reciprocal inhibition, magnitude of interpersonal distance as measured by GSR, 58:12104
systematic desensitization, speech anxiety measured by GSR, college students, 54:3750
systematic desensitization vs pseudo therapies with vs without false GSR feedback after every session, phobic behavior, 18–59 yr old spider & snake phobic women, 54:8093
taboo vs violence & social & political & illness words, galvanic skin responses, urban college students, 53:8845
tonal stimulus of lower intensity, generalization & dishabituation of GSR orienting responses, adult male twins, 57:582
total motor activity & speed of movement & noisiness & electrodermal activity & EEG alpha rhythm propagation time & coherence function, hyperkinetic vs normal children, 55:2533
two-flash discrimination, electrodermal activity, schizophrenic vs normal males, 55:9958
varying light color & real vs pretend shock, semantic differential ratings of lights & GSR conditioning, college students, 53:301
verbal vs tangible vs physical punishment, response perseveration on simple operant task & physiological arousal, alcoholics vs heroin addicts vs normals, 55:12487
verbally presented personal items of which Ss had knowledge vs neutral items, autonomic reactions, prisoners, detection efficiency of guilt knowledge technique, 55:11067
verdical vs nonverdical perceptions of control over aversive events, RT & GSR, 55:4003
vicarious instigation & perceived threat of shock, conditioning of electrodermal responses, college students, 56:9433
vicariously-instigated vs direct classical conditioning procedures, GSR magnitudes, college students, 55:6185
viewing of random series of spider & neutral slides, cardiovascular & electrodermal & somatic activity, female undergraduates afraid vs unafraid of spiders, 54:11056
viewing stress-inducing slides & locus of control, skin conductance & nonspecific electrodermal responses & feelings of discomfort & anxiety & depression & hostility, college students, 58:4951
visual sexual stimuli, GSR & verbal report as measures of sexual arousal, 20–29 vs 40–49 yr old males vs females, 57:12296
warning & nonwarning & anagram problem solving, heart rate & GSR & skin conductance & tonic galvanic skin potentials, college students, 54:6893
Zen meditation exercise under various demand conditions, physiological & subjective changes, college students, 58:6903

Gambling

additive vs multiplicative model, expected time of outcome of offers to gamble, 19–37 yr olds, 55:5990
Adlerian counseling, alteration of maladaptive life goals, excessive gambler, 54:3563
basic strategy & expectation in casino blackjack, gamblers, 57:9555
binary choice probabilities between gambles, analysis of interlocking expected utility models, 57:7258
compulsive gambling, interpretation of personality development through hand activity, 53:9657
determination of empirical utility & gambling equations, college students & unemployed 16–22 yr old Job Corps trainees, 54:9564
feedback & feedforward about probabilities in bets, preferences among gambles, college students, 56:3453
gambling & society, interdisciplinary studies on gambling, book of papers, 58:8828
group discussion & group presence, individual & group risk taking in gambling task, college students, 54:1014
group discussion on risk, shifts in subsequent race track betting, black vs white males, South Africa, 56:4040
group influence, risk taking in realistic casino setting using blackjack as criterion risk task, state trial judge volunteers, 54:7495
hypnotic susceptibility, instructional set responsivity & need for achievement & creativity & pattern-searching behavior in gambling task, college students, 57:5856
individual vs group decisions, cautiousness of racetrack betting, 56:5974
model-based decision & judgment in stud poker, 56:7184
models for integration of information, judgments of utility of gambles, criticism of L. Sjoberg's & N. Anderson & J. Shanteau's & A. Tversky's studies, 55:6125
models or mental representations of poker players, decision & inference in stud poker, 56:9160
multiplicative model in log form vs additive model in raw form, relationship between age & delay behavior, 5–6 & 9–10 yr olds & adults, 55:516
mythologies & typologies, mystique of gambling, 55:2309
perceived risk, preferences among gambles, college students, 53:10982
playing alone vs in groups against house, risky & cautious shifts in betting behavior, casino blackjack players, naturalistic observational study, 57:5763
probability & value & time of outcome, perceived favorableness & similarity of offers to gamble, college students, 55:211
reinforcement schedules, adjunctive behavior during game playing using simulated gambling machines, 18–25 yr old college students, 54:4619
sex & similarity of personal constructs of S & stimulus person, consistency of behavior in gambling situation, 58:7455
similarity of personality traits, marital psychopathology & role of neurotic needs in gambling behavior, pathological gamblers & their wives, significance for wife's involvement in therapeutic intervention, 57:12956
sociological analysis, gamblers & gambling motive & institutions & controls, US & Britain, book, 58:3169
specified probability vs certain loss, betting behavior, female students, 57:9558
stochastic transitivity level satisfied by triples of pairwise preference proportions among 8 gambles, risk preference function, college students, 53:2169
terms of relationships among basic risk dimensions of pair of gambles, risky decision behavior, 55:3702
theoretical investigation, multistage decision model in which decision maker has ideal variance level for changes of utility of running fortune, 55:3696
think aloud instructions, intransitive preferences & decision making strategies in gambling choice situations, college students, replication of A. Tversky's experiment, 56:7187
turns to throw dice restricted to FI schedule, adjunctive behavior during group gambling, 18–40 yr olds, 58:9443
waging of own money, risky shifts & gambling when playing alone vs member of group, 56:2280

Game Theory

application of game theory, solution of everyday life problems, book, 55:12187
communication, game-theoretic conflict situations, 53:3108
compromise & zero sum models, conflict management & settlement of disputes, 54:11686
empirical validity, Core in simple N-person cooperative nonsidepayment game, 57:5779
game theory, behavioral science vs mathematics & Prisoner's Dilemma game, 54:9576
game theory, interpretation & prediction of prosocial behavior in social interdependency situation, 58:1097
games analysis of attitude change, 55:2356
game-theoretic & social psychological perspectives, coalition formation in triads, 58:11681
information value theory, conflictual situations, example in 2 person nonzero-sum games, 54:9557

kernel & bargaining set vs solution concept, prediction of outcome of simple majority game rules, 57:5783
kernel vs minimum resource vs pivotal power theories, payoff prediction, male college students, 57:14
matrices from game theory, evasive action decision in intersection accident, 53:10639
metagame theory, Prisoner's Dilemma games, 54:9577
model of game playing, analysis of Ss' actions in game of "Gomoku", 55:8828
mutual dependency & dependency asymmetry, social exchange among dyads from game theoretic approach, college students, 57:12752
potency vs strategy vs fortunism lifestyle characteristics & social class & extent of TV watching & participation in & attitudes toward leisure sports & physical activities, TV viewing preferences based on games theory classification, adolescents, 58:3379
prediction by varying structural non-game-theoretic characteristics, solution types in behavioral outcomes of 4-person majority rule game, 53:5183
presentation form of conditional decomposition & concept of sanction, game research, 56:7854
recognition of similarities in patterns of payoffs between matrices & behavior of opponent in matrix games, 53:9491
referral system, attrition/retention in treatment, drug addicts, analysis in terms of game theory, 58:10085
resolution of Newcomb's problem & Prisoner's Dilemma game, payoff prediction, contribution to S. J. Bram's discussion, 56:7855
resolution of Newcomb's problem & Prisoner's Dilemma Game, payoff prediction contribution to S. J. Bram's discussion, 56:7878
solution of Prisoner's Dilemma game using general metagames, 58:1054
theoretical assumptions, constructing 3-person games with nonempty core, 53:10695
theory of n-person conflicts, prediction of coalition formation & payoffs, 56:9823
theory of rational choice in zero-sum 2-person games, discussion of direct proof & criticism of J. Von Neumann & O. Morgenstern's study, 58:4542
timing decisions, computer-controlled probabilistic duels, dyads, 57:3209

Games [See Also Chess, Childrens Recreational Games, Non Zero Sum Games, Prisoners Dilemma Game, Simulation Games]
academic achievement level & task defined as test vs game & reinforcement monitoring, self reinforcement for maze performance, 3rd graders, 58:10922
"Action Maze" game, feasibility for identification of behavioral style, high school principals, 55:2938
age & sex & outcomes afforded self & others, individualistic & cooperative & competitive behavior in 2-choice decomposed game, 5–8.5 yr olds, 58:1059
age, development of trust & trustworthiness & repentance & retaliation & forgiveness & exploitation in cooperative & competitive game behavior, students from differing subcultures, India, 56:7718
age, nature & function of private verbal activity during free-game activities vs performance of cognitive task, 3–10 yr olds, 58:5081
aggressive vs supportive activity during "Twenty Questions," same-sex dyads, 53:5159
analysis of propositional logic game by ordering theory, sequence of acquisition of formal operational thought, 14 yr olds, 54:788
anticipation game participation, understanding of educable mentally retarded children, junior & senior high school special class teachers, 58:8180
attitudes toward management games & learning attainment in business policy courses, business students, 53:12405
awareness games, personal growth through group interaction, book, 57:1610
bargaining set concept, extension to cooperative games without side payments, 55:12189
change agent game, computerized game in BASIC for time sharing terminals, 53:6435
characteristic functions of strategically equivalent forms of 3-person games, coalition formation & profits division, college students, 57:10259
choice behavior in maximizing game difference & in game of "chicken," pairs of Canadian vs Indian male college students, 54:7299
choice of & persistence at games whose outcomes depend on skill vs chance, male vs female college students & fairgoers, 57:2483
choice profitability & outcome information & partners' communication & attitude similarity, cooperation in N-person nonconstant-sum games, high school students, 53:5167
class of experimental game, expectations of choice behavior held by cooperators & competitors & individualists, college students, 56:5997
coalition formation in experimental 3-person cooperative games, support for individually rational bargaining set model, 56:6008
cognitive-perceptual game approach, visual discrimination learning, mentally retarded children, 57:3644
communication & sex of S, cooperation in expanded Prisoner's Dilemma & Chicken games, 55:2324
competition-facilitating vs competition-inhibiting environmental forces & cooperative vs competitive game strategy, causal attributions for others' behavior, female college students, 53:9507
conflictive behavior in 3-person laboratory game, survival in multipolar power systems, 58:3294
construction & design of chessboard apparatus, measurement of cognitive thinking & problem solving & decision making & conceptual space & memory & attention, 54:2311
construction & use of internal representations for rapid problem solving during playing of board games, computer simulation model of internal representation, 57:7141
cooperation & competition, "primus inter pares" effect in competitive game situation, male 17 & 18 yr olds, 54:7452
cooperatively played board game, writing contingency contracts & resolving problems of son's bizarre behavior, mother & 14 yr old son, 56:1045
creative recreation & games for mentally retarded, book, 54:4174
dart–throwing game, simulation of danger-related aspects of hazardous activities, 54:10764
development & application of teaching model based on concept & use of games in classroom, case studies of mathematics teachers & students, 56:2855
Dictionary Game played under 1-to-1 vs 1-to-2 interpersonal vs 1-to-1 intergroup competition conditions, cognitive learning outcome, college students, 57:13717
empirical validity, Core in simple N-person cooperative nonsidepayment game, 57:5779
evaluative thinking game, classroom interaction, gifted junior high school students, 56:3008
experimental gaming, literature review of past 20 yrs, 58:8619
Family Contract Game for guidance through interpersonal problem solving, clinical use, family members in therapy, 53:1711
Family Contract Game, stimulus control over family problem solving behavior, 8–15 yr olds with behavior problems & their parents, 57:8708
feedback & locus of control, risk taking in individual decision making in business game, 58:1173
forced vs optional vs no communication conditions, strategy choices in 3 variants of threat-vulnerable game, male college students, 55:2353
game playing & measurement of change & motivation, business game participants, 55:11104
game preference & behavior, delinquent vs nondelinquent male 13–16 yr olds, implications for social work, 58:9706
game structure & S's behavior, attitudes toward cooperative opponents, college students, 53:9548
games & activities & suggestions for keeping children happy & busy & learning, preschool children of all cultural backgrounds, book, 55:12117
games & Mutual Storytelling Technique, involvement in meaningful psychotherapy, children with minimal brain dysfunction, 54:5747
games & ploys, resolution of authority problems, supervisors, 54:10726
games analysis of attitude change, 55:2356
games, development of analytic thinking & problem solving skills, 1st graders, 58:2037
games for development of pre-orientation & mobility skills, sighted & visually handicapped nursery school to junior high school students, 55:8741
Gestalt "games", alcoholics, 57:8601
good behavior game, classroom behavior improvement, 2nd graders, 58:4323
group guidance with cooperative game, self concept & self esteem & attitudes toward hypothetical peer group, elementary school students, 57:4456
group provision of step goods analyzed as binary choice game, 56:3973
individual differences, game motives of own & relative & joint game, college students, 55:2395
instructional game, analysis of attitudinal goals into observable indicators, 53:10466
instructional program of competitive vs cooperative games vs worksheet exercises, attractiveness of program & interest in subject matter & progress, suburban 1st & 2nd graders, 56:6748
internal dialogue transactions as meeting criteria for transactional analysis games, 54:5975
kernel & bargaining set vs solution concept, prediction of outcome of simple majority game rules, 57:5783
mathematical analysis movement of players in 5-player athletic game, 5–25 yr olds, 55:12264
matrix games & internal vs external locus of control & self esteem & authoritarianism, interethnic competition, male 6th graders in segregated schools, 55:5630
mayoral election simulation game, political efficacy of junior high school students, 54:7282
meaningful & nonmeaningful Go game patterns, pattern reproduction & pauses in recall using interresponse time distributions, skilled vs beginner player, 56:7237
methodological influences, cooperation & realistic partnerships in experimental games, 57:12739
model of game playing, analysis of Ss' actions in game of "Gomoku", 55:8828
moral reasoning & motive set salience, helping behavior in matrix game, female college students, support for interactional thesis of developmental change, 57:3201
multisensory active learning games technique, reading skills, 6–14 yr old slow readers, 55:8333
natural group membership & group longevity, individual & group risk taking performance in complex war game, US Air Force officers, 57:10256
opponent's concession rate & similarity of opponents, bargaining behavior in bilateral monopoly situation & expectations, 8th grade boys, 57:10225
outcomes regulated by luck vs skill, choice of & persistence at games, male vs female college students, 56:715
participation in commercial mathematics & strategy games, cognitive abilities & attitudes toward mathematics, 7th graders, 55:8039
participation in teacher education game on labeling handicapped children, attitude & knowledge change, teacher trainees & experienced teachers, 58:12468
payoff expectations & decision processes, adoption of mixed strategies in zero-sum games, male college students, 54:2376
perceived personality of other player & player sex & severity of conflict, cooperative behavior in 2-person 2-choice mixed motive game, 57:3205
perception of opponent's goals & incentives, cooperation in mixed-motive game, male college students, 53:9498
performance tradeoffs in management games, SIMQ–business simulation game facilitating application of quantitative decision techniques, 54:8541
personal correlates, cooperative game behavior, preadolescent males & females, 53:4987
play & learning interrelationship, book, 56:5741
play group experience, playfulness & creativity & self concept, 18–26 yr olds, 58:11741
playing games & physical exercise, psychosomatic rehabilitation, elderly patients, 54:3588
playtime activities & game patterns, sex differences & development of organizational & social skills useful in adult roles, 5th graders, 58:895
power motive, power thematic behavior in bargaining game, 57:10238
preceding game experience varied by payoff matrix & chance mechanism vs human as partner, behavior in conflict game, high school students, 58:1085
preprogramed feedback about other's game responses, game playing behavior in dyads & perception of other player, college students, 54:7513
presentation form of conditional decomposition & concept of sanction, game research, 56:7854
psychodrama & art & games in residential treatment setting, emotionally disturbed children, 54:8219
queue position & rate of decrement & salience, entrapment in waiting situations, college students, 54:8915
reciprocity & cohesiveness, cooperation in 2-person games, college students, 54:7446
recognition of similarities in patterns of payoffs between matrices & behavior of opponent in matrix games, 53:9491
recreational games, group counseling, 54:3789
reference group-induced noncompetitive vs competitive motives in coalition games, predictive accuracy of 4 theories of coalition behavior, male college students, 58:9455
reinforcement schedules, adjunctive behavior during game playing using simulated gambling machines, 18–25 yr old college students, 54:4619
rotation vs nonrotation, coalition formation in Parcheesi board game situation, male college students, 54:2995
scenario design for specific games, 54:7454
selection of & feasibility of taxonomy of play materials for severely & profoundly retarded preschoolers & school age children & adolescents & adults, 57:3648
sex & self esteem & win/lose game result, perception of winner/loser game opponents, college students, 57:10322
sex role, competition in maximizing difference game, same- & mixed-sex dyads of college students, replication of S. P. McNeel's et al study, 53:7286
simple games & drawings, communication with chronic schizophrenic patient, nurses, 54:3273
social functions & types of play, Janken play, Japanese 3–5 yr olds, 54:2781
structure & applications for evaluating & developing leadership competence, Tactical Pacification Game, 54:7438
subproblems & symmetries in problem structure & state space problem representation, problem solving behavioral effects, college educated adults, 57:2382
syntax model games & language, early education application, 57:6747
team vs individual competition & practice sessions in Team-Games-Tournament instructional technique, academic achievement & attitudes toward game success, 7th graders, 56:4766
Teams-Games-Tournament, gaming technique fostering learning, 57:11322
Teams-Games-Tournament instructional process & development of language arts & reading & mathematics curriculum units, student achievement & attitudes & peer group processes, applicability to elementary & secondary classrooms, 58:8240
technical elements & style & usage of Synanon game, 54:8085
techniques & behavioral outcomes & sociocultural interaction with other Synanon communities, Synanon games, 58:8090
theoretical assumptions, constructing 3-person games with nonempty core, 53:10695
theory of rational choice in zero-sum 2-person games, discussion of direct proof & criticism of J. Von Neumann & O. Morgenstern's study, 58:4542
transactional analysis games of early childhood dealing with mother-separation issues & passing from generation to generation, 54:5987
transactional analysis training vs no training, ability to discriminate game from nongame behavior & classify games according to life position scheme, college student volunteers, 58:9872
trivial competition vs trust game, prediction of behavior in mixed-motive game of "Chicken," college students, 53:9520
type of communication & possibility of money loss, defecting vs cooperating responses in 8-person commons dilemmas game & expectations about others' decisions, 58:5298
uncertainty of outcome & indivisibility of payoff, minimum resource theory & ameliorative strategy in minimal information political convention game, college students, 57:5803
use of children's psychodrama techniques in adult therapy, 54:8108
use of E. A. Peel's logical game to study rules of implication & incompatibility, 1st–6th graders, 57:12001
use of games, 57:2144
vocational awareness games, self concepts, 6th graders, 55:3248

Gamma Globulin
extreme stress, conditioning of alpha & gamma globulin in serum, rats, 53:527

Ganglia [See Also Autonomic Ganglia, Basal Ganglia, Spinal Ganglia]
anterior ganglia removal & light intensity, escape from light source, earthworms, 56:5605
brain extract from sleep-deprived rats, spontaneous discharges in abdominal ganglion, rats, 56:5575
brisk-sustained & brisk-transient classes of retinal ganglion cells, crossed & uncrossed representation of visual field, cats, 56:1925
buccal gangion role in generation of rhythmic feeding output, marine mollusks, 53:11062
crossed or uncrossed destination of axons of slowly conducting concentric & nonconcentric retinal ganglion cells, patterns of representation of visual field, cats, 56:1924
immunosympathectomy or central nerve growth factor antiserum injection, hypothalamic self stimulation, rats, 54:510
leptazol & eserine & scopolamine & oxotremorine, sensitivity of acetylcholine concentration in ganglia, leeches, 55:458
location & configuration & ganglion cell densities & receptor nuclei, structural & neuroanatomical aspects of foveas, comparative study of 9 avian species, 55:6358
mechanisms of sustained & transient classes of retinal ganglion cells, peripheral perception of static & moving objects, cats, 54:4959
morphine, electrical activity of myenteric plexus ganglion cells & vas deferens smooth muscle cells, guinea pigs & mice, 54:11251
multilevel polythetic research strategy, habituation characteristics & mechanisms in abdominal ganglia, crabs, 58:546
presynaptic electrical coupling in large cholinergic interneuron in abdominal ganglion, postsynaptic chemical transmission, Aplysia, 58:4959
presynaptic facilitation, sensitization of gill-withdrawal reflex in abdominal ganglion, Aplysia, 57:12238
quantitative aspects, peak response & latency of shift effect in on- & off-center ganglion cells, cats, significance in relation to eye movements & brightness perception & retinal pathway, 55:311
quantitative characteristics, lateral inhibition in transient & sustained retinal ganglion cells, cats, 58:11137
receptive field characteristics & response properties of 1st order sensory neurons in trigeminal ganglion, clarification of eating deficits after section of sensory branches of trigeminal nerve, pigeons, 55:409
removal of upper cervical sympathetic ganglia, effect of sustained nociceptive stimulation on adrenaline & noradrenaline contents in brain areas & adrenal glands, rats, 57:2709
rod & cone aspects, delayed responses of on–off ganglion cell, frogs, 54:432
stimuli moving at different velocities, differential responses of X & Y retinal ganglion cells & role of difference in surround mechanism, cats, 58:2826
striate cortex removal, atrophy of retinal ganglion cells, rhesus monkeys, 54:9144
superior cervical ganglion, influence on electroretinogram, rabbits, 54:6860
sustained & transient discharges of retinal ganglion cells during spontaneous eye movements, cats, 54:8957
time course of inhibition during delayed response of on–off ganglion cell, frogs, 54:431
transient & steady state adaptation conditions, isolated retinal ganglion cells, goldfish, 53:9214

Ganglion Blocking Drugs [See Also Chlorisondamine, Hexamethonium, Mecamylamine, Nicotine]
centrally acting analgesics & CNS drugs & ganglion blockers & narcotic partial agonists, writhing induced by acetylcholine, mice, 54:2545
phentolamine hydrochloride & pentolinium tartrate & tetradoxion & physllaemin, essential hypertension, patients in whom electrical hypnosis was induced, 53:3630

Gangs (Juvenile) [See Juvenile Gangs]

Gastrointestinal Disorders [See Also Colitis, Colon Disorders, Constipation, Diarrhea, Fecal Incontinence, Gastrointestinal Ulcers, Ulcerative Colitis, Vomiting]
acquisition of taste aversions & association of gastrointestinal illness, early childhood to old age groups, implications for alcoholism & obesity treatment, 53:4902
Eysenck Personality Inventory profile, patients with flatulent dyspepsia, 53:9919
familial incidence of celiac disease & rheumatoid arthritis & depression, etiology of autism, speculations on biological factors in autism, 57:1389
gastric hyperactivity & fatal aspiration, 19 yr old catatonic schizophrenic, 57:1303
induced conflict by solving difficult vs easy puzzles, gastrointestinal motor variations, psychosomatic patients, 54:10021
intrapsychic ego defenses against instinctual demands of id, pathogenic interpretation of gastrointestinal psychophysiological disorders, 54:1441
lorazepam vs diazepam, anxiety associated with chronic gastrointestinal disease, 22–71 yr old outpatients, 57:1690
lorazepam vs placebo, psychic & somatic symptoms, patients with gastrointestinal disorders with anxiety overlay, 58:7969

personality & anxiety & psychological status, outpatients with Crohn's disease vs chronic nonpsychosomatic medical diseases vs psychosomatic diseases vs neurosis, 56:10208
preoperative weight reduction, gastric pathology & aphagia following lateral hypothalamic lesions, male rats, 56:5614
respiratory & cardiovascular & gastrointestinal & skin & bone & joint pathologies, differentiation of alcoholics from controls in family practice sample, 57:10522
tricyclic antidepressant therapy, relationship to formation of hiatus hernia, 37–67 yr old patients, 54:5890

Gastrointestinal System [See Also Intestines, Liver, Stomach]
absorption of intragastric carbohydrate load & insulin during glucose intubation, satiation, immature & adult rats, 55:4011
acute & chronic stress, gastric secretion, gastric fistula rats, implications for gastric ulcer etiology, 53:8922
bromazepam, gastric acid secretion related to hypnotically induced anxiety, student volunteers, 58:720
chronic gastric fistula, shock-stress effects on gastric secretions & acid inhibition responses, male rats, 56:1960
diurnal cyclicity & neural & humoral gastrointestinal signals, food intake regulation, intact & vagotomized rabbits, 57:7753
electrical footshock stress, gastrointestinal absorption & distribution of sodium salicylate & quinidine, rats, 54:9115
electrogastrogram, measuring gastric activity, cats, 53:4597
exposure to night work, serum gastrin reactions & psychosomatic complaints & personality variables, 18–60 yr old dayworking railway repairmen, 58:574
fasting & restraint stress & aspirin & phenylbutazone & prednisolone & adrenaline, gastric mucosal damage & glycoprotein synthesis, rats, 57:722
gastric & colonic motility recordings during experimental conflicts, psychosomatic patients, 55:932
gastric contractibility rhythms as ultradian rhythm, fasting college students, 54:11115
gastric loading, sucking response & voluntary milk intake, neonatal piglets, 54:509
gastric loads & food deprivation, food intake, suckling rats, 54:506
gastrointestinal filling as negative feedback signal, peripheral control of drinking, male rats, contribution to R. A. McCleary's hypothesis, 55:11551
glucose & amino acid & lipid infusion, dietary self selection, rats, 55:6458
histidine-free amino acid load, taste aversion, male rats, 53:4693
hypothalamic lesions, gastric pathology, rats, 54:4754
iv infusions & intragastric injections of glucose vs nonglucose solutions, flavor preferences, rats, 55:4022
neural pathways & chemical transmitters & orogastrointestinal & hormonal & humoral factors, excessive food intake & obesity, 55:2002
nutrient injection into stomach, discrimination by upper gastrointestinal tract, male rats, 58:626
oral glucose intake reduction during gastric or duodenal intubation, postingestive factors in control of glucose intake, satiated female rats, 54:507
oxethazaine HCl, control of food & water intake, male rats, 53:11214
potential difference across rectal mucosa during depression & lithium carbonate therapy, manic depressive patients, 55:5159
pregastric & gastric & intestinal phases of preabsorptive neural & endocrine mechanism activation, feeding behavior, rats, 58:570
reinforcing properties of intragastric injections of gastric juice & whole milk mixture paired with non-nutritive taste, sensing function of upper gastrointestinal tract, rats, 57:5254
small intraduodenal infusions, satiety production, male rats, 53:8965
starvation vs nonnutritive feeding vs complete diet using gastric intubation, feeding behavior & anorexia, female rats, 54:4720
systemic hydration, acquisition of schedule-induced polydipsia, male rats, 53:8948
water deprivation, orogastric & hydrational & behavioral controls of drinking, female rats, 55:342

Gastrointestinal Ulcers
access to operant shock-escape response vs no control over shock occurrence or termination, gastric secretion, male rats, 55:11646
activity-stress & restricted feeding, organ weights & development of activity-stress ulcers, activity-stressed vs starved male rats, 58:4942
activity-stress, ulcers in glandular stomach, male rats & hamsters & guinea pigs & gerbils, 56:7424
acute & chronic stress, gastric secretion, gastric fistula rats, implications for gastric ulcer etiology, 53:8922
acute stress & autonomic blockers, gastric mucosal microcirculation, rats, 53:11081
age at maternal separation, susceptibility to immobilization-induced gastric erosions, rats, 54:2416
amount of coping required to avoid shock, gastrointestinal lesion development & weight loss, male rats, 56:1877
antacid drug during food deprivation, gastric acid role in restraint-induced ulceration, rats, 58:5021
chemotherapy & personal & family therapy & autogenic training, peptic ulcer patients, 54:10034
cholinergic tone manipulation by scopolamine methylbromide vs carbachol, activity-stress ulcer, male rats, 55:11692
chronic gastric fistula, shock-stress effects on gastric secretions & acid inhibition responses, male rats, 56:1960
conditioned immobility, ulcer development, male rats, 53:6748
counseling with vs without maintenance of diary, pain reduction, adults with ulcers, 58:9875
digitoxin, duodenal ulcer production, rats, 53:11219
duodenal & gastric ulcers & ulcer dyspepsia, incidence of neurosis & psychosis & psychopathy & medical characteristics, psychiatric patients admitted to medical department, 54:7966
electrical hypothalamic stimulation during rest from shock stress session, reduction of stomach ulcer development, unrestrained male rats, 56:5597
family dynamics & sociocultural background, development of peptic ulcers, 54:9995
feeding during dark phase of inverted day/night cycle, access to exercise wheel & production of stomach ulcers, hamsters, 58:2930
feeding environment, activity-stress ulcers, male rats, 53:11055
intrapair fighting in shock situation vs shock in different locations, attenuation of gastric lesions, male rats, 56:292
legal offenses convictions & type of crime & psychodiagnosis & psychiatric department admittance, males with duodenal & gastric ulcers & ulcer dyspepsia, 54:7968
liquid sucrose & restraint in cold environment, ulceration in glandular & nonglandular portions of stomach, rats, 54:4708
metiamide, histamine mediation of stress & stress & aspirin-induced ulceration by involvement of histamine H2 receptors, male rats, 56:3691
metiamide, ulcers induced by "activity-stress" procedure, male rats, 55:6580
milieu-specific & universal personality characteristics, urban vs rural male ulcer patients in Greece, 55:10122
obsessional scores & subjective general psychiatric complaints, patients with duodenal ulcer or ulcerative colitis, 57:6135
pancreatic glucagon, formation of mucosal lesions & ulcers, intact vs sham-operated vs adrenalectomized male rats, 53:11100
personality correlates, peptic ulcer patients, 57:1494
personality factors & interpersonal relationships & adjustment patterns, male peptic ulcer patients, 53:5748
personality traits, prediction of success of duodenal ulcer surgery, male patients, 57:6455
pH feedback, control of pH of gastric acid secretions, peptic ulcer patients, 53:3779
plasma corticosterone level, stress-induced ulceration, adrenalectomized & normal male rats, 55:378
preweaning isolation from littermates, reaction to handling & social preference & resting heart rate & response to airblast & intruder & gastric ulceration, male rats, 55:3986
preweaning shock with vs without warning signal, stress-induced ulcers & behavior, adult rats, 55:9217
production of stomach ulcers using unavoidable shock schedule & shock escape &/or avoidance with vs without subsequent punishment shock, stress response to conflict situation measured by stomach ulceration, male rats, 57:7721
psychoanalytic theories of ulcer formation, 58:1468
psychosomatic examination consisting of psychoanalytic interview & battery of psychological tests & social & family history, subgroup identification, preoperative ulcer patients, 58:1443
psychotherapy, support in treatment of gastric ulcers, 56:10229
reaction to stress & incidence of gastric ulcers, male schizophrenics, 55:12401
restraint ulceration as experimental disease model in rats, pathogenesis of human psychosomatic disease, 54:3259
Rorschach scores, normals vs peptic ulcer patients, 58:11949
Rorschach Test & Rosenzweig Picture-Frustration Study, personality traits, gastric & duodenal ulcer patients, 53:7778
scopolamine methylbromide, shock-induced gastric lesions, male rats, 53:2681
self-imposed immobilization & physical restraint conditions with shock, gastric ulceration, male rats, 53:6771
shock predictability & dietary physical property, rumenal & corpus pH & ulceration, male rats, 56:3629
shock predictability, plasma gastrin, male rats, 54:4761
shock stress termination, development of gastric ulcers, female rats, 53:473
signal-shock contingency probability & shock region, stress-induced pathology & gastric lesions, rats, 58:2942
suicide & attempted suicide, unoperated vs operated patients with gastric & duodenal ulcers & ulcer dyspepsia, 54:7967

Gastropods [See Mollusca]

Gates MacGinitie Reading Test
classification as good vs poor readers on Gates-MacGinitie Reading Tests, concepts of reading, 4th & 5th graders, 53:8339
Gates-MacGinitie Readiness Skills Test vs Illinois Test of Psycholinguistic Abilities, prediction of reading achievement under initial teaching alphabet vs traditional orthography approach, 1st graders, 58:6422

Gates Reading Readiness Test [See Gates MacGinitie Reading Test]

Gates Reading Test [See Gates MacGinitie Reading Test]

Gay Liberation Movement [See Homosexual Liberation Movement]

Geese
behavior patterns during triumph ceremony, male & female Canada geese, 57:9679
color preferences & mate selection, lesser snow geese, 57:12192
development & object fixation of behavior patterns, newly hatched goslings, 54:2590
familial color, mate choice in wild, snow geese, 56:3526
integrity & longevity of family groups & behavior of subadults & breeding behavior, geese, 55:3919

General Anesthetics [See Also Chloroform, Ether (Anesthetic), Methohexital, Thiopental]
active vs passive participation while awaiting elective surgery, pulse rate after general anesthesia, patients, 55:1115
anesthesia by barbiturate & nitrous oxide & droperidol-fentanyl prior to surgery, release of homovanillic acid from brains, children, 55:5181
eye movement responses to auditory stimuli & cardiac responses to somesthetic stimuli, rapidity & consistency of habituation, infants whose mothers had obstetrical general anesthesia vs local anesthesia or analgesic medication, 53:9085
general anesthesia during surgery, states of awareness, 55:7701
general anesthesia for ECS therapy, medical risks, 55:10174
isoflurane inhalation, state-dependent learning of verbal material & retrieval & correlation with EEG, male 21–25 yr olds, 54:9125
nitrous oxide, decision strategy & sustained attention, male 18–25 yr old volunteers, 54:7003

General Aptitude Test Battery
General Aptitude Test Battery prescreening & counseling, vocational course graduation, 16–22 yr old vocational trainees, 53:4199
General Aptitude Test Battery, prediction of vocational training success, 11th & 12th grade vocational students, 58:10599
new occupational aptitude pattern structure of General Aptitude Test Battery, 53:4174
normative data, General Aptitude Test Battery, Australian National Servicemen & school sample, 54:10813
oral vs manual educational background, General Aptitude Test Battery performance, deaf students, 56:10755
test standardization & administration & validity, General Aptitude Test Battery, bibliography, 58:4621
validity of General Aptitude Test Battery, prediction of academic success in architectural courses, college students, 57:13984
wooden vs plastic peg apparatus, reliability of General Aptitude Test Battery Manual Dexterity scale, state employment office applicants over 18 yrs old, replication of J. T. Kapes & N. W. Sievert's study, 53:4292

General Hospital Psychiatric Units [See Psychiatric Hospitals]

General Paresis
chronic marihuana intoxication, paresis of 4th cranial nerve, 17–28 yr old medium-heavy marihuana users complaining of headaches, 56:2446
feedback & reinforcement, cuptilting behavior, 28 yr old hemiparetic female, 56:10348
general paresis, case report of child, 57:3718

General Practitioners [See Also Family Physicians]
attitude toward referral & characteristics of referring general practitioner & prior treatment & unusual events during treatment, patients referred for outpatient psychiatric consultation, 53:1346
awareness of & familiarity with community-based services for retarded, general practitioners vs parents vs pediatricians, 55:10466
awareness of psychotropic drug side effects & use of physical examination, treatment of psychiatric patients, general practitioners, 54:3691
doctor–patient relationship, psychodiagnosis of symptoms, 28–69 yr old psychiatric outpatients, 53:7845
evolution in stages & types of alcoholics, treatment approaches for application by general practitioner, 54:3657
group discussion & problem solving to provide interdisciplinary approaches to mental illness, Balint-group psychoanalysts & hospital doctors & general practitioners, 54:12162
hysterical personality in clinical setting of general practitioner, 55:839
identifying alcoholic risk characteristics in general practice, 15–64 yr old working class outpatients, 55:4848
perceptions of psychologists, general public & general practitioners & clergymen & secondary school teachers, Australia, 54:11892
physical & psychological changes & diagnosis & treatment & institutional care & insurance coverage, organic & affective mental disorders, aging persons, book for general practitioner, 55:12370
prescriptive practices & viewed complications of psychoactive drugs, survey of family physicians & general practitioners, 57:1830
preventive psychiatry & influence of general practitioner, 55:10590
professional's affective behavior, client satisfaction, Israeli General Practitioners & clients, implications for revised social interactional model, 56:6462
psychiatric morbidity, attenders at general practice vs random sample of patients from practice lists, 58:5504
psychosomatic medicine & general practitioners, 55:917
psychotherapy, psychosomatic disorder treatment, general practitioners, 53:7853
psychotropic drug prescription habits in general practice, treatment of depression, 53:3662
understanding of mental retardation, advice to parents of mentally retarded, obstetricians & pediatricians & general practitioners, 56:2929

Generalization (Cognitive) [See Cognitive Generalization]

Generalization (Response) [See Response Generalization]

Generalization (Semantic) [See Semantic Generalization]

Generalization (Stimulus) [See Stimulus Generalization]

Generation Gap
acquisition & explanation of descriptive data & relation to general theory of generational differences & social change, strategy in generational analysis, 53:9241
age & income & status & occupational achievement, intragenerational mobility, black vs white male adults, 55:4356
age & race & sex, values, black & white high school students & their parents, 55:9378
age differences, dimensions of religious orientation & practice, 53:9350
analysis of cross generational changes & relationship to psychology of latency child, world view & psychodynamic profile of Superman in comic book stories & reflection of actual crimes of social aggression in stories of 1940's & 1970's, 57:7861
comparative intrafamily study, existence & universality & specific locus of generation gap, female & male college students & their fathers, 56:5906
congruency of values, parents vs students vs teachers vs administrators vs community vs school board members, 55:7886
decline of sense of shame, social cohesion & regression of ego functions, case reports of 2 patients from different generations, 58:5356
development & composition of freak culture, middle-class generation born after World War II with new personal & nonoccupational identity & conceptions of society, 53:9368
dogmatism, attitudes toward adolescent alcohol & marihuana users, 10th–12th graders & high school teachers, 55:4450
ethnic-religious group & generation gap, sex role stereotypes & self concepts & standards & parenthood satisfactions & dual work & childrearing roles & fertility ideas & value transmission, mothers vs daughters, 57:12654
factor structure, responses to survey of attitudes on contemporary issues, adolescents vs their parents, 56:7801
family therapy, processes of intergenerational reconciliation & separation from family & growth, adolescents, 54:1701
family vs generational influences, socialization of core values, 54:11442
functional model of S. N. Eisenstadt & T. Parsons vs generational unit model of K. Mannheim, interpretations of generational conflict, 53:9298
generation gap, changes in authoritarianism & values & cognitive complexity, participants in California, implications for business, 55:12301
generational analysis themes & issues, impact of youth groups on social structure & interpretations of youth protest movement & old age processes & consolidation of competing theoretical frameworks & analysis of empirical data, 53:9297
generational changes in attitudes regarding myths & old sayings & associated fears concerning male-female relationship, male college students, 58:7402
generational differences on measure of time perspective, college students & their parents, 53:9444
generational ideology of peace & love, age-group consciousness & integration of life style & political concerns & increased differentiation of age roles & de-differentiation of sex roles associated with advanced industrial development & expansion of higher education & growth of mass media & Vietnam war, 53:9439
industrial revolution & decline of breast feeding & depersonalized nursing, generation gap, 57:3081
intergenerational agreement concerning personal life goals & role-appropriate values, illusory nature of concept of "generation gap", reanalysis by age of M. Rokeach's adult sample, 57:2865
intergenerational congruence of traditional vs nontraditional attitudes & relationship between parental childrearing practices & children's attitudes, high school seniors vs college students vs parents of college students, 57:1102
intergenerational continuity & discontinuity in moral values, Japanese, 54:885
intergenerational relations, value congruence, former student activist vs nonactivist young adults & their mothers, 58:3205
parental values & generational changes in social class & married children's frequency of contact with parents, value orientations & family continuity, study of 3 generations, 55:654
perceived attitudinal differences with parents, male vs female college students, 53:11466
perceived parental values & attitudes & political ideology, student activism & politico-economic conservatism, white male college students, 55:6868
perception of agreement with college-attending children & methods of influencing children, parents of college students, 54:5031
perceptions of opposite generation & their ratings, 16–20 yr olds vs 40–60 yr olds, 53:4839
perceptions of themselves & each other & evaluative attitudes toward human life, urban vs rural 15–19 yr olds vs 65 yr olds & over, 55:11904
ranking of values for self & mother & father, parental & generational discrepancies in value systems, 12–17 yr old delinquents & nondelinquents, 54:9928
relevance of 2- vs 3-generation theory of society, coalition vs conflict between aged & young, 58:932
self disclosure & perceived relationships with parents & friends, 10th–12th grade Mennonites, 57:8118
sex & age & education & family relationship & marital & educational attitudes & symptom categories, sources of father-child intergenerational conflict, 15–35 yr old neurotics vs psychiatric outpatients, Qatar, 57:10438
sex & age, social attitudes, male vs female college students & their parents, 53:2894

Generators (Apparatus)
circuit details, 2-channel random pulse generator, 56:8951
description of new psychotherapeutic method, high frequency generator as aid to increasing suggestibility, 58:3727

digital sequential generator, implementation of reinforcement schedules, 53:6906
electronic pattern generator for vision research, 58:6624

Genes
bidirectional selection, conduction velocities from caudal nerves, mice, 54:2454
gene substitutions, geotaxis, Drosophila melanogaster, 54:6926
genetic analysis, water escape behavior, 3 strains of mice, test of major-gene hypothesis, 57:549
genetic analysis, water maze discrimination learning, male mice of recombinant inbred strains & their progenitor strains & reciprocal F sub 1 hybrids, 54:11148
genetics & environment, analysis of schizophrenia, 53:3310
model of hereditary transmission of schizophrenia involving 2 pairs of autosomal alleles, 55:7304
RNA "paraprocessing" & formation of RNA tumor virus genome, 54:11111
single gene substitution, courtship & mating patterns, inbred lines of Drosophila melanogaster, 56:3596
single- vs 2-gene model, prediction of frequencies of schizophrenia, parents & siblings of schizophrenics, 53:9741
X- vs Y-linked genes, evolution of sociality, vertebrates, comment on G. Whitney's paper, 58:8971

Genetic Disorders [See Also Albinism, Autosome Disorders, Chromosome Disorders, Crying Cat Syndrome, Deletion (Chromosome), Downs Syndrome, Hemophilia, Klinefelters Syndrome, Phenylketonuria, Sex Chromosome Disorders, Sex Linked Hereditary Disorders, Testicular Feminization Syndrome, Translocation (Chromosome), Trisomy, Trisomy 21, Turners Syndrome]
age, light intensity discrimination, rats with inherited retinal degeneration, 53:793
argininosuccinic aciduria, moderately retarded female, case report, 57:8487
behavioral & biochemical study of patients with inborn metabolic disorders, genetic predisposition underlying abnormal behavior, 57:8546
children with cystic fibrosis, emotional life of families & physical & emotional development of child, 57:8513
classification under hereditary polyneuropathies, family with sensory neuropathy, 55:4906
development of medical genetics as medical subspeciality & services provided by medical genetics center, 57:4049
family relations & social & educational/occupational problems & other psychosocial factors, osteogenesis imperfecta affected adults & children & their families, implications for social work practice interventions, 57:6157
federally funded vocational rehabilitation program, sickle cell anemia patients, 55:2797
genetic counseling & contributions of social worker, 57:13413
inheritance of primary reading epilepsy, 16 yr old male, 55:7434
intellectual ability & hemispheric cerebral dominance & psychomotor & somatosensory characteristics, 48 yr old female & her 16 & 18 & 20 yr old children with hereditary mirror movements, 58:5716
lithium responsiveness, abnormality in cell membrane properties normally regulating movement of electrolytes across plasma membrane, depressed patients, 53:5873
manifest anxiety level & decrease through social work intervention, couples having amniocentesis for parental diagnosis of genetic defects, 57:8856
olfactory & taste sensitivity, children with cystic fibrosis, 54:3481
open-ended parent interview & self-administered teacher questionnaire & self-administered parent demographic data form, assessment of psychosocial adjustment, school age children with cystic fibrosis, 53:7768
psychosocial aspects, genetic counseling, 57:13410
psychosocial aspects of galactosemia, literature review, 55:911
rhythmic slow activity during paradoxical sleep, male rats with hereditary hypothalamic diabetes insipidus, 55:6398
schizophrenia as related to hereditary mutative enzyme disturbance influencing susceptible cerebral mechanisms, family & twin research, 56:8116
social work crisis intervention, psychosocial stresses, patients with genetic problems & their families, 58:8028
subsequent depression & primary family constellation & self esteem & psychosexual development & interpersonal relationships & treatment adjustment problems, 26 yr old male with familial polyposis, 57:3742

Genetic Dominance
behavior genetic analysis, emotionality, mice, 55:3849
dominant & recessive inheritance in 2 forms of schizophrenia, 58:1325
dominant X-linked genetic factor, families of manic-depressive psychotics, 53:1374
heritability & degree of dominance, selection for geotaxis, Drosophila, 56:5530
sex-linked major-gene influences, spatial abilities of visualization & orientation, high school students, 56:258

Genetic Recessiveness
dominant & recessive inheritance in 2 forms of schizophrenia, 58:1325
genetic analysis, active avoidance performance, male mice, 54:6927
genetic model, racial differences & sex linked recessive gene enhancement of spatial ability, 54:499
sex-linked major-gene influences, spatial abilities of visualization & orientation, high school students, 56:258

Genetics [See Also Related Terms]
ability & occupational level, siblings & parents of probands with familial vs clinical retardation, 57:8493
abnormal retinal pigmentation, open-field behavioral differences, albino vs pigmented mice, 53:505
acoustic priming & cross-fostering, audiogenic seizures & albinism, albino vs nonalbino mice, 55:3839
acquisition & maintenance of active & passive avoidance behavior & endocrine responses, rats with hereditary hypothalamic diabetes insipidus, 54:6921
acquisition & reversal learning of active avoidance response, 3 inbred strains of mice, 54:2452
ACTH administration & mouse strain, role of pituitary-adrenocortical axis in isolation-induced intermale fighting behavior, male mice, 54:471
acute morphine administration, brain catecholamine content & CNS noradrenaline & dopamine metabolism, 3 strains of mice, 57:7797
acute symptomatologic picture & response to lithium carbonate therapy & followup studies & family history & genetics, schizo-affective states, literature review, 57:6020
administration of footshock at different ages, runway competitive behavior, genetically selected winner vs loser rats, 54:7120
age & experience & dust texture & strain & social facilitation, dustbathing development, bobwhite quail, 53:753
age & prime-to-test interval & index of seizure, audiogenic priming, DBA/2J & C57BL/6J mice, 56:1909
age & rearing & mating experiences, frequency dependent sexual selection, female Drosophila homokaryotypic for Arrowhead & Chiricahua 3rd chromosome inversions, 58:516
age & sex & genotype, stimulus exploration & locomotor activity, 3 strains of mice, 57:2620
age & sex & long term alcohol intake, emotional reactivity & avoidance conditionability, rats of varying genotypes, 55:9301
age & strain & neurochemical differences, susceptibility to ECS-induced amnesia, 17 vs 33 day old mice, 58:11198
age & strain differences, duration & percentage incidence of tonic immobility, Japanese quail, 57:9708
age & strain differences, exploration & related behaviors & emotionality & operant learning & sensory discrimination & alcohol preference, young vs old mice, 57:463
age, aggressive behavior & brain monoamine dynamics, 2 strains of mice at 6 vs 30 wks old, 57:595
age, ethanol consumption, male C3H & CF1 mice, 55:4125
age, frequency-dependent mating behavior, 2 strains of Drosophila, 58:4900
age, mechanisms of monoamine neurotransmissions in audiogenic seizures, sensitive vs resistant mice, 56:7395
age of peak convulsion risk & audiogenic priming & locomotor activity, susceptibility to sound-induced seizures, C57 vs DBA mice, 56:9483
age, polydipsia development, SWR/J mice, 53:2502
aggressive behavior & dominance, large crabs in small shells vs small crabs in large shells, 56:5444
aggressive behavior & fitness differences, inbred strains of mice, 53:8937
aging, avoidance learning & behavior genetics, rodents, critical review & methodological comment, 57:2622
alcohol & genetic strain differences, basal exploratory behavior, male mice, 56:9587
alcohol deprivation & sweetener addition to alcohol solution, intake of alcohol, Sprague-Dawley vs Long-Evans rats vs C57B1 mice, 57:2743
alcohol withdrawal & reserpine, convulsions & behavioral effects, inbred strains of mice, 53:2639
alcoholism & alcohol abuse occurrence, grandsons of alcoholics, implications for sex-linked factor hypothesis, 56:6205
alcoholism, psychosocial & genetic factors, adoptees whose biological parents had vs didn't have known history of alcoholism vs nonadopted sons of alcoholics vs nonadopted controls, 58:7694
aminooxyacetic acid, audiogenic seizure priming, SJL/J & C57BL/6J mice, 56:3764
ammonium hydroxide, radial localization of odors, 16–130 hr old newborns, support for presence of neonatal avoidance response & innate spatial sensitivity to odors, 57:7987
amount & temporal & frequency pattern of male copulatory behavior & interspecific mating, ovulation & implantation, Microtus species, 58:2755
analysis methodology, inheritance of schizophrenia, 53:3361
analysis of A. R. Jensen's vs C. Bereiter's vs L. J. Cronbach's vs A. L. Stinchcombe's views on IQ, implications for educational policy, 55:7874
apomorphine & dopa & haloperidol, competitive behavior, genetically selected winner & loser rats, 54:2556
approaches & relevance to ethology, genetic basis of behavior, 55:1956
arena vs seminatural settings, agonistic behavior & social reactivity, mice primed for agonistic behavior vs not primed, 56:5462
artificial selection of agonistic behavior levels, wild female mice, 58:2809
artificial within-family selection for agonistic behavior, different levels of agonistic behavior, isolation-reared wild female mice, 57:7630
assessment of multifactorial & single major locus models, prediction of genetic heterogeneity in schizophrenia, 57:1351
axial length of eyeball & heredity & personality & intellectual correlates & visual near-work behavior, myopia development, literature review, 53:1551
backcross analysis, genetic factors in intracranial self stimulation in lateral hypothalamus, male mice, 58:11194
behavior genetics & morphological features, F sub 1 & F sub 2 coyote-dog hybrids, 56:7417
behavior genetics & morphology, schizophrenics, 56:8155
behavior genetics, current status & perspective, 57:9715
behavioral & biochemical study of patients with inborn metabolic disorders, genetic predisposition underlying abnormal behavior, 57:8546
behavioral characteristics of phenotype, mating behavior time, 2 inbred strains of Drosophila melanogaster, 56:3585
behavioral differences in activity & shock avoidance & drug administration & lesions, Fisher 344 vs Zivic-Miller rats, 55:9087
behavioral differences in choice of familiar vs novel food & poison-elicited pica paradigm, 2 populations of wild vs laboratory rats, implications for domestication research, 58:8914
behavioral studies, inbred strains of mice, bibliography, 53:11075
behavioral wildness rankings, prediction of genetic & genotype by environment interactions, house mice, 53:6763
behavior-genetic analysis of jousting, Hawaiian drosophila, 56:7364
behavior-genetic analysis, wheel-running activity & post-wheel-running testosterone & corticosterone levels, adult male mice, 56:5512
behaviorist & nativist viewpoint, reanalysis of B. Lenneberg's "Biological Foundations of Language", 57:9911
beliefs about nature vs nurture as source of racial differences, attitudes toward black & white integration, college students, 54:7328
biochemical & behavioral aspects, tolerance & physical dependence & alcohol-induced liver disease & changes in sexual behavior & contribution of genetic factors to alcohol problems, research review, 58:5581
biochemical & behavioral differences, A & E strains of nervous pointer dogs, 53:2485
biogenic amines & differences in rate of larval feeding activity, 3 strains of fly, 55:3940
biological explanations of psychological sex differences, 58:529
biological makeup & hereditary factors, somatic diseases & emotional illness, vulnerable children, 53:5743
biological pathways of genetic activity, psychoses, 58:7655
biological vs social evolution & related issues, representative responses & author reactions, 1975 American Psychological Association presidential address by D. T. Campbell, 57:6633
biometrical genetic approach, intelligence & schizophrenia, 53:3293
bitter taste perception of cycloheximide, 3 strains of rats, 53:8941
body weight & brain weight, maze & discrimination learning, inbred strains of mice & F1 hybrids, 56:5522
brain catecholamine levels, weight loss & mortality & degree of physical dependence in response to chronic morphine, male mice from 4 strains, 57:7818
brain glutamic acid decarboxylase, open field activity, 10 inbred strains of mice, 56:7388
brain seizures induced by transcorneal electroshock stimulation, retrograde amnesia on inhibitory avoidance tasks, DBA/2J vs C57BL/6J, 56:3571
brain 5-hydroxytryptamine turnover, spontaneous motor activity & habituation to testing procedures & avoidance rate, spontaneously hypertensive vs normotensive Wistar rats, 58:4914
breeding for spontaneous activity & learning ability & emotionality, tyrosine hydroxylase in various brain regions, 3 strains of mice, 56:5528
captivity & prenatal exposure to conspecific vs extraspecific maternal call, posthatch filial behavior, quail chicks, 58:8957
carcinogenic agent implantation & stress, body weight, 2 strains of rats, 57:5245
Cartesian dualism, negative effects on study of genetics & schizophrenia, 58:5485
causal associations & behavioral units & development, issues in behavior genetics, literature review, 58:533
ceiling height, open field activity, 3 inbred strains of mice, 54:2461
cerebral functioning in offspring of schizophrenics, Israeli school age children, 55:851
chronic conflict situation, blood pressure, rats with genetic susceptibility to experimental hypertension, 55:3937
clarification of differences between Maudsley reactive & nonreactive strains of rats, reply to criticism by J. Archer, 57:7627
classical aversive conditioning, anticipatory skeletal responses in shuttlebox, 2 strains of female rats, 53:6923
classical conditioned-stimulus–unconditioned-stimulus contingency, strain differences in avoidance conditioning, female rats, 53:2528
classification of primary probands according to psychopathology, genetics of catathymic delusional formations, 55:12394
clinic & genetic factors, differential diagnosis from other functional psychoses, reactive psychotics & relatives, 55:2459
clinical & familial differences, hebephrenic vs paranoid schizophrenics, 53:3368
clinical & genetic & biochemical aspects & psychological & behavior problems, families with 1 or more members with Gilles de la Tourette's syndrome, 58:5669
clinical & genetic & chemical & ultrastructure study, mucopolysaccharidosis, 28-yr-old female epileptic, 53:7740
comparative feeding behaviors, 12 species of North American herons, 56:242
complete reciprocated Mendelian analysis, biometrics of reversal learning, mice, 54:495
complexity of tasks involving aversively motivated behaviors, elicitation of heterosis, inbred strains of mice & their reciprocal F sub 1 hybrids, 55:1953
concept & process & effectiveness of genetic counseling, 58:5996
conceptual issues regarding role of nature vs nurture in human intelligence, 58:7185
conceptual problems relating to interaction of genetic influence & social disadvantagement, families with 4–8 yr old mentally handicapped children, 55:7384
congenital constitutional limitations & acquired constitutional changes & socioeconomic environment & criminal behavior, implications for research in crime, 58:3539
continuous reinforcement & fixed-ratio & fixed-interval schedules, operant performance, inbred mice, 53:738
contributions to analysis of Mendelian genetics during 1910–15, member of "Drosophila Group" scientific team, 57:4635
convulsive disorders, families of epileptic children, 54:1474
copulatory behavior, AKR/J & C3M/HeJ male mice, 56:5445
correlated response of male aggressiveness during selection for female aggressiveness, mice, 57:7637
cross-fostering of weanlings of alcohol-avoiding & alcohol-selecting strains, alcohol drinking, C57Bl & DBA mice & mothers, 54:11152
cycloheximide & puromycin & actinomycin & diaminopurine, protein synthesis & auditory priming, C57BL/6Bg mice, 57:5359
dark vs light rearing, emotionality & endocrine gland weights, male vs female mice from emotionally divergent inbred strains, 58:2863
Darwinism fitness, social dominance, 3 inbred strains of mice & their derived F sub 1 & F sub 2 generations, 56:254
degrees of hypothermic stress & maternal responsiveness & strain differences, signal rate & peak frequency & duration & complexity of ultrasound signaling, rat pups, 57:541
dermatoglyphic analysis of finger & palm & toe prints, hospitalized schizophrenic adults vs normal children, 55:2462
development of immunology & study of genetic factors, immunological disturbances in psychiatric illnesses, 56:6277
developmental & genetic variables, startle response habituation, mice, 53:11072
developmental patterns, seizure susceptibility, inbred strains of mice, 56:1904
developments in psychobiology, book of readings from "Scientific American", 56:1910
dextro- & levoamphetamine, self stimulation behavior in dorsal & ventral hypothalamic areas, inbred strains of mice, 58:2900
dextroamphetamine & LSD doses, strain-related differences in continuous avoidance & FI responding & relationship to behavioral baselines, male rats, 57:9893
dextroamphetamine vs scopolamine, activity before & after shock, 3 strains of mice, 55:11760
diallel analysis of selected lines, open field behavior, mice, 54:2453
diallel cross analysis, genetic determinants of copulatory behavior, rats, 54:496
diallel cross analysis, inheritance of avoidance behavior, inbred strains of mice, 53:8936
diazepam & strain differences, avoidance responses, male rats, 58:7100
dietary tryptophan, selection of ethanol or water, 3 strains of rats, 54:7032
differences in emotional reactivity, reactive vs nonreactive strains of rats, 55:3832
discrimination learning performance, mice genetically selected for high vs low blood pressure, 53:690
discrimination of male field cricket's species specific & stereotyped calling songs, conspecific vs hybrid female crickets, 58:504
distributed vs massed electrical brain stimulation, kindling rates & rekindling rates 3 wks later, inbred mice, 56:5594
dosage & chronicity & genetic & experiential predispositions, euphoria & dysphoria & paranoid & schizophreniform psychosis as progression of clinical syndromes associated with cocaine use, 54:3342
durable partial reinforcement effect & social dominance, inbred mouse strains, 53:11292
E. Kraeplin's dichotomy of endogenous psychoses & E. Bleuler's psychogenetically oriented explanation & symptomology & nosological characteristics, historical process of concept of schizophrenia, 53:3335
early postweaning environmental enrichment, open field behavior, wild & domestic Norway rats, 55:292
educational equality & individual mental ability differences & genetics, 57:6646
EEG & neurological & biochemical & pregnancy & birth & genetic research factors, childhood hyperkinesis, 56:918
EEG recordings before & during & after audiogenic seizures & chemoconvulsive seizures with picrotoxin or thiosemicarbazide, inbred mice susceptible to audiogenic seizures vs resistant to them vs acoustically primed, 56:9477
electrical stimulation of trapezoid body vs medial lemniscus vs raphe nucleus vs 5th nerve of spinal tract & breeding for high or low rates of escape from noise, escape rates, rats, 58:9069
electrophoresis of platelet monoamine oxidase, schizophrenic & manic depressive patients, 57:5963
embryonic exposure to testosterone propionate, heritable traits of tonic immobility & flocking & distress calling, chickens, 58:11324
emergence & socialization of sex differences in early years & genetic & environmental determinants, literature review, 58:758
emotional & exploratory behavior & general activity & aggression & learning of leverpress response, normal vs Chediak-Higashi syndrome mice, 55:6361
emotionality & activity & sociability & impulsivity, temperament theory of personality development, 2–6 yr olds & same-sex fraternal twins & their parents, 57:8038
emotionality, evaluation of differences, reactive vs nonreactive strains of rats, 55:3828
environment & innate disposition, individual development, 54:4978
environment vs heredity controversy, IQ, book, 54:1127

environmental & genetic factors, concordance rates for unipolar & bipolar illnesses, monozygotic vs dizygotic twins, 57:12868
environmental & hereditary & physical factors, psychological disorder development, vulnerable children, 53:5452
environmental experience vs genetic factors, individual variation in language skills, monozygotic vs same-sex dizygotic twin pairs vs their siblings, 56:9681
environmental factors & genetic analysis, inconsistency & unrepeatability in responses to neuroticism scale, monozygotic & dizygotic twins, 56:3582
environmental factors, performance in active & passive avoidance situations, inbred male mice, 55:11574
environmental vs genetic factors, dichotic listening & speech laterality, families, 54:4516
environmentalism & hereditarianism, biological basis of human equality, 53:2526
epigenetic view, conceptual issues in study of animal behavior, book, 58:4858
erythrocyte catechol-0-methyl transference activity, 15–70 yr old patients with primary affective disorders vs normals vs selected relatives, 56:6148
erythrocyte 2,3-diphosphoglycerate level, development of leverpressing behavior, 2 strains of rats, 54:11154
estradiol benzoate plus progesterone ovariectomy & estrus, open field activity & defecation as measure of emotionality, female Maudsley Reactive vs genetically heterogeneous rats, 56:9484
ethanol, locomotor activity, male C57BL/6J vs BALB/cJ mice, 54:11255
ethanol received transplacentally & via mother's milk, predatory behavior, mice offspring from predatory & nonpredatory strains, 58:3043
ethanol vs morphine sulfate vs sodium amobarbital, tolerance & cross tolerance, different strains of mice, implications for role of dispositional factors, 58:7094
etiologic determinants, albinism associated with schizophreniform psychosis, pedigree study of family of Yemenite-Jewish descent, 57:10400
etiological factors, manic depressive psychoses, 57:5993
evolution & genetics & intelligence & group differences, human diversity, book, 57:4622
evolutionary significance of assortative mating, males & females of 2 chromosome forms of mole rat, 58:4911
eye color & sex, children's behavior, implications for educational planning, book, 56:7597
factor analytic-genetic approach, relationship between morphology & consummatory behavior, mice, 58:11124
familial & genetic data, genetic heterogeneity theory & familial risk for schizophrenia & outcomes, paranoid vs hebephrenic schizophrenia, 56:838
familial distribution, inherited susceptibility to spontaneous & primed audiogenic seizures, mice, 53:11071
familial incidence of psychiatric illness & morbidity risks, patients with bipolar & unipolar & schizo-affective illness & their 1st- & 2nd- & 3rd-degree relatives, 58:11850
familiarizing preexposure to intruder's odor with vs without social interaction, postexposure aggressive behavior, wild vs laboratory-bred male mice, 58:8948
family characteristics & genetics, alcohol & nicotine & sex differences as factors in moral disorders, children in corrective institutions, Czechoslovakia, 54:1361
family environment, intelligence, twin data from prewar Russia, 53:11073
family genetics & personality predisposition & treatment, enuresis & encopresis, children, 53:7818
family history of psychiatric illness & demographic & historical characteristics & clinical course & presentation, manic nonresponders & responders to treatment, 54:9902
family history, X linkage transmission mode, manic-depressive patients & their 1st-degree relatives, 53:9767
family patterns & genetics, specific reading disability, children & their families, 56:6229
family pedigree paradigm, fingerprint formation traits, families, 57:551
favorableness of surroundings & IQ & therapy effectiveness & hereditary factors, recovery or improvement of neurotic disturbances, 9–13 yr followup study, 54:1528
fertility of heterozygous carriers of schizophrenic gene, schizophrenia, 55:4707
fertilized ova transfer between alcohol preferrers & avoiders, alcohol selection of offspring, 2 strains of mice, 56:5577
floor texture, open field behavior, selected lines of mice, 56:5511
food deprivation, running wheel activity, adult male wild vs domestic rats, 58:11065
food preferences & sensitivity & mating & aggression & emotionality & learning & activity, strains of hybrid mice, implications for gerontological research, 57:473
food restrictions & mutations, norepinephrine levels in hypothalamus & telencephalon, genetically obese mice, 58:11123
food-hole competition vs labor-division situation, genetically selected winner runway vs loser runway rats, 55:11587
food-motivated behavior, genetically obese hypothalamic-hyperphagic rats & mice, 53:4634
foster father's phenotype, development of social behavior, male A/J & C57BL/6J1 mice, 58:4906
French & English nosologic differences, genetic etiology of chronic delusions & their inclusion in classification of schizophrenia, families of patients with chronic delusions, 58:11798
frequency-dependent sexual selection, comparison of strains of Drosophila melanogaster, 55:3926
Freud's theories regarding heredity vs findings from experimental literature, 57:7111
genetic & behavioral & neuropsychological analysis, relationship between lateral preference & hemisphere lateralization & reading, 56:3550
genetic & biochemical & pharmacological correlates, priming responses, mice selected for susceptibility vs nonsusceptibility to audiogenic seizures, 58:11170
genetic & constitutional factors & early experience, risk & mastery, children, 53:4858
genetic & cultural differences & biculturalism as models of cultural interaction, sex role education, 53:8292
genetic & environmental & covariance & measurement error components, kinship correlational structure additive model, 54:11153
genetic & environmental considerations, rehabilitation of chronic schizophrenics, 53:7529
genetic & environmental factors in hydroxylating microsomal enzymes, plasma levels of imipramine & clinical outcome, patients with unipolar affective illness, 58:12165
genetic & environmental factors, growth & development, Awassi sheep, 56:1849
genetic & environmental factors, type A behavior related to coronary-prone behavior, monozygotic vs same-sexed dizygotic college age twins & their parents, 57:5911
genetic & environmental factors, IQ & achievement test performance, Black & interracial children adopted by advantaged White families, 57:7996
genetic & environmental variables in schizophrenia, reply to L. S. Benjamin's criticisms, 57:3462
genetic & experimental acoustic deprivation, auditory similarities, mice, 54:6838
genetic & maternal influences, docility, voles, 53:11069
genetic analysis, active avoidance performance, male mice, 54:6927
genetic analysis, analytical spatial ability on Raven's Progressive Matrices, family members, 53:504
genetic analysis, isolation-induced fighting behavior, male mice, 53:8935
genetic analysis, morphine-induced running & analgesia, male mice, 54:4780
genetic analysis of parent-offspring resemblance for specific cognitive abilities, American families of Japanese vs European ancestry, 56:3580
genetic analysis, open field behavior, mice strains, 57:9711
genetic analysis, phototactic behavior, Drosophila melanogaster, 55:3916
genetic analysis, serotonin role in alcohol preference, mice, 55:6421
genetic analysis, shock-induced motor activity changes & adrenal lipid depletion & brain weight, mice, 56:3647
genetic analysis, water escape behavior, 3 strains of mice, test of major-gene hypothesis, 57:549
genetic analysis, water maze discrimination learning, male mice of recombinant inbred strains & their progenitor strains & reciprocal F sub 1 hybrids, 54:11148
genetic antecedents, prosocial behavior, Passeriformes, 54:503
genetic aspects of lithium concentration ratio in blood cells & in plasma, manic depressives treated with lithium, 57:10515
genetic aspects of psychophysiological variables, 57:546
genetic aspects of unchangeable core, psychotherapist's personal view, 54:9713
genetic basis, sexual receptivity, yellow mutant Drosophila melanogaster females, 56:3581
genetic component in transmission of human handedness, literature review, 57:7642
genetic components of IQ, book of critical readings, 57:5510
genetic composition, differences in mating propensities, flour beetles & houseflies, 55:3927
genetic control, biometrical genetic analysis of activity & preening & response to shadow stimulus, Drosophila melanogaster, 53:8934
genetic correlates & sex differences, Holtzman Inkblot Technique responses, mono- & dizygotic same-sex & dizygotic opposite-sex college student twin pairs, 56:747
genetic correlates & sex differences, Holtzman Inkblot Technique responses, twins, discussion of article by D. G. Rice et al, 56:9956
genetic determination in cortical auditory evoked potential, pairs of adult male twins, 55:3967
genetic differences, morphine effects on locomotor activity & morphine tolerance & dependence, 4 strains of mice, 54:9150
genetic differences, stereospecific binding of naloxone & analgesic response to morphine, mice, 55:2062
genetic divergence & IQ correlations, normal siblings of phenylketonuria patients, 53:1317
genetic diversity & individual differences, review of research in behavior genetics, 53:6762
genetic epistemology of J. Piaget, historical background & influence, 53:12
genetic factors & childhood bereavement & premorbid personality traits, patients with anancastic endogenous depression, 55:7325
genetic factors & family dynamics, mental deficiency & behavior disorders in children, 54:12087
genetic factors & predisposition, epilepsy, 56:4341
genetic factors & role of environment, etiology of schizophrenia, implications for treatment & prevention, 57:10425
genetic factors, duration of copulation, eastern & western Drosophila athabasca, 54:11150
genetic factors, early infantile autism & childhood schizophrenia, 57:10449
genetic factors, hyperactive child syndrome, 54:12107
genetic factors in transmission of schizophrenia, criticism of statistical logic employed in study by S. S. Kety et al, 57:3433
genetic factors, individual differences in learning task performance, adolescent like-sexed fraternal & pairs of identical twins, 56:1949
genetic factors, intermale aggressive behavior, inbred mice, 56:5525
genetic factors, IQ variance, twins, 56:284
genetic factors, mental illness & psychiatric treatment, children of women treated for puerperal psychosis, 1872–1962, 53:9822
genetic factors, selective breeding for acoustic priming, mice, 57:7628
genetic hypothesis & environmental factors, psychiatric morbidity & families of schizophrenics, 55:4747
genetic influence, maturation of nervous system function, mice, 57:9723
genetic influence, placentophagia, nonpregnant nulliparous female mice, 53:8938
genetic influence, water & saccharin & sucrose consumption, heterogeneous & inbred mice, 56:3542
genetic influences, frustration effect measured by goalbox activity differences following nonrewarded & rewarded trials, rats, 56:257
genetic influences, organization & development of personality, twins studied at adolescence & at 27.9 yrs of age, 58:7262
genetic influences vs psychoenvironmental continuity, 27 yr old adopted biological male transsexual, 55:7333
genetic lines of origin & presence vs absence of pigmentation in retinal oil droplets & pigmentation manipulation by raising parents on carotenoid-free diet, color preferences, Japanese quail, 57:9710
genetic linkage between group-specific component & pure depression, members of complete 2-generation families, 58:11852
genetic loading for schizophrenia, drug dependence as substitute for schizophrenia, 15–30 yr old heroin addicts, 57:5945
genetic mechanisms vs recent excessive drinking, positive reactions to foodstuffs, male alcoholics recently hospitalized for detoxification vs abstinent members of Alcoholics Anonymous, 53:5649
genetic models employing varying thresholds on genetic/environmental continuum, transmission of unipolar & bipolar affective disorders, relatives of healthy Ss & of patients with unipolar & bipolar disorders, 57:12895
genetic origins & motivational aspects of memory in psychoanalytic terminology, 57:7121
genetic predisposition, psychic stress-induced hypertension, rats, 56:5514
genetic selection for blood pressure extremes, aggressive social interaction, mice, 53:11040
genetic selection for high vs low rearing response frequency, development of reflex responses, behavioral components & jumpiness & left-right discrimination, inbred strains of mice, 58:4915
genetic selection for high vs medium vs low brain weight, development of learning & memory in avoidance conditioning paradigm, mice, 58:4910
genetic spectrum concept of schizophrenic disorders, 55:7314
genetic studies of schizophrenia, review, 55:9982
genetic study, aggressiveness, 2 subspecies of Apis mellifera, 54:2459
genetic study, incidence of affective disorders, 1st-degree relatives of bipolar depressives, 56:10022
genetic study, 5–16 yr olds with benign epilepsy of childhood & centrotemporal EEG foci & their full parents & siblings, 54:9054
genetic theory of social behavior, challenge to ethology & sociobiology, 57:12230
genetic variance, learning ability, bees, 55:3876
genetic variation, development of brain & behavior during middle postnatal period, inbred strains & 3 F sub 2 hybrid crosses of mice, 55:299
genetic variation in social skills & personality adaptiveness & psychosis, 56:6144
genetic vasopressin deficiency, active & passive avoidance, rats with hypothalamic diabetes insipidus, 58:531
genetic vs environmental determinants, extraversion & sociability & impulsiveness, adult twins, 54:7622
genetic &/vs environmental influences, schizophrenic etiology, literature review, 53:1367
genetic vs hypothalamic obesity, feeding behavior & water intake & caloric intake regulation, rats, 53:545
genetic vs no counseling, parents of children with cleft lip or palate, 53:10239
genetically determined age-dependent deficit in brains, susceptibility to seizures, mice, 54:6923
genetically inherited behavior patterns in higher vertebrates & man, book, 53:8541
genetics & environment, analysis of schizophrenia, 53:3310
genetics & environment, theory of equality of opportunity & endowment & education, 57:6641
genetics & species characteristics & predation experience, predation, mammals, literature review, 55:11598
genetics, discussion of capacity for adjustment & education, 53:4260
genetics instruction, cognitive characteristics thought to be involved in genetics learning, high school students, 55:5549
genetics, intelligence differences, blacks & whites, discussion of A. R. Jensen's hypothesis, 56:5794
genetics of handedness, criticism of J. Levy & T. Nagylaki's model, 54:11149
genetics vs environment, intelligence, 54:4980
genetics vs environment, schizophrenia, monozygotic twins discordant for schizophrenia, literature review, 55:9995
genotype-environment interaction & correlation, behavioral genetic studies, 58:4913
genotype/environment interaction, neuroticism, adult monozygotic vs dizygotic twins, 57:7629
Gottschaldt test measurement, performance similarities & differences, monozygotic & dizygotic twins, 54:4699
gregarious contact & aggressive behavior, domestic vs wild rats, 53:2795
handedness & sex-linked genetic effects, spatial performance, high school students, 55:3614
hereditary & environmental aspects, endogenous psychoses, 53:1339
hereditary diabetes insipidus, vasopressin effects on memory deficit using passive avoidance test, male rats, 55:365
hereditary disposition & early traumas & relationship problems, psychology of rape, 58:11879
hereditary dispositions, lateral preferences, 13–35 yr old monozygotic twins, 57:7317
hereditary proneness to schizophrenic disorder development, identification of genetically influenced traits, 54:7806
heredity & genetics & evolution & contemporary society, textbook, 56:5465
heredity & intelligence, application of quantitative genetics to animal & plant breeding & social issues, 55:9149
heredity & personality traits, application of K. J. Holzinger's index of hereditary determination to 16PF data, 15–25 yr old identical & fraternal twins, 58:2808
heredity, alcoholism, book, 56:848
heredity, anxiety & introversion–extraversion, attitude toward & consumption of alcohol & cigarettes & coffee, 16–31 yr old monozygotic & dizygotic twins, 53:512
heredity, development of antisocial personality, 18-yr-old offspring of female offenders adopted in infancy, 53:9838
heredity factors, criminality, 54:3396
heredity, thought concordance & ESP ability & associated personality variables, sets of siblings vs identical vs fraternal twins, 56:4
heredity vs environment, intelligence, adopted children, critical literature review, 55:542
heredity vs environment, social class & ethnic differences in intelligence, 54:4971
heredity vs environment vs volition as change forces, Christian & humanistic vs behavioristic & Freudian views, 56:8922
heritabilities of age at menarche & menstrual interval & flow duration, mothers & daughters, 56:251
heritability & degree of dominance, selection for geotaxis, Drosophila, 56:5530
heritability & malleability, human intelligence, 54:816
heritability & phenotypic variations, runway test responses as measures of emotional reactivity, rats, 57:5022
heritability analysis, individual & group differences in behavioral traits, 54:11367
heritability estimates for taste preferences, 9–15 yr old black vs white monozygotic & like-sex dizygotic twins, 54:6924
heritability of hypnotic susceptibility & relationship to personality & physiological & EEG variables & construct validity of fluidity, college-age monozygotic & heterozygotic twins, 55:9171
heritability of mental test performance, male vs female monozygotic vs dizygotic twins, 57:2614
heritability of personality traits, factor analysis of California Psychological Inventory, fraternal & identical twins, 56:5179
heroin alone vs in combination with amphetamine or strychnine or ethanol, locomotor activity, 2 inbred strains of mice, 58:11235
hexobarbitone sleeping time, susceptibility to mescaline, different strains of mice, 55:2090
high- or low-fat diets & cross fostering, factor analysis of behavioral & morphological measures of obesity, genetically heterogeneous mice, 58:2865
high vs low alcohol preference, neurochemical & cholinergic correlates, 2 strains of mice, 57:550
hippocampal stimulation duration, reminiscence, 2 strains of mice, 56:337
hippocampal stimulation, passive avoidance, 2 strains of mice, 56:340
human genetics research in biological psychiatry, etiology & psychopathology of psychoses, 58:11827
human red blood cell catecholomethyl transferase activity, monozygotic vs dizygotic twins, 56:9411
hypoxia & ECS, retrograde amnesia for 1-trial passive avoidance, 2 rat strains, 54:2464
importance of clinical psychiatric genetics, diagnosis of atypical manic depressive psychosis case, 56:10001
inability of kidneys to respond to exogenous & endogenous antidiuretic hormone, polydipsia & polyuria, SWR/J mice, 54:11169
inbred & hybrid strain differences & age, escape behavior, rats at 30 & 60 & 90 days of age, 53:506
inbred group & sex & number of trials & illumination condition, open field elimination & mode of inheritance of emotionality, inbred & hybrid mice, 57:2618
incidence of schizophrenia among relatives & nonspecific genetic & exogenous prenatal & perinatal factors & postnatal traumata or illnesses, early manifestation of schizophrenia, genealogical study of relatives of childhood schizophrenics & clinical-statistical analysis of schizophrenic children & adolescents, 58:3482
inclusion vs exclusion of severely retarded twins from sample, genetic factors in infant mental development, monozygotic & same-sex dizygotic twins, reappraisal of P. L. Nichols & S. H. Broman's conclusion, 57:8011
incubation in vitro, red blood cell lithium ion concentration, monozygotic & dizygotic twin pairs, 53:4701

induction & eduction times for halothane anesthesia, recombinant inbred & progenitor strains & reciprocal F sub 1 hybrids of mice, 53:11172
inheritance, lateralization & behavior, review, 56:3567
inheritance of & environmental influence, intelligence & differential fertility & reproduction of intelligence groups, review, 54:9053
inherited uterine inadequacy leading to mental retardation, offspring of maternal aunts of retarded probands, 57:8489
injection & selection & consumption of 10 percent solution of 1, 2-propanediol & 1-propanol, open field activity, high- vs low-ethanol selecting strains of mice, 56:7542
interaction of lower social class & genetic vulnerability & stress, etiology of schizophrenia, 57:1343
interpretation of heritability & its lack of implications for social issues & policy, criticism of A. Jensen's theory, 56:7734
intertrial interval, acquisition rate in Y-maze learning task, C57BR vs C57BL/6 vs BALB/c male mice, 56:7371
intra- vs interregional differences, activity & defecation & climbing latency & jumping in open field & temperature preference & cold & heat stress & nest-building, offspring of wild mice, 53:513
intracisternal & hypnotic doses of salsolinol, locomotor activity, mice selected for sensitivity to alcohol, 58:11236
intrahippocampal methylscopolamine, exploratory behavior, lines of mice selectively bred for frequent vs less frequent rearing responses, 54:4769
intrapair comparisons, environmental factors in schizophrenia, monozygotic twins, 53:5488
intraventricular infusion of norepinephrine, differential behavioral responsiveness, inbred Buff vs F344 strains of rats, role of catecholamine receptor sensitivity, 54:11210
IQ controversy, review & evaluation of 3 theses, 53:7440
IQ correlation, children with Down's syndrome & normal 1st degree relatives, 57:10569
issues in psychiatric genetics, transmission of schizophrenia & research strategies, 58:2816
large vs small space behavior, Cura foremanii vs Dugesia tigrina planarians, 53:785
level of acid detergent fiber & normal vs deficient phosphorus diets & diethylstilbestrol & microencapsulation to increase aversive agent acceptance, feeding behavior & intake, wild Polynesian vs laboratory rats, 58:611
levels of increased population & decreased cage size, blood plasma corticosterone, CF-1 passive & CFW aggressive male mice, 55:348
light intensity, voluntary exposure to light, young & aged albino & pigmented inbred male mice, 55:300
lithium carbonate, locomotor activity & plasma & red blood cells & cortex concentrations, male inbred mice, 58:716
lithium during illness vs remission phase, clinical effectiveness, manic depressives with hereditary indications of psychosis, 58:1698
luminosity curves, 18–27 yr old Class I vs Class II males with normal vision, 57:4865
lymphocyte-antigen distribution, schizophrenics vs normals, 53:3273
maintenance of conditioned avoidance response, rats heterozygous vs homozygous for diabetes insipidus, 57:548
male mating speed as component of fitness, Drosophila, 53:8940
male odor discrimination, reproductive mechanism in speciation, estrous vs diestrous females of 2 chromosome forms of mole rat, 58:4912
malnourishment prior to mating & during pregnancy, learning deficits & biochemical effects in 2nd generation offspring, rats, 55:362
man as creature, early cultural development & social Darwinism & heredity & environment & evolution & language, book, 53:4251
maternal cannibalism, emotionality, BALB & C57BL mice, 53:6938
maternal effects, psychoticism & extraversion & neuroticism, mothers & maternal grandparents & children, 53:507
maternal effects vs heterosis vs genetics, Lashley III & Y-water maze learning, male recombinant strains & their progenitor strains & their reciprocal F sub 1 hybrids of mice, 54:9055
mating activity, male vs female homokaryotype strains of Drosophila persimilis, 54:502
mating in presence of light vs in dark, Drosophila pseudoobscura lines selected for positive or negative phototaxis, 53:511
mental arithmetic & RT tasks & rest, stimulus-response & individual-response specificity of heart rate & skin conductance & respiration, monozygotic vs dizygotic twin pairs, 58:11120
mental depression & parkinsonism & brain taurine deficiency, inherited neuropsychiatric disorder, 3 successive family generations, 54:3496
mescaline, open field activity & emotional defecation, 7 different strains of mice, 57:771
methanol & butanol & sodium pentobarbital & ether & chloral hydrate & trichlorothanol & paraldehyde & n-butanol, genetic selection for differences in sleep-time after ethanol administration, mice, 57:2739
method for analysis of genetic basis of covariation, application to twin data on covariation between mental abilities, 53:501
methods & results of family & twin & adoption studies of childhood behavior disorders & crime & alcoholism & psychopathic personality & neurosis, clinical types of depression, 55:12444
model of hereditary transmission of schizophrenia involving 2 pairs of autosomal alleles, 55:7304
modifiability & heritability of reflection-impulsivity as measured by Matching Familiar Figures, 4 yr old identical twin & 3–6 yr old twins, 54:9056
morbidity in parents & siblings, genetic investigations of atypical psychoses, 57:3485
morbidity risk & genetic transmission data, bipolar & unipolar & schizo-affective patients & their relatives, 58:11845
morphine- & heroin-induced running activity & analgesia & tolerance, inbred strains of mice, 53:6859
morphine, avoidance behavior, selectively bred strains of rats, 58:11346
morphine, dopamine & apomorphine-stimulated adenylate cyclase activity & in vivo cycle 3,5-adenosine monophosphate formation & running, C578 vs L/6J vs DBA/2J mice, 57:2804
morphine, nigrostriatal neurons & locomotor responses, C58 vs DBA male mice, 57:7769
morphine sulfate, response category, thresholds to increasing intensity of footshock presentation, Wistar vs Fisher strain rats, 53:11156
multifactorial model of inheritance, REM narcolepsy, 57:1489
multivariate discriminate analysis of behavioral measures, healthy vs genetically nervous dogs, 58:8702
natural selection & inbreeding & habitat in controlled reenactment of domestication process, behavioral differences, wild house mice, 54:4698
nature–nurture controversy, IQ, review of A. R. Jensen's thesis, 54:2460
nature-nurture debate, speech development stages in language acquisition process, children, 57:907
need for analysis of environment & behavioral conditions, determination of drug effects on behavior & role of genetic factors, 54:2470
neonatal testosterone injection, open field behavior, C57BL/6J & BALB/cJ & reciprocal F/1 hybrid mice, 58:5025
neurology & psychoanalysis & psychiatry & genetic psychology, body image, 54:5322
new-object & new-place reactions in maze, 2 strains of laboratory rats vs commensal Rattus norvegicus vs indigenous Australian rats, 58:2778
nicotine, discrimination learning & consolidation & learned behavior, inbred strains of mice, 58:9110
nicotine, exploratory locomotion patterns, female Roman high- vs low-avoidance rats, 56:7493
nicotine, 2-way avoidance conditioning, bidirectionally selected strains of rats, 54:7000
nontasting gene frequency & taste thresholds for phenylthiocarbamate, Indian & Turkish & English adults & children, 53:8933
number of exposures to manual restraint & response durations & strain differences, habituation of tonic immobility, chickens, 57:2573
open field behavior, muroid rodent species & reciprocal crosses, 57:9585
operant discrimination learning & operant bar pressing rates, inbred & heterogeneous mice, 53:8939
optic enucleation, open field activity, different strains of mice, 55:6500
parameter of ambient & cold stress & signal duration & strain differences, ultrasonic recording for mean peak frequency & duration & signals rate, 53:667
parental colony differences, mouse-killing rates & handling characteristics & activity & discrimination task learning, male rat offspring, 56:9281
parental mental illness & genetics & familial factors, etiology of schizophrenia, 54:1317
parent-child correlations for stature & weight, parents & school age children of European vs non-European ancestry, 57:7645
parent-child correlations of stature, Black vs White 6–12 yr olds & their parents, 57:12484
parents' consumption of ethanol, audiogenic seizures at 28 & 45 days old, inbred strains of mice, 57:12439
patterns of heritability of personality traits & development, adolescent twins tested 12 yrs later, longitudinal study, 57:10007
pentylenetetrazol-induced retrograde amnesia, brain seizures, 3 strains of mice, 53:9121
personal & family handedness, WAIS & cognitive factors test performance, right vs mixed vs left handed college students, analysis with respect to J. Levy's theory of hemispheric specialization, 57:11839
phenobarbital during pregnancy, operant behavior of offspring, C57BL/6J mice, 57:784
photo- & geotactic behavior, 4 strains of Drosophila persimilis, 54:2458
phototactic responses along gradient of light intensities, isofemale strains of Drosophila melanogaster & simulans, 53:11074
phylogenetic analysis, dominance behavior, male mice, 54:2456
physiological predisposition & chromosome & genetic factors, etiology of schizophrenia, 55:2473
physostigmine & scopolamine & sensory stimulation, short term memory & genetic differences in performance assessed by cholinergic enzyme activity, male mice from inbred strains, 58:722
polygenetic environmental stress model of schizophrenia & manic depression & schizo-affective psychosis, 58:11847
polygenic & environmental model contexts, review of data on parent-offspring resemblances, 57:879
polygenic inheritance of epilepsy & febrile convulsions, analysis based on E. Slater's computational model, patients, 57:8565
population vs individual genetics, intelligence, blacks vs whites, 54:5094
posttrial pentylenetetrazol & strain & age, shuttle avoidance learning, mice, 56:7496
precipitating environmental factors, children of 1 or 2 schizophrenic parents, role of genetics in vulnerability to schizophrenia, 57:8386
prenatal crowding & rebreeding, postpartum maternal behaviors & maternal/offspring visual exploration & social & open field behavior of offspring, rats, 58:4892
presence vs absence of hereditary left handedness in family, visual cerebral dominance in language processing, right vs left handed junior high school students, 57:9488
presurgical rearing & strain, effects of septal lesions on behavior, male mice, 55:392
prevalence of schizophrenia, biological & adoptive families of schizophrenic adoptees, 57:8400
preweaning behavioral development, golden vs Chinese vs Djungarian hamsters, 56:9272
prior handling & food size, feeding latencies, Cura foremanii vs Dugesia tigrina, 53:663
prior heterosexual & unisexual contact & low- vs high-mating lines, mating behavior, male chickens, 53:2789
proband- sibling vs within sibling correlations between IQs, independent transmission of IQ & schizophrenia, adult schizophrenics, 56:10024
protein synthesis inhibition & acetylcholine-acetylcholinesterase synthesis & amino acid doses, involvement of genetic apparatus in memory phenomena & learning, rats, 57:2688
psychiatric illness on paternal & maternal sides, cases of reactive psychosis, support for polygenic transmission, 56:8125
psychobiological & cultural determinants of food preferences, rats & humans, 58:568
psychological & biological changes & mental functioning & genetic factors & mortality & individual differences, aging, 54:5067
punishment & role of CS, species-specific defense reactions in escape-from-fear situation, rats, 58:8878
race & class & genetic factors & intelligence, IQ controversy based on A. R. Jensen's theory, 55:4237
race & sex & social class & familial component & psychological correlates, handedness & eye dominance, White vs Black child sibling pairs & half-sib pairs & twin pairs, 58:772
rearing by natural parents vs reciprocal cross-fostering to parents of opposite species, species odor preferences, southern grasshopper vs white-footed mice, 58:8908
rearing by schizophrenic parent & genetic background for schizophrenia, RT performance, adopted offspring of schizophrenic vs nonschizophrenic parents vs Ss with schizophrenic adoptive parents vs offspring of schizophrenic parents, 55:858
rearing in light vs dark vs light-&-dark cycle, mating speed, Rochester vs Salvador strains of flies, 57:7638
rearing with dominant individual, socially induced inhibition of genetically determined maturation, platyfish, 58:2798
reciprocal differences in origin of Y chromosome, aggressiveness, male mice of 2 strains & their reciprocal hybrid offspring, 55:11611
regular & repeated separation of mother from young & adoption by other mothers, maternal behavior & litter development, inbred mice, 57:9576
replacement of familiar container with novel container, food-container avoidance as index of neophobia, wild vs laboratory strains of rats, 56:256
research & education & public policy, heredity vs environment in intelligence, blacks, significance for testing, 53:6253
retinal degeneration, visual sensitivity to orientation of rectangles, inbred male mice, 56:5469
role of heredity, stuttering, critical reexamination of literature, 58:5646
sampling bias concerning sample size & mean IQ & variance of IQ scores, genetic studies of genius, 55:3486
scent marking & olfactory investigation & isolation-induced fighting, male rats from 5 strains, 57:5078
schizophrenia as disorder of tryptophan metabolism, review of biochemical & genetic studies, 55:2446
scientific & geographical & Jewish-background, attitudes toward Jensen's genetic thesis of genetic basis for Negro–Caucasian intelligence difference, American Psychological Association members, 53:3188
scopolamine & dextroamphetamine, locomotor activity before & after shock, 3 strains of mice, 58:11225
scopolamine & dextroamphetamine, ontogenetic variations in locomotor activity, inbred strains of mice, 57:12419
scopolamine, activity level & shock-induced suppression & spontaneous alternation behaviors, A/J vs DBA/2J vs C57BL/6J mice, 55:4074
scopolamine hydrobromide & dextroamphetamine sulfate in water approach task following stimulus pre-exposure, habituation of locomotor activity, mice of different strains, 58:665
scopolamine vs dextroamphetamine & strain differences, active avoidance, mice, 56:5636
scopolamine vs dextroamphetamine vs methyl-para-tyrosine vs FLA-63, locomotor activity & spontaneous alteration, 3 strains of mice, 56:1999
scopolamine vs dextroamphetamine, avoidance responses, 3 strains of mice, 55:11759
scopolamine vs dextroamphetamine, 1-way shuttle & inhibitory avoidance, 3 strains of mice, 57:703
selection for high & low brain weight, performance characteristics of maze learning, mice, 57:9716
selection of high-risk parents in control group, bias against genetic hypothesis in adoption studies of psychopathological disorders, 56:6121
selective breeding for differences in reactivity to alcohol, approach to animal model of alcoholism, rats, 57:12420
selective breeding for differential sensitivity to ethanol, adrenocortical response to ethanol & histamine & electric shock, mice, 56:5678
selective breeding for long vs short sleep times, alcohol withdrawal reactions after ethanol exposure, mice, 55:4110
selective breeding, learning & exploratory behavior, mice, 53:514
sensitivity analysis, estimating heritable component of behavioral traits, monozygotic vs dizygotic twins, 53:6761
serum creatine phosphokinase activity, pairs of monozygotic twins discordant for schizophrenia, implications for genetic control, 57:1353
sex & family history of left handedness, hand preference, college students, 55:9090
sex & similarity of diagnosis & disorder development & therapeutic outcomes, psychoses in parents & children & siblings, hospitalized patients & families, 58:7678
sex & strain differences & castration, latencies in leverpress shock escape behavior, Wistar albino vs Long-Evans hooded rats, 57:9771
sex & strain, mouse killing & carrying, Maudsley reactive vs nonreactive vs Long-Evans rats, 55:6344
sex differences, emotional or fear responses during open field testing, mice strains, 58:11119
sex-linked major-gene influences, spatial performance, high school students, 54:2462
sexual & aggressive behaviors, inbred mice strains, 57:7644
shock intensity & auditory vs visual vs no-discrete stimulus, sensory responsiveness & avoidance learning, 5 strains of rats, 57:5064
shock object discriminability, duration of instrumental avoidance & conditioned emotional response periods in passive avoidance, hooded vs albino rats, 57:12139
shock stress, motor activity & monoamine turnover rate, male Fisher vs Sprague-Dawley rats, 58:643
shock-induced fighting, serum dopamine-beta-hydroxylase activity & blood pressure, genetically normotensive vs hypertensive rat strains, 53:2568
short exposure to enriched environments, differential increases in food-seeking task performance, different strains of mice, 57:12203
sib-pair method, genetic linkage in depression spectrum disease, unipolar depressives with family history of alcoholism or antisocial personality, 58:11853
simultaneous availability of multiple illumination choices, illumination preferences, albino vs hooded rats, 55:3851
single gene substitution, courtship & mating patterns, inbred lines of Drosophila melanogaster, 56:3596
single vs multiple methadone doses, open field activity & brain monoamines, C57 vs DBA male mice, 57:7809
social & academic variables & genetic model of family history, psychiatric illness prevalence & incidence & prediction, college students, 55:12437
social & biological interpretation of human history in sociology & psychology, 58:8553
social & genotypic aspects of open field activity, defecation scores, mice, significance for social facilitation, 58:502
social class & exposure to potentially traumatic environmental influences & speech disturbances in relatives, severe vs moderate language impairment, 3–8 yr olds with diagnosis of delayed speech, 53:9888
social isolation & strain differences, genetic effects on behaviors related to solution of detour learning task, purebred lines of quail, 57:7640
spatial ability scores in elementary & high school, students, longitudinal study, 54:497
spatial dominance & success in obtaining preferred foods, cichlid vs centrarchid fishes, 58:526
spatial habit reversal, sea lions vs bottlenose dolphin, 53:672
species limitation to schedule-induced polydipsia, male golden hamsters, 54:9051
species preference following periods of infant social experience with 1 or more of 3 species, macaques, 57:2595
statistical approach, genetics & intelligence interaction, review, 53:4601
statistical differences in mean IQs, combination of data from 4 studies of monozygotic twins reared apart, reply to criticism of M. Schwartz & J. Schwartz, 57:7958
statistical power & population comparisons & sample size, heritability & genetic correlation, 53:509
strain & age & ambient temperature, food & water intake & body weight, ACI/Mai vs Fischer 344 rats, 57:7639
strain & aggregation & illumination, motility after amphetamine, male mice, 53:11168
strain & castration & restraint & sex hormones, survival time after subjection to lethal heat stress, male vs female mice, 55:4020
strain & number of inescapable preshocks, escape-avoidance responding, female rats, 54:717
strain & sex & deprivation & handling & session factors, VI responding & discrimination & discrimination reversal, wild vs domestic rats, 55:3881
strain & sex & deprivation & preexperimental handling & sessions, response rate in nondifferential appetitive VI responding & discrimination & discrimination reversal, wild & domestic Norway rats, 55:295
strain associated differences, estradiol & progesterone induction of precopulatory behavior, ovariectomized rats, 55:11689
strain differences & postnatal undernutrition, reflexes & exploratory & avoidance behavior & electrocorticographic activity & brain & body weight, 60 day old mice, 57:2693
strain differences, acquisition & extinction of fear responses, rats, 56:1944
strain differences, brain cyclic adenosine monophosphate & aggressive behavior, inbred mouse strains, 56:9382
strain differences, capacity of male urinary odors to elicit aggression, male mice, 54:2455
strain differences, diurnal rhythm of wheel running, mice, 57:599
strain differences, drinking during ad libitum feeding & food deprivation, inbred mice, 53:2529
strain differences, emotionality & tonic immobility, chickens, 57:7633
strain differences, enzyme activity in synthesis of adrenal medullary hormones or catecholamines, mice, 57:2643
strain differences, extinction of shuttlebox avoidance responding, female rats, 53:2530
strain differences, maze learning ability, Drosophila melanogaster, 56:252

strain differences, mode of inheritance of water escape learning, mice, 53:502
strain differences, norepinephrine uptake by cerebral synaptosomes, male BALB/cJ & C57BL/10J mice, 55:1994
strain differences, olfactory responses measured by olfactometer, Drosophila melanogaster, 57:7632
strain differences, pilocarpine-induced mousekilling, rats, 57:729
strain differences, reactions to cat & rabbit & box, rats, 57:9714
structural genetic defect in cerebellum & relationship to behavioral change, heterozygote Lurcher mouse, 55:1954
structure & development of neuronal network & genetic encoding of song patterns, cricket song, 53:6958
subdermal shock, elicitation of agonistic postures, Long-Evans hooded vs Sprague-Dawley albino rats, 54:6959
susceptibility to schedule-induced polydipsia, C57BL/6J & DBA/2J mice & their F/1 hybrid & 3 segregating generations of mice, 58:6985
territorial & scenting behavior differences, 4 species of male Jamaican bees, 57:9681
testosterone &/or estradiol & experiential & genetic factors, courtship behavior, budgerigars, 54:6990
testosterone propionate, aggressive & sexual behavior, female mice bred for aggressiveness or nonaggressiveness, 55:6592
theory of development stressing relationship between biological & psychological approach, reciprocity of heredity & milieu, 54:11379
theory of individual differences employing genetically-based creative & constructive logic patterns, implications for learning & education, 56:8728
transmitted factors, morbid risk of affective disorders, Jewish patients with primary affective disorders & their 1st-degree relatives & spouses, 57:12894
transplantation of neural ectoderm of mid- & hind-brain regions in amphibial larvae, transfer of preycatching & other behavior patterns, tadpoles, 57:9780
twin & family history, genetic factors in affective disorders, literature review, 57:8389
tympanic membrane perforation, development of seizure susceptibility, mice bred for spontaneous vs priming-induced audiogenic seizure susceptibility, 56:9454
types of designs for measuring social behavior, genetic experiments on social behavior, 57:7631
unilateral & bilateral inheritance, evidence for polygenicity in functional psychoses, 58:11790
unipolar depression responsive to tricyclic medication, study of 5 generations of family, 55:5158
unique prenatal environment & heredity, twin differences in measured ability, monozygotic twins, 53:499
use of shock & food deprivation as punishment, blood pressure, rats with genetic susceptibility to experimental hypertension, 58:4979
usefulness of handwriting psychology in diagnosis & treatment & relationship to socialization & hereditary & environmental factors, 57:3410
validity, genetical layer theories of thinking, 53:302
validity of diagnosis & prevalence & personality traits & genetic factors & behavior disorders, conversion disorders, literature review, 54:1324
visual stimulus luminance or motion, visually evoked eye movements, inbred & hybrid mice, 57:2542
vocalization of parental species & auditory discriminative capacity, 3 naturally occurring hybrids of treefrogs, 53:6984
water deprivation & NaCl injection & aversive taste stimuli, drinking, normal mouse strains vs mouse strains with diabetes insipidus, 57:552
water temperatures as incentive conditions, swimming times to choice point as motivation index & trials to criterion as learning measure in water maze situation, aging inbred strains of mice, 54:7102
weak artificial selection for positive & negative phototaxis & geotaxis, homeostatic drive favoring neutrality, Drosophila, 57:7641
wheel-turn avoidance learning, wild caught vs inbred mouse strains, 53:748
writing hand of biological parents vs stepparents, hand preference, college students, support for genetic theory of handedness, 56:5463
X- vs Y-linked genes, evolution of sociality, vertebrates, comment on G. Whitney's paper, 58:8971
X-linked dominant mode of inheritance & lithium carbonate treatment, manic depressive patient, 58:11807
Y-chromosome, developmental aspects of serum testosterone, DBA/1/Bg vs C57BL/10/Bg inbred male mice, 58:2868
5,6-dihydroxytryptamine & 6-hydroxydopamine & 5,7-dihydroxytryptamine & strain differences, ethanol drinking patterns, rats, 57:2771

Geniculate Bodies (Thalamus)
abnormal retinogeniculate pathways in dorsal lateral geniculate nucleus, human albino, 55:4915
acoustic stimuli, startle reflex in ponto-geniculo-occipital spikes during transition to & during paradoxical sleep, cats, 58:2818
acquisition & extinction of classically conditioned response, auditory unit activity in inferior colliculus & medial geniculate & thalamus & pretectal region & cortex, rats, 57:568
avoidance or mazes learning followed by enucleation of eyes vs lateral geniculate or occipital cortex lesions, maze & avoidance retention, male rats, 58:5002
binocular competitive interaction, development of geniculate Y cells in lateral geniculate nucleus, cats, 55:11630
brain lesions, behavioral responses to intrinsic startles producing ponto-geniculate-occipital spikes in lateral geniculate body during synchronized & paradoxical sleep, cats, 57:690
cerebellar control, electrical activity in lateral geniculate bodies & hippocampus & lateral rectus muscles of eyes during sleep-waking cycle, cats, 56:3547
chlordiazepoxide & diazepam & chlorpromazine, conditioned emotional behavior & conditioned neuronal activity & limbic & hypothalamic & geniculate regions, male rats, 54:7067
conditioned photic stimuli, visual evoked responses of lateral geniculate nucleus, cats, 57:565
differential conditioning & reversal of tones, neural activity in medial geniculate nucleus, male rabbits, 55:3952
evoked potentials & unit responses in visual cortex & lateral geniculate nucleus during responding to 2 different frequencies of light flicker, cats, 56:9398
externally applied periodic signals, entrainment of oscillations in lateral geniculate nucleus, cats, 58:7007
functional characteristics of ponto-geniculo-occipital spikes assessed from visual cortical responsiveness in arousal & REM sleep, cats, 58:11139
indoleamine hallucinogens, presynaptic serotonin neurons in raphe & postsynaptic neurons in ventral lateral geniculate & amygdala, male rats, 56:1997
lesions of ventral lateral geniculate nucleus or posterior thalamus, intensity & orientation discrimination, male rats, 58:9086
light stimulation, intracellular potentials from lateral geniculate cells & spike potentials from optic tract fibers, locally anesthetized paralyzed cats, 55:9147
LSD & 2-bromo-LSD, inhibition of serotonergic neurons vs neurons in amygdala & ventral lateral geniculate receiving serotonergic input, male rats, 57:5293
LSD, spontaneous ponto-geniculo-occipital wave activity & REM sleep, cats, 55:6539
luminance of unpatterned flashes & contrast border & contour density of patterned flashes & dark & light adapted state, visually evoked potentials from geniculo-striate & pulvino-extrastriate systems, monkeys, 58:2837
method for reliably recording geniculate spikes during paradoxical sleep, cats, 58:10783
multiple-unit activity from medial geniculate nucleus during pretraining & avoidance conditioning & extinction & reversal, male rabbits, 56:7386
overtraining for food reward in response to diffuse light flicker at 2 different frequencies. neuronal response in lateral geniculate nucleus & visual cortex during stimulus generalization trials, cats, 56:9399
pattern of abnormal projection for lateral geniculate nucleus, congenitally abnormal visual pathways, disease cats, 54:7169
phasic activities related to eye movements in abducens nucleus & lateral geniculate body & visual cortex & lateral rectus muscle during waking & sleeping, cats, 56:5499
psychotropic drugs, ponto-geniculo-occipital waves in REM sleep & reserpine-induced ponto-geniculo-occipital waves, cats, 58:11274
relations between geniculate body & cortical auditory areas, dogs, 57:5171
relationship between stimulus intensity & response magnitude, conscious implanted cats, 56:5470
repeated microelectrode recordings without drugs, size & duration of click-evoked inhibition in medial geniculae body, unanesthetized cats, 56:1919
retinal stimulation duration, responses of lateral geniculate body, rabbits, 55:1976
reversible inactivation of visual cortex by cooling vs normal conditions, activity of single units in lateral geniculate nucleus, cats, 58:9055
RT & cortical & subcortical visual evoked potentials during brightness discrimination, monkeys, 57:564
single & double clicks, activity of single medial geniculate units, 56:1918
sinusoidal stimulation, spectral responsiveness & temporal frequency response of optic tract & lateral geniculate neurons, cats, 58:11140
substantia nigra stimulation, responses of lateral geniculate neurons to light, cats, 58:4984
superior colliculus & lateral geniculate lesions, development of visually evoked responses & visually-guided behavior, kittens, 55:4054
test-flash intensity, variability of fixation, monkeys, 55:11527
transneuronal degeneration in lateral geniculate nucleus & tarsorrhaphy, lateral geniculate cell growth & binocular interaction, monkeys, 57:698
transneuronal transport method, relay of projections from eye to ipsilateral & contralateral striate cortex, owl monkey, 56:7394
visual responsiveness of eye movement neurons in thalamic internal medullary lamina, cats, 55:1979

Genital Disorders [See Also Amenorrhea, Dysmenorrhea, Endocrine Sexual Disorders, Gynecological Disorders, Hermaphroditism, Hypogonadism, Infertility, Klinefelters Syndrome, Male Genital Disorders, Menstrual Disorders, Premenstrual Tension, Pseudocyesis, Sterility, Testicular Feminization Syndrome, Turners Syndrome]
desensitization benefits, treatment of sexual disorders, 54:1652
genital herpes virus infections, pregnancy, 53:5693
hypothalamic-pituitary-gonadal functions, sexual & genital development, 10.5–44.6 yr olds with Prader-Willi syndrome, 54:3515
learning theory views of psychopathology & nature of behavior modification & treatment of neuroses & schizophrenia & depression & alcoholism & drug dependence & sexual disorders & child psychopathology & mental retardation, 56:2632
preparation for hospitalization &- surgery & sources of anxiety encountered & behaviors demonstrated, 4 yr old Black male who underwent surgery for genital defect, 57:3679
psychoanalytic treatment & interpretation, sexual disorders, 54:3770
strabismus & cerebral palsy & adiposogenital dystrophy, 20 yr old with cutis verticis gyrata, 54:1486
urological & gynecological & endocrinological & neuropathological & psychiatric analyses of sexual disorders, need for independent discipline of sexual pathology, 53:7802

Genitalia (Female) [See Female Genitalia]

Genitalia (Male) [See Male Genitalia]

Geniuses [See Gifted]

Genotypes
age & developmental stages over life span, learning in relation to task difficulty & genotype & perseveration & early vs later experiences, review of animal literature, 57:5049
age & ethanol concentrations, ethanal preference, C57BL/6 vs BALB/c male mice, 58:4887
age & genotype, active avoidance response acquisition, male mice, 55:3895
age & genotype differences, jaw-jerk reflex to assess shock-sensitivity of CNS, inbred mice, 57:7726
age & sex & genotype, stimulus exploration & locomotor activity, 3 strains of mice, 57:2620
albinism, alcohol consumption & sleep time, mice, 58:534
artificial within-family selection for agonistic behavior, different levels of agonistic behavior, isolation-reared wild female mice, 57:7630
behavioral wildness rankings, prediction of genetic & genotype by environment interactions, house mice, 53:6763
cerebral dominance genotype, lateral specialization & spatial-perceptual ability, 56:5489
comparison of settings, prevalence of XYY genotype, emotionally disturbed & culturally disadvantaged boys vs mental-penal inmates, 55:4676
concordance for mental development, 7 yr old monozygotic vs dizygotic twins vs siblings from twin families, implications for genotype & home environment, 58:7246
diallel cross analysis, genetic determinants of copulatory behavior, rats, 54:496
gene substitutions, geotaxis, Drosophila melanogaster, 54:6926
genotype & sex & location of encounter, agnostic behavior, wild vs inbred mice, 57:7611
genotype analysis methodology, human behavior variations, 53:2527
genotype, differential behavioral responsiveness to progesterone & 5-alpha-dihydroprogesterone, mice, 56:5663
genotype-environment interaction & correlation, behavioral genetic studies, 58:4913
genotypic specificity, alcohol-induced conditioned aversion to ethanol, DBA vs C57 mice, 54:6925
locomotor activity & mating behavior, neurological mutants in Drosophila melanogaster, 53:500
measurement of lateral preferences, determination of genotypes using neurological assessment & J. Vinar's papillary test supplemented with Kovac-Horkovic tests, 57:7324
model for genotypic diagnosis of Johari Awareness, interpersonal processes & communication practices, managers & subordinates of managers, 55:7071
morphine, EEG & locomotor & analgesic responses, 2 strains of inbred mice with vs without septal lesions, 54:9075
neonatal androgen, sexual behavior, male mice from inbred strains, 53:4764
nutritional conditions & external environment, C57BL/6J vs DBA/2J mice, 53:11070
prenatal auditory stimulation & genotype, developmental homeostasis & morphology & exploratory behavior, inbred mice offspring, 58:2787
relative odorant sensitivity, male inbred mice, C57BL/6J genotype as animal model of specific anosmia, 58:8979
single-gene albino mutations, auditory physiology & audiogenic seizures & developmental processes, congenic C57BL/6J mice, 54:498

Geographic Regions [See Geography]

Geography
academic ability & socioeconomic status & geographic region, attitudes toward school & educational plans & school experiences, high school seniors in class of 1972, longitudinal study, 58:4134
adaptation of algorithms to detect bright & dark spots & streaks in pictures, digital detection of pits & peaks & ridges & ravines, 54:8656
age & grade level & sex differences & geographic location, political knowledge & attitudes, 3rd–8th graders in Iowa vs New York, 55:13374
age & sex & race & geographic area & income & education, hearing threshold levels, 12–17 yr olds, 54:2255
age & sex & socioeconomic status & community & region, play development & competitive behavior & toy preferences, Filipino 2–6 yr olds, 55:2214
age & socioeconomic status & geographical location & achievement, self esteem & internal external control beliefs during summer aviation program, black 12–19 yr olds, 54:1874
anthropological concepts & methodology, evaluation of educational programs & institutions in developing nations, 53:3932
assignment location preferences in US, US Air Force airmen, 55:8457
attitudes toward all vs individual foreign products, consumers, 53:7352
attitudes toward marihuana usage, college students at southern colleges, 54:11645
attitudes toward programed instruction as teaching method for geography, 8th graders, 55:5518
attitudinal stability of special education teachers in Iowa vs New England, 5 yr longitudinal study, 54:12614
base name & location vs geography-environmental descriptions, assignment location preferences, airmen, 56:3104
birthplace & sex & ethnic background, group test of creativity & achievement test scores, Spanish surname vs non-Spanish surname 6th graders, 55:5572
caste & generation & region, occupational mobility & trend of mobility over time, males in 3 caste groups in rural Bihar, India, 57:8061
classification-class inclusion abilities, geographic & spatial relationships, elementary school children, 55:6791
computer simulation for evaluation of alternative government housing actions & policies, decision to move & search & selection process components, 56:8953
conflict & territorial proximity, national stereotypes, college students, Colombia vs Venezuela, test of mirror image hypothesis, 58:9374
content analysis of presentation of character in children's books set in southeastern US, implications for possible effect on readers, 55:11854
cultural background & language & geographic region, ethnic identity formation, Anglo & Franco American high school students, northern Maine, 57:10089
cultural factors, regional homicide rates, criticism of S. Hackney's & R. D. Gastil's theory, 53:5103
development & evaluation of map study instructional program & braille vs print mode of reading & CA, learning locational & directional referents on maps, blind students, 56:3019
dimensions of racial ideology & age & socioeconomic status, perspectives & attitudes, blacks in northern & southern city, 57:1072
distance between hospital & patient's domicile, frequency of admissions to psychiatric hospitals, 57:13438
economic & technological growth, crime & anomie, small midwest city in transition, 55:2229
educational attainment, earnings & occupational status, southern blacks in 1960s, 54:12716
educational background, geographic orientation, patients with unilateral cerebral disease, 53:1519
ethnic background & geographical location & degree-granting university, behavioral attitudes & altruism & dogmatism, Mexican American vs black vs Anglo school counselors, 55:13005
ethnicity & geographic locale & age & sex & urban-rural residence, prevalence of mild retardation, Anglo vs Black vs Mexican American vs Papago Indian elementary & secondary school students, 57:6116
factors predicting retention in geography, high school students, 58:12608
Gastil's Southernness index & socioeconomic & demographic variables, 1st & 2nd degree murders & manslaughter, test of Gastil's theory of Southern culture of violence, 57:3546
geographic area & race & ethnic group & socioeconomic status & age, reading interests, black & white & Spanish-surnamed & other race 1st & 2nd graders, 55:8235
geographic area & race & sex & age & parent education, response bias & performance & use of "I don't know" as alternative in multiple choice exercises in testing, 57:9199
geographic environment, occupational aptitude & interest development, implications for industrial & organizational psychology, 56:5005
geography & sex & age, marihuana use, 12–17 yr olds, 53:5089
inter-caste attitudes, northern vs southern Indian males, 54:9428
level of assignment & age & geographical location, job satisfaction, Irish Catholic priests, 56:3134
listener's sex & American regional dialects, speaker credibility & perceived personality & dialect preferences, general American vs Southern vs New England speakers, 55:11842
mental tempo, native Akita Prefecture vs Tokyo college students, 54:2336
model employing concept of transient geophysical processes & ionization, luminosities in areas of tectonic stress, implications for reports of luminosities resembling UFOs, 57:4848
nationality, psychological meaning given to English words & semantic confusion, Turkish vs Danish vs Indian vs US vs USSR vs French vs Italian vs German vs British-Philippino Ss trained in English, 54:7589
northern vs southern geographic area & age & sex & exposure to course on psychology of sex differences, validity of Attitudes toward Women Scale as measure of attitude change, college students, 53:1006
patterns of concentration & amount & type, foundation grants to US colleges & universities, 53:6086
personal career history & history of academic department affiliated with, female psychologists in the South, 56:4647
personal wishes & attitudes toward school & home & religion, black vs white male vs female adolescents from Georgia & Tennessee & Florida, 54:9320
personality & moral development & geographic setting, advocacy of violent punishment, students & nonstudents, 55:9693
personality traits & values & academic achievement & intelligence & geographical background, prediction of rural vs mid-urban vs urban location of practice, dental graduates, 57:11166
place of residence & sex & socioeconomic status & migrant farm work experience & language-use predominance, ethnic self identification preferences, Mexican American high school students in 5 southern Texas border towns, 57:12617
Predictive Ability Test, standardization & effects of formal education & sex & race & occupation & rank in service & geographic origin on scores, US Army personnel, 58:4650
productivity index, schools & states & regions as sources of scientists & scholars over 40-yr period, 53:1261
questionnaire length & followup & geographical location, mail survey response rate, 54:1088
race & class & readiness test scores & activity & attention of hypothetical children, academic expectancies, southern vs non-southern teachers, 53:4031

racial composition of school, self concept & relationship to GPA, Black students in predominantly Black vs White universities in southern US, 58:10210
regional approach & national health policy, health services & continuing education, 53:5379
regional residence & type of school attended & sex, differing forms of national attachment, secondary school students, Yugoslavia, 57:12620
S & touring & environmental & map variables, cognitive transformation of information from urban geographic fields to mental maps & model of cognitive processes, research review, 57:4586
salience of national consciousness, 14–17 yr olds of international civil servants, 55:815
school average daily attendance & geographic location & assessed valuation of system & S's years of experience with federal aid, attitudes toward federal aid to education, school administrators, 57:13675
scientific & geographical & Jewish-background, attitudes toward Jensen's genetic thesis of genetic basis for Negro–Caucasian intelligence difference, American Psychological Association members, 53:3188
self concept of academic ability & significant others, rural vs urban southern 6th graders, 55:3135
sex & age & marital status & ethnicity & high school size & regional location & participation in informational activities on women's roles, attitudes toward women, high school counselors, 57:6587
sex & geographical region & social position & achievement motivation & fear of failure & expectancy factors & willingness to be racially pioneering & geographically mobile, choice of traditional vs nontraditional occupations, Black college seniors, 58:10672
sex & race & geographic region & parental occupation & urban vs rural environment, analysis of WISC-R standardization data, children, 56:7046
sex & school type & location & administrative experience & number of counselors in program, perceptions of value & importance of secondary school guidance programs, principals, 57:13623
Spanish language & Mexican culture milieu, validity of McCarthy Scales of Children's Abilities, southwestern rural 5–6 yr old kindergartners, 58:4618
spatial relations ability, developmental levels of urban cognitive mapping, high school students, 58:11465
variations in regional homicide rates, homogeneity of areas, 54:7366
videomatic behavioral analysis & grade level & map complexity, skill in tactual reading of political maps, blind 4th–12th graders, 57:6916

Geometry [See Mathematics Education]

Gerbils
activity-stress, ulcers in glandular stomach, male rats & hamsters & guinea pigs & gerbils, 56:7424
age, acquisition of visual discrimination task, 8 vs 26 wk old gerbils, 56:5391
age, licking rates, infant gerbils, 55:6227
androgen or estrogen or progesterone dosages & castration & individual vs group caging, aggressive behavior, female gerbils, 58:2928
anosmia & familiar & unfamiliar conspecifics & clean shavings, social interaction & recognition of individuals, pairs of gerbils, 57:7617
antiestrogen, estrogenic effects on eating & body weight, female gerbils vs rats, 58:9161
apomorphine & dextroamphetamine vs haloperidol, spontaneous rotational behavior, female gerbils, 56:3727
bemegride & metrazol & cocaine administration in challenge trials interposed in regular training, antagonism of pentobarbital-induced discrimination, male gerbils, 54:4822
bemegride, antagonism of diazepam as discriminative cue, male gerbils, 54:2550
brain amines, epileptic seizures, seizure sensitive strain of gerbils, 56:3699
castration, aggression in neutral & territorial setting, male gerbils, 58:9098
cellular & extracellular stimulation & water deprivation, water intake & vascular conditions, male rats vs gerbils vs guinea pigs, 54:6929
change of solution taste with quinine vs saccharin with vs without time for acclimation, food deprivation-induced polydipsia, gerbils, 56:7299
choice & no-choice situations, consumption of water & adulterated fluids, voles vs gerbils, 55:11592
crowding & intermittent isolation, ventral marking & aggressive social interaction & reproduction & anatomical & biochemical differences, gerbils, 53:9199
delta-9-tetrahydrocannabinol & pentobarbital as discriminative cues, shock escape in T maze, male gerbils, 54:11241
delta-9-tetrahydrocannabinol, depression of spontaneous motor activity & severe toxic effects, seizure-sensitive gerbils, 54:648
developmental theta frequency trends in EEG, gerbils from birth to 30 days old, 54:8934
dextro- & levo-amphetamine, hoarding behavior & feeding, female gerbils, 54:631
diet with cation exchange resin & chelator vs nonnutritive fiber & choice vs no choice of mineral vs distilled water, presence of specific hunger for minerals, gerbils, 57:7705
early exposure to ventral gland odor, physical & behavioral development & adult social behavior, gerbils, 55:6226
early postnatal developmental stage, maternal behavior of recognition & retrieval of young, gerbils, 55:3929
EEG records of seizures, Mongolian gerbils, use as model for study of epilepsies, 54:6859
enriched crowded vs plain crowded vs dense crowded vs paired environmental conditions, social interaction & cortisol & testosterone levels & adrenal weight, male & female gerbils, 58:4857
exploratory vs escape tendencies & species differences, aversive conditioning behavior, rats vs gerbils, 57:9606
exposure to cage mate vs stranger, aggression & territoriality, Mongolian gerbils, 56:9364
extra stimulation &/vs novelty, seizures, gerbils, 55:6381
gradually increasing & decreasing FR schedules of food reinforcement, instinctive drift & duration of post reinforcement pause & response rates, nondomesticated gerbils & cotton rats, 57:7592
intermittent reinforcement & intertrial interval, shuttlebox avoidance, male gerbils, 54:2606
isolation, aggression, male gerbils, 53:6976
kanamycin single-unit responses in auditory nerve indicating phase opposition of inner normal-hearing outer hair cells of cochlea, gerbils, 54:11147
lick rate development, infant gerbils, 54:666
lithium chloride-induced sickness, consumption of preferred sucrose solution, gerbils, 55:6275
mevinphos, appetitive operant behavior, male gerbils, 54:624
motivation & cellular vs extracellular dehydration vs food deprivation, water intake, gerbils, 55:3899
neonatal androgen, display of territorial marking behavior, gerbils, 55:11705
neonatal bulbectomy & subsequent androgen administration, scent marking & aggressive behavior, female gerbils, 57:12325
nicotinamide, wheel running activity, male gerbils, 58:5010
nonaromatizable estrogens, stimulation of scent marking behavior, male gerbils, 56:7551
nonsusceptibility to otitis media, gerbils, 55:3843
nutritive & bulk intake, suppression of food-deprivation polydipsia, gerbils, 54:11294
olfactory & color cues, maze position learning, male gerbils, 57:12131
olfactory bulb ablation & androgen, marking & agonistic behavior, castrated vs non-castrated male gerbils, 55:11695
olfactory feedback of odor trail during exploratory behavior, Mongolian male gerbils, 54:9300
ovariectomy & estrogen with vs without progesterone, scent marking, female gerbils, 53:8969
partial vs continuous reinforcement & CS termination delay combined with shock omission, extinction of shuttle avoidance response, male gerbils, 57:7565
partial vs continuous reinforcement during avoidance acquisition & classical trials vs punishment in extinction, avoidance response suppression & resistance to punishment, male gerbils, 56:206
pentobarbital discrimination training, transfer to diazepam & phenobarbital & reversal by magimide & metrazol, male gerbils, 58:11290
percentage of shock avoidance, response frequency in discriminative avoidance acquisition, male gerbils, 56:9306
permission vs prohibition of intertrial responses, initiation of response to avoid shock in avoidance conditioning, rats vs gerbils, 57:9605
physical environment during rearing, subsequent reactivity to visual stimuli, gerbils, 58:11061
position learning in Y maze, gerbils, support for formation of symmetrical connections during forward learning, 56:3485
position learning in Y maze, gerbils, support formation of symmetrical connections during forward learning, 57:483
positive reinforcement in random vs nonrandom behavior trials, gerbils, 53:9172
presence of stimulus rat vs gerbil in open field, acceptance of & preference for inter- & intraspecies social contact, male rats, 55:6340
rearing in cliff vs flat environment & age at testing, visual cliff performance, gerbils, 58:6913
rearing in social & perceptual isolation vs with nonlactating foster parents & siblings, territorial marking & aggression & open field activity & spontaneous seizures & adrenal gland & testes & body weights, gerbils, 54:9212
removal from & return to colony of dominant males & alpha removal, natural aggression & dominance, Mongolian gerbils, 53:11349
sand deprivation, sandbathing & territorial marking, gerbils, 53:662
septal lesions, fluid consumption & exploratory behavior, voles & gerbils, 55:11735
sex & food intake, physiological regulation model of food hoarding, Mongolian gerbils, 57:7621
sex, circadian wheel running rhythms, Mongolian gerbils, 57:9751
sex differences, grooming & social & aggressive behaviors during encounters of same vs opposite sex pairs, gerbils, 57:9691
signaled vs unsignaled free-operant shuttle avoidance procedures, avoidance acquisition & asymptotic shock rates, gerbils vs rats, test of species-specific defense reactions, 58:464
social adaptation process between small cohesive naturally-formed populations, young & adult Mongolian gerbils, 55:11584
species-specific exploratory tendencies, acquisition of passive avoidance, female rats & male gerbils, 54:686
taste adulteration & hypertonic & hyperoncotic solutions, water intake, gerbils, 53:6953
testosterone vs estrogen plus progesterone & lactation, stimulation of scent marking, low- or zero- marking gerbils, 56:5589
vasopressin, drinking behavior, food deprived gerbils, 57:5329
zinc sulfate-induced peripheral anosmia, ventral rubbing, male gerbils, 53:2722

Geriatric Patients
abuse of & guidelines for use of mechanical & chemical restraints in nursing homes, 85 yr old female & 72 yr old male, 58:6006
activating rehabilitative nursing in geriatric hospital, geriatric patients, 57:13415
admission & postadmission assessments, prediction of favorable & cyclic or chronic mild & unfavorable outcomes, elderly psychiatric patients, 57:6039
adopted grandparents program stressing interaction with 6–8 yr old pupils, nursing home residents, 57:4091
age, attitudes toward own longevity & death, 18–20 yr old college students vs 64–98 yr old nursing home residents, 57:2999
aging alterations & pretreatment physical state & current medication review, clinical psychopharmacology, aged patients, 57:13339
anabolic hormones, voice alterations, geriatric patients, 55:12723
art therapy, stimulating spontaneity by satisfying basic needs, geriatric patients, 56:980
art therapy using life review, reexamination & resolution of past conflicts & reconstruction of present experience in face of impending death, aged patients in home for aged, 56:1017
attitudes toward drugs & aspects of prescribing & their relationship to management of hypertension in elderly, 55:1093
attitudes toward multidisciplinary team approach in short term psychogeriatric unit, staff members & psychiatrist, 55:1160
autopsy findings, cerebral proteins & enzyme systems, 62–89 yr old cases of Alzheimer's presenile & senile dementia & Pick's disease & cerebral arteriosclerosis, 55:10139
behavior therapy using social & material rewards, urinary incontinence, demented 61–79 yr old men, 53:10197
behavioral & psychological assessment, prediction of short term outcome, newly admitted 58–84 yr old psychogeriatric patients, 56:2683
behavioral disorders, geriatric patients, 7 case reports, 54:1384
behavioral techniques, walking & social interaction & oral hygiene, 58–88 yr old geriatric patients in residential nursing home facility, 55:5121
birth order, survival in institution, institutionalized aged Ss, 57:6498
body weight & blood pressure & blood sugar correlates, EEG, psychogeriatric patients with diabetes, 54:1461
caffeine, sleep quantity & quality, patients with senile dementia, 56:8448
care for aged, current organizations of medical & social services & psychogeriatric needs, Poland, 57:10992
care improvement in ward, measurement of changes in level of functioning, severely impaired geriatric patients, 55:12791
chloromethiazole & promazine, treatment of geriatric psychoses, patients over 55 yrs old, 57:8779
clinical comparison of tests, organic brain syndrome measurement, elderly medical/surgical patients, 57:8528
clinical examinations & ward setups & communicable diseases & art therapy, geriatric wards, geriatric patients, 22nd Symposium of Kyushu Neuropsychiatric Association, 53:10338
clinically disabling behaviors as operants, operant techniques in therapeutic intervention, problem behaviors, aged, 55:7617
community sub-acute center, receiving station & care continuity & advocacy for relocating elderly mental patients, 56:6481
computerized tomography, assessment of intellectual impairment & degree of cortical atrophy, 62–90 yr old mentally normal patients, 57:13082
control over vs predictability of visits received, physical & psychological well-being, institutionalized 67–96 yr olds, 56:8523
coordinated home care services delivered by team of health professionals sponsored by VA Hospital, elderly patients, 58:7997
correlations between life satisfaction & morale & adjustment measures data, Ss over 60 yrs old in institutions vs community vs with limited ambulation, 58:3149
cost effectiveness analysis for comparison of alternative social programs, cost evaluation of geriatric day care, 55:5176
cultural differences, geriatric Navajo Indians, 53:9977
daily physical exercise, heart rates & systolic blood pressure & ward activity & current events attitudes & Wechsler Adult Intelligence Scale Digit Span & Information subtests, institutionalized geriatric mental patients, 53:1404
day hospital psychogeriatric service, Gloucestershire, England, 58:10040
day treatment & group process & therapy, anxiety & interpersonal relationships & independent living, 61–89 yr old geriatric patients, 56:8499
demographic & social characteristics, psychogeriatric hospital admissions over age 65, 57:4128
demographic characteristics, 100 geriatric hospital admission patients, 53:6047
development of Geriatric Psycho-Social History Outline for use by social workers, reduction of morbidity & mortality rates following hospital admission, aged, 57:6524
development of scale to rate muscle tension, schizophrenics vs psychiatric outpatients vs geriatric mental patients vs normals, 56:4200
diagnostic differences, psychogeriatric patients in New York & London, 53:11849
diagnostic procedures, brain impairment evaluation, elderly patients with mental disorders, 53:5755
dihydrogenated ergot alkaloids vs papaverine, symptoms associated with mental aging, 66–67 yr old outpatients, 54:3697
discussion group, adaptation & social interaction, elderly convalescent hospital patients, 53:3902
disengagement process, awareness of death & subsequent change in time perspective, long term hospital patients aged 60 yrs & older, 56:4315
distance from central nursing station & medical service office, severity of mental disorientation & dying process, aged sick & dying, 57:4134
dosage levels in combination & single psychotropic drug therapy, psychogeriatric hospital patients, 55:5143
drug treatment & dosage, problems of geriatric medicine, elderly patients, 54:5849
effectiveness of 2 scales developed for geriatric screening of psychiatrically vs non-psychiatrically impaired Ss, 55:8647
efficacy & side effects of nitrazepam & thioridazine, inducing sleep, psychogeriatric inpatients, 56:10379
enhanced personal responsibility & opportunity to make choices, alertness & participation & sense of well-being, 65–90 yr old nursing home residents, 56:8515
evaluation of Clifton Assessment Schedule as psychogeriatric assessment procedure, acute elderly psychiatric admissions & psychogeriatric residents, 56:9008
factor analytic composition, Geriatric Rating Scale, male vs female ambulatory geriatric patients, 58:126
family homeostasis & sexual conflict, family extrusion of aged patient, 2 female & 1 male elderly patients, 54:11480
generational role conflicts, mental illness, aged, implications for care of geriatric patients, 55:9950
geriatric group psychotherapy, institutionalized elderly, 57:13380
Geriatric Mental State Schedule, factor analytic study of psychopathological data, geriatric psychiatric patients, 57:5991
geriatric occupational therapy program, self concept & social interaction, 61–88 yr old psychiatric patients, 54:3952
geriatric patient–physician interaction, care of aged, 53:6023
geriatric psychiatric units as alternative to mental hospitals for elderly psychiatric patients, 55:4954
Gerovital-H3 vs imipramine vs placebo, depressed geriatric patients, 53:5892
group experience employing exercise & psychodrama & socialization at community mental health center, 61–80 yr old organic brain syndrome patients & relatives, 58:7991
group psychotherapy & group program in private psychiatric hospital, patients over 60 yrs old, 57:1598
haloperidol vs thioridazine & adverse reactions, geriatric patients with behavior problems from chronic brain syndromes or senile psychosis, 53:5887
Hydergine sublingual tablets vs papaverine hydrochloride, symptoms, institutionalized aged patients, 58:1685
Hydrosarpan-711, Wechsler-Bellevue Intelligence Scale performance as measure of vascular & mental improvement, geriatric patients, 56:8439
independence training, reacquisition of self feeding behavior, 67 & 79 yr old nursing home patients, 57:6316
individualized activity & recreation program, 60–86 yr old patients with psychological disorders & long term physical illness, 55:5196
inpatient care vs outplacement, physical health & level of self care & psychiatric condition & morale, geriatric ward patients, 57:6526
inservice training program in behavior modification, reduction of patients' noxious behavior & personnel turnover, nursing personnel in geriatric convalescent hospital, 55:7750
instructions & immediate feedback, modification of attending behavior & disruptive behavior, nursing home aides & elderly patients, 58:10058
integration of all-male & all-female floors in geriatric institution, social behavior & attitudes, elderly residents, 54:6142
interactive-contact method, self reported & observed depression, depressed geriatric patients in homes for aged, 54:3622
isobaric oxygenation, 68–69 yr olds with cognitive impairment, 54:1759
letters written to dead husband, stresses of & coping with losing spouse, female geriatric patient, 54:5488
long term hospitalization & dementia in aged patients & nonresidential services & day care services, 55:5260
management of elderly hypertensives in 4 practice settings, hypertension patients, 54:12174
mass involuntary transfer, cause of death & medical hospitalization, geriatric neuropsychiatric patients, 56:6551
mass relocation, mortality fluctuations as indicator of stress before & after transfer, chronically ill hospitalized geriatric patients, 56:6552
medication principles & precautions, aged patients, 53:1663
methyldopa, tardive dyskinesia, chronic psychogeriatric patients, 55:10422
methylphenidate, withdrawn & apathetic geriatric patients, 54:10171
Mini-Mental State, serial testing of cognitive state & hospital admission, neurogeriatric patients with dementia or depression or depression with cognitive impairment, 56:785
Mowrer's conditioning vs delayed-UCS treatment, enuresis, geriatric nursing home patients, 56:2614
need-for-nursing-care scale development & application, assessment of patient's mental & physical condition & capacity for social activity & integration & need for care, geriatric patients, 54:1784
neurological impairment, WAIS performance, 45–85 yr olds with multi-infarct dementia vs dementia due to Alzheimer's disease vs vertebrobasilar insufficiency with dementia, 56:4332
nomifensine vs viloxazine, depressed elderly female patients, 58:1691
objective vs subjective measures of functional impairment, self care capacity, geriatric psychiatric patients, 56:8120
observational study on geriatric ward, structure of microspatial environment, senile elderly, examination of models of organism-environment relations, 57:11667
occupational therapy in rehabilitation, geriatric stroke patients, 57:13449
open vs semi-closed vs closed wards & milieu therapy, elderly male psychiatric-medically infirm patients, 54:3972
organic vs functional illness & sex & ethnic origin of examiner, geriatric screening decisions, aged patients, 53:9784

organization & function of psychogeriatric unit in VA hospital, 58:8049
oxazepam, differences from other benzodiazepines & indications for use with elderly patients, 54:10180
personality patterns, Emotions Profile Index, chronic alcoholics with Korsakoff's syndrome vs chronic schizophrenics vs geriatric patients with chronic brain syndrome, 53:5444
physical exercise program vs conventional recreational therapy, spontaneous daily activity level & personal neatness self care behavior, institutionalized geriatric mental patients, 55:1153
physical therapy program, 50–77 yr old geriatric mental patients, 55:5247
physician's roles, maintenance of patient's identity, geriatric patients, 55:10441
playing games & physical exercise, psychosomatic rehabilitation, elderly patients, 54:3588
polypharmacy with psychoactive drugs, elderly hospitalized patients, survey of Veteran's Administration hospitals, 56:8459
positive continuous reinforcement, correct eating, geriatric patients, 53:6056
principles of long term care & development of therapeutic community, aged patients, book, 56:6536
problems of evaluation of effects of psychotropic drugs, geriatric patients, 54:5881
procaine, treatment of aging process & chronic diseases of later life, aged patients, review, 58:5942
psychiatric disorders & staff recognition & care of psychiatric complaints, aged patients in skilled nursing facilities, implications for psychiatric consultants, 57:11040
psychiatric intervention, treatment, ambulatory geriatric patients with psychiatric disorders, 53:5795
psychoactive drug use, elderly psychiatric patients in Veterans Administration hospitals, 54:3690
psychologic & psychophysiologic tests & operant conditioning procedures, performance assessment, psychogeriatric patients with organic brain syndromes vs functional psychoses, 55:9915
psychological aspects of geriatric rehabilitation, hospitalized geriatric patients, 57:13422
psychological tests & clinical rating scale, psychodiagnosis, geriatric patients, 56:6157
psychometric assessment, accuracy of psychiatric diagnosis & hospital placement, geriatric vs psychogeriatric hospital patients, 54:11949
radical vs moderate involuntary relocation, adjustment & mortality, elderly nursing home patients, 53:10341
reactions to aged, therapeutic relationship with geriatric patients, physicians, 53:10306
reactions to psychotropic medication, middle aged & aged psychiatric inpatients, 54:5824
reality of sexual needs & activity, geriatric residents in nursing home, 55:7009
reality orientation milieu treatment technique, environmental orientation, confused & disoriented institutionalized aged, 58:6005
reality orientation therapy, elderly patients with dementia, 54:12209
reality orientation therapy, ward & verbal orientation behavior, female geriatric patients in state mental hospital, 57:13176
reality oriented sessions, conception of patient realism & appropriate behavior, patients vs staff of nursing home, 54:3737
reinforcement type & availability & frequency, operant behavior, male vs female elderly psychiatric patients with memory disorder, 57:3661
relationship between perception of time passage & death involvement, hospitalized suicidal & terminal & geriatrically ill & normal patients, 54:3255
relaxation therapy, changes in body perception, patients over 65 yrs old, implications for geriatric psychiatry, 57:8756
reliability & criterion-related validity & factor analysis of dementia rating scale, evaluation of psychogeriatric patients with organic cerebral disease, 58:7771
reliability of Geriatric Mental State Schedule, semistructured interview for assessment of diagnosis & mental state, Ss over 65 yrs old, 57:5978
reliability of Ward Function Inventory behavioral rating scale, geriatric & senile dementia patients, 58:2566
relocation of elderly residents at Bicetre for renovation, benefits vs misfortunes of social change & societal values, 55:2247
relocation to other facilities, mortality & release & readmittance, chronic & elderly mental patients, 54:3953
remotivation program using 6th graders in group process format, interpersonal relationship development & renewed interest in living, chronically ill geriatric patients, 53:6079
remotivational therapists for chronic geriatric patients, 6th graders, 53:6045
resocialization program for community placement, older hospitalized mental health patients, 54:6143
RNA polymerase, verbal learning & recall & recognition, male geriatric patients, 55:4083
roles of outpatient clinic & physician & psychologist, treatment of psychiatric problems & arteriosclerosis, aged outpatients, 56:6473
schematic model of undesirable drug effects, drug interactions, elderly patients, 57:13324
sensory deprivation, physical & mental degenerative changes associated with aging & functional cells in CNS, geriatric patients, 57:5185
sex & body region & staff status & physical impairment in patient, differences in touching behavior with patients, nurses vs nurses' aides vs orderlies in home for elderly, 58:10059
sleep deprivation treatment, elderly unipolar vs bipolar vs secondary depressed patients, 56:6304
social needs & satisfaction with hopsital social services & perception of social worker's role, aged former patients of social workers, 56:8505
socialization therapy, individual role changes & changes in group patterns of communication & interaction, day care geriatric patients, 54:12189
sociocultural factors, chronic delusional psychosis, gerontopsychiatric patients, 55:12393
sociodemographic factors & consultation motivation & number of contacts & treatment outcome, psychiatric geriatric patients in ambulatory care center, 53:8195
socioeconomic characteristics, health attitudes & behavior, geriatric patients & providers, 54:12117
socioeconomic variables & accessibility & concern & perception of seriousness of illness & benefits & reduction of anxiety & fear, medical care practice, elderly patients, 55:10433
sodium valproate, tardive dyskinesia & psychiatric symptoms & extrapyramidal symptoms, chronic & geriatric psychiatric patients, 57:3986
solutions to problems of nursing home care, black & other minority geriatric patients, 54:3947
sources of diagnostic information, stability of psychodiagnostic of geriatric patients, 56:10218
spontaneous shift in encoding dimensions on release from proactive inhibition task, elderly community vs rest home residents vs college students, 58:3111
stabilized form of procaine, interpersonal functioning & cognitive ability & psychiatric symptoms & urine & blood chemical findings, geriatric psychiatric patients, 54:10199
staff training & planned organization & contrast with outpatient clinic, psychogeriatric day hospitals, 55:4964
statistics on patient number & sex ratio & neurosis & syphilitic neuropsychiatric disorder incidence, psychiatric patients aged 60 yrs & older, 54:1256
therapeutic & side effects & drug–drug interactions of psychotropic drugs, aged psychiatric patients, 54:5841
therapeutic intervention, management of dementia, elderly patients, 58:9824
thiazide diuretics combined with rauwolfia alkaloids, treatment for hypertensive geriatric patients, 54:12293
thioridazine vs piperacetazine, geriatric patients with organic brain disease, 57:1685
thiothixene, chronic organic brain syndrome, geriatric patients aged 60 yrs & older, 56:4518
thyroid function & EEG changes, organic & functional psychogeriatric patients, 55:4675
tricyclic antidepressant medication, depression & side effects, 71 yr old widower, 58:12149
unrecognized psychiatric illness in elderly medical & surgical patients, 55:7316
utilization of facilities & activities & interpersonal relationships & geronto-psychiatric examination, institutionalized patients aged 60 yrs & older, 57:1765
validity of ward behavior rating scale as rated by nursing staff, prediction of discharge, long-stay & elderly psychiatric hospital patients, 55:5248
value of chemotherapy & iatrogenic pseudo-dementia as irreversible effect of prolonged treatment, geriatric psychiatric patients, 55:10394
zinc, EEG, geriatric psychiatric patients, 53:1697

Geriatric Psychotherapy
anticoagulant-psychotherapy combination, presenile dementia, 42–71 yr old patients, 53:5837
brief outpatient group psychotherapy, depression & age-related problems, 60–72 yr olds, 55:7575
care for aged, current organizations of medical & social services & psychogeriatric needs, Poland, 57:10992
clinical examinations & ward setups & communicable diseases & art therapy, geriatric wards, geriatric patients, 22nd Symposium of Kyushu Neuropsychiatric Association, 53:10338
defenses involved in attempted restitution of self in old age, case reports of middle aged woman & older couple in psychotherapy, 58:5775
geriatric group psychotherapy, institutionalized elderly, 57:13380
geriatric psychiatric units as alternative to mental hospitals for elderly psychiatric patients, 55:4954
group psychotherapy & group program in private psychiatric hospital, patients over 60 yrs old, 57:1598
holistic approach, group psychotherapy, geriatric outpatients, 53:3715
interactive-contact method, self reported & observed depression, depressed geriatric patients in homes for aged, 54:3622
organization & function of psychogeriatric unit in VA hospital, 58:8049
progress in psychoanalytic group psychotherapy, 45–70 yr olds, 58:1592
psychiatric diagnosis & hospital discharge, predictive validity of psychogeriatric assessment schedule, 60–96 yr old patients with functional disorders & dementia, 55:11309
psychiatric intervention, treatment, ambulatory geriatric patients with psychiatric disorders, 53:5795
psychogeriatrics & family medicine, 54:12172
reality orientation therapy, ward & verbal orientation behavior, female geriatric patients in state mental hospital, 57:13176
relaxation exercises, geriatric psychiatric patients, 57:13132
self destruction crises in elderly people, 54:12169
staff training & planned organization & contrast with outpatient clinic, psychogeriatric day hospitals, 55:4964

Geriatrics
acute psychiatric emergencies in geriatric hospital, 53:1366
classification of psychiatric disturbances in old age, 58:1331
clinical geriatric training, perceptual recognition behavior for death words & heart rate & self ratings of death anxiety, student nurses, 57:6582
current situation & future prospects for gerontopsychiatric care, West German Federal Republic, 58:1500
disagreement on ward norms & daily activities, indicator of hospital social system instability, mental hospital geriatric staff, 53:10360
evaluation of mobile psychiatric-hospital-based team, preventive psychiatric & medical & social attention, distressed elderly people in community, 57:1722
geriatrics preventive rehabilitation, activity maintenance & independent living & mental & physical independence, 57:13382
increase in aged population & geriatric care demand & factors generating psychiatric problems, suggested implementation of psychogeriatric mental health department, 58:3958
inservice training program & practitioner age, attitudes toward aging, 18–74 yr old female volunteers in geriatric health care & social service contexts, 57:8930
interdisciplinary aspects & significance in diagnosis & treatment & planning & theory, factor analysis of psychogeriatric assessments, 56:2448
longevity & geriatrics & gerontology, aging, book, 53:947
mental health unit in geriatric facility, 53:6051
methods for achieving interaction between community & geriatric institutions, 55:2772
nosological classification difficulties & medical curriculum & patient care, gerontopsychiatry, 58:1872
organization & function of psychogeriatric unit in VA hospital, 58:8049
outreach medical care program, aged high-rise residents, 53:6055
psychological aspects of geriatric rehabilitation, hospitalized geriatric patients, 57:13422
relaxation, body awareness, aged, 57:3745
relaxation therapy, changes in body perception, patients over 65 yrs old, implications for geriatric psychiatry, 57:8756
sociodemographic & professional characteristics & practice behaviors & attitudes toward health care of aged people, 54:11879
telephone consultations subsequent to geriatric milieu therapy workshop, adoption of therapy program in nursing homes & hospitals, 56:8511

Germ Cells [See Sperm]

German Measles [See Rubella]

Gerontology
aging, selected readings in social gerontology, book, 56:5752
analysis of articles for psychological aspects, cumulative nature of gerontology, 56:7608
applied & basic social gerontology research, Great Britain, literature review, 54:7270
applied psychology research, 1975 review of work at University of Goteborg, 56:5067
attitudes concerning gerontology & older people, graduate rehabilitation counseling students & gerontology trainees, 55:5340
basic needs & psychosocial characteristics, aged blacks, implications for development of black gerontologists & education of elderly, 55:602
behavior analysis & behavioral ecology principles, gerontological research & application, 58:5898
competency-based taxonomy of objectives in multi-purpose senior center, 56:2669
concept of attachment vs disengagement, utility as conceptual schema for understanding relationships & involvements of older persons, 58:3148
development & evaluation of curricular unit in gerontology, high school students, 58:2018
development of teaching curriculum for social gerontology, improvement of care for aged & cooperation between social workers & nurses, 55:5358
developmental psychological principles, gerontopsychology, 54:7274
disease & age-associated behavior changes, need for health assessment in gerontological psychology research, 56:10213
doctoral dissertations on aging, bibliography, 1973–75, 56:7606
ecological approach & role of rehabilitation counselors, promotion & maintenance of cognitive functioning, aged, 55:7480
education & training in aging & gerontology, guide for professionals, book, 58:10175
etiology of mental retardation & education & rehabilitation, severely mentally retarded & blind & aged & children with speech disorders, book of lectures, 56:6309
food preferences & sensitivity & mating & aggression & emotionality & learning & activity, strains of hybrid mice, implications for gerontological research, 57:473
gerontology course, attitudes & stereotypes about aged & aging, students, 58:12557
goals & purposes & future, undergraduate education in psychology of aging, 57:6790
goals of undergraduate education in gerontology, liberal arts & community college & continuing education students, 58:12566
graduate education in gerontological psychology, psychology departments of American & Canadian colleges, 58:12345
guidelines for achievement of learner satisfaction in gerontological short term training, 56:10656
humanism & humanities of aging, implications for gerontology, 57:873
industrial gerontology, history of research, Britain, 58:12779
longevity & geriatrics & gerontology, aging, book, 53:947
meaning & value & uses of life-span education, gerontology & adult education, 55:5404
methodological characteristics of gerontological research in psychology published in Journal of Gerontology, 1963–1974, 55:5877
methodological issues, utilization of laboratory information & application to real life problems, aged, 53:7134
need for higher education programs in gerontology & attitudes toward aged & support for abolition of compulsory retirement & age discrimination, 58:5108
partitioning Pearson chi-square statistic from contingency tables, categorical variables in repeated measures design in gerontological research, 57:140
preparation of counselors & counselor education, involvement in gerontology, 55:2818
problems of epidemiological studies of noninstitutionalized older Ss, preparation of major gerontology research project, 58:73
program objectives & description & implementation & evaluation, undergraduate gerontological education, 56:10620
program of events & abstracts of papers, 27th Annual Meeting of Gerontological Society with American Geriatrics Society, 1974, 53:5008
progress of social gerontology research, France, literature review, 54:7271
recent developments, social gerontology, book, 57:5457
recent gerontological developments in psychology & social sciences, 54:10771
role of nutrition in aging process & longevity determination, 1976 symposium proceedings, 58:787
social & behavioral research themes in gerontology, 56:7609
social change, social gerontology research, Netherlands, literature review, 54:7269
theoretical model of short term teaching & alternative methodologies for evaluation, gerontological training as example, 55:5481
work of gerontology unit of community mental health service, elderly low income inner-city trailer park residents, 56:6503

Gestalt Psychology
arm length & dot density & angle between arms, Gestalt grouping, college students, 54:4537
behavior & learning theory research & field & Gestalt theories of perception & motivation in current psychoanalytic research, literature review, 58:6536
behaviorism & Gestalt theory & phenomenology, psychoanalysis, critical review, 54:5989
distinctive vs equivalent verbal association training, recognition gradients for random shapes, college students, support for gestalt/configurational account of verbal label effects, 56:9191
Gestalt & contemporary interaction theory-based experimental method, exploration of phenomenal self, 53:7409
gestalt art education based on F. S. Perls' ideas, insightful learning & gestalt development & promotion of self discovery & actualization & open-mindedness & prevention of growth disorders, 56:10612
Gestalt concept of closure in gapped circle patterns & visual memory of form, literature review, 54:10920
Gestalt concepts & methods of perceptual organization & selection, application to social perception in organizational context, 54:6503
Gestalt errors of observation, taxonomy of visual illusions, 53:2256
Gestalt figure-ground concepts & script theory, treatment of cultural scripts to achieve personal autonomy, 55:813
Gestalt psychology, contributions to Gestalt therapy, 53:3581
Gestalt psychology, mental health, 53:3121
gestalt psychology of visual perception, philosophical criticism of conceptual confusions & technical vocabulary, 58:6578
Gestalt psychology, pathological functioning, 53:3364
Gestalt therapy, analysis of emotion, discussion of F. Perls's theory, 53:3145
Gestalt therapy, crying behavior, 55:9842
Gestalt therapy theory & practice training sessions, perceptual field characteristics, counselor trainees, 58:10141
graphogestalt design copying technique, visual-motor perceptual processes, learning disabled vs EMH-organic vs EMH familial children, 55:6003
interview behavior, Gestalt vs psychoanalytic vs Kleinian vs Jungian psychiatrists, 54:9783
knowledge of product & maintaining contact with prospect & working with resistance & flexibility & constant awareness, Gestalt concepts approach to training salespeople, 53:8456
lateral inhibition of retinal image & Koehler's self satiation theory, Poggendorff illusion, 54:10922
letter segmentation of cursive scripts, kindergartners without knowledge of alphabet, segmentation model simulated by digital computer, 55:4266
perception & issues in Gestalt psychology, reconstruction of M. Wertheimer's seminal seminaries, 55:11358
potential for Gestalt theory & techniques in rehabilitation counseling, 58:12248
problems in perception, review of Wertheimer's Gestalt Problems Seminars, book, 53:8647
reevaluation of E. G. Boring on Kantian influence & 19th century nativism & Gestalt psychology, 53:6426
variations of Benussi ring figures, derived scales for degree of simultaneous contrast, college students, 55:3616

Gestalt Therapy
altered states of consciousness, effectiveness of Gestalt therapy techniques, 54:5802
analysis of conceptual paradigms, confluent education & its use of Gestalt therapy & psychosynthesis, 58:12334

application of Gestalt therapy principles as means of enriching Christian sacraments of baptism & communion, 57:8084
application of Gestalt therapy principles in classroom teaching, increased teacher self knowledge & skills & sense of control & student self esteem & awareness, 58:6142
basic concepts & introduction, Gestalt therapy, 53:12069
behavioral–gestalt procedure, obtaining statements from patients of problematic behavior, therapists, 53:7810
biography of Fritz Perls, book, 54:4435
concept of attention, theory & process relationships in psychoanalysis & Gestalt therapy & reciprocal inhibition therapy, 58:7873
cultural history & philosophy & methodology & practice & role of F. Perls, Gestalt therapy, 55:10228
decision utilization in client centered vs Gestalt expressive vs rational-emotive vs Jungian dream analysis psychotherapies, 56:10246
dramatization of psychoanalytic interpretations in group therapy, 54:1683
early Reichian theory, F. Perls' development of Gestalt therapy, 58:4553
Gestalt exercises as activities with specific instructions vs free-form explorations of emotions, implications for therapists, 53:5802
Gestalt "games", alcoholics, 57:8601
Gestalt group therapy, encounter groups & sensitivity training, 53:12192
Gestalt marathon workshop participation, extraversion & neuroticism as measured by Eysenck Personality Inventory, college students, 56:985
Gestalt marathon workshops, self actualization measure, college students, experimental replication & followup study, 55:7586
Gestalt psychology, contributions to Gestalt therapy, 53:3581
Gestalt theory, psychotherapeutic techniques, 53:3624
Gestalt therapist's view, women & therapy, 53:10053
Gestalt therapy, annotated bibliography, 53:3561
Gestalt therapy, annotated bibliography & study guide, 56:10242
Gestalt therapy approaches, wrist-cutting, psychiatric inpatients, 54:5730
Gestalt therapy based theory of psychological integration, application to acute schizophrenia, 57:13171
Gestalt therapy, book of minilectures, 57:1582
Gestalt therapy, development & theory, handbook, 55:4977
Gestalt therapy dreamwork techniques, 54:12201
Gestalt therapy in groups, hospitalized alcoholics, 55:7559
Gestalt therapy, indications & advantages in analytic psychotherapy, 54:5744
Gestalt therapy, observation-descriptive case study, 56:984
Gestalt therapy, self support & independence & responsibility, graduate students, 55:7526
Gestalt therapy session transcripts, resistant female client, 53:3584
Gestalt therapy, social work, 53:3876
Gestalt therapy theory & practice training sessions, perceptual field characteristics, counselor trainees, 58:10141
Gestalt therapy, therapist's role & approach, 53:3599
Gestalt therapy viewpoint, facilitation of client growth in counseling, 54:3803
Gestalt vs behavioral treatments, reduction in social anxiety & shyness with women, male college students, 57:3752
Gestalt-awareness seminar, self actualization & personal assessment, student personnel graduate students, 55:7866
Gestalt-oriented personal growth group, positive & negative self references, college students, 55:2657
goals & principles of Gestalt therapy, 54:3626
group counseling using Gestalt vs human relations training approach, concept of nurse-patient communication & sensitivity to verbal communication differences & self concept, nursing students, 58:10180
historical & theoretical aspects & Jung's influence & new applications, Gestalt therapy, book, 57:3852
"hot seat" technique from Gestalt therapy using feeling verbalization & role exchange, disruptive peer relations, 4th grade inner city classroom, 57:1983
human relations training using Gestalt therapy techniques, self actualization & interpersonal relations orientation & self concept & locus of control, rehabilitation clients, 58:1631
incidence in psychoanalysis & encounter groups & existentialism & Oriental philosophies, present-centeredness in Gestalt therapy, 54:7985
individual & group Gestalt therapy, book, 55:5006
interactional involvement, Gestalt groups, 55:7567
intra-individual & environmental factors motivating suicide, application of Gestalt therapy & "no suicide" contract & need for suicide prevention programs, India, 54:9944
learning theory viewpoint, analysis of Gestalt therapy, 57:1560
marathon Gestalt workshop for 16 vs 24 hrs, self actualization, college students, 57:3896
meaning of responsibility in Gestalt therapy, 54:5721
naturalistic field observations & objective personality measures, creativity & group development, dramatic artists, complications for Gestalt therapy theory, 57:1172
neuroticism & psychologically stressful questions, avoidant verbalizations, female college students, interpretation on basis of Gestalt therapy theory of personality, 56:6092
origins & approach, Gestalt therapy, 56:6348
philosophical & theoretical foundations, Gestalt therapy, 58:5800
philosophical components, Gestalt therapy, discussion of F. Perls's views, 53:3622
physiological correlates, contacting now process of Gestalt therapy, 58:12045
potential for Gestalt theory & techniques in rehabilitation counseling, 58:12248
purposes & processes of change in psychoanalytic & Gestalt vs training vs psychodrama groups & indications & counterindications for group treatment, 58:1555
Q sort methodology, examination of Gestalt therapy personality theory focusing on psychological health & disturbance, healthy vs disturbed college students, 57:5857
replacement of Freud's dream symbol approach to psychotherapy with Gestalt's method incorporating the body, 56:6333
short-term personal counseling of college students, use of 3-chair Gestalt procedure, 54:6399
similarities between Christian ministry & Gestalt therapy, 57:10723
spiritual rebirth & similarity to Gestalt therapy, personal experience of breakdown, 57:10103
structured group approach using gestalt awareness training, experiencing level, community college student repressors vs sensitizers, 58:1625
theory & goals, Gestalt therapy, 54:1533
theory & methodology & techniques & diagnosis & therapeutic roles of client & therapist & goals of treatment, transactional analysis vs Gestalt therapy, 55:11234
therapist role, "empty chair" Gestalt technique, 53:3583
transactional analysis & Gestalt & nonverbal techniques & psychoanalytic procedures, approach to self understanding & control, book, 56:6328
transactional analysis vs gestalt therapy viewpoints, leading therapy groups, 58:5854
transcripts of F. Perls' lectures & discussion of Gestalt therapists' work, book, 56:8301
transformative dream processes, Ss participating in transcendental meditation & Gestalt & primal & feeling therapy, 57:13158
visual imagery & access to unconscious processes, examination of waking dream & active imagination & guided daydream & Gestalt dreamwork techniques, 55:5003
world view synthesis, Gestalt therapy & J. Krishnamurti's Eastern spiritual philosophy, implications for practice of psychotherapy, 55:12619

Gestation [See Pregnancy]

Gestures
age, use of hand & arm movements as nonverbal communication, 4–18 yr olds, 57:7957
body movements & voice pitch during deceptive vs honest interviews, student nurses, 58:3292
children's gestures & postures in terms of nonverbal communication system & psychosocial development, 57:8015
conceptual model, empirical distinctions between nonverbal communicative vs noncommunicative behavior, application to palm up & circling gestures, 56:7558
counselor nonverbal facial gestures & sex, self reference affect statements, female college students, 58:12025
cross cultural study, communication of extra-verbal meaning by gestures, English vs Italian male college students, 55:4164
development of gestural imagery ability & graphic imagery, 5 vs 8 vs 11 yr olds, 57:2919
development of lexicon for purposes of symbolic communication, deaf children of hearing parents, 58:11951
elimination of hand gestures & verbal codability, speech performance, male college students, 55:6662
ethological study, sex differences in approaching strange adult, 3–5 yr olds, 53:11463
film of facial expressions & physical postures & tone of voice & alternative descriptions of scene, sensitivity to nonverbal messages, 53:7376
gesticulation & eye contact & self manipulations as body language concomitants of persuasiveness & persuasibility in dyadic interaction, female college students, 54:2991
gesture communication program, nonverbal 28 yr old severely retarded male, 54:3558
individual & sex differences & teacher's ratings of activity level & personality, nonverbal communication of affect via facial expressions & gestures, 4–6 yr olds, 54:11447
initial instructions vs repeated verbal & gestural cues, imitation patterns, 5–20 yr old speaking vs nonspeaking mentally retarded, extension of interchange hypothesis, 56:10150
modeling alone vs with instructions & feedback, eye contact & head & hand gestures & affect & assertiveness components of social skills, male 32 yr old schizophrenic, 57:1625
pantomime recognition impairment & verbal deficits, aphasic vs right-hemisphere vs subcortically damaged vs normal Ss, 54:1450
perceptions of student teacher's level of concern & use of indirect vs direct verbal behavior, perceptions of nonverbal gestures of known vs unknown student teachers, home economics students, 57:13881
place of origin, communication by gestures, Italian college students, 57:5425
psychoanalytic & clinical & semiological & ethological theories, self-contacting behaviors, 53:7353
relationships between members of dyad & sex & nonverbal behaviors, psychological distance, male & female Ss, 55:4498
representation of semantic relations in manual language, 1–4 yr old deaf children of hearing parents, 58:11953
sex & age, sex-typed gestures, 4–5 vs 11–12 yr olds, 58:7287
sex & eye contact & food & secondary sex characteristics & hand gestures, hitchhiking, 54:7525
sounds & facial gestures in pattern of spontaneous cry, newborns, 53:4877
symbolic gesture & verbal comprehension & reproduction of symbolic gestures, aphasics vs nonaphasic left vs right brain damaged patients, 56:10182
syntax of gestural language to express spatial relations, deaf students, 56:10212
systematic method development, selection of gestural imitation curriculum procedures for individual infants, day care staff, 54:1896
TAT & Rorschach responses during stressful interview, gestural behavior, 57:5000
transformation of sensorimotor morphemes into words of "more" & "mine" & associated multimorphic utterances, 2 yr old male, 55:11934
verbal cues vs object–person gestures, formation of warm vs cold personality perception, college students, 54:5259
visibility of all of screen vs face only vs rest of body, communication of emotions & intensity of emotion from facial & gestural cues, English vs Southern vs Northern Italian college students, 56:7901
vocabulary of communicative gestures, white middle class males in western US, 56:9615

Ghettoes
A vs B therapist type police officer interviewer, elicitation of personal information from citizens, white police officers & black male ghetto citizens, 53:9485
analysis of staff & facilities & programs, child psychiatry division in Harlem Hospital Center, 53:8196
definitions & perceptions of & accommodations to mental illness, low income black ghetto residents, 55:608
development & administration, community health center on edge of black ghetto, book, 54:6034
educationally approached psychiatric rehabilitation project for ghettoes, book, 53:1823
environmental & sociocultural antecedent conditions of aggression, Black children in urban ghettoes, 58:3537
experiences & thoughts & feelings, aging in ghetto, older blacks living in northern industrial city, 56:536
family size & education & income, aspirations for offspring, ghetto-dwelling black mothers, 56:580
functions & activities of psychiatric ward consultation & liaison nurse services, ghetto hospital, 53:8184
ghetto status & therapist attitudes & sociocultural variables & nonstandard English, psychiatric outpatient clinic diagnosis & treatment, black patients, 54:7983
increasing incidence & hostile or malicious intent, false fire alarm conflict, firemen & ghetto dwellers, 56:549
instructional mode using lecture-discussion vs simulation game-discussion vs film-discussion, cognitive knowledge differences & attitude change toward people living in ghetto, college students, 57:6741
maternal pathology & child disturbance, black ghetto working & middle class mothers, 56:8149
mental health center's experience with folk healers in Hispanic urban ghetto, value to team members in delivery of mental health service, 56:2672
moral development, minority ghetto children, 55:6850
multiple counseling, emotionally disturbed ghetto clients, 54:3796
need for special skills in development of meaningful relationships with & within poverty areas & minority communities or clients, white middle class social workers, 57:1869
outdoor social behavior in old ghetto neighborhood of low-rise tenements vs traditional low-income high-rise housing vs innovative high-rise housing with creative outdoor design, 56:7866
overperception of ghetto hostility toward police, adults & policemen, 53:2938
personal account of psychosocial counseling in ghetto, community psychologist, 54:1729
problems of ghetto adult psychiatric clinics, 53:8179
reappraisal of personal experiences, short term psychosocial counseling in ghetto, community psychologist, 54:1730
single value system vs subcultural models, lower class black ghetto work behavior & values, 56:5860
social context model, development of drug abuse prevention programs for young ghetto people, 58:3678
sociopsychological factors influencing encounters with danger, social workers in ghetto, 55:5372
sounds & language structure & views of black ghetto speech, 53:7378
strengths & weakness of ghetto life & problem development, black children in ghetto, book, 56:2127
team project using student action groups & psychotherapists, psychological disorders, lower-class ghetto inhabitants, 53:12291

Gifted
abstract vs concrete conceptual tasks, visual short-term memory for conceptual sets of objects, gifted vs average vs slow-learning 3rd graders, 53:9262
accelerated & individualized school programs & early college admission, facilitation of educational development, mathematically precocious youth, 56:4905
accelerated mathematics classes outside of regular school hours, acquisition of 4.5 yrs of precalculus in 120 hrs, mathematically talented, 58:2181
accuracy of teacher judgment procedures, identification of intellectually gifted children, literature review, 58:4422
achievement & grade level & sex, self concept, gifted 3rd–5th graders, 58:8362
acquisition of "ask/tell" construction in language, normal & retarded & gifted 8–10 yr olds, 58:9730
age & sex & intelligence measurement, conservation of weight, gifted vs nongifted 9–12 yr olds, 58:3086
age & sex & perceptions of emotional warmth to parents, affective needs, intellectually gifted adults, 56:4104
alternative programs in arts, gifted & talented students, 58:4232
anxiety, academic underachievement, brilliant students, 58:6282
art training, ability to express emotions through color in paintings, artistically gifted vs not gifted 6–12 yr olds, 58:9591
assessment of creativity in gifted black children, 54:12596
assignment to heterogeneous vs unspecified group, statement of minimal goals, gifted 6th graders, 57:4380
attendance at summer community college mathematics courses, academic achievement & educational facilitation, mathematically gifted 8th graders, 58:2109
attitudes toward educational offerings for gifted, academically gifted high school students & their parents & community leaders, 58:6130
attitudes toward gifted children & their public school programs, teachers & school administrators & parents & community leaders & lay public & gifted children, 55:3209
attitudes toward gifted students, teacher trainees, 58:1990
attitudes toward independent study, gifted students, 58:2203
attitudes towards educating gifted musicians & dancers, British performers, 55:5661
background & development of gifted child, case history of W. J. Sidis, implications for educational acceleration of precocious children, 58:11409
Behavioral Identification of Gifted, identification of nonwhite young gifted children, 55:1585
behavioral rating scale development, differentiation of gifted from average peers, Mexican-American 5–9 yr olds, 53:10539
biographical indices & CHAROSEL computer program, behavioral identification of giftedness, disadvantaged minority primary children in urban school, 55:13581
canonical correlation analysis, 16 PF responses & life history inventory, gifted high school juniors & seniors, 54:4242
career education program in mathematics, gifted preadolescents, 58:2022
characteristics & difficulties & development, gifted children, implications for recognition & education, 56:485
characteristics & identification & education, gifted, book, 55:12935
child development & social factors & maternal variables, prediction of exceptional status, 6 yr olds, 58:3067
cluster analysis of Stanford-Binet subscores, gifted 4th graders, 53:8410
cognitive styles, gifted vs average intelligence 7th & 8th graders, 58:9559
continuous influential productivity & achievement of long term eminence, behavioral definition of genius, 54:7606
counseling needs, gifted students in National Science Talent Search, 55:13600
creative brainstorming, problem solving competition, gifted children, 53:4067
creative personality, gifted adolescents, 53:3129
criterion-referenced measurement focusing on educational objectives, shaping & differential reinforcement for motivation in acquisition of psychomotor skill, 13 yr old male & 16–17 yr old male juvenile delinquents, 58:10544
cross-historical comparison, current status & past experiences & future plans, talented high school graduates, 10-yr followup studies, implications for guidance practice, 56:4964
curriculum development & teaching methods & need for early identification & individual differences, talented children, 55:13512
development & peer relations & educational factors, gifted students, 58:6122
development & validation of Gifted Attitude Scale, attitudes toward enrichment program, intellectually gifted 7th–9th graders completing vs not completing enrichment program, 58:6700
developmental & productive variables & methodological artifacts, achieved eminence, creators & leaders, multivariate approach to C. Cox's data, 56:2428
diagnosis & test materials, overview of psychological & educational evaluation of normal & exceptional children, 58:10201
divergent & convergent thinking, gifted high school seniors, 57:4361
early identification & facilities for development, emotionally disturbed gifted, 58:3496
education of gifted, review of state of art in US, 58:2188
educational methods, gifted & mentally retarded & learning disabled & handicapped & emotionally disturbed students, book, 54:8435
educational program for academically talented, academic achievement & financial success, 4th graders, longitudinal study, 57:11519
empathy & intelligence, biases toward productive goals for gifted children, teachers, 58:8184
enriched academic environment, scholastic achievement, culturally deprived 14–17 yr olds in special school for intellectually superior, 54:12602
enrichment programs & accelerated learning, development of intellectual potential, underachieving gifted children, 58:10396
enrichment triad model, identification & provision of skills for exploration of personal interests, gifted students, 58:2204
evaluative thinking game, classroom interaction, gifted junior high school students, 56:3008
exceptional memories, review of A. Binet & G. Mueller & T. Susukita's studies, 55:3721
exceptionality, book, 54:7180
extrapolated IQs for WISC revised version, gifted & mentally retarded children, 54:1422
extreme educational acceleration, mathematically brilliant youths, 58:2210

factored biographical questionnaire, identification of differentially gifted adolescents, high school students, 53:12566
family background & childrearing practices, sex differences in mathematical & scientific precocity, 7th & 8th graders, analysis of D. P. Keating's study, 56:4812
Flanders Interaction & Bloom Taxonomy & Gordon Teacher Effectiveness cues, teaching young & gifted & poor children, 55:10741
general personality correlates, creative personality, academically & artistically gifted high school juniors & seniors, 56:4123
giftedness & race, work ethic, Black vs White high school honor students, 58:2159
guidance services & resources, gifted, 55:13530
incidence of giftedness measured by reading level & mathematics achievement test criteria, urban disadvantaged 6th graders from schools with 10% Asian enrollment, 58:2076
intelligence & creativity, self concept, gifted 4th–8th graders, Israel, 56:6091
intelligence & empathy & methodological bias about teaching of gifted, educators, 55:3198
intelligence, concrete & formal operations, very bright 6–11 yr olds, 53:7057
intelligence test data vs teacher judgment as selection criteria & sex, measured creativity, mentally gifted 4th–6th graders, 58:6407
interrelationships among student & teacher ratings of artistic & academic creativity, 5th grade gifted students, 55:8262
involvement of parents in educational programs for exceptional children, 54:12604
item analysis of Stanford-Binet Intelligence Scale performance & validation of differences, average vs bright 5–15 yr olds, 58:106
Mager's behavioral objectives as applied in affective domain, gifted children, 55:12293
mathematics & science precocity, 7th & 8th graders, evaluation of papers by D. P. Keating & L. H. Fox & J. C. Stanley & H. S. Astin, 56:4811
mental & personality domains of development, low & high-achieving gifted 9th–11th graders from disadvantaged environments, 53:4023
multidimensional assessment, identification of gifted, 53:8405
national attitudes toward arts & gifted in art, US vs USSR, 58:3195
need for methods of fostering creativity in classroom, gifted children, 58:8271
needs & education of exceptional children, book, 53:1973
needs & problems & education of gifted children, book of papers from 1st World Conference for Gifted Children, 57:4429
neuroticism & extraversion, color preferences, gifted vs average art students, 55:12298
new screening methods, identification of disadvantaged gifted kindergarten children, 55:13582
noncategorical approach, educational labeling of exceptional children, 53:4049
nonverbal tests of intelligence & creativity, identification of giftedness & creativity, Black minority 4th & 5th graders, 57:6971
occupational goals & aspiration levels & career maturity, gifted 8th grade boys, implications for development of career awareness curriculum, 58:4449
Otis-Lennon Intelligence Test vs California Test of Mental Maturity vs Teacher Judgment Form vs Kaufmann Critical Observation Scale, identification of gifted children, kindergarten students, 55:5702
parents as facilitators of artistic talent, gifted children, 58:3070
participation in creativity oriented art curriculum, art products & intellectual & personality & value changes, academically superior adolescents, 57:6736
performance on Bayley Scales of Mental & Motor Development at 8 mo old, subsequent identification as intellectually precocious, 4 yr olds, 57:2971
personal & social adjustment & self concept & locus of control & anxiety, gifted vs nongifted 4th–8th graders, Israel, 58:3392
personality & behavior & interests & achievement & physiology & demography & home background, general mental ability & verbal vs math proficiency, 1961 National Merit Scholarship participants, 57:13821
personality traits, gifted college men, 1961 vs 1971, 55:12321
Piagetian assessment, conservation skills, gifted vs average 1st graders, 55:11039
Piagetian tasks of formal operations, brightness & cognitive developmental precocity, bright vs average 5th & 7th grade males, 57:940
pilot program, academically talented & intellectually gifted students, 58:8256
prediction & measurement of occupational & family life satisfaction & work persistence & marital history, 1972 followup of L. M. Terman study of gifted men, implications for personality development theory, 58:9605
problems in quantitative assessments, estimation of true abilities, exceptionally gifted students, 54:4252
process-oriented learning contract models for high ability students, 56:8688
profile of mothers of gifted children, 55:9610
psychology & education of intellectually gifted children, book, 58:4370
radical educational acceleration, intellectual alienation, mathematically precocious adolescents, 56:4929
ratings on checklist of desirable characteristics & relationship to characteristic behaviors of creative individuals, teachers & parents of gifted children & elementary & junior high students in classes for gifted, 57:11460
Raven Standard Progressive Matrices & California Tests of Mental Maturity & California Achievement Tests & teacher nominations & WISC & Advanced Progressive Matrices, identification of gifted disadvantaged, 8th grade students, 54:4235
recommendations concerning advanced development, kindergarten students & teachers, 53:4059
regional mathematics & science competition employing aptitude measures, identification of precocious talent, 7th & 8th graders, 56:4969
relatively high vs low mental ability, personality differences, female student teachers, 55:4661
Rosenthal's theory of teacher expectancy vs Harvey's belief systems theory, attitudes & behavior toward "bright" students, teachers, 58:12457
school program for gifted, attitudes & motivation, junior high & high school students, 55:13482
selected viewing of commercial television, divergent thinking abilities, intellectually gifted elementary school students, 55:8105
services of Council for Exceptional Children's Information Center on Handicapped & Gifted Children, 54:10621
sex & grade & handicapped vs advantaged vs gifted educational groups, self disclosure patterns, 7th vs 8th vs 9th graders, 57:5941
sex & low vs high problem perception, guidance needs & self concept & number of counselor contacts & problem appropriateness for discussion & perceived counselor attributes, middle school educable mentally retarded vs gifted students in exceptional classes, 57:9198
simulation of integrating exceptional children into regular classroom, attitude change, regular classroom teachers, 55:5459
simultaneous bilateral presentation of different word pairs, word recognition, 10 yr old disabled vs good readers of average intelligence vs gifted Ss, test of cerebral dominance, 58:6864
socioeducational perspective, gifted child, book, 55:13492
sociometric group standing, evaluation of own vs other's criteria used in interpersonal evaluations of group members, gifted 4th–6th graders in special course, 58:8375
Structure of Intellect Institute, development of model applicable to stimulate intellectual factors, 58:2046
support-teacher programs, maintenance within regular school program, exceptional & potentially exceptional 1st graders, 56:1361
teacher action-discussion group, use of characteristics of giftedness & humanistic teaching methods & satisfaction in teaching, teachers of gifted students, 55:10992
teacher self perception, self concept, disadvantaged gifted preschool age children, 55:8287
token reinforcement, divergent responding as measured by Wallach-Kogan Creativity Test, average vs gifted vs learning disabled children, 57:8730
training program in identification of gifted children, accuracy of judgment in identification of & efficiency in referrals of gifted & attitudes toward abilities of disadvantaged, 3rd–6th grade teachers, 57:6677
very bright vs average intelligence vs high-grade mentally defective, performance on Coloured Progressive Matrices & nonlanguage problem, 8 yr olds, 56:2514

Gilles De La Tourette Disorder
alpha methylparatyrosine & tetrabenazine, brain catecholamines, patients with Gilles de la Tourette syndrome, 53:10140
biological vs psychosocial factors, haloperidol, multiple tic syndrome treatment, 53:7904
clinical & genetic & biochemical aspects & psychological & behavior problems, families with 1 or more members with Gilles de la Tourette's syndrome, 58:5669
clinical features & etiology & course of illness & treatment, Gilles de la Tourette disorder, review, 55:12540
clinical study, Gilles de la Tourette syndrome, 50 yr old male oligophrenic, 54:12150
concurrence of tics & neurotic disorders, maternal family of patient with Gilles de la Tourette syndrome, 57:3684
diagnosis & treatment using haloperidol, Gilles de la Tourette syndrome, case report, 53:12160
dimethyl aminoethanol & perphenazine, 31 yr old male with Gilles de la Tourette syndrome, 58:9985
drug therapy & outcomes, Gilles de la Tourette syndrome patients, followup study, 57:1677
EEG patterns, children & adolescents with Gilles de la Tourette's disease, 53:1553
etiology & management, Gilles de la Tourette's syndrome, 56:10180
etiology & pathogenesis, Gilles de la Tourette syndrome, 54:3510
Gilles de la Tourette syndrome symptom onset at age 35, case history, 55:901
haloperidol treatment & behavioral & biochemical relationship to schizophrenia & amphetamine psychosis, Gilles de la Tourette's disease, 53:3712
haloperidol vs Tacitin, symptom reduction, children with Gilles de la Tourette's disease, 56:4527
haloperidol, 13 yr old male & 15 yr old female with Gilles de la Tourette's syndrome, 55:5160
localization of subcortical activity & nosology, Gilles de la Tourette syndrome, 53:3347
methylphenidate vs imipramine, Gilles de la Tourette's disease, 7 & 8 & 11 yr old males, 58:3909
military service-connected Gilles de la Tourette syndrome, 38 yr old male veteran, 55:4963
multiple tics & vocalization, 19-yr-old male with XYY sex chromosomes & Gilles de la Tourette syndrome, 53:9953
plasma norepinephrine & activities of its enzymes, patients with Gilles de la Tourette's syndrome, 58:5691
psychiatric & neurological & brain damage symptoms & EEGs, hospitalized psychiatric patients with motoric tics & Gilles de la Tourette syndrome, 57:8373
psychiatric disorders & treatment, female & males with Gilles de la Tourette syndrome, 55:10132
psychological test indices of organicity & organic impairment signs on psychiatric & neurological & EEG examinations, patients with Gilles de la Tourette syndrome, 53:5747
reinforcement of incompatible behavior in structured vs natural environments, multiple tics, adolescent boy with Gilles de la Tourette syndrome, 56:8389
self-monitoring, symptom control, 11-yr-old male with Gilles de la Tourette's syndrome, 53:3734
treatment & management & range of causes, Gilles de la Tourette syndrome, 9–11.5 yr olds, 54:1427

Glands [See Also Adrenal Glands, Endocrine Glands, Gonads, Hypothalamo Hypophyseal System, Mammary Glands, Ovaries, Pancreas, Parathyroid Glands, Pineal Body, Pituitary Gland, Salivary Glands, Testes, Thyroid Gland]
castration & methyltestosterone & ethinyloestradiol scent marking by skin gland secretion & urination & defecation, musk shrews, 57:12309
dihydroactinidiolide in supracaudal scent gland secretion, red fox, significance for mammalian communication, 56:1938
G-strophanthin, skin potential level in sweat glands, 55:6647
identification & function, cyclopentyl ketones in anal gland secretions, Azteca ants, 54:4696
observational study, marking with antobital glands, Eld's deer, 56:1892
odors from normal & glandectomized male golden hamsters, exploration of unfamiliar area, male hamsters, 55:9060
sebum production of perineal glands & social dominance relationship, male guinea pigs, 53:4573
testosterone or dihydrotestosterone dosages & growth hormone & prolactin & age, pubertal increase in responsiveness of sexual accessory tissues, castrated at birth vs intact male rats, 58:9047
wing gland male sex pheromone, mating behavior, Indian meal moth, 53:11357

Glaucoma
diazepam, development of severe angle-closure glaucoma, 54 yr old male with petit mal epilepsy, 58:12155
efforts to find cure, glaucomic woman, 53:5704
lorazepam, ocular pressure, patients with glaucoma, 54:1567

Globulins [See Also Antibodies, Gamma Globulin, Immunoglobulins]
physical measurements & whole blood & plasma & serum levels of alpha sub 2 globulins & cholinesterase & ceruloplasmin activity, normals vs chronic & acute schizophrenic patients, 54:7772
stressful 77-hr vigil, blood coagulation & fibrinolysis, healthy female 23–44 yr olds, 55:9166

Globus Pallidus
density of neurotransmitter receptor binding sites in globus pallidus & putamen & substantia nigra, patients with Huntington's chorea, 57:8524
ethanolamine-O-sulphate injected into globus pallidus, gamma-aminobutyric acid concentrations & spontaneous & amphetamine-induced motor behavior, rats, 57:12415
globi pallidi lesions vs lesions of 3 different striatal regions, deficits in consummatory responses to regulatory challenges, rats, 54:6968
globus pallidus lesions, hyperactive behavior during light & dark cycle, female rats, 57:691
local cooling in region of globus pallidus, performance of learned flexion-extension elbow movements without visual information, monkeys, 58:2912
pallidal & entopeduncular single unit activity during drinking, male cats, 55:323

Glossary
explication of fundamental concepts, development of glossary, guided daydream therapy, 57:10699
operationally defined classroom behaviors, glossary, 58:6321
physiological basis & classification & differential diagnosis, headache, 53:3506

Glossolalia
ecstatic pentecostal experience of altered consciousness, 53:10013

Glossopharyngeal Nerve [See Cranial Nerves]

Glucagon
dopamine vs noradrenaline vs glucagon tissue stimulation, inhibitory effects of neuroleptic drugs on adenylate cyclase, rats, 56:2056
glucodynamic hormones, feeding patterns, male rats, 54:2531
lithium, glucagon-stimulated cyclic adenosine monophosphate excretion, male rats, 54:4837
pancreatic glucagon, formation of mucosal lesions & ulcers, intact vs sham-operated vs adrenalectomized male rats, 53:11100
presurgical insulin vs glucagon treatment & electrical stimulation in lesioned area & para-chlorophenylalanine pretreatment & environmental illumination, modification of aphagic period & septal rage syndrome & motor impairment consequent to lateral hypothalamic lesions, 57:12320
prolonged lithium ingestion, glucagon & parathyroid hormone responses, rats, 54:4836

Glucose [See Also Blood Sugar]
absorption of intragastric carbohydrate load & insulin during glucose intubation, satiation, immature & adult rats, 55:4011
ACTH & glucose injections into lateral forebrain ventricles, displacement activities in stressful conflict situations, pigeons, 57:12374
age & food deprivation & glucose administration, medial & lateral hypothalamic oxygen consumption, male rats, 55:9123
analysis of glucose & insulin tolerance tests results, depressed psychiatric patients, 55:7291
bilateral damage to medial forebrain bundle & decreased intracellular glucose utilization, food-motivated behavior, female rats, 53:4651
concurrent operants procedure, preferences of glucose-plus-saccharin vs various concentrations of glucose solutions, male rats, 55:11565
correlation between glucose-6-phosphate dehydrogenase deficiency & chronic schizophrenia, 23 yr old Black female, 57:6014
correlation of glucose & adenosine triphosphate blood levels, 19–53 yr old normals, 53:11049
decreased intracellular glucose vs cold environmental temperature, feeding as reflected by food-motivated behavior, medial forebrain damaged vs normal rats, 58:507
dextroamphetamine, incorporation of radioactivity of labeled glucose in brain, mice housed individually vs in groups, 56:392
dosage of 3,4,5-trimethoxyamphetamine, locomotor activity & plasma corticosterone & glucose & adrenal epinephrine levels, male mice, 57:9899
early experience, glucose U super 14 C utilization by brain during anticipation stress, rats, 57:5162
feeding condition & glucose infusion site, food intake, female rabbits, 53:2542
food deprivation & salt & water & glucose loads & 2-deoxy-D-glucose, feeding behavior & osmolality of serum glucose, 9–11 day old sucking rats, 56:9458
glucose & amino acid & lipid infusion, dietary self selection, rats, 55:6458
glucose access & high-fat & high-protein diets & protein synthesis inhibition & glucocorticoids, feeding induced by repeated protamine zinc insulin injections, male rats, 54:9076
glucose availability & signals from fat deposits & brain amino acid patterns, food intake control, hyperphagic rats, 58:9012
glucose concentration & elimination from plasma, nondiabetic alcholics, 54:2929
glucose infusions, plasma glucose & insulin during meals & between meal intervals & timing or size of meals, catheterized male rats, 58:9173
glucose load, secretory responses of plasma immunoreactive insulin & somatotropin, male alcoholics with delirium tremens & alcoholic hallucinosis, 57:1416
glucose tolerance tests & symptomatology & MMPI scores & psychiatric interviews, psychodiagnosis of hypoglycemia, 20–67 yr old patients, 56:4320
glucose-6-phosphate, ventromedial hypothalamic electrical activity, male rats, 55:9186
gonadectomy & ovariectomy, tap water vs glucose solution preference, male & female rats, 55:11732
haloperidol, glucose-insulin metabolism, 22–62 yr old chronic schizophrenics, 56:1103
hangover & modification by fructose vs glucose, psychomotor skills related to driving, male students, 56:2080
hunger & satiety & satiating glucose load, taste intensity & taste pleasantness of sweet & salty & sour & bitter, male medical students, 56:5223
hypothalamic knife cuts, ingestive responses to glucose & insulin, female rats, 55:6521
injection & incorporation of radioactive glucosamine into brain ganglioside fractions during conditioned avoidance jump-up task, male mice, 55:4097
injections & intragastric loading of glucose & mannitol solutions, food intake, male rats, 55:11822
injections of isotonic solution of 2-deoxyglucose, feeding latencies & meal sizes following satiation, intact & adrenal demedullated rats, 55:6448
insulin vs 2-deoxy-dextroglucose dosages, food intake in reinforcement vs ad lib home cage feeding situation, rats, 58:9178
iv infusions & intragastric injections of glucose vs nonglucose solutions, flavor preferences, rats, 55:4022
lithium, brain glucose metabolism, rats, 57:2780
localized perfusion of glucose & insulin & 2-deoxy-D-glucose, noradrenergic feeding system in hypothalamus, monkeys, 58:622
long term lithium treatment, glucose tolerance & serum lipids, patients with Meniere's disease, 56:2651
microapplication of free fatty acid, lateral hypothalamic neurons & eating, rats, 54:9114
oral glucose intake reduction during gastric or duodenal intubation, postingestive factors in control of glucose intake, satiated female rats, 54:507
parasagittal hypothalamic knife cuts & subsequent 2-deoxy-D-glucose, food intake in response to glucoprivation, rats, 55:4021
perception of intensity & pleasantness of glucose solutions in response to short term satiety & deprivation cues, obese vs mildly overweight vs normal weight females, 57:13083
saline vs insulin vs glucose vs glucose plus insulin injections as UCS, classical conditioning of hypoglycemic response, male rats, 57:9788
sex, preference for saccharin vs sucrose vs glucose vs saccharin & glucose solutions following food deprivation, rats, 57:7543
starvation & lithium & glucose, correlations between tryptophan concentrations in brain & cisternal fluid, rats, 56:1937
temporal & spatial presentation components, glucose plus saccharin-induced polydipsia, rats, 55:9271
visceral sympathectomy, food intake induced by hepatic-portal vs jugular vein infusion of 2-deoxydextroglucose, female rabbits, 56:1971

voluntary consumption of glucose & injection of glucose into ventromedial hypothalamus, food intake & calorie retention, normal vs diabetic rats, 56:9481
2-deoxy-D-glucose intracranial vs intravenous administration, feeding behavior, rabbits, 53:4632

Glue Sniffing
drug abuse education, attitudes toward glue & marihuana & barbiturates & heroin & LSD & amphetamines, 7th graders, 55:1364
glue sniffing, psychosocial symptoms, junior high school students, 53:9426
inhalation of toxic solvents, physiological & psychological reactions, juveniles, 53:7670
prevention & cure proposals, environmental stress-induced glue sniffing, children, 53:12164
solvent & inhalant abuse & control, review, 58:5293

Glutamic Acid
aminergic drugs & glutamic acid, audiogenic seizures induced by early exposure to ethanol, mice, 54:7073
benzodiazepines, exertion of action on CNS through facilitation of gamma-aminobutyric acid-ergic transmission, role of GABA neurons in anxiety & other symptoms of neurosis, 55:419
brain glutamic acid decarboxylase, open field activity, 10 inbred strains of mice, 56:7388
cannabinoid-induced cataleptoid state, gamma-aminobutyric acid uptake by nerve terminals & concentration & synthesis by glutamic acid decarboxylase, rats, 55:423
fluorescamine measurement, spontaneous & electrically-induced release from isolated brain tissue, rats, 56:5479
intracisternal gamma-aminobutyric acid vs glutamic acid, behavioral activity in novel environment, male rats, 57:2741
lithium & other alkali metals, brain glutamic acid & gamma-aminobutyric acid, male rats, 56:403
piracetam, metabolism of glutamic acid & proline in visual & parietal cortex, male rats, 57:2776
valine during acquisition & extinction of avoidance response, allosteric inhibition of L-glutamic acid decarboxylase in brain, rats, 57:5356

Glutamine
intracerebral injections of glutamic acid, acquisition & performance & extinction of operant barpress response & behavioral activity, food-deprived male rats, 58:11255
undernutrition, metabolic compartmentation of glutamate & incorporation of radioactive leucine into protein in brain, rats, 55:4027

Glutethimide
amylobarbitone vs flurazepam vs methaqualone & diphenhydramine vs glutethimide alone vs with alcohol, psychomotor skills related to driving, student volunteers, 57:2788
catatonia-like symptoms & dyskinesias associated with glutethimide discontinuance & antihistamine use, 37 yr old female patient, 57:10907
chloral hydrate & glutethimide, anticoagulant activity of warfarin, coronary heart diseased patients, 54:1621
drugs injected in suicide attempts & fatal outcomes, 55:9677
glutethimide & codeine combination, euphoria & addiction, 6 case reports, 54:5883

Glycine
glycine & nalorphine & mephenesin, aggressiveness, rats & mice, 55:4157
glycine, inhibitory effect on rabbit retina in vivo & strychnine as glycine antagonist, 53:9074
synaptosomal fractions from isolated vs aggregately-housed mice, capacity to bind glycine & gamma-aminobutyric acid, 55:11606

Glycogen
brain acetylcholine & liver tryptophane-pyrrolase & glycogen, rats selected for high & low activity & defecation rates, 57:5173
food & light, daily rhythms of glycogen synthetase & phosphorylase activities in liver, male rats, 58:563

Goals
achievement motivation & goal distance in time & future time orientation, slope of gradients for performance, 12 yr olds, 55:4611
achievement orientation & arousal conditions, intellectual-academic goal approach behavior, 1st grade males, 57:1971
affective vs behavioral counselor interview styles, client environmental contingency & goal-related & action-step-related & self reference affect & time-oriented statements, female clients, 58:12214
anxiety & performance goals, acquisition of gross motor juggling task, junior high school students, 56:3314
application of cooperative goal structures to instructional activities, 54:8345
appraisal interview style & goal setting & differential feedback, satisfaction & motivation & test performance, college students, 58:12359
aspirational vs aspirational & directional goal setting experience, performance & attitudes, controlled field study, 57:7511
assigned vs participative vs "do your best" goal setting, productivity, disadvantaged woods worker crews vs educated logging crews, 54:6481
attitudes & self perceptions & personal goals, females seeking counseling at continuing education center, 58:12680
automated system for evaluating treatment effectiveness based on goal-attainment approach, 54:1512
availability of behavioral objectives & goal orientation, mathematics learning, college students, 57:9083
availability of published tests, measurement of elementary education goal priorities, 53:1999
basal reader approach vs prestated performance objectives, recognition & recall of main idea & details & sequence, 4th vs 5th graders, 57:6779
behavioral objectives classified according to major levels of cognition in independent study materials, initial learning & retention of social studies content, high school students, 55:1381
behavioral objectives vs traditional methodology, student reading achievement & attitudes toward school, elementary teachers & students & parents, 55:13105
behaviorally stated objectives, social studies achievement, 11th graders, 58:12602
career orientation program, state anxiety & life goal changes, anxious institutionalized delinquent youth, 57:6532
choice possibilities & regulation of action & concept of norm, error in goal-setting behavior, 53:6692
clarity of type of required performance & expected evaluation, relationship between goal setting & performance, 9th graders, 56:9254
classification of students to facilitate decisions on science instruction directed toward affective goals, 57:13751
client involvement in goal setting, therapeutic outcomes, psychiatric inpatients, 57:3864
cognitive structure of abstractness, goal characteristics & life satisfaction, males rendered paraplegic or quadriplegic due to spinal cord injuries, 58:1436
comparative needs assessment procedures, reliability of rated importance of educational goals, community members & educators & students in rural school districts, 56:1294
competition, actual & perceived expectancies & minimal goal levels, male vs female college students, 53:3025
competition for monetary reward & knowledge of results & goal setting, repetitive assembly task performance, male college students, implications for motivational & management consideration, 57:7036
competitive handball contests, goal-setting behavior & need achievement, male college students, 58:5430
conceptions of thinking & critical thinking, educational goals, 55:12958
concrete goal-setting system, evaluation of treatment progress, psychiatric outpatients in day hospital, 53:8151
contrived information of female & male performance, achievement behavior, preschool girls vs boys, discussion of fear of success hypothesis, 57:1024
contrived information of male & female performance, goal setting behavior, male vs female preschoolers, 56:7978
counseling effectiveness, meaningful direction & purpose in life, 54:7986
Delphi Technique, variability & central tendency of group factual & value judgment, industrial education faculty & undergraduates & recent graduates & school administrators & employers of graduates, 55:3461
demographic characteristics, attitudes toward goals of board of education, school-community advisory council members, 56:10571
density & intrusion & goal-blocking, self reported stress & self disclosure & nonverbal behavior, college students, 55:7045
development of career education goals through use of Delphi technique, agreement on goals, educators vs noneducators, 58:1984
development of goal behaviors for token economy in established institution, staff & residents at state training institution, 54:6145
development of measures of future achievement orientations, predictive validity for job training outcomes & economic success, male participants in Manpower Development Training Act programs, 58:6685
development of psychosocial identity, heterosexual relationships & future outlook, female college students, 58:7267
development of realistic life space curriculum using work & play & home characteristics, acquisition of practical knowledge for future planning, students, 57:4347
diagnosis of nonresectable lung cancer, attachments with others & intended goals, terminally ill patients, 58:9782
differential treatment goals in behavior modification program, smoking reduction, adult smokers, 58:1643
dogmatism & internal external locus of control & life goals, married couples in stable vs unstable marriages, 58:5250
drug usage & life purpose interrelationship, junior & senior high school students, 55:2302
educational framework, concept & model of adulthood applicable to technically advanced & highly industrialized societies, 58:10205
educational objectives & instructional methods forming basis of ethics/human values curriculum in family practice residency program, 58:8124
educational objectives, guidelines & format for effective instructional unit, 54:12518
egocentric vs prosocial orientation, extraindividual–individual goal conflict solution, college students, 54:9422
empirical methodology, measure of educational goals & purposes, evaluation of educational product, 55:3231
employee's task goals & individual need strengths, supervisory performance, 1st level supervisors, 55:11151
evaluation of behavioral objectives for consultant role of school psychologist, teachers vs school psychologists, 58:12455
evaluation of program objectives & functioning, volunteer paraprofessionals staffing career information & advisory service for women, 58:10666
expectancy & goal theory concepts, goal acceptance & task effort & performance, 55:3798
expectancy theory of V. H. Vroom, applicability to 6-mo production volume & goal attainment criterion from actual & estimated production, life insurance salesmen, 53:8479
expectations & perception of priority order of selected educational goals, high school administrators & teachers & students & citizens & school board members, 55:12993
expectations about goal attainment & goal importance & psychopathology & experienced anxiety, psychiatric patients & college students, 56:8113
factor analysis of Purpose in Life Test scores, US vs Japanese normal & psychiatric groups, 54:5336
family values & goals & social participation & self concept, unmarried males & females with hearing loss, 55:4917
feasibility & validity & reliability, goal attainment scaling as evaluation instrument developed by Hennepin County Mental Health Service, 55:12756
future educational goals, development of flexibility & self directed learning vs job-related skill teaching, implications for curricula, 58:12530
general reading directions vs outlined learning goals & dispersed vs nondispersed text organization, recall from prose & recall dependencies, high school students, 57:11420
genesis & development of reward-expectation research, 58:6889
goal attainment scaling, case planning & treatment outcome, clinicians representing social work & child care & psychology, 58:5770
goal attainment scaling, individual treatment program evaluation at community mental health service, 53:8057
goal behavior for self instruction, performance, students, 55:3042
goal clarity & participation in goal setting & personality characteristics, job satisfaction in scientific organization, scientists & engineers, 55:11154
goal congruence between client & therapist, premature dropout from therapy, clients, 57:8645
goal distance in time, achievement motives & performance level, Norwegian 6th graders, 53:5325
goal formation processes in mental problem solving, 54:11007
goal perceptions & preferences at regional universities vs public community colleges vs private liberal arts vs evangelical-fundamentalist colleges, faculty & administrators, 56:4722
goal selection & T group participation, self rated change, high school seniors, 54:7439
goal setting & monetary incentives, motivation measures & performance in 1-wk job in simulated company, 17–19 yr olds, 57:7008
goal setting & performance, levels of satisfaction in competitively structured interdependent bargaining, male college students, 53:5199
goal setting instructions as compensation for fear of success, academic achievement, junior high school females, 55:1488
goal setting, job performance measured by net weight of trucks in logging operations, 53:12699
goal specificity & difficulty & willingness to exert sufficient effort & performance interval frequency, repetitive & problem solving task performance, college students, 58:376
goal vs process orientation policy, community mental health programs, 54:1732
goal-demand conditions & topics in interpersonal clinical situation, paranoid & nonparanoid schizophrenics & nonpsychotic psychiatric inpatients, 57:1373
goal-oriented automated progress note system, psychiatric treatment effectiveness evaluation, 53:7788
goal-oriented counseling, use in drug addiction program, 54:8079
goals & expectations, adolescent clients participating in community-based drug treatment program, 1-yr followup, 58:12284
goals & goal definition & treatment methods & efficacy & theoretical foundations, behavior therapy evaluation, 53:1770
goals & goal sequencing & task process, level of individual performance, college students, 55:6202
goals & purposes & future, undergraduate education in psychology of aging, 57:6790
goal-setting attributes & need for achievement & autonomy & affiliation, job satisfaction, scientists & engineers, 57:14108
goal-setting procedure, motivation for learning tasks, learning disabled students, 56:4906
group vs individual incentive plans, goal setting & performance, college students, applicability to achievement motivation enhancement, 58:5307
group-appointed goals, social studies teaching behavior, 3rd–6th grade student teachers, 55:1318
growth centers as institutional alternatives to psychotherapy, goals & expectations of applicants to growth centers vs National Training Laboratories vs private psychiatric clinics, 56:2588
guidelines for goal-oriented psychiatric records, 58:8096
high room density & room size & intrusion & goal blocking, nonverbal behavior & self disclosure & self reported stress, male college students, 56:702
human relations training with concrete goal & systematic vs unsystematic training, communication skills, groups of graduate students, 55:5063
humanistic psychological education course, personal growth, college & graduate students, 58:12484
implementation of individualized learning system, superordinate goal function & organizational climate effects, implementation schools, 57:9014
individual differences, instructional objectives & role of teacher, 58:8252
individualistic & competitive & cooperative motives in non-zero-sum games, identification of motivational goals through payoff consideration & choice behavior factor, 57:2487
information about partner's goal orientation, cooperative behavior on Prisoner's Dilemma game, cooperative vs competitive male college student dyads, 53:9474
information gathering & locus of control & expectations, planning for personal goals, male college students, 56:8049
initial therapeutic expectancies & Ss' awareness of therapeutic goals, systematic desensitization, literature review, 56:1087
Institutional Goals Inventory, institutional goals & curriculum planning of California state colleges, 53:12382
institutionalization length & locus of control & furtive time perspective, goal-setting behavior, paranoid & nonparanoid hospitalized schizophrenic males, 56:792
instruction relative to importance & use of behavioral objectives & type of feedback, concept learning, 4th graders, 58:8289
instructional objectives before vs after text with vs without relevant information, prose learning, 10th & 12th graders, 53:1946
intergenerational agreement concerning personal life goals & role-appropriate values, illusory nature of concept of "generation gap", reanalysis by age of M. Rokeach's adult sample, 57:2865
internal-external control & feedback, goal setting behaviors & attribution of performance, college students, 57:3337
intervention effect of structural career development experience, personal & career & educational goals, college students in experiential teacher training program, 58:10584
involvement in self- vs cause-oriented organized groups & vocational & hobby interests & sex & socioeconomic status, purpose in life, college students, 57:8309
job enrichment & goal setting, satisfaction & productivity, part time workers, implications for job design, 57:2106
judgments between group goal & their outputs, cooperative & competitive behaviors of group members, male college students, 54:5215
knowledge of instructional objectives, affective & cognitive learning in religious education setting, adults, 58:2013
knowledge of results & social reinforcement, goal setting & performance & satisfaction, college students, implications for cognitive theory of goal setting & task motivation, 57:7510
language form problems, description of goals in psychotherapy, 53:12111
leader style & group member goal choice, self esteem & attitudes toward people & interpersonal coping style, T-group participants, 58:1638
learning goal difficulty & type of instructions, prose learning, 56:2875
learning interests & self concept & fate control & post high school plans, verbal & math achievement, black high school students, 56:1423
level of entering behavior, achievement on critical tests measuring educational objectives when receiving visualized instruction, college students, 54:12532
levels of support & feedback in organizational climate & S's goals & self image, work involvement & success cycle, 2nd–4th graders, 58:2132
locus of control & expectancy confirmation-disconfirmation & self vs other determined goal, causal attributions of failure in anagram task, college studies, 57:3246
locus of control & participation in Upward Mobility Program, prediction of goal-directed behavior, Equal Employment Opportunity employees, 57:3304
locus of control measured on Academic Achievement Accountability questionnaire & goal setting, persistence at learning task, rural 6th grade boys of low socioeconomic status, 55:13292
long range & immediate goal discrepancy, postulates of delinquency, 54:9945
mastery level criterion & aptitude, geography achievement & retention & attitudes, students, 58:12486
maternal childrearing practices & parental attitudes & life goals, verbal & quantitative & spatial abilities & perceptual speed & field independence, adopted 5–7 yr olds, 57:7934
model for goal-directed change of elementary educational processes, Netherlands, 58:12367
motivational & procedural & bodily operational structure, intentions, 53:4526
motivational factors, enrollment in directed self study bachelor's degree program, adults, 55:2896
need achievement & self esteem & locus of control & performance goals, performance level, 58:7615
need for achievement, relationship between employees' task goals & supervisory performance, female 40–44 yr old 1st level supervisors, 54:8616
new factor analysis verification of link between individuals' life goals & social class scale positions, reexamination of C. Buhler's Life Goals Inventory, 54:2190
number & outcome of preceding trials, individual strategies in goal setting for next trial, college students, support for serial integration model of goal setting, 56:5340
number of learning goals assigned & achievable from reading passage & similarity between unachievable goals & text passages, goal-related & incidental learning, college students, 55:8180
organizational behavior perspective, therapeutic goals, inpatient psychiatric units, 54:1788
organizational preference & opportunity for goal fulfillment & importance of goals, college graduates, 56:10827
participants' initial goals & expectations, small group facilitation of goals & perceptions of group processes in sensitivity training, college students & group leaders, 57:8693
participative vs assigned goal setting, 1-yr followup on performance & job satisfaction, sales personnel, 57:7066
peer counseling rap groups, self esteem & use of resources & reasonableness of goals, college students, 58:1639

perception of opponent's goals & incentives, cooperation in mixed-motive game, male college students, 53:9498
perceptions of goals & expectations of school psychological services & role of school psychologist, parents vs teachers vs administrators vs school psychologists, 58:10234
performance counseling with written goal setting, patient-care scores, staff nurses, 54:5364
performance objectives & dependency & intelligence & sex, social science achievement, 8th graders, 55:5564
performance objectives, electrical skill learning, educationally disadvantaged high school students, 55:1394
performance vs non-performance objectives, cognitive learning, teacher education students, 58:6174
personal goal setting for course, instructor critique & course critique & relevance of text & classwork & grades & affective level, college students, 56:1405
personal values, male drug addicts vs alcoholics, 53:9877
personality factors, goal setting for familiar & unfamiliar aspiration tasks, varsity national vs non-national finalist vs Olympic male swimmers, 57:5843
personality traits, male foreign students in US from Brazil & Japan & Korea & Taiwan with intentions of returning to their homeland vs remaining in US, 58:1267
personality traits, marketing decision making style in industrial simulation task, management students & practicing managers, 56:6920
perspectives on nature of purpose & role in release of human potential, theory of volition, implications for early and middle childhood educational planning, 55:10623
policy perspective, facilitating elements of institutional goal-setting in colleges, 58:4208
preordinate type objectives-based educational evaluation model, 54:10485
previous performance & goals & competitor's performance, aspiration levels in simulated firm environment, graduate business students, 53:2034
procedure using level of goal statements, establishment of teacher education criteria, 54:6208
psychological factors, acquisition & maintenance of hope, 54:3140
quality of life & social indicators as tools for goal setting, educational aims, curriculum workers, 57:11379
queue position & rate of decrement & salience, entrapment in waiting situations, college students, 54:8915
race & father presence vs absence, personal identity & attitudes toward conventional success goals in early adulthood, Black vs White junior & senior high school males, 57:10018
ranking of educational outcomes in terms of importance to self & perceived importance for teacher, 4th-yr junior school students, 54:1821
re-evaluation counseling vs discussion group leader training vs encounter groups, evaluation of personality changes & group & individual goal accomplishment, college students, 54:12662
relationship between classroom objectives & activities, elementary school teachers, implications for changing teachers' behavior, 58:12409
relationship of measurements of dogmatism & purpose in life & self actualization, college students, 55:4638
relationships among S & consultee & goal & process variables in consultations, school psychologists from middle & upper middle class districts with low psychologist/pupil ratios, 57:9164
reliability, geographical mobility index as measure of intention, college students, 56:9920
reliability of contextual cues for praise & goal orientations, compliance measured by task responsiveness & physical distance & affiliative helping response, support for informational properties of cues mediating social influence processes, 58:7414
response desirability vs performance standard & observation vs response feedback, reactivity of self-monitoring, college students, 53:3139
retirement, adjustment in hierarchy of personal goals, 55:2237
reversed goal gradient treatment of aberrant behavior involving exposure to anxiety-eliciting stimuli, maze learning & relearning, rats, implications for behavior therapy, 58:8930
role perceptions & goal orientation & social adaptation & parental influences, successful Black professional women, 58:10673
role vs goal motivation & personality characteristics & self concept & educational-vocational interests & values & demographic data, curriculum choice, college students, 57:13899
schools' & teachers' stated & derived cognitive educational objectives in American history classes, 55:8036
selected references concerning stated educational objectives & criterion-referenced tests, bibliography, 55:13614
self report measurement of "delinquent orientation," institutionalized delinquents vs high school students, 55:10033
self-perception & goals, drug rehabilitation success measurement, drug addicts, 53:12135
severity of exertion in service of goal, attraction to cause & citing of charity as behavior justification, 10–15 yr olds in charity march, 56:7936
skill acquisition training for proposed goal, group therapy in residential environment, drug abusers, 56:10464
small-group seminars, professional & personal goals conflict, female medical students, 54:5374
socioeconomic & verbal communication & value & goal orientation & perception & sociability & satisfaction variables, perception of husband-wife verbal communication, wives, 55:9616
specificity vs generality in instructional objectives, 58:6260
steps for development of individualized behavior-change goals, clients in individual & group therapy, 56:2582
student knowledge & acceptance of behavioral objectives, school learning & achievement, graduate students in vocational educational course, 55:10852
style of instructor influence & use of goal statements, information acquisition, adult learners, 55:1425
success vs failure at meeting prescribed standards & origin of performance standards, self evaluation & self reinforcement, behaviorally disordered vs normal 8–11 yr olds, significance for educational programs, 58:2201
Summer Institute for Cultural Awareness, self actualization & perceptions of goal achievement, experienced high school teachers, 58:8177
systems theoretic interpretation of goal orientedness of problem solving processes, 56:7200
task analysis model with behavioral objectives, cognitive & psychomotor learning, educationally disadvantaged students, 55:1338
task difficulty & goal setting, performance on chess problems, college students, 56:167
task goal difficulty & achievement motivation, task performance, college students, 58:8837
taxonomy of fundamental flying abilities as training objectives, pilot training, 55:11097
teacher-directed group counseling, self esteem & congruence of teacher & student perceptions of group climate & achievement of teacher's goals for group climate, high school students & teachers, 55:10943
teachers' goals & practices & sex bias, students' perceptions of school & achievement aspirations & sex typical behaviors, male vs female 1st graders, 58:12658
teaching goals, reading instruction, 54:10491
test anxiety, goal gradients for future performance, 6th graders, 56:10670
text organization & goal-descriptive directions, performance on goal-relevant test elements & incidental learning, high school students, 54:4080
theoretical relevance & validity, utility models & scaling techniques as approach to making concepts of goals & goal incompatibilities operational, municipal government officials, 57:7067
training in self monitoring vs criterion setting vs self evaluation vs self reinforcement components in self regulation model, simple learning task performance, 1st graders, 58:3882
training using positive reinforcement vs goal setting, managerial behavior & subordinate satisfaction, medical center managers, 54:8580
treatment progress by objectives, simplification of T. J. Kiresuk & R. E. Sherman's method for measuring therapeutic success, 57:13133
tri-informant feedback procedure in group counseling setting, goal attainment, clients, 57:8687
ultimate & intermediate goals & means for goal achievement, population vs family planning programs, 54:7420
Upward Bound program, impact on self & family & friends & academic achievement & significance of future, poverty high school students, 58:12474
use of behavioral objectives in schools, 55:10829
value goals & satisfactions with planned physical environment, 55:3389
values & purpose in life, US Air Force Reserve Officer Candidates vs college students, 58:10654
verb structure as effective aspect of curriculum development & measurement of behavioral objectives, 54:10534
views on education & need for family support & value of setting goals, partially hearing impaired young insurance agent, 54:5589
violence & goals & bureaucratic structure, social movement success, 53:2943

Goats

castration, sexual behavior, male goats, 55:395
development of approach & sucking behavior, newborn goats with normal mothers vs mothers with 1 of 2 mammary glands transplanted to neck, 57:9689
ecology & behavior & home range relationships, feral goats, 57:2597
electrical stimulation of hypothalamus, lactation of mammary glands, goats, 56:7465
evolutionary level, REM sleep periodicity, goats & ponies & cows, 53:6740
intracarotid & intraruminal injections of sodium or sodium bicarbonate, appetite for sodium bicarbonate solution, goats, 56:2000
isolation from conspecifics & concurrent contact with human beings, imprinted preferences, male kids & lambs & piglets, 56:9370
significance for communication, tail movements, pigs & cattle & horses & goats & dogs & cats, 57:12206
social & maintenance requirements, grazing behavior, free ranging livestock, implications for improvement of animal husbandry, 56:9375

God Concepts

adolescent-parent communication & self esteem & God image, 10th & 11th grade, 57:8096
age & religious affiliation & order of drawing picture of God vs person, anthropomorphism & religious vs nonreligious imagery scores in drawing God, Lutheran vs Mennonite vs Methodist vs Mormon vs Roman Catholic vs Unitarian 1st–3rd graders, implications for religious education, 57:12535
analysis in terms of Jung's concept of "shadow," teachings of Jesus & apostle Paul, 54:7596
belief systems & conceptual images of parents & God, college students, 56:570
Christian psychology viewpoint, similarities & differences between man & God, 54:7326
Christian psychotherapy, 25 yr old male with severe fears of God, 54:12211
consideration of man-God personality interaction as interaction of man's spiritual dimension with environment & similarity to framework of consistency models of personality, 58:3191
current trends in reevaluation of religion & preoccupation with events of inner life, views of Jung & D. T. Suzuki, 57:10077
Freud's theories about God & devils, object representations of significant people in early life & explanation of belief in divine being, 57:11721
God visiting man disguised as other form in fairy tales & dreams, 55:9333
I-God concept of J. L. Moreno, 57:7124
presentation of positive vs negative theological views of God & man & self acceptance, self esteem & self worth & God-images, high vs low self esteem junior high school students at Lutheran Bible camp, 58:5393
religion & age & sex, development of concept of God & scientific concept of rain, 4 & 7 & 11 yr old Roman Catholic & Protestant & Conservative Jewish boys & girls, 55:6765
religious backgrounds & beliefs, self concept & conceptions of God, prisoners, 58:7699
religious education background, self concept & concepts of God, 4–17 yr olds, 57:1000
symbolic interaction approach, development of child's God concept, 55:4190
theoretical psychological model, relationship of God-concept to consensual religious person's identity, theological implications for pastoral counseling, 56:8066

Goiters

birth weights & infantile growth rates, congenital defects of central nervous system associated with hyperendemic goiter, Mulia society, New Guinea, 53:3489

Goldfish

actinomycin D, brain RNA synthesis & passive avoidance latency, goldfish, 55:6606
age & time of breeding & methods of handling & physiological status, seasonal variations in learning, goldfish, 53:4771
alcohol, facilitation of short term memory in position discrimination & reversal task, goldfish, 56:7535
amino acid molecular structure similarity, similarity of olfactory bulb cell electrophysiological response, goldfish, 58:550
behavioral & immunological aspects, chemical transfer of color discrimination performance, goldfish, 58:2910
behavioral training, in vitro aminoacyl acceptor activity of transfer RNA from whole brain, goldfish, 53:11047
bilateral ablation of caudal optic tectum, compression of retinotectal map & visual acuity, goldfish, 58:11212
bilateral ablation of caudal optic tectum & postoperative interval, visual intensity & pattern discrimination, goldfish, 58:11221
brain extracts from donors exposed to inescapable stress, shock avoidance learning in recipients, goldfish, criticism of results of P. V. Laird et al, 53:2559
cauterization of saccule, alternating potentials & frequency-intensity functions of saccule & utricle, goldfish, implications for hearing capacity measurement, 55:9093
classical conditioning of target-striking response, goldfish, 53:2782
color & angular orientation of lines, blocking & overshadowing effect in discrimination learning, goldfish, 53:9185
color discrimination avoidance conditioning, isolation & identification of learning-induced peptides, goldfish, 58:572
CS & USC pairings &/or removal of response contingencies in extinction, extinction of shock avoidance responding, goldfish, 58:8939
diethyldithiocarbamate, decrease of brain heavy metal staining pattern & improvement in shuttlebox avoidance consolidation, goldfish, 54:9146
discriminative learning conditions, intra- vs extradimensional transfer, pigeons & goldfish, 57:9593
distribution patterns of partial reinforcement, resistance to extinction, goldfish, 57:7577
dosage of RNA-rich brain extracts from trained donors, biochemical transfer of classically conditioned responses, goldfish, 54:4908
drive level & drive level shifts, swimming speed, goldfish, 58:8931
ECS & intracranial puromycin, anterograde & retrograde effects on memory formation, goldfish, 54:2515
ECS- or puromycin-induced retention deficits following 2 active avoidance sessions, goldfish, 58:630
electrical stimulation of hypothalamus, behavioral effects, goldfish, 55:6482
electrophysiology of neural units in optic tectum, goldfish, 58:11133
epinephrine, activity level & Y maze learning & relearning rate, goldfish, 54:9185
euflavine, brain zinc & copper content & staining pattern & shuttle box behavior, goldfish, 57:827
forebrain ablation, long term retention of appetitive discrimination, goldfish, 54:9103
group training, acquisition & retention of active avoidance task, goldfish, 55:272
habituation & sensitization of innate fear response, goldfish, 56:217
illumination onset & color change as CS & location, photoactive explanation of conditioned avoidance shuttle response, goldfish, 57:12183
intertectal vs posterior commissure lesions, interocular transfer of visual discriminations, goldfish, 58:9083
intracranial actinomycin D & dosage amounts, acquisition of avoidance responses & role of ribonucleic acid synthesis, goldfish, 53:2576
isolation of goldfish brain proteins & use as antigens for immunization, precipitation of differentially labeled proteins after training & purified proteins of same molecular weight, rabbits, 58:2926
left optic tectum removal, visual CRs using visual stimulus & AC shock & respiration rate & visual thresholds, goldfish, 56:376
levodopa vs adenosine monophosphate vs choloroamphetamine vs reserpine vs 5-hydroxytryptophan following swimming skill training & drug dosages, subsequent skill performance & protein synthesis in brain, goldfish, 58:5030
memory blocking antibiotics & their analogs, retention of active avoidance learning & acetylcholinesterase in brain homogenates, goldfish, 57:2798
memory formation, goldfish, 54:8981
n-dipropylacetate, acquisition of conditioned reactions with negative & positive reinforcement & spontaneous activity, goldfish & mice & rats, 57:2773
noise level, masking of tones, goldfish, 53:2814
optic nerve regeneration, interocular transfer of monocularly learned pattern discrimination, goldfish, 58:2952
preference for signaled vs unsignaled shock, goldfish, 55:251
prior exposure to test procedure, ethanol tolerance acquisition, goldfish, 53:4712
psychophysical demonstration of trichromacy, goldfish, 56:190
puromycin & attained active avoidance training performance level, retention deficit, goldfish, 57:9890
red vs green direction discriminative stimuli & spaced vs massed trials, individual & group acquisition of discriminated depth-position shock avoidance task, goldfish, 53:706
reinstatement & reinforced learning procedures, biochemical transfer of classically conditioned color avoidance, goldfish, 55:450
retrograde enhancement treatment, sensitive period for reversal of carbon dioxide induced amnesia, goldfish, 53:8962
section of tectal commissures, interocular transfer of differential classically conditioned cardiac response, goldfish, 55:6527
short- vs long-wave chromatic adaptation, saturation discrimination, goldfish, 53:6992
signal-to-noise ratio, critical band, goldfish & African mouth-breeders & pin fish, 53:799
social conditions & time of testing, activity & striking, goldfish, 53:751
social facilitation, approach behavior, goldfish, 56:7342
spatially located color change as CS & single day vs consecutive day acquisition trials, conditioned avoidance shuttle response acquisition, goldfish, 57:7604
successive acquisitions & extinctions in swimway situation on alternating days, resistance to extinction & swimming speeds, goldfish, 57:2589
terminal deprivation, survival time & weight loss, goldfish, 54:9226
time course of spontaneous saccadic eye movements, goldfish, 54:7167
training in new swimming skill, incorporation of labeled valine into brain proteins, goldfish, 57:608
training in vestibular conditioning task, labeling studies of changes in protein synthesis in brain, goldfish, 57:5163
training to swim upright, leucine transfer RNA of brain, goldfish, 55:344
training with small reward for response to 1 color & large reward for response to another color, performance for small reward & demonstration of simultaneous contrast, goldfish, 53:679
transient & steady state adaptation conditions, isolated retinal ganglion cells, goldfish, 53:9214
trial with vs without reward & short vs long intertrial time, response latency, rats & goldfish, 53:734
type of stimulus change & CS location, shuttle box avoidance acquisition, goldfish, 56:9350
UCS intensity & duration, shuttlebox avoidance acquisition, goldfish, 54:4940
values of differential reinforcement of low rates, keypecking response rate, goldfish, 54:7131
visual stimulus onset-offset change & spatial location, conditioned avoidance shuttle response acquisition over 4-day training period, goldfish, 57:9609

Goldstein Scheerer Object Sort Test

Goldstein-Sheerer Object-Sorting Test performance, conceptual style, creative writers vs manic & schizophrenic patients, 54:1260

Gonadotropic Hormones [See Also Prolactin]

age-inappropriate 24-hr luteinizing-hormone secretory patterns, 17–23 yr old women with anorexia nervosa associated with amenorrhea, 53:5467
central regulation of gonadotropins & mating behavior, female rats, 54:2440
corticosteroids & thyroid & gonadal hormones during early life, cell formation & brain maturation & neuroendocrine circuits, rats & mice, literature review, 56:9452
dihydrotestosterone & gonadotropins, development of female sexual behavior, rats, 57:5324
early injections of gonadal hormones, inhibition of adult social behavior, ducks, 58:11248
gonadal & gonadotropic hormones, centrally-elicited attack, male vs female cats, 55:6583
gonadal hormones & nervous system, behavior, 54:9049

gonadotropin level response to luteinizing hormone-releasing hormone, hypophysial deficiency vs pituitary malfunction secondary to hypothalamic impairment, 15–26 yr old anorexia nervosa patients & 18–33 yr old obese patients with secondary amenorrhea, 54:10003
haloperidol & chorionic gonadotrophin, hormone status & behavior, 18–36 yr old male hebephrenic schizophrenics, 53:3635
haloperidol in low doses, neuroendocrine effects, male 18–35 yr olds, 58:11342
haloperidol therapy, urinary gonadotropins & serum testosterone & follicle-stimulating luteinizing hormones & ACTH reserve, 16–62 yr old male chronic schizophrenics, 55:7638
luteinizing hormone-releasing hormone nasal spray vs placebo, basal luteinizing hormone-follicle stimulating hormone plasma levels, sexually impotent patients, 58:12139
mating & steroid-induced luteinizing hormone release, gonadotropin release, spayed rats, 53:517
methallibure, operant responding for conspecific visual reinforcement & social display frequency & spawning, paradise fish, 57:5311
neurotransmitter regulation of pituitary secretion & pharmacological agents affecting neurotransmitters, 58:552
pituitary-adrenocortical & pituitary-gonadal hormonal mediation, effects of defeat on agonistic responding, male mice, 57:5251
prenatal hormones, differentiation of CNS mediating gonadotropin release & adult sexual behavior, primates, 54:2487
radio-immunologic analysis of blood samples during levodopa administration, gonadotropic anterior pituitary activity, 18–42 yr old mongoloids, 53:1694
scent marking by male mice, pheromone-induced gonadotropic & ovarian hormone secretion, pubertal female mice, 54:2422
sham castration & fasting & ether anesthesia, serum levels of gonadotropins & testosterone, male rats, 53:8954
synthetic gonadotropin hormone-releasing hormone dosages, follicle-stimulating & luteinizing hormones, adult male chronic hebephrenic schizophrenics on vs off oral chlorpromazine therapy, 57:6381
testosterone vs gonadotropins, social behaviors & morphological effects, male domestic ducks, 58:11249
testosterones vs dihydrotestosterone vs estradiol, sexual "clasping" behavior, intact & castrated male & female frogs primed with human chorionic gonadotropin, 56:7523

Gonadotropin [See Gonadotropic Hormones]

Gonads [See Also Ovaries, Testes]
blinding, long-term gonadal function, male rats, 53:564
castration vs gonadectomy at birth vs at 21 days & prenatal vs neonatal administration to females of testosterone propionate, sex differences in body growth, male vs female rats, 54:4725
chronic daily administration of estradiol benzoate vs dihydrotestosterone propionate vs testosterone propionate & progesterone, lordosis duration & male & female sexual behavior, male & female gonadectomized golden hamsters, 54:6940
gonadectomy, development of age-dependent polydipsia & intake of NaCl solutions, mice, 54:11209
gonadectomy in adulthood vs neonatal castration vs prenatal antiandrogen cyproterone acetate & gonadectomy vs prenatal endogenous androgens, organization of sex differences in active avoidance behavior, rats, 53:8964
gonadectomy, operant responding for saccharin, male vs female hamsters, 55:399
individual vs same sex vs opposite sex housing, circannual rhythm of gonadal function, starlings, 56:9412
levodopa, testicles & seminal vesicles & prostate, male rats, 53:11216
ventromedial hypothalamic lesions, gonadal function, rats, 53:4679

Goodenough Harris Draw A Person Test
biracial clinical setting, Goodenough-Harris Drawing Test performance, lower vs middle socioeconomic Black vs White 4–5 yr olds, 58:8636
Draw-A-Person Test vs TAT as data source & instructions to use Machover's hypothesis, agreement between personality judgments made on psychiatric inpatients, clinicians, 55:8627
ethnic group & age & sex, Draw-A-Person Test interpretations using cognitive complexity & cultural emphases & social group value constructs, native-born Mexican & Anglo Americans below 9 & above 11 yrs old, 57:5546
Goodenough-Harris Drawing Test performance, male vs female Ainu vs Japanese 6 yr olds, implications for analysis of intellectual differences, 58:5146
human figure drawing instruction, Goodenough-Harris Drawing Test performance, 5th graders, 58:6398
short enrichment program, test scores on Harris-Goodenough Draw-a-Man Test, preschoolers, 53:4095
test reliability, D. Harris's revision of F. L. Goodenough's Draw-A-Man Test, 5 yr old school entrants, 55:8639

Gorillas
daily travel & home range & intergroup & intragroup social behavior, mountain gorillas, 58:4895
frequency of usage of graded vocal signals & relationship to social organization, chimpanzees & gorillas, 58:511
male emigration & female transfer, wild mountain gorilla groups, 57:5089
partner preferences & copulatory positions & mating, sexual cyclicity, lowland gorillas, 54:11325
peripartuitional behavior, primiparous lowland gorilla & female newborn, observational study, 53:656
presence of other gorilla groups & food distribution, use of & travel between vegetation zones in home range, mountain gorilla group, 57:9639
sexual behavior & female labial tumescence, male & female 7–12 yr old captive lowland gorillas, 57:12217
tongue showing behavior, nursery school children & pool players & gorillas & orangutans, 55:9080
tongue-showing as display, nursery school children & young gorillas & humans of various ages, 55:9330

Gough Adjective Check List
reliability of Adjective Check List, measure of motive states & traits, college students, 53:1213

Government
behavioral model of public bureaucracy, empirical analysis of attitudes, higher civil servants, India, 56:5934
Computer Study Section of National Institutes of Health, description of grants review system, 56:6604
educational process, learning roles of citizens & importance to societal functioning, People's Republic of China, 55:4340
executive vs judiciary control of correctional system & community- vs university-based prisons, 53:7171
expectations of trust, belief in Senate Watergate Committee, college students, 56:2239
government & dangers of brain control technology & role of neuroscientists & psychiatrists, 57:4210
guidelines & standards of Federal government & professionals, use of personnel tests in employment, literature review, 53:12622
hierarchical nature of American culture & interdependent values & freedom, 55:2261
honesty & truthfulness in governments & motivations for misrepresentation &/or deception, 54:9421
interpersonal trust, perception of Watergate affair, college student supporters of McGovern vs Nixon, 56:2251
manipulation of standards purported to be used by federal government, evaluation of public policy on issues of poverty & unemployment & inflation, college students, 57:5710
National Science Foundation's Division of Behavioral & Neural Sciences, evaluation of & support for basic research in psychology & ethology & anthropology & linguistics & neurosciences, 56:6620
operation of Psychological Sciences Division of Office of Naval Research, research support, 56:6630
political cross-pressure & government trust & elitist vs pluralistic perceptions of power distribution & interpersonal communications, 500-person random sample, 53:9571
population & exchange & early state formation, Southwestern Iran, 54:7348
practice of child psychology, relationship to local government control & community needs, England, 57:13385
procedure for securing payment to community mental health centers for services provided under Medicaid's clinic service option, 58:10017
role of state & county government, funding & administration of mental disability programs, 58:10013
socioeconomic characteristics & population composition & governmental structures & indices of crime & drug abuse, community response to drug abuse problems, comparative study of satellite cities in Los Angeles metropolitan area, 57:8164
suggestion for government solutions to inner city problems, 55:2235
warnings against "the state" & nature of bureaucracies tending toward overpowering human values & individuals , 55:2226
Watergate incidents, view of US Presidency & policy, black vs white 3rd & 5th & 7th & 9th graders, 56:3926
Western contact & church influences, attitudes toward government, high school seniors, Papua New Guinea, 53:9437

Government Agencies
administrative agency, role in suppression and regulation of morally objectionable behavior, 55:4420
characteristics & interests & attitudes, members of state Developmental Disabilities Council, 58:5639
current methods in estimating mental retardation prevalence, state offices of mental retardation, 56:884
development of system of automated decision aids, application to decision making in Department of Defense, 58:8497
establishment of Diversion Investigation Unit, monitoring of diversion of controlled dangerous drugs into black market, 58:1035
federal legislation for counseling of special applicant groups in US Employment Service, 1933–73, 57:14067
history of America's federal mental health program & development of National Institute of Mental Health, 1900–46, 56:5082
local government regulations & programs & services, neighborhood deficiencies & capabilities & conditions, aged, 57:1044
mental health planning consultation with government agencies, case histories, 53:8096
multi-scalable survey, affective & cognitive & background components of predisposition toward public service employment, college students, 55:13653
operation & issues involved in practice of propaganda in Cold War, US Information Agency, 56:9612
organizational development in state government department, university professors as change agents, 55:3363
organizational goals & personnel selection & responsiveness to population served, preventive mental health programing for non-health federal agency, Job Corps, 54:1741
power of state & federal agencies, decision making regarding higher education, 57:11292
problems & solutions, position-classification system, US Civil Service Commission, 54:4331
process-oriented & experiential- & participatory-based training, supervisory skills, 1st-line supervisors in state manpower agencies, 58:10703
role of mental health field & staffs, reorganization of state human service programs into comprehensive agencies, 55:12744
Special Action Office for Drug Abuse Prevention & history of opiate maintenance debate, national policies of drug control, 58:1824
state-county relationships & norms & values, innovation in community mental health services, state mental hygiene staff & local decision makers, 57:13398
work group types, effects of varying organizational development interventions, civilian organizations & US Navy, 58:8509

Government Bureaucracy [See Government]

Government Personnel [See Also Agricultural Extension Workers, Air Force Personnel, Army Personnel, Commissioned Officers, Enlisted Military Personnel, Law Enforcement Personnel, Marine Personnel, Military Medical Personnel, Military Personnel, National Guardsmen, Navy Personnel, Noncommissioned Officers, Parole Officers, Police Personnel, Prison Personnel, Probation Officers, Public Health Service Nurses, ROTC Students, Volunteer Military Personnel]
age & yrs of state employment & hierarchical level & salary & career speed & job security & challenge & opportunity to serve public & political interference & self-determination, job satisfaction, state & federal government & private industry executives, 54:10711
age, levels of satisfaction derived from skill variety & task identity & significance & autonomy & job feedback, 18–64 yr old employees of manufacturing company & public sector service agency, 57:7057
attitude toward career education in public schools, state legislators & school board presidents & principals & teachers, 58:8222
attitudes toward agency program effectiveness, community decision makers, 55:12151
attitudes toward federal government vs private industry employment, college students, 54:10694
attitudes toward management training, government executives, 54:4365
attitudes toward postsecondary education, state legislators vs lobbyists, 58:12370
attitudes toward progress in achieving President's Panel recommendations of 1962, state mental retardation program coordinators, 55:1110
attitudes toward unions, nonpostal white collar nonunion government employees represented by union, 53:4144
attitudinal profile, scientists in university & federal government, 56:6894
behavioral model of public bureaucracy, empirical analysis of attitudes, higher civil servants, India, 56:5934
career executive assignments, program to meet need for top-level civil service administrators, 55:1666
career experience, sources of job stress & effects on performance & career development, new public professionals, 57:13492
causal inference between role perception of conflict & ambiguity vs job satisfaction & attitudes toward role senders, governmental research & development organization professional-level members, 54:6482
character analysis & pre-Senate career, prediction of style of behavior in Senate, senators, 55:12308
characteristics of charisma in social context, comparison of heads of state, 56:547
communications medium, interpersonal attraction, Civil Service managerial employees, 54:7488
consensus & conflict, economic & domestic & foreign & social policy opinions, industrial & labor & government & mass media leaders, 54:5228
cooperative recruitment & selection program, provision of city & county & state & federal jobs for clerical workers, 55:1648
correlations between attitudes toward religion & science, legislators vs lecturers vs administrators vs students, evidence for cognitive consistency, 58:9588
cross cultural differences, managerial job satisfaction, US vs Korean civil servants, 56:2996
demographics, voting behavior in gubernatorial & school board & school bond & state superintendent elections, 56:2240
dimensional analysis, least preferred co-worker scales, tax examiners & US Marines & British managers, 53:4136
emotional arousal & stress during laboratory training seminars, government employees, 54:7477
employee attitudes towards participation in management decision making, blue collar local government employees, 55:5799
employee-participation reforms, federal government personnel system, 54:4379
evaluation, federal executive development program assessment center, 56:10862
evaluation of flexible working hours, employees in government offices, Britain, 55:13694
examination of cross cultural components for study of leadership characteristics, charisma & greatness in American presidents, 57:5715
executive training program with varying levels of leader development treatments, leadership attitudes & leader behavior perceptions & expectations, state government executives, 58:4498
expanded expectancy model of job performance, desire & perceived ability to excel & reward expectancy & relationship to superior's ratings of performance & effort, government employees, 57:11640
experience with & attitudes toward administrative grievance & appeals process, military vs civil service employees at 2 US Air Force bases, 56:10868
federal employment of blacks, regional breakdown & analysis by grade level, 55:1636
group participation, job satisfaction & productivity, government office personnel, 57:4573
human relations training program, selection procedures & program description & perceived effectiveness, Black & White public safety officers, 58:2340
inferred perceptual characteristics, discrimination between more & less interpersonally effective individuals, elected legislators & public school counselors, 58:3284
internal vs external determinants of organizational control, consistency of beliefs concerning interorganizational control, contractors vs government personnel, 55:8533
internal–external locus of control, promotions & salary increases & awards & current salary & grade differential, government agency emmployees, 53:6339
interview techniques, interviewing reluctant bureaucrats, 54:5180
job & life stresses & job involvement, prediction of job-related strain, male vs female government employees, 58:10728
job & task analysis & interjurisdictional validation of selection procedures, clerical & related personnel in Minnesota state government, 57:14085
job enrichment program, productivity & absences & attitude changes, federal agency clerical workers, 57:14121
job environment & organizational structure, perceived job related need satisfaction, military officers & civilian employees in military bureaucracies, 57:2095
job performance, employee satisfaction in stimulating vs nonstimulating jobs, state agency employees, 57:14109
job performance feedback, appraisal interviews, government employees, 58:12809
legislator-constituent communication & media coverage & political factors, legislator-constituent congruency & accuracy, senators, 58:7378
life-style & interpersonal need orientation & leadership style & perception of organization structure, business vs government organization, female supervisors, 54:2080
moral behavior & potential influence on executives & legislators, 58:4467
moralistic terminology & perception of reality, terms used in war addresses, 7 US Presidents in 7 foreign wars, 53:9573
motivating productivity, public vs private sector administrators, 54:6490
needs for independence & achievement, role ambiguity & role conflict & job satisfaction, military & civil service personnel, 54:6479
organizational antecedents, role conflict ambiguity, top-level administrators in public agencies, 57:14106
organizational identity & role consensus, county extension agent & his supervisor & students & teachers, India, 58:4469
perceived ethicality of TV news production techniques, state legislators, 53:3084
perceived likelihood that politicians would make particular statements & identity of politicians, causal attribution of statements about Watergate scandal, college students, 57:5816
perceptions of & attitudes toward merging alcoholism & drug abuse services, state program administrators, 58:4051
perceptions of I. Gandhi, postgraduate students, 1967–76, India, 58:11593
personality characteristics, female psychologists vs scientists vs artists vs writers vs politicians, comparison with females in general population, 58:11717
personality development of Theodore Roosevelt & psychic origins of Progressive Period, 55:582
personality trait measurement using group peer rating technique, occupational & school success prediction, adult workers & high school seniors, 58:10591
personality traits, origins of bureaucratic stress, employees from large state bureaucracies, 55:11179
prediction model, individual voting behavior in US Senate trial of Richard Nixon, 53:9452
pre-retirement workshop, measured level of self actualization, university civil service employees, 56:3105
President Carter's views on mental health & function of President's Commission on Mental Health & Retardation & national health insurance & funds for training & research, 58:10102
presidential prestige or popularity, presidential influence & support, House & Senate members, 55:12148
problems in establishment of racial awareness training program for new staff, metropolitan child welfare agency, 57:7029
productivity enhancement efforts in federal government, summary of activities of Personnel Research & Development Center of US Civil Service Commission, 55:11125
professional–bureaucratic conflict & rank & bureau & professional commitment or training & occupational orientation, employee's views of professionalism, social service employees & supervisors & caseworkers, 54:10716
psychological analysis of Richard Nixon, 54:7652

training to make behaviorally defined statements, problem solving behaviors in board meetings, lower socioeconomic adults participating as policy board members in rural community project, 54:7447
value & utilization of consumer opinion in formulating social policy, Britain, research reviews, 56:1567

Government Programs [See Also Job Corps, Peace Corps, Project Follow Through, Project Head Start, Upward Bound, Welfare Services (Government)]
administrative agencies for aged, 55:2227
adverse economic conditions, human services, 54:8150
age & socioeconomic status & Farmers' Training Programme, gain in knowledge about wheat cultivation & opinion of program, participating vs nonparticipating Indian farmers, 54:8537
attitudes toward aged & income security programs & social welfare services for aged, law vs social work vs gerontology students, 55:7860
attitudes toward medical care of social security institutions, clinic obstetric/gynecology patients & medical & paramedical & administrative staff, Mexico, 57:1716
attitudes toward progress in achieving President's Panel recommendations of 1962, state mental retardation program coordinators, 55:1110
career stability & change patterns, Project Talent 12th grade males, 11-yr follow-up, 53:6321
collaborative approach, description of research design for comparison of alternative educational models, applicability to projects funded by national agencies, 58:6120
comprehensive military drug & alcohol rehabilitation program, 53:1662
consultation, increasing effectiveness of Comprehensive Education & Training Act programs, 55:1680
contributions made by education & training provisions of Servicemen's Readjustment Act, military veterans & their families & community, 55:12943
cooperative recruitment & selection program, provision of city & county & state & federal jobs for clerical workers, 55:1648
criterion measures for youth-work training programs, development of relevant performance dimensions, disadvantaged adolescents, 57:7028
development of measures of future achievement orientations, predictive validity for job training outcomes & economic success, male participants in Manpower Development Training Act programs, 58:6685
developmental psychology basis, evaluation of 1975 US airlift of Vietnamese children & subsequent adoption by Americans, 57:5641
Education Professions Development Act, Part B-2, preparation for teaching economically disadvantaged students, 55:13023
effectiveness & role perception & locus of control & demographic characteristics, indigenous vs nonindigenous paraprofessionals in government manpower agencies, 55:8488
effectiveness of punitive-administrative action approach, deterrent to illicit drug use, US Army forces in Europe, 54:10689
Elementary-Secondary Education Act Title VII Bilingual Education, school organization structure, 55:13052
Emergency School Assistance Program, racial attitudes, black & white secondary school students in North Carolina, 55:1365
evaluation of Job Corps & Neighborhood Youth Corps programs, 54:12370
exemplary Title I special individualized reading program, reading achievement, 1st–6th graders, 58:12524
Experimental Probation Program, attitude & motivation change, criminal offenders in Greenville, Texas, 56:2693
family policy, political significance & social security services & adjustment to changing economic situation & family aspirations, France, 54:9513
federally associated program providing black volunteer college students for service in city's poverty areas, federal government as change agent in higher education, 56:8655
government role in drug education programs & drug dependence treatment programs, psychiatric hospitals & community mental health centers, Mexico, 57:1790
history of America's federal mental health program & development of National Institute of Mental Health, 1900–46, 56:5082
innovative pupil personnel services, self concept, 1st–3rd graders in Title III Elementary & Secondary Education Act project, 58:2245
intensified rehabilitation program for epileptics, procedures & results of US Labor Department pilot program, 53:1831
Japanese practices in maintaining status & integration of aged, implications for US, 54:5149
knowledge of & attitudes toward & contacts with Manpower vs vocational rehabilitation vs Job Corps vs Youth Corps, black low-income urban households, 53:12633
legislative history & overview, state–federal vocational rehabilitation programs, 54:3888
local government regulations & programs & services, neighborhood deficiencies & capabilities & conditions, aged, 57:1044
locus of control & achievement need & self concept & race & sex, employment status after participation in government Manpower program, 55:8469
low-cost program in collaboration with school involving & training significant others, behavioral & affective & cognitive changes, 5–11 yr old Title I children & their mothers, 57:13771
opinion questionnaire, acceptance of social security system, implications for role of social research in public policy formation, 55:4333
paraprofessional development, involvement in employment agencies since start of "war on poverty", 54:4283
policy preferences & value orientations, Indian tribal leaders vs Anglo administrators on North Dakota reservations, 55:6942
political problems in evaluation research, Peace Corps annals illustrations, 55:3465
population control, integration of clearly defined Federal science policies & Federal responsibility for public health, 53:5061
President Carter's views on mental health & function of President's Commission on Mental Health & Retardation & national health insurance & funds for training & research, 58:10102
program shortcomings & political impotence, validity of discontinuing federal grants to community mental health centers & alternatives to mental health care delivery, 54:10279
promise of rewards for good performance & successful pretest experience, standardized achievement test performance, 1st graders in schools eligible vs ineligible for Title I funds, 55:3298
psychiatric disability determination, receipt of disability benefits under social security, 53:5541
public assistance to nonpublic education, public policy implications, 54:10408
race & enrollment in Title I schools & Aid to Families of Dependent Children classification, self concept & achievement, 4th & 6th graders, 55:2902
role of mental health field & staffs, reorganization of state human service programs into comprehensive agencies, 55:12744
school average daily attendance & geographic location & assessed valuation of system & S's years of experience with federal aid, attitudes toward federal aid to education, school administrators, 57:13675
service- vs nonservice-connected physical disability & accepted vs not yet accepted applicant status for disability benefits & severity of disability & length of institutionalization & locus of control & IQ & age, self evaluation, VA domiciliary members, 57:10597
social policy & federal funding, failure of "War on Poverty" programs, 54:9420
social security system in affluent society, illness behavior, 53:7265
social security system, retirement rate, aged in 9 countries, 54:6435
sociological research, housing policy & program formulation, 54:9502
state governments' programs, mentally disturbed criminal offenders, 53:9436
success in obtaining more desirable teaching hospital internships, National Intern & Resident Matching Program, minority students, 54:11863
suggestion for government solutions to inner city problems, 55:2235
training sponsored by Educational Professional Development Assistance vs other preparation, supervisor evaluations & self ratings of competency & attitudes & activities, Chicano school counselors, 58:6107
Turn Key-3 government housing project, self image, couples, 55:9550
US Army treatment & program evaluation guidelines & techniques, rehabilitation programs for drug & alcohol abuse, 53:1691

Gradepoint Average [See Academic Achievement]

Grading (Educational)
academic & interpersonal & intrapersonal dimensions, utilization of pass-fail grading system option, college students, 55:8243
achievement need & fear of success & extrinsic personal motives, choice of credit vs no credit courses, female college students, 57:6650
adaptation level theory application, grading practices in different major fields, 54:4238
all-or-none vs proportionate grading systems, motivation & attitudes & academic performance, college students, 53:1993
assignment vs choice of theme topic & preference level, theme quality & retention of content & preference scores, 10th graders, 55:1442
attitudes about academic environment, anxiety, college students, implications for grading methods, 58:2138
attitudes toward academic grade inflation & standards erosion & student achievement levels & cognitive learning emphasis & relationship to innovative program implementations, community college instructors, 57:8986
attitudes toward multiple choice or word association exams before & after receiving grades, community college students, 54:8468
attitudes toward pass–fail system of grading student teachers, student teachers vs supervising professors of education, 54:12634
attitudes toward pass–not pass grading, college students, 53:6107
attitudes toward pass–not pass grading, college faculty members, 53:6108
calculation of measuremeters, communicating test results, 53:6262
changes in semantic meanings of selected concepts & attitudes toward optional grading, high school students, 55:3309
cognitive & affective achievement of systematic self evaluation, performance in beginning mechanical drawing class, high school students & teachers, 55:3160
comparative & individualized reporting systems, reading achievement & school attitude & self responsibility behaviors, 6th graders, implications for improvement of validity of pupil progress evaluation, 55:13535
contract grading, academic achievement & attitudes & time devoted to course outside of class, college students, 55:3067

contract vs traditional grading method, changes in knowledge of venereal disease & attitudes toward classroom & learning, 9th grade health education students, 54:10558
contract vs traditional grading method, venereal disease knowledge acquisition & attitudes toward classroom & learning activities, health class 9th graders, 55:5740
correlation values & sample parameters, development of grading standards in objective teacher-constructed test, 53:8631
cultural test bias & different vs single classes grading, validity problem in GPA prediction, college students, 55:8370
differing criteria for unit exam mastery, test performance, college students, 56:1414
disadvantages & transformations, school grades, 58:10603
essay presentation sequence, grading, teachers, 58:6391
evaluation methods & procedures, granting academic credit for community service learning, 57:13772
evaluator & author ethnic similarity & evaluator's professional status, marking of school compositions, 57:4454
evolution over 5-yr period, student-oriented contingency management system for course work & grading, college students, 57:13740
examiner/assessor variables, objectivity in grading oral examinations in psychology, 58:2268
expectations of student's ability, grading of vocabulary test responses & perceived student personality traits, 1st & 2nd grade teachers, 58:8235
expected vs obtained grades, teacher evaluation & attribution of performance, college students, 55:8270
experimental training, evaluating scholastic tasks, 53:3940
favorable vs neutral vs unfavorable fictitious psychological report of student, expectations for grades in academic subject areas, Ss with varying levels of teaching experience, 58:4190
goal value attributed to academic achievement & evaluative attitudes to grades, relationship between locus of control & grades, college students, 55:13279
GPA & abstract reasoning ability & functional information skills & teacher ratings of student conformity to model behavior, high school students, significance for appropriateness of letter grades, 58:2235
grade contingency & test score & behavioral inventory information feedback, achievement in peer teaching, college students, 57:13724
grade contract vs traditional grading method, retention of knowledge in venereal disease unit, junior high school health class students, 53:6267
grades as negative vs positive incentive, assignment completion, high school students, 54:4070
grading & previous academic achievement, subsequent academic achievement & attitudes, 4th & 5th graders, 57:13818
grading criteria variability, standardized tests in forecasting academic success, 10th graders, 55:8148
grading systems vs evaluation of achievement of educational goals, academic achievement & motivation, students, 58:2218
grading vs reporting methods, achievement & self concept & attitudes, 5th graders, 58:12664
high school & college grade averages & prerequisite course grade & self prediction of academic achievement, correlation with actual performance, college students, 56:2942
high school grades & objective test scores, psychometric barriers to higher education, 53:6259
improved procedures for experiential learning assessment & awarding credit for informal learning, credit for nontraditional education, 53:8301
individual vs group-shared reinforcement contingencies vs noncontingent reinforcement using grading procedure variations, creative responding in classroom situation, college students, 55:8030
information about & attitudes toward instruction before course enrollment & during & after instruction, college students, 53:1942
internal-external control & reactions to failure & negative evaluations, evaluation of course & fairness of tests & grading policies, college students, 56:4864
learning outcome & importance & feasibility of success, teacher attribution of responsibility & causality of learning outcome, female college students, 55:5412
lecture method vs self paced instruction & exam frequency & grading methods, academic performance, college students, 55:10802
letter grades vs evaluative comments vs combination of both, academic performance, 5th & 7th graders in spelling & mathematics classes, replication of E. B. Page's study, 56:8730
linear & plane & rectangular transformations & normalizations of raw data, educational evaluation, 53:10538
mathematical grading system, compensation for reduced flying time due to experimental participation using T-4G simulation, undergraduate pilot training students, 56:10829
multiple regression analysis, student ratings of college faculty & student grades, 56:10763
multivariate analysis, influence of student's grade on student ratings of faculty, college students, 58:6395
norm vs criterion referenced grading system, academic achievement, college students, 54:10675
number of grading categories & graders sorting essay answers into piles vs not using piles, reliability & level of grades of themes, college students, 54:1973
objective linguistic analysis & creativity, evaluation of essay quality, 53:10555
observations of teachers' behaviors & students' appraisals of instruction, 4th & 5th grade classrooms, 56:10723
pass/fail grading procedures, attitudes & achievement, senior high typing students, 56:3047
patterns of college grades across curricular areas, implications for GPA as criterion, 55:11046
peer monitoring procedure vs traditional grading, academic performance, college students, 58:12593
personality & academic & motivational aspects, student preference for grading systems, 54:12633
positive biasing statement toward student & self concept of academic ability, grades, student teachers & their supervisors, 57:13896
positive comments on graded papers, test anxiety & aversion to school & achievement, 5th & 6th graders, 54:12577
psychological & economic principles & problems, grading of student achievement, 53:8390
quality of preceding responses, grades assigned to essay questions, college students, 54:12632
rank correlation technique, graduate student evaluations, teachers vs peer groups, 53:12556
repeated course, grades earned, college students, 53:1989
scholastic status of pupils, teacher expectation level in grade assignments, experienced elementary school teachers & student teachers, 53:4074
self actualization level & GPA, attitudes toward grades & grading, adult education students in evening college, 56:10718
self reports of cheating by self grading examination, actual deviance from direct observation, male vs female college students, 55:13551
sorting essays into piles, group grading reliability estimates & level of grades awarded, college students, 54:6385
stanine scale as control for conversion from letter grades to numerical scale, 55:5718
student-determined weighted grading system, 53:1990
systems approach & noncompetitive grading in test & measurement course, mastery of basic concepts, college students, 54:8328
teacher characteristics, practice of giving failing grades, junior high school teachers in United States Dependents Schools, European area, 56:6660
teacher ratings of personality of 7th–10th graders, correlation with grades, 55:3305
teaching style preferences & grading attitudes, student power & academic destandardization, college students, 57:9101
technique for comparing college grading standards between major fields, implications in validating of evaluation of college achievement, 57:9170
tiredness of E & number of exams per day for S, oral exam grades, college students, 54:12619
traditional letter grades vs narrative comments for reporting pupil progress, reading achievement & attitude toward school & self responsibility, 6th graders, 56:3046
traditional vs contract grading, venereal disease knowledge & gain & attitudes toward classroom & learning activities, 9th graders, 54:10609
verbal instructions alone vs with point loss, reduction of grammatical errors in writing, junior & senior college students, 58:4221

Graduate Degrees [See Educational Degrees]

Graduate Education [See Also Clinical Psychology Grad Training, Dental Education, Graduate Psychology Education, Medical Education, Psychiatric Training]
attitudes toward expert testimony of psychologist in mock trial situation, advanced graduate-level law collaborative training, 58:4099
attitudes toward prolongation of life & euthanasia, junior vs senior occupational therapy students vs occupational therapists, implications for inclusion of bioethical issues in occupational therapy programs, 58:4079
attitudes toward specialist & doctoral programs in educational administration at Michigan State, program graduates between 1965-72, 55:13051
behavioral science courses, law students, 58:8114
biracial training program, change in personality & value orientation, candidates for advanced degrees in educational administration, 55:1262
classroom approaches & forms of homework in interviewing skills training, interview performance, law students, 58:6092
content analysis, sexual bias in psychology textbooks, 53:12402
cross-validated comparison of linear & nonlinear models, prediction of graduate admissions committee decisions, applicants to graduate industrial relations program, 57:4821
current trends of social orientation & theory development & graduate education, industrial & organizational psychology, 54:6441
curricula of internship training & forensic psychiatry & psychology & advanced psychiatric residency & community psychiatry, education of health professionals as consultants, 53:9696
derivation of describing functions, lengths of completion of PhD programs, 55:1390
full-time employment or transition to graduate studies, changes in attitudes toward authority, college graduating male students, 55:8214
graduate education as social & psychological & educational process, implications for individual development & societal needs, book, 58:6136
graduate educational program participation, job performance & involvement & need satisfaction, US Air Force missile launch control officers holding low intrinsic satisfaction jobs, 55:13676
graduate level drug education courses, educators, 54:1860
graduate school experiences, descriptions by students, usefulness for counseling, 55:8429
graduate schools of 1930's vs those of today & reason for changes & possible areas for reform, 58:10204
graduate training guidelines, counselors & personnel services specialists, 53:5372
lack of development of formal skills for application & synthesis of research findings, graduate degree programs, 54:8242
methods of selection & training for clinical practice, graduate schools of social work, 54:5394
minority group doctoral degree holders, 54:9784
national mental health planning & congressional legislation, development of graduate programs in psychiatric nursing, 1932–68, 58:1897
participation in human relations-type course in personal growth, similarities & differences in personal orientations & interpersonal styles, advanced graduate students, 57:13704
perceived Master's level program objectives necessary for entry level competencies, student personnel practitioners, 57:6702
predictive validity, Graduate Record Exam & Miller Analogies Test, graduate students who did vs did not complete doctoral program in educational administration, 54:12654
preparation for professional graduate study, undergraduate course in problem solving, 54:6269
present type of employment position & age at program entrance, perceptions of value of doctoral program in educational administration & supervision, students completing doctorates in 1960–69 vs 1970–72, 57:13682
process & learning objectives, training, master's level student personnel professionals, 54:5391
self instructional graduate courses, design & development of individualized learning materials for higher education, 54:6241
sex & marital status & professional option, motivations & aspirations & role perceptions, doctoral graduates in vocational-technical education with vs without subsidy from Education Professions Development Act, 55:10703
sex discrimination in graduate schools, differential opportunities, male & female graduate students, book, 56:2755
social class discrimination, financing of graduate education & social class origins of PhD psychologists, survey of graduate school deans & deans of students & psychology department chairmen, 58:4138
theoretical & historical & experiential background, graduate training program for human development liaison specialists, 58:4091
triadic model master's degree preparation program for student development specialists, 58:1985
variables related to choice of graduate study, graduate students, implications for admissions process & counseling undergraduates & recruitment of new students, 55:7883

Graduate Psychology Education [See Also Clinical Psychology Grad Training]
accreditation of applied psychology training programs, Ontario, Canada, 54:1231
affirmative action vs "affirmative discrimination," recruitment & training of ethnic minorities in psychology, 56:6624
age & enrolled university & pre-university preparation, achievement levels in psychology & statistics, graduate students in master's programs, 53:8331
age & sex & credits & grade point average & fields of interest & occupational use of major & occupational choice reasons & graduate work intentions & graduate program acceptance, college students majoring in psychology, 53:3927
applied psychology education, 53:1271
attitudes & orientation & education & career choice & satisfaction, clinical psychologists, 1970 survey, 56:4639
attitudes toward drug abuse & treatment, psychology graduate students, 53:9411
attitudes toward expert testimony of psychologist in mock trial situation, advanced graduate-level law collaborative training, 58:4099
books for supplemental reading in abnormal psychology, popularity ratings based on prior & course readership, graduate students, 58:1938
budgetary & personnel characteristics of graduate psychology departments vs reputational rankings of psychology departments published by American Council on Education in 1970, 55:10714
bug-in-the-ear communication device, training psychometrists, graduate students, 56:8560
changes in patterns of training of professional psychologists, 58:10168
cognitive style & personality traits & perceptions of clients & professional role, graduate students in school vs clinical psychology, 57:1875
consumer psychology as alternative due to diminishing job market for PhDs trained in psychological research, 57:13522
current professional training, therapists vs psychologists, France, 55:2825
current status of graduate education in psychology, survey of chairmen of state & private university psychology departments, 53:1288
description of experiences of being accredited, director of clinical training, Ontario, Canada, 54:1216
development & evaluation of selection procedures at school of professional psychology, 57:6610
development of continuing postdoctoral education facilities, professional obsolescence, 53:9708
development of human services program at correctional institution, training for graduate psychology students & prison staff, 54:10347
Differential Aptitude Test reasoning scales & Davis Reading Test scores & attitudes toward psychology & self ratings of abilities & course grade, prediction of performance in psychological research course, college students, 57:7214
difficulties in graduate psychology program admission, 56:10487
Doctor of Psychology program at California School of Professional Psychology, 53:11782
drug education workshop, development & evaluation of drug training programs, graduate student school psychologists, 54:6150
educational vs therapeutic mode in teaching psychotherapy, psychological practitioner as teacher, 54:7686
ego development, graduate level course syllabus, 53:7478
environmental psychology education at American universities, implications for introduction of programs into Japanese educational institutions, 56:8670
epistemology, applications to training of physicians & psychiatrists & psychologists, 53:7482
evaluation & status & outcome, PhD training program in clinical psychology, University of Illinois, 54:3223
evaluation of potential graduate students & accreditation of graduate psychology education, 54:1200
evaluation of scientific productivity & training effectiveness, utility of doctoral dissertations in psychology, 56:4662
evaluation of 4-yr integrated approach to training educational psychologist, 55:5421
experimental investigation of unconscious psychical processes, Georgean school of psychology, 53:5410
exposure to educational practices, curriculum in school psychology graduate programs, 53:7465
family therapy curriculum & methods, psychiatry & clinical psychology training, 54:3237
general vs specialty training in psychology, 58:12349
goals & method of instruction & content & teaching materials for graduate course on research in schizophrenia, 56:6705
graduate education in gerontological psychology, psychology departments of American & Canadian colleges, 58:12345
graduate programs in correctional psychology & criminology, 53:5401
graduate school attended, subsequent type of professional functioning, graduates of doctoral programs in school psychology, 53:9671
graduate training of school psychologists, functioning in meeting needs of teachers & principals, 55:7932
group process techniques, industry & professional psychologists' education, 53:12599
history & transactional-ecological approach to graduate training, community psychology, 55:5211
human sexuality course, sexual knowledge & attitudes, nursing & medical & psychology students, 56:6608
interest & need for training in mental retardation, professional psychologists survey, 54:7730
legal system, current training & educational models & professional practice in school psychology, 55:10567
levels & patterns of professional training in psychology, proceedings of 1973 conference, book, 56:8586
method for arousal of intellectual curiosity & emotional–personal involvement, teaching psychotherapy systems & techniques seminar, 53:9678
model for graduate education in transpersonal psychology, 54:9756
need for cultural diversity in psychology program as in community, University of Maryland students & faculty, 53:11806
new graduate level training model, broadening of scope of school psychology to professional child psychology, 57:1819
new 6-yr training program, educational psychologist as clinician, England, 53:7477
opinions & status & attributes, doctoral school psychology program graduates, 55:7809
paraprofessionals as mental health manpower resource, implications for professional training in areas of supervision & training & consultation, 55:12926
preferences of course work & psychology course offerings of counseling graduate programs, graduate students & faculty, 54:7699
preparation of effective applied psychologists in research & evaluation, training needs & strategies, 57:1859
professional identity development, acceptance of license-related performance requirements, graduate psychology students, 55:12913
professional socialization during education, psychology graduate students in clinical & nonclinical programs, 55:5600
professional training, psychologists in educational services, Great Britain, 53:5424
program for training of psychologists, Netherlands, 58:8158
"Psychism", multimedia simulation training technique, school psychologists, 54:9755
psychologists' need for knowledge of psychoactive medications, proposal for inclusion of drug information in psychology graduate programs, 54:9799
psychology licensing examination performance, graduates receiving PhD vs EdD degrees, 58:6090
publication & citation counts, evaluation of psychology departments offering graduate programs, Canada, 56:6634
rapid development of nondoctoral programs in departments other than traditional psychology departments, survey of graduate training programs, 56:1239
recruitment & teaching & placement, graduate minority education in rehabilitation counseling, 53:1277
rise of interest in psychology & increase in number of psychology students & curricular development, identity crisis in psychology, 57:4238
role of F. Sumner & M. Meenes, training black psychologists at Howard University, 54:7688
school psychologist training program, self disclosing ability, graduate students at different levels of training, 56:1271
school psychology, training trends & manpower needs & practice, implications for future of professional psychology, 58:10103

selection criteria for evaluating internship applicants, survey of directors of American Psychological Association-approved internships, 57:4258
sensitivity training for prospective professional psychologists, ratings of ethics of leader practice, educators & group specialists, 58:6078
sexual bias in graduate psychology education, 54:7681
simulation technique, school psychology training program, school psychology students, 55:5349
social change & crisis role of community psychologist, implications for training, 54:10304
social class discrimination, financing of graduate education & social class origins of PhD psychologists, survey of graduate school deans & deans of students & psychology department chairmen, 58:4138
status in southeastern psychological community, female graduate students, 53:1241
student selection & curriculum & administration in professional education in psychology, 54:3190
systems analysis & practicum experiences & research & evaluation, training as community change agents, consulting community psychologists, 55:2822
teaching approaches & departmental environments for learning in graduate departments of psychology, 1st-yr graduate students, 57:13486
technical eclecticism course & open-case consultation as training & therapeutic technique, application to couple's problems, professional psychologist trainees, 58:8120
textbook preferences, trainers of school psychologists, 58:4108
training & experience levels, characteristics of diagnostic decision making behaviors, pre- vs postpracticum vs experienced school psychologists, 58:8215
training experiences, school-based consultation skills, preservice school psychologists, 54:6153
values & goals & skills in graduate training, 54:1222

Graduate Record Examination
completion of program & GPA & Graduate Record Examination scores & teacher's rating, teacher education students who repeated vs did not repeat examinations, 56:6684
Graduate Record Examination, GPA & graduate school success, literature review, 54:6425
Graduate Record Examinations Aptitude Test Verbal & Quantitative scores & undergraduate GPA, predictive validity in educational psychology master's degree program, graduate students, 55:13526
predictive validity, Graduate Record Exam & Miller Analogies Test, graduate students who did vs did not complete doctoral program in educational administration, 54:12654

Graduate Schools
biographical correlates & academic success & confidence & academically congruent interests & values, graduate & professional school admissions test scores, college seniors, 57:9157
graduate school attended, subsequent type of professional functioning, graduates of doctoral programs in school psychology, 53:9671
method for identification of major institutional patterns, application to recently established graduate school & research & development center, 54:4380
sex bias, graduate admissions to University of California at Berkeley, 53:12358
situational leadership, effectiveness contingency model of F. Fiedler, interacting & coacting groups in graduate departments of physical education, 55:1241
techniques & procedures to eliminate students having cognitive but not affective abilities to be successful counselors, survey of graduate schools, 57:11565

Graduate Students
ability correlates, systematically derived occupational variables, workers & graduate trainees in various occupations, 56:10805
ability to obtain valid & reliable data from test administration, psychological technicians vs graduate student trainees, 53:9710
academic program emphasizing experimentalism philosophy, experimental attitude, graduate students in education, 57:11225
academic vs nonacademic criteria, prediction of academic & professional success, applicants & matriculants to graduate clinical psychology program, 58:8093
acceptability of behavioristic vs phenomenological schools of counseling psychology in higher education, professors & educational practitioners & graduate students, Taiwan, 57:6570
accreditation from American Psychological Association, geographical distribution & quality of applications to clinical psychology program, 57:8946
admissions tools scores, performance in major sequence areas as measured by grades, social work graduate students, 55:1213
affective training program for counselor education, self exploration & interpersonal effectiveness, graduate students, 57:8941
age & enrolled university & pre-university preparation, achievement levels in psychology & statistics, graduate students in master's programs, 53:8331
age & sex & university enrollment, perceptions of pathology & coping, clinical vs industrial psychology graduate students, 57:8369
alpha wave training, anxiety reduction & increased empathy during counseling, helping profession graduate student trainees, 57:6583
alternative instructional programs, evaluation of graduate student performance, 54:12529
amount of clinical information available, accuracy in longitudinal judgments discriminating between test protocols of men convicted of murder vs crime against property, nonexperienced graduate students vs medium-experienced practicum students vs advanced clinical interns, 57:13129
analysis & similarity of attitudes toward concept of community mental health, leading Black psychologists & Black graduate students enrolled in mental health training programs, 58:1841
anxiety reduction clinic in college counseling center, treatment of students' anxiety reactions & training in systematic desensitization for clinical psychology graduate students, 57:11098
anxiety, standardized achievement test scores, Black graduate students, 57:6973
application of humanistic principles within framework of tutorial approach in client-centered classroom, full-time employed inner city adults in graduate program, 56:8679
assessment through students' perception, evaluation of counselor education programs, masters level students, 57:11138
attitude toward work & openness of belief system & locus of control, career choice, rehabilitation counseling vs social work students, 58:8469
attitudes concerning gerontology & older people, graduate rehabilitation counseling students & gerontology trainees, 55:5340
attitudes toward aged & income security programs & social welfare services for aged, law vs social work vs gerontology students, 55:7860
attitudes toward drug abuse & treatment, psychology graduate students, 53:9411
attitudes toward education courses, college & graduate education students, 55:5592
attitudes toward expert testimony of psychologist in mock trial situation, advanced graduate-level law collaborative training, 58:4099
attitudes toward marihuana usage & state laws & effects on professional career & usage of substance by members of state Bar, 1st- vs 2nd- vs 3rd- yr law school students, 56:5955
attitudes toward prolongation of life & euthanasia, junior vs senior occupational therapy students vs occupational therapists, implications for inclusion of bioethical issues in occupational therapy programs, 58:4079
attitudes toward quality of education, graduate students, India, 55:8204
attitudes toward women & permissible sexual expression & adherence to tradition, male law & medical students, 57:3144
attitudinal & behavioral & demographic characteristics, doctoral students specializing in human behavior & education, 56:1441
authoritarian attitudes, perception of college control structures, graduate & college students, 54:8390
auto-instructional vs traditional classroom lecture methods of instruction, cognitive & affective learning outcomes, graduate students, 55:13219
autotelic simulation game of "Dean's Dilemma", acquisition of initiating structure & consideration dimensions of administrative behavior, graduate students in higher education student personnel work, 57:13672
availability, interest in predoctoral vs postdoctoral training in hypnotic techniques & therapy, survey of respondents in doctoral training programs & internship centers in clinical psychology & dental & medical schools, 55:2867
background & academic performance variables, participation in tutorial vs traditional classroom formats, graduate students, 54:12544
background variables & self conceptions & values & nonacademic achievements & curricular patterns & admissions test scores & grades, prediction of 1st yr graduate & professional school grades, 55:13523
behavior modification & contingency management, participants in graduate adult education research course, 55:10731
behavioral science courses, law students, 58:8114
behavioral science graduate teaching internship at community colleges, 55:3069
black studies & human relations training, attitude change & black self awareness & white acceptance & change in cognitive knowledge, graduate students in education, 55:13084
Blumberg's category system, interaction analysis of videotaped conferences, student speech & hearing clinicians & supervisors, 55:7858
books for supplemental reading in abnormal psychology, popularity ratings based on prior & course readership, graduate students, 58:1938
brief training in behavioral exchange negotiation mediated by novice vs experienced paraprofessionals vs graduate students in clinical psychology, marital satisfaction, couples, 58:3875
California Psychological Inventory profiles, GPA prediction, male 1st-yr law students, 58:2106
canonical correlation, relationship between Holland's Personnel Inventory & Gough's Adjective Check List, students in professional training & commercial & teacher training & fine arts schools, 58:6677
career stage, change in scientific attitudes, psychology graduate students & faculty members, 56:5009
categorization & graphically plotting errors by categories on multiple choice examination, subsequent test performance, advanced college students & graduate students, 56:3090
cessation of monitoring, continuation of data recording for behavior change, parents in family program & graduate students, 56:1046
characteristics of effective applied music instructors, college & graduate students, 55:1465
choice of academic course & sex, neuroticism & extraversion & intelligence, master's students, India, 58:1259
class instruction, attitudes toward disabled persons, special education graduate students, 57:11363
classroom approaches & forms of homework in interviewing skills training, interview performance, law students, 58:6092
client problem type & method of problem presentation, empathy & respect & genuineness counseling behavior, graduate counseling students, 55:12897
clinical experience level & qualitative & quantitative information, clinical judgment accuracy, clinical psychologists vs clinical psychology graduate students trained vs untrained in statistical decision theory, 56:8592
clinical internship training, perceived clinical skills & achievement & interest level, interns, 56:4665
clinical prediction with different methods of statistical prediction, clinical psychology graduate students, 57:4724
cognitive consistency theory, prediction of Ss' evaluation of instructors' effectiveness & course & grade expectations, college & graduate students, 56:1430
cognitive style & personality traits & perceptions of clients & professional role, graduate students in school vs clinical psychology, 57:1875
college environment, marital stress & satisfaction, graduate student husbands vs wives, 58:3218
commitment to community mental health vs psychotherapeutic vs somatotherapeutic ideologies, psychiatric nursing graduate students, 54:11850
community-clinical psychology programs, empirical description model, faculty & graduate students, 53:5399
comprehensive community mental health center as training setting, graduate social work students, 54:6047
confidence ratings in accuracy of personality assessments on psychiatric outpatients, clinical psychologists vs graduate students in clinical psychology, 56:1278
conflicts in graduate experience, acquisition of interpersonal role-playing skills, graduate students in clinical psychology, 57:11108
consciousness-raising vs encounter vs same vs mixed sex groups, sex role attitudes & self perception, graduate students in counselor/psychotherapist training program, 57:8699
Consultant Teacher Services training program, personal growth & knowledge of consultant teacher skills & attitude toward handicapped & enhancement of behaviors to function as facilitators of change, special education Master's degree students, 56:2792
counseling practicum, self actualization, graduate students in education, 55:3287
creative problem solving course stressing skills required of executives, graduate students, 57:11405
cross cultural education, attitudes & personality, Japanese male graduate students, longitudinal study, 58:8340
decision making ability in areas of legal issues of appropriate educational placement & treatment of exceptional children, graduate students in school administration vs counselor vs special education vs psychology, 58:8187
demographic & personality characteristics & dogmatism, professional vs graduate psychologists vs social workers vs physiotherapists vs occupational therapists, implications for multidisciplinary team operations, 58:6103
demographic characteristics & attitudes & educational choices, black vs white graduates, 53:12479
demographic characteristics, ethical discrimination ability, undergraduates in rehabilitation program, comparison with graduate student data, 58:12677
demographic characteristics, self concept & coping strategies, Black graduate vs undergraduate females at predominantly White university, 58:6342
demographic variables, attitudes toward severely disabled, vocational rehabilitation counselors vs disability determination examiners vs facility workers vs full-time graduate vs undergraduate rehabilitation counseling students, 58:10110
derivation & analysis of student-generated framework for course evaluation, students in upper-division graduate seminar vs lower-division lecture course, 58:4466
description & analysis of process towards goal of self supervision, case study of master's candidate counseling student, 58:1903
description of decision process in form of discrimination net, prediction of job choice, graduate business students, 57:2060
design & implementation & evaluation of controlled process workshop, part-time graduate counselor trainees, 55:7921
Designed Learning Experiences, tolerance of ambiguity in supervisory situations & development of supervisory skills, graduate students in education, 56:10581
determination of 2nd-stratum personality traits, graduate & undergraduate physical education students, 58:3404
development & validity, Learning Climate Questionnaire, students from business & professional schools, 53:12735
development of achievement test for graduate Special Education/Early Childhood Program at George Washington University, implications for program evaluation, 58:188
development of Instructor Behavior Description Questionnaire, measure of satisfaction from perceptions of ideal & actual instructor behavior, graduate students, 55:5939
didactic & experiential interpersonal skills training, identity status & interpersonal functioning level, clinical psychology graduate students, 54:9758
didactic vs experiential supervisor behavior expectations & supervisory experience, supervisor behavior, faculty members & doctoral students in counselor & counseling psychologist education, 57:1870
differences & changes, self perception, college freshmen-graduate students, 54:10574
differential responses to Female & Male Lawyer scale on Strong-Campbell Interest Inventory, male & female law students, 56:1497
direct vs vicarious visually presented reinforcement, achievement in graduate statistics course, graduate students, 55:13159
dissonance between professors' & Ss' value orientations, satisfaction, graduate students from US vs Brazil vs India vs Nigeria, 56:8753
dogmatism, attitudes toward equality & women's rights, male graduate students in professional schools, 56:2256
dogmatism level & presence of negative feedback during simulated decision making, congruency of choice & physiological activity, graduate students preparing for & involved in educational administration, 55:7974
eclectic human relations training, helping skills, graduate & undergraduate counseling & guidance students, 57:6562
empirical examination of values measured by Rokeach's value measures, graduate students in business administration, 54:6311
ethical dimensions vs procedures emphasis in instruction, change of expressed attitudes toward classroom behavior management, graduate students, 55:13388
evaluation of rehabilitation counselor training program, graduates, 55:5352
evaluation of relevance & effectiveness of Learning Development Consultant Simulation Materials, master's students in counselor education, 58:1896
expectations of & satisfaction with graduate experience, 1st-yr graduate students, 56:4862
experiential vs didactic teaching method, retention of complex subjects, medical college faculty members & graduate & medical students, 56:4764
exposure to computer assisted testing, attitudes toward computer assisted instruction, graduate students in elementary teacher education program, 57:1917
exposure to programed discussion of theoretical rationale underlying helping skill, subsequent use of helping skill in simulated counseling interview, college & graduate students, 58:10181
exposure to self disclosure modeling, persistence of change in self disclosure, male graduate ministerial students, 58:3385
extraversion-introversion & external internal locus of control, prediction of individual differences in responsivity to specific organizational molar response contingency, graduate students, 54:4294
factors in graduate student performance in chemistry & English & psychology departments, 58:8320
false vs true feedback & sex & personality needs, learning & retention & recall & Zeigarnik effect in programed instruction, graduate & college students, 58:10292
family therapy introductory course, design & delivery & evaluation, graduate students, 57:4234
fear of failure & failure avoidance strategies, college & graduate students, 55:11000
fictional literature, counselor facilitation, graduate students, 55:10593
field dependence & dogmatism, peer judgments of teaching competence, master's level students in intern training program for teachers of emotionally disturbed children, 56:1350
field dependence & task structure & setting, small group & individual performance on multiple choice & essay-type tasks & satisfaction, graduate students, 58:12581
full-time employment or transition to graduate studies, changes in attitudes toward authority, college graduating male students, 55:8214
Gestalt-awareness seminar, self actualization & personal assessment, student personnel graduate students, 55:7866
GPA & Graduate Record Examination scores & rate of degree completion, students' perceptions of courses & teacher effectiveness & teachers' perceptions of courses & students, doctoral students taking classes on- vs off-campus, 58:10198
Graduate Record Examination, GPA & graduate school success, literature review, 54:6425
Graduate Record Examinations Aptitude Test Verbal & Quantitative scores & undergraduate GPA, predictive validity in educational psychology master's degree program, graduate students, 55:13526
graduate school experiences, descriptions by students, usefulness for counseling, 55:8429
group facilitator's level of accurate empathy, accurate empathy & depth of self exploration & perception of group cohesion, graduate students being trained as leaders in encounter group techniques, 56:1034
group members' status, compliance with verbal diagnostic interpretations of Rorschach protocols, clinical psychology graduate students, 57:8927
group vs individual supervision of prepracticum counseling experience, development of counselor verbal response set, beginning graduate students, 55:2836
grouping by Miller Analogies score, ability to assess own test performance, graduate students, 56:8680
human relations seminars, dogmatism, educational administration graduate students, 56:10559
human relations training, skill development & attitude change, graduate students in library school, 57:6743
humanistic classroom climate, personal development, male & female college vs graduate students, 53:1889
humanistic psychological education course, personal growth, college & graduate students, 58:12484
indexes of communication & discrimination, use as selective criteria for identification of applicants with most potential for success as counselors, students in graduate degree counseling program, 55:5345
individualized approach with self study materials & mastery learning strategy vs traditional lecture-discussion, attitude toward & achievement in statistics, graduate students, 57:6781
individualized faculty supervision in research-oriented learning, student ratings, graduate students, 54:6275

instruction in effective questioning techniques, teaching performance, graduate teaching assistants, 55:2941
instructional objectives &/or performance contracting, teaching of didactic counseling & guidance material, graduate students, 55:7861
instructions regarding usage of information given, teacher & course evaluations, college vs graduate students, 57:13854
integrated experimental psychopathology & observational methods in single-S research strategy, curriculum for teaching of behavior assessment, graduate clinical psychology students, 53:1248
intelligence & achievement & personality test scores & grades, prediction of graduate studies success, graduate students, 57:6835
intensity & direction of affective responses to occupational concepts, vocationally committed male graduate students in medicine & business & engineering, 57:14066
intensive facilitative communication workshop, empathy & positive regard & congruence & immediacy of experiencing of A–B therapist types, graduate students, 54:5806
interactive causal influence of trait anxiety & state anxiety, academic achievement, graduate students, 57:9067
interpersonal aspects, group selection process of applicants for doctorate in clinical psychology, 58:4080
interpersonal relationships in school administration, school superintendents & graduate students, 55:2982
interpreter biases & induced stress, Rorschach behavior, clinical psychology graduate students & advanced students & professional clinical psychologists, 55:12377
introversion vs extraversion & supportive vs nonsupportive supervision, rating of own counseling performance, graduate students, 57:1862
Judgment Analysis methodology, identification of pornographic materials, psychology & counseling & guidance graduate students & lawyers & policemen, 53:2947
knowledge & attitudes & achievements, social work students, longitudinal study, 58:8116
knowledge of educational terminology & instruction involving structured interpretation of actual research vs unstructured inquiry, interpretation of educational research, elementary education graduate students, 55:2957
knowledge of method of test scoring, test anxiety & achievement test performance, graduate students, 58:10624
language history & attitudes, prediction of use of Hebrew vs non-Hebrew terminology, Israeli psychologists & graduate psychology students, 54:5377
learner type & method of quasi-programed instruction, achievement & retention & ratings of difficulty & satisfaction in statistics course, graduate students, 56:10646
lecture & written handout alone vs with videotaped model vs practice, decision making counseling, counseling graduate students, 58:4126
lecture seduction & content coverage, lecturer ratings & test performance, college & graduate students, 56:2916
lectures varying in substantive teaching points & seductiveness, satisfaction ratings & achievement test performance, college & graduate students, 54:1893
length of counselor education program & companionate variables, marital stability & factors differentiating cohesiveness, married graduate counseling students, 58:7344
limited individual testing course structure, determination of who was tested & what tests were used, graduate students, 55:5509
linguistic & motivational & orientational factors, achievement in acquisition of English as foreign language, college & graduate students, Spain, 55:13271
locus of control, performance under traditional vs mastery assessment procedure, college students & graduate student teachers, 56:10790
master's degree program in clinical practice, traditional passive orientation vs enhancement of self concept, clinical psychology students, 55:7829
masturbation attitudes & knowledge & experience, male vs female college & graduate & medical students, 57:12678

medium requirements & choice & format & content, medium-activated seminar, graduate students, 53:6138

mental health consultation in clinical law training program, awareness of interrelationship between client's legal & psychosocial problems & sensitivity & responsiveness to problems, law students, 57:1746
MMPI pattern changes, male college & graduate students, 1969–73, 57:6905
model based on behavioral objectives developed via Delphi technique, group counseling instruction, graduate students, 57:4222
moderator effect of undergraduate GPA, prediction of success in graduate education, 55:13541
multivariate analysis using coefficient of profile similarity, personality profiles, graduate & college physical education students & comparison to general population norm, 58:3405
mythical parallel & degree of affect & rationality & similarity to everyday life, archetypal dreams in childhood vs vivid vs recent dreams, college & graduate students, 54:4673
neuroticism, aversiveness of task-role ambiguity in high vs low pressure situation, graduate students, 54:4293
nocturnal enuresis & effects on social life & job responsibilities, business administration graduate & college students, 54:1244
objectives & training procedures, IQ test administration competency standards & graduate education students, 53:1238
organic development approach, personal qualities necessary for effective counseling, graduate students in counseling & school psychology, 58:12299
participation in human relations-type course in personal growth, similarities & differences in personal orientations & interpersonal styles, advanced graduate students, 57:13704
patient's demographic characteristics & social appeal & rater's experience, bias in judgments of psychopathology, clinical psychologists vs graduate vs college students, 58:8150
peer-staffed vs supervisor-staffed microtraining, acquisition of counseling skills & precounseling anxiety, graduate counseling students, 57:11105
perceived social class & source of suggested diagnosis, clinical judgments of pathology, clinical psychology graduate students, 54:5674
perceptions about mental retardation, members of American Academy on Mental Retardation vs college vs graduate students, 57:3026
perceptions of actual & ideal university goals, college & graduate students vs administrators & student personnel practitioners, 57:13587
perceptions of effectiveness of program in educational administration & supervision, doctoral & master's level program graduates, 57:11247
perceptions of I. Gandhi, postgraduate students, 1967–76, India, 58:11593
perceptions of ideal self & ideal leader & ideal teacher & Indira Gandhi & business executive, Activity Vector Analysis, Indian graduate students, 54:9607
perceptions of self & ideal woman & man's ideal woman & educational goal level & demographic factors, motive to avoid success in women, male vs female Master's degree candidates, 58:5417
performance problem solving method, reading deficiency & educational problems & graduate marketability & cost analysis, 53:3941
persistence of communications skills during interviewing & in written data, college students in special vs regular personality course vs 1st-yr graduate students in fundamentals of counseling course, 6–9 mo followup studies, 56:10499
personality & family background characteristics, choice to enter high level professions, young adult women in graduate training for law & medicine & architecture & science, 55:5761
personality & values, anticipation of supervisory relationship, black vs white graduate counseling students, 53:5428
personality correlates, judgmental accuracy in personality assessment, graduate students & clinical psychologists, 56:4669
personality inventory vs cognitive & application data, prediction of graduation from medical school, medical school graduates & academic & nonacademic dropouts, 55:5357
personality test battery, prediction of student performance in graduate social work program & use in educational planning, graduate students, 58:4434
personality trait differences, college vs graduate students vs applicants to Master's program in psychology, 57:4404
personality traits & demographic characteristics & scores on Holland's Vocational Preference Inventory, graduate educational administration students vs practicing administrators in higher education, 57:11287
personality traits & sensitivity group experiences, change in feeling reactivity & expressiveness & self perception & interpersonal sensitivity, graduate students, 57:3894
personality traits & values & intellectual abilities, preference for particular managerial positions, graduate students, 54:10730
phenomenological investigation, development of professional role identification & conceptualization of development using Jungian analytical psychology constructs, counselor education students, 57:6616
potential professional & marital status, traditional vs liberal views on feminine role perception & attitudes toward women's unconventional occupations, female graduate students, 58:3236
power & conflict, student–teacher relationship, high school & college & graduate students, 53:3946
practicing psychotherapy, personality changes in empathy & nonpossessive warmth & genuineness, 3rd-yr graduate students in clinical psychotherapy vs 1-yr psychiatric residents vs 2nd-yr clinical psychology graduate students, 54:5395
practicum experience with mental patients, students, northern Canada, 54:5407
predictor & criterion scales, aptitude diagnosis of academic specializations, college & graduate students, 53:6266
preferences of course work & psychology course offerings of counseling graduate programs, graduate students & faculty, 54:7699
presentation of cognitive objectives for study units in computer-managed courses, test item latency & study time & achievement & anxiety, graduate students, 57:13738
previous work experience, manifest anxiety level & self concept, social work graduate students, 54:7685
prior vs no prior attitude supporting interview & ascribed status of S, ability to change attitudes of how college students view themselves, PhD psychologist vs psychology graduate student interviewers, counseling analog study, 57:8185
professional identity & experience & amount of information, diagnostic accuracy & confidence, advanced students in or practitioners of psychiatry or psychology or counseling or social work, 58:12341
professional socialization during education, psychology graduate students in clinical & nonclinical programs, 55:5600
providing students with instructor's teaching notes & returning students' examination papers for correction, techniques to improve learning of statistical concepts & operations, college & graduate students, 53:10440
psychological trends & issues, faculty & graduate students in psychology, survey, 53:1281
psychology licensing examination performance, graduates receiving PhD vs EdD degrees, 58:6090
psychosocial & situational variables, prediction of sport preference, graduate & college students, 55:13267
questionnaire evaluation of tutorial mode classroom format, recent graduates holding degree of Master of Public Administration, 54:6251
rank correlation technique, graduate student evaluations, teachers vs peer groups, 53:12556
ratings of nonverbal behavior as response to stress in counseling interview, master's degree students in counselor education & psychology, 55:7730
rational emotive therapy training, self understanding & insight-based actions & decreased anxiety & hostility & improved sexual adjustment, graduate students, 54:11874
recall & confidence of recall, epistemological structure imposed on set of mathematical concepts, graduate mathematics students & faculty, 53:4491
reinforcement vs model-reinforcement techniques, classroom verbal participation, graduate students, 55:3232
relational & analytic cognitive styles, learning environment & life-style preference, graduate students, 56:6957
relationship between sex role stereotypes & self actualization, graduate students, 58:1215
scaling of attitudes about desirable teaching characteristics, college & graduate students, 53:1952
scholastic aptitude & intelligence & 2nd yr GPA, prediction of monetary success in business, graduate business students, 54:6477
school psychologist training program, self disclosing ability, graduate students at different levels of training, 56:1271
scores on 16PF, male graduate students in physical education, comparison of 1962 & 1970 test norms, 55:4644
self actualization & openmindedness & manifest needs, graduate students entering counselor education vs other education programs, 57:11139
self actualization & personality type, doctoral majors in educational administration vs helping areas of counseling & guidance & educational psychology & special education, 57:13611
self concept & attitudes toward feminism & knowledge of sex & attitudes toward sexuality, seminarians vs religious women vs graduate students in education, 58:11598
self confrontation with videotapes & A. Blumberg's 15-Category System, analysis of verbal interactions of supervisory conferences, doctoral candidates, 58:10197
self disclosure & self actualization levels, prediction of counselor effectiveness, graduate students, 55:10620
self esteem & career aspiration & demographic & educational characteristics, graduate nurses, 58:12297
self vs ideal ratings of scholastic ability, self-ideal congruence, freshman vs senior college students vs graduate students, 58:4321
semantic differential rating of helping & nonhelping professions requiring equal training, masters level psychologists vs social workers vs rehabilitation counselors vs computer science graduate students, 56:1527
sensitivity training, changes in interpersonal behavior, graduate students in social work, 54:9785
sex & academic field, relationship between birth order & achievement, graduate students, 57:13783
sex & degree objective & marital status & perceived student-faculty relations & academic environment, satisfaction with graduate education, graduate students, 57:4408
sex & fear of success, academically-related perceptions & performance, law school students, 55:10843
sex & linguistic interest & graduate school major & psychological mindedness, ability to identify nonverbal information about emotional states, graduate counseling vs business students, 57:5834
sex differences, conservatism-radicalism, postgraduate students, India, 56:2438
sex, level of empathy offered to help seeking requests, male vs female clinical-counseling practicum students, 57:4190
sex of 0 & Ss being observed & appearance & attitude, liking tendencies & likeability, counselors vs businessmen vs graduate students, 57:5817
sex role attitudes & traditional vs nontraditional career choices, male & female graduate students, 55:5767
sex role stereotyping of mental health for men & women, graduate vs undergraduate social work students, 57:3136
sex role stereotyping workshop & sex & socioeconomic status, attitudes toward women, education students, 58:10236
sex, self perception as quality student & academic achievement & change in self perception, college & graduate students, 58:4333
sexual attitudes & knowledge & neuroticism & extraversion, graduate students in nonmedical helping professions vs nonclinical professions vs college students, 57:11483
signal detection model application, global personality judgments based on MMPI profiles, college & graduate psychology students, 55:9895
simulation technique, school psychology training program, school psychology students, 55:5349
social class designation & source of prediagnostic information, clinical judgment, clinical psychology graduate students, 57:11119
social environmental determinants of morale, behavioral analysis of questionnaire data, graduate students, 58:12695
specialization in physical education doctoral programs, subsequent professional-vocational responsibilities, doctoral graduates, 57:13631
specific vs nonspecific training in social work practice concerning empathy & warmth & genuineness, graduate students, 55:10573
specific vs organizational vs inferential questions as strategy cues, prose learning, graduate students, 55:13329
status in southeastern psychological community, female graduate students, 53:1241
Strong Vocational Interest Blank for Men, sex differences in occupational interests, counselor education students, 53:4107
structured client feedback as practicum training device, counseling precepts & interview relation techniques, master's level students, 55:1210
structured vs nonstructured small group experience, self concept & interpersonal orientation & perceptions of group experience & attitudes toward trainers, graduate students in counselor education, 55:12891
student & test item characteristics, alteration of initial responses to objective test questions & prediction of profit from response alterations, 1st-yr students in professional school from allied health care field, 58:10575
student characteristics & values & faculty members' commitment & personality & educational philosophy, outcome of graduate training programs in clinical psychology, 57:4260
student knowledge & acceptance of behavioral objectives, school learning & achievement, graduate students in vocational educational course, 55:10852
student needs & teacher orientations, ratings of teachers, graduate students, 55:13446
students' idea of "real therapy" & improvement of the "real therapy" client, communication of relevance of methods & goals of rehabilitation counseling, rehabilitation counseling education students, 58:12342
styles of coping with stressful situations, graduate students progressing well vs less competently, 56:2987
subjective expected utilities associated with academic areas & MS degree & academic area preferences, graduate students in interdisciplinary industrial relations program, 55:5403
supervised counseling experience, changes in dominance & self acceptance & authoritarianism, graduate students, 58:1890
SVIB patterns & law school achievement, 1st-yr male law students, 58:8319
SVIB profiles, female law & medical & graduate psychology students & mathematicians, 55:1623
systematic group counselor training employing mastery of training objectives, evaluation of course objectives & content, graduate students, 58:1877
task-centered approach to social casework, 1st-yr graduate students, 54:10352
teaching approaches & departmental environments for learning in graduate departments of psychology, 1st-yr graduate students, 57:13486
terminal & instrumental values, graduate students from 9 different fields of psychology vs national comparison group, 58:7605
Test of Behavioral Rigidity, evaluation as measure of change due to training, graduate students, 56:41
theoretical considerations & scoring & instructions manual, Admissions Rating Scale, 53:12544
therapist's cognitive style, inference process with clinical material, clinical psychology graduate students, 58:7849
token economy & family interactions & graduate students as cotherapists, managing misbehaved children, case report, 54:12336
traditional test scores & undergraduate GPA & letters of recommendation & interview ratings & biographical information, applied psychology subdoctoral program success prediction, 54:6382
traditional vs experimental counseling practicum, reduction of dogmatism & rigidity, education graduate students, 54:4027
trainer disclosure level & S's identification with trainer value orientation, self disclosure & self concept & conformity of values & empathy, graduate students in psychotherapy training, 55:10581
training in art therapy, psychodiagnosis from patients' paintings, graduate students, 54:3212
training in model of T. N. Rusk & focal therapy, response patterns in crisis intervention, clinical psychology graduate students, 56:1241
training in professional ethics & history, graduate student teachers as prospective professors, 54:6205
training of paraprofessionals, skill development & self concept, graduate student & undergraduate paraprofessional trainers, 57:4220
training program for college teaching, graduate students, 55:5453
trait & state anxiety, academic achievement, graduate students, 56:2945
trait anxiety level, decision making task performance under high & low stress, graduate education students, 57:6819
Transactional Analysis, locus of control, graduate students, 55:4989
tutorial mode, academic performance, graduate vs college students, 54:8347
tutorial vs traditional teaching modes in evening classes, academic performance, graduate students, 55:13187
type of educational program participation, perceived empathy & positive regard & congruence & self exploration & effectiveness of counselor in videotaped interviews, graduate students vs counselors vs counselor educators, 58:1914
undergraduate GPA vs Undergraduate vs Advance Education Record Examination scores, prediction of GPA in graduate program, graduate students in school of education, 58:2237
undergraduate vs graduate GPA, Black graduate students who attended predominantly White vs Black colleges, 58:8311
use of volunteers & graduate students in school system, 53:1906

validity as measures of achievement motivation, Need Achievement scale of Personality Research Form & Debilitating Anxiety scale of Achievement Anxiety Test, graduate students, 55:11299
validity, state–trait conceptualization of anxiety & State–Trait Anxiety Inventory, graduate education students, 53:6463
value & attitude changes, 10th–12th graders & candidates for masters degree in counseling, 56:8744
variables related to choice of graduate study, graduate students, implications for admissions process & counseling undergraduates & recruitment of new students, 55:7883
videotape playback vs affective learning group experience vs life planning workshop as introspective activities, self concept, graduate students, 55:8345
What Kind of Person Are You creativity test scores, correlations with creativity rating & order of completion of courses quiz & impulsiveness & risk taking & cautiousness, graduate students, 56:728
WISC vs WISC-R scoring criteria, interrater agreement & reliability on comprehension & similarities & vocabulary subtests, graduate students, 56:7013
work-training experience, academic preparation & career development & perceptions of assistantship characteristics, graduate student assistants employed in divisions of student affairs & housing, 1-yr longitudinal study, 56:10556
16PF scores, female graduate students in physical education, comparison with 1962 & 1970 general population norms, 57:5923

Grammar [See Also Adjectives, Adverbs, Form Classes (Language), Inflection, Morphology (Language), Nouns, Orthography, Phonology, Pronouns, Sentence Structure, Syntax, Transformational Generative Grammar, Verbs]
age & parents' education & sex, paradigmatic associations, 1st–4th graders, 57:953
age & sex & birth order of child, number & frequency of words & utterance length & words in disfluencies & grammatical complexity of speech on model-building vs story tasks, mothers & 1.5 & 2.5 & 4 & 6 yr old children, 54:3065
age & sex & school marks & socioeconomic status, elementary grammatical thinking, 8–12 yr olds, implications for teaching foreign language grammar in elementary schools, 57:1928
almost perfect 1-trial learning of translatable operators in Ural-Altaic & Indo-European language, Finnish- & Swedish-speaking high school students & Norwegian-speaking college students, 54:350
alterations in internal sentence patterns, assessment of sentence grammaticality, sensory & motor aphasics & brain damaged patients, 56:10190
analysis of writing samples, feasibility of early teaching of grammar, 6–10 yr olds, 53:8308
blue collar life & upward mobility aspirations, use of elaborated speech code in written speech, junior high age Ss, 57:10069
case grammar relations, long term memory for connected discourse, 58:8788
case, sentence comprehension, adults, 55:8820
cognitive development, cognitive & linguistic pluralization rules, 18–28 mo olds, 58:807
cognitive structuration development, development of concept of "the word," 4–10 yr olds, 53:7037
communication features of emotions in English & tonal language of Yoruba, social grammar of language, 54:9638
comparative psychology approach, grammar & meaning, primates, 53:11259
competing messages based on linguistic violations, aural masking of monosyllabic words, college students, 58:4758
computer program, algorithm for segmentation of artificial language, 54:5300
cultural & linguistic aspects of pain description, English & Thai & Japanese speakers, 57:2818
development of competence on exception to grammatical rule, 8–20 yr olds, 2-yr follow-up retest, 53:7031
development of phrase & clause decoding ability, children at 3 developmental levels, 54:815
developmental sequence, teaching use of grammatical structures, 5–9 yr olds with language disabilities, 54:8445
dialect differences & sound & grammar changes, communication form, 54:3073
differences in perceptual strategies for determining grammatical relations in perceived clauses, acceptability of dative questions, college students & professionals, New York City, 53:11663
differential presupposition in descriptive sentences, frequency of perceptual errors, college students, 53:4396
double negative clauses with substantive element as subject in clause & object in another, perception of complex sentences, criticism of T. G. Bever's theory, 54:11738
emission of present & centered language written context of initial counseling session, selected behaviors of state of centeredness, counselors, implications for differential structuring of counselor-client relationships, 55:4647
encoding of semantic & graphemic features of sentences, good vs poor readers, 54:2710
field articulation level, latency & accuracy of true-false judgments of sentences varying in grammatical & semantic complexity, college students, 55:11434
formal grammars, linguistics & psycholinguistics, Vol 1, book, 53:5265
formal grammars, linguistics & psycholinguistics, Vol 2, book, 53:5266
formation of present & plural & possessive & time extension forms of nonsense syllables in grade 2 vs 4 vs 7, Black vs White students, longitudinal study, 58:5154
grammar & general-principles-of-language instruction, secondary school English teacher candidates, 58:8229
grammar & lexicon in sentence arrangement task, 17–65 yr olds with Broca's vs Wernicke's aphasia vs total aphasia, 56:898
grammar learning & teaching, brief survey of recent developments & selected bibliography, 54:10416
grammatical & semantical & phonological violations, simultaneous aural monotic masking, college students, 58:8752
grammatical analysis based on syntactic cues, identification of deep structures & relation to psycholinguistic theories, 53:7386
grammatical category manipulations in active & passive sentences, immediate vs delayed recognition test performance, college students, 57:419
grammatical class & imagery & word order, paired associate learning, 57:2459
grammatical class of stimuli words & age, paradigmatic associations as measure of associative structuring in Slovak vs other languages, 1st–9th graders vs adults, 56:7655
grammatical complexity, comprehension & recall & processing & conception of semantic relations in reading, 3rd & 4th grade average & high achievers, 54:5010
grammatical features of dialect, reading comprehension, 5th grade speakers of nonstandard Black English, 58:12592
grammatical form of sentences, preference for written sentence forms of double object construction, adults, 53:5292
grammatical structure analysis of spontaneous speech, clinical intervention, children, book, 53:868
grammatical vs ungrammatical sentences, errors in sentence repetition behavior, aphasics, 57:3666
identification & correction of nonstandard English in written & oral modes of presentation, black vs white 4th & 6th & 8th graders, 55:11834
idioms vs nonidiomatic sentences & ambiguity & grammaticality of idioms, comprehension, 58:2662
imitation & comprehension & production of grammatical contrasts, kindergartners from high vs low socioeconomic classes, 53:4896
imitation & lexical & grammatical variation in imitative & spontaneous speech, longitudinal study between ages of 18 & 25 mo, 53:845
instruction to generate memorable vs grammatical sentences, sentence simplicity & positive affect & meaningfulness & imageability, memorability of sentences, college students, 53:10935
intrasentence grammatical constraints, recognition of content of tachistoscopically presented sentences, college students, 56:77
judged grammaticality & comprehension of yes–no & "wh" & tag questions, deaf & hearing 3rd–5th graders, 53:12020
knowledge of own language, relation to production & comprehension & judgment & correction performances in language, children, 54:11392
language word order & organization of reference field & Ss' iconic-order coding biases, acquisition of miniature artificial language vocabulary, college students, 54:2335
language written without forms of "to be" vs reading same communication in ordinary grammar, cognitive change measured by semantic differential, college & graduate students, 57:4944
linguistic complexity & rate of speech presentation & interphase pause time, auditory-verbal comprehension performance, 19–75 yr old aphasic patients, 56:10193
linguistic contexts, abstract readings of verbs of perception, 53:3063
logical relationship of clause & clause similarity, choice of conjunctions, 1st vs 4th vs 7th vs 10th graders vs college students, 57:935
logico-grammatical sentence comprehension, 12–16 yr olds with learning disabilities vs normals, 53:1501
malformed vs well-formed sentences, sensitivity to differences in use of operator "or", 53:7354
model of image formation & expression & role of linguistic structures in perception & performance & communication, 58:7129
modeling procedure, use of grammatical structures, language, handicapped children, 55:7690
multiple violations in anomalous sentences & direct semantic relationships, sentence comprehensibility, 56:7202
natural vs formal language teaching programs, grammatical principle usage & language development, deaf 9–16 yr olds, 58:10513
negative vs question sentence form & grammatical complexity & age, attribution of sentence to adult or child, 5 vs 7 yr olds, 55:6801
number of sentences, retention of surface & deep structures, 19–25 yr old students, 55:8912
paraphrase alternations of anaphoric forms in linguistic contexts, reading comprehension difficulty, 3rd graders, 58:6280
perception of grammatical structure, good vs poor readers, 55:6094
performance on grammatic closure subtest of Illinois Test of Psycholinguistic Abilities, Black vs White kindergartners vs 2nd vs 4th graders, 57:13971
phonogrammic & ideogrammic aspects of performance, word repetition & naming pictures & reading aloud & transcription of heard words into ideographic symbols, 66 yr old right-handed Japanese female with conduction aphasia, 54:10029
"pivot grammar" in speech development, children, 56:5802
position of embedded clause & word order in embedded clause & grammatical functions of identical noun phrases, acquisition of relative clauses, 44–65 mo olds, 53:893
pragmatic & grammatical factors, comprehension of universal affirmative propositions, 6 & 7 & 8 vs 11 & 12 yr olds vs adults, 57:7928
presentation of verbs "can" & "will" in grammatically correct & incorrect declarations & questions, use of verbs in spontaneous speech & imitation & correction of declarations & sentences, 2.5 yr old male, 55:2183
presentation of 2 nouns & 1 verb in every possible order, verbal productions, 54:3091
provision of explicit grammar information before vs during vs after exemplar presentation, implicit & explicit learning processes in artificial language rule apprehension, 58:2673
recognition of grammatical categories, 17–69 yr old aphasics, 54:9963
relative transformations, production of complex sentences, French-speaking adults & 6th graders, 54:7588
reliability & validity & usefulness of elicited imitations testing method, assessment of grammatical structure, 3–7 yr olds, 53:9257
semantic & grammatic factors, understanding sentence structure of text, 4th vs 6th vs 8th graders, 58:871
sentence completion task administered in standard vs Negro nonstandard English, comprehension, lower class black 5 & 7 yr olds, 55:8349
sentence expansion responses to Ss' ungrammatical communications, rate of non-oral & oral communications, 5–8 yr old hearing impaired children, 54:8452
sentence types, generative-transformational capacities assessed by sentence repetition task, 7–19 yr olds with Down's syndrome, 58:1395
sentence voice & reversibility, choice of definite vs indefinite article for 1st & 2nd or 2nd only nominal, English & American adults, 57:12461
serial vs story grammar structure of orally presented narrative prose, fact recall, college students, 57:4971
servo theory analysis, language behavior & acquisition & linguistic change, 56:9623
social context, changes in intonation & lexicon & grammar rules, Hawaiian Creole speakers, 53:1157
spatial direction & grammatical form of instructions, spatial problem solving, college students, 54:8846
speaker utterances ending with vs without filled pauses & grammatical closure, latency of listener's next vocalization as measure of assumption of conversational floor, college students, 56:461
speed & flexibility, figural & verbal & semantic & grammatical cognitive closure, US Naval Aviation Cadets, 53:10877
spelling & grammatical category of nonsense words, pronunciation of written English, college students, 56:7578
stable difficulty ordering vs invariant order of acquisition, presence & absence of grammatical morphemes in obligatory contexts, nonfluent aphasics vs normal children, 53:11942
stimulation format for language clinicians & teachers, teaching directional & relational prepositions to kindergartners having difficulty with complex spatial concepts, 58:10515
stimulus equivalence & grammar & internal structure, discussion of N. Chomsky's criticism of behavioral approach to language, 58:3055
suprasegmental & grammatical features of simple declarative sentence, telegraphic speech production & imitation of content vs function words, 1.5–3 yr olds, 54:9335
surface dimensionality preferences & phrase structure of sequential drawing movements, kindergartners to 6th graders, discussion of analogy between motor activity & grammar, 57:7979
surface order & surface deletion, sentence depletion, college students, 56:5257
surface vs syntactic deep structure vs semantic case category schemes, probed recall of sentence elements & basis for association of elements & optional vs required case roles in sentence memory organization, 58:2720
system for analysis of structure of prose in textual materials, implications for reading & memory, 58:2263
thematic vs nonthematic portions of sentences, accuracy of memory for linguistic information, college students, 58:354
Token Test, identification of perceptual & linguistic factors in language impairment, 6–9 yr olds with developmental dysphasia, 55:10077
underlying grammatical rule structure, congenitally deaf 15–19 yr olds, 53:12021
various grammatical form class deletions & reader's linguistic ability & content area, comprehension of mutilated reading material, 7th graders, 55:13106
verb tenses, degree of stress for speakers & listeners, male students, test of Weinrich's hypothesis, 54:411
verbal instructions alone vs with point loss, reduction of grammatical errors in writing, junior & senior college students, 58:4221
verbal reprimands, incorrect responses in grammatical exercises, 15–17 yr old students, 55:13311
visually vs auditorily presented semantically vs syntactically deviant vs normal sentence word strings, grammaticality & meaningfulness ratings, college students, 54:9634
word order & prompting & grammatical voice & logical categories of prompt words, verbatim vs semantic sentence recall, male high school students, 55:11494
word position & grammatical function in utterances, speech dysfluency, 4 yr old male nonstutterers, 56:2151
wording of question, eyewitness testimony, graduate students & 14–20 yr olds, 54:1258

Grammar Schools [See Elementary Schools]

Grand Mal Epilepsy
confusion in symptoms & diagnosis of psychomotor & petit mal & grand mal epilepsy vs psychiatric disorders, case reports of 26 yr old man & 29 yr old woman & 18 yr old girl, 56:4329
extent of alcoholism, predictive index of elapsed time between grand mal seizures, nonalcoholic & alcoholic epilepsy patients, 55:12559
grand mal pattern of F. A. Gibbs & E. L. Gibbs & W. G. Lennox, epileptic patients, 57:1501
personality changes on MMPI Depression & Psychopathic Deviate scales, 34-yr-old grand mal epileptic male, 53:3503
personality traits based on Sjobring's neurophysiological model of personality, patients with juvenile mycolonic epilepsy vs psychomotor epilepsy vs cryptogenic grand mal epilepsy, 57:8514
psychotropic drugs, psychopathological symptoms, patients with temporal epilepsy & with grand mal seizures, 57:10956
tele-stereo-EEG & clinical characteristics, 38 yr old male patient with post-traumatic epilepsy & psychomotor & grand mal seizures, 54:7936

Grandchildren
alcoholism & alcohol abuse occurrence, grandsons of alcoholics, implications for sex-linked factor hypothesis, 56:6205
description of Little Nell Complex as oedipal relationship between girl & grandfather, case report of 13 yr old female with depression following grandmother's death, 57:10486
development of theoretical perspective, parental mediation between grandparents & grandchildren, 55:2275
significance of grandparenthood & perceptions of grandparents, 18–26 yr old grandchildren, 57:1094

Grandparents
adopted grandparents program stressing interaction with 6–8 yr old pupils, nursing home residents, 57:4091
age & race & sex & contact with grandparent & social class, attitudes toward the aged, Black vs White 9th vs 12 graders, 58:5218
alcoholism & alcohol abuse occurrence, grandsons of alcoholics, implications for sex-linked factor hypothesis, 56:6205
contacts with grandparents as educators, development of hope for future, children & adolescents, 54:5047
description of Little Nell Complex as oedipal relationship between girl & grandfather, case report of 13 yr old female with depression following grandmother's death, 57:10486
development of theoretical perspective, parental mediation between grandparents & grandchildren, 55:2275
employment as foster grandparents, intelligence test score improvement, previously unemployed poverty level older people, 7-yr followup, 57:5503
family interactions between mothers & maternal grandparents, asthmatic & nonasthmatic 6–11 yr olds & mothers, 55:7452
generation age of fathers & grandfathers at birth of child, intelligence of descendants, 53:11700
grandparent contact & birth order & sex, reading readiness & self concept & classroom behavior & language development scores, white middle class 1st graders, 56:2125
maternal effects, psychoticism & extraversion & neuroticism, mothers & maternal grandparents & children, 53:507
planning of weekend workshop, grandparents of hearing-impaired preschoolers, 56:2660
role & function of peer modeling as training procedure & reinforcement methods, development of foster grandparent-child relationship, foster grandparents assigned to severely & profoundly institutionalized retarded children, 56:2629
significance of grandparenthood & perceptions of grandparents, 18–26 yr old grandchildren, 57:1094
themes & variations in role of grandparents, Black families, 58:7371

Graphology [See Handwriting]

Grasshoppers
diurnal variation in learning behavior & changes in RNA concentrations in metathoracic ganglia after conditioning, male & female grasshoppers, 54:9044
informational analysis, communication in intermale social interaction, grasshoppers, 57:9688

Gravitational Effects [See Also Weightlessness]
artificially disturbed magnetic field &/or overcast sky, orientational behavior, passerines, role of inertial orientation, 55:11538
geotaxis on inclined plane & geotactic behavior in light gradient field, role of proprioceptor sense organs, starfish, 55:226
gravity, tactile-kinesthetic space estimation, 16–35 yr olds, 58:4721
head position & gravity, unit responses in bulbopontine reticular formation, anesthetized vs decerebrate cats with vs without cerebellum, 53:459
stellar & magnetic cues, orientation behavior, night migrating robins, 57:9586

Great Britain
achievement orientation & intellectual responsibility measures, differentiation between degree & nondegree course students, British teacher education students, 53:4115
affirmation of values & behavior & peer pressure vs individual pathology, group dynamics & demographic characteristics of drug takers, Great Britain, 53:5115

socio-psychological analysis, stages of bereavement, book, 54:832
spontaneous abortion during early pregnancy, pathological grief, case report, 53:1335
stages of husband's impending death due to terminal illness, phenomenological analysis of patterns of psychological & psychosomatic reactions, wives, 57:13055
stages of mourning, analysis of letters written by mother for 13 yr old son, 57:3335
stepmother model of identification in relation to mourning child, interaction with child, 54:7250
structure & function & treatment success, crisis intervention program for children & families experiencing bereavement, 58:1611
subliminal aggressive stimulation, moods, young adults who had experienced death of parent during childhood or adolescence, support for psychoanalytic proposition, 56:9723
surviving child as scapegoat, mothers suffering from loss of child, case report, 55:7322
systematic focused interview schedule, interviewing, recently bereaved Ss, 55:7505
theological beliefs & perceived theological capability with church members, effectiveness in grief work therapy with grieving church members, Presbyterian pastors, 58:8015
therapy, bereaved relatives, 55:10216
training of registered nurses as bereavement counselors in occupational health service, crisis intervention effectiveness, employees experiencing recent family death, 58:1763

Gross Motor Skill Learning
development & testing of dressing smock & figure reproduction stencil board learning devices, development of self care & fine & gross motor & cognitive & perceptual & figure reproduction & manipulative skills, trainable mentally retarded 4–9 yr olds, 57:3620
extrinsic feedback, gross motor skill learning, mildly & moderately retarded institutionalized male 8–17 yr olds, 55:12512
gross-motor vs fine-motor skill training programs, intelligence scores & perceptual motor skills, kindergartners, 57:6797
individualized program of sensory stimulation using interdisciplinary team approach, fine & gross motor functioning & perceptual performance & language development, sensory impaired & multihandicapped 18–36 mo olds, 57:4066
large pursuit rotor tracking, existence of phenomena occurring on conventional rotary pursuit & other small apparatus, male college students, 57:9451
massed vs distributed practice, initial acquisition & retention & relearning of gross motor skill, school age mentally retarded males, 57:6097
mental practice vs conventional vs videotape vs conventional/videotape feedback, perception & performance during early learning of gross motor skill, 7th graders, 55:8122
peer cooperation & practice, learning of gross-motor whole-body task, 17–22 yr old college females in physical education course, 57:6820
physiological readiness, rates & efficiency of learning 3 gross motor skills, 5–9 yr olds, 55:11911
presence of peer of same vs different sex, gross motor skill learning using stabilometer balancing task, 3rd grade girls vs boys, 55:13111
rhythm & gross & fine motor ability, 65–174 mo old developmentally disabled, 57:8540
self acceptance & disconfirming feedback, performance of gross motor skill, college students, 55:11348
stabilometer computerized analog recording system, studying gross motor skill learning, 55:11248
trait anxiety & knowledge of results & physical working capacity, amount of learning & final performance of gross motor skill, male college students in physical education classes, 55:13190
verbal vs tangible reward vs punishment & age, gross motor skill performance, 8 vs 11 yr old females, 55:518
visual perceptual training program, description of diagnostic reading tests & special equipment & gross motor & visual & perceptual training activities & emphasis on teacher & parent participation, 58:4225

Ground Transportation [See Also Automobiles, Railroad Trains]
acting out children & youth, use of vehicles with client groups, child care workers, 55:5235
age & sex & environmental factors, bicycle driving characteristics & traffic conflict environments, bicyclists, 58:4471
attitudes toward & physical discomfort experienced during school transportation over long distances, 9th graders, 54:12511
attitudes toward transportation system traits & sensitivity to perceived differences in traits, probabilistic model of choice behavior, train & automobile passengers, 55:5859
availability of personal transportation, life satisfaction, elderly, 54:2786
bus use vs other modes of travel, values, college students, 56:9743
ergonomic considerations, accelerators & decelerators & transfer sections of high speed pedestrian conveyors, 53:10632
fare & frequency of service & proximity to bus stop, probability judgments of riding hypothetical bus systems, college students, 53:8436
forced busing, achievement & personal & social adjustment, black elementary school students, 55:3126
increased racial desegregation through busing, attitudes & self evaluation of teaching performance, teachers in Nashville schools, 55:7897
personal distance & personal space as aspects of territoriality, subway behavior during high & medium & low density situations, indications for restructuring public transportation, 54:2106
potential value of motorcycle, psychological assessment & intervention with youth, 58:5769
psychological & philosophical & religious influences & attitudes, US young hitchhikers, book, 53:939
pupil bussing, subjective culture orientation, children of distinct socioeconomic classes, 57:6651
school bussing, student attitudes & behavior, 11th grade students, 55:3170
simulated tractor overturnings, motor responses for prevention of overturn, 17–26 yr old males, 55:8542
social impact assessment in highway planning, 56:6951
subway informational & orientational aids, analysis of field test utilization, adolescents & adults, 58:6508
testing at 0 & 60 miles per hr, underestimation of length of guidelines & spaces between guidelines on automotive highways, 18–62 yr old licensed drivers, 55:6041

Group Behavior [See Collective Behavior]

Group Cohesion
affective bonds & personal responsibility, level of risk taking for self & others in decision making task, 16–18 yr old males, 53:3054
black ingroup identification, outgroup attitudes & willingness to associate with outgroup members, black young adults, 55:12111
building of dwelling & collective living, group cohesiveness & intimacy & intra- & interpersonal competence, college students, 56:7885
classroom discussion & interaction activities, group development, junior high school students, 55:10949
cohesive group exposure treatment, agoraphobics, replication of study by I. Hand et al, 58:9966
cohesiveness & team task commitment & interpersonal attraction & team spirit, team success, coaching vs interacting sports teams, 58:7459
cohesiveness levels, information processing behavior of groups, college students, 54:2981
communication processes, organizational work group cohesiveness, bank employees, 55:8515
competitive fragmented orientation vs cohesive cooperative group formation, sex-specific group responses to crowding, 18–55 yr old male & female evening college students, 54:5193
conceptual model of group cohesiveness, development of athletic team cohesion, 58:5341
cooperation within groups, self report of perceived attractiveness & cohesiveness of groups, emotionally disturbed summer campers, 54:7528
cooperative vs competitive group interaction followed by cooperative task effort resulting in success vs failure feedback, intergroup attraction, college students, 58:9501
covariation & causality in undersea environment, scientists & engineers, 55:4492
dependence–counterdependence & individuation & internal rivalry & cohesion & true teamwork, group development stages in mental health team, 54:5355
depth unfoldment experience in time-limited small groups, group cohesiveness & mode of verbal interaction during progression of group, graduate students in group counseling course, 58:1636
development patterns of self analytic & self study groups, college students, 58:3790
deviance & mechanisms of sanctioning, social integration within & between disputing small-scale tribal societies in Africa, 56:9762
directive vs less structured trainer style, group cognitive training program, 1st-level managers, 53:6366
dyads characterized by level of feelings of group belonging & degree of relatedness, performance in Prisoner's Dilemma game varying payoff asymmetry of fate control aspects, high school students, 58:5323
fear vs embarrassment vs ambiguity conditions, collective coping while awaiting painful electric shock, college students, 56:6004
general semantics instruction in public schools, group attitudes concerning societal cohesion, 55:12939
group autonomy & cohesiveness, expectations & perceptions of principal's role performance as communicator, high school teachers, 58:4209
group cohesion & family health & interruption of family homeostasis, structure & function of family system, 58:983
group cohesion, problem of transfer of learning outside encounter groups, 58:9923
group cohesiveness & interruption of task, recall of group tasks, college students, test of Zeigarnik effect, 58:5339
group cohesiveness & leadership style, group problem solving, test of I. L. Janis's groupthink hypothesis, 58:11653
group cohesiveness & supervisor & gatekeeper of information source, probability of adoption of communication system, medical researchers & clinicians, 55:5826

video feedback in group counseling, grade point average, underachieving college freshmen, 53:8414
videotape playback, counseling practicum including group counseling, counselor trainees, 55:5359
videotape pretraining & guided performance, selected process & outcome variables of group counseling, male volunteer adult prisoners, 58:10068
videotaped simulation materials, affective awareness of role in member-leader relationship, group leader trainees, 58:12338
vocational introduction vs self directed search vs guided fantasy as career development group counseling techniques, measures of self information & cognitive self information seeking behavior & process factors, male training center inmates, 57:11055
weekend workshop for personal development of women using female vs mixed-sex group, group process & outcome, females, 58:9909
weekly individual &/vs group counseling, self concept & academic achievement & school attendance, Black & Mexican American disadvantaged students, 57:11577
work- vs communication-oriented juvenile correction program, recidivism rates, male 15–17 yr old delinquents, 57:4153
3 methods of group vocational counseling, college students, 53:6263

Group Discussion

action oriented intervention techniques involving practice dating & dyadic interaction & conversational skills training & group discussion, alleviation of dating inhibition, infrequently dating college students, 58:3884
active vs passive participation in Life Planning Workshop for Women, changes in attitudes toward & knowledge & expectations related to careers & life style preferences, college women, 55:4432
activity & size & member similarity of experimental social entities, pedestrian speed & distance & looking behavior, passersby, 57:12747
activity discussion group therapy's dynamisms, personality growth & behavior, 55:2636
Adlerian vs behavioral study groups, parent attitudes toward children's freedom & childrearing & perceptions of children's behavior, parents of elementary school students, 56:2585
affective & cognitive exercises for development of working skills, classroom small group work, 54:10502
ambiguity tolerance, incidence of dramatizing & stating opinions during group discussion, college students, 56:6093
amount of involvement in project planning, behavioral commitment to environmental change project, maximum security prison inmates, 57:9270
analysis of group interactive communication, identification of constructs facilitating development of complete communication, 55:4505
anti- vs pro-drug attitudes & group discussion, verbally expressed drug attitudes, male college students, 58:7470
anticipation & interaction & issue importance, group polarization of attitudes, female college students, 58:11666
application of psychiatric techniques through weekly group meetings with mental health professionals, adjustment to life threatening illness, cancer patients, 56:8347
attitude similarity between defendant & jurors, group & individual sanctioning behavior & certainty of guilt, Ss acting as jurors or judges, 55:4483
attitudes toward discussing death in classroom, Black inner city vs White suburban 8–12 yr olds, implications for death education, 57:4378
attractiveness of E behavior prior to initiation into boring & unenjoyable group situation, liking for group discussion, female college students, 54:7530
audio program learning tape vs open group discussion led by doctoral students in counselor education, attitudes of women toward women & world of work, 25–55 yr old women, 55:8463
audiotape & discussion method vs group counseling vs systematic approach to human relations training, counseling effectiveness, counselor candidates in counseling practicum, 55:12911
basic information on drugs of abuse & group discussion approach, coping with student drug use, campus ministers, 53:7272
behavioral vs lecture-discussion approach, premarital counseling, engaged couples, 58:12215
career development program using independent study vs small group discussion, occupational information seeking & attitudes & maturity, community college students, 58:10647
citizen-initiated family drug awareness group, 53:8078
classroom discussion & interaction activities, group development, junior high school students, 55:10949
cognitive complexity of individuals, small group decision making about drug problem, student volunteers, 55:12220
cognitive differentiation & compatibility between members, social interaction in patient-therapist & student-teacher relationships & small community action discussion groups, 58:1081
cognitive rehearsal through group discussion of problem solving led by therapist, change in composite anxiety measures, college students, implications for therapy, 55:10283
cohesiveness levels, information processing behavior of groups, college students, 54:2981

communications patterns & discussion topic importance, group engendered attitude change, 57:12754
community smoking program using group discussion & rapid puffing vs group alone treatments, termination of tobacco smoking, male vs female 29–64 yr olds, 57:1732
compromise vs consensus decisions, resolution of disagreement in group problem solving, college students, 55:9746
computer assisted analysis, Machiavellian behaviors in group discussion, low vs middle vs high Mach Ss, 55:2321
concrete vs abstract discussion groups, acceleration of subjective moral judgments, 1st graders, 56:1395
consciousness raising groups, therapy for women, 53:10029
consciousness-raising groups, female 4th & 5th graders, 53:1039
cooperation vs competition & opportunity for discussion, group solving of concept problems, 58:1119
cooperative program, group discussions on boy–girl relations & sexual physiology & venereal disease & contraception, female adolescents, 54:6010
cooperative vs uncooperative subordinate behavior in group discussion, leader choice of consideration or initiating structure behavior, 55:4504
crises in national affairs, aggressive classroom behavior & alleviation of tension through teacher discussion, 2nd graders, 57:4401
decision making analysis, persuasive argumentation & choice-shift effect, male college students, 54:2992
defendant attractiveness, sentence severity before vs after group discussion, college students in simulated jury setting, 53:5206
defendant's impoverished vs comfortable background & remorse, sentencing judgments before vs after group discussion, college students, 56:7974
development of generosity questionnaire & individual vs group completion vs individual completion after group discussion, generosity shift, college students, extension of value & conflict compromise theory, 57:10321
development of observation instrument, evaluation of small group discussion, high school teachers, 56:3174
disciplining hearing impaired children, content of parent discussion group, 54:9984
discussion & negotiation, social progression & polarization, groups of male mining supervisors, 55:7096
discussion, group & individual choices between sure vs risky bets, 54:5223
discussion group & knowledge of & adjustment to hypertensive conditions, outpatients with hypertension, 54:12109
discussion group, adaptation & social interaction, elderly convalescent hospital patients, 53:3902
discussion group for 2-way communication & exchange of ideas, hospitalized psychiatric patients & physicians & nurses & social workers, 53:3891
discussion groups co-led by school counselor & learning disabilities specialist, childrearing attitudes & parent-child relationships & personality traits of parents & children, school age children & parents, 56:2601
discussion of role attributions & family dynamics, adoption of family treatment approach, staff of psychiatric day hospital, 56:10429
discussion sessions vs systematic desensitization & negative practice, 9–14 yr old school phobic children, 53:7967
dominance differentiation & level of cognitive flexibility & verbal output, interpersonal basis of consensus on emergent leadership, small discussion groups, 57:3198
dynamics of nondirective discussion group with psychiatrists & medical & philosophy students & inpatients & nursing staff as participants, inpatient department of psychiatric institute, 58:8139
education/discussion groups using rational-emotive psychotherapy, rational thinking & anxiety & self reported problems, college students, 56:10778
effectiveness of implosive-like technique vs group "rap" sessions, training students to be effective when counseling with blacks, white graduate students in counseling program, 55:12884
encounter vs general group discussion, systolic blood pressure, male heroin addicts in therapeutic community, 55:7584
ethical vs unethical decision making dilemmas & group discussion, perception & acceptance of risks, criminals vs noncriminals, 58:9692
evaluating procedures for screening & selection for human sexuality discussion groups, college student leaders, 55:7854
evaluation of parent–teacher education center, democratic approaches to adult–child relationships in discussion groups, parents of problem children, 54:12636
expectations of hostile vs friendly group discussion & sex, interpersonal attraction & distance as measured by seating choice, college students, 58:7423
experience & training, performance in leaderless group discussion, ROTC students, 54:2985
experience-based instruction method in group dynamics course, discussion in large group setting of experiences in small group setting, medical students, 58:8141
experimental manipulation & mathematical model, informational influence in group-induced shift on choice dilemma items, college students, 53:2992
experimentally induced changes in perceived leadership in task-oriented leaderless discussion group, O evaluations, college students, 55:4524
exposure to live vs video vs audio presentations of discussion on physical disability issues conducted by visibly disabled panelists, attitude modification, college students, 58:5668
facilitator training using Education through Student Interaction & lecture-discussion methods, facilitator effectiveness in classroom group discussion & training method preference, college students, 57:6732
family life education & group discussion techniques & philosophy, marriage education for group of mentally retarded young adult couples, 54:8195
fantasy confrontation & reconceptualization of death in social interaction situation, reduction in death anxiety & change in life/death attitudes, college students, 58:3416
feedback & questionnaires & group discussions, training evaluation system, military personnel, 53:6330
female career role models & small group discussions, occupational aspiration level, female college students, 55:1562
flip book vs lecture & discussion vs group discussion method effectiveness, agricultural information dissemination, respondents from Nepalese villages, 54:6442
focused group discussions & recreation associations with college student volunteers, attitudes, White male prisoners, 58:4019
goals of group rehabilitation treatment, coping process of recovery, 29–45 yr old severely burned patients & their spouses, 57:8860
group attitudinal composition, communication & attitude change, 57:3218
group conference method, development of Activity Therapy Department from dependent unit to autonomous structure, hospital, 54:6097
group consensus & size, compliance in group discussion-decision, college students, implications for social engineering, 57:1145
group counseling using simulation gaming vs group discussion vs teacher/counselor consultation stressing decision making experiences, behavior patterns, elementary school students, 55:11021
group decision rules of majority vote vs dictatorship vs oligarchy, interpersonal attraction & decision satisfaction & rule fairness & relationship to affiliation & power needs of members, 58:7457
group discussion & belief in own group's point of view, negotiation outcomes & attitude change & interpersonal perception, high school students, 57:5809
group discussion & commitment & crime intentionality, postdiscussion shifts in penalties for criminal defendant, polarization hypothesis framework, 58:11682
group discussion & decision making methods, group decision making performance on environmental crises prediction problem, college students, 55:4522
group discussion & group presence, individual & group risk taking in gambling task, college students, 54:1014
group discussion & influence, self disclosure, female college students, 56:644
group discussion & information about other's decisions & information relevant to task, choice shift phenomenon, group discussion members, 55:9752
group discussion & interaction & information, systematic desensitization of test anxiety, test anxious college students, 56:8386
group discussion & problem solving to provide interdisciplinary approaches to mental illness, Balint-group psychoanalysts & hospital doctors & general practitioners, 54:12162
group discussion, attitudes toward handicapped peers, 6th graders, 58:3349
group discussion, attitudes toward risk taking, elementary & secondary school teachers, 54:10464
group discussion, attitudes toward risk taking in educational situations, teachers participating in media utilization workshop, 56:10576
group discussion, change in attitudes toward aged, employees of mental health facilities for aged, 58:12326
group discussion concerning high vs low guilt cases in simulated jury setting, judgments of innocence & punishment recommendations, social psychology students, 56:4060
group discussion, dichotomous choices on life dilemma problems & subjective expected utility, college students, 55:723
group discussion feedback & shifting cue validities, inference behavior in meaningful environment, male college students, 57:7410
group discussion induced attitude polarization, introductory psychology college students, 55:7083
group discussion, moral judgment statements, junior high school students, 55:1592
group discussion of moral dilemmas, moral judgment level, 7–9 yr olds, 58:4287
group discussion of moral dilemmas, moral development test scores, male & female juvenile delinquents, 58:8063
group discussion on risk, shifts in subsequent race track betting, black vs white males, South Africa, 56:4040
group discussion participation as supplement to audio-tutorial presentation of college biology & cognitive & personality characteristics, academic performance, college students, 55:13103
group discussion, production of polarization, review, 55:2328
group discussion run according to principles of experimental analysis of behavior vs traditional remotivation approach, speaking & social interaction, schizophrenics, 53:1771
group discussion, shift toward higher demands in negotiation, male college students, 54:2978
group discussion vs independent decision making & defendant's socioeconomic status, judgments by simulated jurors, male college students, 57:5790
group discussion vs individual situation, generosity concerning relief fund donation, female college students, 53:3007
group discussions on female role in today's society & assertiveness training & career information, sex role attitudes & assertiveness & interaction modes & self concept & esteem, females, 58:12078
group discussions prior to drinking decisions, social reinforcement of choice to drink vs abstain, male alcoholics, 53:5893
group experience led by social worker & nurse, structure & leadership & content patterns, pregnant adolescents, 58:3755
group homogeneity of IQ & individual solutions &/vs group discussion as problem solving strategy, group interaction & mathematical problem solving performance, 5th graders, 58:10435
group homogeneity with respect to self actualization & group leader self actualization level, group communication, college & graduate students, 55:7064
group identity & development in intergroup relations, group relations conferences with identical structure, 55:7073
group interaction & development of openness behavior, students & instructors in elementary education program, 55:2965
group interaction, decision making about acceptance or rejection of applicants for rehabilitation services, senior psychology majors & inservice counselors, 56:8544
group laboratory experience, self actualization & interpersonal compatibility, college students, 58:12548
group Machiavellianism composition & discussion time, group risky shift on choice dilemmas & social functioning of members, college students, 57:10261
group meetings dealing with communication skills during admission process, completion of admission process, alcoholics at outpatient clinic, 54:12281
group meetings employing behavior modification procedures, frequency of socially relevant behavior, male juvenile delinquents on probation, 55:1189
group members' need for inclusion & expectations & message to promote cohesion, cohesion development & use of discussion & feedback within growth groups, 58:7903
group method, study & treatment of parents of hospitalized asthmatic children, 56:6359
group methods, reduction of racial prejudice, Black vs White high school students, 58:7411
group process human relations approach to problem solving, aged, 57:1612
group psychotherapy videotape feedback with vs without group discussion vs no videotape feedback, group participation & self concept & ward behavior, female chronic psychiatric inpatients, 57:13252
group sessions for reliving childhood experiences, understanding of selves & children, parents, 55:5026
group size & neuroticism-stability & introversion-extraversion, quantitative aspects of conversation in group context, 57:1230
group size, communication rates in problem solving utilizing face-to-face discussion vs teletype vs televoice conference modes, college students, 58:11660
group systematic desensitization vs race- vs nonrace-relevant group discussion, anxiety in interracial situations, White college students, 57:1632
helping adult learners understand & participate in Quaker way of reaching group decisions, 55:12208
homogeneous group discussion, group polarization hypothesis, pacifist & militarist college student groups, 53:9487
human development program with group discussion, writing performance, college students, 55:5504
"In My Memory" death education film & followup discussion, conceptualizations of life & death, 2nd–6th graders, 57:9020
individual vs group discussion, norm formation or internalization in convergence & divergence of autokinetic judgments, Ss, 55:2338
individual vs small group learning with computer assisted instruction, cognitive criterion test performance & attitudes & length of study time, college students, 57:9041
informal discussion in drug education, drug attitudes, male 14–17 yr old students, 57:13745
information integration theory analysis, attitude change in group discussion, 56:7887
initial position & ratio of arguments, subsequent shifts in decisions, college students, 56:7897
instructional play media vs structured discussion group counseling, self image & peer status & teacher-related behavior & concept of "emotional expansiveness," 4–6 yr old kindergartners, 56:3052
instructions & modeling & reinforcement, training communication skills in small groups, females, 57:1188
interaction exercises, classroom discussion quality, junior high school students, 55:8271
internal control vs need achievement vs discussion training groups, internal control & problem solving behavior & verbal ability & self confidence & need achievement, 11th graders, 58:7548
Kohlbergian vs Rogerian treatment, moral development & logical reasoning, 14–16 yr old females, 57:3000
leader legitimization of silence, response to silence in group discussion, 54:7445
leader personality characteristics, perceptions of group discussion experience & sexual knowledge & attitude changes & emotional style & self esteem & disclosure & sex guilt, college students in sex education, 56:10609
leaderless group discussion, assessing supervisory & command promotions, policemen, 53:8495
leaderless group discussion method & job performance & social interaction, selection procedures, residence hall assistants, 55:7919
leaderless vs teacher-led tutorial groups, participation & discussion content, college students, 53:10459
leadership roles & participation levels in human relations discussion groups, male college freshmen, 54:5186
lecture vs independent study combined with small group discussion vs audio-visual methods in sex education, knowledge gain & attitude change, college students, 56:10655
lecture vs small group method, knowledge & attitudes about alcohol usage, workers from community mental health centers, 56:2714
lectures about women's roles vs participation in consciousness-raising groups, career & homemaking interests & personality & feminist behaviors, female nursing students, 55:4433
live vs televised vs audiotape presentation of discussion of problems of physical disabilities by disabled adults, changes in attitude toward physically disabled, college students, 57:10602
loudspeaker telephone vs high fidelity 2-way monaural audio system vs audio system with separate loudspeakers vs 2-way monochrome TV vs face-to-face, perceived usefulness of person-to-person telecommunications media as function of application to group discussion vs private conversations, business executives, 54:5270
Machiavellian types, communication tactics in problem solving group where consensual decision was required, 55:12223
male sex stereotyping of females, verbal behavior in small discussion groups, 18–21 yr old community college students, 58:3282
marihuana, hostile feelings & verbal hostility in small group setting before & after introduction of frustration stimulus, 21–30 yr old males, 57:5386
modeling &/vs reinforcement & demand characteristics, individual verbal output in leaderless group discussion, college students, 55:4519
multiple vs individual therapy, client outcome & attitudes & discussion, 18–23 yr old clients, 55:12642
natural groups & length of existence & confederate's status in group judgment situations, consensual agreement time & norm formation & influence of member's status & ideal group choices, college women, 57:5805
nonrepeating exercises to conduct leaderless group discussions & peer interview procedure, interplanetary simulation, 56:10812
norm manipulations & feedback & group discussion vs familiarization vs retest presentation condition, group risk taking in ad hoc & established groups, males, 57:3217
opinionatedness of leader & consensus of group discussions of policy, college students, 55:9732
opportunity to communicate & visibility of individual decisions, socially responsible behavior in group situations involving "commons" problem, college students, 53:7315
optional credited discussion class led by trained upperclassmen, attitudes toward & perceptions of college social & intellectual environment, freshmen college students, 57:6734
order of sequentially experienced study group & T group analogs, order effects on in-class based & small group oriented & teaching related attitudes & performance measures, college students, 56:10636
orientation, emergence of task leadership, groups of college students, 54:9566
parent education group, knowledge of & empathy with learning disabilities, parents of children with learning disabilities, 55:12517
parent group discussion program, perceptions of maternal behavior, adolescents, 53:11451
participation in growth group with leader directed vs group centered approach vs topically-oriented discussion group, personal & interpersonal growth, college students, 58:5868
participation in small group discussions for formulating recommendations concerning university policy vs for expression of feelings, change in expressed satisfaction toward campus environment, college students, 56:4848
participation training, group decision making & problem solving, 55:8475
partner-oriented work, teaching techniques emphasizing feeling expression to foster student motivation & activity & participation, seminar participants, 58:2039
patterns of cooperation & trust vs exploitation & distrust, group decision making, 55:12222
peer group intervention, academic performance & truancy & behavior problems, 15–17 yr old female problem students, 56:8801
person- vs non-person-oriented discussions & level of acquaintance & travel time, utilization of telecommunication systems for small business discussions, managerial personnel, 58:12817
personal vs impersonal participant models, interpersonal openness in same vs mixed sex groups, males vs females, 55:12214
play group counseling utilizing model reinforcement vs discussion group, behavioral changes in interpersonal relations, low vs medium vs high socially chosen 2nd graders, 57:8758
polarization of opinions following group discussion, 54:5213
positive vs negative outcome & leader vs follower role & dyadic performance feedback, individual vs group decision concerning future leadership responsibility, implications for interpersonal accommodation approach, 58:3305
preparation for group labor negotiations, negotiators' behavior & attitudes, 54:12684
preparatory meeting with parents prior to psychiatric hospital admission of children, information exchange & counseling & easing of parental tension, 54:12459
pretest &/or group discussion, group risk taking shifts, college students, 54:1010
pretesting & item-by-item variation, group-induced shifts toward pessimism in probability estimation, college students, 57:8215
procedural details, measures of family problem solving behavior, 55:9628
process analysis, message structure of consensus & nonconsensus decision making groups, 57:8194

programed instruction & discussion with peer & keeping of structured weekly log as methods in self help counseling, formulation of solutions to personal problems & generation of effective behavioral goals & self concept, college students, 55:5227
psychology course utilizing group process, personality trait changes, educational auxiliary personnel, 55:1378
public feeling of responsibility vs anonymity & group discussion procedures & personal family stressors, moral judgment level, White female college students, 58:901
quantitative structural analysis, discussions, 55:7088
rating scale use bias, accuracy of prediction of group decision strategies, 55:8618
ratings of 2-way communications media systems & face to face contact, ratings of business discussions, businessmen, 56:9613
reading achievement & intelligence levels, guide questions &/or paired discussion, reading comprehension, 4th graders, 55:13212
reading achievement level & classroom discussion vs tutorial approach to literature, ego identity development, 9th & 10th graders, 58:10360
reading only vs study group vs counseling group as ways of learning about Adlerian childrearing method, authoritarian childrearing practices, parents, 56:2222
recall & reconstructed recall of initial position & probability scale meaning, group-shift effect in risk & caution life-dilemma problems, college students, 58:7447
re-evaluation counseling vs discussion group leader training vs encounter groups, evaluation of personality changes & group & individual goal accomplishment, college students, 54:12662
reinforcement vs discussion vs control groups in moral training about restitutive punishment, moral judgments about punishment, preschoolers, 54:844
relevant information prior to vs expounded by group discussion, polarization, college students, 56:6010
relevant task information provided each group member vs unequal information distribution & group discussion instructions, performance effectiveness & interaction processes & member reactions, college students, 57:3193
research in risky shift phenomenon, group dynamics & educational practice, teachers, 55:7095
reward criteria & evaluator status, verbal participation in group discussion, college students, 53:11590
risk function emphasis & expected group gain & exposure to evaluation, risk taking in groups & locus of control theory analysis, 57:8177
Rogerian & Glasserian discussion groups, self concept & math performance, 5th graders, 55:13174
role playing, transformation of group discussion from leader- to group-centered problem task, 56:7920
role-playing & group problem-solving & guided discussions, school psychology support in classroom, 53:3973
San Francisco Polydrug Project treatment utilizing group discussion, drug abusers, 55:10555
school psychologists' analysis of school system & data feedback & subsequent group problem solving, school staff development & organizational functioning, 57:8991
seating distance & group discussion & sex of Ss & moderator, moods & evaluations & attraction & attitudes toward abortion & vasectomy, college students, 56:677
seating distance & room illumination, moods & evaluations & attraction & opinion expression in small group interaction, college students, 56:7900
SEED drug treatment program, young drug abusers, 53:5901
self analytic group with class discussions, interpersonal behavior in conflict involvement & personality, college students, 57:1173
self management & group discussion techniques, study habits & GPAs, 7th–9th graders, 55:5498
self recording vs contingently-awarded points, rate & content & length of verbal responses in classroom discipline & number of Ss participating, college students, 58:2127
self-disclosure, perceived cohesiveness & participation in small discussion groups, college students, 53:7316
sequential & distributional structures, cooperative & competitive group discussions, examination of D. S. Gouran & J. E. Baird's study, 54:2961
sex & drug usage & participation in homogeneous vs heterogeneous group discussions, riskiness of group & individual choices, male vs female college students, 56:7845
sex, dominance & assertion in same-sex & mixed-sex discussion groups, 5th vs 9th graders, 58:5193
sex of decision- makers & Ss & decision maker–petitioner status relationship, estimation of stability or consistency of group vs individual decision making, college students, 54:999
sex of S & moderator & seating distance between members of small group, mood & evaluations of discussion situation & interpersonal evaluations & attitudes toward discussion topic, college students, 58:5329
sex, simultaneous talking in conversation & agreement vs disagreement with speaker, high school vs college students vs college teachers, 58:3308
short term program for training as small group discussion leaders with rehabilitation clients, level of interpersonal functioning, paraprofessional rehabilitation personnel, 57:13494
skill training with vs without programed text, self & teacher ratings of small group discussion communicative skills, college students, 54:7476
small discussion groups about college & overall program focus, expectations & attitudes & group behavior, parents of 1st yr college students, 55:3097
small group discussion activity, self concept & reading achievement, 4th grade males & females, 55:3119
small group discussion, attitudes toward premarital sexual risk taking behavior, male vs female college students, 58:9433
small group discussion project involving teachers & consultant, perceptions of student-teacher relationship, male 11th graders, 58:12656
small group discussions vs large lecture groups & instructor vs S set, course content, personal learning & personality changes, educational psychology, 57:1918
small group experience & home dream reports, transaction between social & intrapsychic life, dream recallers in group experience, 55:5064
small groups using discussion & role playing & modeling & social reinforcement, social anxiety, 6th graders, 57:6290
social influence, initiation & maintenance & termination of drinking in group setting, 37–51 yr old male chronic alcoholics, 53:3653
social interaction intervention methods of role playing vs challenging discussion vs didactic instruction, development of moral judgment, female 20 yr old junior & senior college students, 55:2333
Social Participatory Allocative Network method of group decision making vs conventional group discussion, group problem solving ability, hospital staff, 53:9681
social psychological conditions productive of status inconsistency effects, test of social certitude & distributive justice models in group discussion situation, 55:2315
social responsibility, individual & group decisions concerning sharing of commonly obtained winnings, dyads, 54:11677
social simulation game "Starpower" & postgame discussion of racism &/vs sexism, attitudes toward women & Blacks, college students in orientation program, 58:4407
space dimensions of room, climate of group discussion & polarization & risky shift & group decisions, college students, 57:8205
SPAN vs verbal discussion training, upgrading group decision making in Moon Survival Problem, VA hospital employees, 57:10255
standard teacher conference & video feedback &/or discussion, classroom behavior, 10-yr-old boys, 53:3972
street corner approach, motivation to attend hospital workshop, parents of multihandicapped children, 56:6361
stress & authority, role abandonment & coping strategies & interaction, students & principals & teachers & consultant participant observers, 57:6645
structured activity model, design of group discussion & personal exploration activities in threatening content areas, 57:6303
structured group discussion & desensitization & reeducative training & relaxation training, academic & vocational goal setting & test & academic anxiety & study habits & skills, male bright college-failing underachievers, 54:12652
structured group discussion of moral dilemmas, moral development test scores, juvenile delinquents, 57:3564
student- vs leader-kept record of behavior, self initiated verbal interaction, college prospective teachers, 54:8313
supportive/collaborative consultations with principals, school climate, elementary & junior high school faculty & principals, 58:4175
systematic desensitization vs social skill training, participation in class discussion, college students, 56:6430
task expertise, group communication, college students, 56:2316
teacher action-discussion group, use of characteristics of giftedness & humanistic teaching methods & satisfaction in teaching, teachers of gifted students, 55:10992
teacher inservice training consisting of group discussion & readings & listening to prerecorded tapes & student group discussion, belief systems, teachers & high school students, 55:10695
teacher planning of inservice workshops, understanding of children's dynamics & group discussion skills acquisition, 54:1845
teacher-absent meetings with school counselor, bridging psychosocial gap between teacher & pupils, 53:8397
teacher-centered vs class-centered vs self directed teaching approaches, learning accomplishment & satisfaction, high school students, 56:2861
teletherapy, enhancement of group discussion through use of videotape feedback, 58:1612
themes of rap sessions, Vietnam veterans, 56:983
therapeutic discussion groups, widows, 54:10218
therapy-discussion group sessions on fears of dying & attitudes toward dying patients, immediacy in dealing with dying patients, 20–65 yr old female nurses, 56:10275
token reinforcement during camping trip, increased verbal productivity in recreational & discussion group contexts, shy male adolescents, 58:1651
tokens contingent on group participation, small group discussion, college students, 55:13241
training using cognitive feedback & discussion & reflection training, sensitivity to relevance of information sources in judgments & subsequent judgmental tasks, female college students, implications for teacher decision making & training programs, 55:13044
treatment effectiveness of Adlerian mother study groups, mothers of elementary school children, 55:2269
type of communication & possibility of money loss, defecting vs cooperating responses in 8-person commons dilemmas game & expectations about others' decisions, 58:5298
verbal behavior in leaderless discussion group, identification of observable leadership behaviors, leader-inmates vs non–leader-inmates in prison society, implications for prison effectiveness in rehabilitation, 55:4527
verbal discussions vs social facilitation vs sensorimotor tracing, facilitation of disappearance of perceptual error to Poggendorff illusion, male 6th graders, 58:5152
verbal output, rewards-cost analysis of leadership in small groups, psychology students, 55:4516
videotape feedback with vs without self evaluative structuring, modification of classroom speech anxiety & discussion behavior, college students, 57:3934
videotaped feedback of inebriated behavior at hospital admission & group discussion, drinking behavior, male chronic alcoholics, 58:1820
videotaped female career role models & reinforcement of statements indicating positive attitude toward females in work role during discussion, vocational attitudes, female high school students, 58:4424
videotaped learning experiences & small group discussions & laboratory experiences & supervision & feedback by student assistants, college students in large introductory psychology courses, 54:10554
videotaped modeling alone vs with discussion-reinforcement, work performance, educable mentally retarded young adults, 58:10080
viewing film with vs without group discussion vs role playing experience, attitudes toward & actual & intended behavior toward barrier-free design, college architecture students, implications for curriculum development, 55:10751
workshop vs group discussion vs control group, training toward elimination of rating errors in performance appraisal & selection interviews, managers in large corporation, 55:1674
written rules & use of behavior modification techniques by E, interrupting & listening behavior & expression of negative feelings & explication of meaning, small groups, 58:12090

Group Dynamics [See Also Group Cohesion, Group Discussion, Group Participation, Group Performance, Group Size, Group Structure, Intergroup Dynamics]

achieved vs appointed leader role attainment & sex composition of group, sex role patterns in leadership & group behavior, male vs female college students, 57:5788
acted vs natural social models, members' behaviors in problem solving groups, college students, 54:5221
activity & size & member similarity of experimental social entities, pedestrian speed & distance & looking behavior, passersby, 57:12747
adaptation of R. B. Cattell's transorientational panel model, theories of group development, 56:5978
adjectives describing characteristics of secondary school classes, perception of S's group as more conforming to group norms than other classes, 13–14 yr old girls, 53:7309
adventure training program emphasizing challenge response in remote forest area, development of social modeling competencies & increase in understanding & application of group process skills, college resident assistants, 56:1401
affirmation of values & behavior & peer pressure vs individual pathology, group dynamics & demographic characteristics of drug takers, Great Britain, 53:5115
age & IQ & parents' occupational & educational status, development of reasoning about group interdependence & obligation, 1st & 3rd & 5th & 8th graders, 54:5013
age & sex & educational position & location of employment, social influence in small work group, school administrators, 55:12226
age, group decisions on risk-related topics & prediction of choice shifts, college students & 55–65 yr olds, 53:7335
amount of structure in brief encounter group & locus of control, intermember attraction & self disclosure & interaction intimacy & satisfaction with group functioning, 58:7922
analysis & categorization, group processes, 1–4 yr olds in Israeli kibbutz & US preschools & day care centers & neighborhood playgrounds, 55:9492
analysis of group interactive communication, identification of constructs facilitating development of complete communication, 55:4505
analysis of structural balance, aspects of group representation, support for C. Flament's formulation, 58:11631
analysis using group dynamics, school system regulation by school organization & curriculum laws, Austria, 55:13056
analytically- & social psychologically-oriented group relations conference, reactions of mental health students, 54:5381
anticipation & interaction & issue importance, group polarization of attitudes, female college students, 58:11666
application of group decision making processes to worth assessment, 54:7455
application of H. Bonn's 6 characteristics of group dynamic action, analysis of classroom dialog, 55:13395
application of multitrait-multimethod logic of D. I. Campbell & D. W. Fiske, reliability of observational records in study of group interaction, 56:3203
arousal level & friendship ties, physical & verbal aggression expressed by small groups, 57:1189
assignment to deviant subgroup, stigmatization & group behavior, clients with work adjustment problems in rehabilitation center, 56:8532
attitudes & interests & values of successful group leaders, small group facilitators vs secondary school teachers vs Gestalt group leaders, 55:7093
attribution & social categorization & stereotyping, social attribution theory development, 53:7311
attribution of competence to group member, behavioral consequences in group sequential response task, 58:11638
audience participation & composition & personality adjustment, social facilitation, 5th graders, 58:1163
authoritarianism, rate of social change of arbitrary norms in laboratory societies, college students, 56:5976
awareness games, personal growth through group interaction, book, 57:1610
balance theory, test of T. Newcomb's modification, college students, 58:9441
behaviorally based training program, group leadership skills, middle school teachers, 57:6665
Bennis model of small group development, leadership style, 55:7056
boundary management in psychological work with groups, 54:7482
case type & jury size & choice alternative, use of equalitarian process in simulated jury final decision making, college students, 58:1094
characteristic functions of strategically equivalent forms of 3-person games, coalition formation & profits division, college students, 57:10259
children's play in school setting, implications for teacher training in psychology & group dynamics, 55:13368
clinical & theoretical views of self expression as individuals & in groups, selected papers of E. Kris, book, 55:9738
coalition formation in experimental 3-person cooperative games, support for individually rational bargaining set model, 56:6008
cognitive & interactional aspects, shift from individual to group judgment of person perception & social judgment, high school students, 53:11618
cognitive differentiation & compatibility between members, social interaction in patient-therapist & student-teacher relationships & small community action discussion groups, 58:1081
cognitive role differentiation, dyadic problem solving, 55:734
cognitive similarity of group members, group laughter, college students, 54:11690
cohesiveness & team task commitment & interpersonal attraction & team spirit, team success, coaching vs interacting sports teams, 58:7459
combination vs specific-focus group training of principles of behavior modification, behavior problems of children, mothers, 56:6407
communication & spatial relationships between individuals & within groups, review of French & English language literature, 58:11664
communication medium, group interaction, 54:2974
communication research & model development & instrumentation & measurement, communication in small groups, 55:7104
community group processes & race & teacher attitudes, establishment of adolescent drug abuse prevention program, 53:12271
community laboratory learning program, enhancement of community & citizen capabilities for effective interracial & intercultural problem resolution, 58:3168
competence & opportunity & group success & responsibility attributions, prediction of status allocations, female college students, 57:5833
competitive & cooperative groups, memorized story recall, introverted & extraverted high school students, 53:2998
competitive & cooperative intergroup orientation, within- & between-group behavior, 53:2985
concepts related to group dynamics & psychotherapy & psychoanalysis & phases of group development, book, 57:3827
configurations of self & trans-self of group members, individual interactions in structure & function of group processes, 55:2316
conflict between self interest & altruism, individual & group decision making & retribution of harm doing, male college students, 56:2395
conflict resolution model, emphasis on task requirements vs process orientation & workshop applications, 57:12722
conflicts of interest & ideology, conflict resolution in interreligious decision making groups, volunteer college students, dynamic simulation of community relations, 57:5801
consensus of team members on technological domains, work alienation, Work Incentive Program operatives, 55:13710
consensus vs majority rule & decision consequence, attitude change & satisfaction & deliberation time in group decision making, college students, 58:11659
consultative method used by psychiatric staff members, avoidance of splitting in work group, 55:7742
content vs noncontent information, O identification of emergent leadership in small task groups, 55:12228
controlled communication technique, group conflict dynamics, 54:2966
cooperative vs competitive group interaction followed by cooperative task effort resulting in success vs failure feedback, intergroup attraction, college students, 58:9501
cooperative vs uncooperative subordinate behavior in group discussion, leader choice of consideration or initiating structure behavior, 55:4504
creative use of groups, secondary education, book, 54:10419
crowded settings, formation & functioning of residential groups & experienced crowding & stress, 55:1691
cultural norms & group consciousness, acceptance of life patterns & existence, drug addicted persons, 55:886
cultural therapy, subgroup mores & peer group pressure, drug abusers, 54:8042
decision rule & similarity of S's initial preference position to group & group members' preferences & preference strengths, computer simulation of triad decision making, 58:1098
decision style preference & perceptions of group's behavior, group performance accountability, educational work group participants, significance for management training, 56:10563
density & group membership, deindividuation, 56:7904
dependence–counterdependence & individuation & internal rivalry & cohesion & true teamwork, group development stages in mental health team, 54:5355

description & goals of unsuccessful workshop for solving problems of divided Cyprus, Greek & Turkish Cypriotes, 53:9382
descriptive field survey, human relations & group dynamics in community functioning as alternative to mental hospital, mental health professionals, 58:3968
design & guidelines & situational applications, collective creativity workshop, book, 53:9477
development of Follower Maturity Index, categorization & quantification of follower behavior, implications for organization development & consulting & research, 58:164
development of group dynamics workshop in postgraduate course, student social workers, 54:7704
development of taxonomy of triadic valence structures using concept of balance & algorithms for finding valence structures in sign adjacency matrices, 54:11659
development patterns of self analytic & self study groups, college students, 58:3790
developmental group work with adolescents, book, 54:3728
developmental phases & models, encounter & related intensive groups, 55:2659
deviate's direction & distance of movement, group reaction to attitudinal deviance, male college students, discussion of S. Schachter's findings & D. Byrne's similarity-attraction model, 56:6043
diagonal group strategy intervention, organizational climate modification, 54:4385
Dictionary Game played under 1-to-1 vs 1-to-2 interpersonal vs 1-to-1 intergroup competition conditions, cognitive learning outcome, college students, 57:13717
differentiated small group processes, developmental learning in educational setting, students, 55:8191
diffusion of responsibility & size of bill & number of people eating together, restaurant tipping, evening diners, 56:4031
direct scaling method, measurement of concrete interaction between group members, 54:7462
dyadic communication & compliance & rejection & dominance power relations in 3-person groups, males & females, 54:2971
dyads characterized by level of feelings of group belonging & degree of relatedness, performance in Prisoner's Dilemma game varying payoff asymmetry of fate control aspects, high school students, 58:5323
dynamic analysis of reinforcement principles, communicative interaction in small learning group situation, test of Skinner's hypothesis in normal social situations, 54:11674
dynamics & therapy of large groups, book, 54:11669
dynamics of hypnosis & group processes & behavioristic learning, obesity, overweight females & trainer, 54:12227
dynamics of nondirective discussion group with psychiatrists & medical & philosophy students & inpatients & nursing staff as participants, inpatient department of psychiatric institute, 58:8139
ecological factors & nonverbal signals, affective structures in small groups, 54:2987
effectiveness & dynamics, T groups, literature review, book, 54:5908
effortful initiation & seniority in culture & disillusionment associated with poor performance & disconfirmation of expectancies, individual & group processes in perpetuation of culture, 53:11492
encounter & laboratory learning experience, desacralization as response to group change, 53:1035
environmental information load & specificity & decision unit group structure, felt tension in simulated military conflict, ROTC students & US Air Force Academy cadets, 56:10815
estimation of rod length with accuracy as norm, self-image of superior conformity to group standards, secondary school students, 53:7399
ethical problems, role of observer in small group observation, 53:7281
evolving models, therapeutic group dynamics, 54:10235
expectations of group longevity & competition outcome & publicity of evaluations, evaluations of group products, college students, 54:9583
experience-based instruction method in group dynamics course, discussion in large group setting of experiences in small group setting, medical students, 58:8141
experiential awareness vs group-centered counseling vs teacher-led group, self concept & group interaction, 6th graders, 56:2296
experimental validation, group growth & development model of Cohen & Smith, 55:9710
external & internal competition, interaction process behaviors in problem solving groups, males & females, 55:9740
factor determination & cluster analysis of Group Therapy Questionnaire, identification of small group leadership behavior factors & determination of styles, professionally experienced vs inexperienced leaders, 57:3302
factors affecting coalition formation & effects on majority & minority members following group decision, 58:5333
factors contributing to successful & effective group work, 56:656
fear of death & group reactions to individual facing death & individual's loss of sense of self, 55:2524
fear vs embarrassment vs ambiguity conditions, collective coping while awaiting painful electric shock, college students, 56:6004
feedback conditions, task uncertainty & group process & emergent group structure, males, 58:5325
field dependence & feedback concerning group majority, tendency to conform in judgments of tone duration, male vs female high school students, 57:1146
field independence-dependence, sex status in activity & influence in task groups, 9th–11th graders, 58:11665
focus control, differential prominence displayed in group decision making, college student triads, 57:5782
focused videotape feedback of group process, facilitative skills & responsivity to verbal & nonverbal cues, counselors in practicum training, 57:4223
free school environment, small group behavior, resident & commuter students & teachers, 55:13437
frequency of transitions from 1 speaker to another in transition matrices, communication dynamics, groups, 53:7301
graphic & index & matrix & statistical sociometric analyses, group residential treatment home, socially & emotionally troubled children, 54:3950
group & body & symbolism importance in karate, 57:4607
group & organizational growth & processes, service delivery of mental health organization, 53:12283
group as maternal image with need satisfying functions in "growth" groups, 54:2989
group behavior, baboon troop, implications for human group process, 54:743
group composition, confrontation & identification & internalization, 54:5216
group composition in psychotherapeutic & growth oriented groups, literature review, 58:3775
group discussion induced attitude polarization, introductory psychology college students, 55:7083
group discussion, production of polarization, review, 55:2328
group dynamics & structure & therapist countertransference & identification of star & opposition subgroups, 4-yr observation of open therapy group, 20–40 yr old patients, 53:10177
group dynamics approach, foreign policy decision making, book, 54:9417
group dynamics course, medical students, 55:7823
group dynamics, group perception of & RT of individual participants, Ss in self analytic classroom groups, 56:7923
group dynamics in criminal cases, German courts, 55:4415
group dynamics laboratory in process consultation, 53:6378
group dynamics treatment, personal growth, 57–90 yr old nursing home residents, 57:3891
group dynamics use in foreign language teaching, 10th graders, 55:13231
group dynamics workshop, Belfast community leaders, critique of L. W. Doob & W. J. Foltz's articles, 53:5157
group experience based on Tavistock model vs focused on communication processes, perception of self & group leader, juvenile court staff members, 56:2606
group fantasies, 54:5183
group function mode, mutuality of perceptions of group members, 54:11696
group hetero- vs homogeneity based on Jungian personality typology, group cohesiveness & disagreement & friendliness & solidarity & spread of participation during problem solving, college students, 56:7903
group homogeneity & cooperation & competition & length of group association, positiveness of in- vs out-group judgments & like/dislike for group & cohesion, college students, 58:7463
group identity & development in intergroup relations, group relations conferences with identical structure, 55:7073
group interaction & development of openness behavior, students & instructors in elementary education program, 55:2965
group interaction, individual vs group's perception of meaning of existence, college students, 56:2383
group leader's self disclosure, self disclosure & self actualization, members of small theme-centered interaction group, 58:3791
group length, encounter group processes, college students, 54:2972
group Machiavellianism composition & discussion time, group risky shift on choice dilemmas & social functioning of members, college students, 57:10261
group norm & cohesion & conformity & maturity level & development stage, dynamics of counseling groups & major concerns of group counselor, 54:10267
group outcome & individual inputs & reward expectation, intra- & intergroup reward allocations, 57:3212
group perception of S's decision freedom & group consensus, attitude change & responsibility avoidance as modes of dilemma resolution in forced compliance situations, college students, 58:5337
group polarization phenomenon, theoretical explanations & conceptual scheme, 56:6005
group pressure, conformity behavior, test of Cartwright's power formula, 58:11686
group problem solving risky shift phenomenon, R. Brown's enhanced-salience-of-values & A. Vinokur's persuasive argumentation hypothesis, college student groups, 53:11587
group process based education course, growth toward self actualization, inservice & preservice teachers, 55:13048
group process, conflicts & issues, interprofessional team as small group, 56:1257
group process module of experiences, empathy, counselor trainees, 56:2747
group process staff development program, attitudes toward psychopathology & treatment, psychiatric attendants, 55:12869
group process techniques vs sensitivity training, teaching of high school psychology, 55:3048
group processes method & school psychologist's role, staff development & administrative reorganization & child–teacher & child–peer & child–parent relations, 53:12559
group processes, training remedial & special-school teachers, 53:3924
group provision of step goods analyzed as binary choice game, 56:3973
group psychological phenomena of political system, application of W. R. Bion's theories to "Animal Farm", 54:2964
group psychology & benefits of group participation, individual human growth & family relationships & interpersonal communication & role performance in large organizations & teacher-student participation, 56:1035
group reinforcement contingent on group vs individual behavior, modification of disruptive classroom behavior, research & educational implications, 57:3960
group relations theory, methods & clinical & educational & organizational consultation applications, book of selected readings, 56:8361
group sex composition, interaction patterns in acquaintance task, male vs female vs mixed-sex groups, 56:7888
group shifts, characteristics of Choice Dilemmas Questionnaire, college students, 58:10785
group size & camp environment, variance in group conformity scores, 9–16 yr olds, application of new experimental procedure, 54:9560
group size & member ability, social decision schemes on intellective task, college students, 54:1002
group size & population density, probability of joining & leaving free forming groups, Ss in conversation lounge, 57:3185
group size & task competitiveness, cooperation, males, 55:9727
group size, member dissatisfaction & group radicalism, 54:2980
group standards, review of Japanese studies, 54:2988
group stress & criticism by subordinate, leader allocation of rewards, male college students, 54:998
group stress, authoritarian leader style & use of power, industrial foremen & supervisors, 56:1542
group vs individual incentive plans, goal setting & performance, college students, applicability to achievement motivation enhancement, 58:5307
group vs individual risk taking & aggression, male & female college students, 54:5222
group-based change induction in meeting mental health goals, literature review, 56:10273
group-leader interaction & leaderless group, group & individual growth, professional therapists, 55:12672
Hill Interaction Matrix scoring & analysis programs, quantitative evaluation of interactions within therapy groups & other group settings, 58:2480
homogeneity in age & values, member satisfaction in small groups, women, 55:2327
homogeneous group discussion, group polarization hypothesis, pacifist & militarist college student groups, 53:9487
hostile or friendly group characterization & group structure, group perception under stress/nonstress conditions, physical education students, 57:10235
human potential laboratory groups & group leader style & group composition & participant expectations, self actualization & group outcomes & behavior changes, community college students, 57:6997
humanistic psychology & group processes in clinical pastoral education, US & Germany, 55:5344
identification with group leader & group processes, learning increment in individualized situation, 7–14 yr olds, 53:7284
imbalance between power & motivation, problem solving in cooperative dyads, male college students, 56:2317
implementation & evaluation of group dynamics course, development of responsibility & awareness of & sensitivity to emotional needs of co-workers & own personality processes, community college students, 56:8663
implicit & explicit value structures operating during group work, 55:7568
importance of freedom to individual & attraction to group members, influence produced by group pressure, male college students, 54:5184
incentive schemes, conservation of shared resource by 5 person groups, high school students, 54:7478
incomplete communication networks, coalition formation in small groups, adolescents, 56:6007
individual & group motivational processes responsible for white supremacy behaviors, 55:4387
individual differences scaling, quantitative measurement of perceived social distance in groups, Ss in sensitivity training, 55:12215
individual law of effect developed by E. Thorndike & B. F. Skinner & R. Herrnstein, generalization to multi-organism interaction, 57:5767
individual vs group behavior in Prisoners Dilemma game, conflict behavior & self justification, college students, 56:2312
individual vs group decisions, cautiousness of racetrack betting, 56:5974
individual &/vs group incentives, card sorting task performance & personal pay satisfaction, college students working in groups, 57:8233
individual vs group involvement in acts with negative vs positive consequences, attribution of responsibility to selves, male college students, 55:7154
information processing approach, small group interaction in coalition formation game, 55:9725
information seeking & communication in work group functioning, medical students, implications for professional research, 55:6654
initiation, subsequent liking for group, impression management vs dissonance resolution, 55:4573
innovative laboratory for experiments on small group dynamics & communication & structure, 54:2975
instructional methodologies, learning & attitude change & team research performance, medical college students, 55:13167
integration of group analysis & dynamics & psychodrama, approach to group therapy, 58:7894
integration of internal processes of psychoanalytic group therapy with M. Klein's concepts of projective identification & externalization, 55:2649
intelligence & ability & motivation level of leaders & group members, leadership effectiveness, college students, validation & extension of Fiedler's Contingency Model, 55:4521
inter- & intragroup processes, social bond creation & growth, 53:1063
inter- vs intragroup competition vs cooperation & task means-interdependence, team performance & analysis of motives produced by group's reward structure, male college students, 58:3293
interaction opportunity, task-oriented small groups, 55:7067
intergroup orientation, evaluations of ingroup & outgroup & within & between group proxemic behavior, male college students, 53:11591
internal vs external origin, group member attitudes & subsequent voluntary participation behavior, male college students, 54:7453
interpersonal attraction based on attitude similarity & player power, coalition choices in game triads, college students, 57:10263
interpersonal compatibility, interaction process during team meetings, interdisciplinary psychiatric team members, 55:4525
interpersonal feedback & leadership structure in small group formats, group development & processes & evaluative feedback, graduate nursing students, 56:6388
interpersonal feedback in self analytic group, assessment of group development, 55:10299
interpersonal growth contracts & leader experience, process & outcome variables of encounter groups, 56:4456
interpretations of collective & intergroup behavior as analytic method of group psychotherapy, 55:2650
interracial task-oriented small groups, White dominance behavior, college students, 57:5799
intrateam & team/principals relations & dogmatism & student ethnicity, instructional team planning productivity, elementary school staff, 56:10550
judgments between group goal & their outputs, cooperative & competitive behaviors of group members, male college students, 54:5215
latent social services in group dieting, 57:10642
leader legitimization of silence, response to silence in group discussion, 54:7445
leader self disclosure & experiencing, group interaction ratings, college students in personal growth groups, 58:12082
leaderless groups in an organization development maintenance program, attitudes & process, staff members of a model cities agency, 55:4531
leaders' LPC scores & success & failure conditions, group atmosphere & coherence & interest in group activities & satisfaction with information given in group, female 11th graders, 54:2996
leadership self concept & stake in group task & forced leader vs follower position, socioemotional behavior & perceptions of followers, male college students, 54:1013
leadership style & leader position power during performance of structured & unstructured task, leadership effectiveness, male college students, test of F. E. Fiedler's contingency theory, 57:5795
leadership style & spatial arrangement of group members, group communication structure & social relations, college students & male foremen, 57:12751
leadership styles, individual risk taking in groups, college students, 58:9548
local juvenile gangs, organization & status of individual members & delinquent activities & nature of other associated groups, 13–16 yr old offenders, Great Britain, 57:8466
locus of control, task leadership in small groups, college students, experimental replication, 56:3999
long-term group process model, interdisciplinary work team dynamics, 53:11584
majority influence as social verbal responses & minority influence as individual perceptive standards, group process, 15–18 yr olds, 55:2312
manifest & latent influence & interindividual relations, innovation & conformity in group situation, 57:8208
mathematical analysis movement of players in 5-player athletic game, 5–25 yr olds, 55:12264
mathematical model based on cognitive dissonance theory, changes in interaction in closed human groups, 56:7907
mathematical scale-of-measurement model, risky shift effect in small groups, 55:8668
mediator behavior, group negotiation & conflict resolution, 54:11688
member ability, dyadic problem solving & interaction & emulation, 10–12 yr olds, 57:10269
member attitudes, choice shift effect in group position, college students, perspective of social decision scheme theory, 54:1031
member selection & definition of disadvantaged & identification of individual change, group counseling, disadvantaged, 53:8034
membership group devaluation & defenselessness, negative self attitudes, junior high school students, 56:729
membership network analysis, empirical analysis of interpersonal & intergroup networks, women, 53:11574
meprobamate &/vs secobarbital vs placebo & pharmacological anticipation & subjective response concerning medication & group interactions, visual & auditory RT, medical students, 58:5031
method of interpersonal feedback & analysis of group processes, John Humphrey Noyes, book, 54:9570
minimum resource & pivotal power theory predictions of coalition formation & division of payoffs in tetradic situations, male college students, 54:5204
mode of defense of status quo in public small group or institutions, review of "pseudomutuality" & consultant approaches, 57:12745
model of organizational functioning, causal relations among organizational climate & managerial & peer leadership & group process, industrial personnel, 56:6926

moderately arbitrary judgment norm of collaborator in autokinetic vs shotgun vs pinball vs hex situations & degree of social pressure, degree of compliance, college students, 56:9841
modified Tavistock National Training Laboratory Workshop, perceived personal impact, Belfast community leaders, 53:5163
moral development, amount of rejection of deviate member of small group, deviate & nondeviate group members, 55:9702
multivariate individual utilities, group decision making, implications for statistical control of group decision making processes, 56:7886
natural groups & length of existence & confederate's status in group judgment situations, consensual agreement time & norm formation & influence of member's status & ideal group choices, college women, 57:5805
naturalistic field observations & objective personality measures, creativity & group development, dramatic artists, complications for Gestalt therapy theory, 57:1172
negative vs positive feedback & warm vs neutral feedback delivery, feedback acceptance in small groups, 58:7438
negotiator's mandate & accountability, bargaining behavior, 55:9728
noise & social interaction stress, group behavior & simulation game performance, college students, 57:5785
nominal group technique for facilitation of group decision making, application in educational systems analysis, 55:13093
nominal vs delphi vs interacting group decision making processes, unique ideas & satisfaction with decision process, college students & administrators, 53:9495
number of decision makers, risky shift phenomenon in group decision making, female 10th graders, 54:11664
observational study of targeted humor as indication of psychological state of group of individual members, outpatient therapy group & classroom growth group, 57:8171
open-systems theory framework, processes of group relations conference, 58:7908
orientation mode of passive group management & group leader or consultant interpretations, 57:3872
orientation procedures using videotaped models of group member interaction, awareness of & receptivity to interaction processes in group counseling, college students, 55:7557
participant & trainer Interpersonal Value Constructs, sensitivity training group dynamics, 54:5196
participants' initial goals & expectations, small group facilitation of goals & perceptions of group processes in sensitivity training, college students & group leaders, 57:8693
participation in decision making process & homogeneity of information, group process & outcome, engineering students, 57:3202
participation in workshop for elimination of self defeating behaviors, locus of control, college students, 55:5073
pathological response to groups or collections of colleagues meeting together for professional purposes, psychiatric personnel, 56:10520
payoff response mode, group risk taking shifts, 55:726
pedagogy of groups, selected literature review, 55:12951
peer group influence, prosocial vs antisocial behavior & homogeneity & diversity in group members' behavior in naturally existing friendship groups, male vs female 6th–12th graders, 57:3003
peer- vs teacher-organized play situations, group formation & dynamics & teacher-child interaction, implications for educational practices, 57:6784
perceived group vs individual stability, male vs female college students, 53:3032
perceptions of group process variables, productivity, teams of female sewing operators, 55:11134
personal reactions to Tavistock approach, study of group processes & therapy, 53:12183
personality & situational determinants, leader behavior in 3-person groups, test of F. Fiedler's interpretation of least preferred co-worker, 53:12733
personality characteristics, internal group conflicts, college students, 58:11673
personality development, intragroup structure & relations, children, 53:9305
personality dimensions of the Fundamental Interpersonal Relations Orientation Behavior, reasons for sociometric choices, professional nurses, 53:5180
personality traits, perception of group emotionality, sensitivity group members, 58:7916
personality types, perceived group behavior in training group session, 55:7065
perspective taking vs self presentation & heterogeneous vs homogeneous group composition, group problem solving, 58:1090
"play & win" vs "resolution of problem" situations, Prisoner's Dilemma game behavior & methodology for study of social perceptions, college students, 57:10217
polarization of opinions following group discussion, 54:5213
policy formulation in political context, application & evaluation of social judgment theory, 58:12840
political education program, changes in group dynamics & classroom communication, 16–18 yr old students, applications for training political education teachers, 55:13454
posture sharing, self report feelings of rapport, group of college students, implications for group dynamics & environmental design, 58:1103
potential group performance based on individual competencies of members minus losses due to faulty group processes, actual group performance on disjunctive tasks & assembly bonus effects, 58:1121
power sources & issues, communal living, 53:2951
prediction of in-group verbal behavior from characteristic style of interaction, implications for group therapy, 56:4447
predictive power of 3 linear & 2 noncompensatory models in small groups, impression formation in triads, college students, 54:7521
pregroup exposure to videotape model vs written instructions, psychological distance & group cohesiveness & feedback & self disclosure in leaderless interpersonal growth groups, 58:3794
presence of significant other & personality of stars & psychological health, attribution of positive value to group experience in growth groups, 55:774
pretest &/or group discussion, group risk taking shifts, college students, 54:1010
primary group conformity & group dynamics & behavior conspicuousness, consumer behavior, females, 56:9840
principles of group dynamics & group therapy, sources of modern group psychotherapy, 57:3878
probability theory, number of ways in which any size group divides into subgroups of different sizes, 58:3297
problem solving situations, quantity & quality of verbal interaction in group ratings of leadership ability, male college students, 55:4575
problem solving vs individualistic orientation & cognitive complexity & aspiration levels, development of integrative solutions in bilateral negotiation, male college students, 55:735
process analysis, message structure of consensus & nonconsensus decision making groups, 57:8194
process analysis, verbal innovative deviance during phases of group decision making, 54:9580
program of training emotional behavior & evaluation method, recognition of emotional cues & expression of emotions, therapy groups vs assertive training groups, 55:5125
projection & projective identification as interpersonal concepts, behavior of unstructured large groups, 55:2646
psychogram classification of group member behavior types, facilitation of social learning in groups, sensitivity trainers, 53:11588
psychological analysis of inter-human interactions & individual & group interactions, 56:7933
psychological androgeny vs masculinity vs femininity, sex role adaptability, male & female college student, 54:11771
psychology of removing group members & recruiting new ones in organizations, 57:14130
psychosocial phenomena & behavior & group thinking & structure & fantasy & corrective experiences & group functioning in institutional settings, group psychotherapy, 53:7970
psychotherapy & group process, 55:12664
public vs private reactions & money rewards proportionate to electric shock, aggressivity manifestations, college students, 53:5187
quantitative extension of expectation states theory, prediction of status related behavior, 53:5172
quantity & type of interaction, multidisciplinary & single-discipline groups of college students in community mental health course, 54:5376
race & sex & interaction group experiences, self regard & regard for others, college students, 55:10997
race, individual & group decision making, male adolescents, 56:650
range of behavior & attitude alternative & group size variation & probability of particular behavior & attitude occurrence, group conformity influence, housewives, 55:7082
rate of participation & expertise, leader choice in problem solving groups, female college students, 55:7132
rationale & research & role relations, group dynamics workshop for Belfast community leaders, 53:5154
real vs hypothetical risk in decision tasks, group choice shifts, college students, 57:1181
rejection vs acceptance from group, subsequent conformity to request to act similarly vs dissimilarly to group, females, 55:12266
relative competence of group members, interpersonal attraction in cooperating interracial groups, military servicemen from southern small towns & rural areas, 54:11692
research & theory & practice, group process techniques & therapy & psychoanalysis, book, 53:12222
research in risky shift phenomenon, group dynamics & educational practice, teachers, 55:7095
risky shift amount, perception of risk, business student groups, 53:9539
satisfaction & importance, intergroup climate, engineers & scientists from research & development organizations, 54:4381
scientific creativity, association with team work & sociopsychological point of view, 57:9215
seating arrangement preferences, Swedish vs English Ss, 53:9480
seating arrangements & appearance of consistency & confidence, minority influence, small groups, 53:9425
seating position, group interaction, research review, 58:1096
self analytic group with class discussions, interpersonal behavior in conflict involvement & personality, college students, 57:1173
self esteem & group performance feedback, perception of personal responsibility for cooperative group problem solving performance & influence of other group members, male college students, 58:3301
seminar participation, teaching style based on group dynamics, teachers & students, 55:13432
seminar with goal of training cooperative behavior, use of role playing & group dynamic exercises & occupational setting, post office management personnel, 58:2342
sequence & desirability of feedback, feedback acceptance & perception of group attractiveness, female college students, 55:2330
sequencing type & valence of feedback, recipient & donor variables & group cohesion, college students, 57:5798
sequential & distributional structures, cooperative & competitive group discussions, examination of D. S. Gouran & J. E. Baird's study, 54:2961
sex & communication, cooperation & competition in 3-person mixed-motive game, 58:9487
sex & risk taking disposition & structure, prescribed group behavior & group cohesion & evaluative attitudes in simulated early training phase of group therapy, 58:11663
sex & workstyle interactions of leaders & followers, team productivity, college students, 55:12204
sex as status characteristic, applications to leadership training strategies for improvement of power & prestige balance, 57:5736
sex composition of group, sex role awareness & self presentation & sex related responses, review of studies, 57:5807
sex role expectations, interpersonal behavior in task-oriented groups, 58:3298
sexual composition & density of group & group size, group cohesiveness, male & female college students, 54:7471
shared information & participation, process & outcome of group decision making, engineering students, 55:731
situational antecedents & subjective experience & behavioral manifestations of alienation within small group, 55:9707
small group research, summary of trends & findings, book, 57:5791
small group technique of consciousness-raising, gay liberationist groups with profound sense of alienation, 53:11575
social & personality characteristics, emergent leaders of continuing problem solving groups, college students, 54:1168
social characteristics, decision making authority on film crews, students, 56:649
social interaction, group-system approach to sociological phenomena, 54:5179
social psychological analysis, individual & group aspects of decisions made by simulated trial juries, significance for criminal justice system, 57:10156
social psychology of small groups, interaction in cooperative & mixed-motive & competitive relationships, literature review, 57:1152
social structuring & restructuring in groups of perceptions & evaluations & action possibilities & decision procedures & likely interaction patterns, achieving cooperation in groups & higher levels of social systems, 53:5160
social system vs psychoanalytic approaches to group dynamics, 54:11662
social trap analysis, territoriality vs sharing in computerized resource management game, implications for energy consuming behaviors in residential settings, 58:9470
socioanalysis, group psychodynamics of sports team, 58:5338
sociogram use in development of sociometric consciousness, group development & awareness of underlying feelings between self & others, 55:2662
sociometric based on rank-ordered data from all group members to represent communication & structure of interaction between any 2 members, Catij technique, 53:11582
sociometric method for solving problems arising from direct factor analysis of sociometric choices, identification of group boundaries, 57:11768
sociometry, application in intervention & measurement of group structure & status, 56:4000
sociopsychological study, development of the role of scapegoat in small groups, 58:7436
SPAN III computer program, addition of confidence weighting to collecting participants' judgments & synthesizing group decisions, 57:4690
spatio-temporal structures & decision making & power distribution, bureaucratization of therapeutic community, psychiatric patients & professionals, 54:12456
specific cognitive structure induced by pregroup messages varying in goal clarity & behavioral instruction & persuasive explanations, early group development during interpersonal relations workshop, college students, 58:3788
status congruency in small groups, interpersonal conflict, 54:5220
stochastic model of random choice, method for Moreno sociometric test of intragroup preferences, 55:1782
street corner society, Israel, book, 56:9739
stress & authority, role abandonment & coping strategies & interaction, students & principals & teachers & consultant participant observers, 57:6645
stress due to death of group member, group status displacement using sociograming situations, male teenagers, 54:11673
stress of simulated panic situation & task outcome, changes in leadership appraisal, 58:9482
stress-resolving mechanisms of "acts of turning" in work groups, discussion of W. R. Bion's theory of basic assumptions, 54:11681
structural balance & clustering, social & kinship relations at group level, G/wi Bushmen, 57:3054
structure & applications for evaluating & developing leadership competence, Tactical Pacification Game, 54:7438
structured group exercise called "Query," insight & decision making, 55:7588
structured vs unstructured feedback, effective participation in group psychotherapy, short term milieu therapy psychiatric inpatients, 54:3590
structured vs unstructured group therapy, member satisfaction & group processes, hospitalized VA psychiatric patients, 58:7900
subgroup pressures, small group consensus processes, college students, 53:2994
success vs failure & leaders' least preferred coworker scale score, group member reactions, female high school students, 55:2354
task & others & self & whole group, relations between representations of group members, 54:5188
task organization as coordination vs collaboration & member interchange compatibility, leader-member relations, male college students, implications for Contingency Model of Leadership, 57:10257
task vs affective imbalance & interpersonal vs task-related intragroup conflicts, instrumental vs expressive leadership & effectiveness, 55:9736
Tavistock study group, comparison of group development with life cycle developmental processes & role of "consultant" & occurrence of regressive mental activities, 57:13272
teacher-directed group counseling, self esteem & congruence of teacher & student perceptions of group climate & achievement of teacher's goals for group climate, high school students & teachers, 55:10943
team development training, change in leadership & decision making & expression of feelings & participation norms, work groups, 55:7086
T-Group Interaction Analysis System, use of self disclosure & feedback & leads & impersonal communication during T groups, participants & leaders, 57:3902
theoretical analysis & empirical test, diffusion of responsibility in group situation, 57:10262
theoretical framework, communication & group performance efficiency, 57:10258
theoretical framework, microanalytic components of process of political decision making in groups, 57:10161
theoretical opinions on group dynamics, role of therapist & perception of groups & relations with cotherapist & contract, group-training professionals, 54:9772
theories of group processes, book, 56:7893
theory of n-person conflicts, prediction of coalition formation & payoffs, 56:9823
therapeutic task group leadership, group climate & task productivity & leader & member behavioral responses, members of First Church governing board, 58:7467
trainer & member attitudes toward selves & group, sensitivity training group dynamics, 54:3027
trainer methods & instructional difficulties in teaching distinction between unidirectional vs circular communication, medical students, 58:8102
trainer's observations of T group dynamics, high school teachers, 58:7914
training in orientation behavior, quality of product of small leaderless group, library science students, 56:6646
transactional nature & social & group dynamics, classroom learning, teachers & students, book, 54:8419
type A vs B behavior, group activity level & feelings & task orientation, college students, implications for therapeutic intervention, 56:3995
utility of subgroups & typologies, understanding & prediction of behavior, university seniors, 55:7063
verbal group exercises, within group growth & communication, encyclopedic system, book, 53:3000
verbal output, rewards-cost analysis of leadership in small groups, psychology students, 55:4516
verbal &/vs nonverbal procedures in 1st group meeting, interaction process, 58:5344
verbal vs nonverbal T groups, personality & attitude measures, graduate education volunteers, 55:2325
video feedback, teaching–learning process in class groups, 54:12550
videotape feedback & modeling, predictable & productive task group behavior change, business school students, 54:11689
videotape for teaching, demonstration of characteristic group behaviors of alcoholics, use for training group psychotherapists, 54:1221
videotape protocol materials, training in concepts about group process, student teachers, 55:7906
videotape replay, counselor training & client growth in counseling & therapy & improvement of group functioning, 54:7710
videotaping, relationship between task accomplishment & emotional behaviors in leadership context, college students, 58:9490
violent juvenile gang interaction patterns & normative structure, relationship to school attendance & achievement, inner city 13–19 yr old black male gang members, 55:13314
weekend workshop for personal development of women using female vs mixed-sex group, group process & outcome, females, 58:9909
well-defined parameters, group psychotherapy program, 54:5897

Group Instruction

affective & cognitive exercises for development of working skills, classroom small group work, 54:10502
architectural changes & individualized instruction & group contingencies, academic performance & social behavior, disruptive 6th graders, 54:6293
behavior relevant information provided in group instruction session, attitudes toward dental health & quality of dental care behavior, male college students, implications for research on attitude-behavior consistency, 56:6016
development & evaluation of overhead transparency series, use in large group instruction of introductory college psychology course, 55:13248
effectiveness of computer assisted instruction vs conventional classroom method, paired learning, US Army Infantry students, 55:3045
family grouping as instructional method, organization of siblings into formal or informal learning arrangements for social behavior & skill acquisition, 54:8379
genetics instruction, cognitive characteristics thought to be involved in genetics learning, high school students, 55:5549
group assertive training, nonassertive college students, 1-yr followup, 54:12381
group counseling & education, severely disabled, 53:5940

group instruction in behavioral vs Adlerian approach to child discipline, behavior change, mothers & their children, 55:9599
group method teaching skills, college teaching effectiveness, college teachers, 55:10705
group size & lecture vs structured vs unstructured discussion, drug usage attitudes, US Army basic trainees, 54:12546
group training methods, racial prejudice, school counselors, 55:2861
group training program in behavior modification principles & techniques, mothers of physically handicapped 8–16 yr olds, 55:7613
group vs individual supervision of prepracticum counseling experience, development of counselor verbal response set, beginning graduate students, 55:2836
individualized & team teaching & social training & preschool activities & search strategy development for educational research, research projects at Malmo School of Education, 53:12359
individualized mastery instruction vs group instruction method in mathematics, mathematics achievement, low ability secondary school students, New Zealand, 58:10299
individualized self-paced audio-tutorial vs group music education & use of popular music, ability to aurally perceive & identify musical concepts, 7th graders, 58:8287
individualized study vs group training with vs without instructor microtraining, teaching interviewing skills, counselor trainees, 55:7821
lecture method vs small group teaching & media teaching, active student involvement & enhanced content & social learning & improved university student–faculty relationships, West Germany, 54:4075
occupational information instruction & group vocational exploration, vocational attitudes, high school girls, 56:10789
perceptions of critical incidents in individualized vs small group remedial reading programs, primary- vs intermediate-grade summer school students, 58:6355
perceptions of mass section multimedia instruction vs ideal vs large class vs small class taught by professor vs teaching assistant, college juniors & seniors, 57:13708
perceptual-motor intervention with individualized vs group vs Distar approaches, development of space & time & quantity concepts, kindergartners & 1st graders, 58:4259
self-directed problem based small group tutorial approach, medical education, 53:9699
small group instructional programs, classification &/or seriation skill learning, urban middle class 4–5 yr olds, 54:4060
small group vs traditional training, community participation in health planning agency decision-making, 55:9712
student choice of recall-recognition vs recognition-recall sequence & individual vs group instruction, recall & recognition task performance, 2nd–5th graders, 55:8139
supervision of family therapy & training in group setting, learning experiences, counselor trainees, 54:5392
taxonomy for behavioral outcomes, interpersonal learning in group settings, 54:3988
teacher practice, learning & attitudes in small group instruction, junior high school students, 57:9061
teacher-dominant vs student-dominant teaching methods, class performance, introverted vs extroverted high school students, 55:7983
teachers' increased use of classroom questions resulting from individualized vs group training programs, improvement in critical thinking ability, college students, 58:1928
team effectiveness training, effectiveness at staff meetings, employees in public agencies, 54:2035
Teams-Games-Tournament classroom management technique, acquisition of language arts skills & classroom social processes, 3rd graders, 54:4073
vocational interest, heterogeneous instructional grouping, 1st-yr medical students, 53:1931

Group Participation

activity participation & social interaction, elderly females in home for aged, 56:6529
Adlerian parent study group participation, children's reading achievement & classroom behavior & parents' childrearing attitudes, 4th graders & their parents, 58:10587
adventure training program emphasizing challenge response in remote forest area, development of social modeling competencies & increase in understanding & application of group process skills, college resident assistants, 56:1401
anonymity vs nonanonymity & alone vs in group & groups with vs without S made responsible for group actions, stealing, Halloween trick-or-treating children, 56:842
anxiety & self concept of school ability & socioeconomic status & desk position & perception of teacher's & classmates' responses to attempted participation, oral participation in classroom, 3rd & 5th graders, 58:2155
attitudes toward confederates & participation in social interaction, confederate-ignored college students, 53:9475
attitudes toward participation in clinical team meetings, parents of mentally retarded children, 56:2548
audience participation & composition & personality adjustment, social facilitation, 5th graders, 58:1163
authoritarianism & self-disclosure histories & social relations, prediction of volunteer participation in T groups, college student volunteers vs nonvolunteers, 53:7320
autistic developmental scale performance & age, adjustment to groups, autistic children participating in kindergarten & elementary school groups, 58:9654
awareness games, personal growth through group interaction, book, 57:1610
awareness of treatment of other Ss, reactions to random assignment in ameliorative social programs, college students, 56:2295
biographical & attitudinal characteristics & college participation patterns, Black vs White urban community college students, implications for counseling, 58:10466
centrality & visible accessibility of seating position, group interaction in natural setting, college students & adults, 57:3204
classroom interactions & critical thinking, college students, 58:12696
cognition which predisposes people to join environmental groups, relative importance & accuracy for prediction of group membership, environmental group members vs nonmembers, 58:6515
cognitive modification & positive group experience, depression alleviation & self esteem enhancement, mildly depressed college students, 58:9896
computer assisted analysis, Machiavellian behaviors in group discussion, low vs middle vs high Mach Ss, 55:2321
consensus management, development & implementation & effectiveness, 58:6479
contingent observation combined with brief timeout, disruptive behaviors, 1–3 yr olds, 57:1651
counselor positive mental health & group interaction level, growth, group participation, 55:2759
creative process, production of significant behavior change, intensive small groups, 55:9742
crowded settings, formation & functioning of residential groups & experienced crowding & stress, 55:1691
decision style preference & perceptions of group's behavior, group performance accountability, educational work group participants, significance for management training, 56:10563
development of self help movement & self help group vs psychotherapeutic methods, 58:7892
devotionalism & church attendance, emergency helping behavior, adult male city residents previously struck by tornado, 56:2291
direct involvement scale, measurement of personal participation level, implications for social studies education, 55:8372
directive vs less structured trainer style, group cognitive training program, 1st-level managers, 53:6366
discussion groups led by teacher vs trained vs untrained students, active participation & performance level, elementary school students from low income urban areas, 57:13778
drug education programs using group interaction & classroom instruction, changing patterns of & attitudes toward drug use, students, 56:1359
effectiveness of outpatient treatment using guided group interaction & behavior modification techniques, 16 yr old & older sexual offenders, 56:1093
effectiveness of Poirier's team learning, reduction of number of socially isolated Ss & intensity of rejection of fringe socially isolated Ss, elementary school students, 56:2904
empirical validity, Core in simple N-person cooperative nonsidepayment game, 57:5779
enhanced personal responsibility & opportunity to make choices, alertness & participation & sense of well-being, 65–90 yr old nursing home residents, 56:8515
ethnography techniques & correlational quantitative analysis, clique membership & relationship to academic achievement & school attitudes, Black & White college students, 58:4328
ethological study, free play behavior & participation in group & peer contexts, developmentally delayed & nondelayed toddler-age children, 58:903
experience level, participation patterns & group participation, male & female sensitivity group leaders, 55:2337
experiential learning program involving interaction with psychiatric patients, attitude change toward mental illness, college students, 57:1137
experimentally induced changes in perceived leadership in task-oriented leaderless discussion group, O evaluations, college students, 55:4524
familial vs extrafamilial group membership, personality development, females, case reports, 58:7258
feedback conditions, task uncertainty & group process & emergent group structure, males, 58:5325
feelings of internal control & GPA & verbal vs behavioral commitments, social action participation, college students, 56:2325
finite stochastic model & discrete Markov chain, description of group decision making, 58:10844
framework for development of therapeutic group activities, deviant behavior & self esteem, emotionally disturbed children, 57:13412
goal selection & T group participation, self rated change, high school seniors, 54:7439
group assertion training, assertiveness & territoriality & personal space behavior, female college students, 58:7928
group assertive training with vs without self management training vs minimal assertive training, behavioral repertoire & reduction in social anxiety, college student in campus counseling center, 56:4470
group attendance & composition & verbal input & participation, faculty-student decision making related to student entry-exit criteria, college students & teachers, 55:7915
group discussion of moral dilemmas, moral development test scores, male & female juvenile delinquents, 58:8063
group discussion participation as supplement to audio-tutorial presentation of college biology & cognitive & personality characteristics, academic performance, college students, 55:13103
group experience & interaction, decline of egocentric thought, kindergarten & 3rd grade Israeli boys, 55:11907
group experience employing exercise & psychodrama & socialization at community mental health center, 61–80 yr old organic brain syndrome patients & relatives, 58:7991
group experience, perceptions of T group leadership strategies & behavior, college student members vs leaders, 56:2604
group hetero- vs homogeneity based on Jungian personality typology, group cohesiveness & disagreement & friendliness & solidarity & spread of participation during problem solving, college students, 56:7903
group interaction, individual vs group's perception of meaning of existence, college students, 56:2383
group lifestyles, creation of group structures in dealing with conflict & decision making, college students, 58:9476
group meetings & manipulations for behavioral research & assignment groups, social skills training manual, 55:10306
group membership, feelings of anonymity & facilitation of group antisocial behavior, college students, 58:1107
group membership, social perception & social influence, framework of social entities theory, 58:11639
group methods, reduction of racial prejudice, Black vs White high school students, 58:7411
group participation, job satisfaction & productivity, government office personnel, 57:4573
group psychology & benefits of group participation, individual human growth & family relationships & interpersonal communication & role performance in large organizations & teacher-student participation, 56:1035
group psychotherapy videotape feedback with vs without group discussion vs no videotape feedback, group participation & self concept & ward behavior, female chronic psychiatric inpatients, 57:13252
group structure & tasks & risk taking disposition & sex, group behaviors & attitudes & cohesion, college students, 58:11662
group training & participation, positive personal growth as assessed by Personal Orientation Inventory, inservice counselors, 1-yr followup, 56:4652
group vs individual behavior rehearsal techniques, verbal behaviors, shy 4th–6th graders, 55:13538
growth group experience, self actualization & concept & marital interaction, married couples, 58:7927
handbook of exercises for increasing awareness about sex role stereotypes in consciousness raising groups, affiliation motivation & achievement & power motive, males vs females, 58:1018
human potential laboratory groups & group leader style & group composition & participant expectations, self actualization & group outcomes & behavior changes, community college students, 57:6997
human relations training, self concept & anxiety & group participation, nursing students, 56:6386
ideological vs technical negotiation themes & task- vs relation-centered mediator style, negotiation behavior & outcomes, groups of male 18–25 yr old students, 58:9498
immediate vs long range effects of participation in self exploration group, self acceptance & acceptance of others, college students, 56:6389
increase in S's participation, closer seating position to chairman & narrower angle between chairman's line of sight & S's seating position, policy committee members, 56:643
individual vs group behavior therapy vs social pressure program, weight loss, obese females, 58:7947
individual vs group discussion, norm formation or internalization in convergence & divergence of autokinetic judgments, Ss, 55:2338
influence & status & length of employment & reference group affiliations & communication with colleagues, accuracy in role taking & estimating "generalized other", college faculty members, 58:12436
integrated vs nonintegrated preschool experience, classroom social participation, able-bodied & multiply physically handicapped preschoolers, 58:12669
integrated vs segregated summer camps, social interaction, physically handicapped children, 55:908
intelligence & field dependence & verbal participation & personal autonomy & ordinal position, leadership characteristics in task-oriented small groups, 58:9481
intensive group experience, self actualization, Afro American college students, 58:9929
interaction facilitation techniques, growth groups of Chicano college students, 54:3829
interaction frequency theory & participant observation, research teams at university chemistry laboratories, 56:7896
interactions between & number of participants, emotional arousal as measured by speech behavior, participants in psychosocial training groups, 57:10835
intercultural communication workshop participation & sex & origin, personality correlates & changes from national-mindedness to world-mindedness, foreign vs US college students, 56:10282
intergroup classroom sessions, interracial experiences & understanding of group interaction principles & facilitation of classroom learning through group participation, black & white college students from separate colleges, 55:1382
internal vs external origin, group member attitudes & subsequent voluntary participation behavior, male college students, 54:7453
involvement as tutors in cross-age helping program, attitude toward school & classroom social status & academic achievement, socially isolated 4th graders, 58:8272
involvement in self- vs cause-oriented organized groups & vocational & hobby interests & sex & socioeconomic status, purpose in life, college students, 57:8309
job experience & opportunity for involvement in decision making, attitudes toward worker participation in management decision making, British Rail employees, 57:9236
judgment discrepancy between S & other group members & locus of control, public compliance vs private acceptance, 58:7453
kernel & bargaining set vs solution concept, prediction of outcome of simple majority game rules, 57:5783
leaderless vs teacher-led tutorial groups, participation & discussion content, college students, 53:10459
leadership & membership in personality laboratory, personality change & college major & occupational goals & educational aspirations & self acceptance & locus of control, college students, 57:1613
leadership roles & participation levels in human relations discussion groups, male college freshmen, 54:5186
lecture vs lecture plus active participation in group learning experience, awareness of feelings & behaviors of children with learning disabilities, teachers & parents, 56:4796
level of others-concept, friendly & cooperative group task behavior, 4th–6th graders, 55:10888
locus of control & participation in Upward Mobility Program, prediction of goal-directed behavior, Equal Employment Opportunity employees, 57:3304
manning levels, group involvement & subjective experiences relating to group size & crowding & performance & verbal interaction in groups, male college students, 58:1124
marathon vs conventional encounter group sessions, empathy & self disclosure & confrontation & cohesiveness, college students, 55:5065
membership in church affiliated & other types of voluntary associations, life satisfaction & happiness, Ss aged 65 yrs or older, 57:1029
membership in gay community, sexual beliefs & attitudes & preferences, male vs female homosexuals, 57:12679
microlab experiences, interpersonal behavior & self actualization, college students, 56:2603
microteaching experience with vs without prior group experience sessions, ratings of teacher participation & helpfulness & feedback receptivity, education students, 57:1907
mini-meal with Ss as hosts, verbal problem solving in family atmosphere & transference & acting out family problems & social skills & frustration tolerance & group feeling enhancement, aggressive & withdrawn 4th–8th graders in school-based therapeutic play groups, 57:13213
modeling &/vs reinforcement & demand characteristics, individual verbal output in leaderless group discussion, college students, 55:4519
modified Tavistock National Training Laboratory Workshop, perceived personal impact, Belfast community leaders, 53:5163
motivational factors, involvement in decision making & social organizations, college students, 58:10504
natural group membership & group longevity, individual & group risk taking performance in complex war game, US Air Force officers, 57:10256
neuroticism & extraversion, 18–27 yr old Ss with permanent vs tenuous religious-liturgical group contact, 53:3162
nonstructured consciousness-raising groups vs structured sex-role exploration groups, sex-role stereotyping, college students, 56:2600
observation of group development & type of group process, member change, encounter group members, 58:9920
open-ended classroom meetings, verbal participation & impulsive behavior & hyperactivity, learning disabled 10–11 yr olds in special education class, 56:4936
optional vs mandatory brief prelecture quizzes, performance on regularly scheduled tests & class participation & student evaluation of lectures, college students, 57:11369
organizational climate & participation mode, productivity, high vs low cohesive formal faculty groups, 55:7910
organizational climate, participation in decisions concerning practices to be adopted in own workplace, organizational employees, implications for job satisfaction, 57:9235
organizational structure & voluntary participation, collective good decision, 55:8528
orientation, emergence of task leadership, groups of college students, 54:9566
paradoxical character of social categorization, criticism of H. Tajfel's supposition concerning social environment as object, 58:9478
parent meeting project in day care for preschoolers with cerebral palsy & spina bifida & other congenital diseases, balance of parent & social worker contributions to care, 56:10401
parent-teacher-child task setting conferences, elementary school teachers & students & parents, 56:2903
participation & member power base, group decision making, college students, 55:9745
participation in assembly task planning, productivity & satisfaction, internal vs external college students, 56:7926
participation in community action program, changes in power locus perception & feelings of alienation, low income adults, 55:12092
participation in decision making process & homogeneity of information, group process & outcome, engineering students, 57:3202
participation in group sensitivity training, self esteem, female college students, 58:7924
participation in interactive activities, enjoyment & learning & self confidence & interpersonal skills, 13–15 yr old delinquents & students, 54:6296
participation in weekly team staff meetings, psychiatric hospital staff-intern relations, psychoanalytic student interns, 58:8033
participation in women's consciousness raising groups, feminist attitude change & risk-caution dimension, females, 56:10281

participation of parents in lecture-oriented vs goal-directed vs group-centered intervention group, attitudes toward childrearing practices & subsequent adolescent self esteem, parents of 8th graders, 55:3089
participation training, group decision making & problem solving, 55:8475
participation vs no participation in leadership training program to help older people learn to improve life quality, attitudes & self actualization & general life values, senior citizens, 58:1737
participative practices in classroom & outcomes, 3rd graders, 56:10706
participative vs assigned goal setting, 1-yr followup on performance & job satisfaction, sales personnel, 57:7066
participatory group process training, self actualization & personal orientations, US Army student chaplains, 56:2602
past group participation rate, triadic problem solving performance under cooperative & competitive conditions, males, 57:12740
personal & organizational & job satisfaction variables & expressed values & perceived decision making participation & educational attitudes, high school teachers vs principals, 56:10565
personal vs group choices in delay of gratification task, 6–7 yr olds, 56:7716
personal vs impersonal participant models, interpersonal openness in same vs mixed sex groups, males vs females, 55:12214
personality characteristics, personal growth group participation & counselor effectiveness, volunteer & nonvolunteer counselor trainees, 57:4237
personality types, perceived group behavior in training group session, 55:7065
placements in adult-led recreation group with nonretardates, group participation behaviors, educable retarded vs nonretarded 6–17 yr olds, 53:1491
power of cooperative vs competitive players, group decision about Prisoner's Dilemma game strategy, college students, 58:7460
problems of employee demands for participation in organizational decision making & self management work programs, Britain, 57:9232
process-oriented task vs T groups, performance & satisfaction on interpersonal & rational problem solving tasks, college students, 55:10305
psychiatric disturbances following Erhard Seminars Training, case reports, 58:5503
psychoanalytic study of sensitivity training, anxiety as motivating participation, 54:7458
psychological adjustment & social effectiveness as measured by GPA & position of responsibility in an organization, college students & prisoners, 58:3363
psychology of removing group members & recruiting new ones in organizations, 57:14130
Q technique, rank-order correlations among self & group rankings of self disclosure & participation, encounter group members, 56:1032
randomly appointed vs group elected leader & origin of group's freedom & leader's arbitrary decision, attitudes toward leader & resistance, group members, 58:7422
rate of participation & expertise, leader choice in problem solving groups, female college students, 55:7132
reading group membership, pupil mobility & teacher-child contact & reading achievement over 5 mo period, 1st graders, 55:8282
reinforcement vs model-reinforcement techniques, classroom verbal participation, graduate students, 55:3232
research on health care teams vs individual practitioners, implications for rehabilitation team practice, 58:12269
resident outdoor training program, self reliance & group cooperation & transfer of positive values back to classroom, economically disadvantaged vs advantaged 6th graders, 55:13146
resource independence & decision making procedure, participant outcomes in educational simulation games, high school juniors & seniors, 58:11687
response demand technique, self directed group participation & satisfaction-productivity & tension & time orientation & self perceptions of leveling, hospitalized psychiatric patients, 55:7554
reward criteria & evaluator status, verbal participation in group discussion, college students, 53:11590
risk function emphasis & expected group gain & exposure to evaluation, risk taking in groups & locus of control theory analysis, 57:8177
role playing, transformation of group discussion from leader- to group-centered problem task, 56:7920
rules vs rules & feedback vs rules & feedback & group contingency & individual & group praise & group activities, classroom behavior, 1st–3rd graders, 53:6104
schema for classifying problems as viewed by subordinates, technique for guiding school principals in including faculty in participative decision making, 58:6175
seating distance & group discussion & sex of Ss & moderator, moods & evaluations & attraction & attitudes toward abortion & vasectomy, college students, 56:677
seating distance & room illumination, moods & evaluations & attraction & opinion expression in small group interaction, college students, 56:7900
self actualization group process, self concept & attitudes toward college experience, community college students, 58:10581
self esteem level, participation & seating in classroom, college students, 54:10592
self managed credit economy, maintenance of household work, young adults in group living arrangement, 58:3831
self monitoring, classroom participation, college students, 58:12647
self-disclosure, perceived cohesiveness & participation in small discussion groups, college students, 53:7316
sex & interest in joining group & initiation severity, attitude towards group, college students, 53:5201
sex & status & staff attendance, verbal participation during therapeutic community meetings, staff & patients of psychiatric hospital, 53:8157
sex composition of group & intensive weekend group experience, sex role perceptions, female volunteers for group experiences, 58:5863
sexual attitude modification using small group techniques, premenstrual distress, females, 58:12072
sexual composition of groups, amount & content of members' verbal input & perceived leadership status, college students in small groups, 57:10271
sexual enrichment group experience, sexual satisfaction & pleasure, married couples, 55:10286
shared information & participation, process & outcome of group decision making, engineering students, 55:731
small experiential group, consultant role & member learning, 56:1037
small group experience, perceptions of personal growth & interpersonal functioning, beginning nursing students, 58:10121
small group interaction, attitude changes toward social institutions & peer groups & self concept, high school students, 55:3228
social modeling & group interaction, English speaking, 2nd language learning male freshmen, Philippines, 58:12570
social structure characteristics, status inconsistency & voluntary associations & anomie, 55:12075
social values, participation in voluntary organized groups & relationship to value orientation changes during college, freshman & senior members of activist vs nonactivist groups, 57:11472
socialization program, independent living skills through group experience, 18–30 yr old educable mentally retarded, 56:1170
source of formal authority & perceived competence & expected future interactions in shaping their legitimacy, willingness to engage in independent actions during negotiation, group representatives, 58:7433
strategy for democratization of industry, changes in concrete work situation & employee participation in decisions, Norway, 57:9238
street corner approach, motivation to attend hospital workshop, parents of multihandicapped children, 56:6361
structured vs unstructured feedback, effective participation in group psychotherapy, short term milieu therapy psychiatric inpatients, 54:3590
success vs failure evaluation, group task satisfaction & esteem & cohesiveness & perception of leadership function, junior high school boys, 53:1059
success-failure & pay condition & intrinsic rewards & participation opportunity & role, cohesiveness of task-oriented groups, 58:3287
successful aging & senior citizen club membership, senior citizens, 58:11412
systematic desensitization vs social skill training, participation in class discussion, college students, 56:6430
systematic training in use of leader verbal response skills, consistent & appropriate use of skills in response to group members' stimulus statements, graduate students as leader-Ss, 58:9473
task & socio-emotional leadership roles, group attendance to task & communication of interpersonal skills, T group trainers, 55:12675
task group participation, productivity & emotionality & self perception, graduate students & professors, 58:7468
Tavistock type human relations conference, perceptions of group behavior & effectiveness in group & authority relationships, conference participants vs nonparticipants, 58:5870
teacher presentation rates & use of praise, off-task behavior & correct answering & participation during reading instruction, low-achieving 1st graders, 56:6704
teacher training in empathic responsiveness & democratic decision making, providing participative concept learning experience for students, 1st & 3rd & 4th & 6th grade students & teachers, 55:10675
team development training, change in leadership & decision making & expression of feelings & participation norms, work groups, 55:7086
techniques & behavioral outcomes & sociocultural interaction with other Synanon communities, Synanon games, 58:8090
temporality of reinforcers, observational learning of classroom participatory behaviors, male students, 58:10476
theories & advantages & applications & implications, assertiveness training for women, book, 55:12674
therapeutic goal seeking & psychological distress & help-seeking motivation & life stress & symptomatology & self-perceived goals for participation, choice of sensitivity training vs human potential groups vs psychotherapy vs women's consciousness-raising groups, growth center participants, 54:8028
token reinforcement, class participation by number of questions constructed about science films, 5th & 6th graders, 55:1377
token reinforcement, participation in group musical activity, severely mentally retarded students, 58:4386
tokens contingent on group participation, small group discussion, college students, 55:13241
TORI community experience, perceived-ideal self discrepancy, group participants, 56:1030
trainer's liking of members & members' participation & emotional involvement & quality & quantity of received feedback, effects of T groups, trainers & female college students, 58:3787
turns to throw dice restricted to FI schedule, adjunctive behavior during group gambling, 18–40 yr olds, 58:9443
unwillingness to communicate & anomia & alienation & apprehension, prediction of small group interaction, college students, 53:5161
use of small task-oriented groups to alter classroom social structure, cooperative achievement of joint educational goals & attitudes toward groups, college students, 56:10632
use vs nonuse of simulation board games prior to reading selected short stories, oral responses & attitudes toward stories, 11th graders, 58:6226
validity & feasibility of use of self report measures of hypnotic depth in group settings & relation to dimensions of hypnotic depth, college students, 55:6223
values & facilitativeness, group member interactions as determinants of significant others, group members, 56:2593
videotape feedback of group participation, changes in decision making & apathy & aggression & relationship orientation, 54:5197
videotape feedback type of long task group exercise, self acceptance, 20–26 yr old students, 54:3172
videotape playback vs affective learning group experience vs life planning workshop as introspective activities, self concept, graduate students, 55:8345
videotaped modeling & behavioral rehearsal through group training, assertive behavior, college students, 55:13630
vocational exploration group experience, knowledge of job functions & interests & skills & satisfaction from available work, male Mexican American 9th graders, 55:11001
voluntary organization affiliation, perceived seriousness of community problems, heads of households, 55:9526
voluntary vs coerced participation, attendance at alcoholism clinic, Ss convicted of drunken driving vs volunteer Ss with fixed vs no fixed residences, 56:4613
warm-up conditions, initiating leaderless encounter group, male & female community college evening students, 57:6309
women's group assertiveness training, personality characteristics, female college & graduate students, 56:6387

Group Performance

affective education development program vs regular English classes, social structure & learning environment & group-work behavior, high school students, 55:13122
age differences, group vs individual performance using "Cooperation Game," children, 55:2198
amount & type of evaluative information disclosed, group interpersonal relations & performance on simulated marketing game, males, implications for management, 55:12213
appointed vs elected leader & leader succession & group success vs failure feedback, leader influence in group decision making task, male college students, 58:11657
clarity of task role & performance expectations of leaders, leader control over group, 55:12224
combined mental-physical practice vs physical practice alone, group learning of offensive basketball patterns, male 9th graders, 56:1403
communication modes, team behavior during cooperative problem solving, 57:5804
communication &/vs feedback information on level of performance, group productivity, 16–18 yr old female students, 55:738
competence & opportunity & group success & responsibility attributions, prediction of status allocations, female college students, 57:5833
competition & verbal communication & isolation, frequency perception of individual & group successes, Belgian soldiers, 57:12777
composition of group based on Achievement via Conformance & via Independence personality scale scores, maximizing satisfaction & effectiveness in small academic groups, college students, 58:12689
confederate's inequitable division of group earnings & over- vs underpayment & S's supportive vs nonsupportive beliefs about payment norms, response to inequity, 58:5335
conflict between self interest & altruism & group vs individual decision making, choice of harming vs sparing victim & victim retribution, male college students, 57:3285
congruent vs incongruent social structures, group performance, college students with high vs low safety & self esteem, 55:12229
consensus information with vs following viewing of videotaped vignettes, use of consensus information in making causal attributions for actor's choice behavior, college students, 58:1144
cooperation contingency vs noncooperation, individual & group behavior in continuous 3-person environment, male college students, 56:5991
covariation & causality in undersea environment, scientists & engineers, 55:4492
crowding & interpersonal attraction, affective responses & task performance & verbal behavior, male college & high school students, 55:9720
decision style preference & perceptions of group's behavior, group performance accountability, educational work group participants, significance for management training, 56:10563
Dictionary Game played under 1-to-1 vs 1-to-2 interpersonal vs 1-to-1 intergroup competition conditions, cognitive learning outcome, college students, 57:13717
differential rewarding of groups, group performance in cooperative math task & satisfaction, college students, 58:7456
disjunctive & complementary tasks, social decision schemes comparing group vs individual performance, female high school students, 55:7079
dominance level & presence vs absence of evaluation, dominance behavior measured by direct verbal commands & group performance, college students acting as leaders, extension of social facilitation theory, 57:1171
educational background & personal morality & religiousness & liar status & occupation & liar-listener friendship & polygraph vs listener detection of lying & individual vs group judgments, lying & evaluation of lies, 58:5308
educational levels & communication in team problem solving, college & high school students, 56:651
EEG vs GSR vs human monitoring with vs without feedback, brainstorming performance, college students, 58:9022
employee-based task force to plan organization development project, collaboration & commitment processes, bank employees, 58:8523
equal & unequal outcome distributions in skill vs chance situations, satisfaction ratings, 4-person groups of college students, adaptation level theory analysis, 57:3227
evaluator's need achievement level & knowledge of team's performance outcomes & ability & effort in high vs low competition condition, evaluator judgments of group achievement, college students, 58:3324
expectation states theory of diffuse status characteristics, prediction of halo effects of specific performance characteristics, female college students in informal task groups, 57:8202
expectations of group longevity & competition outcome & publicity of evaluations, evaluations of group products, college students, 54:9583
experience & training, performance in leaderless group discussion, ROTC students, 54:2985
experimentally-induced perceptions of group as highly effective vs ineffective, decisional risk taking in triads, college students, 58:1123
eyewitness identification, accuracy of individual vs composite recollections of simulated crime, college students, 57:10218
field dependence & sex & group size & composition, word productivity & recall in chain-association task performed alone or in groups & social facilitation, 6th graders, 57:8198
field dependence & task structure & setting, small group & individual performance on multiple choice & essay-type tasks & satisfaction, graduate students, 58:12581
field dependence, group task performance, male college students, 56:2318
freedom-of-choice & personal space & physical setting, efficiency of task oriented group, students in all-women's Catholic high school & urban families from various housing environments, implications for habitability research, 57:7084
game location & importance, aggressive acts in team sports, soccer players, 54:7467
group attendance & composition & verbal input & participation, faculty-student decision making related to student entry-exit criteria, college students & teachers, 55:7915
group cohesiveness & interruption of task, recall of group tasks, college students, test of Zeigarnik effect, 58:5339
group cohesiveness, group performance, 5-man teams of marine scientists working & living on ocean floor, 55:11059
group composition & leadership orientation, decisional outcome in open-ended problem solving task, college students, 57:12742
group composition based on Jungian personality typology, task performance, small groups of community college students, 58:9492
group contingencies used for behavioral control in classroom, review, 56:6783
group discussion & belief in own group's point of view, negotiation outcomes & attitude change & interpersonal perception, high school students, 57:5809
group feedback & contingencies, individual & group behavior change, 5th grade children in creative arts, 53:1933
group goal & task requirements & task roles & group roles, patterns of interdependence in cooperative work, triads of 4th & 5th graders, implications for instructional practice, 58:4266
group interpersonal relations, sports group & individual performance, 55:2336
group lifestyles, creation of group structures in dealing with conflict & decision making, college students, 58:9476
group performance, attributions of responsibility, female college students in 4-member groups, 55:9747
group size & ability level, solving multidimensional complementarity task, 4th & 5th graders, 57:12743
group size & leadership, group & subsequent individual performance, 55:4507
group size & odd-even effect, group decision making task performance & group satisfaction, 57:5808
group size & proximity under cooperative & competitive condition, group performance, college students, 56:6011
group size, fluency & flexibility & originality in brainstorming groups, college students, 58:5336
group status consensus & cohesion, basketball team success, 53:1068
group structure & members' motivation, group productivity, male college students, 55:9756
group structure & task performance, group members' perceptions of leadership functions, female college students, 54:11718
group structure & tasks & risk taking disposition & sex, group behaviors & attitudes & cohesion, college students, 58:11662
group success & failure, interpersonal attraction in cooperating interracial groups, 18–21 yr old white males from small southern US towns, 54:9586
group success vs failure & payoff distribution & other member support of leader & leader vulnerability & attributed competence & fairness, leader endorsement, male college students, 53:11586
high ability vs attitudinally similar groups, group performance & cohesion, college students, 3-mo longitudinal study, 57:12757
homogeneity vs heterogeneity of groups in terms of group experience, peer vs self evaluations of encounter group success, counselor trainees, implications for peer evaluations in counselor training, 56:4635
ideological vs technical negotiation themes & task- vs relation-centered mediator style, negotiation behavior & outcomes, groups of male 18–25 yr old students, 58:9498
individual roles, performance in innovative groups, scientists, 54:12743

individual vs group achievement motivation, on-the-job performance success, 54:4362
individual vs group rewards, peer interaction & task performance, 1st vs 3rd graders in same- vs mixed-age triads, 57:10013
individuals vs groups with vs without prior individual decision making vs synthetic groups, decision quality on risk adverse vs neutral economic problems, college students, 53:5148
information heterogeneity & representational role obligations & group composition, group member behavior & perceptions, college students, 58:1105
initial ability level, individual vs dyadic performance on disjunctive task, college students, 54:1003
intelligence, differences in solving individual games & geometric mosaics, individuals vs groups, 55:1832
inter- vs intragroup competition vs cooperation & task means-interdependence, team performance & analysis of motives produced by group's reward structure, male college students, 58:3293
interpersonal compatibility, group productivity, teams of systems analysts, 54:7463
interpersonal relationships, work behavior & motivation, small groups of construction workers, 53:12687
interracial task-oriented small groups, White dominance behavior, college students, 57:5799
intragroup compatibility, task-group productivity, female Ss, 58:7420
kernel & bargaining set vs solution concept, prediction of outcome of simple majority game rules, 57:5783
knowledge of group performance, attribution of causes of performance, college students, general alternative interpretation of cross-sectional research on organizations, 54:8609
knowledge of results & sex composition of group, small group effectiveness on administrative task, 53:9492
laboratory education using team development training, morale & productivity, college students in student-centered psychology class, 58:2032
leader's Least Preferred Coworker score & favorability for leadership of group work situation, productivity of small interacting task groups & predictive validity of Fiedler contingency model in octants 2 & 4, 57:4518
leadership & feedback, perception of selected group functions & anxiety & tension & number of statements made & questions asked, college student members, 58:9471
leadership style & subordinate dogmatism & task type, group performance & satisfaction with supervision, college students, 55:11180
leadership style measured by least preferred coworker score, leadership training effects on group performance, non-ROTC & ROTC college students, support for contingency model analysis, 54:995
Least Preferred Co-worker score & group climate, group performance, insurance company personnel, test of F. E. Fiedler's model of leadership effectiveness, 55:13725
limited communication conditions, individual & group performance, book, 53:3111
manifest anxiety & induced stress, nominal vs real group performance on anagram task, Indian female college students, 56:5994
manning levels, group involvement & subjective experiences relating to group size & crowding & performance & verbal interaction in groups, male college students, 58:1124
measurement methods, crew interaction & performance, US Air Force combat crew trainees, 55:3348
multiple schedule, interaction of in-seat & attending responses in group contingency situation, children, utilization of behavioral stream approach, 57:8778
mutual group hypnosis, creative problem solving, 57:9568
natural group membership & group longevity, individual & group risk taking performance in complex war game, US Air Force officers, 57:10256
need for achievement, supervisory methods & group performance norms, factory supervisors & subordinates, 54:4370
noise & social interaction stress, group behavior & simulation game performance, college students, 57:5785
norm manipulations & feedback & group discussion vs familiarization vs retest presentation condition, group risk taking in ad hoc & established groups, males, 57:3217
number of decision makers & amount of information concerning colleague's results & kind of permissible communication, reliability of different redundant organizational systems, college students, 57:7063
organizational climate & participation mode, productivity, high vs low cohesive formal faculty groups, 55:7910
participation & member power base, group decision making, college students, 55:9745
participation in assembly task planning, productivity & satisfaction, internal vs external college students, 56:7926
participation in decision making process & homogeneity of information, group process & outcome, engineering students, 57:3202
perceptions of group process variables, productivity, teams of female sewing operators, 55:11134
potential group performance based on individual competencies of members minus losses due to faulty group processes, actual group performance on disjunctive tasks & assembly bonus effects, 58:1121
praxiological division process, probability of different social behaviors, 4 partners, 58:6725
prediction of group induced shifts toward risk or caution, implications for group polarization hypothesis, literature review, 57:12750
presence of coactor working on same vs different task & high vs low evaluative conditions, group task performance, college students, 58:9493
procedures for increasing group creativity, book, 55:4528
prolonged exposure to continuous & intermittent noise, individual & small-group performance in work situation, Navy & Air Force ROTC cadets, 55:8489
quality of group judgment, discussion of judgment evaluation with 4 baseline models & statistical procedures for baseline model selection, 57:12744
random assignment of team complexity, self concept & performance in 4-man teams, Boy Scouts, 56:7867
randomly appointed vs group elected leader & origin of group's freedom & leader's arbitrary decision, attitudes toward leader & resistance, group members, 58:7422
relevant task information provided each group member vs unequal information distribution & group discussion instructions, performance effectiveness & interaction processes & member reactions, college students, 57:3193
resource independence & decision making procedure, participant outcomes in educational simulation games, high school juniors & seniors, 58:11687
reward conditions & group consensus, attitude change among group members, high school males, test of self persuasion model vs cognitive dissonance theory, 57:10249
reward systems, individual & group performance, literature review, 57:5776
same & mixed sex dyads & sex content of tasks & interpersonal attraction, performance on problem solving tasks, college students, 57:8213
self perception & interpersonal attraction & tolerance for ambiguity, athletic team productivity, physical education students, 55:10855
sex & mode of group communication & Delphi differences, SPAN decision, 58:7451
sex & workstyle interactions of leaders & followers, team productivity, college students, 55:12204
sex of leader & followers, evaluations of leader/follower performance & relationship to sex role related expectations, college students, 57:10227
sex role attitudes & feminine vs masculine task & same-sex vs mixed group, group performance, 55:7087
shared information & participation, process & outcome of group decision making, engineering students, 55:731
single sample of items from standardized test, estimation of group achievement on total test, 2nd graders, 55:1602
situational vs behavioral problem statements, leadership & solution quality, males in technical & engineering occupations, 58:3302
skill components of serving & service reception & setting & spiking & spike defense & free ball passing, team performance, men's volleyball teams, 56:3310
source of formal authority & perceived competence & expected future interactions in shaping their legitimacy, willingness to engage in independent actions during negotiation, group representatives, 58:7433
spatial density & interpersonal attraction, affective responses & task performance & verbal behavior in cooperative group construction task, male high school students, 57:1156
spectator encouraging vs discouraging reaction & presence vs absence during training, performance in competitive game, teams, 58:5300
status equating characteristics, performance expectations in face-to-face interaction, high school students, 58:9500
stress of simulated panic situation & task outcome, changes in leadership appraisal, 58:9482
structure of communication networks & presence of feedback, small group performance, college students, 55:7080
success vs failure conditions & internal-external control, perceptions of groups' task performance & maintenance behaviors, Japanese high school females, 58:1198
success-failure & pay condition & intrinsic rewards & participation opportunity & role, cohesiveness of task-oriented groups, 58:3287
task & task consequences, individual & group brainstorming, male college students, 54:3013
task & work structure, team performance, 55:9760
task difficulty & member ability & divided vs shared labor, effectiveness & efficiency of dyadic performance on crossword puzzles vs analogies, US Army enlisted men & technicians, 56:9844
task group participation, productivity & emotionality & self perception, graduate students & professors, 58:7468
task structure & leadership behavior, problem solving performance in 4-person groups, 58:1106
team effectiveness training, effectiveness at staff meetings, employees in public agencies, 54:2035
team organization, detection of critical signals task, male college students performing as individuals vs 2-man teams, 54:11035
team vs individual success-failure experiences in throwing task, movement concept & aspiration level, 3rd vs 4th vs 5th graders, 55:8001
team work performance, YS-11 aircraft chief pilot & copilot, 56:8856
temporal limitation for response reinforcement & interstimulus interval & antecedent stimuli, response latencies in group matching-to-sample game, preschoolers, 58:2586
test & revision of Fiedler's contingency model of leadership, presidents & members of national business fraternity, 55:4490
theoretical framework, communication & group performance efficiency, 57:10258
therapeutic task group leadership, group climate & task productivity & leader & member behavioral responses, members of First Church governing board, 58:7467
training in orientation behavior, quality of product of small leaderless group, library science students, 56:6646
triad as instructional mode employing predetermined roles in small group, interaction & responsibility for group maintenance & task performance, college students, 57:6759
triadic interaction, performance & perseverance on construction task, male vs female disadvantaged 5 yr olds in day care center, 56:1458
trust perceptions & brainstorming vs synectics instructional sets, group creative problem solving & perceived effort & satisfaction & group attractiveness, female college students, 57:5770
videotape feedback & modeling, predictable & productive task group behavior change, business school students, 54:11689
videotape feedback vs videotaped model presentation vs videotaped feedback & modeling vs no verbal instructions vs verbal instructions, group performance, college students, 54:6289
viewing of aggressive vs cooperative vs neutral scenes from TV western, emotional reactions & group work behavior & aggression latency, 3rd graders, 55:2128

Group Problem Solving

"acted" vs "natural" social models, behavior change, members' of problem solving groups, 57:12761
active communication amounts, group problem solving, lower-form students, 54:2993
age & sex, small group role structure & problem solving performance, 27–72 yr olds, 58:11671
analysis of conflict in small decision making groups, school boards, 55:2320
assertiveness training & problem solving group techniques, assertive behavior development & overcoming interpersonal fears, college females, 58:7918
attitude toward female leadership & group sex composition & task, female leadership in small problem solving groups, male & female college students, 54:11691
available information, individual & group decisions to risky vs cautious problems, 53:7296
brainstorming vs confluent or humanistic vs traditional teaching methods, creative personality traits, college students, 55:13220
classroom-oriented problem solving groups containing reinforcement-punishment contingency, increase in verbalization of feelings & interpersonal communication, educationally handicapped 9–12 yr olds experiencing interpersonal problems, 57:4423
cognitive dissonance paradigm, effectiveness of team treatment approach, admission & discharge committee members responsible for placement & treatment decisions involving exceptional children, 56:8800
cognitive role differentiation, dyadic problem solving, 55:734
community problem solving workshop, participant reactions, high school students in the arts, 58:8261
comparison of cognitive conservatism & radicalism, individual vs group decision making, college students, 55:7057
compatibility of ego identity concerns, use of coping vs defense mechanisms during problem solving, dyads of college students, 56:4146
compromise vs consensus decisions, resolution of disagreement in group problem solving, college students, 55:9746
conflict resolution model, emphasis on task requirements vs process orientation & workshop applications, 57:12722
congruency of behavior to assigned leader role & group structure, effectiveness of group problem solving, college students, 57:10267
contingency & participative management & performance counseling, developing subordinates' leadership ability & initiative & permitting active role in battalion management, Army officer as performance manager, 53:8492
cooperation vs competition & opportunity for discussion, group solving of concept problems, 58:1119
cooperative problem solving through interconnected typewriters, interactive communication, female high school student skilled vs unskilled typists, 53:8441
cooperative vs competitive problem solving condition, evaluation of seeking vs volunteering information, high school & college students, 57:1206
creative brainstorming, problem solving competition, gifted children, 53:4067
cue intercorrelation & task predictability & distribution of cue validity among pair members, interpersonal learning of probabilistic inference tasks, college students, 57:9513
development of environmental movement & social organization of problem solving voluntary associations, Montreal, 55:6886
disjunctive & complementary tasks, social decision schemes comparing group vs individual performance, female high school students, 55:7079
educational levels & communication in team problem solving, college & high school students, 56:651
EEG vs GSR vs human monitoring with vs without feedback, brainstorming performance, college students, 58:9022
ego state frequency patterns revealed by interaction behavior in organizational & management problem solving groups, production- & people-oriented leadership styles, 58:6487
empirical validity, Core in simple N-person cooperative nonsidepayment game, 57:5779
expected vs obtained grades, teacher evaluation & attribution of performance, college students, 55:6149
experimental simulation-game, measurement & training of group decision-making under complex conditions & intergroup competition, 53:7292
external & internal competition, interaction process behaviors in problem solving groups, males & females, 55:9740
face-to-face interaction vs Delphi method, development of consensus about relative priority of goals in student affairs organization, staff members of Student & University Affairs Division, 58:8220
feedback conditions, task uncertainty & group process & emergent group structure, males, 58:5325
group cohesiveness & leadership style, group problem solving, test of I. L. Janis's groupthink hypothesis, 58:11653
group composition & communication variables, group problem solving & satisfaction, 57:10272
group composition & leadership orientation, decisional outcome in open-ended problem solving task, college students, 57:12742
group composition & problem characteristics & meeting procedures & followup activities, idea production rate & speculation level in real brainstorming sessions, industrial managers, 56:10876
group discussion & decision making methods, group decision making performance on environmental crises prediction problem, college students, 55:4522
group formation process involving problem solving of acceptance & data flow & goal formation & control processes, graduate professional interdisciplinary groups, 55:739
group hetero- vs homogeneity based on Jungian personality typology, group cohesiveness & disagreement & friendliness & solidarity & spread of participation during problem solving, college students, 56:7903
group homogeneity of IQ & individual solutions &/vs group discussion as problem solving strategy, group interaction & mathematical problem solving performance, 5th graders, 58:10435
group problem solving risky shift phenomenon, R. Brown's enhanced-salience-of-values & A. Vinokur's persuasive argumentation hypothesis, college student groups, 53:11587
group size, communication rates in problem solving utilizing face-to-face discussion vs teletype vs televoice conference modes, college students, 58:11660
group size, fluency & flexibility & originality in brainstorming groups, college students, 58:5336
group structure based on abstractness level & interpersonal perception ability, group performance of factual & social problem solving tasks, 58:9474
high vs low scores on Paired Hands Test measuring interpersonal feelings on friendliness-hostility dimension, predictability of friendly cooperative behavior in group task assignment, 4th–6th graders, 57:10247
hypotheses of individual preferences & collective choice, 58:7473
increase of legitimate vs expert power of 1 group member, functional leadership behavior & leadership perceptions in group problem solving task, college students, 58:7452
individual roles, performance in innovative groups, scientists, 54:12743
individual vs group brainstorming, idea production, review, 53:9483
individualized open-access curriculum using systems engineering & group problem solving & peer instruction, military police training, trainees, 55:1647
individuals vs coacting vs interacting groups, brainstorming productivity, college students, 53:5182
individual-to-group vs group-to-individual transfer & problem difficulty, concept attainment task preference, college students, 58:8800
initial ability level, individual vs dyadic performance on disjunctive task, college students, 54:1003
intelligence, differences in solving individual games & geometric mosaics, individuals vs groups, 55:1832
interaction analysis, group problem solving, deaf 6–9 yr olds vs 11–13 yr olds, 56:6276
interdisciplinary team approach to solving societal problems, development of interface between engineering & social sciences, 56:4677
internal–external control & power position, satisfaction in task-oriented groups, college students, 53:11580
kernel & bargaining set vs solution concept, prediction of outcome of simple majority game rules, 57:5783
leadership style & leader position power & problem solving methods, solution number & characteristics, high school students, 56:9846
learners' involvement in interactive problem solving tasks vs traditional homework sequence, mathematics learning, high school students, 55:1406
limited vocabulary natural language vs unrestricted vocabulary, solution time & errors & overt behavior & verbal output in 2-person team problem solving, 57:5796
mathematical model of variables influencing group decision making, unification of opinions in work groups, 58:7474
member ability, dyadic problem solving & interaction & emulation, 10–12 yr olds, 57:10269
messages sent by voice vs typewriter & interruption vs no interruption conditions, team solving of real world problems, college students, 58:1112
mixed-age grouping, standard conservation task performance, British vs American 5–7 yr olds, implications for organization of classrooms & schools, 57:6745
need achievement, group & individual risk taking & risky shift task performance, female college students, 54:11793
nominal vs delphi vs interacting group decision making processes, unique ideas & satisfaction with decision process, college students & administrators, 53:9495
number of decision makers & amount of information concerning colleague's results & kind of permissible communication, reliability of different redundant organizational systems, college students, 57:7063
participation training, group decision making & problem solving, 55:8475

past group participation rate, triadic problem solving performance under cooperative & competitive conditions, males, 57:12740
personal familiarity vs no familiarity with E & collaborative vs contractual instructions, individual perceptions of E & experimental problem solving task, college students, 58:8622
perspective taking vs self presentation & heterogeneous vs homogeneous group composition, group problem solving, 58:1090
potential group performance based on individual competencies of members minus losses due to faulty group processes, actual group performance on disjunctive tasks & assembly bonus effects, 58:1121
potential problem analysis, systematic approach to problem prediction & contingency planning, 54:12740
power of cooperative vs competitive players, group decision about Prisoner's Dilemma game strategy, college students, 58:7460
prediction by varying structural non-game-theoretic characteristics, solution types in behavioral outcomes of 4-person majority rule game, 53:5183
problem solving vs individualistic orientation & cognitive complexity & aspiration levels, development of integrative solutions in bilateral negotiation, male college students, 55:735
process analysis, verbal innovative deviance during phases of group decision making, 54:9580
prompting & reinforcement of target behaviors, sex role stereotyped interactions in problem solving task, males vs females in small groups, 58:5279
psychological androgyny vs masculinity vs femininity, sex role adaptability, male & female college student, 54:11771
race of E & comparison norm & racial composition of dyad, social influence & interpersonal attraction during cooperative problem solving, black & white 7th & 8th grade males, 55:9735
randomly appointed vs group elected leader & origin of group's freedom & leader's arbitrary decision, attitudes toward leader & resistance, group members, 58:7422
recall & reconstructed recall of initial position & probability scale meaning, group-shift effect in risk & caution life-dilemma problems, college students, 58:7447
reinforcement rewards dependent on group vs individual attending & working behaviors & locus of control, reduction of maladjusted behaviors & increases in mutual liking & self esteem & group problem solving performance, maladjusted 3rd graders, 57:13964
relevant task information provided each group member vs unequal information distribution & group discussion instructions, performance effectiveness & interaction processes & member reactions, college students, 57:3193
richness of communication mode, language structure during cooperative problem solving, male high school students, 57:5438
risk function emphasis & expected group gain & exposure to evaluation, risk taking in groups & locus of control theory analysis, 57:8177
role-playing & group problem-solving & guided discussions, school psychology support in classroom, 53:3973
same & mixed sex dyads & sex content of tasks & interpersonal attraction, performance on problem solving tasks, college students, 57:8213
scientific creativity, association with team work & sociopsychological point of view, 57:9215
self esteem & group performance feedback, perception of personal responsibility for cooperative group problem solving performance & influence of other group members, male college students, 58:3301
self-help group model, rehabilitation service system, review, 53:6034
sex role differentiation during group problem solving, male vs female college students, 57:1185
situational vs behavioral problem statements, leadership & solution quality, males in technical & engineering occupations, 58:3302
size & spatial arrangements, group decision-making & member satisfaction & consensus & leadership emergence, literature review, implications for administration, 53:6360
social class & verbal & nonverbal communication, problem solving success, 3-member blue collar vs white collar families, 58:1084
Social Participatory Allocative Network method of group decision making vs conventional group discussion, group problem solving ability, hospital staff, 53:9681
SPAN vs verbal discussion training, upgrading group decision making in Moon Survival Problem, VA hospital employees, 57:10255
statistical vs consensus vs Delphi vs Delbecq procedures for aggregating subjective probability assessments to high school GPA assessment task, college students, 58:75
structure of conflict & sources of cognitive change & task characteristics, analysis of interpersonal conflicts caused by cognitive differences from social judgment theory basis, 58:1080
supervisor's span of control determinants & maximum number of subordinates, capacity for interaction in problem solving group, 53:6368
systematically planned interpersonal skill training program, development of affective communication skills & democratic problem solving methods, student teachers, 58:8195
task & task consequences, individual & group brainstorming, male college students, 54:3013
task difficulty & member ability & divided vs shared labor, effectiveness & efficiency of dyadic performance on crossword puzzles vs analogies, US Army enlisted men & technicians, 56:9844
task structure & leadership behavior, problem solving performance in 4-person groups, 58:1106
task structure, leadership behavior of developing orientation & problem definition & relationship to group problem solving performance, college students, 57:5800
team approach to problem solving within community, interaction among various causes & sources of conflict, 54:11663
team effectiveness training, effectiveness at staff meetings, employees in public agencies, 54:2035
teletypewriter vs telephone vs closed circuit television communication, cooperative vs conflictive problem solving, male college students in 2-person teams, 56:9617
time limitations & age, creative activity & group problem solving, constructors & designers, 58:2300
time-to-plan & -execute, problem solving & decision making performances, business administration students vs middle managers vs elementary school teachers vs elementary & secondary school principals, 55:2329
training to make behaviorally defined statements, problem solving behaviors in board meetings, lower socioeconomic adults participating as policy board members in rural community project, 54:7447
transitional probability, group anagram solving, college students, 58:5334
trust perceptions & brainstorming vs synectics instructional sets, group creative problem solving & perceived effort & satisfaction & group attractiveness, female college students, 57:5770
type of feedback & feelings toward candidates, conflict in political group problem solving situation, college students, 55:7100
typewriting &/vs handwriting &/vs video &/vs voice vs communication-rich mode, cooperation problem solving, dyads, 53:5274
verbal communication in reaching agreements, group problem solving, college students, 53:11581
vocal vs typewritten communication with vs without interruption, interpersonal communication & team problem solving, college student pairs, 53:307
vocalization vs nonvocalization, concept attainment in problem solving processes, pairs vs individual female college students, 55:6150
warm-up activities, small group divergent problem solving, 1st graders, 54:336

Group Psychotherapy [See Also Encounter Group Therapy, Marathon Group Therapy, Therapeutic Community]

A-B type & other therapist personality characteristics, leadership style in short term group therapy, therapists, 57:3876
acting out problems during group psychotherapy, 57:3888
activation of transference reactions by immediate interpretation of castration anxiety during 1st group analytic session, 55:2653
active clinical therapy, phobics from same social class, 53:10178
activity discussion group therapy's dynamisms, personality growth & behavior, 55:2636
adaptation of Bion's work to psychoanalytic group psychotherapy, 53:8004
adolescent narcissism & group psychotherapy, 54:1698
advanced training in analytic group therapy, psychiatrists & psychologists & social workers, 58:1837
advantages & risks of General Systems Theory, group therapists, 53:12247
age span & case responsibility & balance of interactional styles & sex & interview of potential group members & parents & difficulties outside of family, adolescent group therapy membership selection, 53:10157
alternative strategies & problems, group psychotherapy, book, 53:7996
ambulant client-centered group therapy employing self direction & nonverbal exercises, concept & application, clients in various groups, 58:1620
analysis of training group session recordings, homogeneous application of psychoanalytic method by group monitors, 58:5851
analytic group psychotherapy, aged, 53:12209
analytic group therapy with assessments by therapist, chronic neurotic patients, 55:5030
analytical group psychotherapy, Jungian considerations, 54:12345
analytically oriented group therapy & suitable patient types, 53:12226
anxiolytic drugs & group psychotherapy, neurotic outpatients, 57:10661
application of C. Rogers's nondirective approach to group therapy, 54:3749
art production technique in self awareness group, externalization of feelings not expressed verbally & clarification of meaning through group context, 57:8698
art therapy & verbal psychotherapy, short term groups of day clinic patients addicted to depressant chemicals, 55:12833
art therapy group, peer-related problems, withdrawn & aggressive & hyperactive 9–11 yr old females, 58:5788
art therapy program, mother–daughter relations, depressed alcoholic mother & disturbed 10 yr old daughter, 54:12334
assertive therapy group, interpersonal interaction, 18–50 yr old female outpatients vs 18–30 yr old hospitalized psychotics, 58:3785
assessment & individual & group therapy & behavior modification techniques, rehabilitation of industrially injured, 55:7755
assessment of acceptance & abreaction & improvement variables of group psychotherapy, adult clients & Os, 56:10267
athletic activity immediately preceding group psychotherapy, 53:10195
attitudes toward effectiveness at different stages of group therapy, 20–62 yr old white female alcoholics, 56:6366
audiovisual program related to flying for group desensitization, 20–69 yr olds, 53:1719
autogenous training technique in open group therapy, passive patients suffering from control failures, 54:10099
automated group relaxation vs desensitization therapy, insomnia, college students, 53:1730
autonomy chair technique, decision to terminate therapy, group therapy member, 54:12203
aversive counterconditioning & group therapy, drug addiction, black addicts from poor socioeconomic background, 2-yr followup, 56:8545
aversive counterconditioning & social retraining, learning theory approach to drug rehabilitation, addicts, 55:12826
basic theories & techniques, group therapy & counseling, book, 54:1661
behavior intervention groups of group therapy & Bible seminar & Alcoholics Anonymous vs membership in group activities, personality change, male prison inmates, 57:11053
behavior modification approach to group therapy, sociometric status, hyperactive unsocialized boys, 56:8368
behavior modification employing individual client centered therapy & group therapy, slow learning students in special school, 58:6348
behavior modification technique involving participation in group therapy sessions, interpersonal relationship enhancement, severely retarded 12–19 yr olds, 58:3829
behavior modification techniques in groups, antisocial children, 53:7995
behavioral analysis, interactional group psychotherapy under hypnosis, 55:7563
behavioral approach, group psychotherapy, book, 58:1615
behavioral approach, marital therapy in groups, spouses, 57:13242
behavioral group therapy, alcohol abusers, 53:12236
behavioral group therapy, alcoholics, 53:3769
behavioral group treatment program, sexually dysfunctional couples, 57:13245
behavioral rehearsal vs traditional therapy in group treatment, social assertiveness, college students, 55:10279
behavioral treatment manual for group psychotherapy, overweight Ss, 56:10361
behaviorally oriented didactic-group approach, obesity, 53:12174
bilingualism, communication in group psychotherapy, 57:13255
biofeedback mediated EMG relaxation vs group psychotherapy, chronic anxiety, psychiatric inpatients, 54:5976
black art forms usage in therapeutic group interaction, analysis of self in relation to developmental stages & improving self concept, blacks, 55:2655
body-centered group psychotherapy, ego functions, 20–49 yr old acute schizophrenic inpatients, 56:8327
boundary management in psychological work with groups, 54:7482
brief analytic group psychotherapy, 56:6363
brief group therapy during rehabilitation following myocardial infarction, cardiac complications & death rate & knowledge of disease, patients, 18-mo followup, 57:8884
brief group therapy, situational & neurotic problems, female students, 58:1617
brief outpatient group psychotherapy, depression & age-related problems, 60–72 yr olds, 55:7575
brief vs extended group psychotherapy, marital discord, couples, 55:1012
broad-scale school-based psychotherapeutic intervention, academic achievement & attendance & behavior, 7th graders with low academic motivation & family & discipline problems, 58:8405
changing conceptions of neurosis & appearance of therapeutic integrity groups, therapeutic value & ethical considerations, 57:10807
changing planes of interaction in group therapy, schizophrenics, 54:3727
characteristics & analysis of dreams during group therapy, patients, 53:3740
characteristics of client & therapist, outcome of group psychotherapy, literature review, 55:2642
child-centered group guidance, parents with child rearing problems, book, 53:8091
client locus of control, differential effectiveness of directive vs nondirective group therapy, college students, 53:10152
client-centered groups emphasizing self experience, capability of coping with student-life pressures, student counseling center participants, 58:2275
client-centered psychotherapy groups, therapeutic efficacy of self experience emphasis, 20–30 yr old students with average levels of disturbance enrolled in college & other institution-sponsored counseling, 58:1621
clinical observations, advantages & disadvantages of leaderless groups, 55:5055
closed circuit video & playback techniques, group psychotherapy, 53:12177
cognitive rehearsal through group discussion of problem solving led by therapist, change in composite anxiety measures, college students, implications for therapy, 55:10283
cognitive restructuring therapy in group format, changes in day-to-day living, 57:6376
combined group therapy-token economy approach, positive verbal behavioral change,8–15 yr olds attending summer camps for disturbed children, 58:7799
combined in- & outpatient group psychotherapy technique, treatment of psychosomatic patients, 56:6355
combined individual & group psychotherapy, case history, 56:8322
combined learning theory & psychoanalytic concepts & triadic concept of J. L. Moreno & French School, "tetradic system", 53:1754
commitment to change & treatment preference & expectation of success, public speaking anxiety reduction in group psychotherapy setting, 58:3759
community consultation using group & behavior therapy, unruly 8th–9th grade boys, 53:10264
community resources, group treatment program in community, chronically ill patients, 54:1733
composition & structure and setting, adolescent therapy groups, 54:1705
concepts related to group dynamics & psychotherapy & psychoanalysis & phases of group development, book, 57:3827
conceptual level matching with therapist, personality orientation & recovery, inpatient alcoholics, 53:3755
conceptual model, group psychoanalysis practice, 53:12238
concrete token reinforcement, control of content of verbal initiations in group therapy, hospitalized 15–17 yr olds, 56:8436
concrete vs abstract approach in group psychotherapy, self-ideal discrepancy & psychological adjustment, hospitalized alcoholics, 58:10095
conditions & application of group psychoanalysis, method of studying ideological results, 58:5845
confrontation in group & individual analysis, separation conflict between establishing own identity & loss of early mother–child symbiosis, therapy of borderline patients, 53:10212
confrontational vs nondirective group experiences, smoking behavior, 58:8079
consciousness raising groups, subjective distress & depression & motivational factors & group processes, survey of female current & former & prospective group participants, 57:13243
consciousness raising groups, therapy for women, 53:10029
consensus of peers' ratings of helpful behaviors in psychotherapeutic groups & behavioral correlates of ratings, mental health professionals & college students, 58:5844
construct validity of Q-sort of Yalom et al, perceptions of curative mechanisms in therapy & growth groups, participants, 55:7578
constructive controversy training, group psychotherapy, couples, 53:10185
constructive group activities program as pretherapy experience, juvenile offenders, 55:7576
content & process of short term group therapy program, 20–55 yr old kidney transplant patients & their families, 57:10788
context analysis, expectations expressed in communicative interaction, neurotic inpatients in group psychotherapy, 58:9907
correlations between repertory grid measures & measures of verbal behavior, members of psychotherapeutic group, 58:1550
cotherapist led group therapy supplemental to milieu & individual treatment, personal growth in later adolescence, institutionalized 10–12 yr old females, 55:1009
cotherapy using 4-way sessions, family pairs & couples in individual & conjoint treatment, 56:6373
countertransference reaction management in analytic group psychotherapy, 54:1544
cue technique in group therapy, gaze behavior, 35 yr old male schizophrenic, 57:6299
cultural-psychological contraindications, group psychotherapy, adolescent Indians referred by school counselors for delinquency or truancy, 54:5933
"curative" factors regarded as necessary to efficacy of psychotherapeutic groups of I. D. Yalom, college students who participated in personal growth groups, 58:3782
current practice & research & trends, psychotherapy & behavior change, book, 54:5706
current problems in historical context, group therapy, 54:1653
current research issues, group psychotherapy, 53:3748
current status group therapy theories & procedures, book of selected readings, 53:12190
day treatment & group process & therapy, anxiety & interpersonal relationships & independent living, 61–89 yr old geriatric patients, 56:8499
death of group member, resistance & denial & regression & avoidance of responsibility & transferential reactions & countertransference, therapy group, 58:5831
defective development in group psychodrama, therapeutic considerations, 57:13251
definition & history & methods, group-analytic psychotherapy, book, 53:1705
demographic & other patient characteristics, male prisoners in group vs individual therapy vs requesting therapy, 56:10449
desired degree of self-disclosure by therapists, group therapists & members, 53:9662
development & characteristics of stages in group psychotherapy, adolescent drug addicts, 57:11070
development & dynamics, silent recorder-observer in group psychotherapy, 54:1702
development & exploration of technique of spontaneous drawing with chromatic colors, facilitation of group psychotherapy, 58:9903
development of combined activity & verbal group therapy program, withdrawn & acting out 8–11 yr old males, 55:5029
development of psychotherapy groups in outpatient clinics, preschoolers, 55:5038
development of self help movement & self help group vs psychotherapeutic methods, 58:7892
developmental group work with adolescents, book, 54:3728
didactic group therapy techniques, self esteem, male vs female potential vs non-potential school dropout students at freshman & sophomore levels, 58:2274
didactic vs group therapeutic approaches, promotion of positive mental hygiene in classroom, elementary school teachers, 54:12554
differential prognosis in group therapy, borderline patients, 55:1006
differential relevance of criteria & variations in frames of reference, placing & terminating children from individual vs group vs conjoint family therapy, mental health teams, 55:5016
dimensions of self disclosing behavior, patients in outpatient therapy group, 55:7491
directed reverie technique, imagery in group therapy communication, 55:10276
distinction between character defenses & character structure, contraindication for group psychotherapy, 58:3768

dramatic readings in group therapy, modification of respiration & vocal projections & acting out of attitudes, 54:10207

instructions specifying behavioral expectations vs positive behavioral-emotional feedback, quality & quantity of verbalizations & personal discussion, patients in group psychotherapy, 57:8685
intake assignments to individual vs group therapy vs nonappointment contact group, treatment acceptance, clients, 53:5801
integration of group analysis & dynamics & psychodrama, approach to group therapy, 58:7894
integration of internal processes of psychoanalytic group therapy with M. Klein's concepts of projective identification & externalization, 55:2649
integrity groups, context for growth in honesty & responsibility & involvement, H. S. Sullivan framework, 57:13246
interaction & insight vs noninsight oriented group therapy, development of client insight, male hospitalized psychiatric patients, 57:1601
interactional approach using group & family therapy, alcoholism, 53:1725
interactional involvement, Gestalt groups, 55:7567
interdisciplinary team & therapy group as tool to improve milieu, group & individual psychotherapy, elderly residents in proprietary nursing home, 53:5827
interpersonal theory of psychoanalysis, understanding of processes in analytic group psychotherapy, 54:1662
interpretations of collective & intergroup behavior as analytic method of group psychotherapy, 55:2650
invented self & K. Horney's theory of neurosis, group psychoanalysis, 54:5991
issues & models, group psychotherapy training, 55:5334
issues in group psychotherapy, female 13–15 yr olds, 58:5840
kinesthetic oriented group therapy using body talk, interpersonal interaction, patients, 57:13224
knowledge of primitive man's initiation rites, rites of passage of schizophrenic patients into psychotherapy group, 55:2641
large open-ended group treatment, schizophrenic patient, 55:995
leaderless therapy groups, danger of degeneration & use of programed audiotapes & shared responsibility for leadership, 57:8676
leader's sex, development of S assertiveness in group assertive training, 21–60 yr old middle class females, 57:6289
leadership behavior, development of autonomy & sociability & creative energy within psychodrama group, 56:2597
leadership styles & cohesiveness, attitude change & self awareness, adolescents in therapeutic groups, 57:6291
leadership styles & strategies & group treatment & concepts of therapy, social psychiatry, 53:10031
learning theory & group therapy with vs without mutual help principles, overweight treatment, 19–41 yr olds, 53:3743
legal protection for group psychotherapy members, 54:12323
life experiences & leadership qualities, ability to conduct counseling & growth & therapy groups, group leaders, implications for training & education, 55:2858
life review & life cycle group therapies, aging, 55:2551
locus of control & psychiatric diagnosis & therapeutic approaches, participation in group therapy, outpatients from lower socioeconomic area community mental health center, 55:1000
locus of control, marathon or group therapy structure & outcome, group members, replication of P. R. Kilmann & R. J. Howell's 1974 study, 54:8092
long-term group therapy, suicidal & depressed Ss, 53:7930
male–female cotherapy team in group psychotherapy, heterosexual shift, homosexual or bisexual males, 54:3726
manpower development & varying roles in group therapy, mental health personnel, 54:3221
marital therapy, combination of individual & conjoint sessions for short periods of time, 53:8059
mass termination of long term regressive-reconstructive psychotherapy group, outpatients, book, 54:10246
matrix algebra application, correlations of indices of group cohesion as measured by interpersonal ratings of empathy & warmth & genuineness with therapeutic outcomes of interpersonal relations & self concept, college students, 56:1025
mental health groups as intensive & low-cost treatment method, 53:12189
methadone maintenance & group therapy, multiple drug abusers, 53:10117
method & principles, group-analytic psychotherapy, book, 56:6335
methodological suggestions, studying outcomes of group therapy, review, 55:1752
microtraining group therapy program, increase in active listening skills, psychiatric outpatients, 58:1613
mini-meal with Ss as hosts, verbal problem solving in family atmosphere & transference & acting out family problems & social skills & frustration tolerance & group feeling enhancement, aggressive & withdrawn 4th–8th graders in school-based therapeutic play groups, 57:13213
model for socially supportive structure to aid families & individuals during predictable life crises, 55:7713
model of leadership in therapist-centered-group-as-a-whole psychotherapy approach, 58:5827
modifications of traditional group therapy, Mexican Americans, 55:5025
modified procedure, enhancing group desensitization of test anxiety, college students, 53:12185
multidisciplinary group of facilitators vs undisciplinary strategy, repeated readmissions to psychiatric ward, psychiatric patients, 55:2644
multidisciplinary group therapy approach to life-threatening behavior, parents of battered children, 53:1753
multimedia group treatment, interpersonal skill proficiencies, male 18–19 yr olds in residential therapeutic community, 57:10814
multimodal group interactive therapy, behavior improvement, aged with organic brain syndrome or senile dementia, 57:6294
multimodal psychotherapy, multiple marital couple group therapy augmented by phase-specific individual, couple & conjoint family therapy, 53:12241
multiple family group therapy, resistance & manifestations of pathological family process, schizophrenics & their families, 53:12187
multiple vs individual therapy, client outcome & attitudes & discussion, 18–23 yr old clients, 55:12642
multiple vs individual therapy, psychotherapeutic interactions, co-therapist pairs vs individual therapists, 55:7485
nature & purpose of consciousness-raising groups for women & therapeutic status in comparison with traditional forms of group psychotherapy, 57:1616
negative group practice vs systematic desensitization, cigarette consumption rate, male college students, 53:3731
nurse-led group therapy, depression level & self concept changes, female suicidal clients, 57:3867
observational study of targeted humor as indication of psychological state of group of individual members, outpatient therapy group & classroom growth group, 57:8171
observations & techniques, bioenergetic group therapy, 53:12231
open expression of emotion & group cohesion techniques, group psychotherapy, adolescents, 53:7973
open outpatient group attendance & age, persistence with treatment & improvement, general hospital psychiatric outpatients, 55:5048
open-ended elective vs closed encounter group therapy, self concept, male alcoholics, 56:4448
open-ended group therapy vs ward rounds, psychiatric inpatients, 53:3724
orientation mode of passive group management & group leader or consultant interpretations, 57:3872
orientation procedures for group psychotherapy, new group members, 55:5036
origins & therapeutic use & content & composition & types of small impromptu groups in therapeutic community, 55:2632
origins of peer self help psychotherapy group movement, 57:13237
outcomes of & attitudes toward psychoanalytic group therapy, patients, 2–14 yr followup, 57:10804
outpatient group therapy, male adolescent & adult offenders, 58:6045
overview, group therapy 1974, book, 54:1717
participation in group psychotherapy, group cohesiveness & risk taking, criminals vs noncriminals, 58:7897
participation of whole hospital in therapeutic effort, Northfield experiment in group therapy, 55:2775
patient feedback obtained from patient satisfaction form, improvement in group therapy training, 58:6108
patients' expectations of therapeutic improvement, actual outcomes after 8 & 12 mo of group psychotherapy, psychiatric patients, 57:10786
patients' negative transference & therapist's countertransference, destructiveness of sexual acting out in psychotherapy group, 56:6384
patient's perception of therapeutic relationship, group therapy treatment outcome, 57:8677
patients' sociopathological or politicopathological orientation, crisis program using group interventions, crisis group members, 57:10816
peer group therapy, alienation & disrelatedness, adolescents, 55:7577
perceived curative factors in group therapy, therapeutic community residents, 53:7990
perceived therapist behaviors & attributes, premature termination of group therapy, patients, 58:9893
perceived therapist-offered conditions, therapeutic outcome in group psychotherapy, hospitalized chronic schizophrenics, 55:5054
perception of control of group systematic desensitization therapy progress & locus of control, posttreatment behavior change, females, 55:10370
perceptions of own & cotherapists' functioning & patients' verbal & nonverbal behavior in group & family therapy, therapist group leaders, 58:5856
personal approach to long term open-ended psychoanalytic technique in group psychotherapy, 16–21 yr olds, 54:3758
personal questionnaire changes during group psychotherapy, group members, 58:1600
personal reactions to Tavistock approach, study of group processes & therapy, 53:12183
personal views of group psychotherapy, 53:12239
personality & pretreatment expectations, responsiveness to group psychotherapy, patients, 57:10789
personality characteristics, rejectors & retreaters & withdrawers & walkouts & self terminators & finishers of group psychotherapy, 55:7501
personality, popularity in psychotherapy group, neurotic patients, 58:12064
personality structure & phenomenological aspects of heroin use & group treatment, male addicts, 55:10540
personality variables & demographic data & therapists' judgments & attitudes, premature termination in group psychotherapy, male Veterans Administration patients, 53:1629
phenomenological framework, patient & therapist perceptions of therapist's personality style & affective involvement in group therapy settings & sex of therapist, 58:7841
philobacy & ocnophilia concepts of M. Balint, comparison with observations of intrauterine & birth regression techniques, 53:1635
planning & operation & termination & evaluation, experimental crisis group in community mental health center, 53:3841
planning & 1st yr of general residency program, training in group therapies & community work & psychotherapy, psychiatrists, 54:5385
prediction of in-group verbal behavior from characteristic style of interaction, implications for group therapy, 56:4447
preference for formistic vs mechanistic vs organistic vs contextualistic thinking as measured by S. C. Pepper's World Hypothesis Scale, benefits from participating in Alcoholics Anonymous vs group therapy, alcoholics, 56:6568
preparatory method, clarification of expectations of group counseling & therapy, 15–50 yr old Ss, 55:7561
pretherapy treatment consisting of instructions outlining purposes & goals & methods & rules of group counseling, group cohesion & satisfaction with group, counselees, 56:10270

psychoanalysis in groups, 53:12252
psychoanalytic group therapy strategy & tactics for neurotic & Balint & alcoholic & juvenile drug addiction & acute & chronic schizophrenic & training groups, 53:10160
psychoanalytic model, group therapeutic interaction, 53:7941
psychodrama & group psychotherapy in combination, 53:12211
psychodrama group psychotherapy, superego changes & neutralization of aggressive responses, obsessive neurotic patients, 54:5911
psychodynamic concepts & practical aspects, overview of group psychotherapy, book, 54:1670
psychodynamic viewpoint of ideological democracy, group therapy members in therapeutic community, 56:8364
psychologist's personal thoughts on individual & group psychotherapy, 54:10100
psychomotor group therapy, locus of control & social desirability, college students, 57:10796
psychomotor group therapy, perception of self & others, male & female college students, 55:2661
psychopharmacological treatment & inclusion in therapeutic community with vs without group psychotherapy, verbalizations & improvement of mental conditions, hospitalized schizophrenics, 58:9840
psychosocial phenomena & behavior & group thinking & structure & fantasy & corrective experiences & group functioning in institutional settings, group psychotherapy, 53:7970
psychosomatic group therapy, parents of children with intractable asthma, 55:1005
psychotherapeutic group structured to encourage self control, age-appropriate behavior patterns, 9–11 yr old females, 54:3760
psychotherapy & group process, 55:12664
psychotherapy technique using large open family group, description & clinical usefulness, 55:5031
purposes & processes of change in psychoanalytic & Gestalt vs training vs psychodrama groups & indications & counterindications for group treatment, 58:1555
questionnaire development, process analysis of social-skills-oriented group therapy with children, 58:5848
racial attitudes & roles, group therapy & therapists, 53:12181
racial differences in therapeutic situation, "color consciousness" & "colorblindness" in group psychotherapy, 54:3725
"rational group psychoanalysis", efficacy for treatment of homosexuality, 58:7819
rationale & procedures & goals of Adlerian group psychotherapy, 55:2634
rational-emotive theory & group therapy process, 53:12195
rational-emotive therapy in groups, 53:7944
reaction to case materials of male vs female outpatient, sex-related countertransference & bias in psychotherapy, male & female group therapists, 56:6357
reality vs client centered group therapy, adolescent males, 55:10275
reasons & therapies in giving up smoking, 57:3147
reception of negative vs positive feedback, sensitivity to other group members, clinical psychologists & social workers in experimental group, 55:2638
receptive group musicotherapy, theoretical foundations & practical methods, 57:10797
reciprocal phantomatic inductions during maturational phase of psychoanalytic group therapy, analyst & group members, 55:2648
reciprocal sculpturing techniques, ex-addict group leader training, 53:5943
recreational activities & group psychotherapy, chronic schizophrenics, literature review, 56:10254
remotivation technique conducted by hospital attendants, psychiatric patients, 58:3769
research & theory & practice, group process techniques & therapy & psychoanalysis, book, 53:12222
research strategies, evaluations of group psychotherapeutic outcomes, 53:5909
response demand technique, self directed group participation & satisfaction-productivity & tension & time orientation & self perceptions of leveling, hospitalized psychiatric patients, 55:7554
revised psychoanalytic model of group psychology, regression in formation of therapy group, 57:10813
Rogerian client-centered group psychotherapy, theory & technique & process of self experiencing, 57:13260
role conflict & transference & advantages & complexities, combined psychodrama group therapy & individual psychoanalytically-oriented psychotherapy, therapists, 57:3849
role of leader, psychotherapeutic & church community groups, therapists & pastors, 57:8931
same- & mixed-sex subgroups, facilitation of open discussion, married couples in co-therapy group sessions, 57:8671
"sculpting" of human environment in group, facilitation of articulation of feelings about group role, 53:1751
seating patterns of group members & patterns of verbal participation in discussion, family regulation of interaction with nonmembers, multiple family groups, 58:1623
self control training in presence of fattening foods with vs without eating low calorie food at end of session, weight loss & posttreatment weight regained, overweight females, 55:1046
self disclosure in group psychotherapy, psychotherapeutic outcome, chronic schizophrenic patients, 55:7579
self help groups with goals of conduct reorganization & amelioration of tension through mutual support & survival & personal growth, psychological processes, 57:13124
self help vs friendship facilitating vs consciousness-raising therapeutic group intervention, predicted future health & self esteem & attitudes toward women & life style, 32–74 yr old urban widows, 57:1594
self selected peer therapy group, adolescents, 54:1706
self vs peer determined reinforcement in group therapy, alcoholism, male alcoholics, 56:10467
self-disclosure, group psychotherapy, literature review, 53:3714
separate group therapy, marital problems, wife with psychosomatic problems & her husband, 54:12324
setting & composition & management of group therapy, academic failure & behavior problems, pubescent boys with absent fathers, 54:1704
sex & risk taking disposition & structure, prescribed group behavior & group cohesion & evaluative attitudes in simulated early training phase of group therapy, 58:11663
sexual anatomy information alone vs with information on L. Picolo's self stimulation program & consciousness raising issues vs group therapy, preorgasmic & anorgasmic females, 58:5748
sexual therapy group program, sexual dysfunction & conflict, clients at university counseling center, 53:3741
short term group assertion training with token feedback as adjunct to "blocked" ongoing group psychotherapy, male & female clients, 57:10809
short term group psychotherapy, clinical & attitude changes, endogenous depression patients, 57:13238
short term transactional analysis group interaction, behavior change & knowledge of ego states & transactions, behavioral problem 6th grade males, 55:7512
short vs long term hospitalization, affective & cognitive disturbance improvement & treatment patterns, psychiatric patients, 57:11037
short-term & small group intervention strategy, modification of locus of control, highly external adolescent felon population, 54:5774
short-term group psychotherapy, drug abuse & recidivism, adolescent patients & their parents, 54:5985
short-term group therapy, adjustment to visual disability & blindness, 53:1737
short-term group therapy, personality profile & capacity to lose weight, 33–60 yr old obese females with varying MMPI profiles, 53:5932
similarities & differences between classical psychoanalysis & analytical group therapy, 58:3711
similarity in duties of therapists & administrators & nurses & emphasis on group treatment, long-term program of redefining professional roles in psychiatric hospital, 53:8161
skill acquisition training for proposed goal, group therapy in residential environment, drug abusers, 56:10464
social class, type of therapy assigned to & length of stay in group therapy, working class Ss at community mental health clinic, 58:3985
social competence ratings of self & others, group therapy outcomes, alcoholic inpatients, 53:1747
social influence rating system, analysis of group therapy process, inpatient & outpatient groups at state institute, 56:2594

socialization therapy, individual role changes & changes in group patterns of communication & interaction, day care geriatric patients, 54:12189
sociotherapeutic work & interpretation of group dynamics, psychiatric hospital patients, 55:10293
specific outcome criteria for measurement of empathy training & group therapy success, followups over 5-yr period, 55:2652
steps for development of individualized behavior-change goals, clients in individual & group therapy, 56:2582
structure & techniques, psychomotor & intellectual & emotional developmental groups, psychotic & mentally deficient 5–10 yr olds, 57:6285
structured & theme-centered group interaction model, attempt to overcome difficulties in group counseling setting, juvenile probationers & probation officers, 55:7565
structured vs nonstructured group therapy & directive vs nondirective leadership role, anxiety & physiological arousal, chronic schizophrenics, 53:7955
structured- vs traditional-therapy groups, enhancement of ongoing program of individual or milieu treatment in short term acute treatment psychiatric hospital, 58:12062
structured vs unstructured feedback, effective participation in group psychotherapy, short term milieu therapy psychiatric inpatients, 54:3590
structured vs unstructured group therapy, member satisfaction & group processes, hospitalized VA psychiatric patients, 58:7900
structured vs unstructured social skill treatment groups, self-concept, male & female college students, 53:7997
sudden change of therapist because of relocation or accident or illness or death in analytic individual & group psychotherapy, therapeutic processes, 54:10265
suggestions for making meaningful advice acceptable to parents, parental guidance group therapists, 55:5047
supportive groups, widowhood adjustment, 54:5951
survey of theory & research, framework for conducting behavioral group therapy, 54:1669
Symptom Checklist & individualizing repertory grid rating scales, measurement of progress & outcome in group psychotherapy, 19–27 yr old patients with personality disorders, 58:1559
symptom-oriented peer workshop as psychotherapeutic technique, treatment of phobias, 57:3873
Synallactic Collective Image Technique, making group therapy more operational, 54:1709
Synanon "game" verbal attack therapy vs conventional group therapy, interpersonal relationships, male alcoholic patients, 56:8359
synergistic approach, combined family & group therapy, adolescents, 54:1681
systems approach, boundary functions of group leader in group psychotherapy, 55:5041
Tavistock conference vs encounter-tape vs theme-centered approaches to psychotherapy, personality, volunteers, 55:10273
techniques & leader's skills & group composition & rationale, group assertiveness training, 54:3755
teletherapy, enhancement of group discussion through use of videotape feedback, 58:1612
terminal phase of therapy in small group following milieu therapy & psychotherapy & psychoanalysis, female patients with narcissistic personality disorders, 54:10129
territorial placement of thoughts & feelings & behaviors, alcoholics & their spouses in group therapy, 57:13259
thematic group therapy, ambulatory & hospitalized neurotics, 53:12180
theme-centered method, productive group therapist training, paraprofessionals, 53:1278
theme-focused group sessions, negative reactions to illness & hospitalization, pediatric patients, 57:10793
themes & goals & outcomes, short term psychotherapy groups, women on welfare enrolled in job training program, 57:1600
themes of rap sessions, Vietnam veterans, 56:983
theoretical basis, group psychotherapy, 53:12198
theoretical foundations, group psychotherapy, 53:12193
theoretical framework, group psychotherapy, 54:5953
theory & practice, analytical group psychotherapy of P. Hogan, 53:12203
theory of secondary aggressive instinct against individuals & groups, implications for group psychotherapy, 53:9654
theory of technique used in mixed & open psychoanalytic group therapy, 57:3871
therapeutic community & group therapy, acute psychotic patients, 55:10287
therapeutic community & group therapy, alcoholics, 55:10554
therapeutic community & group therapy, chronic psychotic patients, 55:10298
therapeutic community & group therapy, outpatients, 55:10280
therapeutic discussion groups, widows, 54:10218
therapeutic goal seeking & psychological distress & help-seeking motivation & life stress & symptomatology & self-perceived goals for participation, choice of sensitivity training vs human potential groups vs psychotherapy vs women's consciousness-raising groups, growth center participants, 54:8028
therapeutic group as generator of myths, contribution of members & therapist interpretation, 53:7993
therapeutic groups, anxiety ratings, psychiatric inpatients, 53:12248
therapeutic mechanisms, change in group therapy, 55:7569
therapeutic milieu, establishment & expansion of receptive & expressive language skills, psychotic 5–6 yr olds, 57:3883
therapeutic objectives & postgroup evaluation & special techniques, interactional therapeutic groups, 57:13240
therapeutic program based on combination of group therapy & return to fundamental values & nature & spirituality, residential treatment center for emotionally disturbed male adolescents, 56:8366
therapist & probation officer as cotherapists, resolution of therapist-parolee-parole officer triangle difficulties in group psychotherapy, 58:5843
therapist confrontation & confrontation frequency, client self exploration, therapy groups, 57:8672
therapist led group vs leaderless group vs self help group, treatment of chronic depressed female psychiatric patients, 55:7574
therapist personality structure & alternative uses of self, processes in group therapy, 54:5901
therapist styles of individually directed confrontative interventions vs interventions directed toward group as whole, emotionally focused & immediate S responding in early group therapy sessions, 18–28 yr old outpatients, 56:6379
therapist's leadership in psychoanalytically oriented group psychotherapy, 58:5846
therapy-discussion group sessions on fears of dying & attitudes toward dying patients, immediacy in dealing with dying patients, 20–65 yr old female nurses, 56:10275
token exchange process in group psychotherapy, verbal interaction, VA outpatients, 58:5836
token reinforcement group therapy, generalization of verbal conditioning to verbal & nonverbal behavior, chronic psychotic hospitalized female patients, 53:5949
tokens in group therapy, patient-to-patient therapeutic interactions, severely disturbed outpatients, 56:8363
topics for interaction groups, examples of interaction during psychotherapist training & client therapy, 58:3772
transactional analysis concepts applied during group therapy, adjustment to divorce, 2 case reports, 56:4442
transactional analysis group therapy, legally blind, 54:5811
transactional analysis in group therapy, elementary school teachers, 54:6185
transactional analysis therapy classes without charge, large groups, 55:997
transactional analysis training group, decontamination of adult & group creativity practice & guided fantasies & daydreams & regression analysis, scientists & engineers & executives, 54:5921
transactional analysis vs gestalt therapy viewpoints, leading therapy groups, 58:5854
transactional group image therapy, psychiatric patients, 56:8341
transference & culture, Latino therapy group, implications for therapy with minority groups, 57:13264
transference in psychotherapy, schizophrenic patients, 57:13172
treatment mode & number of previous hospitalizations & pretreatment adjustment level & prognostic indices & therapist characteristics, production of psychotherapeutic outcome, schizophrenic outpatients, 57:6261
treatment of married couples in group run by husband & wife, 54:12335
treatment of pre-Oedipal resistances in group setting, 54:8105
triadic supervision in cotherapy relation & in conjunction with group supervision & in terms of group continuity, group therapists, 54:3216
understanding the student–supervisor relationship, training for team work in group analysis, 55:2864
unstructured group interaction & verbalization & expression of feelings, therapeutic treatment program, 6–12 yr old psychotic children, 56:989
use of behavioral techniques in group therapy, social skills acquisition, nonpsychotic outpatients, 57:6297
use of holidays in psychoanalytic group therapy, stimulation of regression & subsequent uncovering of frustration & anger associated with dependency needs, schizophrenic patients, 57:13257
use of videotape in group psychotherapy, 54:8097
use of written summary given to patients & supervisor, clinical supervision & training of group therapists, trainee cotherapists, 55:5335
utility & validity, psychodrama & other group methods emphasizing body expression or nonverbal communication, 57:6228
variations in treatment approaches in group psychotherapy, children in child guidance clinic, 55:2640
verbal communication level, experienced & physiological anxiety, psychotherapeutic groups, 53:3757
video camera use in group psychotherapy, 54:10215
videotape & peer-group process support, antisocial attitude change, delinquent adolescents, 53:3753
videotape feedback, group assertive training, nonassertive college students, 53:3728
videotape for teaching, demonstration of characteristic group behaviors of alcoholics, use for training group psychotherapists, 54:1221
videotape recording in group therapy, self concepts, children with learning disabilities, 55:2614
videotape replay vs verbal feedback, behavioral change in group psychotherapy, schizophrenics, 55:7564
volunteer adolescent peers as models in group therapy, verbalization & attendance & self concept & behavior, patients diagnosed as having borderline psychosis & anxiety neurosis & conduct disorder & hysterical neurosis & transient situational reaction, 57:13230
volunteers as group leaders in long term hospital treatment program, Case Aid Unit, 54:3933
walk-in clinic for followup care, treatment & staffing characteristics, lower class chronic psychiatric patients, 58:7998
warm vs hostile vs flight climate, self reported change in traditional & marathon & contract counseling groups, college students, 58:12073
weekly group process as teaching & therapeutic modality for nursing & social service staff, liaison consultation psychiatry in nonpsychiatric division of general hospital, 57:11038
well-defined parameters, group psychotherapy program, 54:5897
written summary of events of group therapy as psychotherapeutic technique, 54:5986

Group Size

activity & size & member similarity of experimental social entities, pedestrian speed & distance & looking behavior, passersby, 57:12747
apparent guilt of defendant, jury size effects on verdicts following deliberation, college students, 56:598
apparent guilt of defendent, effect of jury size on verdicts following deliberation, college students, 57:3283
audience size & status & age, multiplicative power function of loudness & brightness matches of anticipated stage fright, college students, 58:3296
bedroom & group size & density, bedroom use & behavior patterns, child psychiatric facility patients, 55:1174
biracial groups of varying size & composition, attitudes & behavior in supervision, Black vs White leaders, 58:9465
class size, peer interaction & children's on-task behavior & attention requests & aggression & teacher's positive & negative & classroom management behaviors & perception of self & children in play & structured settings, preschoolers & teachers, 58:8337
coalition formation in tetrads, critical test of 4 theories, 58:1120
composition of group based on Achievement via Conformance & via Independence personality scale scores, maximizing satisfaction & effectiveness in small academic groups, college students, 58:12689
crowd size & competition, aggression during ice hockey game, 57:3211
crowd size & initial discrepancy from unanimity, contagion in crowds, male high school students, 56:7942
crowding & density effects on group size & personal space, social psychological perspectives, 54:7465
density & group membership, deindividuation, 56:7904
diffusion of responsibility & restaurant tipping behavior, criticism of study by S. Freeman et al, 57:1155
diffusion of responsibility & size of bill & number of people eating together, restaurant tipping, evening diners, 56:4031
direction of leadership influence & jury group size, decision outcomes, college students, 56:6030
dominance differentiation & level of cognitive flexibility & verbal output, interpersonal basis of consensus on emergent leadership, small discussion groups, 57:3198
field dependence & sex & group size & composition, word productivity & recall in chain-association task performed alone or in groups & social facilitation, 6th graders, 57:8198
generalized analysis of variance computer program, repeated measures designs with unequal group size, 53:10678
group & room size & interpersonal proximity, task performance, college students, implications for educational settings, 56:7876
group composition & size & communication possibilities, exponential models of helping behavior, literature review, 53:1061
group counseling varying size of group, academic achievement & attendance & study habits & attitudes & conduct, junior high school students in academic difficulty, 58:10588
group size & ability level, solving multidimensional complementarity task, 4th & 5th graders, 57:12743
group size & area per bird, agonistic activity,chickens, 56:5423
group size & camp environment, variance in group conformity scores, 9–16 yr olds, application of new experimental procedure, 54:9560
group size & communication patterns & sex, speech quantity, 4-yr-olds, 53:2993
group size & cooperation, college students, 55:4503
group size & leadership, group & subsequent individual performance, 55:4507
group size & lecture vs structured vs unstructured discussion, drug usage attitudes, US Army basic trainees, 54:12546
group size & member ability, social decision schemes on intellective task, college students, 54:1002
group size & neuroticism-stability & introversion-extraversion, quantitative aspects of conversation in group context, 57:1230
group size & odd-even effect, group decision making task performance & group satisfaction, 57:5808
group size & population density, probability of joining & leaving free forming groups, Ss in conversation lounge, 57:3185
group size & privacy, residential crowding, college students, 53:1038
group size & proximity under cooperative & competitive condition, group performance, college students, 56:6011
group size & room size & density, feelings & interpersonal perceptions & task performance, male vs female groups, 57:5827
group size & social influence, conformity, college students, 56:6060
group size & stability & behavior & authority & leadership & effect on individual's relation to organization, transition from school to work, 54:8329
group size & stimulus ambiguity, conformity, female college students, 55:7085
group size & task competitiveness, cooperation, males, 55:9727
group size & unanimous vs quorum decision rules, process & product of jury decision making, college students & adult jurors, 58:7385
group size, communication rates in problem solving utilizing face-to-face discussion vs teletype vs televoice conference modes, college students, 58:11660
group size, cooperative behavior in Prisoner's Dilemma game, college students, 58:3288
group size, fluency & flexibility & originality in brainstorming groups, college students, 58:5336
group size, member dissatisfaction & group radicalism, 54:2980
group size, performance on motor performance employment tests, state employment agency applicants, implications for social facilitation theory, 55:11092
groups of individuals & pairs & trios, cognitive & psychomotor achievement in electronics laboratory stations, college students, 55:1455
informal group size in public settings, 53:12582
Initial Fraction Sequence in small group instruction, learning of initial concept & oral/written symbols for fractional numbers, 3rd & 4th graders, 58:4262
instructional group size & student engagement in learning & teacher strategies interrelationships, 3rd & 4th grade teachers & students in low income schools, 55:5632
intelligence & field dependence & verbal participation & personal autonomy & ordinal position, leadership characteristics in task-oriented small groups, 58:9481
intensity of social interaction & number of others present, core body temperature, college students, 56:3602
interactions between & number of participants, emotional arousal as measured by speech behavior, participants in psychosocial training groups, 57:10835
juries of 6 vs 12 members & weighting of evidence, 1st ballot acquittals vs convictions vs hung juries, college students, 56:2250
large vs small group administration, scores on self concept & attitude & locus of control scales, 7th vs 9th graders, 56:4967
leader's Least Preferred Coworker score & favorability for leadership of group work situation, productivity of small interacting task groups & predictive validity of Fiedler contingency model in octants 2 & 4, 57:4518
leadership styles & sizes of life planning workshops, locus of control scale scores & participant satisfaction, student volunteers, 58:10604
majority opinion in small groups, conforming & innovative responses of isolated individuals, female students, 58:5324
manning levels, group involvement & subjective experiences relating to group size & crowding & performance & verbal interaction in groups, male college students, 58:1124
marihuana, hostile feelings & verbal hostility in small group setting before & after introduction of frustration stimulus, 21–30 yr old males, 57:5386
number of decision makers & amount of information concerning colleague's results & kind of permissible communication, reliability of different redundant organizational systems, college students, 57:7063
observation of group development & type of group process, member change, encounter group members, 58:9920
orientation mode of passive group management & group leader or consultant interpretations, 57:3872
origins & therapeutic use & content & composition & types of small impromptu groups in therapeutic community, 55:2632
perceived attitude similarity to victim & environment familiarity & bystander group size, speed & mode of bystander helping in emergency, male vs female college students, 56:7988
percentage of Ss who signed & number of previous signatures & forcefulness of solicitor's approach & sex, petition signing, 21–50 yr olds, 57:8258
personal interactions & setting, subjective drug responses to secobarbital & meprobamate in small groups, medical students, 55:6633
predictive power of 3 linear & 2 noncompensatory models in small groups, impression formation in triads, college students, 54:7521
presence of aggressive juror, assignment of guilty verdict, high school students on 6- vs 12-member juries, 57:5714
present affective state & birth order & family size & number of friends present, affective reactions to group size & density, male vs female college students, 56:3985
probability theory, number of ways in which any size group divides into subgroups of different sizes, 58:3297
responsibility & group size, aggression or altruism toward target S, 53:11589
responsibility diffusion vs equity explanation of restaurant tipping behavior, criticism of study by S. Freeman et al, 57:1180
sex differences & group size, helping behavior, 3 US cities, 54:11671
sex, interpersonal gaze, college student triads, implications for group size influence, 58:9491
sexual composition & density of group & group size, group cohesiveness, male & female college students, 54:7471
sexual composition of groups, amount & content of members' verbal input & perceived leadership status, college students in small groups, 57:10271
size & spatial arrangements, group decision-making & member satisfaction & consensus & leadership emergence, literature review, implications for administration, 53:6360
size of group of others in hallway, distance maintained by pedestrian as measure of social space boundaries, college students, 56:4050
small group research, summary of trends & findings, book, 57:5791
small group vs traditional training, community participation in health planning agency decision-making, 55:9712
stage of social relationship & topical intimacy & situational & group composition considerations, interpersonal exchange, 53:5155
temporal vs numerical judgment contexts laboratory vs field setting magnitude & proportionality of solutions to coordination problems, college students, 56:9872

work group size, leadership maintenance & performance functions, industrial organization groups, 58:1102
work unit size & role clarity & consideration & stress, relationships between leader behavior & subordinate satisfaction & job performance, Black counselors & people-helping workers, 57:7071

Group Structure

achieved vs appointed leader role attainment & sex composition of group, sex role patterns in leadership & group behavior, male vs female college students, 57:5788
age & sex, small group role structure & problem solving performance, 27–72 yr olds, 58:11671
all male vs all female vs mixed groups, leadership & exercise of power & intimacy & openness as measures of interaction patterns, group members, implications for sex role pressures, 57:12738
anticipated social vs spatial density & expected social structure & sex, spatial position taken in room & withdrawal vs aggressive behavior & discomfort & initiated conversations, college students, 57:10248
arousal level & friendship ties, physical & verbal aggression expressed by small groups, 57:1189
aspects of position within group, leader's use of influence, male college students, 54:11675
assignment to heterogeneous vs unspecified group, statement of minimal goals, gifted 6th graders, 57:4380
attitude toward female leadership & group sex composition & task, female leadership in small problem solving groups, male & female college students, 54:11691
balance theory, test of T. Newcomb's modification, college students, 58:9441
bias toward structural balance in interpersonal relations, demand characteristics in experimental setup, French & black African students, 55:12221
biracial groups of varying size & composition, attitudes & behavior in supervision, Black vs White leaders, 58:9465
clarity of task role & performance expectations of leaders, leader control over group, 55:12224
composition of group based on Achievement via Conformance & via Independence personality scale scores, maximizing satisfaction & effectiveness in small academic groups, college students, 58:12689
compromise vs consensus decisions, resolution of disagreement in group problem solving, college students, 55:9746
configurations of self & trans-self of group members, individual interactions in structure & function of group processes, 55:2316
congruency of behavior to assigned leader role & group structure, effectiveness of group problem solving, college students, 57:10267
congruent vs incongruent social structures, group performance, college students with high vs low safety & self esteem, 55:12229
consensus of team members on technological domains, work alienation, Work Incentive Program operatives, 55:13710
control of group boundaries in classrooms, elementary school teachers, 55:5615
differential group composition, group counseling, 2nd–3rd grade males with behavior problems, 56:2595
discussion & negotiation, social progression & polarization, groups of male mining supervisors, 55:7096
discussion groups consisting of lone male vs female & 3 members of opposite sex holding opposing views, postdiscussion changes in attitudes of "isolated" S & success in changing attitudes of other group members, college students, 58:1192
educational science of cognitive style, prediction of group leadership within orientation program, college students, 55:5730
ego perception & social intimacy of closest friendships & friendship group structural characteristics, male & female Black college students, 57:10265
environmental information load & specificity & decision unit group structure, felt tension in simulated military conflict, ROTC students & US Air Force Academy cadets, 56:10815
fear of success level & success feedback, responsibility denial & memory performance & anxiety in same- vs opposite-sex competition, male vs female high school students, 58:7486
feedback conditions, task uncertainty & group process & emergent group structure, males, 58:5325
field dependence & participation in high vs low structured human potential workshop, personal & interpersonal socioemotional responses during workshop, college students, 58:7920
friendship groups in collective behavior, persons celebrating football victory, 58:9466
group autonomy & cohesiveness, expectations & perceptions of principal's role performance as communicator, high school teachers, 58:4209
group composition & communication variables, group problem solving & satisfaction, 57:10272
group composition & leadership orientation, decisional outcome in open-ended problem solving task, college students, 57:12742
group composition & peer modeling, systematic human relations training, college students, 55:7589
group composition based on Jungian personality typology, task performance, small groups of community college students, 58:9492
group composition, confrontation & identification & internalization, 54:5216
group composition in psychotherapeutic & growth oriented groups, literature review, 58:3775
group composition including experts & nonexperts in field of work & minority & nonminority ethnic group members, influence among members of interview panel, candidate evaluation panels, 57:7035
group composition, individual decision making, college students, 53:9473
group dynamics & structure & therapist countertransference & identification of star & opposition subgroups, 4-yr observation of open therapy group, 20–40 yr old patients, 53:10177
group experience led by social worker & nurse, structure & leadership & content patterns, pregnant adolescents, 58:3755
group hetero- vs homogeneity based on Jungian personality typology, group cohesiveness & disagreement & friendliness & solidarity & spread of participation during problem solving, college students, 56:7903
group heterogeneity, leadership effectiveness, public school interdisciplinary task groups, evaluation of F. Fiedler's contingency model, 58:10242
group homogeneity & cooperation & competition & length of group association, positiveness of in- vs out-group judgments & like/dislike for group & cohesion, college students, 58:7463
group homogeneity of IQ & individual solutions &/vs group discussion as problem solving strategy, group interaction & mathematical problem solving performance, 5th graders, 58:10435
group homogeneity vs heterogeneity & cooperative vs competitive group attitudes, allocation of duties to 4-member group representative, males, 58:7464
group identity & development in intergroup relations, group relations conferences with identical structure, 55:7073
group lifestyles, creation of group structures in dealing with conflict & decision making, college students, 58:9476
group status consensus & cohesion, basketball team success, 53:1068
group structure & importance of norms & situational thresholds to evangelistic contact, attitude-related commitment to evangelize, members of evangelistic campus religious group, 58:7418
group structure & members' motivation, group productivity, male college students, 55:9756
group structure & model type & order of presentation, consistency of strategies used to investigate concrete materials characterized by algebraic concepts, 4th graders, 55:13118
group structure & task performance, group members' perceptions of leadership functions, female college students, 54:11718
group structure & tasks & risk taking disposition & sex, group behaviors & attitudes & cohesion, college students, 58:11662
group structure based on abstractness level & interpersonal perception ability, group performance of factual & social problem solving tasks, 58:9474
group structures & sociometric methods, book, 57:12720
group success vs failure & payoff distribution & other member support of leader & leader vulnerability & attributed competence & fairness, leader endorsement, male college students, 53:11586
groups of strangers vs friends & perceived risk & economic vs sociopsychological risks, individual choice shifts in consumer-related buying situations, female college students, 57:7099
high ability vs attitudinally similar groups, group performance & cohesion, college students, 3-mo longitudinal study, 57:12757
higher order stability conditions, mathematical models of sociometric or cognitive structure, 56:9831
homogeneous composition & orientation, development of cohesion in growth groups, graduate students, implications for group psychotherapy, 58:5862
hostile or friendly group characterization & group structure, group perception under stress/nonstress conditions, physical education students, 57:10235
human relations training with concrete goal & systematic vs unsystematic training, communication skills, groups of graduate students, 55:5063
individual law of effect developed by E. Thorndike & B. F. Skinner & R. Herrnstein, generalization to multi-organism interaction, 57:5767
inertia of social perception & status of information given effective leadership & group structure, 17–18 yr olds & industrial workers, 55:12254
information heterogeneity & representational role obligations & group composition, group member behavior & perceptions, college students, 58:1105
information load & specificity & group structure, task satisfaction & felt tension & assessment of group members' influence in simulation games, ROTC & US Air Force cadets, 58:1062
innovative laboratory for experiments on small group dynamics & communication & structure, 54:2975
instrument construction & content & construct validity, group self concept schedule & parallel self report, 4th–6th graders, 58:10590
inter- vs intragroup competition vs cooperation & task means-interdependence, team performance & analysis of motives produced by group's reward structure, male college students, 58:3293
knowledge of results & sex composition of group, small group effectiveness on administrative task, 53:9492
leaderless groups in an organization development maintenance program, attitudes & process, staff members of a model cities agency, 55:4531
leader's sex & sex composition of triad & achievement vs appointment of leader role, leadership performance, 58:7437
led programed vs nonprogramed encounter groups, personal growth & self actualization, graduate & college students, 55:12679
locus of control, marathon or group therapy structure & outcome, group members, replication of P. R. Kilmann & R. J. Howell's 1974 study, 54:8092
natural groups & length of existence & confederate's status in group judgment situations, consensual agreement time & norm formation & influence of member's status & ideal group choices, college women, 57:5805
observation of group development & type of group process, member change, encounter group members, 58:9920
observational & sociometric study, dominance formation & maintenance, 13 yr old male camp participants, 58:908
organization of congresses & conventions with more scientific & personal value, 53:7274
peer group structure & interaction, developmental goals of adolescence, 55:4322
peer vs White prisoner vs White middle class majority group conditions, conformity, Black addict inmate Ss, implications for treatment of drug addiction, 58:7689
perceived personality impressions in acceptance & rejection classroom interaction patterns, 6th graders, 56:4865
perspective taking vs self presentation & heterogeneous vs homogeneous group composition, group problem solving, 58:1090
physical distance between group members, self disclosure, male & females, 57:3191
presence of coactor working on same vs different task & high vs low evaluative conditions, group task performance, college students, 58:9493
projection: projective identification as interpersonal concepts, behavior of unstructured large groups, 55:2646
psychotherapeutic group structured to encourage self control, age-appropriate behavior patterns, 9–11 yr old females, 54:3760
quantity & type of interaction, multidisciplinary & single-discipline groups of college students in community mental health course, 54:5376
race, individual & group decision making, male adolescents, 56:650
racial group composition, racial-aggressive humor appreciation, Black & White male college students, test of reference group theory, 58:3307
requirement to use balance rule, classification of descriptions of triadic social situations, test of F. Heider's structural balance principle, 55:2342
S sex & group sex composition, selected process & outcome variables in counseling groups, 58:2271
self concept, social groupings, stable vs middle vacillating vs unstable groups of American Indians, 58:9354
sense of existential security, group growth, 58:9479
sequence of structured experiences introduced by leader, development & effectiveness of time-limited sensitivity groups, college students, 55:12669
sex & risk taking disposition & structure, prescribed group behavior & group cohesion & evaluative attitudes in simulated early training phase of group therapy, 58:11663
sex composition of group & intensive weekend group experience, sex role perceptions, female volunteers for group experiences, 58:5863
sex composition of group, self disclosure, high school females, 55:12217
sex composition of group, sex role awareness & self presentation & sex related responses, review of studies, 57:5807
sex, dominance & assertion in same-sex & mixed-sex discussion groups, 5th vs 9th graders, 58:5193
sex structure of consciousness raising workshop & theme-centered interactional method of group-leading, self concept & liking-respect for others, 58:7904
shared information & participation, process & outcome of group decision making, engineering students, 55:731
shared organizational goals & polarization of social groups in multiethnic senior center, 57:3041
similarity-attraction model, prediction of sociometric choice from perceived group structure, members of reserve officers' training corps unit, 56:4024
situational & relational aspects, interpersonal communication, female adults, 56:2322
size & spatial arrangements, group decision-making & member satisfaction & consensus & leadership emergence, literature review, implications for administration, 53:6360
social organization of sport, reactions to failure in professional baseball & football, 57:3017
socioanalysis, group psychodynamics of sports team, 58:5338
sociometric analysis of grooming & play & associative contact, group structure, captive monkeys, 54:4952
sociometric based on rank-ordered data from all group members to represent communication & structure of interaction between any 2 members, Catij technique, 53:11582
sociometry, application in intervention & measurement of group structure & status, 56:4000
structure of social situation & S's sex & time duration of situation & inclusion of perceiver, reconstruction of balanced & unbalanced social situations & pleasantness rating of reconstructions, college students, 58:7426
structured group psychological education program, emotional awareness & self concept, disadvantaged black 4–5 yr olds, 55:5068
structured vs nonstructured human relations training, perceptions of group experience, male & female graduate students, 53:5174
structured vs nonstructured small group experience, self concept & interpersonal orientation & perceptions of group experience & attitudes toward trainers, graduate students in counselor education, 55:12891
structured vs unstructured groups, accuracy of person perception, high- vs low-affiliative group members, 55:4543
subgroup sexual composition, social behavior, squirrel monkeys, 55:6351
task interruption & cooperative vs competitive vs individualistic relationship of S to task executor & resumption of task & ego-involving instructions, promotive tension using recall of uncompleted items, test of socially mediated Zeigarnik effects, 57:8206
team organization, detection of critical signals task, male college students performing as individuals vs 2-man teams, 54:11035
test anxiety & instructions & grouping, concept attainment task performance, behaviorally disordered boys in special school, 58:10571
T-group composition using personality criterion & related considerations, validation of outcome of human relations training, college students, 55:7605
training in orientation behavior, quality of product of small leaderless group, library science students, 56:6646
type of family life practiced & degree of transiency, freedom to choose work in alternate life style, communes representing wide variety of philosophies, 55:12087
unstructured/semistructured vs structured experimental learning groups, psychological disturbance of learning process, management trainees, 56:6913
vertical & horizontal social schema use, learning of small vertical social group, 56:9822
violence & goals & bureaucratic structure, social movement success, 53:2943
weekend workshop for personal development of women using female vs mixed-sex group, group process & outcome, females, 58:9909

Group Testing

ability-labeling by teachers & self & individual vs group testing situation, psychomotor & academic task performances, 6th graders, 56:2935
computerized vs group booklet modes of Minnesota Multiphasic Personality Inventory administration, equivalent validity & state anxiety levels, female college students, 53:60
cultural backgrounds, option-choice in group mental ability test, 5th graders, 55:13578
development & reliability & validity, group motion picture test of perceptual abilities, 4th–6th graders in urban & farming areas, 56:9002
development & validation of verbal group test of scholastic aptitude, 6th–10th graders, Bangladesh, 58:8404
distribution of item difficulties & reliability, cassette-recorded group test of rhythm, 7–12 yr olds, 56:7055
examiner anxiety level & S's test anxiety level & examiner-S sex interaction, performance in group test-taking situation, 4th–6th graders, 55:13603
experimental situation & E's sex & sex role attitude, responses to fear of success measure, human females, 58:108
fakability of responses on Group Personality Projective Test, 7th & 10th graders & college students, 58:193
group administration of L. Duss's "Method of Fables" test, utility as screening device for affective disturbances, 8–21 yr old females, 58:8666
group aptitude & educational achievement tests, identification of high ability intellectually precocious youth, 56:1515
Group Embedded Figures Test performance, prediction of cognitive impairment, male alcoholics, 58:5561
group method, influence of reinforcement value on recognition of designs & abstract paintings, 1st–6th graders, 57:973
group Rorschach approach, exploration of family dynamics & facilitation of family diagnosis & therapy, 55:993
group size, performance on motor performance employment tests, state employment agency applicants, implications for social facilitation theory, 55:11092
group testing system, evaluation of listening comprehension of spoken American English, children, American Samoa, 56:6863
group vs independent use of & construct validity of Self Directed Search, career development, high school students, 55:3291
group vs individual administration, size of human figure drawing, high vs low self esteem college students, 57:3390
group vs individual test administration & need achievement, manual dexterity aptitude test performance, male potential dropouts vs regular high school students, 56:3043
group vs individually administered screening battery vs Metropolitan Readiness Test vs Student Behavior Inventory, differential predictive validity of high risk for academic failure, 1st graders, 58:4445
Gruen Korte Stephens Internal-External Scale, black vs white vs Spanish moderately disadvantaged 2nd vs 4th vs 6th graders, 53:2142
Hensen-Moore Test of Visual Processing Skills, effectiveness for classroom group screening, 1st–9th graders, 55:1589
identification with & rebellion against & humanization of authority figures, ego identity status as measured by group administered incomplete statements blank, late adolescent college students, 55:9832
inclusion of pictorial items to compensate for developmental differences, standardization of AH 2 & AH 3 group tests of reasoning, male vs female school age children, 53:10712
individual vs group presentation, scores on 5 Piagetian-type tasks, 6th vs 8th vs 10th vs 12th graders, 55:11864
instrument construction & content & construct validity, group self concept schedule & parallel self report, 4th–6th graders, 58:10590
IQ, performance on group or individual Bender Visual Motor Gestalt Test & subsequent performance on alternate administration of same test, kindergartners, 55:8348
large vs small group administration, scores on self concept & attitude & locus of control scales, 7th vs 9th graders, 56:4967
need achievement & individual vs group testing & test anxiety, manual dexterity test performance, male high school potential vs nonpotential dropouts, 56:9053

new individual & group versions, Stroop Color Word Test, high school & college students, 54:11792
normative data from Group Embedded Figures Test performance, college students, 58:3401
observational learning, group test scores, 2nd grade suburban students, 56:10768
Pearson correlations of Quick Test raw scores with IQs, individual & group forms of Quick Test, college students, 55:48
predictive validity & reliability, large group administration of Bender Gestalt Test, 5–9 yr olds, 55:3275
prerecorded cassette tapes & tactual answer board for group testing of blind, blindfolded sighted college students, 53:10506
questionnaire quality & test score data variations & group test administration errors, personality & interest & ability measures, salesmen, 54:2045
race & sex of E, anxiety & performance in group test-taking situation, black 5th & 6th graders, 56:4984
race & sex of examiner & S's anxiety, achievement performance in group test-taking situation, male vs female white 4th–6th graders, 55:13270
rating scale development & procedures & tentative norms & reliability for group screening, Magid Inventory of Children's Attitudes Toward Speech Therapy, 3rd–6th graders, 56:1654
reliability, group administration procedure for Bender Visual Motor Gestalt Test, 7–10 yr olds, 55:8660
stratified adaptive computerized testing model, ability measurement for groups, college students, 55:11054
summarization methodology for group administered standardized test scores, facilitation of program & curricular decisions, 58:6133
teachers' attitudes toward use of standardized group testing, pupils' academic achievement gains, 3rd–6th grade teachers & students, 58:10189
test administrator's attitudes toward test & group size of test-takers & use of monitors, self-scoring accuracy & satisfaction with results on Self-Directed Search, college freshmen, 53:6452
test forms varying in response format, constancy of variances & covariances & group mean scores, 3rd–6th graders, 58:8642
test-retest reliability & concurrent & predictive validity, Watson-Rompella Group Developmental Learning Abilities Test, kindergartners, 55:3310
validity for minority & nonminority children, Reading & Language Arts & Arithmetic subtests of Science Research Associates Achievement Series Multilevel Edition, 4th graders, 55:11322
validity, group administration procedure for the Minnesota Percepto-Diagnostic Test, 7–11 yr olds, 54:1985
validity of group administration Revised Visual Retention Test, 1st–3rd graders, 57:4739
visual stimuli in individual & group testing situation, judgment congruence & accuracy in estimations, acute schizophrenics & neurotics, 57:1334

Group Therapy [See Group Psychotherapy]

Groups (Ethnic) [See Ethnic Groups]

Groups (Organizations) [See Organizations]

Groups (Social) [See Social Groups]

Groups (Statistics) [See Population (Statistics)]

GSR (Electrophysiology) [See Galvanic Skin Response]

Guanethidine
adrenaline & guanethidine & tyramine, 2-way avoidance conditioning & pseudoconditioned shuttle responses, male rats, 54:9164
antihypertensive agents, systolic pressure, stress-induced hypertensive rats, 54:7040
bethanidine & guanethidine & methyldopa in antihypertensive drug therapy, depressive reactions, hypertension patients, 54:3712
chronic intracranial injection of low & high doses of guanethidine, catecholamine-containing neurons, male rats, 54:4799
guanethidine & 6-hydroxydopamine, locomotor activity & tyrosine hydroxylase brain activity & enzyme levels, newborn rats, 55:4143
guanethidine &/vs hydrochlorothiazide in long term treatment, side effects & blood pressure, essential hypertensive patients, 54:8051
guanethidine vs methyldopa, 30–65 yr olds with essential hypertension, 54:1578
intracranial injection, diffusion of 6-hydroxydopamine vs guanethidine, male rats, 54:4798
intracranial injections of 6-hydroxydopamine vs guanethidine, consummatory behavior & temperature regulation & monoamine level & damage to neurons, rats, 55:2108

Guessing
academic ability & test anxiety, performance on achievement examinations employing penalty for guessing factor in scoring, college students, 58:8442
context before vs after vs around missing words, probability of correctly guessing missing word, college students, 57:358
cumulative context & guessing methods, transition probability estimates derived from same speech materials, college students, 56:7563
degree of rule constraint in arrangement of atoms comprising stimulus items, linear effect in J. D. Bransford & J. J. Franks' paradigm, college students, comparison of integration vs guessing strategy explanation, 58:8773
differential rehearsal & selective guessing, directed forgetting using paired associate probe procedure, college students, 56:7216
guesses & strategies in identification of environmentally familiar pictorial stimuli, 6 vs 12 vs 18 yr olds, 55:6743
high vs low vs mixed repetition structure lists, recall of list items, college students, test of guessing strategy interpretation of Ranschburg effect, 58:6861
mathematical equation, relationship between subjective information content in written text & number of errors committed by learner when predicting content, graduate students, significance for evaluation of instructional effectiveness, 56:7570
nonguessing situation, retrieval of categorized items, 54:364
norm- vs criterion-referenced testing conditions, achievement & guessing & risk taking behavior, college students, 58:8409
over- vs underrewarding instructions, inhibiting blind guessing, 17–18 yr olds, 58:4464
perceptual expectancy & internal feature redundancy & familiarity & guessing & biases, recognition & perceptibility of face & scrambled face & single-feature stimuli, college students, evidence for perceptual Gestalt, 57:176
recall vs ESP guesses of word pairs, high school students, 53:8642
regression of number of items known on number of items right, Bayesian statistics formula score for correction-for-guessing processes, 53:8627
retroactive inhibition in multiple choice procedure, unlearning, college students, 54:385
sex & culture & amount of reading material in each item, guessing on multiple choice tests, 10 & 14 yr olds, 54:10632
sex & diversity vs restriction & single vs continuous guess vs clozed words, transition probability estimation in speech, college students, 53:1154
signal detection theory, alternatives to conventional correction of guessing, 58:2509
subjective confidence in accuracy of response &items with consensually correct vs incorrect response, translation accuracy on word-matching phonetic symbolism task, English-speaking college students, 56:3384
systematic construction of ability-test distractors for cross cultural comparisons, guessing behavior on multiple choice test, Israeli college students with parents of North African vs Eastern European origin, 56:2213
time stress & stimulus-response set size, detection of involvement with suppressed information through use of forced number-guessing technique, Hebrew college students, 56:9051
type & frequency of specific determiners, differential formation of response sets on multiple choice tests in high & low scoring groups, college students, 55:8622
worst wrong answer scoring, identification of high & low guessing tendencies on multiple choice tests, Ss applying for state licensure as architects, 55:11274

Guidance (Educational) [See Educational Counseling]

Guidance (Occupational) [See Occupational Guidance]

Guilford Zimmerman Temperament Surv
correlations between Guilford-Zimmerman Temperament Survey raw scores & supervisor & peer rankings of competency, male & female counselors, 53:5381
empirical keying approach, academic prediction with Guilford-Zimmerman Temperament Survey, college students, 58:12748
factor analysis of EPPS & Guilford-Zimmerman Temperament Survey responses, education trainees vs business administration majors, 56:6836
invariance across sex, factors derived from Eysenck Personality Inventory & 16PF & Guilford-Zimmerman Temperament Survey, teacher training students, partial replication of H. J. Eysenck & S. B. Eysenck's study, 57:1277
test validity, Guilford-Zimmerman Temperament Survey & Kuder Occupational Interest Survey, Mexican-American college students, implications for employment testing, 53:12680
validity & reliability, Iranian adaptation of Guilford-Zimmerman Temperament Survey for military use, air force cadets & trainees, Iran, 58:6715

Guilt
achievement vs interpersonal morality responses to open-ended questions concerning pride vs shame, college students,1969vs1975,58:5203
active participation in surveillance & overtness of act, active vs inactive S ratings of nervousness & guilt & thrill arousal & impressions of target, male college students, 58:1063
adversary & nonadversary procedures & prior belief about guilt & favorableness of judgment, perceptions of adjudication, male college students, 54:3047
aftereffects of guilt & reduced self-esteem following agreement to participate in burglary, discussion of methodological requirements & ethical issues in study by S. G. West et al, 54:7500
age regression under hypnosis, therapeutic resistance & resolution by clarification under abreaction, 2 adult females, 57:10982
aggressive vs nonaggressive response reinforcement, aggressiveness conditionability, male college students with high vs low aggression–guilt, 53:1093
anxiety & loneliness & affection & guilt & punishment & frustration, drug abusers, 55:695
apparent guilt of defendant, jury size effects on verdicts following deliberation, college students, 56:598
apparent guilt of defendent, effect of jury size on verdicts following deliberation, college students, 57:3283
apparent guilt vs innocence of defendant & juror's prior attitudes, severity of punishment, college students, 57:5829
approachability of female Es & stimulus relevance & guilt, sexual responses to thematic apperception stimuli, high- vs low-guilt male college students, 54:5316
approval vs disapproval, viewing erotic magazine, low- vs high-guilt Ss, 53:11554
arousal & sex guilt, judgment of sex-relevant humor, males & females, 55:9662
bereavement reactions, survivors of peacetime disasters resulting in mass death, 58:3366
child as guilty witness, A. Miller's "I Don't Need You Anymore", 53:3077
cognitive coping instructions, reduction of state guilt following sexual film stimulation, high sex guilt female college students, 58:9945
complex & sense of guilt & fundamental concepts of relevant therapeutics, 57:1263
confession, altruism measured by amount of donations, adults, 55:750
consistencies among accounts of experience of shame feeling states, shame-prone female graduate nursing students, 58:1228
damage & adult vs child transgressor & videotape vs verbal presentation & cognitive conflict, moral judgments, kindergartners, 55:6849
decline of sense of shame, social cohesion & regression of ego functions, case reports of 2 patients from different generations, 58:5356
defendant's impoverished vs comfortable background & remorse, sentencing judgments before vs after group discussion, college students, 56:7974
defendant's physical attractiveness & level of repentance, magnitude of sentence, simulated jury, 54:3018
defense mechanism preferences, high vs low hostility-guilt male vs female college students, 57:8321
definition & genesis & development of guilt feelings, formation of integrated feelings & normal personality structure, 57:12823
delivery of reward vs punishment at specified magnitude, consistency of subsequent free choice of reward vs punishment magnitude, college students, test of consistency vs guilt formulation of transgression-compliance effect, 57:10310
dependency & cognition & loyalty–guilt transactional binding modes, psychoanalytic approach to family theory of schizophrenia, 54:12007
dependency & self evaluation & response to success & failure, characterological dimensions associated with depression, college students, 56:714
development of measure of negative attitudes toward masturbation, sex guilt & masturbation frequency prediction, college students, 54:7350
dipropyltryptamine-assisted counseling, emotional distress & guilt feelings & fear of death & peak experiences, terminal cancer patients & their families, 58:3701
dispositional guilt vs affective guilt states, female college students, implications for use of Perceived Guilt Index, 58:7577
dual behavioristic model, learning & treatment of obsessive compulsive neurosis, 20 yr old female & 12 yr old male, 54:7805
dynamic model of guilt within theological framework, therapeutic approaches to guilt reduction, 54:3612
embedded figures performance & relative proneness to shame & guilt, college students, 58:9604
equity vs positive inequity situation involving monetary reward distributions, expressed guilt & happiness & liking for allocator under paper-&-pencil vs bogus pipeline conditions, female college students, 57:12787
erotic visual stimulation, heart rate & galvanic skin responses, high vs low sex-guilt college females, 53:1019
evaluation by polygraph, detection of deception by field techniques, "guilty" vs "innocent" Ss, 54:6844
factor analysis, repeated state hostility & guilt measures, female high school students, 56:3257
field dependence & sex & stressful group situation, use of defense mechanisms & expression of guilt & hostility & shame & neuroticism level, adults in Tavistock workshop, 58:7923
forms of pathological grief & general principles for management, illustrative case history, 56:2474
frustration of oral dependency needs, emotional problems from childhood, unconscious guilt manifested in schizophrenia, 54:12001
frustration of oral needs & resulting anger, depression as manifestation of unconscious guilt, 54:5340
grief & guilt & confusion, creative awareness & growth, book, 55:12340
group discussion concerning high vs low guilt cases in simulated jury setting, judgments of innocence & punishment recommendations, social psychology students, 56:4060
guilt & anger & pride as attitudes toward bodies, physically disabled, 55:902
guilt & anxiety & parental reactions to retarded child, siblings of retarded children, 53:1494
guilt & anxiety & sex, TAT & self report & peer-related hostility discrepancies, junior high & high school students, 55:7213
guilt & anxiety, development of penitence as described in Hebrew Talmud, 58:7338
guilt & its legal & theological & psychological definitions & role in religious practices & relationship to responsibility, 58:6892
guilt as distortion of self image & guilt quality as function of distortion-tolerance limit, cognitive vs affective guilt, 56:9891
guilt as personality predisposition, attitudes toward & knowledge of & experience with drugs, college students, 53:11750
guilt, childrearing attitudes, college students, 57:3368
guilt conscience & guilt complex, philosophical discussion & significance for hypnotherapy, 57:4026
guilt level & approachability of sexually attractive female examiners, sexual responses to word association test, college students, 58:3277
guilt, psychological maladjustments, theological implications, 53:1382
guilt-arousing leaflet on volunteering to civil guard, motivation to volunteer for civil guard, 12th graders, 56:9885
hospitalization vs no hospitalization, guilt & shame in social functioning, psychiatric inpatients vs outpatients, implications for institutional programs, 58:12223
hostility & guilt & need for approval & assault, expression of aggression under arbitrary & nonarbitrary frustration, college students, 55:9783
hostility-guilt & dependency needs & blood pressure change following frustration & opportunity to aggress against frustrator, essential vs renal hypertensives, 58:7770
hypnotherapy, masturbation originated by iatrogenic guilt complex, 15 yr old Catholic male, 57:4017
hypnotically-induced visual hallucinations, alleviation of excessive guilt & other feelings, 55:10426
induced guilt, self criticism & mediated self punishment, male college students, 58:6893
induced guilt vs shame, helping behavior, 56:7966
internal-external locus of control, hostility & morality-conscience guilt, male vs female college students, 57:3299
internal-external locus of control, resistance to temptation & guilt after transgression in cheating situation, females, 57:8316
leader personality characteristics, perceptions of group discussion experience & sexual knowledge & attitude changes & emotional style & self esteem & disclosure & sex guilt, college students in sex education, 56:10609
locus of control & temporary affective states of benefactor, altruism, males, 55:9797
marriage as neurotic avoidance from feelings of anxiety & guilt, 57:3077
need for achievement & causal ascriptions, pride & shame reactions to manipulated pass/fail outcome, 5th & 6th graders, 58:11030
observations on despair & human purpose & guilt & reason, book, 54:10806
observing videotapes of victims explaining injuries to doctors & victim's culpability & victim/O ideological ties, analysis of just world balance theory explanations, female college students, 58:1171
overcoming Oedipus complex & guilt, 17 yr old girl, 54:3262
parent discipline practices, children's reports of shame & guilt, middle & lower class 7th graders, 58:7298
parental love-oriented vs power-assertive discipline, hostility & guilt & conflict over hostility, male graduate students, India, 56:5923
perceptual style & sex differences, relationship between shame & guilt & neurosis, implications for therapy, book, 53:5519
philosophy of Latter Day Saints church, theory of guilt formation & resolution in personalities of members, implications for Latter Day Saints counselors, 58:9618
physical & fantasy expressions of aggression & friendly interaction, subsequent aggressive responding, college males, 58:11705
physical appearance & interpersonal attraction & judgment of guilt & severity of recommended punishment, simulated jury of college students, 53:1055
physical attractiveness of victim, ratings of defendant's guilt, college students, 57:3276
pictorially induced moods, helping behavior & differential guilt, female college students, 55:9772
pleading 5th amendment, perceptions of guilt & morality in simulated jury situation, college students, 55:6983
psychoanalytic approach to plea bargaining & confessions & guilt, implications for criminal justice, 56:597
psychopathology of guilt feeling, 57:10458
psychotherapy & Roman Catholic confession, guilt & behavior change, 53:10072
race & sex & social class & mobility & dependency & guilt & locus of control & stressful life events, depression, Black vs White adults, 58:5541
rational stage-directed therapy components, treatment of guilt, female 25 yr old, 57:8657
rationalization & projection & overcompensation, coping with guilt & mother-child relations, working mothers, 58:980
Reaction Inventory-Guilt, isolation & measurement of specific stimulus situations which result in guilt, college students, 54:11784
reinforcement procedure to increase positive thoughts & feelings about masturbation, facilitation of orgasmic reconditioning, 22 yr old male with persistent homosexual thoughts, 55:10365
repeated administrations of state hostility & guilt measures, estimation of trait hostility & guilt & factor structure of traits, male high school students, 55:12336
reverberating interplay of impulsivity & perfectionism & guilt & self punitiveness, psychic process producing & maintaining depressive moods, 54:9875
role of guilt feelings, Christian motivation, 53:7156
school related problems concerning authority & sex & honor & shame & anger, Mexican American adolescents, 56:6776
sex differences, guilt reactions to hypothetical guilt-inducing situations of sexual or hostile or moral nature, males & females, 54:8906
sex differences, moral internalization & values, 7th & 5th graders & their parents, 56:2411
sex guilt & contraceptive use & abortion history, sexually active nonpregnant college females vs clients of problem pregnancy counseling service, 57:8142
sex guilt & E's sex, associative sexual responses & corresponding response latencies to presentation of double-entendre words, male college students, 56:8016
sex guilt & false heart rate feedback, attitudes toward sexual stimuli, male college students, 56:7833

sex guilt & illegal drug preferences, 16–30 yr old polydrug abusers, 58:3273
sex guilt & moral reasoning, premarital sex, unmarried college women & couples, 53:11509
sex guilt & sexual conflict induced by exposure to explicit motion pictures, motor task performance, college students, 55:9661
sex guilt & sexuality of stimulus & order of presentation, free associative latencies, 53:8836
sex guilt, sexual word association responses to double-entendre sexual words, male college students, 53:11556
sex guilt, stereotyped sex role behavior, college students, 54:1135
sex-guilt & social desirability, latencies of sexual & asexual responses to double-entendre words, female college students, 55:12304
sexual avoidance-nonavoidance trait & repression-sensitization, latency of sexual vs asexual responses to same set of sexual double-entendre words, male college students, 58:3372
sexual behavior & moral reasoning & sex guilt, late adolescent college students, 58:11614
sexual experience & sex guilt, prediction of self disclosure in interview situation, male college students, 56:7851
sexual guilt & written vs verbal response modality & anonymity, associative sexual responses to verbally presented words, college females, 58:1011
sexual liberalism-conservatism & sex guilt & attitudes toward homosexuality, West Indian male vs female college students, 55:9651
sexual standards & extent of sexual activity & associated guilt & perceptions of peers' sexual permissiveness, incoming self esteem & stability of self esteem, entering freshman women, 57:12687
sexual vs asexual behavior of confederate & S low- vs high-sex-guilt, impressions formed of confederate, male vs female college students, 56:7969
shame, self-affirming identity development, 53:4949
shaming process, social control & adaptation to caretakers' expectations & acceptance of psychological oppression, young children, 55:637
social status of defendant & S's age & S giving own opinion vs imagined opinion of judge, judgments about guilt of defendants in criminal trials, German high school students, 54:5237
superior–subordinate dependency relationship & subordinate's motivation & remorse, severity of discipline administered to information gatekeepers guilty of organizational coverup, undergraduate business students, 54:4375
threat vs no threat of death penalty, superego control & guilt & overt expression of emotion as measured on MMPI, convicted murderers, 57:6079
time management & relations with husband & household management & financial & child care & expectations for self & of others & guilt, sources of role conflict, females, 55:2298
time spent viewing pornographic photographic slides, low vs moderate vs high sex-guilt male undergraduates, 56:8040
trait guilt, impression of character & prescriptions of punishment & guilt for male vs female student caught cheating, male vs female students, typing & role-expectation interpretations, 56:9859
trait guilt level, state guilt, further validation of Perceived Guilt Index, 57:1251
trait–state affective guilt, sexual responses, female college students, 54:1123
verbally presented personal items of which Ss had knowledge vs neutral items, autonomic reactions, prisoners, detection efficiency of guilt knowledge technique, 55:11067
victim awareness & recipient relevance & adequacy of compensation as mediators, transgression & compliance, 55:9813
viewing of pornographic vs violent vs neutral film, sex guilt & religiosity & affective responses to film, female college students, 58:1250
Zuckerman Sensation-Seeking Scale & Mosher Guilt Inventory scores, willingness to participate in varying types of psychological research, college students, 57:10354

Guinea Pigs
activity-stress, ulcers in glandular stomach, male rats & hamsters & guinea pigs & gerbils, 56:7424
adaptation to 23.5-hr water & food deprivation schedules, male rats vs guinea pigs, 53:6910
age differences, open field behavior, 2-wk vs 3-mo vs 6-mo old guinea pigs, 53:11258
age of 1st sucrose exposure, taste aversion learning, infant guinea pigs, 55:3874
amylobarbitone vs desipramine vs diphenylhydantoin vs chlorpromazine vs pyridlisatogen, output of adenine derivatives from superfused brain tissues, guinea pigs, 56:2068
anatomical distribution of electrical stimulation of diencephalon, reward & aversion & elicited & rebound behaviors & feeding inhibition, guinea pigs, 55:4033
antiepileptic drugs, gross behavior & electrocorticogram & brain acetylcholine, guinea pigs, 54:6983
antischizophrenic drugs, relative affinities for muscarinic cholinergic receptor & prediction of extrapyramidal effects, rats & monkeys & guinea pigs, 54:2573
apomorphine vs LSD, sexual behavior, ovariectomized female guinea pigs rendered sexually receptive hormonally, 56:5650
atropine sulfate & development of hippocampal electrical activity, behavioral correlates, rats & guinea pigs & rabbits, 58:11265
attachment, separation distress vocalization, infant guinea pigs, 58:513
auditory discrimination training, stimulus control from auditory frequency generalization, guinea pigs & rats, 55:3854
auditory frequency & intensity, cochlear perilymph biochemistry, guinea pigs, 56:9419
auditory stimulation & neural lesions, cochlear round window response potentials, cats & guinea pigs, 53:546
cellular & extracellular stimulation & water deprivation, water intake & vascular conditions, male rats vs gerbils vs guinea pigs, 54:6929
chloride & potassium & sodium deprivation, action of amino acids & convulsants on cerebellar spontaneous action potentials in vitro, guinea pigs, 57:5253
chronic amphetamine & amphetamine metabolism differences, drug tolerance, rats vs guinea pigs, 57:7824
chronic amphetamine pretreatment, sensitivity to dextroamphetamine sulfate- & apomorphine hydrochloride-induced stereotyped behavior, male guinea pigs, implications in psychosis & dyskinetic movement disorders, 54:7023
chronic methysergide pretreatment, behavioral supersensitivity to 5-hydroxytryptophan, guinea pigs, 55:9279
chronic morphine & challenging large dose of morphine, time course of morphine tolerance & decrease of inhibitory effect of challenging dose on electrical stimulation of ileum, guinea pigs, 54:11229
chronic treatment with chlorpromazine or methadone, methamphetamine-induced stereotyped oral & open field behaviors, guinea pigs, 58:11252
cochlear microphonic potentials, albino vs pigmented guinea pigs, 53:6988
cochlear potentials, role in information processing, guinea pigs, 53:11000
confrontation with stranger male on own vs stranger's territory, agonistic behavior, male guinea pigs, 57:12194
dextroamphetamine, Bovet-Gatti profile changes & avoidance response acquisition, male rats vs guinea pigs, 53:2602
dimethylaminoethanol, amphetamine-induced stereotyped behavior, male guinea pigs, 57:7835
electrical stimulation of hypothalamus & midbrain & pons, elicitation of motivated behaviors, guinea pigs, 57:7723
esters of estradiol vs testosterone vs dihydrotestosterone, sexual behavior, castrated male guinea pigs, 53:2595
estradiol & progesterone, food intake during ovarian cycles, intact & ovariectomized guinea pigs & rhesus monkeys, 55:6443
estradiol pretreatment & progesterone vs 5 alpha-reduced metabolites of progesterone, lordosis, spayed female guinea pigs, 53:2624
evoked response audiometry, auditory threshold determination, guinea pigs, 55:11625
fimbria-fornix lesions, sexual-social activity & open field activity, male vs female guinea pigs, 58:7062
food deprivation, anatomically-dependent facilitation & inhibition of hypothalamic self-stimulation, male guinea pigs, 53:11110
free vs esterified forms of estrone & estradiol-17 beta & estriol, lordosis activation, ovariectomized guinea pigs, 53:601
halothane, inhibition of norepinephrine from vas deferens, guinea pigs, mechanisms of dissociation between catecholamine & enzyme release, 54:7048
hyperthermia during 3 stages of gestation, brain growth & learning behavior, guinea pigs, 53:8951
hyperthermia, prenatal retardation of brain growth & learning capacity, guinea pigs, 53:11085
hypothalamic aminergic action, antiovulatory effect of sulpiride, guinea pigs & hamsters, 57:12385
hypothalamic lesions & psychosocial processes, humoral immune response & immune system, mice & dogs & guinea pigs & rats, 56:372
intense tone bursts alone vs previously associated with shock vs shock without tone bursts, duration & susceptibility to tonic immobility, guinea pigs, 53:2752
intracranial or systemic hormone administration, lordosis behavior, ovariectomized guinea pigs, 57:2692
ipsilateral vs contralateral fiber systems, monocular acquisition & interocular transfer of horizontal-vertical discrimination task, male guinea pigs with unilateral lesions of striate cortex, 56:9518
isolation of endogenous compound from brain with pharmacological properties similar to morphine, rabbit & guinea pig & rat & pig brains, 55:293
locomotor exploratory activity, blind vs normal guinea pigs, 53:4662
male-male agonistic encounters, courtship of nonreceptive females, male guinea pigs, 56:9362
mechanical events in cochlea, cochlear microphonic & summating potential magnitude functions & corresponding basilar membrane displacement functions, guinea pigs, 55:308
melanocyte releasing-inhibiting factor, amphetamine-induced stereotyped behavior, male guinea pigs, 57:9898
methysergide & 5-hydroxytryptophan, threshold dosage of apomorphine required for stereotyped behavior induction, male guinea pigs, 54:654
morphine, electrical activity of myenteric plexus ganglion cells & vas deferens smooth muscle cells, guinea pigs & mice, 54:11251
morphine tolerance & dependence, pharmacological alterations in myenteric plexus & central nervous system, guinea pigs, 53:11231
neocortical projection regions & measurements of brain subdivisions, capybaras vs guinea pigs, 58:2821
neuroleptic & related drugs' dosages, stereotyped biting responses & dyskinesias, male guinea pigs, 56:3698
neuroleptics & tricyclic antidepressants & sedatives & anti-epileptics, transport adenosine triphosphatase in renal tubules, guinea pigs, 58:696
neuroleptics, dyskinetic movements induced by intrastriatal dopamine administration, guinea pigs, 55:4092
neuroleptics vs tricyclic antidepressives vs sedatives vs anti-epileptics, conformant transition in transport adenosine triphosphatase from renal tubules, guinea pigs, 58:710
neurological maturity at time of original learning & age, long-term memory development using active escape & passive avoidance tasks, rats vs guinea pigs, 53:680
new 5-hydroxytryptamine uptake inhibitor vs tricyclic thymoleptics, potentiation of peripheral sympathetic mechanisms, mice & rats & guinea pigs & dogs, implications for pathogenesis of depressive illness, 54:7026
nicotine & dosages, response latencies & intertrial responses, guinea pigs, 53:2628
olfactory bulbectomy, social behavior, male guinea pigs, 58:9077
ontogeny, spontaneous locomotor activity, rabbits & rats & guinea pigs, 54:7085
ontological development of brain opiate receptors, rats & guinea pigs, 57:12247
operant conditioning, nondeprived adult & infant guinea pigs, 56:5365
ovariectomy, brain uptake & metabolism of estradiol benzoate & estrous behavior, guinea pigs, 54:2471
pentazocine, evoked potentials in primary somesthetic cortical areas, guinea pigs, 55:2096
pentobarbital, inhibition of progesterone-induced behavioral estrus, ovariectomized guinea pigs, 56:331
perinatal progesterone, sexual activity, male guinea pigs, 56:434
prenatal & adult administration of propionates of testosterone & dihydrotestosterone & androstanediol, mounting behavior, female guinea pigs, 54:9154
prenatal heat exposure, birth weight & brain weight & serial discrimination reversal learning & brain growth, guinea pigs, 56:9467
quantitative entropy model of fetal brain, information content of fetal behavior, guinea pig fetus, 53:4533
rat or guinea pig muscle homogenate or blood or brain homogenate applied to runway, fright reactions, rats, 58:8966
recorded cortical evoked potentials obtained from electrodes on dura with averaging vs on pia without averaging, guinea pigs, 55:6400
relative salience of gustatory & visual cues, formation of poison-based food aversions, guinea pigs, 54:7164
repeated administration of methylphenidate, conditioning of methylphenidate-induced wheel-running, guinea pigs, 56:7537
reserpine, dopamine-related & dextroamphetamine & apomorphine-induced stereotyped behaviors & serotonin-related myoclonic behavior, male guinea pigs, 54:602
respiration deprivation, anoxic lesions of CNS, guinea pigs, 54:6969
role of beta-adrenoceptor, regulation of noradrenaline release by nerve stimulation through positive feedback mechanism, guinea pigs, 54:4622
scopolamine & physostigmine, tonic immobility response, ducks & guinea pigs, 56:5717
sebum production of perineal glands & social dominance relationship, male guinea pigs, 53:4573
separation & adult sex, young & mother vs other adult interactions, young guinea pigs, 58:488
septal lesions, alterations in active avoidance acquisition, newborn & young & mature adult guinea pigs, 56:366
serotonin vs nicotine vs morphine vs levorphanol vs dextrorphan vs norepinephrine vs naloxone vs hexamethonium & dosages, myenteric plexus neuron electrical activity, guinea pigs, 54:11228
sexual activity, uptake & metabolism of radioactive testosterone, male guinea pigs, 56:7419
sharpening of neural frequency selectivity of normal & abnormal cochlea, cats & guinea pigs, 54:11107
social hierarchy, male domestic guinea pigs, 57:12193
sodium pentobarbital, auditory evoked responses, guinea pigs, 55:11819
structure & causation & function of vocalizations, adult & infant guinea pigs, 57:12188
supersensitivity to acetylcholine, production of tolerance to morphine in stimulated ileum, guinea pigs, 54:2488
taste & concentration of vitamin C in distilled water, daily intake, scorbutic vs nondeficient guinea pigs, 54:6946
technique for minimizing difficulties of cerebral pulsation in single unit recording in visual cortex, guinea pigs, 57:12246
test environment & rearing condition, amphetamine-induced stereotypy, female guinea pigs, 56:2075
tricyclic antidepressants, cardiac effects, depressed patients & guinea pigs, 57:10896
tricyclic antidepressants, in vitro binding potency to muscarinic acetylcholine brain & ileum receptor sites, rats & guinea pigs, implications for drug therapy, 58:9167
1,-2-benzisoxazole-3-acetamidoxime hydrochloride, reserpine-induced monoamine decrease & catecholamine turnover, mice & rats & cats & guinea pigs, 53:9110
5-hydroxytryptamine & nicotine & caerulein, electrical activity of Auerbach's plexus in abstinence syndrome, morphine-dependent guinea pigs, 53:2688

Gulls [See Sea Gulls]

Gustatory Perception [See Taste Perception]

Gymnastic Therapy [See Recreation Therapy]

Gynecological Disorders [See Also Amenorrhea, Dysmenorrhea, Menstrual Disorders, Premenstrual Tension, Pseudocyesis]
epidemiological approach, sexual dysfunction frequency, 30–39 yr old black women attending gynecology clinic, 56:6265
problems of adolescent & child-bearing & menopausal ages & elderly, medical treatment for gynecological patient, 54:6056
psychosomatic disturbances, gynecology, 53:5506
treatment for gynecological conditions & breast cancer, marital conflict, 53:3495
urological & gynecological & endocrinological & neuropathological & psychiatric analyses of sexual disorders, need for independent discipline of sexual pathology, 53:7802

Gynecologists
consultation psychiatry & clinical duality, gynecology & obstetrics, 53:3592
experiences & attitudes toward shortened abortion consisting of contact with social worker & gynecologist, women who had legal abortion, 55:7699
Guttman scale analysis, attitudes toward abortion & experiences since its legalization, obstetrician-gynecologists & family physicians, 56:1262
gynecological examination with hand held mirror as learning experience, volunteer college students, 54:12413
prescribing habits for psychotropic drugs, internists & surgeons & gynecologists on inpatient wards in teaching hospital, 54:3663
sexual intercourse with frigid female clients as neurotic equivalent of necrophilia, physicians & psychiatrists & gynecologists, 57:11162
tape recorded dialogue between gynecologist & patient, women with amenorrhea, 57:4057

Gypsies
origin & culture & history of treatment in Europe, Gypsies, comparison with Jews, 58:963
participant observation & current policies & practices of English Gypsies, 54:9426
rearing in institution vs by gypsy family, children, 55:9620

Gyrus Cinguli
marginal gyrus lesions, visual cliff responding, cats, 57:7730

H

Habitat Selection [See Territoriality]

Habits [See Also Hair Pulling, Nail Biting, Thumbsucking, Tobacco Smoking]
expectations & habits, transfer from discrimination under hunger to discrimination under thirst, rats, 54:4889
handedness & acquired reading-writing habits, directionality trends in horizontal dimensions, literature review & implications for role of innate vs environmental factors, 58:6767
initial habit strength differences, 4-choice modified RT performance in coaction vs alone conditions, female college students, 58:228
massed practice exercises, elimination of tooth grinding habits, 56:4457
media habits & preferences, elderly residents of Toronto, Canada, 56:3787
previously automatized motor responses & stress, habit lag in subsequent performance, women, test of L. La Fave's construct, 54:279
reading & writing habits, asymmetry of visual perception, right vs left handed German & Israeli students, 58:6782
role of thought vs habit in social interaction, determinants of social behavior, 56:653

Habituation
acquisition & retention of habituation to air puff, preweanling rats, 56:5385
ACTH & adrenal hormones vs adrenalectomy vs demedullation, amplitude & habituation of flexor reflex, male rats, 53:8958
adult handling & social isolation, dark preference, rats, 54:2594
age & postweaning & adult handling habituation, activity & exploration, male rats, 54:4936
age, rates of decrement of elicited startle reflex & emitted exploratory behavior, rats, role of brain serotonin & cholinergic activity, 54:11281
alcohol dosage, habituation & pattern of aggressive responses to presentation of conspecific male intruder, male convict fish, 57:800
alpha feedback training, habituation of skin conductance response, 57:7679
alpha-methyl-para-tyrosine & 6-hydroxydopamine, acoustic startle response, male rats, 54:11172
amylobarbitone-amphetamine mixture, exploratory response habituation & attenuating effect, male rats, 58:11240
anisomycin & lithium chloride inhibition of cerebral protein synthesis, responsiveness to loud auditory stimuli during drinking, male mice, 55:6637
antecedent instructions, subsequent habituation to visual patterns, male vs female preschoolers, 56:1719
arousal level, number of trials to habituation criterion for skin conductance response to stimuli, college students, 56:7425
association area & primary area evoked potential modification & correlation with behavioral variables during habituation trials, cats, 55:6356
atropine, behavior suppressed by previous exposure to test situation & unavoidable shock, female rats, 54:7041
atropine, cholinergic activity & habituation as measured by spontaneous alternation & response suppression to auditory startle stimulus, chickens, 56:7495
atropine sulfate vs scopolamine hydrobromide vs methylscopolamine dosages, tonic immobility & habituation, chickens, 58:11278
atropine vs scopolamine, habituation of tonic immobility, chickens, 57:7792
attention & activation & stimulus regularity, short term habituation of average evoked response, medical & psychology students & staff, 54:11086

attentional deficits associated with infantile malnutrition, habituation of orienting response to tonal frequency, 13.5 mo old infants, 55:6767
auditory & somesthetic stimulation & intramodal & cross-modal stimulation, habituation & dishabituation of cardiac responses, 2 day old infants, 56:5757
auditory stimulus frequency & stimulation modality, long-term retention of habituation of lick suppression, male rats, 53:11291
auditory system, habituation of orienting reflex, adult cats, 55:11633
autonomic arousal & anxiety level, galvanic skin response habituation & subjective response to tones of low & moderate intensity, female college students, 53:8910
basolateral vs corticomedial vs total amygdaloid lesions & stimulus complexity, attention & habituation, rats, 58:2945
below-zero habituation, skin conductance response amplitude to change in auditory stimulus frequency, college students, 55:9181
below-zero habituation, spontaneous recovery & orienting response dishabituation, male college students, 53:2477
brain 5-hydroxytryptamine turnover, spontaneous motor activity & habituation to testing procedures & avoidance rate, spontaneously hypertensive vs normotensive Wistar rats, 58:4914
change in S's state during experiment, evoked potential decrements in auditory cortex during repetitive stimulation, cats, 57:589
characteristics of heart rate as discriminative stimuli, college students, 58:7033
chemical nature & concentration of olfactory cues, behavioral responses & habituation, clawed frogs, 54:9289
chlorpromazine, interaction between phasic & tonic electrocortical arousal mechanisms, cats, 55:6587
cholinergic stimulants & blockers, nonassociative explanations of habituation & alternation & classical & instrumental conditioning & differentiation & discrimination, review, 58:668
chronic gastric fistula, shock-stress effects on gastric secretions & acid inhibition responses, male rats, 56:1960
classical conditioning & habituation & sensitization, flexion reflex of tibialis anterior muscle, acute spinal cats, 54:4666
classical conditioning & presentation of orienting tones, electrodermal activity response amplitude & frequency & habituation, adopted offspring of chronic schizophrenics, 54:7825
cognitive ability & tempo of play behavior & locomotor activity & sex, habituation of visual fixation to patterns, 1 yr olds, 58:9273
consistency & reliability of habituation measures in personality research, criticism of article of A. Koriat et al, 53:5350
continuously repeated tone pulse during maturation, plasticity of pathways between afferent neuron & giant interneurons, crickets, 56:3555
cortical spreading depression, habituation & sensitization of acoustic startle response, male rats, 56:9487
cortical spreading depression, long term habituation to intense acoustic stimulation using arrest of drinking behavior as index, male rats, 57:2698
degree of mental deterioration, motor & verbal orienting responses to loudspeaker & habituation of orienting responses to intermittent light, female patients with senile dementia vs healthy aged Ss, 58:1457
delta & REM sleep, habituation of finger plethysmograph & heart rate & skin potential & skin resistance responses, male college students, 55:11668
desensitization vs flooding therapy, specific vs social phobias & their physiological correlates, college students, 58:3877
development of preferences & processes of visual scanning, visual fixations to exposure of simple geometric figures, 4–6 & 10–12 wk olds, 56:7650
developmental & genetic variables, startle response habituation, mice, 53:11072
developmental changes, visual preferences for novelty & familiarity, 6–12 wk olds, 53:837
dextroamphetamine & levoamphetamine, habituation & sensitization of acoustic startle response, male rats, 54:9147
dextroamphetamine, early & late components of cortical somatic potentials during distraction & innovation & habituation & attention, normal human Ss, 57:12435
different natural environments, habituation of defensive–withdrawal reflex, marine gastropod mollusks, 53:6888
differentiation of habituating & nonhabituating units in recorded unit activity from lateral amygdala, cats, 53:8861
discrimination of English & nonsense words measured by habituation & dishabituation of cardiac response, female 16 & 32 wk olds, 58:814
display habituation, location of light-evoked response components in brain, garter snakes, 58:11126
dorsal hippocampal lesions, habituation of orienting response & arrest-reaction to auditory stimulus & locomotor & rearing activity & exploratory head-dip responding, rats, 57:5280
electrodermal response habituation speed, auditory vigilance correlates, male college students, 54:8937
environment during retention interval, retention of environmental habituation, female rats, 53:6949
ethanol vs chlordiazepoxide dosages, exploration & its habituation, male rats, 58:2989
exploration time & habituation intensity, urine & cheek gland secretion in chemo-communication, cats, 57:9699
extraneous auditory stimulation & retention interval, habituation of skin conductance responses & rehabituation, infants vs adults, 58:2878
extraversion & neuroticism, auditory orienting reflex habituation & dishabituation at high vs low stimulation levels, college students, 58:1281
eye movement responses to auditory stimuli & cardiac responses to somesthetic stimuli, rapidity & consistency of habituation, infants whose mothers had obstetrical general anesthesia vs local anesthesia or analgesic medication, 53:9085
eye-opening response decline over repeated auditory stimulus presentations & habituation to 1 frequency & stimulus generalization, 9–10 day old chickens, 55:3893
factor analytic study, conditioned emotional response acquisition, male rats, 53:11313
fear, behavior in enclosed maze, female rats with high- vs low-defecation scores, 53:733
filtered auditory noise as minimal sleep disturbance, waking performance & habituation, 19–27 yr olds, 55:2017
GSR, methodological considerations on measurement & habituation, 57:7654
habituation & classical trace conditioning, stabilized photically evoked afterdischarge of visual evoked response, awake rats, 56:5473
habituation & dark adaptation, averaged evoked responses to repetitive light flashes at 2 intensity levels, rats, 53:439
habituation & occurrence of photically evoked afterdischarges, rats, 53:8863
habituation & orienting response in auditory cortical evoked potential & GSR & heart rate, 17–44 yr old males, 58:7000
habituation & sensitization of innate fear response, goldfish, 56:217
habituation by prior exposure to threat-eliciting stimuli, threat display & dopamine establishment, male Bettas & Siamese fighting fish, 57:9663
habituation of attention in auditory & visual tasks, infants at 2 & 4 mo of age, short term longitudinal study, 58:3089
habituation of auditory evoked peripheral vasomotor activity, short term refractory-like effect, rabbits, 58:8941
habituation of aversive reticular stimulation, evoked potentials, cats, 53:11128
habituation of cardiac responses to dichotic speech syllables vs music notes, differential recovery to novel stimulus presented to left vs right ear as measure of cerebral asymmetries, 3 mo olds, 58:5141
habituation of contraction response & food-related behavioral inhibition, sea anemones, 56:7328
habituation of locomotor activity in open field, 15 & 21 & 100 day old rats, 53:641
habituation of orienting & motor responses elicited by stimulation of cortex, cats, 56:347
habituation of orienting response, well vs malnourished 1 yr old males, 55:9434
habituation of scalp somatosensory average-evoked responses, psychophysiological inhibition theories of hysterical anesthesia, 35–66 yr old males with hysterical anesthesia, 54:1303
habituation of skin conductance component of orienting response to children's version of Matching Familiar Figures Test, error free trials on modified adult/adolescent & children's version & heart rate & skin conductance & potential, young adult males, 58:2845
habituation of vestibulo-ocular reactions to rotatory & linear sinusoidal accelerations, rabbits, 54:4672
habituation of visual fixations & subsequent discrimination learning & visual information processing, 4 mo olds, 55:4195
habituation periods & food deprivation & setting contrast, choice between novel vs familiar environments, 14 & 55 day old chickens, 54:9281
habituation series of unilateral caloric irrigations while paralyzed with gallamine triethiodide vs no paralysis, eye movement response & production of vestibular habituation, cats, 53:786
habituation, stimulus bound behavior in concept formation, minimally brain damaged vs cerebral palsied children, 55:10134
habituation tests to acoustic or visual stimulus, lack of spatial generalization, fowl, 54:7088
habituation to lithium chloride or sodium chloride, taste aversion learning, rats, 57:5333
habituation to repeated face stimulus with interpolated stimuli varying in similarity to original stimulus, interference on subsequent memory for original faces, 18 wk olds, 58:7186
habituation to species-specific alarm calls, chaffinches, 55:9016
habituation to Viet Cong vs American labeled scenes of violence, ROTC cadets & college students, 54:5249
habituation to water-stream stimulation, topographic changes in responding, sea anemones, 54:4911
habituation training, long term retention of habituation of tonic immobility, chickens, 56:5402
habituation training, quantitative analysis of ciliary & contractile reponses, Spirostomum ambiguum, 53:6919
habituation vs attending to noncontingent stimulus, subsequent learning with same stimulus contingent upon head movements, 8–14 week olds, 55:9361
habituation/recovery paradigm of visual fixation, discrimination of facial expressions, 3 mo olds, 58:5123
high intensity emotional stimuli, orientation response habituation, field dependent vs independent normal vs psychopathic Ss, 58:9670
H-reflex technique & nonstartling sounds, time course of audio-spinal influences during rhythmic movements synchronized to sound, 18–30 yr olds, 56:5498
hue category, looking time & perception & recovery from habituation, 4 mo olds, 55:11927
immediate vs delayed conditioned taste aversion to water or novel saccharin solution, attenuation & habituation of neophobic avoidance, rats, 58:8915
incremental stimulus intensity effect, habituation of autonomic responses, 18–35 yr old males & female college students, 56:1908
incremental vs decremental pellet habituation, runway performance, male albino rats, 56:1863
individual differences, cardiac components of orienting reflex & learning rate on 2-choice tactual discrimination task, 9–11 yr old males, applicability to 2-stage interpretation of learning process, 57:5199
individual differences, rate of habituation of visual attention, infants, 55:9360
information amount in visually presented stimuli, stability of visual fixation time & habituation, infants, 55:9444
inter- & intramodal transfer of conceptual information, habituation of orienting response, 55:8707
intercorrelations among skin resistance responses in auditory habituation, male prisoners & twins, 57:12297
interstimulus interval length & variability, habituation of heart-rate & skin-conductance responses, 53:4581
interstimulus interval length of discrete trains of click stimuli, habituated auditory evoked responses & EEG & RT, adults, 55:6383
interstimulus interval length, short & long term habituation of autonomic components of orienting response, male college students, 55:187
lateral inhibition, protection from habituation in movement detector neurones, locusts, 55:11535
length of habituation training & amount of tone frequency, amplitude of autonomic components of orienting response, college students, 56:5559
long term potentiation in intact anesthetized hippocampal preparation vs hippocampal slice preparation, neural mechanism of plasticity, male rats, 58:4577
loudness quality & intensity, habituation of conductance response magnitude, college students, 56:298
low-intensity auditory stimulation, GSR orienting response magnitude, males, replication of E. N. Sokolov's study, 54:8984
LSD & dibenamine, orienting response & pseudoconditioning & 2-way avoidance conditioning in shuttle box, female rats, 55:4123
LSD, habituation & sensitization of acoustic startle reflex, male rats & raphe-lesioned rats, 53:6815
mathematical analysis & computer simulation of circuit model based on R. F. Thompson's 2-process theory of habituation, 56:3201
medial septal nucleus lesion & peripheral stimuli & iteration, hippocampal neuronal activity & septal modulation & habituation, rats, 58:654
medial vs lateral septal lesions, habituation of orienting response, male rats, 56:362
model system, neural correlates of behavioral plasticity, cats, 55:9127
monotonous stimulation, cortical alertness, college students displaying fast vs slow habituation of evoked skin conductance response, 53:11030
multilevel polythetic research strategy, habituation characteristics & mechanisms in abdominal ganglia, crabs, 58:546
neophobia & habituation, poison-induced avoidance of novel exteroceptive stimuli, rats, 53:9169
neural & behavioral mechanisms of habituation in child development & animal behavior, book, 58:11482
neuroticism & extraversion & stimulus intensity & number of sessions, habituation of skin conductance orienting responses, females, 55:6434
nonsignal auditory stimuli during quiet & active sleep, EEG desynchronization, neonates, 54:8965
novelty, aversion response to increasingly concentrated flavored saccharin solutions, male rats, 56:9298
number of CS-UCS pairings & CS modality & prior CS habituation, discriminated condition suppression, rats, 56:7312
number of exposures to manual restraint & response durations & strain differences, habituation of tonic immobility, chickens, 57:2573
nutritional status, cardiac habituation of orienting response to auditory signal, Guatemalan 1 yr olds, 54:4975
obstetric medication, auditory habituation & dishabituation, newborns, 55:6643
para-chloroamphetamine, acute & chronic effects on habituation & sensitization of acoustic startle response, male rats, 56:3702
para-chlorophenylalanine vs amphetamine, orienting response & habituation, rats, 57:725
pattern & visual reinforcer disparities, fixation preference & habituation recovery in stereoscopic discrimination tasks, 2 mo old infants, 57:894
pattern complexity, habituation patterns in looking time, 11 wk olds, 53:815
patterns of arousal & habituation of autonomic responses & cognitive appraisal, groups of normals & paranoid & nonparanoid schizophrenics, 55:2466
photic evoked responses, early habituation & dishabituation & generalization & involvement of acetylcholinesterase in habituation, rabbits, 57:12242
photic stimulus size & age, development of visual & auditory evoked responses, kindergartners & 2nd & 5th graders & college students, 55:6703
physiological arousal & habituation as measured by GSR & heart rate, extraverts vs introverts, 55:9168
physostigmine doses, reaction to novelty & rearing & ambulation, rats, implications for cholinergically-controlled habituation processes, 57:5337
postconditioning habituation, classically conditioned head withdrawal, red-eared turtles, 58:6930
potentially phobic & neutral stimuli, habituation of electrodermal orienting reaction, college students, 53:11054
preconditioning apomorphine hydrochloride UCS habituation, acquisition & retention of conditioned taste aversion, male rats, 56:5368
prenatal dextroamphetamine, mortality rate & motor behavior & brain biogenic amine levels & orientation & brain dopamine & norepinephrine levels, rats, 57:2753
presentation of dishabituating stimulus & decay of sensitization, skin conductance response amplitude to habituating stimulus, college students, 56:5538
primer pheromone vs habituation, exposure, attack suppression, odor-exposed mice, comment on study of P. Harmatz et al, 55:9062
prior habituation or adaptive experience & functional disturbance, acute & chronic tolerance to methylphenidate, male rats, 58:9183
prior habituation trials, skin conductance response magnitude to reduction in stimulus intensity, college students, 54:8938
projected stereograms with vs without retinal disparity, heart rate & sucking responses in habituation-dishabituation paradigm as measures of stimulus discrimination, 8 wk olds, 58:5117
prolonged odor stimulation & surgical disconnection of olfactory bulb from centrifugal inputs, electrical unit responses of olfactory receptors & mitral cells of olfactory bulb, hamsters, 57:7659
range of stimulus variation, habituation & return of skin resistance response component of orienting response, college students, 54:4643
rate of habituation, response to discrepancy as evidence of developmental differences in encoding, 17 wk olds, 56:7631
rearing in isolation vs social groups, development of intersession habituation of locomotor activity in open field at 15 vs 25 vs 45 days, rats, 55:6229
reinforcement by light stimulation, habituation of barpress behavior, male rats, 57:9607
reinforcer stimulus, familiarization effects in discrete trial instrumental responding, children, test of predictions from orienting-response-habituation hypothesis, 56:166
relevant and neutral stimuli-induced GSR habituation curves, prediction of standard information detection characteristics, college students, 54:6908
repeated blocks of habituation trials vs single continuous series of stimuli & past habituation trials, spontaneous recovery & trials to rehabituation of skin conductance component of orienting response, college students, 56:3303
repeated shadow stimuli, response decrement, garter snakes, 54:2604
repeated trials of simple RT task, RT & contingent negative variation & visual evoked responses, adults, 55:3957
repeated visual stimulus, habituation of superior colliculus neurons, rabbits, 54:4647
repetition of same speech, speaking anxiety & verbal fluency, students, 57:8769
repetitive exposure, sensory impact of habituated stimulus, male rats, 54:713
repetitive sensory stimulation, neuronal habituation & sensitization in reticular formation, male rats, 54:456
response independent habituation of territorial aggression, sticklebacks, 57:12219
scopolamine & atropine & benzhexol, involvement of central cholinergic paths in habituation of exploration & distraction, rats & mice, 57:2740
scopolamine & medial septal lesions, habituation of exploration & startle, male rats, 53:2546
scopolamine, attenuation of acute habituation, prairie dogs, 53:9041
scopolamine, habituation of exploratory activity, male rats, 56:2026
scopolamine hydrobromide & dextroamphetamine sulfate in water approach task following stimulus pre-exposure, habituation of locomotor activity, mice of different strains, 58:665
scopolamine hydrobromide vs methylbromide, habituation of unconditioned nictitating membrane response & classical defensive conditioning & latent inhibition, rabbits, 57:9863
scopolamine, stimulus change phenomenon, female rats, 56:445
scopolamine vs dextroamphetamine, habituation & perseverance in Y maze spontaneous alternation task, mice, 57:7799
self-punishment & hyperaggressiveness & stereotyped behaviors & bizarre movements & masturbation, habituation, adult male isolation-reared vs wild-born rhesus monkeys, 53:4816
sensitization & habituation, plantar cushion reflex, cats, 56:264
septal lesions, habituation rate of startle reflex, male rats, 53:6788
septal lesions, latent inhibition & habituation of orienting response, rats, 54:6977
septal lesions vs scopolamine injections & prior experience, retention of habituation of exploratory head-poke response, male rats, 56:5588
sex differences, habituation of visual attention to visual stimuli, newborn infants, 53:4901
sex-typed toy stimuli & stimulus novelty, habituation of visual attention, male vs female 2–4 vs 4–6 yr olds, 58:7195
signal & nonsignal auditory stimuli, heart rate & skin conductance, male anxious inpatients & normals, 53:1356
single auditory stimulus, long term retention of habituation of lick suppression & startle response, male rats, 56:5397
single cell activity in postcruciate cortex during habituation & classical conditioning, cats, 53:2463
skin conductance response habituation to loud tones, chronically anxious outpatients, 54:7803
sleep deprivation, vestibular habituation under stress, experienced pilots, implications for aviation safety, 53:8512
sodium pentobarbital, behavioral habituation of licking response & transfer between states, rats, 53:554
song vs white noise as reinforcement & testosterone injections, operant perching response rates in sound-proofed chamber, white-crowned sparrow, 55:3859

stimulation of hippocampus, evoked responses in amygdala & preoptic area & ventromedial nucleus of hypothalamus, female rats, 56:3659
stimulus & temporal variables, "below zero" habituation of orienting response, male college students, 54:9047
stimulus changes, habituation & return of alpha-amplitude component of orienting reflex, college students, 54:11104
stimulus complexity & familiarity, attention & habituation, 2 & 3.5 & 5 mo olds, 54:778
stimulus information & duration, rate of habituation of skin conductance response, college students, 56:5561
stimulus intensity, amplitude & habituation of orienting reflex, male college students, 53:8911
stimulus intensity conditions, reliability of electrodermal habituation measures, 56:3616
stimulus intensity of pure tones & rise-decay time, cephalic & finger vascular responses, college & graduate students, 55:11644
stimulus novelty & intermittent concurrent stimulation, dishabituation of aggressive display, male Siamese fighting fish, 58:6945
stimulus preference, habituation of looking behavior, normal & moderately retarded 6–15 yr olds, 55:7395
stimulus-comparator vs dual process habituation theory as measure of auditory integration, adults, 55:3664
stimulus-schema discrepancy reinforced instrumental leverpressing & fixation & vocalization & fretting, 7 mo olds, 56:2112
sympathetic arousal level, short & long term habituation of skin conductance response component of orienting response, female college students, 57:618
telencephalic lesions, gill cover response, Siamese fighting fish, 53:9011
threat of shock, habituation of skin conductance response to auditory stimulation, 17–27 yr old college students & staff, 55:359
threat of shock, habituation of skin conductance response to simple auditory stimuli, college students, 57:615
time on task & signal regularity, performance in sustained attention task & concomitant visual evoked potentials, implications for neural habituation, 58:2880
tobacco smoking, alpha-desynchronization of EEG, 20–25 yr old male smokers, 53:9055
tonal stimulus of lower intensity, generalization & dishabituation of GSR orienting responses, adult male twins, 57:582
tone & EEG response & autonomic habituation during Stage 2 & REM sleep & awake period, 17–23 yr old males, 55:352
tones & background noise intensity, startle response, rats, 53:2734
verbal vs musical stimulation, validity of curvilinear form of discrepancy hypothesis in auditory mode, 7–12 yr olds, 56:7646
visual & auditory stimuli at different phases of alpha wave, habituation of alpha attenuation response, adults, 53:2461
visual contact vs no contact during separation & prior habituation, aggressive behavior when placed together, male Siamese fighting fish, 57:5094
visual stimulation, selective habituation of vestibular nystagmus, monkeys, 57:5192
visual stimulation, vestibular habituation to caloric stimulus, cats, 55:6238
voluntary contraction, habituation of exteroceptive suppression & reflexes, 20–28 yr old volunteers, 56:7383

Hair
cochlear inner & outer hair cells, auditory thresholds, chinchillas, 54:4960
field dependence & security-insecurity & interpersonal values, short- vs long-haired male college students, 53:1003
hair cell types & distributions in otolithic & auditory organs, bullfrogs, 54:8922
hair length styles of male targets, trait attributions & relationship between S characteristics & hair length preferences, female college students, 56:9871
historical & social analysis of long hair on males, 53:999
length of hair, preferences & imputation of personality traits for males, females, 57:3268
seat height & baldness & environmental temperature, subjective response to overhead thermal radiation, bald & nonbald male technicians & scientists, 53:4326
shampoo used & hair texture & color & fragility & age & sex, hair amino acid composition, autistic vs normal children, 56:10023

Hair Loss [See Alopecia]

Hair Pulling
behavioral & cognitive contingency management, obsessive compulsive hair pulling 21 yr old female, 58:3853
covert sensitization, hair pulling incidents & impulses, 26 yr old male college graduate, 56:8406
hair pulling as symptom of schizoid personality structure, 13 & 18 yr old females, 54:9901
head shaving as treatment, 6 yr old male with trichotillamania, 58:5771
home token program & timeout, trichotillomania, 8.5 yr old female, 56:10305
positive coverants & response cost, trichotillomania, 17 yr old female, 54:1680

Halfway Houses
availability of leisure activities & reinforcement for participation & instruction, leisure behavior, mentally retarded young women in halfway house, 58:4002
client motivation, male Ss in alcoholism rehabilitation halfway house, 54:12298
development of psychiatric rehabilitation program, psychiatric halfway house, 53:10240
disulfiram & milieu & halfway houses & community mental health centers, treatment & psychopathology of alcoholics, review, 55:2807
effectiveness of psychiatric halfway houses, 54:12396
efficacy of adolescent group homes as adjunct to larger institution, 54:10356
evaluation of operation of adolescent halfway house, 58:12190
evaluation of traditional halfway house vs innovative lodge program, drug abuse treatment programs, drug abusers, 56:6569
feedback of assessment data, modification of psychosocial environment in psychiatric halfway house, staff & residents, 55:12764
halfway house & therapeutic community, alcoholics, 53:12154
halfway house attendance, prediction of successful independent living in community, ex-mental patients, 57:1780
halfway house, "difficult" delinquent & nondelinquent adolescent males, followup study, 55:12817
halfway house program, resocialization, mentally ill male offenders, 3-yr evaluation, 58:4028
halfway house residency vs nonresidency, rehabilitation gain & need satisfaction or adjustment, vocational rehabilitation clients with psychiatric disorder, 55:12815
halfway house treatment, drug abusers, 55:10543
halfway houses for psychiatric patients & alcoholics, 1973 survey of hospital readmission & return to independent living, 54:1743
independent vs semi-independent vs dependent community residential living, adaptive behavior, trainable mentally retarded 18–59 yr olds, implications for residential placement, 58:10042
job satisfaction & self concept, professional institutional vs community corrections workers, 58:10726
perceived importance of various aspects of alcoholism rehabilitation halfway house, halfway house residents, 55:7795
plans & purposes, hostel system as residence or halfway house, mentally ill & brain damaged & drug addicted & alcoholic & mentally retarded, 54:1782
principles & practices & problems of community corrections, 56:6558
psychosocial environment of halfway houses for mentally retarded, mentally retarded residents, 55:5844
quarterway house, functioning within social norms & overcoming dependency & assumption of personal responsibility, adult psychiatric patients, followup study, 57:8829
quarterway house, 14-day program, alcoholics, 54:1594
reduction of criminality after release, failure of halfway house narcotic rehabilitation project, paroled addict felons, 55:12831
research problems & recovery rates, therapeutic communities & halfway houses, addicts, outcomes of followup studies, 56:4616
residential halfway house vs psychiatric hospitalization, young psychotics, 54:6127
selection procedures & program format, halfway house, children with learning & behavior disorders, 54:3792
solutions to legal problem areas, psychiatric halfway houses, 55:5193
state institution–community services interaction, community residences, developmentally disabled, 53:12332
Synanon principles in reality therapy, halfway house for drug rehabilitation, 54:5826
types of clients & lengths of residence & manners of discharge, 27–62 yr old male alcoholics admitted to alcoholism rehabilitation halfway house, 55:1186
variables of successful parole from adult furlough center, male residents, 56:10453
videotape modeling & verbal reinforcement in group sessions, adjustment to program goals, early release prisoners in halfway houses, 57:4159
voluntary youth rehabilitation program of half way house for drug addicts, "Release Organization," Hamburg, West Germany, 1970, 54:6085
zoning codes & court cases & legislation, development of group homes & halfway houses in community for former mental patients, 58:10014

Hallucinations [See Also Auditory Hallucinations, Drug Induced Hallucinations, Hypnagogic Hallucinations, Visual Hallucinations]
active concretization & delusional thinking & hallucinations, acting out, schizophrenic patients, 53:9731
affect & mood & judgment & hallucination disturbances, prediction of perceptual motor abnormalities using Bender Gestalt, 21–50 yr old newly hospitalized & acute paranoid schizophrenics, 57:1365
behavior & theory & phenomenology of hallucinations, book, 55:11523
brief timeouts, suppression of delusional & hallucinatory speech, 33 yr old female chronic psychotic inpatient, 57:8714
childhood memories & content of schizophrenic hallucinations & delusions in adulthood, review of Freud's Schreber case, 57:8397
conceptual analysis of 4 dimensions of hallucinatory experience, clarification of hallucinations, 55:221
confinement seclusion room for management problems, delusions & reactions as expressed verbally & in drawings & hallucinations, acute schizophrenics, 57:11042
contingency management, hallucinations & delusions, male chronic paranoid schizophrenic, 54:10220
covert punishment in self-monitoring procedure, hallucinatory behavior, 24-yr-old male paranoid schizophrenic, 53:12225
double hallucination & hallucination transparency, trance logic, tranceable vs simulating college students, 53:10876
etiology & psychopathology & development & severity of somatic disease, paranoid hallucinatory psychoses associated with acromegaly, 58:5471
fear-evoking situations of helplessness & danger, hallucinations as attempts of defense & fulfillment of needs of self preservation & security, 56:4218
fluid serotonin secretion & changes in transepithelial & intracellular potentials & increase in cyclic adenosine monophosphate, hallucinogenic activity of LSD, 53:9035
Freudian & Jungian & existential psychotherapeutic perspectives, daimonic hallucinations of Ivan Karamazov & Christoph Haitzmann, 54:5292
hallucination of being changed into wolves, 2 case reports & literature review, 57:12932
hallucinations & self representations in REM sleep, instinctual fulfillment in dream sleep, 55:11518
hallucinations as communication of creative imagination, 54:7738
hallucinations in normal behavior vs clinical psychiatry, 53:1614
hallucinations in normal individuals & in patients with functional psychotic & organic disorders, definitions & characteristics & theories accounting for occurrence & mechanisms, 57:7533
hallucinations, patients with diagnosis of psychotic depressive reaction, implications for psychodiagnosis, 56:4176
hypnotherapy, hallucinating schizophrenic, 53:7884
incidence & content of delusions & hallucinations, schizophrenics & paraphrenics treated during 1946–47 vs 1969–70, 55:9940
information flow model for perception & neurophysiological map & restriction of voluntary motility, somesthetic hallucinations, male schizophrenics, 58:7668
intramuscular haloperidol doses, remission of thought disorder & hallucinations & delusional activity & side effects, patients with acute functional psychoses, applicability to outpatient management, 57:10887
model psychoses vs psychotic-like symptoms & hallucinatory experience induced by psychodysleptic drugs & mescaline & LSD, biochemical & neurophysiological & psychopathological processes & interdependency of emotional & cognitive structure, 58:5006
patterns of lucidity & hallucinations & affect & delirium, cardiotomy patients awakening from anesthesia, implications for psychiatrist-surgeon collaboration, 57:8890
pentazocine-induced psychosis with hallucinations & perceptual aberrations & distorted body image & delusional thinking, 29 yr old male, 55:4798
postmortem examinations of brainstems, nature & significance of lesions found, psychiatric patients with hallucinations or schizophrenia, 56:10008
preferred imaginal mode & breadth of external scanning, relationship to hallucinatory behavior, college students, 55:6222
psychopharmacological & conceptual reevaluation of hallucinations, 57:2510
self control instruction in therapy, production & dismissal of recurrent intrusive visual experiences, 18 yr old female college student, 55:10332
serum levels of immunoglobulin, hallucinations, male vs female & black vs white schizophrenic & schizo-affective & nonschizophrenic patients, 56:10062
sound proof room vs water immersion isolation environments, reported hallucinations & physiological responses, college students, 56:9050
trance & healing & hallucination in religious experience, 3 field studies, book, 53:5030
visions of A. Boisen & Jung & Biblical visions & unconscious, 53:9820
vividness & controllability of volitional auditory & spontaneous imagery in daydreaming, hallucinating vs nonhallucinating schizophrenics, 58:7642

Hallucinogenic Drugs [See Also Bufotenine, Lysergic Acid Diethylamide, Mescaline, Peyote, Psilocybin]
achievement goals & educational experiences & current occupational status, marihuana use & hallucinogenic drug experience, 20–41 yr olds, 53:5065
Angel's Trumpet intoxication, alkaloid-induced CNS anticholinergic syndrome, 2 15 yr old males, 58:5288
anthropological account, beliefs & behavior connected with medical system & disease, Siona Indians, Brazil, 57:5659
biosynthesis & excretion of hallucinogens formed by methylation of neurotransmitters or related substances, transmethylation hypothesis of schizophrenia, 56:6176
delta-9-trans-tetrahydrocannabinol vs N,N-dimethyltryptamine, altered states of consciousness, 58:2985
demographic & personality characteristics & drug history, hallucinogenic drug use, female college students, 53:2973
demographic & social characteristics & drug history & attitudes, psychotogen abuse vs use vs nonuse, narcotic addicts, 54:1342
dependency needs, chronic hallucinogenic drug abusers vs nondrug abusers, 55:10005
dextroamphetamine sulfate & dimethyltryptamine, exploration & locomotion & stereotypy & spasm & tracking & duration of inappropriate behavior, monkeys, 57:2724
dimethyltryptamine levels in blood, schizophrenic inpatients vs normal controls, 58:11789
dipropyltryptamine-assisted counseling, emotional distress & guilt feelings & fear of death & peak experiences, terminal cancer patients & their families, 58:3701
dosage of 3,4,5-trimethoxyamphetamine, locomotor activity & plasma corticosterone & glucose & adrenal epinephrine levels, male mice, 57:9899
doses of 2,5-dimethoxy-4-methylamphetamine, behavior & brain concentrations of noradrenaline & 5-hydroxytryptamine & dopamine & metabolism of amino acids, rats, 57:5351
drug usage patterns, junior & senior high school students during 1971–74, rural Alberta, Canada, 58:3259
epidemiology, psychoactive & hallucinogenic drug usage, 53:3395
geographic area of enlistment & aptitude scores & educational level & enlistment age & religious preference & use of other drugs, hallucinogen use, males in US Air Force, 54:7402
guided affected imagery daydreaming, abstinence & tolerance toward frustrations & social adjustment, 18-yr-old male user of hallucinogenic drugs, 53:3707
hallucinogenic & nonhallucinogenic drugs, head twitching & open field defecation & response suppression on differential reinforcement of low rates schedule as drug screening tests, mice & rats, 54:7058
hallucinogenic drugs, artistic creativity, 53:590
hallucinogenic N-methylated indoleamines & brain dopaminergic neurones, role in generating symptoms of schizophrenia & etiology of schizophrenia & clinical actions of neuroleptic drugs, 54:11995
hallucinogenic plants, analysis of 16th century Mexican writings, 57:3152
hallucinogens & inebriants & sedatives & stimulants usage patterns, ancient societies, 56:614
hallucinogens, observational study of induced behavior, monkeys, 54:642
hashish & tetrahydrocannabinols & noncannabinoid drugs, discriminative response control, male rats, 53:11192
historical origins of psychedelic mushroom use & geographic occurrence of hallucinogenic fungi, psychopharmacology of psilocybin mushrooms, 54:11619
history & chemistry & pharmacology of fly-agaric mushrooms, 57:9868
indoleamine hallucinogens, presynaptic serotonin neurons in raphe & postsynaptic neurons in ventral lateral geniculate & amygdala, male rats, 56:1997
informational model, guide for understanding sociology & psychology & pharmacology of drug use, secondary school teachers & students, 55:13232
injection of 5-methoxytryptamine, concentration of brain 5-methoxytryptamine & behavioral changes, male rats, 55:435
interpretation of role of "flowers" as hallucinogenic mushrooms, Mexican Nahuatl culture, 53:11491
legislative proposals against abuse of hallucinogenic fungi, Australia, 53:11525
long term use of cannabis vs cannabis plus hallucinogens vs mescal vs LSD, personality correlates, drug users, 54:7668
LSD & dibenamine, orienting response & pseudoconditioning & 2-way avoidance conditioning in shuttle box, female rats, 55:4123
LSD & psilocybin & mescaline & ditran & phencyclidine, discriminative stimulus properties, review, 57:12394
LSD doses & related hallucinogens, limb flick & abortive grooming & animal model for behavioral effects, female cats, 57:7793
LSD vs dimethyltryptamine vs saline vs chlorpromazine vs dextroamphetamine sulfate vs bromo-LSD, perceptual-motor & exploratory behavior, blind monkeys, 57:5390
LSD vs 2,5-dimethoxyamphetamine, flexor & stepping reflexes & respiration & pupillary dilation & body temperature, chronic spinal dogs, 58:3038
mental health status, heavy users of marihuana & amphetamines & hallucinogens & heroin, 53:11524
mescaline & pretreatment with DL-alpha-methyl para tyrosine methylester vs DL-para-chlorophenylalanine ethylester & N,N-dimethyltryptamine vs 3,4-dimethoxyphenylethylamine, facilitation & disruption of shuttle-box avoidance responses, well vs poorly performing rats, 58:2997
mescaline vs 2,3,4-trimethoxyphenylethylamine, stimulus properties, rats, 55:476
model psychoses vs psychotic-like symptoms & hallucinatory experience induced by psychodysleptic drugs & mescaline & LSD, biochemical & neurophysiological & psychopathological processes & interdependency of emotional & cognitive structure, 58:5006
monomethoxyamphetamines, comparative actions on release & uptake of biogenic amines in brain tissue, male rats, 56:5713
monomethoxyamphetamines, myoclonic twitch activity of suprahyoideal muscle & locomotor activity, male rats & mice, 56:5687
morning glory seeds vs normal feeding, extinction of classically conditioned response, fish, 55:6548
N,N-dimethyltryptamine as "schizotoxin", psychedelic model of schizophrenia, review, 57:1328
N,N-dimethyltryptamine in psychoactive dosages, concentration in whole blood & urine & time course of "high," 21–28 yr old male experienced hallucinogen users, 53:4723
N-N-dimethyltryptamine vs saline, biphasic dose-response effects on startle reflex, male rats, 53:11167
N,N-dimethyltryptamine with vs without neuroleptic agent pretreatment, electrically evoked potentials in visual system, cats, 57:5248
nonmedical use of tetrahydrocannabinols & hallucinogens & amphetamines & hypnotics, hospitalized adolescents, Montreal, 57:5751
Panaeolus cyanescens mushroom, hallucinogenic experiences, 53:6865
pentazocine-induced psychosis with hallucinations & perceptual aberrations & distorted body image & delusional thinking, 29 yr old male, 55:4798
persisting psychotic states following protracted hallucinogenic drug use, adolescent delinquent males, 54:4797
personality structure, hallucinogen vs barbiturate vs amphetamine vs heroin vs mixed drug abusers, 55:4444
phenomenology of consciousness change, heroin & methylenedioxyamphetamine users, 57:9901

phenylethylamines substituted for cocaine, self infusion behavior, male baboons, 58:11271
physical & psychological effects, asthmador abuse, literature review, 53:9400
psilocybin, chemical content of street drugs & pharmacology & history, effects & uses, 53:2589
psychopharmacological & conceptual reevaluation of hallucinations, 57:2510
psychotherapy with adjunctive use of methylenedioxyamphetamine, neurosis & anxiety & obsessive-compulsive traits, neurotic outpatients, 57:10676
reasons for drug usage & periods of drug involvement, hallucinogenic drug discontinuers, 53:11552
recreational use of hallucinogenic mushrooms & need for research in fungal pharmacology & potential psychotherapeutic usefulness, 58:5037
R-2-amino-1-(2,5-dimethoxy-4-methylphenyl) butane vs R-DOM vs S-amphetamine, behavioral effects, male rats, 58:9175
treatment techniques in drug abuse program, heroin vs hallucinogen using US Army soldiers, 57:4187
trends in use of marijuana & alcohol & hallucinogens & amphetamines & barbiturates & narcotics & cocaine, US college students, 54:9467
variables correlated with flashbacks, acid users reporting flashbacks vs no flashbacks, 56:3966
2,5,-dimethoxy-4-methylamphetamine & 2,5-dimethoxy-4-ethylamphetamine & dextroamphetamine & cocaine, stimulus properties following training with mescaline as discriminative stimulus, female rats, 55:6645
2,5-dimethoxy-4-methylamphetamine vs mescaline & methamphetamine, open field behavior, rats & male mice, 54:9209
2,5-dimethoxy-4-methylamphetamine, cardiovascular actions, cats, 54:7061
3,4-methylenedioxyamphetamine, history & chemistry & pharmacology & effects, literature review, 53:2588
5-hydroxytryptamine & 5-hydroxy-N,N,-dimethyltryptamine, startle responses to air puffs, male rats, 55:4106

Hallucinosis [See Also Alcoholic Hallucinosis, Delirium Tremens, Korsakoffs Psychosis]
clinical & morphological aspects, familial old age hallucinosis, 53:1520

Haloperidol
alpha-methyl-p-tyrosine & reserpine & chlorpromazine & haloperidol & promethazine & phenobarbital & diazepam, apomorphine-induced stereotyped gnawing behavior, male rats, 53:9117
alpha-methyltyrosine &/or haloperidol, catalepsy & striatal dopamine stores & homovanillic acid concentration, female rats, 54:2568
alpha-methyltyrosine vs 6-hydroxydopa vs haloperidol vs phenoxybenzamine vs propranolol, stimulant activity of anorexigenic agents, mice, 56:9530
amphetamine & benactyzine & chlorpromazine & haloperidol & caffeine, cortical effects of low frequency stimulation of caudate nucleus, cats, 55:2121
anticholinergic drugs vs prior training, attenuation of haloperidol-induced disruption of conditioned avoidance responding, male rats, 54:2541
antipsychotic drug doses, stereospecific binding of haloperidol, implications for clinical applications, 57:5389
apomorphine & bullocapnine & haloperidol, dopamine receptor activity in para-methoxyamphetamine- & dextroamphetamine-induced locomotor activity, mice & rats, 56:3772
apomorphine & dextroamphetamine vs haloperidol, spontaneous rotational behavior, female gerbils, 56:3727
apomorphine & dopa & haloperidol, competitive behavior, genetically selected winner & loser rats, 54:2556
apomorphine & haloperidol, acoustic startle response, rats, 58:9114
apomorphine as discriminative stimulus & antagonism by haloperidol, rats, 54:9140
apomorphine, self administration of haloperidol, female rats, 54:7005
apomorphine vs haloperidol in single dose, rapid & dissociated changes in sensitivity of dopamine receptors involved in thermoregulation & motor activity, male rats, 56:2014
apomorphine vs haloperidol vs pilocarpine vs scopolamine before & after morphine withdrawal, operant CR rates, female rats, 58:11266
assessment method, discriminative stimulus properties of amphetamine & chlordiazepoxide & desipramine & haloperidol, male rats, 57:23
automated diagnostic process, sulpiride vs haloperidol comparative trial, 19–75 yr old schizophrenic inpatients, 57:3980
biological vs psychosocial factors, haloperidol, multiple tic syndrome treatment, 53:7904
butaclamol vs fluphenazine vs haloperidol vs pimozide vs chlorpromazine, apomorphine-elicited inhibition of synaptosomal tyrosine hydroxylase activity, male rats, 56:3690
cannabis &/vs haloperidol, hypnotizability, male marihuana smokers, 53:6804
cataleptic & antistereotypic abilities of clozapine & sulpiride & thioridazine vs haloperidol & fluphenazine & pimozide, male rats, 54:9142
chlorpromazine & haloperidol & bulbocapnine, antagonism of dextroamphetamine-induced pecking, pigeons, role of dopaminergic receptors, 55:4090
chlorpromazine & haloperidol & phenoxybenzamine & propranolol, apomorphine- vs amphetamine-induced head shaking & role of catecholaminergic mechanisms, infant rats, 57:2754
chlorpromazine & haloperidol, acetylcholine synthesis in occipital cortex & striatum, male rats, 53:2691
chlorpromazine & promazine & dextroamphetamine & scopolamine & haloperidol responding on 2 schedules of reinforcement with addition of external stimulus change, pigeons, 55:451
chlorpromazine & sulpiride & metoclopramide & haloperidol pretreatment with subsequent dopamine or apomorphine or clozapine, specificity of dopamine sensitive adenylate cyclase activity, male rats, 57:5385
chlorpromazine vs haloperidol vs dopamine injections into corticomedial amygdala, role of amygdaloid catecholamines in control of shock-induced aggression & pain sensitivity, male rats, 57:9877
chronic haloperidol & clozapine & thioridazine, apomorphine-induced stereotyped behavior & locomotor activity during withdrawal, rats, 57:2796
chronic haloperidol, apomorphine-induced inhibition of striatal dopamine turnover, rats, 54:601
chronic haloperidol, development of sedation & parkinsonism & acute dystonia & tardive dyskinesia & motor activity, monkeys, 58:11272
chronic haloperidol, spontaneous locomotor activity & locomotor activity produced by amphetamine vs dexetimide vs pilocarpine, male rats, 56:3711
chronic high dose haloperidol treatment, behavioral supersensitivity to apomorphine & amphetamine, male rats, 57:819
clonidine vs haloperidol posttrial administration, memory consolidation of avoidance task, adult rats, 58:11267
clozapine & haloperidol & loxapine & chlorpromazine, neuroleptic-induced hypersensitivity of striatal dopamine receptors, rats, use as model of tardive dyskinesias, 54:4849
clozapine & haloperidol, antipsychotic properties & tolerance & side effects, male hospitalized schizophrenics, 53:12142
clozapine & thioridazine & perlapine & haloperidol, biogenic amine metabolism in brain, rats, 54:585
clozapine vs haloperidol, modulation of reward & aversive processes in diencephalon self stimulation, male rats, 58:11227
clozapine vs mepazine vs haloperidol vs other neuroleptics, apomorphine-induced hypermotility, female rats, 56:3734
continuous vs programed stimulation & stimulus intensity & reserpine vs haloperidol vs imipramine vs cocaine, fatigability of caudate nucleus motor response, cats, 56:3625
cyclic analog of dopamine, injections into brain, stereotyped behavior & locomotor stimulation & behavioral pharmacology, rats, 54:9098
cyclic 3,5-adenosine monophosphate dosages with vs without prior haloperidol & atropine, vomiting & defecation & hypoactivity, dogs, 57:5372
depamide in addition to lithium or haloperidol or chlorpromazine & ECS, adult inpatients with manic excitement, 58:12172
dexetimide, differential antagonism of inhibitory effects of haloperidol & fentanyl on brain self stimulation, male rats, 54:4870
dextroamphetamine & apomorphine & levodopa & haloperidol & scopolamine & alpha-methylparatyrosine & diethyldithicarbamate & pilocarpine, drug-induced rotation & dopamine & norepinephrine levels, female rats, 58:9128
dextroamphetamine doses with vs without subsequent haloperidol, social interaction & activity & stereotypies, monkeys, 57:786
dextroamphetamine vs haloperidol, serum dopamine-beta-hydroxylase activity, normal vs psychiatric patients with schizophrenic & depressive symptomatology, 58:12161
diagnosis & treatment using haloperidol, Gilles de la Tourette syndrome, case report, 53:12160
diazepam vs haloperidol, neurotic anxiety-tension states, outpatients, 54:3666
dopamine & levodopa & diethyldithiocarbamate & haloperidol, aggressive behavior & spontaneous bioelectrical activity, ants, 54:11243
dopaminergic drugs & acute medial forebrain bundle lesions, striatal acetylcholine levels, rats, 53:11098
dopaminergic mediation, interoceptive cue produced by dextroamphetamine, female rats, 54:7051
droperidol & haloperidol & perphenazine & chlorpromazine & cyclodol, fearful & aggressive responses to painful electrical stimulation, mice, 55:2076
drug injections into lateral hypothalamus, roles of dopaminergic & noradrenergic systems in modulation of normally motivated consummatory behavior, 57:7829
drug therapy & outcomes, Gilles de la Tourette syndrome patients, followup study, 57:1677
drugs acting on dopaminergic transmission, spontaneous motor activity & EEG & photically induced epileptic responses, baboons, 54:9181
ECS therapy with & without haloperidol vs diazepam, side effects & postoperative agitation & retrograde memory impairment, depressed inpatients, 55:10175
electrolytic lesion of substantia nigra zona compacta & apomorphine & dextroamphetamine & haloperidol & arecoline & atropine, naloxone-induced circling, morphine-dependent male rats, 56:9464
eserine & nicotine & atropine & methylatropine & clonidine & phenoxybenzamine & apomorphine & haloperidol, shuttle responses to buzzer in 2-way avoidance sessions, rats, 58:11286
fentanyl & apomorphine with vs without haloperidol vs naloxone pretreatment, asymmetrical generalization of discriminative stimulus properties, male rats, 57:5306
fluphenazine vs thiothixene vs haloperidol, rate & speed of remission, 18–53 yr old acute schizophrenics, 57:13329
haloperidol & chlorpromazine & alpha-methyl-p-tyrosine & reserpine & dihydroxyphenylalanine & FLA-63 & phenoxybenzamine, marihuana-induced aggressive behavior, REM sleep deprived male rats, 54:586
haloperidol & chorionic gonadotrophin, hormone status & behavior, 18–36 yr old male hebephrenic schizophrenics, 53:3635
haloperidol & clozapine & chlorpromazine, prey catching behavior, ferrets, 58:11348
haloperidol & clozapine treatment, extrapyramidal reactions & amine metabolites in cerebrospinal fluid, male schizophrenic inpatients, 54:1576
haloperidol & dopamine & angiotensin analog, dipsogenic action of intraseptal angiotensin II, male rats, 53:6862
haloperidol & other neuroleptics vs morphine & other narcotic analgesics, behavioral indices of dopaminergic activity & induced aggression, mice & rats & dogs, 54:9174
haloperidol & pimozide, food & water intake, male rats, 54:9210
haloperidol & spiroperidol & pimozide & nigrostriatal bundle lesions induced by intracerebral 6-hydroxydopamine, tail pinch induced eating, satiated male rats, 54:11155
haloperidol & trifluperazine, apomorphine-induced biting behavior & brain level of dopamine metabolites, tortoises, 56:9533
haloperidol alone vs with atropine vs clozapine alone vs with physostigmine, anticholinergic properties & extrapyramidal side effects, rats & mice, 58:11347
haloperidol, antagonism of amphetamine-induced symptoms, amphetamine abusing patients, 53:1642
haloperidol, anxiety & related symptom reduction, psychoneurotic anxious outpatients, 57:13319
haloperidol application to cortical surface, reticular inhibition of I-waves of pyramidal tract response, rats, 56:5694
haloperidol, aversive threshold, male rats, 56:2032
haloperidol, discriminative stimulus properties of lateral hypothalamic stimulation, rats, 58:7042
haloperidol, disruption of conditioned avoidance response induced by 6-hydroxydopamine, male rats, 55:11799
haloperidol dosage & side & long term effects, treatment effectiveness, hospitalized psychotics, 53:1678
haloperidol, gamma aminobutyric acid system in striatum & substantia nigra, male rats, 55:2083
haloperidol, glucose-insulin metabolism, 22–62 yr old chronic schizophrenics, 56:1103
haloperidol, heroin withdrawal & alleviation of abstinence syndrome, multiple drug user addicts, 54:5856
haloperidol, hyperactive children, 54:3655
haloperidol in low doses, neuroendocrine effects, male 18–35 yr olds, 58:11342
haloperidol in repeated administration, supersensitivity of caudate neurons to dopamine & apomorphine, rats, 54:7074
haloperidol injection into caudate nucleus & nucleus accumbens, antagonism of apomorphine- & dextroamphetamine-induced stereotyped behavior, male rats, 56:2066
haloperidol injection into nucleus accumbens, inhibition of dextroamphetamine-induced locomotor activity, rats, 54:4762
haloperidol, responding for response contingent flickering vs steady light, female rats, 58:11307
haloperidol, schedule-induced polydipsia, male rats, 56:9578
haloperidol, stuttering, 20–32 yr olds, 56:4532
haloperidol therapy, growth hormone response to insulin hypoglycemia, 16–53 yr old chronic schizophrenics vs hebephrenics vs paranoids, 58:12141
haloperidol therapy, Rorschach responses, 29–58 yr old hospitalized schizophrenics, 55:1077
haloperidol therapy, urinary gonadotropins & serum testosterone & follicle-stimulating luteinizing hormones & ACTH reserve, 16–62 yr old male chronic schizophrenics, 55:7638
haloperidol treatment & behavioral & biochemical relationship to schizophrenia & amphetamine psychosis, Gilles de la Tourette's disease, 53:3712
haloperidol treatment, tardive dyskinesia reaction, 4 case reports, 53:1671
haloperidol vs chlordiazepoxide withdrawal convulsions, ethanol dependent mice, 57:710
haloperidol vs chlordiazepoxide, acute alcoholic withdrawal symptoms, 27–66 yr old patients, 57:6410
haloperidol vs chlorpromazine, clinical effects & therapeutic reversal with benztropine, schizophrenic inpatients, 55:7674
haloperidol vs chlorpromazine, treatment process & nontherapeutic effects of trihexyphenidyl on process, schizophrenic inpatients, theoretical implications for potency differences, 55:7675
haloperidol vs methylphenidate, measures of behavior & physical function, hyperactive 5–10 yr olds, 58:12177
haloperidol vs placebo, stuttering treatment, adults, 54:1618
haloperidol vs Tacitin, symptom reduction, children with Gilles de la Tourette's disease, 56:4527
haloperidol vs thioridazine & adverse reactions, geriatric patients with behavior problems from chronic brain syndromes or senile psychosis, 53:5887
haloperidol vs thioridazine, apomorphine- vs LSD-induced hyperthermia, male rabbits, 55:9300
haloperidol vs thiothixene vs placebo, treatment efficacy & side effects, chronically hospitalized psychotics, 53:7899
haloperidol vs trifluoperazine vs thioridazine, judgment task performance, 25–64 yr old chronic schizophrenic inpatients, 58:7972
haloperidol withdrawal after long term treatment, adrenergic receptor sensitivity in CNS, male mice, 58:9116
haloperidol, 13 yr old male & 15 yr old female with Gilles de la Tourette's syndrome, 55:5160
interaction between amantadine hydrochloride & pimozide & haloperidol, acquisition of conditioned avoidance response, male rats, 53:9048
intramuscular haloperidol doses, remission of thought disorder & hallucinations & delusional activity & side effects, patients with acute functional psychoses, applicability to outpatient management, 57:10887
labeled dopamine & labeled haloperidol, development & implications of direct labeling of brain dopamine receptor sites, 56:442
levodopa & intracranially injected dopamine & haloperidol, suppression of ethanol withdrawal, mice, 57:9829
levodopa vs serotonin, behavior & biochemistry & cardiovascular system, rats & dogs, 55:9263
lithium & haloperidol, epinephrine-induced rise in plasma cyclic adenosine monophosphate, 24–55 yr old volunteers & psychiatric patients, 58:12138
lithium carbonate & haloperidol, brain damage & dyskinesis, agitated patients with mania, 53:12136
lithium carbonate vs chlorpromazine vs haloperidol, 21–68 yr old severely ill hospitalized manics, 54:1613
lithium carbonate &/vs haloperidol, excessive irritability & impulsivity, female patients with Huntington's chorea, 55:5152
lithium chloride & haloperidol alone vs in combination & lithium in combination with chlorpromazine vs trifluoperazine vs promazine vs flurazepam, toxic interaction effects, rats, 57:5298
long-acting vs conventional dosages of haloperidol, behavior, hospitalized schizophrenics, 58:5946
loperamide & haloperidol & methadone, responding following training to discriminate morphine from saline, male rats, 54:4803
loxapine succinate vs haloperidol vs placebo, symptom reduction & side effects, hospitalized acute schizophrenics, 56:8462
loxapine vs haloperidol, side effects & symptom change, 13–18 yr old acute & chronic schizophrenics, 55:10411
loxapine vs haloperidol, symptom improvement & side effects, 18–49 yr old female schizophrenic inpatients, 58:3925
methadone & dextroamphetamine given to Ss pretreated with vs tolerant to haloperidol vs amphetamine, dopamine metabolism, rats, 56:2019
methadone vs chlorpromazine vs haloperidol vs dopaminergic blocking agents vs phentolamine vs physostigmine & stress, methamphetamine-induced oral dyskinesias, male monkeys with methadone drinking history, 58:681
methylphenidate & haloperidol, time of action, heart rate & blood pressure, hyperactive 73–135 mo olds, 55:7637
methylphenidate hydrochloride & haloperidol, attention & immediate recognition memory & reaction times & seat activity, hyperactive & unsocialized-aggressive 4–12 yr olds, 54:8078
morphine & haloperidol & propranolol, precipitation of abstinence syndrome of morphine physical dependence, chronic spinal dogs, 56:7527
morphine & haloperidol, binding to brain opiate receptor & inhibition of binding of labeled naloxone, rats, 55:417
morphine vs haloperidol, dopamine receptor-associated adenylate cyclase activity in caudate nucleus, male cats, 56:3726
nalorphine & atropine & tail clip used in analgesia testing, morphine & "clip" catalepsy, morphine-treated mice, 53:11155
naloxone & dexetimide & pilocarpine, blockade of apomorphine-induced aggression by morphine & haloperidol & oxyperomide, rats, 57:2744
naloxone, antagonism of inhibitory effects of haloperidol & morphine on brain self-stimulation, male rats, 53:2696
neuroleptic drugs, central dopamine metabolism & relation to drug clinical side effects, psychotics, 57:6426
neuroleptics, discriminative stimulus properties of apomorphine & apomorphine-induced stereotyped behavior & labeled haloperidol binding in striatal tissue, male & female rats, 58:11238
nitrazepam & haloperidol & pentobarbital, oxygen pressure of nuclei amygdalae lateralis & reticularis pontis caudalis during sleep–wakefulness cycles, cats with chronically implanted oxygen cathodes, 53:11207
norepinephrine & dopamine manipulation by 6-hydroxydopamine alone vs with haloperidol vs levodopa following alpha-methyl-para-tyrosine, hypothalamic vs preoptic self stimulation, rats, 56:7445
orphenadrine, prevention & correction of haloperidol-induced neurodysleptic syndrome, patients, 57:3973
papaverine, haloperidol-induced catalepsy & apomorphine-induced stereotypy & brain monoamine concentrations, male rats, 57:2763
penfluridol & haloperidol & chlorpromazine & pimozide & oxypertine & chlordiazepoxide & diazepam, monoamine metabolism in CNS, male mice & rats, 54:7036
penfluridol & haloperidol & chlorpromazine & reserpine & alpha-methyl-para-tyrosine & nialamide, apomorphine-induced stereotyped behavior, male monkeys, 54:7054
penfluridol vs haloperidol with sociotherapy, adaptation & IQ scores, chronic schizophrenics, 57:6425
perlapine vs chlorpromazine vs haloperidol vs clozapine, prediction of antipsychotic efficacy based on dose-dependent increase in levels of 3,4-dihydroxyphenylacetic acid in striatum & tuberculum, rats, 58:3041
pharmacokinetic parameters of haloperidol, normal adult volunteers, 57:5319
phenobarbital & haloperidol & diazepam & chlorpromazine & amphetamine administration during neonatal stage, ambulation & defecation & open field behavior & maze learning, male vs female adult rats, 56:3707
pretreatment with chlorpromazine & haloperidol & clozapine & thioridazine, alpha-dimethyl-M-tyramine-induced hypermotility, rats, 54:9175
pretreatment with chlorpromazine & reserpine & sulpiride & haloperidol, behavioral effects of thyrotropin-releasing factor, mice, 56:3747

prior administration of propranolol vs haloperidol vs atropine, lithium-induced water drinking, rats, 53:619
psychotropic drugs & dosages, locomotion & exploratory behavior, mice, 53:9084
regressive ECS therapy vs chlorpromazine or haloperidol treatment, treatment outcome, former schizophrenic patients, 24-mo followup, 58:9808
repeated administration of chlorprothixene vs flupenthixol or fluphenazine vs haloperidol vs piflutixol, inhibition of conditioned avoidance behavior, male rats, 58:11242
scopolamine & haloperidol, deprivation- & hypertonic saline- & polyethylene glycol- & isoproterenol-induced drinking behavior, male rats, 54:4779
scopolamine, differential attenuation effects of haloperidol, male rats, 57:2794
sensitive & specific radioimmunoassay, quantitative determination of haloperidol in extracted human serum, psychotic patients, 58:2459
sensory stimulation, potency of cataleptogens, female mice, 54:4774
serum protein binding of haloperidol, healthy Ss & psychiatric patients in drug therapy, 58:7088
sulpiride vs haloperidol, paranoid & hebephrenic schizophrenic inpatients, 54:1569
thioproperazine & pipotiazine & haloperidol, antipsychotic action & relationship to dopamine transmission in mesolimbic & mesocortical systems, male rats, 56:5703
typical neuroleptics & clozapine & sulpiride & thioridazine, antagonism of hyperactivity induced by intracerebrally-administered dopamine to nucleus accumbens septi, male rats, 56:9547
unilateral lesions of substantia nigra & haloperidol & theophylline & reserpine & tranylcypromine, rotational behavior induced by dopamine & norepinephrine & apomorphine & dibutyryl cyclic adenosine monophosphate, male rats, 57:7711
wheat gluten, progress in therapeutic treatment with neuroleptics, schizophrenia, 56:8464

Hamsters
activity-stress, ulcers in glandular stomach, male rats & hamsters & guinea pigs & gerbils, 56:7424
adrenalectomy, rhythmic & nonrhythmic aggressive behavior, male hamsters, 54:11197
age & respiratory infection, hippocampal theta rhythm during exploratory sniffing, 4–9 vs 20–26 mo old rats vs 12–14 wk vs 14 mo old hamsters, 57:2627
age & weight & activity level, disc exercise-induced growth, hamsters, 58:9005
aggressive responses towards males & females of differing hormonal status, male hamsters, 54:2645
alcohol dosages, aversions to saccharin-flavored water, male hamsters, 56:5652
antiestrogens MER-25 vs CI-628, lordosis & sexual receptivity, rats & hamsters, 57:7811
caging conditions & testosterone propionate vs estradiol benzoate vs progesterone, fighting, male vs female hamsters, 53:9065
castration & treatment with testosterone propionate & isolation from females, odor preference for female hamster vaginal discharges, sexually inexperienced vs experienced male hamsters, 54:11166
chronic daily administration of estradiol benzoate vs dihydrotestosterone propionate vs testosterone propionate & progesterone, lordosis duration & male & female sexual behavior, male & female gonadectomized golden hamsters, 54:6940
circadian rhythms of self selected lighting & relationship to wheel-running activity & testicular weight, hamsters, 58:4947
classification according to collection of sensitivities, afferent taste nerve fibers, hamsters & squirrel monkeys, 56:265
colliculectomy, spatial localization & identification, male hamsters, 58:2959
deafening by tympanum destruction & natural vs induced estrus & presence of caged vs uncaged castrated vs copulating males vs diestrus females, lordosis & proceptivity, female hamsters, 58:2897
density regulation mechanisms, confined colonies of hamsters, 57:2601
development of aggressive & marking behavior, intact vs castrated male hamsters, 54:2523
development of barbiturate tolerance & dependence in glial cells in culture, hamsters, 56:2074
developmental changes, pre-adult behavior, confined colonies of hamsters, 54:736
diazepam & chlorpromazine & meprobamate & apomorphine & dextroamphetamine & piribedil & fenfluramine & sulpiride & imipramine & phenobarbital & clonidine & morphine, take-up time in hoarding behavior, hamsters, 54:9187
dihydroxyphenylalanine & iprazid & 5-hydroxytryptamine, play behavior & serotonin level in brainstem, hamsters, 55:2101
dimethyl disulfide isolated from estrous vaginal secretion, attractant pheromone, hamsters, 57:2612
directional selectivity of visually responsive units in superior colliculus, male hamsters, 57:12262
dominance relationships & food hoarding & marking behavior, male hamsters housed in compartmentalized Plexiglas cage, 55:1933
early experience & maternal behavior, behavioral development, hamsters, 55:9065
early testosterone propionate treatment, mounting & lordosis behavior, gonadectomized male vs female hamsters, 54:9061
electrical stimulation of septal area, suppression of lordosis, hormone-primed female hamsters, 54:6949
enlarging & darkening of normal dark brown chest patches & upright postures, interspecific aggression, male hamsters, 56:9363
enucleation, 2-way avoidance behavior, rats & hamsters & chinchillas & BALB/cJ mice, 54:4740
environment & previously established odor preferences, botanical odor & hamster odor & nest shaving preferences, immature hamsters, 56:7289
estradiol & progesterone & mating, sexual receptivity & regulation of sexual behavior, female hamsters, 57:2732
estradiol vs dihydrotestosterone vs testosterone vs androstenedione vs estrone, mounting behavior, ovariectomized female hamsters, 53:2663
estrogen & progesterone, onset of maternal behavior, pregnant hamsters, 55:466
estrogen & progesterone priming, lordosis response & reproductive development, prepubertal castrated & intact female hamsters, 53:518
exposure to aversive organic odors during rearing, hamster pups, 54:7165
eye enucleation, territorial aggression, olfactory bulbectomized vs nonbulbectomized hamsters, 56:7486
fade-out times of secretions deposited by flank & vaginal marking, golden hamsters, 56:3471
feeding during dark phase of inverted day/night cycle, access to exercise wheel & production of stomach ulcers, hamsters, 58:2930
female gonadectomy & progesterone, pup carrying & killing & cannibalizing behavior, male vs female virgin hamsters, 56:5571
female hamster vaginal discharge, facilitation of copulatory behavior, male hamsters, 54:731
FI & fixed-time food delivery, classes of behavior patterns during interfood intervals, male & female food-deprived golden hamsters, 58:11072
food deprivation & strange environment exposure & food reinforcement, exhaustive action patterns, hamsters, 53:9178
food deprivation during rapid growth & constant weight gains, search behavior, hamsters, 55:6339
food deprivation for 24 vs 96 hrs vs half daily feeding periods corresponding with light/dark cycle, food intake & body weight, hamsters vs rats, 57:7548
gonadectomy, body weight & body fat changes, male & female hamsters, 57:5283
gonadectomy, operant responding for saccharin, male vs female hamsters, 55:399
hypothalamic aminergic action, antiovulatory effect of sulpiride, guinea pigs & hamsters, 57:12385
interspecific attack on mice vs frogs, male vs female hamsters, 58:8968
laminar origin of efferent projection from auditory cortex, hamsters, 57:5158
light-dark cycle & sex & septal lesions, hoarding behavior, hamsters, 55:9235
light–dark rhythms in aggressive behavior, male hamsters, 54:11120
lithium chloride & methylatropine nitrate & phenylacetic acid, modification of mating behavior by taste/odor aversion conditioning, male hamsters, 57:2680
male copulatory behavior, initiation of physiological responses for pregnancy, male & female hamsters, 55:11591
medial preoptic & anterior hypothalamus lesions, aggressive behavior, female hamsters, 57:9803
morphological & physiological & behavioral indices of sexual maturation, male hamsters examined from 3 to 9 wks of age, 58:8858
neonatal androstenedione, adult sexual behavior, castrated hamsters, 53:9120
neonatal hormone experience, adult lordosis & fighting, hamsters, 54:2536
neonatal testosterone propionate, puberty & bisexual behavior, female hamsters, 53:9124
novel & qualitatively different types of environments, predatory behavior, male golden hamsters, 56:1895
odorant presentations, temporal relationships between rhythmical slow wave activity in dorsal hippocampus & stereotyped sniffing, male hamsters, 54:8952
odors & social encounters, scent marking, male hamsters, 55:1934
odors from normal & glandectomized male golden hamsters, exploration of unfamiliar area, male hamsters, 55:9060
olfactory bulb ablation, handling reactivity & open field & agonistic behavior, male vs female hamsters, 55:2041
olfactory bulb lesions, acquisition & extinction of taste aversion, male hamsters, 57:7733
olfactory bulb removal & olfactory stimulation, territorial aggression, male Syrian golden hamsters, 57:5287
olfactory development & neonatal olfactory preference, hamsters, 55:11531
ontogeny & sequential aspects & ovariectomy effects, grooming behavior, golden hamsters, 55:9067
optical vs real loom situations, ability to avoid impending collision, hamsters, 58:4862
ovarian & androgenic hormones during adulthood, male & female behavior, adult & neonatally castrated male vs neonatally androgenized & untreated female hamsters, 56:9466
ovarian hormones, sexual receptivity duration, ovariectomized female hamsters, 53:8947
peripheral deafferentation of vomeronasal &/or olfactory systems, sexual behavior, male hamsters, 54:2563
postnatal testosterone, sexual behavior after treatment later in life, castrated male, intact female hamsters, 57:7700
previous experience & social isolation & dominance, submissive behavior distance, male golden hamsters, 53:2797
preweaning behavioral development, golden vs Chinese vs Djungarian hamsters, 56:9272
progesterone & its metabolites, lordosis & brain uptake, ovariectomized estrogen-primed female hamsters, 58:2913
prolonged odor stimulation & surgical disconnection of olfactory bulb from centrifugal inputs, electrical unit responses of olfactory receptors & mitral cells of olfactory bulb, hamsters, 57:7659
punishment, ongoing avoidance behavior, male hamsters, 55:260
regulatory defense of exercise-induced weight elevation, female hamsters, 54:657
reproductive state & social isolation, aggressive behavior, female hamsters, 53:2810
secretion from dorso-lateral flank gland, causation of scent markings, male hamsters, 55:1991
septal lesions at weaning vs adulthood, aggression & hoarding & nesting & weight gain, hamsters, 57:7734
septal lesions during juvenile period vs adulthood, weight & social behavior & hoarding & nesting & aggression, hamsters, 56:5616
serial vs 1-stage transections of lateral olfactory tract, sexual & feeding & territorial behavior, male hamsters, 56:5621
spatial & temporal organization of behavior in home cage, golden hamsters, 54:2584
spatial behavior in structured fields with curved boundaries, hamsters, 53:6990
species limitation to schedule-induced polydipsia, male golden hamsters, 54:9051
taste aversion conditioning to vaginal secretion from estrous females, male hamsters, 55:261
testosterone propionate & dihydrotestosterone & androstenedione, aggressive responses to intruders, male hamsters, 53:2669
testosterone vs ovarian hormones, mounting & lordosis behaviors, neonatally & adult castrated male & neonatally androgenized & nonadrogenized female hamsters, 54:11167
tryptophan & serotonin changes in brain regions over 24 hrs, male hamsters & rats, 57:9749
urine applied to castrated intruder, aggression, resident male hamsters, 54:751
vaginal secretion carried sexual information, association of secretion flavor & illness to produce taste aversion, male hamsters, 57:528
vaginal secretion of estrous & postestrous females vs urine odors, sex-attraction function, male hamsters, 53:2799

Hand (Anatomy)
alternate monocular squint prism viewing of movements of each leg with the contralateral eye, eye–foot & eye–hand coordination, college students, 53:10760
amplitude of movement & target width, hand movement time on serial tasks, 21–43 yr old males, 56:87
central & peripheral processes, localization of body parts, college students, evidence for central body schema, 53:2202
chronic parietal discharges, transfer of training between hands, split brain monkey, 56:359
compulsive gambling, interpretation of personality development through hand activity, 53:9657
ear & hand dominance, 8–9 vs 10–11 yr old normal vs retarded readers, 58:3566
hall vs hand exposure to visual field displacement, proprioceptive & visual components of displacement adaptation in acquisition & decay, college students, 58:2601
hand efficiency tests, determination of handedness, 56:1703
hand function & tactile perception, 6–8 yr olds with myelomenigocele, 57:1481
hand preference, hand movements which cross body midline, 4 vs 6 vs 8 vs 10 vs 12 yr olds, 58:7233
hypnotherapy, severe arthritis in hands & feet, 39 yr old female, 55:1094
instructions to produce relevant imagery, control of hand temperature, college students, 56:9061
laterality, mandibular & manual performance of dichoptic visual pursuit tracking, right vs left handed college students, 55:8731
mind–body relationship & personality changes in analysis as reflected in hand & fingers & lines in palm, 53:11712
on-line system for data collection, analysis of hand movement, 54:275
orientations in picture plane & presentation of palm or back of either hand, mental transformations in identification of left & right hands, college students, 53:10772
preferred hand, reaction time in flexion & supination movement patterns, 25–45 yr olds, 53:10865
preferred vs nonpreferred hand use, visually controlled aiming task & ballistic rhythmical tapping test performance, left- vs right handed vs ambilateral Ss, 54:4542
preoperative training & recovery period & complete & bilateral postcentral removals, impairment in somesthetic discrimination tasks, monkeys with unilateral ablation of postcentral gyrus, 53:11234
presence vs absence of visual feedback of approaching hand, successful reaching for visually apprehended object, 2.5–6.5 mo olds, 55:9433
quantified complexity of contours, accuracy in discrimination & identification of human hands, college students, 56:9117
reduction of peripheral sensory feedback by use of pressure cuff, sequential movement rate & distance estimation & complex movement pattern & force reproduction using wrist & hand & fingers, college students, 55:11350
reliability of differences between hands, manual speed measures on peg-moving task, 53:8756
rotary hand vs arm movements in target aiming task, information rate generation, 57:4845
strategy used by S, unsteadiness of hand during psychophysical judgment task, 57:11861
tendon vibration, perception of limb positions beyond maximum operating range, right handed 6–40 yr olds, 58:10862
use of psychoanalytic concepts in forming comprehensive treatment program, reactions to severe burns of face & hands, Israeli soldiers, 57:8833

Handedness [See Lateral Dominance]

Handicapped [See Also Adventitiously Handicapped, Amputees, Aurally Handicapped, Autistic Children, Blind, Brain Damaged, Congenitally Handicapped, Deaf, Educable Mentally Retarded, Emotionally Disturbed, Health Impaired, Home Reared Mentally Retarded, Idiot Savants, Institutionalized Mentally Retarded, Mentally Retarded, Minimally Brain Damaged, Multiply Handicapped, Partially Hearing Impaired, Partially Sighted, Physically Handicapped, Profoundly Mentally Retarded, Severely Mentally Retarded, Slow Learners, Speech Handicapped, Trainable Mentally Retarded, Visually Handicapped]
accountability, early intervention programs, handicapped infants, 54:3551
active participation in negotiation for preferred definition of self, visibly handicapped, 55:4681
administrative problem solving technique, implementation of mandated legislation for handicapped children in resource room settings, 57:11228
adoption of proposed systematic planning model, planning for early childhood programs for handicapped, special educators, 56:6816
age & education & previous employment, prediction of rehabilitation outcome, vocationally impaired Ss, 53:10310
American Association for Education of Severely/Profoundly Handicapped, rationale & goals & target population, 56:8580
analysis of WISC & Illinois Test of Psycholinguistic Abilities & relationships to school achievement & socioeconomic status & ethnicity, normal & handicapped black & Spanish-surnamed & other students, 56:3089
application of arts in special education, exceptional children, 56:8774
attitudes toward hiring handicapped, community employers, 58:6469
attitudes toward integration of handicapped & nonhandicapped children in early education, parents of handicapped vs nonhandicapped preschoolers in integrated vs segregated early education program vs babysitting cooperative, 58:2179
attitudes toward own & other groups, physically normal vs recently disabled vs long term disabled persons, 55:10098
attitudes toward staff providing rehabilitation services, disabled individuals enrolled in work-station center & clients from community college satellite program, 55:1192
attitudinal similarity–dissimilarity, ratings of attraction toward able-bodied vs disabled persons, female Ss, 53:5184
available social services, white & black families with developmentally disabled child in rural southern areas, 56:2673
avocational counseling of handicapped, book, 53:1809
behavior modification & normal & cognitive developmental models, preschool classroom programs for handicapped children, 54:1927
behavior modification, application to rehabilitation therapies & problems of physically disabled, book, 58:1652
behavior therapy employing parents as co-therapists, development of visual orientation reaction & assistance in speaking & eating without aid, seriously disabled 2.5–8.5 yr olds, 58:5901
behavioral approaches, changing behavior, handicapped children, 53:12522
behavioral status evaluation & teacher & parent attitudes toward student at entry into community school program & after 3–4 mo followup, outcome predictors, 11–17 yr old institutionalized developmentally disabled, 58:10548
behavioristic orientation to categorical labels for handicapped children in special education, 56:6815
behavioristic task-analysis model of instruction, severely handicapped 10 yr old male with trisomy 13-15 syndrome, 56:8379
benefits of integration of handicapped students into regular schools, 57:4432
camping, handicapped children, Canada, 53:9928
care & education & therapy & rehabilitation, mentally retarded children & physically disabled adults & speech & hearing disordered persons, book, 55:1105
career education program, vocational attitudes toward work, institutionalized educationally handicapped female adolescents, 58:2216
career orientation activity in rehabilitation center, vocational adjustment & locus of control & self concept, handicapped clients, 58:10083
causes & preventions & amelioration of pathological development in children & animals, symposium papers presented at 7th annual Gatlinburg Conference on Research & Theory in Mental Retardation, book, 55:4671
characteristics & developmental needs, handicapped children in nursing homes, 58:6008
characteristics & interests & attitudes, members of state Developmental Disabilities Council, 58:5639
chemotherapy & psychotherapy & behavior modification & specialized educational procedures, teacher's role & guidelines in working with children with specific handicaps, 53:6194
classroom-oriented problem solving groups containing reinforcement-punishment contingency, increase in verbalization of feelings & interpersonal communication, educationally handicapped 9–12 yr olds experiencing interpersonal problems, 57:4423
clinical assessment of disabled persons & measurement & evaluation of vocational rehabilitation, selected readings, 58:2496
cognitive stimulation of handicapped infants, literature review, 57:12867

color vision test, identification of color discrimination deficits, young children & handicapped, applicability to school entry screening, 58:7760
competency needs & previous training & characteristics of current program & population, special educators of crippled & health-impaired children, 56:4709
components of training, teachers of severely & profoundly handicapped, 56:1344
comprehensive community service delivery system using self help & peer counseling, independent living & consciousness raising, severely disabled & blind, 56:8491
comprehensive rehabilitation center, attitudes & individual background characteristics, clients, 55:5296
conceptual & empirical framework, value of integration of handicapped & nonhandicapped preschoolers, 56:1474
conceptual framework & research methodology, rehabilitation institute on attitudinal & legal & leisure barriers to disabled, 57:11058
conceptualization & evaluation of occupational role acquisition, chronically physically or mentally or socially disabled, 58:12255
contributions of former Supreme Court Justice W. O. Douglas, provision of equal educational opportunities for severely & profoundly handicapped, 56:6820
controlled environment laboratory evaluation developed by Goodwill Industries, evaluation of occupational & behavioral & cognitive & perceptual-motor abilities for placement in sheltered workshops, severely disabled clients, 58:1526
correlations between life satisfaction & morale & adjustment measures data, Ss over 60 yrs old in institutions vs community vs with limited ambulation, 58:3149
counseling techniques & strategies, relationship development & vocational counseling programs, physically & socially disabled, 54:8191
creative thinking skills program, verbal & figural creative abilities, intermediate grade educationally handicapped children, 58:2208
criterion-referenced measurement focusing on educational objectives, shaping & differential reinforcement for motivation in acquisition of psychomotor skill, 13 yr old male & 16–17 yr old male juvenile delinquents, 58:10544
critical analysis, famous handicapped people, 53:7725
cue regulation & self reinforcement & self observation, self control techniques in education of handicapped children, 56:1477
cultural perceptions & differences, treatment of handicapped school children of Mexican American parentage, 58:9801
curriculum approaches, handicapped children in special education programs, Scotland, 58:8372
curriculum guide focusing on communication & socialization & safety & leisure time skills, moderately & severely handicapped, book, 58:8368
curriculum guide of objectives & strategies & functional academics, teaching moderately & severely handicapped, book, 58:8367
curriculum guide, undergraduate course in human sexuality of developmentally disabled, 56:2910
degree of interactions in areas of epidemiology & preventative & treatment programs for handicapped children, community mental health center & local school districts, 57:11517
delivery of services & rehabilitation needs of severely handicapped persons, 53:8128
demographic characteristics & vocational rehabilitation services, disabled Chicano clients, 56:2699
designing & planning schools & educational programs for handicapped, book, 55:5640
destructive potential of social perception, precautionary measures in rehabilitation, disabled clients, 54:8216
developing affective behavior in exceptional children, need for integration of structuralist & functionalist perspectives, implications for education & therapy planning, 57:3754
development & evaluation, identification process for location & screening & evaluation, 3–5 yr old handicapped children, 55:7267
development & success & dangers of behavior modification, training & treating developmentally disabled, 58:5893
development of special education programs & services for handicapped children prior vs subsequent to passage of mandatory legislation, Illinois, 58:2209
diagnosis & rehabilitation & prevention, physically & mentally & behaviorally handicapped children, 57:5950
diagnosis & test materials, overview of psychological & educational evaluation of normal & exceptional children, 58:10201
diagnostic & evaluative & consultative services, maternal attitudes & anxieties, mothers of exceptional children, 58:10006
diagnostic approach to problem of grave disability & incompetency, patients, 55:7266
early developmental assessment, handicapped infants & young children, 55:10096
economic benefits, early diagnosis & training for handicapped children, 57:10988
education & counseling program, self concept, parents of children enrolled in health & physical development clinic, 58:10004
educational administration of mandatory implementation of services to handicapped 3 & 4 yr olds, identification of problems jeopardizing program success, teachers & directors & administrators of special education, 56:3037
educational methods, gifted & mentally retarded & learning disabled & handicapped & emotionally disturbed students, book, 54:8435
educational programs for parents of handicapped children, 54:12187
effective counseling for disabled & their families, book, 56:6301
environmental analysis & reinforcement theory considerations, special education, handicapped children, 53:10534
environmental experiences of elderly persons with sensory deficits, simulation model, 53:5735
establishment & implementation, state planning advisory council on developmental disabilities, 54:7996
establishment of mental health consultation unit within county welfare department & city area community mental health center to perform Aid for Disabled evaluations & general consultation, 54:10303
establishment of regional rehabilitation continuing education programs, severely disabled, 56:8538
evaluation & management & prevention & legislation, study of developmental deviations & learning disabilities in children, book, 58:5630
exceptionality, book, 54:7180
factor analysis, Disability Factor Scales, 53:2155
fairness & bias, WISC & Wide Range Achievement Test of Reading, educationally handicapped South Dakota Sioux children, 58:10609
family life with disabled child, book, 55:12360

Consultant Teacher Services training program, personal growth & knowledge of consultant teacher skills & attitude toward handicapped & enhancement of behaviors to function as facilitators of change, special education Master's degree students, 56:2792
coping with avoidance by family & friends, newly blinded persons, 54:7959
curriculum &/or experiences with handicapped, modification of attitudes toward handicapped, regular class 2nd & 3rd & 5th graders, implications for mainstreaming, 58:4272
demographic variables, attitudes toward severely disabled, vocational rehabilitation counselors vs disability determination examiners vs facility workers vs full-time graduate vs undergraduate rehabilitation counseling students, 58:10110
destructive potential of social perception, precautionary measures in rehabilitation, disabled clients, 54:8216
dynamic group psychotherapy, parents of cerebral palsied children, 54:1666
educational integration, attitudes toward handicapped peers, nonhandicapped 5th & 9th graders, 55:3211
evaluation of college course, improvement of attitude toward maintenance of mildly handicapped children in classroom, regular classroom teachers, 55:1537
exposure to information about vocational & social capabilities of disabled adults, attitudes toward disabled, beginning education students, 55:13031
exposure to live vs video vs audio presentations of discussion on physical disability issues conducted by visibly disabled panelists, attitude modification, college students, 58:5668
extended contact with normals in public school, personal space, hard-of-hearing 10–12 yr olds, 55:7448
film of handicapped children in police-oriented situations & investigator-designed programed booklet, attitudes toward handicapped children, law enforcement community college students & Ss in inservice training program, 56:3005
focusing & self disclosure & self esteem & degree of perceived negative attitudes of others toward impairment, hearing impaired college students, implications for perpetuation of stigmatization, 55:12579
grade & stuttering severity, teachers' predictions vs students' actual judgments of social position & speaking competence of male student stutterers, 3rd vs 6th graders & their teachers, 57:13901
group discussion, attitudes toward handicapped peers, 6th graders, 58:3349
handicap type, attitude changes toward handicapped, employers, 1960–1970, 53:1542
handicapped adult vs child recipient of potential donor's earned vs nonearned acquisition of money, age differences in generosity, 5–6 vs 8–9 yr olds, 58:5214
importance of & adherence to religion, attitudes toward war-disabled, Vietnamese, comparison of results with Western sample, 57:12578
inservice training, attitudes toward & knowledge about correct placement of handicapped children, regular classroom teachers, 57:13609
knowledge of & experience with blindness & socioeconomic status, attitudes toward blindness, graduate students in special education practicum, 58:12465
labeling as perceptually handicapped, self concept & social acceptance & teacher attitudes related to treatment, 1st graders, 56:4927
labeling, self-concept & expectations, retarded & disadvantaged & deprived black children, 53:1318
"lost-letter" technique, measurement of sympathy toward handicapped children, 53:5064
needs & attitudes, sexuality in handicapped, 55:10137
observations of programs & physical facilities of various preschools & attitudes toward integrating handicapped & developmentally delayed children into programs, preschool directors & teachers, 56:1465
parent-child interactions & parent attitudes toward children, number of social behaviors & positive vs negative responses & commands & responsivity to deviant behavior, orthopedically handicapped children vs normal siblings & their parents, 57:8516
participation in course in disability with vs without plans to work with disabled vs educational psychology course, attitudes toward disabled, college students, 58:2021
participation in teacher education game on labeling handicapped children, attitude & knowledge change, teacher trainees & experienced teachers, 58:12468
perceived attitude similarity of disabled, interpersonal attraction ratings, college students, 55:9761
preventive measures for parents & teachers, development of positive personality & outlook to counteract special problems due to environmental attitudes in school, epileptic children, 55:5651
problems of parents of handicapped children, 54:12122
professional development seminar, attitudes toward & knowledge of needs of & behavioral strategies with handicapped students, school counselors, 58:8155
professional diagnostic team's manner of approach & intervention methods, parental acceptance of mentally handicapped child, 57:1757
pupillary dilation, attitude toward orthopedically handicapped children, teachers of orthopedically handicapped vs regular-classroom teachers vs teacher trainees, 55:7889
Questionnaire on Resources & Stress, measurement of family response to handicapped family member, parents of handicapped 4–16 yr olds, 56:9971
race & handicapped vs nonhandicapped, attitudes & approach-avoidance & imitation & helping behaviors toward adults, white kindergartners vs 4th graders, 55:6834
reactions to handicapped populations, charted voice modulations, college students, 56:703
reactions to hearing aid wearers, normal hearing individuals, 55:9527
revolution & regression in social issues & changing attitudes toward illness & personnel in rehabilitation programs & treatment outcome, 53:8125
role playing demonstration, attitude toward blindness, Lions & Rotary clubs, 55:9542
scale values for favorableness assigned to adjectival descriptions, generalizations about deviant groups, college students, 55:586
self evaluation & attitudes toward disability groups, normal vs disabled Ss, 55:4670
semantic differential measurement of attitudes toward severely disabled, vocational rehabilitation counselors vs rehabilitation counseling students & disability determination examiners & facility workers, 57:6573
semi-integrated camping, self-concept & counselor attitudes toward disability, 8–16 yr old physically handicapped males vs normals, 53:3864
sex & age, handicap definitions, 17–81 yr olds, 53:1529
sex & live vs video vs audio panel presentations by individuals with visible physical disabilities, modification of attitudes toward physically disabled, nondisabled college students, 58:7493
sex & race & high vs low socioeconomic level, self concept & body concept & attitudes toward disabled persons, Black vs White disabled 25–60 yr olds, 57:8356
significant other's age & race & sex & educational level & attitudes toward handicapped, perception of problems of handicapped, Ss designated as significant other by handicapped persons, 58:7761
simulated handicapping experience, attitude toward & awareness of & responses to counseling problems of handicapped students, college students, 55:1143
social attitudes toward handicapped vs minority group members, 55:7461
social interaction with disabled confederate, anxiety & strain reduction & consequent positive gain in attitudes toward disabled persons, nondisabled Ss, 58:5299
special education course requiring interaction with & approval of handicapped adult, changes in stereotyped attitudes & behavior, college students, 56:8631
special education student teaching center program, behaviors & attitudes toward handicapped children, student teachers, 58:8196
systematic desensitization strategy, attitude change toward disabled, review, 54:322
threat of personal disablement, reactions to humor stimuli & attitudes toward disabled persons, college students, 58:5346
tolerance for ambiguity, attitude toward employment of disabled persons, college students, 53:5198
tolerance for ambiguity with varying stimulus & background factors, attitudes toward disabled, college students, 55:1634
training in interdisciplinary setting, attitude change toward disabled, allied health paraprofessional trainees, 54:1204
treatment & training, distressed parent of disabled child, 53:7879

Handicrafts [See Crafts]

Handwriting [See Also Cursive Writing, Handwriting Legibility, Printing (Handwriting)]
adaptation to left-to-right movement, 5–11 yr old left-handers, 53:841
additive vs simultaneous programs to establish stimulus control by reference pictures, directionality attributes of handwriting, 4 & 5 yr olds, 57:9032
age & verbal & nonverbal IQ & writing speed & associate learning, WISC Coding subtest performance, male vs female 9–10.5 yr olds, 56:2142
analysis of handwriting, personality changes & epiphenomena, schizophrenics, 55:4719
analysis of handwriting samples, derivation of qualities needed for geometry achievement, students, 57:4359
androgyny vs sex-typing, perception of masculinity-femininity in handwriting, college students, 58:9423
automatic handwriting & psychology of handwriting, 57:4
ballpoint vs fountain pen vs pencil, user preferences for instrument & handwriting done with instrument, college students, 57:7316
biofeedback & writing retraining under optimum conditions, treatment of writer's cramp, 56:1086
components of & readiness in handwriting, 54:5022
contribution to study of handwriting psychology, 57:2140
copying vs tracing practice exercises, teaching handwriting, kindergartners & 2nd graders, 55:7982
correlation between Edwards Personality Inventory scores & analysis of handwriting specimens for personality traits & Ss' ratings of handwriting analysts' assessments, college students, 58:3419
development of evaluative overlays as objective & reliable method of measuring manuscript letter formation, 6 & 7 & 9 yr olds experiencing difficulty in letter formation, 56:6849
diagnostic & remedial treatment approaches, reading & spelling & writing & speaking deficits, adolescents, 53:10528

handwriting speed, left- vs right-handed children at 5 & 7 & 9 & 11 yrs of age, 54:2661
handwriting vs typewriting reading worksheets, reading vocabulary, learning disabled 7–10 yr olds, 58:6353
handwriting-based inferences about academically relevant traits by judges unknown to writers, self presentation, college students, 55:805
hypotheses & verification, handwriting psychology, 54:3171
identification of writers of letters written by unknown writers, concept identification with natural materials, Japanese housewives & white collar workers & college students, 54:10958
individual contingency program, increased handwriting size, male 4th grader, 58:4263
instruction with vs without demonstration or verbal explanation & handwriting skill, copying of 2-dimensional figures, 8 yr olds, 57:13764
instructions to write & speak alphabet vs set of 2-digit numbers as fast as possible, speed of oral & written responding, male college students, implications for research in verbal learning & memory, 56:5264
intelligence & educational level & family background & personality traits & early memories & dreams & graphological analysis & psychological tests, nationally known comedians, 54:11804
lateral consistency development & eye & hand preference, reading achievement & vocabulary & reversals in writing, 4–8 yr olds, 57:12483
laterality, graphic activity of 2 hands, summary of 15-yr longitudinal studies, 57:2864
left–right vs right–left reading–writing habits, directionality in drawing Bender-Gestalt figures, Austrian vs Israeli right-handed 1st–9th graders, 54:9324
letter copying task utilizing self verbalization of errors & potential reinforcer for meeting criterion or recopying for not meeting criterion, measurement of visual-verbal feedback on changes in manuscript letter formation, 6–9 yr olds, 58:10420
manuscript vs text print, word recognition, 2nd graders, 55:10771
multimodality language vs writing therapy, adult male aphasics, 54:5700
neuroticism & handwriting resembling that of opposite sex vs characteristic of own sex, college students, 57:12832
operant training procedure, rapid treatment of errors of orientation & sequence in handwriting, disadvantaged 5 yr olds in Head Start class, 56:2873
personality correlates, handwriting, kindergartners & 1st–12th graders, 55:9870
preparation for writing instruction in kindergarten, prevention of developmental writing disorders, kindergartners, 56:4773
pronunciation & phoneme perception & vocabulary & word construction & grammar & syntax problems, writing disorders in dictation task, 1st–4th graders, 54:3080
psychoanalytic interpretation, handwriting difficulties, children with dead fathers, 53:9758
reading & writing habits, asymmetry of visual perception, right vs left handed German & Israeli students, 58:6782
reading & writing performance using cursive vs manuscript form, adult aphasic patients, 57:13040
reinforcement schedules & drugs, handwriting, humans, 55:8725
reproduction &/vs discrimination training with letterlike forms, reproduction & discrimination of test & similar forms, black low socioeconomic status 4 & 5 yr olds, implications for reading & writing, 55:8128
retraining, handwriting, patient with dysgraphia due to brain gunshot wound, 54:10317
richness of communication mode, language structure during cooperative problem solving, male high school students, 57:5438
right hand graphic training activities, left handed children, 57:2882

right–left differences in visual fields & vertical vs horizontal writing, college students, 54:4529
self esteem & status, size of signature, college students in role playing situation, Canada, 58:9542
self instructional vs direct training in printing with contingent social reinforcement, kindergartners with writing deficiencies, 54:1880
signature formality & change as index of S motivation in psychological experiment, college students, 55:208
Sixteen Personality Factor Questionnaire scores & handwriting speed, college students, 53:124
teaching printing utilizing programed instruction materials vs perceptual exercises, shaping & sharpening of alphabetical printing responses, preschooler, 58:10333
techniques of age regression & progression & automatic writing & time distortion, 55:2715
use of paper vs slate in 1st 6 mo of school, writing characteristics, 1st graders, 54:12575
usefulness of handwriting psychology in diagnosis & treatment & relationship to socialization & hereditary & environmental factors, 57:3410
validation of graphological personality judgments, book, 53:1198
validity of graphological signs for extraversion, college students, 58:9585
ventrolateral thalamus stimulation during stereotactic operations, writing pressure, patients with spastic torticollis, 55:11717
visual & kinesthetic control in 2-handed graphic activity, 5 & 6 yr olds, 58:2599
visual feedback, copying & handwriting performances, 7–11 yr olds, 53:8763
voice vs face-to-face vs handwriting vs teletypewriting communication mode, language structure used during cooperative problem solving of dyads, male high school students, 57:9910

Handwriting Legibility
field dependence vs independence, duration & legibility of writing task, female psychiatric inpatients, 53:265
handwriting & related skills, spelling scores, above vs below average readers in 5th grade, 55:8184
retraining, handwriting, patient with dysgraphia due to brain gunshot wound, 54:10317
sinistrad vs dextrad mirror writing & reading after brain concussion, bilingual 47-yr old female, 58:5721

Happiness
age & marital & parental status & age of children, self rated happiness, adult males at different cycle stages, 56:7701
age & sex & social class & situational differences, self report of mood & happiness, 4–99 yr olds, 54:2733
analysis of concept of happiness, 56:1588
beliefs about causes of happiness, 58:7554
biographical information & prior knowledge of US culture & higher education & happiness & adjustment & success & attitudes toward US people & self & other Iranian students, Iranian students at US university, 57:6895
category vs magnitude estimation scales as measures of marital happiness, marriage behavior, couples, 57:5681
conceptual analysis & empirical study, marital happiness in modern & traditional marriage, 56:5924
creativity & happiness & life enjoyment, 57:8308
degree & determinants of marital happiness & unhappiness & perceptions of spouses, male alcoholics & wives, 54:7877
developmental task achievement in 12th grade & background factors, prediction & correlates of life satisfaction 5 yrs after graduation, young adults, 56:2430
dimensions of marital satisfactions & tensions, discussion of S. R. Orden & N. Bradburn's model for structure of marital happiness, 57:3105
effectiveness of simple linear models, prediction of marital happiness, married couples, 57:12638
group treatment program, attainment of orgasm through masturbation & in partner-related activities & happiness & relaxation, 19–34 yr old preorgasmic females, 54:10251
happiness & psychosomatic complaints & health & meaningfulness of life & marital satisfaction, parents vs nonparents, criticism of instinct theory of procreation, 54:9530
happiness value survey, 18–22 yr old Filipinos, 53:1210
happy vs sad vs angry imagery, facial expression EMG patterns, depressed vs normal Ss, 57:12269
hospital discharge, readmissions & community adjustment & happiness, long-stay psychiatric patients, followup study, 54:8218
interpersonal & economic resources, evaluation of resources & quality of life, students, 58:7502
job satisfactions & relationships to leisure satisfactions & overall happiness, labor union members, 55:8523
marriage, general psychological well-being & happiness, males vs females, 56:3907
membership in church affiliated & other types of voluntary associations, life satisfaction & happiness, Ss aged 65 yrs or older, 57:1029
mental & physical health & friendship & socioeconomic variables, happiness, 45–74 yr olds, 58:7299
mental health of family, happiness with child, 54:11451
mood induced by thinking about happy or sad things, self gratification, 3rd graders, 55:7246
need for theory concerned with generosity & love & joy & sadness & willingness to die, 55:14
perceived contributions of parents & teachers & peers & people of own & other castes & government, happiness with material & social living conditions, male primary school student of Brahmin & "Scheduled Caste", India, 57:5645
perceptions of classroom environment as happy vs joyless & teacher-student interaction, 5th & 6th graders & teachers, 57:11462
personal & environmental variables, happiness in school, 5th & 8th & 11th graders, Japan, 56:4863
physical attractiveness, happiness & neuroticism & self esteem, college students, 54:3142
precipitating factors, group glee & laughter during lessons & teacher's reactions, nursery school students, 57:1991
presence vs absence of confidant, self concept & life satisfaction & happiness & anxiety, aged, 56:9940
problem solving ability, marital power & happiness, 55:645
program of social interaction with mentally retarded adults, morale & role satisfaction, aged Ss, 57:1764
proselytizing rational living, rationality scores & personal happiness, college students, 53:7389
psychosynthetic techniques, cheerfulness development for family & social relations, 54:3562
racial differences, morale, black & white urban residents aged 65 yrs & older, 53:2897
ratings of self & significant others on unhappiness & extraversion & self assertiveness & productive persistence, male alcoholic vs nonalcoholic college students, 56:8185
relationship between happiness & social participation, 62–89 yr old females, 4-yr longitudinal study, 55:7068
relative deprivation in framework of shift to white comparative reference group, self reported happiness, blacks, 1946–1966, 55:619
relative predominance & constellations, joy & fear & anger, 53:8846
role playing of happy vs angry moods followed by insult vs no insult & E sex, physical aggressiveness, female college students, 58:9525
rural-urban differences, models of marital happiness & family satisfaction, 58:11586
satisfaction in stages of life cycle & levels of general happiness & frequency of peak experience, college students, 57:10395
self esteem manipulated by content of self evaluative statements, mood, characteristically elated vs depressed female college students, 55:7280
self-perceived happiness, aged & physically handicapped & mentally retarded children, 53:5659
social interest & faith in people & self esteem & social responsibility & life satisfaction & happiness & anomie, service-oriented professionals vs prisoners vs psychiatric patients, 57:12807
standards of normality for happiness vs individuality & change & honest communication, rhetorical visions in popular magazines concerning interpersonal relationships, 54:2976
subjective measures of life experiences & patterns of well-being, American population, 56:3875
success measured by position & prestige & money, achievement without happiness, corporate executive, 55:12081
transcendental meditation, self actualization & anxiety & happiness & drug usage & interpersonal relations & social behavior, juvenile offenders, 55:7758

Haptic Perception [See Cutaneous Sense]

Hashish
cannabis smoking, blood lactic acid & glucose, chronic vs occasional hashish smokers, 53:9095
chronic marihuana & hashish administration, hepatoxicity & cirrhosis & lysosome damage resulting in reduced cellular immunity, rats, 53:11190
contributions of J. Moreau de Tours, effects of hashish & psychiatry, 54:4399
drug usage during 6-mo period, college students, 53:9390
family intervention, hashish dependent 19-yr-old female, 53:5919
hashish & tetrahydrocannabinols & noncannabinoid drugs, discriminative response control, male rats, 53:11192
hashish, isolation-induced aggression, wild mice, 56:2052
marihuana vs hashish vs delta-9-tetrahydrocannabinol vs placebo, EEG & EKG & ratings of mood change, experienced male marihuana smokers, 57:5411
neuroticism on Freiburger Personality Inventory, hashish usage, vocational school students, 54:9726
parental alcohol & stimulant & sedative use & smoking & overeating incidence, use of hashish & amphetamines & opiates, male US Army drug abusers vs nonabusers, 56:3968
psychiatric & physical health & demographics, male long term hashish users vs nonusers, 57:1132
subcultural selling techniques & user characteristics & historical development of hashish trade, Ottawa, 57:10211

Hate
marital love & hate, book, 57:5683

Hawaii
affiliation motivation, achievement, 9th–12th grade Hawaiian-Americans, 53:11477
age & cultural experience, comprehension of kinship concepts & relational thinking, 4–14 yr old rural Hawaiians, comparison with R. A. Levine & D. R. Price-William's African sample, 56:3841
age & marital status & demographic characteristics, pregnancy planning, Hawaiian women, 54:11641
aims & concepts & methodology & major findings & policy implications, Value of Children project, Asian countries & Hawaii, book, 56:5891
attitudes toward Hawaii English Project's Language Skills Program, elementary school administrators & teachers, Hawaii, 58:8192
consultation with Filipino female boarding home operators of Hawaiian psychiatric aftercare facility, management of patients from other ethnic groups, 54:9811
drug use & family background & personality, alienation, male & female adolescents from US mainland living in Hawaii, 53:7232
interaction rules for encounters within & outside community & ethnicity, Japanese & Caucasians, Hawaii, 55:12101
interpersonal needs, male vs female 3rd generation Japanese vs Caucasian American college students, Hawaii, 57:3060
multidimensional scaling analysis, cultural differences in use of English mood words, Japanese vs Chinese vs Filipino vs Hawaiian vs Caucasian Ss, Hawaii, 57:12459
nonmetric multidimensional analysis, ethnic in- & intermarriage from 1948–53 & 1965–69, males vs females, Hawaii, 56:5911
participation in sibling caretaking & school, teacher vs peer classroom attending behavior, Hawaiian students, 58:6304
praise vs no reinforcement vs criticism, marble dropping task response rates & inequality of variances, Hawaiian vs white 4th–5th graders, 56:7768
sampling & methodology & major findings, Value of Children project, Hawaii, book, 56:5892
self esteem, parental generation of Hawaiian-Americans, 54:1121
social context, changes in intonation & lexicon & grammar rules, Hawaiian Creole speakers, 53:1157
sociospatial environment, personality need structure changes measured by EPPS, urban vs rural Japanese vs Hawaiian high school students, 55:4604
subcutaneous fat, cold exposure responses, Hawaiian-born Japanese vs Caucasians, 55:9158
validity of Halstead-Reitan Neuropsychological Battery, neurological & neurosurgical evaluation patients, Hawaii, 57:84
value style & school achievement, Hawaiian-Americans, 54:1898

Hay Fever
psychogenous factors, patients with hay fever vs perennial rhinitis, 56:6251

Hazards
control of anxiety during emotional stress of hazardous diving experiences, undersea divers, 56:10814
dart–throwing game, simulation of danger-related aspects of hazardous activities, 54:10764
street corner as natural laboratory, relationships between predisposing factors & risk in street crossing behavior, pedestrians, 54:7515

Head (Anatomy)
alcohol stress & target angle & location certainty & brightness & information contents, eye & head dynamics during visual search element, 18–26 yr olds, 58:262
apparatus for recording & signaling head-turning, infant research, 56:3192
apparatus for recording of left-to-right head position, newborns & infants, 56:3179
attention shift from manual control task to peripheral monitor, eye & head dynamics during visual search & processing tasks, 57:11880
frontalis electromygraphic biofeedback vs relaxation instructions, reduction of frontalis muscle tension, college students, 54:11113
head measurement & growth, children of low birth weight, 54:5017
headless roach preparation as system for physiological analysis of instrumental learning, criticism of G. Horridge's model, 58:2948
interruption of manual control task to visually process peripheral digital target, dynamic patterns of eye & head movements, 55:8738
maintained head & eye rotations, additivity of aftereffects & alternative to recalibration hypothesis in prism adaptation, 56:9063
movement in visual environment & acceleration in inertial environment & mechanics of stepping, control of head movements locomotion, doves, 55:11586
signal amplitude & event rate, visual monitoring efficiency with vs without head restraint, college students, 57:11939
technique for measurement of horizontal head & eye movements, 56:1626
use of psychograph & phrenology, diagnostic tool for vocational guidance of unemployed during 1930's, 58:2442
visual search, head & eye movements, 55:8739

Head Banging
aversion treatment, headbanging, 23-yr-old male, 53:7964
differential reinforcement of other behaviors, reduction of aggression & head banging rates, 6 yr old profoundly retarded female, 58:1648
electric shock, reduction of head banging, 9-yr-old retarded boy, 53:1748
head banging, congenital indifference to pain & proprioceptive body image in self-object differentiation, case history, 54:3293
leg shock & conditioned aversive stimulus, headbanging on the ward, profoundly retarded 25 yr old, 54:8098
negative practice, nocturnal headbanging, 26-yr-old male, 53:3786
nursing-care approach based on behavior modification, head hitting, severely retarded children, 54:3736
omission training, reduction of self injurious behavior, 14 yr old severely retarded boy, 54:1712
reinforcement for incompatible behavior & positive practice overcorrection, elimination of self injurious behavior, profoundly retarded 14–16 yr old males, 57:6351
remote-control aversive stimulation, head-banging, profoundly retarded 9-yr-old female, 53:12232
remotely controlled punishment vs avoidance conditioning, head banging & head hitting behaviors, 16 yr old profoundly retarded female, 58:3824
social isolation, modification of head banging behavior, 15 yr old profoundly retarded girl, 56:6403

Head Injuries [See Also Brain Concussion]
acute traumatic intracranial hematoma, traumatic epilepsy after nonmissile injuries, 54:7943
aphasic disorder, patients with closed head injury, 58:5692
auditory characteristics, tinnitus resulting from head injuries, 56:4328
brain damage severity, Wechsler Memory Scale performance, patients with severe closed head injury, 56:8229
coma duration & post-coma assessment time, long term neuropsychological deficits, 16–37 yr olds hospitalized for accident-incurred traumatic head injury, 57:5129
correlation of length of retrograde & anterograde amnesia & hospitalization duration, patients with closed head injuries & unconsciousness & amnesia, 54:9985
cranio-cerebral war wounds, changes in personality & body image, young adults, 57:10608
differential diagnosis & psychiatric treatment, headaches occurring after head injuries, 56:8257
differential diagnosis of traumatic twilight states & amnestic episode, 28 yr old male & 64 yr old female, 58:5703
EEG, prediction of late traumatic epilepsy, patients with head injuries with high risk of late traumatic epilepsy, 54:10005
EEG-interval-spectrum-analysis, photic driving responses, normal Ss & patients with brain tumors & severe head injuries, implications for clinical examination, 55:12556
head injuries, immediate & short-term & residual neuropsychological status, children, 53:3500
hypnotic exploration, anterograde & retrograde amnesias, Ss with serious cerebral injuries, 54:1470
hypnotic regression to 1 day before accident, improvement on tests previously indicating brain damage, head injured 16 yr old female, 58:3662
hypnotic suggestions of symptom relief, treatment of headache & vertigo, skull injured patients, 56:6453
impact site, cognitive impairment persistence, right-handed males with severe closed head injury, 53:1570
injury severity, short term recognition memory for random shapes, patients with head & peripheral nerve & spinal cord injuries, 57:3702
language disturbances after cranio-cerebral trauma, child with deaf mute parents, 58:1492
laughing attacks, 19 yr old female with CNS malfunction & male 28 yr old with head injury, 55:10146
lingusitic competence & natural language functions & effectiveness of visual communication therapy program, 21 yr old male with severe head trauma, 57:1459
MMPI performance, patients with right- vs left-hemisphere brain damage secondary to missile wounds, 54:1443
MMPI profile, male veterans with war-related head injuries, 53:5698
need for multiple biochemical laboratory tests, clinical & prognostic evaluations of cases of severe head injury, 56:4335
neuropsychological status, EEG ratings, head-injured & chronic brain-damaged & minimal cerebral dysfunction children, 53:3499
occupational therapy, approach management of acute head injuries, 58:6024
prosopagnosia without visual field defect following closed head injury, 45 yr old male, 56:936
psychometric assessment, detection of brain damage, head injury patients, 56:8233
reading ability, head-injured patients with visual pathway vs anterior brain damage, 53:12017
regressive language, patients with severe head injuries, followup study, 57:6180
rehabilitation problems & therapeutic methods, patients with cerebral contusions, 58:8075
retrograde & anterograde amnesia & disorientation, comatose patients with severe head injury, 55:7466
severe head injury, auditory vocal digit span & free recall performance as measure of short & long term memory, patients, 57:1473
severe head injury, cognitive recovery measured by serial testing on WAIS, head-injured adults, 55:10127
severe head injury, cognitive recovery measured by WAIS performance during post-traumatic amnesia, head-injured adults, 55:10128
severe head trauma, reduplicative paramnesia, 25–49 yr old males, 56:910
severity of head injury & post-traumatic amnesia duration & length of time from injury, WAIS verbal & performance IQs, Ss at 3 vs 6 vs 12 vs 30 mo following injury, 57:13073
shape identification, recognition memory, severely head-injured adults, 53:1526
signal detection analysis of recognition memory & memory capacity & willingness to guess, patients with severe head injury & posttraumatic amnesia, 54:5596
success at school & work & intellectual development & social integration, patients who suffered from severe to moderately severe brain trauma before age of 15 yrs, 10-yr followup, 58:11964
taste & smell abnormalities, head-injured patients, 53:1568
visual evoked responses, children with cortical blindness following head trauma or meningitis, longitudinal study, 53:7734
WAIS scores after accident vs 10–11 weeks later, intellectual deficits & subsequent recovery, US Navy enlisted men with closed head injury, 56:8226

Head Start [See Project Head Start]

Headache [See Also Migraine Headache, Muscle Contraction Headache]
alpha EEG feedback training vs pseudo-feedback, alpha EEG changes & headache patients vs healthy controls, 57:1640
antiepileptic drug therapy, headaches characterized by paroxysmal high-voltage EEG discharges, 2–9 yr olds diagnosed as having epileptic headaches, 56:6438
biofeedback & self control tension headache & neuromuscular complaints & epilepsy & dysponesis & cardiac arrhythmias & blood pressure & migraine, 57:8727
biofeedback training in alpha enhancement vs progressive relaxation training, tension headache symptoms & EEG occipital alpha & forehead & neck EMG & self report measures of anxiety, 55:7612
butriptyline, tension headache as symptom of depression, 40–77 yr old patients, 57:3983
clinical histories & headache types, patients with headaches related to sexual activity, 58:9777
differential diagnosis & psychiatric treatment, headaches occurring after head injuries, 56:8257
diffuse concentric hyperostosis of neurocranium, headaches & mental disturbances, 42 yr old male & 23 yr old female, 58:9792
hypnotherapy, violent frontal headaches, 40 yr old female, 57:6444
hypnotic suggestions of symptom relief, treatment of headache & vertigo, skull injured patients, 56:6453
intimate social relationship, severity of tiredness & anxiety & depression & irritability & backache & headache & palpitations & dizziness & breathlessness, women, implications for onset of depressive illness, 56:6164
LSD-25 & psilocybin & placebo, psychic sensitivity, essential headache sufferers, 54:5606
mild electrostimulation, chronic migraine & tension headache symptoms, patients, 53:12308
mutual dependence of psychosomatic sleep disturbances & heart pains & headaches & constipation, patients, 54:5476
olfactory meningioma, insomnia & headaches & nausea & nervousness & behavioral problems & euphoria & aggressiveness & impudicity & defective memory, 35 yr old woman, 54:6053
physiological basis & classification & differential diagnosis, headache, 53:3506
positional nystagmus & delayed taste perception, etiology & treatment of common muscle contraction headaches, 54:3460
psychological & physiological characteristics & psychopharmacology & physiological interventions, vascular & tension headaches, 54:12127
psychosomatic aspects, headaches, 53:11861
RO 5-4023, migraine headaches & other types of cephalgia, 19–66 yr olds, 57:3964
self monitoring, headache intensity & frequency & duration, college students & volunteers with frequent headaches, 55:5080
social acquiescence & pain intensity, placebo-induced pain relief, headache patients in penal institutions, 57:3999
systematic analysis using multifactorial causation concept, interaction of physiologic & somatic factors in headache, 57:13035
transcendental meditation & biofeedback conditioning with thermal & muscle tension feedback signals, relaxation & treatment for headaches, psychiatric patients, 55:1030
voluntary control of heart rate & skin temperature, hospitalized males with psychosomatic vs nonpsychosomatic stomach disorders or headaches, 57:10600

Health [See Also Community Mental Health, Mental Health]
academic performance, need for & use of & orientation to counseling & health services, college students, 57:8835
activity measurement, campus medical vs mental health services, 53:10550
activity programs & exercise & participation in self government, assumption of maximal responsibilities & health, residents of homes for aged, 54:8235
administrative roles in health delivery systems, work of Commission on Education for Health Administration, 53:8489
age & health & education & occupation & community participation, household task performance, young husbands vs wives, 55:9622
age & income & life satisfaction & education & organizational participation, subjective–objective health education discrepancy, Ss over 65 yrs of age, 58:7152
age & sex & education & occupation & income & marital status & health & voluntary association participation & social interaction, morale, Black vs White urban aged, 58:11539
age-linked intellectual development & health experiences, development of concepts of illness, 6–12 yr olds & their mothers, 57:904
analysis of desires & health & income & mobility, survey of housing needs, aged, West Germany, 57:8053
animal communication, purpose & function in relation to concepts of "normality," analogy to human communication in regard to health, 54:748
anxiety & adjustment measured by 16PF scores, age differences in self reported health, 25–82 yr olds, 58:7280
anxiety & motherhood, attitudes toward health, women, 56:7745
assessment of social functioning & effectiveness evaluation of health care delivery systems, Function Status Index as measure of health status, 54:8180
attitude toward smoking & health relationship, flue-cured & burley tobacco farm operators, 57:10199
attitudes toward independence & personal & poor health & social isolation & death & demographic characteristics, prediction of old age devaluation, young adults vs middle aged vs elderly, 57:9936
behavioral intention model of M. Fishbein, prediction of health services utilization & development of communications strategies, community women, 57:13366
behavioral techniques, walking & social interaction & oral hygiene, 58–88 yr old geriatric patients in residential nursing home facility, 55:5121
biobehavioral correlates of WISC subtest performance, diagnosis & prescription in learning situation, disadvantaged southwest Indian junior high school students, 55:11002
blood type & health & sex & height & weight & diet & smoking & activity, longevity, Ss over 90 yrs old vs younger Ss, Turkey, 53:5000
caffeine use in America's food & drug habits, socioeconomic & social & health implications, 54:5151
cannabis use, health, 1973 Health Education & Welfare report, book, 54:2560
characteristic attitudes & behaviors, physical & mental health approaches, Mexican-Americans, 53:10246
characteristics of health variables, self perceptions, 54:7673
chewing coca leaves, beneficial effects as contrasted with negative effects of cocaine, 57:13348
childhood development, child health care, 54:3828
childhood experiences & broken homes & poor physical health & history of family mental illness & total income & employment & socioeconomic status worries, institutionalized psychotic vs neurotic patients, case studies, 57:3517
chronic stress, prediction of family health action & health status, low income persons, US, longitudinal study, 57:8366
clinical characteristics & social functioning, schizophrenics, Croatia, long term followup, 57:10462
closure of state mental hospital, perceptions of employment & health status changes & future plans, patients & hospital staff, 58:1784
community health & mental health advocacy programs, case report & proposed program, 54:3786
comprehensive care program, preschool visually impaired children & their families, 54:8165
concepts of mental illness & health & treatment, residents of American Samoa, 56:2191
concern with threat of illness & health sophistication & orientation toward health professionals & experience with illness, health maintenance & health-seeking activities, aged, 55:12091
concreteness-abstractness, structural properties of cognition & conceptions of health & illness, college students, 58:1207
consumer health research, commitment to client self determination & improvement of health delivery services, social workers, 58:8024
consumer–provider relationship, comprehensive health care, health care consumers, 53:10279
control over environment & predictability of positive outcome, physical & psychological well-being, retirement home residents, 58:7166
control over vs predictability of visits received, physical & psychological well-being, institutionalized 67–96 yr olds, 56:8523
convictions for drunkenness & criminal offenses & institutionalization & corrective training & illness of gonorrhea & disability pensions & public assistance & age at 1st treatment, 19–54 yr old female alcoholics given compulsory treatment, Sweden, 57:4182
coordinated home care services delivered by team of health professionals sponsored by VA Hospital, elderly patients, 58:7997
cross cultural perspectives, physical & social aspects of adolescence & health care, selected readings, 58:3063
crowding, health as measured by psychoendocrine measures of stress & disease & illness behavior, White adults living in urban household & neighborhood conditions, 57:7083
cultural & social & interpersonal relationship change, health, 53:5439
cultural traditions, health problems, Puerto Ricans, 54:5080
culture, perception & patterns of response to matters of health, Arabian immigrants & black Americans, 55:12097
demographic & academic & health & psychological factors, collegiate persistence vs nonpersistence, vocationally undecided male college students, 56:1445
demographic & health & attitude survey responses, correlation with pass–fail performance criterion, Naval scuba trainees, 53:6334
demographic & social economic developments & social hygienic research, elderly workers in industry, USSR, 56:6871
demographic approach, family health studies, 53:12046
demographic characteristics & health, pet ownership, central California households, 53:9386
demographic characteristics & incidence of use of medical care & general & emotional health & adverse drug reactions, light vs heavy users of outpatient prescription drugs, 56:6445
demographic characteristics & personality traits & health knowledge, crisis intervention volunteers, Tennessee, 55:7817
demographic characteristics & types of sleep complaints & observations in sleep laboratory & general health & psychometric assessment profiles & subjective evaluations of sleep, insomniac patients in sleep clinic, 57:3723
demographic variables & stress of husband's final illness & death & concurrent stresses affecting bereavement experience, psychological & physiological & social adjustment, widows, 58:3418
demographics & health problems & state of mind, elderl applicants to long term care institutions vs those living independently, 56:4569
depression & hopelessness & physical health & alcohol & drug abuse, age differences in attempted suicide patterns, 10–19 & 20–29 & 30–39 & 40–49 & 50 or over yr olds, 54:5538

ethical & scientific considerations & model for analysis, communication intervention for change of health behavior, 57:4055
food habits & nutrient content of food intakes & nutrient levels measured by blood biochemistry tests & knowledge of nutrition, college students from food & nutrition courses, 56:6651
grade contract vs traditional grading method, retention of knowledge in venereal disease unit, junior high school health class students, 53:6267
health behavior status, course curriculum development & instruction effectiveness, senior high school students in health classes, 54:8386
health education, health services delivery, 53:5774
health education program, knowledge & attitudes & behavior about tobacco use, 7th–9th graders, 53:12459
health-related audiovisual aids for Spanish-speaking audiences, annotated list of prices & distributors of films & TV spots & filmstrips & slides, 53:5989
Hess's complaints inventory questionnaire & Raven's Progressive Matrices & MMPI & Cattell's 16PF & questionnaire regarding illness attitudes, patients with breast carcinoma, implications for patient care & health education, 55:12551
humanistic approach, teaching health, 53:12460
inclusion of homosexuality unit in health education course, personality & attitude changes, high school students, 56:4761
lecture vs slide-tape method, physical fitness instruction, college students, 58:6229
medical practices & practitioner characteristics & importance & essentiality of occupation to society, hierarchical prestige rankings of occupations within health field, physicians & dentists & nurses & pharmacists & clinical psychologists & health educators & chiropractors, 58:1886
mental health course in health education program, 54:12535
nutrition attitudes & knowledge & personality traits, nutrition-related behavior, nutrition education assistants, 58:6150
nutritional counseling program to alleviate over- & underweight & anemia & hypertension, program effectiveness, female participants in family planning projects, 57:13378
operation & staffing, health education library, medical patients, 53:9925
parent orientation about child's health education unit, parent-child communication about family life & human sexuality, parents & their 11th grade children, 57:4329
past & current trends, general health education programs, drug education, 54:4133
patient education in comprehensive college health program, 53:8263
peer teaching vs traditional instruction in venereal disease education, knowledge & attitudes & behavioral intentions, community college students, 57:13729
performance-based teacher education, evaluation of changes in health knowledge & attitudes, 5th graders, 54:12525
physical education, contributions toward attaining behavioral goals of general education, college students, 55:13096
positive vs fearful persuasive communication & feedback from behavioral measures, dental hygiene behavior change, junior high school students, 55:1353
professionalization, delivery of health care services & education, 53:5431
prototype health education unit, cardiovascular knowledge test scores, 6th graders, 56:4460
readability, junior high school health textbooks, 54:10531
role of school health professional, design & development & production of educational television programs, 53:4014
sanity-insanity as continuum, discussion of A. Korzybski's concept, application to health education field & advertising, 57:12856
school health program, special school system for pregnant teenagers, 53:12429
sex role stereotyping in elementary school health education textbooks, 58:2063
social scientific involvement, methods & effectiveness of health education, 54:8310
source of information & knowledge of & opinions about prevention & preventive methods, venereal disease questionnaire responses, male & female college students, implications for venereal disease education & clinics & prevention programs, 53:5141
structured vs unstructured teaching format & body image, compliance with post-hospitalization prescriptions & knowledge about life following heart attack, 32–75 yr old male patients, 58:12181
student vs traditionally determined curriculum, health knowledge & interests, college students, 55:10796
teaching style & verbal value-clarification, health knowledge & health values, junior high school student teachers & their students, 58:6241
theoretical analysis of selected factors related to intentions & behavior, implications for health education, 56:8279
token reinforcement, oral hygiene skill maintenance, 44–68 yr old moderate to severely retarded women, 53:1772
toothbrushing training program, self care, 9–17 yr old institutionalized retardates, 54:12329
traditional public health model of primary & secondary & tertiary prevention, translation of basic skills in practice of health education into suicidological terms, 58:7992
validation, instrument to evaluate school health instruction program, teachers, 57:11333
values clarification methods in patient education, life style review & priorities establishment & implementation of life style changes due to limitations by disease, medical & surgical hospitalized cardiac patients, 56:8504

Health Impaired
systematic physical fitness program, fitness & self reported personal adjustment improvement, male 16–35 yr old rehabilitation center clients with behavioral problems & mental retardation & epilepsy & visual impairment & cardiovascular & other disabling conditions, 57:10647

Health Insurance [See Also Employee Health Insurance, Workmens Compensation Insurance]
comprehensive national health insurance, medical & reparative & social control & humanistic tasks in psychiatric practice for severely ill patients, 56:8470
consumer satisfaction with prepaid group practice vs alternative health insurance plans, 54:3858
cost & quality control, mental health insurance, 53:9424
cost financing system, mental health facility in labor union program, 54:3553
current issues, inclusion of mental health benefits under national health insurance, 56:10411
economic issues, cost-financed mental health facility & labor union insurance, implications for national health insurance, 54:3555
expanded 3rd-party insurance coverage for mental health services, mental health practice, 55:12898
financial coverage for treatment of mental illness through health insurance, 53:3295
health insurance, coverage for mental illness treatment, aged, 53:5491
history of & reforms in mental health care & national health insurance bills covering mental illness, 57:8825
institution of prepaid health plan, inpatient & outpatient utilization of psychiatric services in rural group practice, 57:6476

National Health Insurance legislation, private psychiatric hospital care, 56:6533
philosophical framework & guidelines & accountability, reimbursement of milieu therapy under insurance, 57:6509
physical intensity vs meaning & emotions of traumatic stimuli & insufficient ego functioning resulting in traumatic neurosis, legal aspects of compensation for psychiatric illness associated with physical incidents, 54:5398
politics of mental health funding, 58:10041
President Carter's views on mental health & function of President's Commission on Mental Health & Retardation & national health insurance & funds for training & research, 58:10102
problems in diagnosis of adolescent psychiatric patients & need to justify treatment to 3rd-party payor, 57:13106
procedure for securing payment to community mental health centers for services provided under Medicaid's clinic service option, 58:10017
psychiatric diagnoses & utilization rates & referral rates to mental health clinic & appointments kept, poverty vs nonpoverty members of prepaid group practice plan, 53:8095
psychiatric perspective & prospects for future developments, prepaid group medical practices, 54:10069
review of testimony to US House of Representatives & position of American Psychological Association on national health insurance for mental health care, 57:13512
roles & efficiency & effectiveness of private & public sectors of mental health care, national health insurance, 53:9998
testimony to US Senate, development of efficient & economical mental health delivery service under national health insurance, 57:13495
treatment provider's viewpoint, problems in development & insurance coverage of partial hospitalization programs for psychiatric patients, 57:13434
utilization profile, cost-financed mental health facility in labor union program, 54:3554
viewpoint of insurer, justification of treatment & diagnosis of adolescent psychiatric patients, 57:13128
viewpoint of 3rd-party payor, partial hospitalization as cost-effective alternative to full hospitalization, 57:13432
volume estimation & expenditure analysis of mental health services in public & private sector, implications for national health insurance proposals, 57:6462

Hearing Aids
adjustment to hearing-aid use, Danish adults, 53:10301
behind-the-ear hearing aids with directional vs conventional microphone, ability to locate sound source, patients with bilateral symmetrical perceptive hearing loss, 54:10784
clinical evaluation, behind-the-ear hearing aid with amplitude compression vs linear amplification, patients with perceptive hearing impairment, 53:6015
clinical-psychological evaluation & methods for prescribing appropriate hearing aids, hearing impaired children, 58:1537
differentiation of low fidelity circuitry by behavioral test response, reliability of behavioral measures & assessment of electroacoustic characteristics & interactions of hearing aids, 57:7165
direct supervisory intervention through transistorized hearing aid during counseling practicum, counseling performance, counselor trainees, 58:10129
hearing aid frequency response, speech perception, hearing impaired Ss, 58:1522
hearing aid type & test day & S differences, speech reception thresholds & discrimination scores, adults with impaired hearing, 55:10092
hearing aids with amplitude compression, word intelligibility, normally hearing vs Ss with sensorineural hearing impairment, 58:12014
hearing-aid treatment, social hearing handicap index, hard-of-hearing Ss, 53:10300
local anesthetic, pure-tone air conduction & speech detection thresholds under earphones or with conventional hearing aid, 12–17 yr old profoundly deaf, 58:11969
monaural vs binaural amplification, performance on speech reception & speech discrimination tasks, 5–14 yr old binaural hearing aid wearers, 55:4958
noise & reverberation, monaural & binaural speech perception through hearing aids, hearing-impaired & normal college students, 53:12013
psycholinguistic abilities & academic achievement, 4th–6th grade hard of hearing students in regular classes, 58:6262
pure tone hearing thresholds & auditory responses to speech & auditory training & language development, selection of hearing aid, prelinguistic hearing impaired children, 54:5641
reactions to hearing aid wearers, normal hearing individuals, 55:9527
recovery time in compression hearing aids, speech intelligibility, normally hearing vs otopathologic listeners, 58:12019
simulation of frequency amplification present in hearing aids with distinctive feature emphasis, accuracy of consonant identifications, normal vs sensorineural listeners, implications for hearing aid selection procedures, 58:1523
standard vs open earmolds coupled to CROS hearing aids & simulation of hearing loss & auditory stimulation, ear canal frequency responses & speech reception threshold & speech discrimination, normal hearing Ss, 54:10878

Hearing Impaired (Partially) [See Partially Hearing Impaired]

Hearing Measures [See Speech And Hearing Measures]

Heart [See Also Heart Auricles, Heart Valves, Heart Ventricles, Myocardium]
dose-dependent differences of amphetamine levels in brain & heart, adult vs developing mice, 53:6798
ethanol dependence & withdrawal, catecholamines in brain & heart, male rats, 54:9127
ethyl alcohol, cardiac function, 3 animal species & man, 54:7045
rate of ethanol withdrawal, accumulation of labeled-norepinephrine & metabolites in brain & heart, rats, 53:2670

Heart Auricles
nifedipine, mechanical & electrical activity of isolated atrium, female rats, 55:6616
tricyclic antidepressant compounds, uptake & potentiation of noradrenaline responses in isolated atria, rats, 53:4738

Heart Disorders [See Also Angina Pectoris, Arrhythmias (Heart), Bradycardia, Coronary Thromboses, Myocardial Infarctions, Tachycardia]
aging & cardiac disorders & sexual behavior, book, 53:950
alpha-like rhythms in EEGs after cardiac arrest, 22–83 yr old comatose patients, 56:6249
attitudes toward individuals with renal failure & heart disease & cancer & paraplegia, provision of counseling & care services to cancer patients, practicing counselors, 57:11160
chloral hydrate & glutethimide, anticoagulant activity of warfarin, coronary heart diseased patients, 54:1621
chronic grief, couple with infant born with cardiac abnormality, 54:3311
coronary heart disease incidence, schizophrenic vs cancer vs internal medicine vs psychosomatic illness patients, implications for psychosomatic illness continuum, 55:10141
definitions of "stress" & "strain" & measurement of environmental stress & psychophysiological strain in coronary heart disease, 57:6172
familial support structure in task situation, mentally disturbed vs cardiac impaired vs normal children & parents, 58:11784
galvanic skin potential responses, prediction of mental status & anxiety & depression & denial, acute coronary patients, 54:5608
genetic & environmental factors, type A behavior related to coronary-prone behavior, monozygotic vs same-sexed dizygotic college age twins & their parents, 57:5911
hydroxyzine hydrochloride, EKG changes & possible adverse cardiac interactions, patients, 56:10377
hypnotherapy in conjunction with pharmacological procedures & group hypnosis, insomnia & anxiety, patients with cardiac infarct, 57:3759
intellectual & personality & neuropsychological tests & cardiac impairment ratings, prediction of open-heart surgery survival, 16–60 yr olds undergoing extracorporeal circulation, 54:3853
intensive direct instruction & mass media campaigns, reduction of susceptibility to heart disease, 58:9822
invisible vs visible disability, adjustment, 11–15 yr olds with congenital heart disease vs facial burns, 53:3491
medical vs social vs medical-social information through social worker, physician-patient relationship, families of children referred for diagnosis of possible cardiac disorders, 58:5991
meditation & protein & diet & megavitamins, personal account of treatment of progressive iatrogenic cardiac psychotic condition, 58:9806
mental and physical stress arousal, systolic & diastolic blood pressure & heart rate & respiratory equivalent, coronary heart disease vs normal Ss with vs without psychological risk factors, 57:13070
mothers' reports of early experience regarding feeding behaviors & activity patterns, infants with congenital heart defects, 57:3688
operant conditioning vs exercise & beta-adrenergic stimulation with isoproterenol vs atropine, increased ventricular heart rate, 22 & 70 & 80 yr olds with complete heart block, 54:6916
pacemaker implantation, dermatozoophobia & psychopathological symptoms, 74-yr-old female with congestive heart failure, 53:11997
personality characteristics, coronary heart disease, policemen over 40 yrs old, 55:7465
personality traits & sex, Ss with high vs low somatic risk of heart failure, 58:11987
physical fitness training, anxiety & depression & adjustment & self confidence & body image, male 40–58 yr olds at high risk for coronary heart disease, 57:4047
postoperative behavior, patients after cardiac surgery, 53:3857
psychogenic convulsions & Adams-Stokes attacks, undetected heart disease, 55-yr-old female, 53:3525
psychological & sociocultural factors, coronary disease occurrence, 53:1517
psychological affects & treatment, cardiac arrest survivors, 53:1611
psychosocial stress, coronary heart disease, literature review, 53:12000
psychotherapy, successful treatment of cardiospasm, 24 yr old female & 42 yr old & 18 yr old males, posttreatment followup, 57:8643
real & ideal self before and after illness, use of denial, 20–74 yr old male stroke & lung cancer & heart disease patients, 55:10126
recent life change magnitudes, coronary heart disease, males, East vs West Finland, 58:1479
sex & age & cardiovascular disease history, behavior patterns, 59–90 yr olds, 58:9216
social & physical & psychological characteristics of patients with congenital heart disease, development of improved techniques of patient & parent management, 58:7786
socioeconomic status & rural vs suburban environments & mother's employment & religion & age & sex, reporting of feelings & behavior which in adults have been identified as components of coronary prone behavior pattern, 5th vs 9th vs 12th graders, 58:1435
specialized terminology & behavior of medical & nursing staff, patient's experiences upon admission to hospital cardiac care unit, 53:8188
status inconsistency & mobility effects, coronary heart disease, 54:7941
status inconsistency level, risk of coronary heart disease, reply to P. Horan & B. Gray's criticism, 56:6286
supplemental psychotherapy adapted to individual case, neurasthenic sanatorium patients with functional cardiac disorders, 55:10200
suppression of subjective fatigue on treadmill test, coronary vs noncoronary prone college students, 56:8231
test-taking attitudes measured by K-scale of MMPI & personality correlates, prediction of & predisposition to coronary heart disease, 40–55 yr old males, 54:12132
time estimation & achievement striving, Type A coronary- & Type B-noncoronary-prone behavior patterns, college students, 53:9922
type of professional activity & age, anxiety & depression & anxiety expression style & coronary heart disease risk factors, 60–65 yr old male postal workers, 57:10629
unexpected long survival & high function level, personality traits, coronary heart disease patients, 53:1518
values clarification methods in patient education, life style review & priorities establishment & implementation of life style changes due to limitations by disease, medical & surgical hospitalized cardiac patients, 56:8504
willingness to have physical examination & educational & occupational background, prediction of participation in screening examination for ischemic heart disease risk factors, males in Zagreb & Yugoslavia, 53:1572
work activity, coronary heart mortality, longshoreman, 54:4295

Heart Rate
ability to perceive heart activity, heart rate control, college students, 54:9030
absence of exteroceptive feedback, long term instructional control of heart rate, 17–35 yr olds, attempted replication of J. S. Bergman & H. J. Johnson's studies, 56:3601
absence of visual stimulation & bird cry as auditory stimulus, heart rate during tonic immobility & freezing response, Bobwhite quail, 58:2860
accuracy of judgment of position & cardiac deceleration, male college students, 58:9017
achievement motivation & debilitating & facilitating anxiety on H. J. M. Herman's Achievement Motivation Test, heart rate & skin conductance during stressful situations, male students, 54:11785
acute chemical sympathectomy by 6-hydroxydopamine, conditioned & unconditioned cardiovascular responses with intracranial stimulation, rabbits, 55:6456
adaptive modulation of heart rate activity in relation to source of stress, primary vs secondary psychopaths vs normal Ss, 53:9760
administration of backmassage utilized for relaxation purposes, pulse & respiration rates & self reported affective state, female nursing home residents, 56:10409
adult's heartbeat sound stimulation, weight development, neonates, 57:881
affective stimulus film viewing, respiration & heart rate & electrical skin conductance, alcoholic vs nonalcoholic male 35–55 yr olds, 55:12495
age & mother absence vs presence, heart rate & anxiety reactions of infants to strangers, 5–9 mo olds, 55:551
age, stability of habituation rates of motor orienting responses & heart rate responses to auditory stimuli, infants tested at 1 & 4 & 8 mo of age, 56:9697
aircraft vs ground trainer instruction, flying proficiency & anxiety & heart rate & oxygen consumption & metabolite excretion, Ss training for private pilots license, 57:7032
alclofenac, tracking performance & heart rate & sinus arrhythmia & subjective rating, young adults, 55:6639
alcohol & barbiturates, frequency of atrial & ventricular premature beats during sleep, Ss with ischemic heart disease vs healthy control, 54:9998
alcohol consumption in low vs high arousal states, sensory sensitivity as visual discrimination & heart rate, 21–35 yr old male social drinkers & 19–26 yr old smokers vs nonsmokers, 53:4762
alcohol in intoxicating amounts, cardiac responses to loud tones & reaction time, male alcoholics vs nonalcoholics, 53:4732
alpha adrenergic blockade induced by phenoxybenzamine during avoidance conditioning, blood pressure & heart rate, male dogs, 58:9101
alpha-methyldopa, central inhibitory effect on blood pressure & heart rate & body temperature, renal hypertensive male rats, 54:7035
alpha-stimulation & alpha-blockade, responses to cardiac nerve stimulation, anesthetized dogs, 53:6800
ambiguous vs incorrect vs correct instructional set type, operant conditioning of heart rate, female college students, 55:6420
amitriptyline & nortriptyline & protriptyline & doxepin, cardiovascular effects, rabbits, 53:2630
amount of information processing in concept learning, skin conductance response & heart rate, college students, 56:5536
amphetamine & barbiturate, heart rate & heart rate variability during prolonged reaction task, 20–30 yr old males, 58:687
analgesic vs hyperalgesic instructional set, subjective experience of thermal stimulation as reflected by heart rate & skin conductance changes, 57:5207
analog vs binary feedback procedures, learning to control heart rate, male college students, 53:8915
analysis of measurement error, transforming heart period to heart rate on cardiotachometer, 56:3293
anticipation & fear, relationship between extraversion scores & GSR & heart rate, college students, 57:2671
anticipation of pain, heart rate & respiratory rhythm & nociceptive component of flexor reflex, trained vs naive 20–30 yr olds, 55:6439
anticipation of shocks of varying probability of occurrence, heart rate, male college students, 54:9000
arousal level, EEG & cardiorespiratory & somatic motor phenomena, comatose patients, 56:6257
artifical ventilation, heart rate conditioning & blood pressure, curarized male rats, 54:11125
atropine blockade of vagal output, unconditioned heart rate responses to shock, restrained female rats, 58:4963
attentional requirements & prediction of performance, electromyographic activity & heart rate & detection, male college students, 53:11037
audience procedural variations, speech anxiety & pulse rate, speech anxious college students, 56:5338
audiovisual heart rate feedback, T-wave amplitude during improvement of heart rate control, 19–32 yr old volunteers, 56:1954
auditory & somesthetic stimulation & intramodal & cross-modal stimulation, habituation & dishabituation of cardiac responses, 2 day old infants, 56:5757
auditory & visual stimulation, skin conductance responses & heart rate & arterial blood pressure & respiration, former male drug addicts vs male medical students, 54:4687
auditory & visual stimuli presented singly vs in combination, cardiac & behavioral alerting responses, alert neonates, 57:7870
auditory go signal intensity & requirements of RT task, heart rate & skin conductance & eye blink frequency, drug free chronic process nonparanoid schizophrenic vs hospital staff & prison inmate controls, 57:1330
auditory stimulation during REM vs NREM sleep, evoked EEG & cardiac response, newborn offspring of schizophrenic mothers, 57:3525
auditory stimulus intensity & stress, effectiveness of continuous stimulation in lowering arousal level as indexed by state & heart rate, uncircumcised vs circumcised males vs females with mean age 44 hrs, 57:2481
Autonomic Perception Questionnaire subscores, ability to raise & lower heart rate voluntarily, 54:8986
availability of shock avoidance by tapping rapidly, heart rate & electrodermal reactivity to motor effort & imminence of threat, male college students, 56:173
availability of avoidance response in threatening situation, endorsement of anxiety adjectives & nonspecific GSRs & heart rate variability, male college students, 56:1956
availability of lever & water deprivation & FR6 vs continuous reinforcement, heart rate & type of behavior & correlations & instrumental activity, rats, 54:7103
avoidance conditioned activity, heart rate in active- & immobile-avoid periods, male rats, 56:5389
awareness & external feedback & individual differences, learning of heart rate deceleration & acceleration, females, 55:9173
awareness of heart rate, control of heart rate, 57:5217
beautiful vs ugly colored stimuli, heart rate & respiration rate & skin conductance & GSR & eye movements, social work students, 55:6428
behavioral & acoustic measurement, cry sounds, well-nourished vs malnourished male infants, 56:7603
bilateral adrenalectomy, stimulus control over Pavlovian conditioned cardiodecelerations during physical/pharmacological immobilization, rats, 58:7048
bilateral prefrontal lobectomy, conditioned suppression & associated cardiovascular variables, male monkeys, 53:8998
binary success signal &/or proportional visual feedback, bidirectional control of heart rate, college staff & students, 58:7031
biofeedback & cardiovascular self control, literature review, 57:6320
biofeedback effectiveness & psychological variables & clinical applications in treatment of psychological dysfunctions, biofeedback research & cardiac rate control, 57:2674
biofeedback in control of heart rate, 56:1948
biofeedback instruments & techniques required for research & clinical investigations of EEG & EMG & temperature & heart rate & GSR & blood pressure measures, 57:48
biofeedback relaxation of frontalis muscle vs progressive muscle relaxation vs self relaxation, respiration rate & EMG & heart rate & finger blood volume & skin conductance & signal detection task, 58:9020
biofeedback training of 40 Hz EEG, other EEG rhythms & autonomic activity & subjective awareness, 58:9016
biofeedback vs autogenic relaxation techniques, frontalis muscle tension & heart rate & skin resistance & hand & forehead temperature & mood, 16–66 yr old psychiatric patients, 58:9946
blind mobility vs car driving tasks, heart rate as local stress effect, sighted Ss experienced in traveling under conditions of simulated blindness, 57:4581
blood alcohol concentration, tonic heart rate & penile tumescence elicited by erotic film, 18–24 yr old male students, 57:724
blood pressure & oxygen consumption & heart rate, physiological responses to exercise, 33–48 yr old healthy females, 53:6751
body tilting to head-down position as UCS, behavioral control of stress-induced maladaptive cardiac accelerations by heart-rate decelerative Pavlovian conditioning, college students, 56:5540
body weight & running performance in events of different lengths, submaximal & maximal oxygen consumption & heart rate, member of college track team, 58:9009
breast vs bottle feeding, cardiac responses, mother-infant pairs, 58:2872
brief alpha biofeedback training, occipital EEG & heart rate & degree of physiological & experiential stress to aversive laboratory situation, college students, 58:7030
brief movements & cognitive-attentional tasks, heart rate, males, 57:7677
brief progressive relaxation training vs verbal/symbolic activities vs expectancy for decreased discomfort, heart rate & tolerance duration

& subjective discomfort during cold pressor test, female college students, 57:7682
brief relaxation training, autonomic responses to anxiety-evoking stimuli, male college students, 53:2484
car driving vs passenger travel & stationary conditions, RT & heart rate, female college students, 56:5036
carbon dioxide rebreathing, serial determination of cardiac output during prolonged work, male college students, 57:2625
cardiac cycle phase at stimulus onset, auditory vs visual RT task response, college students, 56:7432
categorical discrimination of place of articulation as measured by cardiac orienting responses, 3–4 mo olds, 57:4903
characteristics of heart rate as discriminative stimuli, college students, 58:7033
chlordiazepoxide, differential heart rate conditioning, male rats, 53:6885
chlordiazepoxide, heart rate & behavioral suppression during operant conditioning procedures, male pigs, 53:2625
chlorpromazine, fear-motivated behavior & urinary cortisol & volume & heart rate, female dogs, 56:2033
classical aversive conditioning of heart rate, curarized male rats at different blood gas levels, 57:7704
classical aversive conditioning, multiple somatic measures & heart rate, cats, 53:769
classical aversive heart rate conditioning & solution-shift concept identification, approach vs avoidance responses, 56:7094
classical conditioning of heart rate during exercise, male students, 55:11666
classical eyeblink conditioning, heart rate & blood pressure changes, rabbits, discussion within orienting & defense reflex context, 57:5188
click stimuli during sleep, pattern of phasic heart rate responses, black vs white newborns, 54:11378
clinical geriatric training, perceptual recognition behavior for death words & heart rate & self ratings of death anxiety, student nurses, 57:6582
cloxazolam vs diazepam vs placebo, quantitative EEG & mood & wakefulness & extraversion & heart rate & blood pressure, normal volunteers, 57:9880
cocaine dosages, body temperature & heart rate & respiration rate, stereotyped & feeding behavior & eating, male monkeys, 57:7837
cocaine hydrochloride & dextroamphetamine sulfate doses, heart rate & blood pressure & mood & other subjective effects, 21–35 yr old males, 56:9557
cognitive & operant & psychomotor & psychophysiological behaviors & demographic characteristics & life history, prediction of length of psychiatric hospitalization, nonpsychotic vs nonparanoid vs paranoid patients, 58:10049
cognitive style & cognitive appraisal of stress situation, skin potential & conductance response & level & heart rate, 55:3999
cognitive style & visual vs nonvisual imagery, heart rate & respiration, 18–24 yr old males, 55:11671
cognitive task interference, attenuation of skin conductance & heart rate & predictable & aversive signaled shock, male graduate students, 58:11050
communication content & parent-child relations & heart rate & skin resistance, communication effectiveness, parents & hyperactive children, 55:7454
competition, heart rate & task performance in mirror tracing task, female college students, 54:5258
complex psychotonic preparation, dynamic & static tremor & RT to light signal & pulse rate, sharpshooting sportsmen, 57:2660
concept formation task performance, heart rate component of orienting reflex, college age males, 55:9153
conditionability & heart rate variability & sex, heart rate conditioning, newborn infants, 54:4979
conditioned motor reaction, alpha rhythm depression in occipital area & GSR & heart rate changes anticipating & during CS stimulation, college students, 54:8987
conditioned stimulus intensity, visually-conditioned heart rate change, pigeons, 53:2731
conditioned suppression, heart rate & muscle tension correlates, college students, 53:4576
construct validity, self report scales of communication apprehension & autonomic arousal correlation, college students, 54:3086
contingent negative variation & cardiac orienting preceding startle modification & facilitation, 58:4932
contingent vs noncontingent vs no feedback, increases or decreases in systolic blood pressure & heart reate, 20–43 normotensive Ss, 54:11108
contingent vs noncontingent vs no feedback, control of heart rate variability, 56:3605
contingent vs noncontingent vs no feedback conditions, heart rate variability control, 58:584
continuous vs intermittent biofeedback, retention of learning in heart rate conditioning, psychiatric patients, 57:5208
continuous vs partial vs random reinforcement & aversive vs nonaversive visual stimuli, heart rate & electrodermal activity, college students, 55:6364
control vs no control over aversive stimulus viewing time & request to make vs not make motor response, heart rate during treatment & fear reduction, Ss fearful of snakes or spiders or rats, 58:7956
controlled forearm muscle tension, performance & learning of heart rate control with continuous feedback of performance, female students, 56:5551
controlled liquid & energy intake & work output, heart rate & lung function & RT & blood glucose level & mental performance tests during 100 hrs of paced continuous exercise, 31 yr old male athlete, 56:290
count-sampling circuits, heart rate conditioning, 53:2480
crowding, blood pressure & heart rate & task performance & tolerance for frustration & group cooperation & sex differences, humans, 58:10853
daily physical exercise, heart rates & systolic blood pressure & ward activity & current events attitudes & Wechsler Adult Intelligence Scale Digit Span & Information subtests, institutionalized geriatric mental patients, 53:1404
deception vs role playing, ability to simulate self report of fear & pulse rate & skin resistance, male college students, 54:6826
delta & REM sleep, habituation of finger plethysmograph & heart rate & skin potential & skin resistance responses, male college students, 55:11668
delta-9-tetrahydrocannabinol,blood pressure & heart rate, dogs & cats, exploration of mechanism & site of action, 55:2070
delta-9-tetrahydrocannabinol dosages, heart rate & driving performance in real-life vs driving course, 19–31 yr olds, 53:4728
delta-9-tetrahydrocannabinol vs diazepam vs chlorpromazine vs morphine, suppression of cardiac CR, male monkeys, 58:11315
desensitization vs flooding therapy, specific vs social phobias & their physiological correlates, college students, 58:3877
dextroamphetamine, complex task performance & heart rate & fatigue & rectal temperature & catecholamine excretion during sleep loss, males, 57:5331
dextro-tubocurarine chloride amount & respiratory setting, heart rate & blood-gas composition, male rats, 54:7009
diazepam & ethanol, heart rate & GSR, male 24–30 yr olds, 54:592
differences in psychophysiological functioning, 20–60 yr old neurotic vs psychotic depressives vs 24–45 yr old normals, 56:2451
differential classical conditioning of somatic response systems, heart rate, rabbits, 54:487
differential classical conditioning with tones as conditioned stimuli & eye shock as unconditioned stimulus, corneo-retinal potential & heart rate & hippocampal EEG conditioned responses & general somatic activity, rabbits, 53:4593
differential classical conditioning, concomitant changes in heart rate & corneoretinal potential, rabbits, 53:6759
dimethylaminoethanol, life span & body weight & fluid intake & activity & sexual activity & classical conditioning of heart rate, aged Japanese quail, 58:673
direct vagal stimulation as UCS, classical conditioning of heart rate, female rats, 54:9102
discrimination conditioning, GSR amplitude & recovery time & heart period increment, unmedicated chronic schizophrenics vs temporal lobe epileptics, 58:7633
discrimination of English & nonsense words measured by habituation & dishabituation of cardiac response, female 16 & 32 wk olds, 58:814
discrimination of interoceptive events associated with cardiac activity, discrimination between vibratory stimuli contingent on & independent of cardiac activity, male college students, 53:8898
dormitory vs single occupancy cell prison housing, systolic & diastolic blood pressure & pulse rate, prisoners, 55:1180
early maternal separation with vs without heat source, survival & body weights & temperature & cardiac & respiratory rates & eye opening, rats, 55:6415
easy vs difficult auditory discriminations in disjunctive reaction time task, tonic & phasic heart rate, male college students, 53:6741
easy-to-difficult vs difficult-to-easy item order, mathematics test performance & heart rate measures of stress, high vs low test-anxious 11th graders, 53:6239
ECS, conditioned skeletal & heart rate responses, rats, 55:9206
EEG & blood pressure correlates, operant conditioning of heart rate changes, monkeys, 53:9152
EKG T-wave amplitude & masseter muscle tension & heart rate, physiological indices of conditioned suppression, humans, support for interference theory, 57:9712
electric shock, heart rate & respiration & blood pressure, male vs female Ss, 55:4046
electrical brain stimulation, cardiovascular responses, rabbits, 56:3660
electrical hippocampal stimulation, theta rhythm & motor activity & heart rate, dogs, 55:5210
electrical stimulation of aortic & vagal nerves & septal & caudate nuclei, unit recordings from dorsal motor nucleus & hypothalamus & nucleus solitarius & blood pressure & heart rate, conscious rabbits, 55:9212
electrodermal activity & heart rate & systolic blood pressure & finger skin temperature & absence vs presence of skin conductance orienting response to moderate intensity tones, male institutionalized & noninstitutionalized schizophrenics vs normal males, 54:9858
EMG feedback as aid to relaxation training, anxiety & EMG & pulse rate, neurotically anxious female college students, 56:8423
epinephrine, heart rate & GSR & avoidance learning, attitudinal & socio-demographic variables, sociopathic vs nonsociopathic female prisoners, 55:12813
erotic & novel visual stimuli, heart rate & GSRs, self-report of sexual arousal & affective reactions, female college students, 54:4668
erotic stimulus exposure, skin conductance & heart rate & pupillary response & respiration & temperature & genital measures, normal vs sexually dysfunctional women, 58:1497
erotic visual stimulation, heart rate & galvanic skin responses, high vs low sex-guilt college females, 53:1019
evaluative factor of semantic differential for attitudes, heart rate & heart rate variability, male college students, 54:6883
exertion levels, finger pulse amplitude & skin temperature & heart rate & respiration rate & amplitude during isometric exercises, 18–34 yr olds, 56:3589
expectancy of physiological vs behavioral drug effects & bogus heart rate & pursuit rotor performance feedback, information integration in judgments of placebo drug effectiveness, 57:9865
exposure to dry temperatures, attention & cognitive performance & body temperature & weight & heart rate & blood pressure measures & subjective reports, 25–35 yr old male iron workers, 57:9746
exposure to exhaled cigarette smoke & attitudes toward smoking, heart rate & blood pressure, nonsmoking college students, 58:590
exposure to experimentally induced anxiety & verbal symbols of traumatizing stimulus, heart rhythm & GSR, encephalopaths, 57:10639
exteroceptive feedback training, voluntary bidirectional control of heart rate, male college students, methodological comparison of within-S preexperiment vs pretrial baselines, 57:7674
extraction of references to termination of treatment while paying attention to complex psychoanalytic session, heart rate changes, therapists & therapists in training & college students, 53:3233
extraversion & neuroticism, individual differences in heart rate & skin resistance during information processing, male Ss, 54:11809
eye movement responses to auditory stimuli & cardiac responses to somesthetic stimuli, rapidity & consistency of habituation, infants whose mothers had obstetrical general anesthesia vs local anesthesia or analgesic medication, 53:9085
facial stimulation eliciting approach & escape responses, cardiac orienting vs defensive reactions, newborns, 54:11132
false autonomic feedback between shocks, self reported anxiety & pain perception & pulse rate, female college students, 57:620
feedback effects & respiratory involvement, voluntary control of heart rate, 56:3608
feedback frequency, learned heart rate deceleration & acceleration, college students, 53:316
feedback signal information content, long-term self-control of heart rate, 15–37 yr olds, 53:6736
feedback signals vs model signals, heart rate changes, 55:6418
feedback vs sound manipulation, fear level as a moderator, female snake phobic college students, 55:10325
feedback with neutral &/vs external reinforcing stimulus, control of heart rate deceleration, college students, 57:7675
feedback-mediated heart rate modification, male college students vs patients with ischemic heart disease vs healthy age-matched Ss, 55:5109
fenozolone & diazepam & dextroamphetamine & pyrisuccideanol, cardiac & respiratory rates & psychomotor performance on attention tests, 22–25 yr olds, 57:9825
fetal electrocorticograms & oculomotor activity & kinesis & heart rate & NREM-REM sleep cycles & alert wakefulness, fetal & neonatal lambs, 58:7020
fetal heart rate pattern during labor & delivery, mental & motor & behavioral development, 19 mo olds, 57:12500
field dependence, cardiac response to internally vs externally elicited stressful imagery, female college students, 57:5219
field dependency, physiological responses during escape & nonescape from stress, male college students, 54:2447
fixed-foreperiod RT task, heart rate & digital & cephalic pulse amplitude & skin conductance, mentally retarded 15–18 yr olds, 55:10050
flunitrazepam, heart & respiratory rates & skin potential fluctuations during sleep cycle, neurotic patients with insomnia & healthy adults, 55:7666
frequency of feedback information, learning to accelerate & decelerate heart rate, 55:11660
frequency sensitive tri-state switch, heart-rate monitoring, 53:4583
gestational stress, open field behavior & heart rate reactivity, rat offspring, 55:3983
"go" signal intensity, basal & tonic & 2 phasic measures of heart rate & skin conductance during RT paradigm, chronic schizophrenics, 54:5452
gradual increase vs constant-intensity shock & shock intensities, heart rate conditioning, rabbits, 56:5361
group instructional sets of covert verbal repetition vs visualization vs usual paired associate learning instructions, chin muscle tension & respiration & ocular activity & heart rate & GSR over learning trials, 55:11679
habituation & orienting response in auditory cortical evoked potential & GSR & heart rate, 17–44 yr old males, 58:7000
habituation of cardiac responses to dichotic speech syllables vs music notes, differential recovery to novel stimulus presented to left vs right ear as measure of cerebral asymmetries, 3 mo olds, 58:5141
habituation of skin conductance component of orienting response to children's version of Matching Familiar Figures Test, error free trials on modified adult/adolescent & children's version & heart rate & skin conductance & potential, young adult males, 58:2845
hallucinated vs actual ice water pain vs hypnotic analgesia, heart rate & blood pressure, college students, 53:2203
heart activity changes, estimation of applied effort in job performance, 58:2352
Heart Beat Domain & Fourier transform, quantitative analysis of sleep level patterns, 56:9417
heart rate & cardiac phase, tachistoscopic recognition task, college students, 58:2867
heart rate & dorsal & palmar skin conductance during aggressive task, psychopathic & mixed diagnosis & nonpsychopathic prison inmates, 55:12466
heart rate & finger sweat before & after injections, usefulness of psychophysiological measures of fear, kibbutz & urban 12 yr old females, 54:10066
heart rate & GSR reactivity, primary vs secondary psychopaths vs normals, implications for utility of term psychopath in diagnosis, 55:7321
heart rate & locomotor activity, correlation & circadian & circannual differences, fish, 57:9747
heart rate & pulmonary ventilation & respiration rate & oxygen uptake & rectal & skin temperatures during exercise at various room temperatures, temperature sensation & discomfort & perceived exertion, young adult males, 54:8631
heart rate & respiration & GSR, transcendental meditation vs deep muscle relaxers vs controls, 57:12095
heart rate & skin conductance levels & variability during neuropsychological task, male alcoholics with & without brain damage, 54:7837
heart rate & varying work loads on bicycle ergometer & reaction time, relationship between activation & performance, 21–34 yr old males, 55:8712
heart rate, auditory RT, human males, 57:5225
heart rate avoidance conditioning, acoustic startle response, rats, 56:9348
heart rate biofeedback & cardiac strength & endurance control training vs cardiac RT control training, cardiac learning specificity & skill transfer, college students, application of E. A. Fleishman's complex motor skill learning model, 57:5223
heart rate changes elicited by RT task & startle & shock threats & viewing nude figures, alterations in EKG waveforms, 58:7029
heart rate changes in temporal auditory conditioning & individual differences on Brazelton Neonatal Behavioral Assessment Scale, learning ability, newborns, 58:823
heart rate changes in varying body positions, critical flicker fusion thresholds & RT performance, 49–79 yr olds with artificial pacemakers, 57:12283
heart rate control training & therapeutic expectancy set, reduction of speech anxiety, speech-anxious college students, 56:1058
heart rate during paper presentation in seminar, experienced & inexperienced Ss, 54:4683
heart rate feedback, difficulty in explaining heart rate deceleration vs acceleration, college students, 57:5213
heart rate indices, attentional responsivity, neonates, 54:7192
heart rate level & phasic responses to auditory stimuli, newborns with 1 schizophrenic parent vs no family vs possible family history of schizophrenia, 54:11999
heart rate levels during avoidance conditioning, female rabbits, 58:7013
heart rate perception ability, self synchronization of heart rate with external stimulus, 55:11669
heart rate recording method, unrestrained unanesthetized rats, 58:8609
heart rate response measures & relationship to abilities, cross-sectional evaluation of fluid & crystallized intelligence, 21–26 & 34–42 & 48–55 & 64–71 yr olds, 56:466
heart rate responses to snakes, behaviorally avoidant vs nonavoidant college students, 56:7430
heart rate, sleep latency, 20–22 yr old male college students, 58:4940
heart rate variability & binary choice capability, analysis of automated system for measuring mental stability, book, 53:2507
heart rates during sucrose presentation, hungry vs thirsty male rats, 54:8989
heart-rate feedback & management of cardiac neurosis, 55-yr-old male, 53:3782
heritability of hypnotic susceptibility & relationship to personality & physiological & EEG variables & construct validity of fluidity, college-age monozygotic & heterozygotic twins, 55:9171
hexamethonium, cardiovascular changes during strong sustained static work, monkeys, 56:393
high vs low mutilation fear, respiration & skin conductance & heart rate reaction to mutilation vs humorous vs neutral slides, female college students, 58:2882
high vs low scores on self report fear measures, skin conductance & heart rate responsivity to public speaking imagery & selection for behavior therapy, male & female college students, 58:4953
higher heart rate as precursor to hypertensive disease, black vs white neonates, 53:9971
Hoe-36-801, catecholamine excretion & heart rate & psychomotor performance, neurotic & normal male students, 57:5318
human contact, electrocardiogram & general behavior, horses, 53:485
human operant heart rate conditioning, patterns of autonomic & CNS responding, 57:7688
husbandry influences, heart rate & plasma levels of corticosteroids, castrated calves, 56:1945
hypertonic vs physiological saline vs angiotensin II injections, single unit activity in lateral hypothalamic & preoptic area & cardiac responses, rats, implications for osmoreceptor functions, 58:632
hypnosis vs normal conditions, heart rate & blood pressure in study of laboratory pain, 57:451
hypnotically-induced emotions, heart rate & blood pressure, 57:5200
hypnotizability & imaging ability & hypnotic induction vs relaxation instructions, respiration & heart rate & eye movement & duration & vividness & control of imaging concrete & abstract & action nouns, 57:7386
hypothalamic self stimulation, respiration & heart rate & arterial blood pressure, cats, 55:6468
hypothermia, classical conditioning of heart rate, male rabbits, 56:5584
immunosympathectomy &/vs adrenal medullectomy, telemetered heart rate & mobility & defecation, mice in open field & home environment, 53:2553

implicit & explicit set & arousal, heart rate responses to different tones, 58:9034
in vivo emotive imagery, tolerance for noxious stimulation measured by finger pulse volume & heart & respiration rate, 18–22 yr old females, 58:9021
incentive & preparatory interval length & predictability, heart rate deceleration & performance in RT task, college students, 57:2663
incentive motivational stimuli, acquisition of runway response & choice behavior & heart rate, rats, 55:9055
incremental stimulus intensity effect, habituation of autonomic responses, 18–35 yr old males & female college students, 56:1908
individual differences, cardiac components of orienting reflex & learning rate on 2-choice tactual discrimination task, 9–11 yr old males, applicability to 2-stage interpretation of learning process, 57:5199
individual differences, heart rate deceleration & contingent negative variation during performance of signaled RT task, 64–77 yr old males, 58:5096
individual differences, heart rate responses to affective sound, dental hygiene & other female students, 54:9006
individual differences in cardiac awareness & perception of aversive stimulation as increasing vs decreasing, voluntary control of heart rate by biofeedback & monetary bonuses, female Ss, replication & extension of authors' previous findings, 57:2670
individual differences in physiological responses as mediators, operant heart rate conditioning, 56:5521
induced anxiety & modified implosive therapy conditions, self reported reactivity & GSR & heart rate & respiration responses, primary vs secondary vs over-active institutionalized criminal sexual psychopaths, 55:10344
induced stress with vs without marihuana smoking, forearm blood flow & heart rate & skin conductance & stress level change, 19–28 yr old males, 57:12405
in-flight use of compact instrument display, performance & heart rate, professional pilots, 57:7075
information content of auditory feedback, self-control of heart rate, college students, 53:497
information processing during sleep, finger plethysmograph & heart rate & EEG K-complex responses to "own name" & "other name" & tone stimuli & persistence of conditioned discrimination acquired during wakefulness, male college students, 55:11667
information processing, heart rate changes, overweight vs underweight male college students, 55:3982
informational vs physical vs emotional load, heart rate variability, Ss in laboratory vs field condition, 57:616
infraslow wave of ear plethysmogram, diagnosis of psychic tension as measured by skin potential reflex & heart rate in task-orientation & ego-orientation & punishment situations, 55:6438
instructional set, heart rate & muscle tension & respiration in response to stressful visual imagery, high-anxiety female college students, 56:3600
instructions vs no instructions in listening for change in strings of synthetic speech syllables, cardiac orienting response, college students, 57:614
intensity & train duration & pulse frequency of CNS stimulation, heart rate & blood pressure changes, rabbits, 54:9112
internal awareness & external feedback & voluntary control of heart rate, 58:11157
internally evoked phobic vs nonphobic thoughts, heart rate & respiration rate & amplitude & skin conductance level & GSR frequency, ophidiophobic female college students, 58:9655
interrelationships among cardiodynamics & blood pressure control mechanisms & somatic activity & active vs passive coping, review of research, 56:3613
interstimulus interval length & variability, habituation of heart-rate & skin-conductance responses, 53:4581
interview behavior, systolic & diastolic pressure & digital pulse volume & heart rate & forearm blood flow, normal volunteers, 54:8985
interviewer/S physical proximity & touch, heart rate & skin conductance responses & interpersonal attraction in initial psychological interview, 18–28 yr old females, 58:2728
intracycle cardiac activity, systematic change in perceptual performance, male 27–36 yr olds, role of carotid sinus baroreceptor activity, 55:11676
intraventricular injections of 6-hydroxydopamine, physiological & behavioral effects, cats, 53:6783
introversion-extraversion & confederate's high vs low intimacy disclosure, heart rate & GSR changes, male students, 57:9753
investigator-controlled treadmill speed vs self-paced vs heart-rate controlled speed, energy cost evaluation of new load-carriage system, US Army males, 58:4514
lability & poor stabilization of cardiac rate after stimulation, male infant victim of sudden infant death syndrome, 53:3520
lead stimulation, cardiac orienting & blink reflexes, college students, 54:11112
learning & performance of serial motor task, heart rate & respiration rate & skin resistance response & cortical activity from 2 bipolar EEG locations, right handed males, 55:11638
left vs right perioral region stimulation, laterally differentiated cardiac acceleration responsiveness & ipsilateral head turning, female newborn infants, 53:4909
length of habituation training & amount of tone frequency, amplitude of autonomic components of orienting response, college students, 56:5559
level & variability of cardiac response during complex problem solving & rest & relationship to personality organization, 1st- & 2nd-yr male graduate students, 58:575
locus of control & noxious vs pleasant conditions, self reported anxiety & heart & respiration rates, male Ss, 57:4993
locus of control & visual feedback, self-report & voluntary increase & decrease of heart rate, male college students, 53:2514
locus of control, learning to accelerate & decelerate heart rate over number of training sessions, college students, 54:9007
locus of control, voluntary control of heart rate, college students, 53:491
long term prehatch exposure to fetal heart beat vs intermittent auditory signal, differential attraction toward intermittent sound, chicks, 58:4885
low intensity white noise onset & offset, heart rate & basal resistance, hooded rats, 53:4584
magnitude of agreement between polygraph examiners, identification of physiological responses in polygraph interview cases obtained from job applicant screening interviews, 55:1633
manipulation of heart rate foreperiod response through biofeedback, RT performance, male volunteers, 58:11160
marihuana, heart rate & auditory thresholds, 21–26 yr old men, 53:615
maternal surrogate & nutritional factors, maintenance of cardiac rate following maternal separation, infant rats, 55:6417
mediation procedures, learning under cardiac feedback procedure, male college students, 56:303
meditation by performing breath count task vs sitting physically still, pulse rate & creativity intrusion of thoughts & other psychological aspects, college students, 56:5348
mental and physical stress arousal, systolic & diastolic blood pressure & heart rate & respiratory equivalent, coronary heart disease vs normal Ss with vs without psychological risk factors, 57:13070
mental arithmetic & RT tasks & rest, stimulus-response & individual-response specificity of heart rate & skin conductance & respiration, monozygotic vs dizygotic twin pairs, 58:11120
mental retardation, body height & weight & skinfold thickness & aerobic work capacity, 12–15 yr old mentally retarded vs normals, 57:1455
mental &/vs physical load in mental subtraction task, heart rate & sinus arrhythmia as measure, male graduate researchers, 53:470
methylphenidate & haloperidol, time of action, heart rate & blood pressure, hyperactive 73–135 mo olds, 55:7637
methylphenidate, cardiovascular sensory differentiation, hyperkinetic 6–12 yr olds, 58:3895
methylphenidate, heart & respiratory rate & work done during rest & exercise, hyperactive aggressive males, 55:2687
methylphenidate, prediction of behavioral normality vs nervousness based on heart rate & blood pressure & EKG, normal vs nervous dogs, 57:7813
methylphenidate, RT performance & heart rate components of sustained attention, hyperactive 6.5–12 yr olds, 57:8794
minimal passive exercises of lower extremities, respiratory & cardiac & associative learning changes, muscular dystrophic 9–11 yr olds, 57:6146
MMPI Pd & Welsch Anxiety Scale scores, heart rate & GSR responsivity to distress, 17–29 yr old prisoners, 55:9176
monetary incentive & performance criterion & knowledge of results, learned heart rate speeding & slowing, college students, 57:5211
monetary reinforcement & visual feedback, conditioned operant heart rate acceleration & deceleration, paid college students, 55:3988
mother absence & isolation & olfactory denervation with intranasal zinc sulphate, body weight & heart & respiratory rates & body temperature & locomotor behavior & mother & littermate interaction, 2 wk old rats, 57:2685
mothers' inattention vs attention to external stimuli during breast feeding, infants' heart rate, mothers & neonatal babies, 53:928
multivariate analysis, heart rhythm indicators, 30 yr old males, 55:6429
music tempo changes, heart rate, college students, 53:4586
neuromuscular blocking drugs, heart rate changes after direct nerve stimulation & during classical conditioning, male cats, 54:607
neutral vs incongruous vs mutilation slides, cardiac responses & respiratory activity & electrodermal responses to mutilation, high- vs low-fear of mutilation college students, 55:353
neutral vs positive vs negative visual imagery, skin conductance & heart rate responses, college students, implications for covert behavior therapy procedures, 56:10314
nicotine, heart rate & blood flow & skin vasoconstriction & conductance & time estimation, male medical students, 53:2592
noise & task significance level, performance on information processing tasks, heart rate & GSR & respiration, 19–45 yr olds, 54:4556
nonoptimal obstetric conditions & maternal predelivery medication & parity, heart rate responses to sound, high- vs low-risk newborns, 57:5475
norepinephrine, arterial blood pressure & heart rate under FR schedules of stimulus termination associated with shock vs FR schedules of food presentation, monkeys, 56:2037
normal sleep, EEG & electro oculogram & EMG & heart rate & body temperature & daytime behaviors, infant monkeys, 56:288
novel auditory stimulation, GSR & heart & respiration rate & amplitude, young adults, 54:11114
numerical vs "real-time" proportional vs binary vs no feedback, bidirectional voluntary heart rate control, college students, 54:9025
nutrient intake frequency & presence of surrogate mother, heart rate following maternal separation, preweanling rats, 56:9416
nutritional status, cardiac habituation of orienting response to auditory signal, Guatemalan 1 yr olds, 54:4975
nutritive & non-nutritive sucking & heart rate over 24-hr period, newborns, 56:9644
object novelty & permanence, visual fixation & cardiac activity, 20–24 wk olds, 58:11404
occlusion & reappearance of novel vs familiar stimuli, visual tracking of moving object & cardiac deceleration, 20–24 wk olds, assessment of status of object concept, 57:7947
oculo-cardiac reflex, heart rate deceleration component of orientation response, 53:479
operant autonomic conditioning of heart rate & GSR information vs no information concerning response-reinforcement contingencies, rod-&-frame test performance, female college students, 57:12298
operant conditioning of heart rate, implications for psychopathology, 54:2418
operant conditioning of heart rate, plasma reninˆ activity & blood pressure & heart rate, 16 yr old male, 57:624
operant conditioning of heart rate, somatic correlates, male college students, 54:9038
operant conditioning of heart rate, tonic & phasic relationships between heart rate & somato-motor activity, monkeys, 56:5513
operant conditioning vs exercise & beta-adrenergic stimulation with isoproterenol vs atropine, increased ventricular heart rate, 22 & 70 & 80 yr olds with complete heart block, 54:6916
operant reinforcement, alteration of classically conditioned heart rate, male monkeys, 53:466
orienting & signal & nonsignal tones, cardiac responses & electrodermal responses, 22–58 yr old schizophrenic inpatients, 55:4734
overly-rigid environmental control, resultant psychophysiological syndromes, dogs & baboons, 54:470
paced tapping, heart rate & skin conductance & muscle potential, 18–21 yr old male community college students, implications for attitudinal studies, 54:4630
pairing of neutral & spider slides with warning tone in delayed differential conditioning, anticipatory heart rate acceleration & cephalic vasoconstriction & response duration, college females fearing vs not fearing spiders, 54:6891
pairings of stimulus with narcotic antagonists, conditioned suppression or maintenance, morphine-dependent monkeys, 57:12382
partial & continuous reinforcement, conditioned heart rate & corneoretinal potential responses, rabbits, 54:9241
passive hypnosis vs resting awake conditions & suggested hot & cold environmental conditions in hypnosis vs imagining of stress, forehead skin temperature & heart rate & skin resistance, 58:401
pattern recognition applied to monitoring waveforms, classification of fetal heart rate patterns by algorithmically determined linear discriminants, 55:298
perceived attitude similarity, interpersonal attraction & perceived competence & heart rate & skin conductance, college students, 53:7308
perceptual accuracy & confidence ratings in auditory pitch discriminations, heart rate & EEG & vertical eye movement correlates, male college students, 56:5560
perceptual-style leveling/sharpening & stimulus intensity & task, tonic & phasic heart rate & skin conductance responses, college students, 57:5215
peripheral heat as reward, operant conditioning of heart rate, curarized rats, 56:3621
peripheral pathway transmitting UCS, learning visually conditioned heart rate change, pigeons, 55:11560
personality & demographic characteristics & life experiences, psychological responses to use of fetal monitoring during labor, women who delivered healthy infants by caesarean section, 57:1723
personality & perceptual correlates, awareness & accuracy of perception of physiological change, 56:305
personality factors & stages of hypnotizability, heart rate covariation between therapist & S, female nursing students, 58:3941
personality traits & attitudes toward & motivation in smoking, smoking deprivation effects on electrophysiological activity & behavior, habitual smokers, 57:3149
persuasive communication with vs without audience, affective & physiological & attitudinal consequences, college students, 57:613
phase of cardiac cycle & ascending & descending heart rate epochs, RT task performance, male college students, 57:5222
phase of respiratory cycle, cardiac response to simple tones with onset at peak expiration vs inspiration, female 19–20 yr old nursing students, 55:11639
physiological arousal & habituation as measured by GSR & heart rate, extraverts vs introverts, 55:9168
physiological mechanisms, control of cardiac rate by nutritional intake, preweanling rats separated from their mothers, 54:2437
pindolol, heart rate, schizophrenic vs nonpsychotic psychiatric patients with tachycardia, 54:5863
piracetam, perceptual & psychomotor performance at varied heart rates, patients with artificial pacemakers, 53:6842
positive vs negative binary feedback & slowing vs speeding conditions, heart rate regulation & magnitude of change & cognitive & perceptual strategies used & accompanying physiological changes, humans, 57:12292
preavoidance & avoidance & postavoidance, heart rate & stroke volume & blood pressure, dogs, 54:9020
preceding heart rate increase & spontaneous movement in stage 2 & REM sleep, 19–23 yr old US Navy enlisted men, 54:4693
preconditioning preexposure to CS, classically conditioned heart rate, rats, 56:9302
preference for high vs low arousal colors, heart rate & blood pressure & GSR, college students, 54:9644
prejudicial verbal responses measured on attitude questionnaire, heart rate & GSR & respiration responses to slides of Negroes, 55:9576
prenatal rhythmic stimulation, arousal states, neonates, 56:478
preparatory interval length, basal heart rate & heart rate deceleration prior to signal onset & RT during fixed performance, normal vs mentally retarded noninstitutionalized adult males, 54:7894
preparatory intervals & incentive levels, task RT & head & gross movement & blinking & phasic heart rate deceleration, 5–8 yr olds, 56:9064
pretest interaction & low- vs high-demand-for-improvement posttest instructions, evaluation of anxiety on self-report & behavioral & heart-rate measures & physiological arousal, socially anxious & nonanxious male college students, application to analog therapy research, 53:432
pretreatment training in self control of heart rate with vs without biofeedback, subjective anxiety & heart rate & respiratory rate & skin conductance, phobics, experimental replication, 57:10862
previous attack & opportunity for later retaliation, heart rate reactions to filmed violence, 56:9437
previous curare immobilization, Pavlovian conditioned heart deceleration during dextrotubocurarine chloride-induced paralysis, rats, 54:4872
preweaning isolation from littermates, reaction to handling & social preference & resting heart rate & response to airblast & intruder & gastric ulceration, male rats, 55:3986
prior aversive stimulation, heart rate responses to open field exposure, male rats, 54:2426
prior shock exposure, facilitation of Pavlovian conditioned heart rate decelerations under immobilization due to physical restraint vs curare induced neuromuscular paralysis, male rats, 57:660
problem & riddle solving, physiological response changes, male college students, test of information processing model of humor, 54:477
processing & recall of auditory &/or visual signals, heart rate & GSR reactivity, normal Ss vs Ss with primary vs secondary reading deficits, 58:3589
progressive relaxation technique, blood pressure & pulse rate & respiration changes, 20–30 yr old male psychoneurotic outpatients, 56:10298
progressive relaxation therapy, systolic & diastolic blood pressure & pulse & respiration, problem drinkers, 58:10092
progressive relaxation with vs without biofeedback training, systolic & diastolic blood pressure & heart rate, normotensive Ss, 58:7795
projected stereograms with vs without retinal disparity, heart rate & sucking responses in habituation-dishabituation paradigm as measures of stimulus discrimination, 8 wk olds, 58:5117
propranolol & phentolamine & atropine methylnitrate, selective autonomic blockade & peripheral autonomic innervations of cardiovascular CRs & UCRs, monkeys, 55:447
propranolol & phentolamine & methyl atropine, systemic mean arterial blood pressure & heart rate during schedule-controlled keypressing, monkeys, 55:446
propranolol & pindolol & sotalol, hypotensive effects, cats & dogs, 55:4105
propranolol, heart rate & skin response patterns & contingent negative variation during verbal learning & RT tasks, elderly male volunteers, 58:686
propranolol, heart rate reduction & anxious depressive syndrome, affective psychotic outpatients during prophylactic lithium therapy, 57:10902
propranolol vs oxazepam, pre- & postoperative evaluations of heart rate & blood pressure & frequency & intensity of hot flashes & sleeplessness as menopausal symptoms, female patients undergoing hysterectomies, 53:10097
propranolol-induced blockade of beta adrenergic receptor activity, blood pressure & heart rate responses in avoidance conditioning, dogs, 57:702
proprioceptive awareness & instructions about response-reinforcement contingencies, operant heart rate control, college students, 57:9760
psychological & physiological variables, large magnitude voluntary heart rate changes, college students & hospital personnel, 54:9043
psychometric & diurnal & electrophysiological correlates of bodily activation level, college students, 56:7276
psychopathy measured by MMPI, heart rates & skin conductance measures while viewing modeled distress, male prisoners, 58:1362
psychophysical judgment in frequency discrimination task, electrocortical & cardiac rate correlates, college students, 55:11665
punishment criteria level & instructions with vs without feedback, voluntary control of heart rate, 18–28 yr olds, 56:5547
quantity of response contingent fluid, sucking rhythm & heart rate, 48–72 hr old infants, 57:5459
rapid vs normal cigarette smoking vs rapid breathing-sham smoking, heart rate & blood carboxyhemoglobin, college students, implications for behavior modification, 56:9550
rapid-smoking procedure, heart rate & blood pressure & peripheral skin temperature as measure of vasoconstriction, 21–48 yr old smokers, discussion of ethical issues in procedure application, 57:8732
rating of resistance to stress, psychological & neurohumoral correlates, 20 yr olds in parachutist training, 57:9757
real life stress, heart rate during reaction time task, good vs poor parachutists, 53:6581
rearing in enriched vs isolated environment, heart rate conditioning & response suppression, rats, 53:11036
Recorded Amplified Human Heartbeat Sound, physiological arousal, hyperactive male retardates, 55:10194
reflex-conditioned emotional sensitization, detection of simulated behavior by physiological cues, 57:2662

rehearsal time & neutral vs affect-arousing topic, endosomatic galvanic skin potential & heart rate during rehearsal & speech & after speech, college students, 54:11101
reinforcement schedules & trial & error vs errorless procedures, heart rate, 3rd & 4th graders, 55:9174
relationship between psychiatric ratings & reaction time & 2 measures of autonomic activity, bipolar vs continuum models of manic depressive psychosis, 27 yr old male manic depressive, 54:11961
relative vs absolute heart rate & perceived effort, 18–48 yr olds, 55:347
relaxation & stress levels using cold pressor test & hypnotic induction with analgesia instructions, heart rate changes, high school & college students & highly hypnotizable Ss, 53:8909
relaxation, alpha percentage in EEG & alpha feedback & anxiety scores & changes in heart rate & cognitive processes, 20–30 yr olds, 54:6894
relaxation phase & evaluation of extinction vs desensitization explanations of induced anxiety effect in induced anxiety technique, test anxiety & heart rate, test-anxious college females, 58:5886
repeated anxiety eliciting scenes, autonomic reactivity, 18–21 yr old male psychiatric patients labeled high vs low in ego-strength, 55:7273
repeated aversive visual stimulation with interspersed presentations of provocative visual stimuli, cardiac deceleration responses & attention, male college students, 58:9026
repeated daily exposures to 12-hr operant conditioning sessions contingent upon heart rate elevations, heart rate & blood pressure changes, adult male baboons, 57:7669
repression sensitization, heart rate & skin conductance responses to viewing threatening film on lung cancer, male adults, 58:3380
respiration parameters & neuromuscular blocking agents, heart rate conditioning in classical conditioning paradigm, curarized rats, 55:6561
respiratory rate & amplitude & heart rate & skin conductance & GSR & finger blood & pulse volume & affective intensity during psychotherapeutic interviews, 21 yr old female psychiatric patient, 54:10127
respiratory-induced cardiac deceleration as UCR, Pavlovian decelerative cardiac conditioning, 54:2434
response activation & inhibition using RT task, cardiac & somatic change, male college students, implications for physiology of attention, 55:3977
rest vs exposure to nonspecific vs patient-specific verbal stimulation, EEG & heart & respiratory & blinking rate & skin resistance, neurotic patients, 53:11886
rewarding of increases vs decreases in digital skin temperature & changes in cardiovascular functioning, digital skin temperature autoregulation, college students, 56:3598
RT task & preparatory interval length, deceleration & variability of heart rate, institutionalized retarded males, 54:3442
RT to tone with vs without short term memory task, amplitude of contingent negative variation & heart rate & eyeblinks, 18–28 yr olds, test of distraction-arousal hypothesis, 56:9442
S recruitment procedures, skin conductance & heart rate, female college students, 53:2501
selective autonomic blockades, classical conditioning of heart rate & lever-lift suppression, female hares, 53:4749
self esteem & verbal behavior & fear & heart rate, social avoider vs socially skilled male college students, therapeutic considerations, 57:12813
self induced visual imagery, heart rate changes & autonomic correlates, 54:2436
self management & biofeedback techniques & moderating effects of personality variables, control of heart rate, 55:3997
sensory deprivation, heart rate & skin conductance when viewing slides of snakes & during approach to live snake & verbal reports of snake phobia, volunteers, 58:9964
separation from mother, heart rate & body temperature & behavioral depression & sleep, 24–35 wk old pigtail monkeys, 53:2806
septal lesions, eyeblink & EMG & heart rate conditioned responses to differential classical conditioning, rabbits, 58:7061
sex & personality traits & physiological variables, communication of affect via facial expression, college students, 53:3062
sex differences, cardiac biofeedback vs self regulation of emotion, cerebral lateralization, college students, 55:9094
sex differences, heart rate & respiration & blood pressure responses to electrical shock, 23–55 yr old males vs females, 54:4676
sex differences, performance & associated cardiac activity during RT task, 18–21 yr old students, 55:1988
sex guilt & false heart rate feedback, attitudes toward sexual stimuli, male college students, 56:7833
short term changes in incubation temperature, behavioral & physiological effects in embryo from 6–20 days, chicks, 54:486
signal & nonsignal auditory stimuli, heart rate & skin conductance, male anxious inpatients & normals, 53:1356
signal detection during watchkeeping task, heart rate, adult vs aged males, 58:11163
signaled shock avoidance, ventricular effective refractory period & occurrence of repetitive extrasystoles, dogs, 57:5148
simple RT task with long preparatory interval, contingent negative variation & cardiac deceleration & gross body activity, 10 vs 14 vs 19 yr olds, 55:11663
simulated race situation, RT & heart rate between "get set" and "go" directions, 56:3617
single vs double conflict task, catecholamine excretion & heart rate & task performance, 19–36 yr olds, 56:3583
single vs multiple conditioning sessions & instructional set, heart rate acceleration vs deceleration conditioning, male college students, 54:335
sinus arrhythmia during rest, T-wave amplitude, humans, 56:1955
size estimation & perceptual recognition tasks, attentional & information processing styles & heart rate, acute paranoid vs nonparanoid schizophrenics, 58:11824
skin color & startle tone, basal skin resistance & GSR amplitudes & heart rate response, black & white hospital staff members, 54:6858
skin potential & vasomotor responsiveness & heart rate, Black vs White 6–11 yr olds, 57:12239
sleep-waking changes in heart rate & premature ventricular contractions, 59 yr old male with ventricular cardiac arrhythmias, 58:9764
slide stimuli of sexual content, tonic heart rate variability, homosexual & heterosexual males, 53:8900
snake fearfulness & heart rate demand instructions, heart rate during behavioral avoidance test, college students, implications for therapy, 58:9031
social interaction, heart rate control, human Ss, 55:9180
sound pressure level, cardiovascular response, 21–23 yr old females, 58:10919
speech vs nonspeech with similar acoustics, heart rate & behavior, 4 vs 12 wk old infants, 56:9630
standardization of artificial respiration parameters, heart rate & tidal volume, curarized rats, implication for cardiovascular conditioning, 56:9459
stereotype presentation stimuli, heart rate activity, dogs, 55:1993
stimulant drugs, autonomic base levels & responsivity to stimuli, normal & minimally brain dysfunctioned children, 54:1627
stimulation of cardiac sympathetic nerves, cardiovascular hemodynamics, dogs, 56:7464
stimulus changes, orienting reflex & relationship between 2 heart rate indices, 55:349
stimulus control feedback training, heart rate discrimination, nonpsychotic psychiatric patients & hospital employees, 53:3290
stimulus duration, desensitization of physiological responses, snake phobic vs non-snake phobic Ss, 55:10374
stimulus input & motor output & their interaction & expectancy, magnitude of heart rate & electrodermal response, 54:9001
stimulus intensity, amplitude & habituation of orienting reflex, male college students, 53:8911
stimulus significance & detection & response requirements, cardiac activity & information processing, college students, 55:6097
stimulus tone interval, heart rate conditioning to glucose, infants, 53:309
stimulus type & age & sex & familiarization, rated liking & heart rate, 5th & 6th graders & college students, 55:9178
stress & sleep patterns, cardiovascular activity & disorders, 57:3660
stress, cognitive appraisal pattern differences & heart-rate self-rating, male nonparanoid process vs paranoid reactive schizophrenics, 53:3349
substantial lunch consumption & unstable introversion/stable extraversion, palmar skin potential level & mood & heart rate, 20–50 yr old males, implications for application in industrial environments, 58:577
success & failure signals, heart rate regulation, male college students, 55:8867
suggested allergens & conflict related stimuli, bronchial symptoms, highly vs slightly asthmatic children, 57:3693
suggestions of imagery of hand warming vs hand cooling, autonomic responses, 17–32 yr old paid adults, 54:11102
sustained static work & subsequent administration of hexamethonium &/or phentolamine, behavioral activities & blood pressure & heart rate, monkeys, 56:2041
sympathetic influences, heart rate & cardiac contractility during stressful reaction time task, college students, 53:488
synthetic speech sound, heart rate changes, infants to 27 yr olds, 55:9152
synthetic speech syllable trains vs tone frequencies employing discrete trials & no-delay paradigms, cardiac orienting & sucking responses, 6 wk olds, 57:9982
synthetic vowel sound, heart rate changes, infants & adults, implications for index of individual differences, 55:9151
systematic desensitization & implosive therapy, heart rate, female college students with snake phobia, 53:5895
systematic desensitization therapy, behavioral vs subjective vs physiological measures of fear change, snake-phobic college females, 56:10349
tactile & auditory & vestibular stimulation before & after feeding & during sleep & wakefulness, heart rate, neonates, 53:827
tactile stimulation & stimulus intensity & sex, cardiac & behavioral responsivity, premature vs full-term infants, 56:5557
task analysis, topography of competent assertive responding in role playing & hypothetical situations, high vs moderate vs low assertive college students, 58:3407
task attention manipulated by uncertainty & motivation, heart rate & somatic response patterns in choice RT task, male 5th graders & college students, 57:5212
task difficulty & liking for audience & interaction with social facilitation effects, performance level & performer arousal reports & heart rate & blood pressure measurement, 58:7412
task difficulty, heart rate & respiratory responses during choice RT task & use of discriminant analysis in selection of psychologically sensitive physiological responses, female college students, 57:12306
telemetered radioelectrocardiography & self report, study of marathon group tension function, college students, 58:12063
temporal predictability of aversive stimulation, psychological impact & EEG & heart rate & skin conductance & respiration effects, male college students, 58:639
tetrahydrocannabinol amounts in marihuana cigarettes, heart rate & field dependence & complex RT & decision making & information processing & visual perceptual accuracy, male 21–38 yr olds, 58:7110
therapist- vs self-administered systematic desensitization with vs without weekly therapist phone calls, reactions & attitudes toward snakes & self report & heart rate period data, snake phobics, 56:10346
thyrotropin releasing hormone, pentobarbital narcosis & respiration & heart rate, monkeys, 57:2764
tone intensity & gradual vs rapid onset & decay times, heart rate response during sleep & elicitation of K-complex, male college students, 54:6881
tonic immobility, heart rate & respiration & body temperature, chickens, 57:12286
tonic visceral & EEG arousal correlates, individual differences in electrodermal lability, 53:11004
treadmill movement vs shock as UCS, differential heart rate classical conditioning, humans, 55:9160
tricyclic antidepressants, cardiac effects, depressed patients & guinea pigs, 57:10896
true vs false feedback, actual heart rate & emotional behavior, 55:11664
Type A personality, work load & role ambiguity, anxiety & depression & resentment & heart rate, users of university computer system approaching 23-day shutdown, 55:5806
uncertainty & motivation, heart rate as attention index & cardiac-somatic relationships in discriminative RT task, male 5th graders vs college students, 57:7527
underwater ultrasonic telemetry system, heart rate responses during open-ocean & pool & lake dives, amateur vs experienced scuba divers, 54:6888
unpleasant slide viewing & false heart-rate feedback, reported affect & heart rate responses, college students, extended test of S. Valins' conclusions, 56:9443
vagal stimulation, reinforcing effects on classically conditioned heart rate, female rats, 57:9772
varying temporal placement during CS of added stimulus correlated with nondelivery of UCS, form & latency of cardiac rate, male monkeys, 54:9016
verbal instruction & presence vs absence of E & progressive muscle relaxation, blood pressure & heart rate, hypertensive patients, 53:3763
verbal instructions & augmented sensory feedback, learning cardiovascular control, human Ss, 55:6437
verbal instructions & respiration technique with vs without augmented external feedback, bidirectional voluntary heart rate control, male 20–26 yr old students, 56:5548
verbal vs tangible vs physical punishment, response perseveration on simple operant task & physiological arousal, alcoholics vs heroin addicts vs normals, 55:12487
viewing of random series of spider & neutral slides, cardiovascular & electrodermal & somatic activity, female undergraduates afraid vs unafraid of spiders, 54:11056
viewing slides of seminude females with vs without nonveridical heart rate feedback, attractiveness ratings, male Ss, 58:7034
viewing slides of varying sexual content with no vs constant vs accelerated false heart rate feedback, emotional arousal experiences measured by slide ratings, able-bodied vs quadriplegic men, comparison of predictions from peripheral & central theories of emotion, 57:445
viewing violent TV episodes with human vs cartoon-like puppet characters & age, heart rate & "scariness" & reality & preference judgments & details remembered, 4–6 & 8–11 yr olds, 57:5498
violation of personal space, heart rate & length of verbal responses, 56:9829
visual discrimination task difficulty & anxiety level, intermittent components of heart frequency, 55:2001
visual feedback of true heart rate & instructions to lower heart rate, graded exposure in vivo, 19–52 yr old females with chronic animal phobias, 54:10243
visual information processing, concomitant EEG activity & eye & lid movements & heart rate, 57:2619
visual stimulus repetition & change & offset, cardiac deceleration & dishabituation responses, 1–4 day old infants, 56:465
voluntary bidirectional control & reactivity of heart rate, college students, 54:6880
voluntary control of heart rate & skin temperature, hospitalized males with psychosomatic vs nonpsychosomatic stomach disorders or headaches, 57:10600
voluntary control of heart rate deceleration, skin conductance level, male college students, 58:582
voluntary control of heart rate in humans, review of experimental studies, 57:2661
warning & nonwarning & anagram problem solving, heart rate & GSR & skin conductance & tonic galvanic skin potentials, college students, 54:6893
warning tone preceding stimulus & attempts to detect threshold-level visual stimuli, heart rate, college students, 54:4691
water-immersion sensory-isolation environment, endurance & subjective time estimates & heart rate, male & female college students, 54:9028
weak vs strong shock, heart rate, preweaning rats, 53:11117
workday stresses & job activity, heart rate, industrial managers, 55:8482
Zen meditation exercise under various demand conditions, physiological & subjective changes, college students, 58:6903

Heart Rate Affecting Drugs [See Also Caffeine, Epinephrine, Quinidine, Theophylline]
electrical stimulation of dentine, pain reaction & release of bradykinin & prostaglandin-like chemicals from tooth pulp, adult dogs, 53:11145
G-strophanthin, skin potential level in sweat glands, 55:6647
intra-arterial injection of bradykinin into limbs, activity of mesencephalic reticular units, cats, 54:2554
intra-arterial injection of bradykinin into limbs, spinothalamic cell activity during intense nociceptive stimulation, monkeys, 55:2089
nifedipine, mechanical & electrical activity of isolated atrium, female rats, 55:6616
ouabain & digitoxin, hexobarbitone sleeping time, male mice, 54:4793

Heart Surgery
Bender Gestalt testing, evaluation of brain dysfunction following open-heart surgery, 38–66 yr olds, 53:10297
denial & anxiety measured on MMPI, prediction of heart surgery mortality, male vs female patients, 56:8477
depression & pessimism, surgery outcome, open heart surgery patients, 55:1113
depression & preoperative tendency to reject sick role & duration of illness prior to surgery & age & sex, tendency to relinquish sick role following open-heart surgery, 18–60 yr old patients, 54:3850
hypnotic suggestion, recovery from open heart surgery, hospitalized patients, 57:4020
incidence of postoperative psychiatric symptoms, coronary bypass vs cardiac valvular surgery patients during immediate recovery vs at 18-mo followup, 57:10413
intellectual & personality & neuropsychological tests & cardiac impairment ratings, prediction of open-heart surgery survival, 16–60 yr olds undergoing extracorporeal circulation, 54:3853
left parietal-occipital & posterior callosal & right frontal lesions, visual-spatial perceptual deficit & gross impairment of visually guided movement & left hemiparesis, 47 yr old right handed male who underwent coronary by-pass surgery, 55:12542
major surgery, body image, men undergoing visible vs nonvisible disability surgeries, 55:5188
medical & psychological & social & demographic variables, morale, 18–60 yr old patients following open-heart surgery, 56:6247
open heart surgery, intellectual functioning, patients, 57:6449
pacemaker implantation, dermatozoophobia & psychopathological symptoms, 74-yr-old female with congestive heart failure, 53:11997
patients' psychological reactions to heart-valve surgery, observations of psychiatrist to cardiothoracic surgical service, 57:10985
patterns of lucidity & hallucinations & affect & delirium, cardiotomy patients awakening from anesthesia, implications for psychiatrist-surgeon collaboration, 57:8890
personality & psychological factors, postcardiotomy delirium, patients following open-heart surgery, 53:3854
postoperative behavior, patients after cardiac surgery, 53:3857
preoperative analogy test scores measuring cognitive dysfunction, open heart surgery postoperative outcome, patients, 56:4344
preoperative intervention methods & pre- & post-intervention emotional state, medical recovery & relationship to postoperative emotional state, heart surgery patients, 57:6490
psychiatric complications, coronary bypass open heart surgery patients, 54:7956
psychological issues in preoperative & postoperative information to open heart surgery patients, 54:10316
psychosocial adaptation to advanced medical procedures, patients, literature review & therapeutic considerations for psychiatry, 57:8817
reorientation technique administered postoperatively, incidence of delirium, open heart surgery patients, 56:6300
vector analysis, postcardiotomy behavioral phenomena, 55:1101

Heart Transplants [See Organ Transplantation]

Heart Valves
patients' psychological reactions to heart-valve surgery, observations of psychiatrist to cardiothoracic surgical service, 57:10985

Heart Ventricles
sleep-waking changes in heart rate & premature ventricular contractions, 59 yr old male with ventricular cardiac arrhythmias, 58:9764
technological developments in study of sympathetic influences on left ventricular performance or contractile force & cardiac output & regional blood flow & blood oxygen content, 57:46

Heartbeat [See Heart Rate]

Heat Effects
ambient heat stress, psychomotor & mental performance, review of laboratory studies since 1958, 58:6751
behavioral responses to high ambient temperatures, Cape Gannets, 56:5432
conditioning to dry bulb air temperature, temperature estimation, male college students, 55:6010
cooling vs warming of preoptic & anterior hypothalamic region, behavioral thermoregulation & vasomotor tone & core temperature, male monkeys, 57:12324
early maternal separation with vs without heat source, survival & body weights & temperature & cardiac & respiratory rates & eye opening, rats, 55:6415
exposure to cold & heat & noise stressors before or during skin wound healing, healing progress, mice, 58:2901
graded nonnoxious & noxious temperature increases, spinal cord coding, cats, 54:11133
handling & shock & heat stress exposure & open field exposure in infancy, plasma corticosterone, newborn rats, 58:4972
heart & sweat & metabolic rates during heart stress, reduction in work capacity, 53:6332
heat & attitude similarity & personal evaluations, interpersonal attraction, male college students, 53:9497

heat & ethnic group, intelligence & creative task performance, adolescent boys of Bedouin & Moroccan & Eastern European ancestry, 54:9453
heat reinforcement, stimulus-directed pecking in Pavlovian conditioning, chicks, criticism of E. A. Wasserman's conclusion, 53:4790
heat stress & heat tolerance, Ntomba & Twa of Zaire, 56:5039
heat stress, analysis of reliability of performance & exertion-to-performance ratio in flight simulator, nonacclimatized young males, 57:14131
heat stress level & measurement difficulties, 53:11048
heat stress, psychomotor & mental performance, sedentary Ss, 58:4701
heating of head & other body parts, calling rate & call duration & frequency, fire-bellied toads, 58:11115
high temperature conditions & self-selected work-rest cycles, vigilance performance & time estimation, male college students, 53:6352
high temperatures & fatigue, psychoactivity, medical & nursing students, 53:4150
hot vs cool room temperature & personal evaluation from & attitude similarity to target, mediating role of negative affect in subsequent aggression, male college students, 56:7853
hyperthermia during 3 stages of gestation, brain growth & learning behavior, guinea pigs, 53:8951
intervals between noxious heat pulses to hand, peripheral suppression of 1st pain & central summation of 2nd pain, 22–33 yr olds, 58:10874
intra- vs interregional differences, activity & defecation & climbing latency & jumping in open field & temperature preference & cold & heat stress & nest-building, offspring of wild mice, 53:513
intrahypothalamic acetylcholine, heat escape behavior & hypothalamic temperature, male rats, 56:9579
irradiation level & areal extent & stimulated body region, warmth magnitude aroused by heat irradiation & assessment by magnitude estimation, males, 53:8654
localized warming of superficial & deep peripheral sites, behavioral & autonomic responses & body temperature changes, male rats, 53:11097
maternal & sibling presence vs isolation & thermal conditions, ontogeny of spontaneous locomotor activity, 5–30 day old rats, 56:3474
mechanical & thermal & taste stimulaton to tongue surface, evoked hypoglossal efferent nerve activity, male rats, 55:2024
moderate heat stress, typewriting performance, reanalysis of 1923 report of New York State Commission on Ventilation, 53:6358
observational study, postural changes on hot summer days, red kangaroos, 57:12117
peripheral heat as reward, operant conditioning of heart rate, curarized rats, 56:3621
position of creep heater in farrowing pens, lying behavior during 1st week of lactation, sows & piglets, 56:5460
prenatal heat exposure, birth weight & brain weight & serial discrimination reversal learning & brain growth, guinea pigs, 56:9467
radiant stimulation of forearm, spatial localization of warmth, male adults, 54:188
recovery rate from deep body cooling by rewarming, retrograde amnesia & retention on passive avoidance trial, male rats, 56:5587
seat height & baldness & environmental temperature, subjective response to overhead thermal radiation, bald & nonbald male technicians & scientists, 53:4326
skin pigmentation, warmth & pain thresholds, Caucasians & Mexicans & blacks, 55:6359
spatial summation in warmth sense, 54:173
strain & castration & restraint & sex hormones, survival time after subjection to lethal heat stress, male vs female mice, 55:4020
suggestion directed toward elicitation of fewer reports of minimal pain vs greater pain tolerance, response probabilities & pain detection & tolerance thresholds to thermal stimulation, college students, 53:139
varying durations of heat &/vs light exposure, instrumental escape learning, houseflies, 58:8902

Hebephrenic Schizophrenia
application of P. H. Huber's psychometric method of diagnosing individual psychiatric cases, hebephrenic patient, 57:12930
basal prolactin secretion before vs after thyrotropin-releasing hormone vs chlorpromazine &/vs 2-Br-alpha-ergokryptine-mesilate, 20–54 yr old chronic hebephrenic schizophrenics, 57:10894
clinical & familial differences, hebephrenic vs paranoid schizophrenics, 53:3368
doses of sulpiride, chronic paranoid vs hebephrenic schizophrenic 20–55 yr old males, 57:3970
duration of illness, cognitive dissolution as analyzed by connotative language, hebephrenic-catatonic schizophrenics, 54:12000
ECS therapy & neuroleptic titration & massive supportive psychotherapy, hebephrenia, 15 yr old girl, 58:1499
EEG abnormalities, psychiatric patients with hebephrenic symptoms, implications for revision of etiological concepts of schizophrenic psychosis, 57:8402
familial & genetic data, genetic heterogeneity theory & familial risk for schizophrenia & outcomes, paranoid vs hebephrenic schizophrenia, 56:838
Fregoli type of delusional hyperidentifications, organic pathogenetic contributors, patients with hebephrenic & paranoid schizophrenia & epileptic psychosis, 58:1309
haloperidol & chorionic gonadotrophin, hormone status & behavior, 18–36 yr old male hebephrenic schizophrenics, 53:3635
haloperidol therapy, growth hormone response to insulin hypoglycemia, 16–53 yr old chronic schizophrenics vs hebephrenics vs paranoids, 58:12141
lymphocyte-antigen distribution, schizophrenics vs normals, 53:3273
play therapy followed by art therapy & subsequent analytic psychotherapy, treatment of hebephrenia, 57:8621
residual dimension of psychoses & clinical & cognitive & personality defects, patients with cycloid psychoses & hebephrenia, 58:9661
social environment & factors, symptoms & severity of condition, hebephrenic vs cyclophrenic schizophrenic patients, longitudinal study, 55:12430
sulpiride vs haloperidol, paranoid & hebephrenic schizophrenic inpatients, 54:1569
synthetic gonadotropin hormone-releasing hormone dosages, follicle-stimulating & luteinizing hormones, adult male chronic hebephrenic schizophrenics on vs off oral chlorpromazine therapy, 57:6381

Hedonism
extension & modification of P. K. Burgess's hedonism index, psychiatric inpatients & normals, 54:11900
perceived meaning or purpose in life, endorsement of specific values & religious values, college students, 56:9902
test of simple adding model, integration of hedonic component of taste stimuli, 54:10866

Heels (Anatomy) [See Feet (Anatomy)]

Height (Body) [See Body Height]

Helicopters
prolonged helicopter missions, aircrew stress & fatigue, 54:12675

Helium
breathing elevated pressures of nitrogen & helium, avoidance behavior, male rats, 56:1973
breathing of air vs oxygen, helium elimination during decompression, nonsmoking divers, 56:1942
breathing of high nitrogen pressures & subsequent helium pressure effects, avoidance behavior, male rats, 55:11703
deep dives in helium-oxygen atmosphere, EEG & psychometric performance, 56:3640
helium pressure, nitrogen narcosis & operant conditioning, male rats, 57:7832
increased pressures of nitrogen & helium, operant performance on multiple schedules, pigeons, 53:4610
N sub2-He-O sub 2 vs He-O sub 2, suppression of high pressure nervous syndrome in deep dives, males, 53:9920

Hematologic Disorders [See Blood and Lymphatic Disorders]

Hematoma
acute traumatic intracranial hematoma, traumatic epilepsy after nonmissle injuries, 54:7943
reliability of Electronic Sector Scanning, diagnosis of brain tumors & subdural hematomas, 55:12586

Hemianopia
autopsy findings, alexia with left homonymous hemianopia without agraphia, 59 yr old male, 56:920
functional disconnection in pure alexia & color-naming deficit, 67 yr old male with hemianopia resulting from cerebrovascular accident, 56:950
tachistoscopic presentation of figures in- & outside & across hemianopic areas, residual function in cortically blind hemifields, male 52–59 yr old brain injured patients, 58:3665

Hemiopia [See Hemianopia]

Hemispherectomy
ablations of frontal cortical areas & caudate nuclei & cortical hemispherectomy & dextroamphetamine, impairment & recovery of limb-placing reactions, cats, 57:9786
cerebral embryology & sensory & motor functions of split brain, 54:784
cerebral hemispheres' function, controlled replication of learning curves, split-brain cats, 54:9105
clinical profile & motor activity & EEG activity & neurophysiologic & linguistic findings, 35 yr old male with left-sided hemispherectomy, 57:3725
commissurotomy & hemispherectomy, linguistic competence & related functions in right cerebral hemisphere, patients, 55:7708
dominant vs nondominant hemispherectomy, 54:559
functional organization of hemispheres with brain stem & each other, monkeys & humans, 54:426
hemispherectomy, cats, 54:520
hemispherectomy or callosal section, competitive & cooperative interactions between hemispheres, 54:540
hemispheric disconnection, cerebral function, book, 54:539
left hemispherectomy for seizures at 5.5 yrs old, development of superior language & intellectual abilities, 21 yr old male, followup studies, 56:4544
minor hemisphere dominance in perception of part–whole relationships, commissurotomized man, 54:548
removal of cortical matter & lobectomy & hemispherectomy, untreatable epileptic seizures, severely brain damaged mentally retarded epileptic 3–14 yr olds, 54:10312
right hemispherectomy, psychomotor & higher nervous function, 20-yr-old female, case report, 53:12305
sodium amylobarbitone intracarotid injection & subsequent transient hemiplegia, hemispheric lateralization of singing, epileptic patients being considered for cerebral commissurotomy,53:1538
specialized hemispheric functions, commissurotomy patient, 54:1465

Hemodialysis
assessment & psychotherapy in chronic hemodialysis treatment programs, renal patients, annotated bibliography, 56:10251
autonomy concerns before & after hemodialysis, 15 yr old female, 57:4061
characteristics & reactions, families of patients on chronic hemodialysis, 55:12569
chronic hemodialysis, speech & language disorders, 36 yr old male, 54:6058
chronic home hemodialysis, marital adjustment, male patients & their wives, 58:7790
chronic renal failure & dialysis & transplantation, acute psychosis, 38 & 31 yr old women, 53:1375
clinical & psychological manifestations & test findings in cerebral dyspraxia associated with hemodialysis, 42 yr old male, 57:1504
conflicts & rejection of hemodialysis, 23 yr old identical twin male with end-stage kidney disease, 57:10595
decrease or cessation of urination, denial of renal disease & adjustment to hemodialysis, renal failure patients, 58:7777
denial & external locus of control as mechanisms of adjustment, long term male hemodialysis patients vs male patients in recovery stages of minor medical problems, 58:3634
diagnosis of predialysis patient-spouse relationship, therapeutic intervention for adjustment problems, families of patients on chronic hemodialysis, 57:10794
empirical analysis of suicidal potential, long term hemodialysis vs chronic diabetic patients, 57:8559
factor analysis of illness behavior dimensions, patients in long-term hemodialysis, 53:10303
fantasies & interaction with emotional stress on mother & role of psychoanalyst, child with cystinosis treated by hemodialysis from 2 yrs of age, 58:5684
general & death anxiety, hemodialysis patients & their wives, 53:12008
hemodialysis, body image & adaptation to hemodialysis, patients waiting to begin dialysis vs already on dialysis, 57:13379
infantile-oral conflicts & solution in earlier life, regression & dependency resulting from hemodialysis, patients, 54:1488
interaction process during group session, wives of hemodialysis patients, 56:8362
long term hemodialysis, ethyl alcohol addiction, uremic patients, 55:10103
loss & replacement of body parts, psychic consequences, psychoanalytic viewpoint, 53:7777
meanings of & response to illness, patients undergoing long-term hemodialysis, 53:12018
medical & clinical data & Rorschach protocols, patients undergoing hemodialysis for chronic renal disease, 53:8101
patient-family interaction & tension & communication, families of patients on hemodialysis, 57:8830
pediatric psychologist's role&procedures, treatment of young hemodialysis patients, 55:12749
perceptions of their relationship & staff-patient adaptation, staff & patients in community hospital kidney center, 58:8041
personality factors, vocational rehabilitation, 14–65 yr old male patients with chronic renal conditions & hemodialysis, 54:6065
personality traits, adjustment to chronic hemodialysis, patients, implications for prediction of adjustment, 56:6465
physicians' denial & assessment of hemodialysis patients, nephrologists, 53:7732
practicality of using abbreviated form of MMPI vs standard form, chronic hemodialysis patients, 56:4541
predictive value of intelligence & defense mechanisms & signs of organicity during hemodialysis, patients with chronic renal failure, 53:7743
pretreatment psychiatric & psychological test results, prediction of chronic hemodialysis outcome, patients with chronic renal failure, 53:10294
prolonged stress & demographic characteristics, coping style, patients with terminal renal failure prior to hemodialysis onset, 57:13085
psychiatric & psychological evaluation, patients in home-dialysis, follow-up study, 53:10299
psychiatric problems, patients under permanent hemodialysis, literature review, 53:10267
psychological & social adaptation, 21–70 yr old hemodialysis patients, 53:6037
psychological adaptation to chronic hemodialysis, review, 55:7693
psychological deficit & minimal brain dysfunction, weeks on dialysis & personality patterns & defensive styles & adjustment ratings & serum potassium levels, hemodialysis patients, 58:9999
psychological needs, male dialysis patients & their spouses, 56:8256
psychological traumas faced by hemodialysis patients, consideration of Freud's works on death & mechanisms of defense, 57:13135
psychosocial & legal analysis, problems posed by hemodialysis & organ transplantation, book, 56:8476
psychosocial adaptation to advanced medical procedures, patients, literature review & therapeutic considerations for psychiatry, 57:8817
psychosocial characteristics, prediction of successful vs unsuccessful adaptation, chronic hemodialysis patients, 58:9757
psychosocial problems & psychiatric morbidity & staff-patient relationship, hemodialysis patients, literature review, 57:13032
reactions to & fantasies about chronic hemodialysis & kidney transplantation & regressive infantile phenomena, adolescents treated for chronic kidney disease, 58:5651
role of spouse, success or failure of home hemodialysis, 56:1163
Rorschach results, 14–20 yr olds on chronic hemodialysis, 58:5652
sexual activity, chronic renal failure, male dialysis patients, 54:1438
systematic desensitization & stimulus control fading & social reinforcement, hemodialysis phobia, 18-yr-old male renal patient, 53:7960
time limited group counseling, level of functioning, chronic home hemodialysis patients, 55:2764
time-limited group counseling adjustment, chronic home hemodialysis patients, 53:3845
token economy using water as reinforcer, fluid overload & mood & weight gain & blood pressure, 42 yr old renal patient undergoing hemodialysis, 57:8704
vocational adjustment & work interests & values & rehabilitation outlook, females on long-term hemodialysis, 53:3867

Hemoglobin
hemoglobin values, bioenergetics of laying on of hands, 56:4355
rapid smoking, carboxyhemoglobin levels, healthy Ss, 56:7503
rapid vs normal cigarette smoking vs rapid breathing-sham smoking, heart rate & blood carboxyhemoglobin, college students, implications for behavior modification, 56:9550

Hemophilia
group psychotherapy, feelings & self concepts & personal awareness & self satisfaction, hemophiliacs & families, 56:8360
learning self administration of antihemophilia concentrates as therapeutic intervention into medical routines, psychodynamics of organic symptoms, adolescent hemophiliacs, 55:2696
personality & intelligence & perception of parental behavior, 10–16.5 yr old normal vs hemophiliac males, 58:1487
personality traits & structure, male adults with varying degrees of hemophilia, 57:6178

Hemorrhage [See Also Cerebral Hemorrhage, Hematoma]
alternating mechanisms of incorporation & projective identification & alternation of hemorrhagic symptoms, 4.5 mo old female & her mother with rectocolitis, 58:5664
clinicopathologic study, periodic alternating gaze deviation, 60 yr old female, 56:6284

Hemp (Cannabis) [See Cannabis]

Henman Nelson Tests Mental Ability
Henmon-Nelson Tests of Mental Ability vs Cardall-Miles Mental Alertness Test vs Slosson Intelligence Test vs Quick Tests, prediction of WAIS IQs, psychiatric patients, 56:7068

Hepatic Disorders [See Liver Disorders]

Hepatitis [See Also Toxic Hepatitis]
acute hepatitis epidemiology, institutionalized mentally retarded, Finland, 54:1483
hepatitis B antigen incidence, newly hospitalized patients & psychiatric institute employees, 55:2429
viral hepatitis, psychiatric disturbances, 20–40 yr old females, 57:10633

Hereditary Disorders [See Genetic Disorders]

Heredity [See Genetics]

Hermaphroditism
chromosome analysis, mentally retarded 13 yr old male hermaphrodite with undifferentiated gonads, 55:935
estradiol benzoate & progesterone vs testosterone propionate priming, sexual behavior, rat pseudohermaphrodites, implications for hormonal determination of feminine differentiation of brain, 58:3028
fetal androgens in early treated adrenogenital syndrome, assertive & aggressive behavior, adolescent & adult hermaphroditic females, 56:6449
gender identity & considerations for sex assignment, chromosomal & gonadal females with adrenogenital syndrome born with penis, implications for etiology & theory of homosexuality, 57:6165
in utero steroid 5-alpha-reductase deficiency, male pseudohermaphrodites born with ambiguity of external genitalia, 53:9940
neonatal sex assignment & external genitalia, gender identity differentiation, hermaphrodites, 53:5726
origin & clinical picture & differential diagnosis & treatment considerations, effeminate behavior in boys, 57:1421
sex change & psychosis, S with congenital adrenogenital syndrome with pseudohermaphroditismus femininus, 53:1590

Heroin
amphetamine vs cocaine vs morphine vs heroin dosages, sensory reinforcement, rats, 58:7120
anti-opium laws, narcotic drug price increase & heroin industry & law enforcement system corruption & health problems involving drug use, Hong Kong & Laos & Thailand, 57:5759
attitudes toward methadone & heroin, treatment-retained vs nonretained addicts, 53:3661
attitudes toward objectives of education about drugs & alcohol, high school vs college students vs teachers vs youth advisors vs supervisors vs consultants, 57:1130
birth order, polydrug use patterns, heroin addicts, 55:4824
cannabis & alcohol & barbiturates & stimulants & opiates & heroin, sex & brain function, 54:611
covert sensitization tailored to locus of control, clients in methadone maintenance programs for heroin abuse, 58:6070
criminal & drug usage histories & social characteristics, adolescent heroin users vs juvenile offenders vs nondelinquents, 56:10105
demographic variables & attitudes toward representatives of educational system, middle class 14–18 yr old heroin abusers vs nonabusers, 58:11889
development & maintenance of social drug use patterns in controlled use of opiates, case histories, 56:8202
drug abuse education, attitudes toward glue & marihuana & barbiturates & heroin & LSD & amphetamines, 7th graders, 55:1364
drug usage & exposure to heroin, clients of Haight-Ashbury Free Medical Clinic, 53:7238
ethnographic considerations & decision making in selection of heroin dealer, 54:7292

first dosage effects on subsequent opiate usage, black & white urban drug addicts & college students trying heroin for 1st time, 55:7023
heroin & cross-tolerance to levomethadone, brain acetylcholine utilization, male rats, 54:2540
heroin & morphine, acute effects on newly synthesized serotonin in brain, male rats, 55:4146
heroin alone vs in combination with amphetamine or strychnine or ethanol, locomotor activity, 2 inbred strains of mice, 58:11235
heroin content in glassine bags, heroin-related deaths, Atlanta, 1971–1973, 53:4687
heroin, diurnal feeding patterns, male rats, 57:829
heroin maintenance, potential role in rehabilitation of chronic heroin abusers, 55:5320
heroin maintenance programs & legal implications, Britain, 56:2707
heroin self administration & withdrawal, sleep patterns & energy expenditure & social interaction, 24–41 yr old patients, 56:4220
history & chemistry & pharmacology & use & effects & treatment for overdose & addiction, heroin, 54:4719
marihuana use as drug user's initiation into use of drugs, prison inmates & methadone patients, 55:7014
mental health status, heavy users of marihuana & amphetamines & hallucinogens & heroin, 53:11524
morphine & heroin & fentanyl & propoxyphene & tilidine & levomepromazine, pharmacological sensitivity of brain areas using intracranial aversive stimulation technique, rats, 58:606
morphine- & heroin-induced running activity & analgesia & tolerance, inbred strains of mice, 53:6859
morphine immunization, heroin & cocaine self administration, monkeys, 57:713
morphine sulfate vs heroin hydrochloride & dosages, performance on multiple fixed-interval schedules, rats, 53:11218
narcotic antagonists, heroin-seeking behavior on research ward & in community, male narcotic addicts, 56:4611
personality differences, drug abuse, volunteer vs nonvolunteer heroin vs nonheroin drug users in drug treatment program, 56:862
phenomenology of consciousness change, heroin & methylenedioxyamphetamine users, 57:9901
quantitative analysis & clinical impressions of ego functioning in preferential drug abuse, heroin vs amphetamine abusers, 58:3547
sequence of drug usage behavior, 13–17 yr olds, Nova Scotia, test of stepping-stone hypothesis, 56:9816
standard methods & mathematical techniques, incidence & prevalence & treatment & prevention of heroin use, US, 1965–75, book, 57:6061
treatment techniques in drug abuse program, heroin vs hallucinogen using US Army soldiers, 57:4187
use of opiate drugs, drug clinic attendees, Britain, followup study, 57:1407

Heroin Addiction

absence or subfunctioning of fathers or father figures during preadolescence, peer relations & group identity & comfortable heterosexual contacts, male heroin addicts undergoing detoxification, 57:1438
abuse of phenmetrazine & other stimulants, narcotics addicts in Washington, D.C., 54:1355
acetylcholine & epinephrine & nicotine, sweating response, premature low-birth-weight neonates with heroin withdrawal symptoms, 53:9063
age & race & sex & religion & employment & prior drug use, old style vs transition vs new vs very new heroin abusers, 1969–71, 57:1426
age of initial drug use, subsequent preference for other drugs, 16–25 yr old white & nonwhite heroin addicts in rehabilitation agencies, 56:839
apomorphine doses & time & method of administration & side effects, heroin withdrawal symptoms, 17–24 yr old heroin addicts, 53:1641
application of hypnosis, rehabilitation & psychodynamic evaluation, heroin addict, 58:4050
assignment to nonaddict vs ex-addict counselors, retention in program & drug use & employment & arrest rate, heroin addicts, significance for counselor training, 57:11069
attitude changes toward heroin users & methadone maintenance & abstinence clients, clients & staffs at detoxification/abstinence & methadone maintenance centers, 54:1565
attitudes toward drug abuse, therapeutic community residents vs methadone maintenance patients, 54:12039
attitudes toward methadone & methadone treatment programs, detoxification & methadone maintenance clients, 54:5834
belief systems & addict subtypes, heroin addicts, 54:3406
cerebrospinal fluid amine metabolites homovanillic acid & 5-hydroxyindoleacetic acid pre- & post-probenecid administration, central serotonin & dopamine metabolism, patients with affective illness & methadone treated heroin addicts, 53:3338
combined disulfiram & methadone treatment, hematology & blood chemistry, alcoholic heroin addicts, 56:4606
comprehensive treatment program, heroin addiction, mothers in methadone maintenance clinic, 53:10094
connotative aspects of attitudes toward commonly abused drugs as measured by Drug Rating Scale, heroin addicted detoxification clients & staff members, 58:3549
contact with physician & other treatment staff on day of arrival & decreasing delays at intake, increase in retention rate, heroin addicts seeking methadone treatment, 56:4618
contingency behavioral contracting, behavior change, heroin addicts, 57:4166
contingent naloxone administration, chronic heroin abusers in community-based abstinence program, 56:2705
controlled comparison of personality characteristics, heroin addict vs nonaddict offenders, 54:5545
cost-benefit analysis, methadone maintenance & sale & consumption of heroin, book, 54:10165
cultural factors, heroin addiction, Puerto Rico, 54:9953
current use of heroin, addicts treated by prescription heroin, London, England, 3.5-yr followup, 55:7794
delayed reinforcement, rate of acquisition in paired associate task, incarcerated groups of sociopaths & heroin addicts vs normal Ss, 56:2490
demographic & background & personality & attitudinal variables, prediction of successful outcome, male heroin addicts released from rehabilitation center, 57:6547
demographic & psychological & medical factors, heroin addicts treated by detoxification vs methadone maintenance, 55:5323
demographic factors & duration of heroin addiction & previous hospitalization, alcohol use, heroin addicts, 53:1439
demography, heroin addiction, youthful offenders, 56:863
detoxification treatment in community-sponsored outreach drug treatment program, male & female heroin addicts, 3-yr followup, 54:1606
doxepin as adjunct to treatment, heroin addicts in methadone program, 56:2706
doxepin, depressed narcotic addicts in methadone maintenance program, 54:1625
Draw-A-Person Test & Personal Preference Scale & TAT & Eysenck's Personality Inventory, sexual identification & relationship with mother & extraversion-introversion dimension, 18–26 yr old heroin dependent males, 56:851
driving behavior, methadone maintenance patients, 53:12753
drug usage patterns, aged addicts & methadone treatment patients, 55:10032
educational background & work patterns & skills & criminal record & mental ability & emotional stability & personality traits & stigma of heroin addiction & health, employability, ex-addicts on methadone maintenance, 56:6573
ego weakness, quality of participation & persistence in methadone maintenance vs therapeutic community programs, male 18–30 yr old heroin addicts, 56:8553
electrical aversion conditioning, chronic heroin usage, 23-yr-old male graduate student, 53:7968
empirical typology based on MMPI profiles, heroin abusers in VA program, 57:3555
employment & heroin usage outcomes, clients participating in methadone program, 55:7776
encounter vs general group discussion, systolic blood pressure, male heroin addicts in therapeutic community, 55:7584
epidemiological & psychosocial models of drug abuse, 56:7839
EPPS, identification of need conflict, suburban narcotic abusers who apply to county methadone maintenance program, 56:4259
evaluation of methadone maintenance outpatient program, retention in treatment milieu & reduction in criminal activities & drug usage & improvement in quality of life, heroin addicts, followup study, 56:8550
experience of euphoria following opiate injection & subsequent desire for euphoria, heroin addiction, test of Lindesmith's theory, 55:869
experimental heroin addiction cycle, verbal interaction & role behavior in small group setting, heroin addicts, 57:1403
eye movement responses during word & object recognition, heroin addicts, 55:4830
factor structure of manifest psychological needs, heroin addicts, support for existence of intra- & interpersonal conflicts, 56:4234
failure of abstinence & methadone treatment, evidence for value of heroin maintenance, heroin addicts, Canada, 56:10477
family background & psychological characteristics & reasons for opiate use & preexisting drug abuse, male heroin users, 54:1395
family characteristics, heroin-dependent vs other drug using Navy men, 53:9862
family history & drug use & demographic & employment history, institutionalized vs volunteer female narcotics addicts in drug rehabilitation program, 53:1687
family homeostasis, treatment outcome, couples voluntarily seeking treatment for heroin addiction, 56:10465
friendship vs legal & medical vs benign authority vs drug experience, perceived credibility of drug information, black heroin addicts in narcotics treatment program, 56:4615
genetic loading for schizophrenia, drug dependence as substitute for schizophrenia, 15–30 yr old heroin addicts, 57:5945
Gittinger Personality Assessment System, identification of core personality characteristics, heroin addicted criminals vs noncriminals, 57:6057
Halstead Impairment Index, differential diagnosis, heroin-addicted vs brain-damaged veterans vs normal controls, 53:11838
heroin abusers, MMPI characteristics, 18–29 yr old enlisted Army men returning from Viet Nam, 54:12020
heroin addiction, dental disease, 53:7650
heroin addiction scale of MMPI, discrimination between addicts & nonaddicts, heroin addicts vs rehabilitation clients, 56:3240
heroin alone vs with narcotic antagonist, psychopathology & mood during unblocked self administered heroin, detoxified addicts, 57:12967
heroin epidemic, incidence & prevalence, San Francisco, 57:1427
heroin maintenance, potential role in rehabilitation of chronic heroin abusers, 55:5320
heroin overdose, attempted suicide, patients in methadone maintenance clinic, 53:7660
heroin use & drug abuse, adolescents in contact with child welfare agency, Canada, 56:10117
historical review of US vs English approach & moral & political & medical & sociological attitudes, heroin maintenance, 54:1394
historical-legal background & physiology & pharmacology & theories & treatment of heroin addiction, book, 56:8184
history & chemistry & pharmacology & use & effects & treatment for overdose & addiction, heroin, 54:4719
hospital vs outpatient methadone detoxification, drug-free state & return to narcotics use, heroin addicts, 54:3718
identification of predictor variables associated with successful response to multimodal treatment, heroin addicts, 58:6071
impotence & premature & retarded ejaculation, 19–52 yr old heroin-addicted veterans when drug free vs in methadone treatment vs on heroin, 53:9859
impulse control & demographic & drug & criminal history differences & treatment admission criteria, heroin addicts in drug free treatment vs methadone maintenance program, 57:1794
impulsivity, male heroin addicts, 55:12470
incarceration & IQ & locus of control & immediate vs delayed reward choice, future time perspective, prisoners vs open community Ss with vs without heroin abuse history, 58:3555
induction & maintenance phases of methadone program, EEG changes, 18–40 yr old heroin addicts, 55:1200
information reliability & validity, chronic male heroin users, 55:10549
integration of epidemiological & psychosocial models, comprehensive approach to heroin addiction & drug abuse, 56:9808
internal external locus of control & perceived locus of control of drug-taking behavior, 18–26 yr old male heroin addicts, 54:1373
interpersonal relationships in heroin use, narcotics treatment program outcome, male & female heroin addicts in treatment program, 56:2703
interrelations among psychological needs, male & female heroin addict applicants to suburban methadone maintenance program, 53:7659
intramural token economy, participation in rehabilitative activities & personality change & community followup, civilly committed male heroin addicts, 58:6066
introversion-extraversion, success in methadone treatment, heroin addicts, 56:1227
introversion-extraversion, 18–33 yr old male heroin addicts vs college students, 57:3556
issues in heroin maintenance, Great Britain program vs US proposed program, 53:10093
lecture vs model video presentations & preexisting demographic & personality factors, acquisition of drug abstinent behaviors, Black heroin addicts, 58:4056
legal pressure to terminate heroin usage & employment success & frequency of social contacts with non-addicts, length of stay in treatment, heroin addicts in therapeutic community, 57:11066
length of methadone treatment, digit-symbol substitution task of WAIS as measure of attention, working vs nonworking ex-heroin addicts on methadone maintenance, 57:8898
life situation & matrix of social relationships & employment & education & contraception & care of children, male vs female heroin addicts, 54:8055
locus of control & cognitive complexity, methadone treatment knowledge, heroin addicts in methadone programs, 58:10096
locus of control, heroin & multiple-drug users vs normative sample, 53:1454
low dosages of methadone hydrochloride, extended narcotic detoxification, 18–57 yr old heroin addicts, 53:3710
maternal & neonatal & environmental variables, severity of neonatal narcotic withdrawal, neonates of heroin addicted mothers using vs not using methadone, 55:4141
medical & economic & social aspects, heroin dependency, book, 54:1393
medicinal use of hypodermic needles, deleterious effects & possibility of precipitating withdrawal or inducing craving for heroin as CR response, methadone maintenance patients vs controls, 58:1830
mental ability measured by Wonderlic Personality Test, ex-heroin addicts on methadone maintenance as job applicants, 53:11928
methadone & heroin & barbiturates & mandrax & amphetamines & cocaine, sexual functioning, 17–33 yr old male & female addicts & their partners, 57:12972
methadone dosages, self reported emotional states, male heroin addicted hospitalized patients, 56:4612
methadone maintenance & group therapy, multiple drug abusers, 53:10117
methadone maintenance program, changes in culture of urban heroin addict, 53:7922
methadone, retention & state dependent learning, methadone maintenance & detoxification patients & drug free ex-heroin users, 58:1228
methadone use & inpatient hospital care & day care & free clinic models, rehabilitation of young heroin addicts, 55:5306
methadone vs l-alpha-acetylmethadol, difference in therapeutic effects & client preferences, 2 male heroin addicts with ego defects characterized by severe mood swings, 57:1800
methadyl acetate vs methadone at 2 dose levels as maintenance treatments, male 18–60 yr old street heroin addicts, 56:6571
methylphenidate abuse, methadone maintenance patients & "street" heroin addicts, 53:12161
MMPI scores & behavioral indices, prediction of outcome in methadone maintenance program, heroin addicts, 55:12838
moderate vs low dosage methadone maintenance, WAIS performance, heroin addicts, 55:10548
motivational patterns within framework of F. Herzberg's Motivation-Hygiene Theory & internal-external locus of control, heroin addicts vs seminarians, 58:5571
myths of heroin addiction & government intervention & methadone maintenance & utilization of electronic behavior control technology treatment of heroin addicts from 1900–75, 55:2805
naloxone, subjective & physiological manifestations of narcotic withdrawal syndrome, male methadone-dependent former heroin addicts, 58:8087
narcissism & need for self esteem, drug use, female & male young adult heroin addicts, 54:7880
narcotic antagonist presence vs absence, heroin self administration behavior, hard core 22–45 yr old inpatient heroin addicts, 57:1787
nonintellectual & personality variables, heroin addiction, prisoners, 55:10008
number & amount of methadone dosages received & program changes, reduction of illicit drug use, clients, 57:1797
nurses' role, problem solving & corrective interpersonal & self evaluation processes, treatment of long-term heroin addict, 54:6094
observations of methadone treatment programs for heroin addicts, implications for counseling, 57:6546
perceived consequences of addiction, heroin inpatients vs outpatients vs alcoholic inpatients, 56:10111
personality characteristics, dropout rates, heroin addicts in methadone programs, 55:5315
personality characteristics, effectiveness of counseling heroin addicts in methadone treatment program, paraprofessional black former addict counselors, 55:2882
personality characteristics, heroin addicts, response to P. Gendreau & L. F. Gendreau's article, 53:1456
personality characteristics, male ex-heroin addicts, 57:10537
personality characteristics, professed motives for heroin use, male ex-heroin addicts, 58:7693
personality structure & phenomenological aspects of heroin use & group treatment, male addicts, 55:10540
personality structure, hallucinogen vs barbiturate vs amphetamine vs heroin vs mixed drug abusers, 55:4444
personality traits & demographic characteristics & severity of psychiatric disturbance, Mexican American male vs Caucasian male vs female heroin addict methadone maintenance applicants, 57:13472
personality traits & moods, black male alcoholics vs heroin addicts, 56:6210
personality traits & sociological correlates, drug abuse & heroin addiction, US Navy personnel, Vietnam, 58:1381
personality traits, alcoholics & heroin users on methadone maintenance & polydrug users in merged community treatment program, 57:11072
personality traits, white male heroin addicts vs psychiatric patients vs incarcerated delinquents vs college student marihuana users vs police officers, 53:9853
political & historical background, development of Vera proposal for heroin maintenance & narcotics reform, 58:1816
postrelease circumstances & behavior, parole outcome, youthful heroin offenders, 57:13453
pretreatment drug abuse patterns, drug users entering community-based treatment centers during 1971–1973, 56:4600
problems & issues, heroin maintenance, 53:1701
propoxyphene hydrochloride & napsylate, side effects & heroin detoxification, 53:3705
propoxyphene napsylate treatment, heroin addiction & methadone dependence & effects, 53:10142
propoxyphene napsylate vs methadone hydrochloride, suppression of opiate withdrawal syndrome & heroin abstinence, heroin detoxification outpatients, 54:5889
psychomotor performance under methadone maintenance, nodding vs non-nodding heroin addicts, 55:12829
psychosocial similarities & differences, male veteran alcoholics vs heroin addicts, 53:9841
public policy development concerning heroin usage, drug abuse as societal concern, 54:11615
pupil diameter, heroin intoxication & withdrawal, heroin users, 53:3407
reactions to heroin, heroin addicts, 55:874
reasons for seeking methadone treatment & movement between drug treatment programs, drug addicts in New York, 57:1789
relationship between heroin control systems & heroin use patterns, Great Britain & US, 54:2897
relaxation training & systematic desensitization, fear of withdrawal from methadone, young male heroin addict, 55:2812
reliability, self-report interview data on extent of heroin usage, heroin addicts, 53:1432
ritualistic detoxification through "rites of passage" ceremonies, heroin addiction detoxification, 53:1690
role of detoxification, comprehensive treatment program for heroin addiction, patients, 56:4614
role of patient's dependence on & identification with drug-taking mother & successful transference of addiction from drug to analyst, 19 yr old White male heroin addict in psychoanalysis, 58:7821
safety & effectiveness of methadone &/vs levo-alpha-acetylmethadol maintenance & identification of factors associated with success & failure of treatments, male heroin addicts, 57:1812
self administered heroin with vs without narcotic antagonists, mood changes & psychopathology & craving during acquisition, detoxified male addicts, 57:1808
self esteem & future time perspective & locus of control, heroin addicts vs nonaddicts, 58:11881
self regulated access to heroin using operant methodology, changes in psychiatric status, detoxified heroin addicts, 57:13476
self regulated schedule of methadone hydrochloride detoxification, 21–65 yr old heroin addicts admitted to acute psychiatric ward, 54:10184

self reported personality characteristics, heroin addicts vs nonaddicted prisoners, 54:3391
sequential reduction of narcotic-induced euphoria, treatment of heroin addiction, 56:4608
sex differences, field dependence, heroin addicts, 53:1421
similarities to US addicts, case history of 22 yr old Swedish heroin addict, 54:9458
social & psychological characteristics, heroin addicts dropping out of methadone treatment, 53:3664
social character analysis, 17–27 yr old heroin addicts, 58:7705
social history & attitudes & work record & previous drug use & personality & intelligence, heroin-dependent vs nondependent American servicemen, Thailand, 54:3379
social role changes & reinforcement differential, success on methadone maintenance, heroin users, 57:13464
social role changes & reinforcement differentials, successful vs marginally successful vs failure heroin addicts who were treated in methadone maintenance program, 58:6051
sources of & changes in incidence & prevalence, heroin addiction, 54:1381
standard methods & mathematical techniques, incidence & prevalence & treatment & prevention of heroin use, US, 1965–75, book, 57:6061
stepwise discriminant analysis applied to skewed-sample interview data, characterization of military heroin dependents & illicit drug users & psychiatric patients, 58:5764
sulpiride, ending addiction to methadone & heroin, 54:12288
theory of E. Berne concerning mother's influence on life choices, black male heroin addict, 54:12051
therapeutic community program, drug abuse, heroin users in Vietnam, 53:7958
transition from addiction to methadone maintenance, descriptive study of activity & setting & interpersonal contacts, 17–42 yr old heroin addicts, 57:8904
treatment for heroin addiction, subsequent relapse rates, 56:10470
use of MMPI's MacAndrew Alcoholism Scale, identification of substance misuse, inpatient alcoholics vs heroin addicts vs polydrug users vs psychiatric patients without history of alcoholism or narcotic use, 58:1370
validity & personality correlates, peer judgments of parole success, incarcerated heroin addicts, 53:6040
validity of locus of control measures, adjustment & self-concept, heroin users, 53:3414
verbal vs tangible vs physical punishment, response perseveration on simple operant task & physiological arousal, alcoholics vs heroin addicts vs normals, 55:12487
vicarious behavior induction strategy using videomodel vs videolecture procedures, drug abstinence behavior, heroin addicts in residential treatment program, 57:11088

Herpes Simplex
antibody levels to herpes simplex type I & measles & rubella viruses, psychiatric patients, 53:11866
lymphocyte stimulation & antibody response, immune response to herpes simplex virus, sarcoidosis patients & asthmatic persons & nonatopic Ss, 55:10160
moods, herpes labialis episodes, nursing trainees, 58:5696

Heterosexuality
age & education & socioeconomic level, relationship between sex role & sex orientation, homosexual vs heterosexual males, 55:4438
blood levels of testosterone & estradiol, 25 yr old monozygotic male twins of divergent sexual orientation, 57:9745
classical conditioning with vibrator as UCS eliciting erections, heterosexual responsiveness, 44 yr old fetishist, 58:3802
code-switching ability & jargon use in story telling & sexual orientation, male homosexual & heterosexual dyads, test of B. Bernstein's sociolinguistic theory, 57:5737
components of platonic & romantic heterosexual relationships, male vs female college students, 55:7069
descriptions of involvement in heterosexual interaction, penile volume, 19–48 yr old androphilic & 19–28 yr old heterosexual males, test of phobic theory, 53:5614
differential reinforcement procedure, increasing heterosexual arousal, adult male homosexuals, 56:1088
endorsement of traditional sex ascriptions, male & female heterosexual adults & transsexuals, 54:941
erotica-produced sexual stimulation, heterosexual evaluative responses & visual behavior & physical proximity, college students, 53:1090
exposure to pictures of isolated body parts of preferred sex, penile tumescence, homosexual & heterosexual males, 53:2492
factor analytic conceptualization, attitudes toward male & female homosexuals, male vs female heterosexual college students, 57:10187
female vs male dominance in early familial experience, inhibition of heterosexual copulatory behavior, observations in primatology & ethnology & psychiatry, 53:1032
femininity & preferred partner age, homosexual vs heterosexual males, 53:11704
frustration & social desirability, heterosexual attraction, male college students, replication of E. Walster's study, 55:9724
gender role & identity & self esteem, male homosexual vs heterosexual college students, 57:5729
homosexual & homoerotic behavior, male vs female college students, 55:7002
hormonal metabolism, 18–32 yr old homosexual & heterosexual male college students, 54:2449
incidence of homosexual & heterosexual experiences & associated attitudes & demographic characteristics, college students, 56:9786
interaction with females, social behaviors important in initiating heterosocial relationship, socially attractive White & Black high school & college males vs heterosocially inadequate male patients, 58:9467
interdisciplinary course in human sexuality, attitudes toward heterosexual relationships & sexual myths & abortion & autoeroticism & knowledge, medical & nursing students, 55:12899
intimacy of self disclosure, development of heterosexual relationship, males vs females, 58:9429
MMPI, differentiation between female heterosexuals vs homosexuals, development of female homosexuality scale, 55:9667
MMPI, differentiation of homo- & heterosexuals, females, 53:9638
muscle relaxation vs control conditions, verbal ratings & physiological correlates of sexual arousal to male vs female vs neutral material, male homosexuals vs heterosexuals, 55:354
neuroticism & introversion-extraversion & self esteem & life characteristics, college male activist vs nonactivist homosexuals vs heterosexuals, 55:2297
nude male vs female film sequences & preferred sex of S, penile volume & GSR, male transsexuals vs patients needing treatment for homosexual impulses vs heterosexuals, 56:6185
positive & negative attitudes toward lesbianism & male homosexuality, 17–35 yr old heterosexual male & female college students, 54:951
psychiatric patient attendance & homosexuality vs heterosexuality, psychological masculinity & femininity as measured by Dynamic Personality Inventory, psychiatric & nonpsychiatric homosexual & heterosexual males, 56:4137
psychological adjustment & style of life, single lesbian vs heterosexual 20–45 yr old females, 57:12680
ratings of erotic materials as sexually arousing & frequency of experience in masturbation & heterosexual behaviors, sexual arousal & emotional reactions, male vs female college students, 55:6996
schemata of man & woman, 4th graders vs adult heterosexuals & homosexuals, 54:9365
self concept & neuroticism & ability to establish affective bonds & identification with mother, Jourard & Lasakow Self-Disclosure Questionnaire, overt male homosexual vs heterosexual college students, 54:5325
self report of heterosexual interest & penile responses, androphilic & ephebophilic & homosexual pedophilic males, 55:6995
sex-object choice, perception of parental relationships & early sexual behavior, adult black male homosexuals vs heterosexuals, 56:9780
sexual interests & stimuli & interpersonal & social & psychological factors, homosexual groups receiving vs not receiving psychiatric treatments vs heterosexuals, 53:11502
sexual object choice & ego development & neuroticism & conscious & unconscious sexual identity, homosexual & heterosexual & bisexual women involved in women's liberation movement, 58:11611
slide stimuli of sexual content, tonic heart rate variability, homosexual & heterosexual males, 53:8900
traditional vs short-term desensitization vs relaxation training, reducing heterosexual activity, male college students, 53:12224
validation, K. T. Smith's homophobic scale, homosexual vs heterosexual Caucasian middle class males, 57:9379
validity & reliability, Rorschach indices of homosexuality, overt adjusted male homosexuals vs heterosexuals, 58:4624
videotapes of heterosexual behavior in systematic desensitization, frigidity, 24-yr-old female, 53:7935

Heterozygotic Twins
affective illness diagnoses in Veteran Twin Registry, unipolar & bipolar depression, monozygotic & dizygotic twins, 53:5450
biological & social variables, preference for novelty, 6 mo old twins, 58:9213
concordance for mental development, 7 yr old monozygotic vs dizygotic twins vs siblings from twin families, implications for genotype & home environment, 58:7246
concordance for Piaget-equivalent items derived from Bayley Mental Scale, identical & fraternal twin pairs at 3 & 6 & 9 & 12 mo of age, 54:808
EEG frequency spectra analysis, monozygotic vs dizygotic young adult twins, 53:510
emotionality & activity & sociability & impulsivity, temperament theory of personality development, 2–6 yr olds & same-sex fraternal twins & their parents, 57:8038
emotionality & activity & sociability & impulsivity & trait components, pairs of 2–6 yr old fraternal & identical twins & their parents, 58:5209
environmental & genetic factors, concordance rates for unipolar & bipolar illnesses, monozygotic vs dizygotic twins, 57:12868
environmental experience vs genetic factors, individual variation in language skills, monozygotic vs same-sex dizygotic twin pairs vs their siblings, 56:9681
environmental factors & genetic analysis, inconsistency & unrepeatability in responses to neuroticism scale, monozygotic & dizygotic twins, 56:3582
frustration & verbal attack prior to learning trials vs absence of attack, preparedness to learn high magnitude responses, 4–6 yr old sets of identical twins & fraternal twins, 54:6922
genetic & environmental factors, type A behavior related to coronary-prone behavior, monozygotic vs same-sexed dizygotic college age twins & their parents, 57:5911
genetic correlates & sex differences, Holtzman Inkblot Technique responses, mono- & dizygotic same-sex & dizygotic opposite-sex college student twin pairs, 56:747
genetic factors, individual differences in learning task performance, adolescent like-sexed fraternal & pairs of identical twins, 56:1949
genotype/environment interaction, neuroticism, adult monozygotic vs dizygotic twins, 57:7629
Gottschaldt test measurement, performance similarities & differences, monozygotic & dizygotic twins, 54:4699
heredity & personality traits, application of K. J. Holzinger's index of hereditary determination to 16PF data, 15–25 yr old identical & fraternal twins, 58:2808
heredity, anxiety & introversion–extraversion, attitude toward & consumption of alcohol & cigarettes & coffee, 16–31 yr old monozygotic & dizygotic twins, 53:512
heredity, thought concordance & ESP ability & associated personality variables, sets of siblings vs identical vs fraternal twins, 56:4
heritability estimates for taste preferences, 9–15 yr old black vs white monozygotic & like-sex dizygotic twins, 54:6924
heritability of hypnotic susceptibility & relationship to personality & physiological & EEG variables & construct validity of fluidity, college-age monozygotic & heterozygotic twins, 55:9171
heritability of mental test performance, male vs female monozygotic vs dizygotic twins, 57:2614
heritability of personality traits, factor analysis of California Psychological Inventory, fraternal & identical twins, 56:5179
human red blood cell catecholomethyl transferase activity, monozygotic vs dizygotic twins, 56:9411
incidence of left handedness & patterns of cognitive performance, black & white same-sex adolescent monozygotic & dizygotic twins, 56:3578
inclusion vs exclusion of severely retarded twins from sample, genetic factors in infant mental development, monozygotic & same-sex dizygotic twins, reappraisal of P. L. Nichols & S. H. Broman's conclusion, 57:8011
incubation in vitro, red blood cell lithium ion concentration, monozygotic & dizygotic twin pairs, 53:4701
infantile autism in dizygotic twins, case report, 57:3465
intrapair differences, infant behavior ratings & cognitive skills in early & middle childhood, multiracial group of twin pairs, Hawaii, 53:836
language skills, preschool age identical vs fraternal twins, 55:6737
life change patterns prior to ischemic heart disease caused death, male death-discordant mono- vs dizygotic twins, 57:6181
mental arithmetic & RT tasks & rest, stimulus-response & individual-response specificity of heart rate & skin conductance & respiration, monozygotic vs dizygotic twin pairs, 58:11120
mobility, criminal behavior, monozygotic & dizygotic twins, 54:1344
mobility of CNS in motor reactions, monozygotic & dizygotic pairs of twins, 54:6928
path analysis of aptitude & academic achievement & personality, monozygotic & same-sex dizygotic pairs of twins, 57:7905
physical resemblance, personality ratings by mothers, fraternal vs identical twins, 56:6096
sensitivity analysis, estimating heritable component of behavioral traits, monozygotic vs dizygotic twins, 53:6761
sex differences, attachment behaviors toward mother, infant fraternal twins, 55:9474
sex differences, monozygotic & dizygotic twins in schools for retarded, Czechoslovakia, 54:7883
stimulus intensity, visual & auditory evoked responses, monozygotic vs dizygotic 18–57 yr old twins, 53:4602
surface & deep structure & syntactical competence & types, dialogues between, 1.1–2.5 yr old different sexed twins, 55:9457
test-retest reliability & parental perceptions about zygosity, zygosity questionnaire for identical & maternal twins, mothers of twins, 56:5111
transsexual identification, 3-yr-old female fraternal twins, 53:2875
Wechsler Preschool & Primary Scale of Intelligence, cognitive patterning & development, monozygotic vs dizygotic twins at 4 & 5 & 6 yrs, 54:823
within-pair similarity, Bayley's Infant Behavior Record composite scores related to primary cognition & extraversion, 3 mo old identical vs fraternal twins, longitudinal study, 56:5756

Heuristic Modeling
algorithmic & heuristic vs "constructive" approach to analysis of thought processes, application to teaching, 58:298
cybernetic analogies vs heuristic search in language processes, G. Miller's psycholinguistic concepts & TOTE paradigm, critical review, 54:7579
heuristic finite-state model, driver in car-following situation, 56:10893
heuristic model of brain based on algorithms for solving problems of image discrimination using CRs, 55:9109
heuristic study, transcendental psychology, 55:3449
heuristics for classroom design, 56:10531
prediction model, individual voting behavior in US Senate trial of Richard Nixon, 53:9452

Hexamethonium
hexamethonium, cardiovascular changes during strong sustained static work, monkeys, 56:393
intrahypothalamic injections of carbachol & hexamethonium vs atropine vs phentolamine vs propranolol pretreatments, eating & drinking behavior, rats, 58:672
sustained static work & subsequent administration of hexamethonium &/or phentolamine, behavioral activities & blood pressure & heart rate, monkeys, 56:2041

Hexobarbital
airflow-hypoxia vs airflow alone, stimulus control of hexobarbital narcosis & metabolism, mice, 56:1969
barbitone sodium vs hexobarbitone sodium vs pentobarbitone, development of acute tolerance to barbiturate, rats, 57:834
cadmium, potentiation of hexobarbital sleep time, male rats, 53:11229
hexobarbital vs zoxazolamine & housing with same vs opposite sex, response duration, mice, role of pheromones, 53:2686
Hydergine &/or ethanol, hexobarbital sleeping, young & old male C57BL/6J mice, 58:7109
pesticides, duration of hexobarbital-induced sleep, rats, 54:4832
phentermine HCl vs hexobarbital sodium, separate & simultaneous performance of randomization & pursuit tracking tasks, 57:830
stress &/or ethanol, liver hexobarbital metabolism & plasma hexobarbital disappearance & sleep time, male rats, 56:407
6-hydroxydopamine, hexobarbital sleep duration, rats with sympathectomy, 53:9038

Hibernation
light & electron microscopical & histochemical study, motor nerve cells in spinal cord, hibernating & non-hibernating hedgehog, 57:5151
paradoxical sleep duration during lights-off & lights-on, ground squirrels & female rats, 55:11647
serotonin, arousing from hibernation, 57:5377
sleep & hibernation, arousal as cyclic phenomenon, hedgehogs, 54:6912
ultrastructure & histochemistry of spinal ganglia, hibernating hedgehog, 57:5147

Hidden Figures Test
California Psychological Inventory & Rokeach Dogmatism Scale & Hidden Figures Test scores & biographical inventory characteristics, job performance, highway patrolmen vs other police groups vs college students, 55:13682
Group Hidden Figures Test scores, correlation with seasonal field-goal & free throw basketball shooting efficiency, male & female varsity college athletes, 55:11362
performance on Matching Familiar Figures & Hidden Figures Test, adult males, 55:7188

High Sch Personality Questionnaire
Cattell's High School Personality Questionnaire vs observed values, prediction of achievement, high school students, 53:4103
factor analysis & cross instrument relationships, R. B. Cattell's High School Personality Questionnaire & D. N. Jackson's Personality Research Form, 7–12th graders, 55:7230
High School Personality Questionnaire profile, psychotic adolescents, 57:10503
High School Personality Questionnaire, students, 57:7219

High School Diplomas [See Educational Degrees]

High School Students
behavioral checklist development for assessment of progress in music program, performance improvement, high school students, 58:12618
ability & responsibility & S-counselor assistant interaction & type of counselor job description, perceptions of counselor assistants, Black high school juniors, 58:2153
ability & social status of student body composition, high school attainment, high school students, 54:12565
ability group experience, satisfaction with school procedures, high school students, 54:4053
ability level & interpersonal need grouping patterns, mathematics achievement & perceptions of learning environment, 9th grade minority students in compensatory program, 56:1370
academic & social milieu & functions of schools of observation, socially maladjusted 12–17 yr old poorly behaving slow learning male students, 56:3022
academic ability & socioeconomic status & geographic region, attitudes toward school & educational plans & school experiences, high school seniors in class of 1972, longitudinal study, 58:4134
academic achievement & curricular differences, verbal habits before & after instruction in physics using word association & concept similarity rating tasks, high school students, 55:5483
academic achievement & IQ & occupational plans & ratings of average Indian & white man stereotypes, male white vs Navaho seniors in multi-ethnic high school, 56:8616
academic achievement & motivation & self evaluation of performance, under- vs overachieving high school students, 56:2928
academic aptitude & school motivation measures & life history, prediction of nonacademic accomplishments, high school seniors, 54:3996
academic aptitude, logical reasoning with general vs singular propositions, 5th vs 7th vs 9th graders, 55:13291
academic motivation & self concept & achievement & intelligence & attitudes & background, absenteeism, 10th & 11th & 12th graders, 55:3147
academic self concept, attitudes toward teachers, high school & college students, 56:1450
academic success vs failure & grade level & peer & parental expectations & self perceptions, attitudes toward standardized tests, 9th–12th graders, 57:13890
academic underachievement & depression, high school students, 55:9837
acceptance by classmates & self esteem, elementary & secondary school students, 56:8758
accountability in responding to classroom questions, student achievement, 9th & 10th graders, 58:12614
accuracy & underlying dimensions of interracial perception of schoolmates, Black vs White high school students, 58:2152
achievement in & attitudes toward senior high school US history with reduced readability textbooks, high school students, 56:6706
achievement motivation level, accuracy of self-reported GPA, high school seniors, 55:8161
achievement motivation scale validity, junior & senior high school students, 55:62

achievement motivation training, low-achieving 8th & 10th grade males, 56:2902
achievement vs approval needs, academic achievement, 6th vs 9th vs 12th grade boys vs girls, 55:10839
acquisition & stability of reinforcement & higher-order questioning & probing skills of teaching & subsequent student performance, teacher education students, 58:12460
addition of scores from Multidimensional Assessment of Gains in School, prediction of achievement test scores from IQ, 10th–12th graders, 54:6404
Adlerian group counseling with students & vs C-group consulting with teachers, students' attention-getting behaviors, high school teachers & students, 57:4468
administration methods of high school student services & improvement of service effectiveness, 58:4425
administrative verbal behavior model for principal-student interaction, 55:2980
adverbial subordinate clause position, reading comprehension as measured by "cloze" vs "chunk" tests, 9th graders, 56:6771
advisory group program, verbal interaction, high school students, 56:10705
affective education development program vs regular English classes, social structure & learning environment & group-work behavior, high school students, 55:13122
age & grade & sex & ethnic group & socioeconomic status, attitudes toward corporal punishment & its effectiveness as classroom management process, intermediate & high school students, 58:4354
age & intelligence & socioeconomic status & scholastic characteristics, self concept & academic achievement, learning disabled 1st–9th graders in educationally handicapped program, 58:8389
age & sex & ethnic group, self esteem & test & general anxiety, White vs Black vs Spanish surnamed 9–12th graders, 57:4405
age & sex & race, identification with teacher, Black & White adolescents, 57:6866
age & set & social class & GPA & size of high school, humanistic awareness of values & interpersonal relationships, 9th vs 12th graders, 55:13860
age & set & socioeconomic differences, reliability & validity of Occupational Aspiration Scale, high school students, 53:4109
age & set & socioeconomic status, preferences for photographs & films & television programs & similarity to teacher preferences, secondary school students, implications for curriculum, 57:13575
age & set differences, knowledge of & attitudes toward law, urban vs suburban vs rural, 9th vs 12th graders, 55:8236
age & sex differences, self-perception of scholastic ability, 4th & 8th & 12th graders & college students, 53:1936
age & sex, mathematics achievement, preschool age children & elementary through high school students, 56:4820
age & sex, self concept & level of academic accomplishment, 9th–12th graders, 58:4558
age, attitudes toward competition & cooperation & various aspects of schooling, 2nd–12th graders, 55:8230
Algebra grade 9 departmental examinations, success prediction of grade 12 departmental examinations, high school students, 55:13624
alternate vs traditional high school attendance, attitude toward school & career expectations & aspirations, high school students, 55:8101
alternative positioning of open-ended questions in multiple-choice questionnaires, elicited responses, black high school & college students & white college students, 53:8395
amount of relevant information & placement of irrelevant information, learning concepts introduced in short prose passages, high school students, 55:10840
analog-structured teaching, student achievement in physical science, 4th graders, 55:7961
analysis employing Maslow's hierarchy of needs, types & frequencies of expressed fears, male vs female college bound vs non-college-bound high school seniors of differing socioeconomic status, implications for counseling, 57:6868
analysis of differences in classroom routines of regular teachers vs substitute teacher replacements & perceptions of differences, high school students, 54:6302
animated vs marginal hierarchy presentation, systematic desensitization of test anxiety, high school students, 57:3951
antecedent variables, dropping out of high school, educational attainment & aspirations & self esteem & occupational attainment & work satisfaction, 55:13565
anxiety & sex & socioeconomic class & relationship to occupational preference, junior high & high school students, 58:2310
anxiety & social playing ability, 10–13 yr old students, 58:6306
anxiety level predictiveness of academic performance, psychology & high school students, 57:13798
application of Guttman facet theory, measurement of attitudes toward school, French-speaking urban high school students, 56:2989
art counseling, self concept & meanings of cultural terms, high school Afro-Americans in Upward Bound program, 56:4981
assessment of & attitudes toward career display boards & career guidance program, junior & senior high school students vs parents vs community representatives, 56:8797
assignments vs choice of theme topic & preference level, theme quality & retention of content & preference scores, 10th graders, 55:1442
athletic participation, racial distance as measured by biracial association attitudes, Black vs White high school students, 57:6911
athletics vs other extracurricular activities, role in educational attainment process, male vs female high school sophomores, longitudinal study, 57:11424
attendance at alternative school, identity development, high school students, 56:4877
attendance at Catholic vs public elementary school, descriptive-comparative study of values, 6th & 8th & 10th graders, 55:8279
attendance at open vs traditional schools, satisfaction with school & self reliance & family authority structure, secondary school students, 54:4114
attendance at open vs traditional school & open mindedness, academic achievement & critical thinking & school morale, 9th graders, 55:8062
attendance at religious vs public school & full- vs part-time vs no religious training & creative thinking ability, moral judgment, Jewish 12th graders, 55:13436
attendance at traditional vs community alternative free school, self concept & future educational & vocational orientation, black high school seniors, 56:8649
attendance at vocational school, self concept, high school students, 57:4340
attendance patterns, perceptions of organizational climate, high school students vs teachers, 58:12640
attitude film designed to arouse fear, attitudes toward drug usage, potential vs actual adolescent drug users, 58:2139
attitude scale development, measuring attitudes related to learning mathematics, male & female high school students, 56:1643
attitudes & demographic data, drug use, 7th–12th graders, 53:7197
attitudes & perceptions of & ability to relate to minority secondary school principals, 9th–12th graders, 58:6291
attitudes & values & reactions to social change, content of autobiographies, middle-class & above average educational background Zambian secondary & college students, 53:7137
attitudes about self & school & self concept & relationship to parents & peers & school personnel, high school dropouts vs students in school, 57:9109
attitudes, male gang members attending an innovative alternative high school, 55:10917
attitudes toward & knowledge & use of drugs, 2nd–12th graders, implications for drug education programs, 55:7019
attitudes toward alcoholics & alcoholism & drug abusers & drug abuse, high school students, 58:4341
attitudes toward authority in secondary schools & in National School of Administration, France, book, 56:6649
attitudes toward Black vs White teachers, Black vs White secondary school students in newly desegregated high school, Austin, Texas, 57:13874
attitudes toward college education, low socioeconomic status Mexican American 9th & 11th graders & parents, 57:1976
attitudes toward counselor provision of college information & toward Black colleges, White high school counselors & Black high school students, 57:11567
attitudes toward drugs & drug usage, school alienation, middle to upper-middle class suburban high school students, 55:7017
attitudes toward educational offerings for gifted, academically gifted high school students & their parents & community leaders, 58:6130
attitudes toward foreign language study, high school students & graduates of varying socioeconomic status, 58:12638
attitudes toward guidance services, high school students, 54:1988
attitudes toward objectives of education about drugs & alcohol, high school vs college students vs teachers vs youth advisors vs supervisors vs consultants, 57:1130
attitudes toward occupational education in a community junior college, counselors & employers & 12th graders & parents of 11th graders, 56:8659
attitudes toward primary goals & role of school in drug education, school administrators vs teachers vs 9th & 11th graders, 58:4236
attitudes toward sale & use of tobacco & alcohol & marihuana & heroin & barbiturates & amphetamines & hallucinogens & cocaine, high school students & their parents & college teachers & students & school teachers, 54:2863
attitudes toward school & teachers, well- vs ill-adjusted high school students, 55:10952
attitudes toward school ability & learning school subjects & teachers estimations of parental concern, low achieving black vs Spanish vs Asian vs white high school students, implications for academic progress of minority students, 56:6790
attitudes toward school organizational climate, Afro American high school students in US vs US dependent schools European area, 56:2969
attitudes toward student rights, Iowa public school board members & superintendents & principals & high school students, 58:12446
attitudes toward vocational education program, comprehensive vs vocational high school students vs parents vs teachers, 58:12559
attitudes toward vocational education, black high school students & parents & teachers & businessmen, 56:6750
attributed family characteristics & parental drug use, regular marihuana use vs abstention, high school students in upper class suburban community, 54:981
attributes of students' achievement assessed by teachers, secondary school students & geography & mathematics teachers, 55:8437
attribution of causality & avoidance of negative school evaluations & school & social context, academic self concepts of lower achieving students, Black inner city high school students, 58:8317
audiovisual lesson programs of varying lengths, learning & retention, high school students, 56:8704
auditory distraction level, task attention & concentration, minimally brain damaged with primary learning deficits only vs additional behavior disorders vs normal 8–13 yr olds, 57:2017
authoritarian & democratic teaching styles & student trait anxiety, achievement, 9th graders, 56:6758
authoritarianism & learning, high school seniors, 55:5557
availability & perceived importance of evaluative information for formative vs summative purposes in areas of goals & designs & implementation & outcomes, high school students vs teachers vs principals, 57:13648
background & attitudinal & behavioral variables & grade level & sex role stereotypes, occupational preferences & expectations, rural high school males vs females, 57:14022
background & personal characteristics, vocational counseling effectiveness measured by high school students' ratings, vocational & regular school counselors & vocational teachers, 55:1398
background characteristics & attitudes, polydrug use, high school students, 56:621
BASIC programing language, numerical ability & attitudes towards mathematics, 10th graders, 53:3963
battery composed of Lorge-Thorndike Intelligence Test & Brown-Holtzman Survey of Study Habits & Attitudes & Dunham's Scale, academic achievement prediction, high school students, 58:4462
behavior modification concepts, improvement in academic achievement through attitude change, 12–16 yr old underachievers, 57:9019
behavior modification using tangible & intrinsic rewards, meaningful academic & social progress in normal school, potential high school dropouts, 55:10790
behavioral objectives classified according to major levels of cognition in independent study materials, initial learning & retention of social studies content, high school students, 55:1381
behavioral objectives use in poetry teaching, cognitive & affective learning outcomes, 9th graders, 54:8373
behavioral vs generic counseling by intensively trained nonprofessional mental health workers, school attendance & classroom behavior & academic achievement & dropout rate, predelinquent high school students, 57:13985
behaviorally stated objectives, social studies achievement, 11th graders, 58:12602
beta enhancement biofeedback, EEG beta activity during rest vs reading & arithmetic tasks & performance, elementary & secondary school aged normal & emotionally handicapped children, 56:2951
bidirectionality of influence in teacher-student interaction, junior & senior high school students & teachers, 55:8212
black vs white counselors & social attitudes toward black counselees, counseling black high school students, 55:3312
boarding schools, mental health, Eskimo high school students, 58:12667
body concept & academic achievement & aspiration level & race & sex, Black & White high school students, 58:2111
brief aptitude-occupational orientation, development of congruity of career interests with aptitudes, high school students, 55:5709
canonical correlation analysis, 16 PF responses & life history inventory, gifted high school juniors & seniors, 54:4242
career attitudes & self esteem, male 6th vs 9th–10th graders with & without specific learning disabilities, significance for career education, 58:4364
career counseling & guidance & testing & test interpretation, self understanding & career awareness & attitudes toward guidance services, 10th graders, 55:8355
career decision making processes, adolescent males, 55:5736
career development education through achievement motivation simulation, vocational decision making attitudes, inner city 10th graders, 55:11005
career education course & group counseling, vocational development, disadvantaged inner city 9th & 10th graders, 57:11566
career exploration program, attitudes, 11th & 12th graders, 57:4471
career maturity & occupational plans, 11th graders, 58:2233
career planning & perception of school guidance services, high school students, nationwide study, 54:4266
Catholic scaled values of Allport-Vernon-Lindzey Study of Values vs 1970 national high school norms, 10th–12th graders in Catholic high schools vs public high school seniors, 57:10036
Catholic vs public high school experience with coeducational vs all-female vs all-male student body, moral development, freshmen vs seniors, 58:10490
Cattell's High School Personality Questionnaire vs observed values, prediction of achievement, high school students, 53:4103
causal predominance between self esteem & academic self concept & locus of control & scholastic achievement, preschool age children to high school students, implications for compensatory education, 55:8289
change in classroom attendance policies & subsequent attendance responsibility, academic achievement, junior & senior high school students, 56:1422
changes in attitude about self & work & community & family goals, high school seniors surveyed 1.5 yrs after graduation in 1972, followup study, book, 58:4135
changes in knowledge & attitudes about drugs, high school freshmen through seniors, 1974 followup of 1971 study, 55:4445
changes in semantic meanings of selected concepts & attitudes toward optional grading, high school students, 55:3309
characteristics of alienation, urban high school students, 56:3000
characteristics of students eligible for severe learning & behavior problem services, 10th & 11th graders, 58:2173
Class Atmosphere Scale, assessment of classroom psychosocial environment, junior & senior high school students & teachers, 57:11582
classroom climate & academic aptitude & achievement & pupil personal & social characteristics, 9th & 10th graders, 56:1427
classroom organization, quality of school life measured by satisfaction & general well-being & classwork commitment & reactions to teachers, elementary & middle & high school students, 58:8330
classroom teaching & developmental theory, critical thinking skills, high school & college students, 55:7990
classroom utilization of values-clarification strategies, self esteem & value priority changes, secondary school students, 58:6207
classroom verbal interaction, perception of quality of teachers' interpersonal relationship, high school students, 55:8266
client-centered group counseling & critical thinking workshop, critical thinking ability & self concept & behavior adjustment, high school students with behavior problems, 58:8439
clinical supervisors emphasizing helping relationship & congruent conference format, student perception of class & student-teacher relationship & teacher growth, high school teachers & students, 57:1994
coaches' subjective ratings vs Sport Competition Anxiety Test vs State-Trait Anxiety Inventory A-Trait scale, prediction of state anxiety in competitive situations, female college volleyball & high school basketball players, 58:4633
coed vs noncoed education, fear of success imagery, male vs female high school students, 53:8262
co-educational vs single-sex schools, attitudes toward teachers & subject choices, secondary school students, 55:10936
cognitive & affective & psychomotor domains of academic perceptions of black high school students, black vs white teachers, 55:13449
cognitive & affective achievement of systematic self evaluation, performance in beginning mechanical drawing class, high school students & teachers, 55:3160
cognitive & personality & attitude & demographic characteristics & musical experience, algebra & geometry aptitude & achievement prediction, high school students, 58:2115
cognitive ability & creativity, relationship between school attitudes & academic achievement, high school students, 57:11436
cognitive counseling mode, raising self esteem, high school students, 58:2277
cognitive developmental curriculum intervention, promotion of psychological growth, female high school students, 55:8017
cognitive intervention, latent ability measured by verbal analogy items, inner-city high school students, 53:8418
cognitive style & audiotape instruction varying in difficulty level & speech rate, criterion test performance, high school students, 58:8259
cognitive vs affective approach to human relations training vs sociology course, change in racial attitudes, high school students, 55:3081
cognitive-developmental approach, teaching counseling skills to promote positive psychological growth, high school students, 56:3079
cognitive-developmental psychological education, moral judgment & ego development, 11th & 12th graders, 56:10644
college admission offer, decision to attend vs to decline, transition from high school to college, high school students, longitudinal study, 54:12492
combined mental-physical practice vs physical practice alone, group learning of offensive basketball patterns, male 9th graders, 56:1403
common factor variance between perceptual & behavioral measures of classroom behavior, high school students, 54:6392
communicative social control policy & social participation in activity planning, illustration using "alternative" high school, 58:7319
community acceptance & school practice & goals & student agreement with teacher attitudes & practices, humanistic teaching methods, high school teachers & students & community residents, 58:2058
community problem solving workshop, participant reactions, high school students in the arts, 58:8261
comparability of Peabody Picture Vocabulary Test & WAIS performance, White & Black 16 yr old students suspected of being mentally retarded, 57:2192
comparative validity & concurrent use, Rotter Internal External Locus of Control Scale & Intellectual Achievement Responsibility Questionnaire of female high school students, 55:5722
comparison between academic achievement & social adjustment, coeducational vs single-sex high school attendance, Catholic high school students, 55:3144
compensatory services, intelligence test scores academic achievement & behavior, 9th grade urban underachievers, 55:3212
compensatory work-study program, attendance & punctuality & GPA & teacher rating & achievement & personal & social adjustment & self concept & study habits & attitudes & continued school enrollment, secondary students identified as potential dropouts & underachievers, 4-yr longitudinal study, 56:10602
competence in accurate interpretation of career information, high school counselors vs high school seniors vs their parents, 57:4481
comprehensive educational program in decision making, high school students, 53:8299
computer managed study, student learning & evaluation, secondary school students & teachers & administrators, 54:10489
computer use as a problem solving tool, mathematics achievement & attitude, 10th graders, 55:8067
computer vs counselor-based counseling system, selection of courses, 9th–11th graders, 53:4113
Computer-Assisted Vocational Counseling System, male vs female 10th–12th graders, 53:4086
computer-based educational & occupational exploration system, vocational maturity, 10th graders, 54:1989
computerized educational guidance system, education & career development planning, high school students, 56:1498

computerized-managed vs traditional approach to geometry, attitudes toward mathematics, high school students, 55:3023
computer-managed individualized behavioral objective instructional units vs lecture-demonstration methods, achievement in geometry, high school students, 55:3031
conceptual level, achievement & attitudes, high school students, 55:10864
conceptual level functioning & classroom climate, self concept & academic achievement, Afro-American high school students, 55:8277
concurrent validity of Hill's educational cognitive style model, use of model as prototype for successful academic programs, lower class high school graduates, 58:10343
congruence of actual-ideal teacher behavior ratings, study habits & attitudes, high school students, 58:6299
congruence of real & ideal self concepts, academic achievement & IQ, high school students, 58:4304
congruence of student–teacher life styles, attitudes toward teacher & classroom & learning structure, 11th graders, 53:4021
congruence or disparity of perceptions of counselor duties & priorities, counseling service impact on student, high school students & counselors, 55:13537
construct validity, comprehension & analysis categories of Taxonomy of Educational Objectives, Handbook 1, 11th & 12th graders, 56:6846
construct validity of cloze procedure, paragraph reading & Structure-of-Intellect ability measures, 9th graders, 55:5695
construct validity of J. L. Holland's Vocational Preference Inventory for potential school dropouts, high school students in special learning center vs college students, 58:10521
construct validity, Slovak version of Differential Aptitude Tests Battery, high school students, Czechoslovakia, 57:101
construct validity, taxonomy of reading comprehension using test based on levels I-IV of Bloom's taxonomy, high school & college students, 57:2038
construction & statistical validity & reliability, "What Do You Think About Hospitals?" scale & Hospital Behavior Rating Scale, male senior high school students & student nurses & registered nurses & hospital patients, 54:8710
construction of allness orientation measure & influence of meta-aristotelian training on orientation, high school & college students, 58:6698
construction of questions vs answering questions vs studying alone, prose recall, high school students, 55:5552
content analysis of responses to black literature & reading literature, attitudes toward race, 10th graders, 55:10889
content structure & concrete referents & mental readiness, attainment of cognitive skills in physical science, high school students, 55:10760
context effect in item sampling, scores on English & mathematics tests, high school students, 53:1991
contingency contracting with behavior modification techniques, school attendance & GPA & self concept & discipline referral, high school girls, 58:2148
contract counseling, achievement & attendance & personality & attitudes toward learning environment, high vs low ability under-achieving high school students, 55:1564
controlling for sex of student & effort expended in school work, causal analysis of effect of cultural & personality resources on literature achievement, Swedish 14 yr olds, 54:12569
conventional intelligence measure & verbal creativity measures reflecting product dimension of J. P. Guilford's structure-of-intellect model & cognitive functioning measures based on B. S. Bloom's taxonomy, 11th graders, 55:13568
conventional vs programed approach requiring overt response, instructional language arts television unit, 10th graders, 58:12563
conversion of student test & nontest data into stanines & stanine composites, application of counseling information to educational & vocational decisions, 9th & 11th graders, 56:8794
cooperative project on career education needs, high school students, 55:5737
cooperative teacher-student relations, behavioral strategies for classroom control in secondary schools, 57:13860
coping behavior & self concept & academic achievement, Black females in majority-White vs majority-Black high school setting, 58:8335
correlation of Quick Test with General Aptitude Test Battery & Gates Reading Comprehension Test given in 1966, male high school sophomores, evidence for long term predictive validity of Quick Test, 56:7051
counseling & sex of counselor, career maturity, male vs female 10th graders, 58:10594
counseling course, self esteem & moral reasoning & discrimination & communication skills, low-achieving high school students, 56:4777
counseling seminars program, misbehavior & truancy & academic failure, high school students, 53:10559
counseling, stability of vocational interests measured by Ohio Vocational Inventory Survey, male 12th graders, 55:5715
counselor intervention strategies, attendance behaviors & personality traits, potential high school dropouts, 55:3249
counselor sex bias & student sex & age & ability level, rating appropriateness of course choices made by high school counselees, school counselors, 58:10628
counselor use vs nonuse of Test of Educational Ability scores & Kuder Preference Record-Vocational & test result feedback, programing new registrants, high school counselors, 55:5741
counselor-assisted exploratory activity, career development & occupational interests & career planning activities, 11th grade students, 57:11556
counselor-led vs leaderless group counseling, anxiety & self-concept & study habits, high school seniors, 56:3041
counselor-student relationship level, achievement & IQ test performance, underachieving elementary & junior & senior high school students, 57:4482
creative thinking & performance, high school seniors, Israel, 56:2949
creative thinking ability vs religious training, moral judgment, Jewish 12th graders, 55:13238
creativity & academic achievement & scholastic aptitude & sex & vocational interests, 10th graders, Thailand, 58:12373
creativity & intelligence & attitude toward science, performance on Nuffield physics test, high school students, 55:10876
creativity & intelligence, achievement motivation, 9th graders, 58:2140
creativity, academic achievement in language & arithmetic & science & social studies & spelling, 9th graders, 55:1454
creativity, comprehensive vs continuation high school students, 55:8002
critical thinking & open-mindedness & values, Catholic high school seniors & their teachers, 55:3174
critical thinking level & prior ecological knowledge & advance organizer vs historical passage, biology unit achievement, 9th graders, 58:8288
cross cultural differences, academic success in primary school associated with extraversion & in university associated with introversion, Black & White adolescents & college students brought up in Western vs non-Western cultures, 57:4369
cross-historical comparison, current status & past experiences & future plans, talented high school graduates, 10-yr followup studies, implications for guidance practice, 56:4964
cultural & experiential background, informal reading inventory diagnosis, Anglo vs disadvantaged Mexican American 9th graders, 55:11033
cultural differences as biasing agents, tests, white suburban & black inner-city 9th graders, 55:5704
culture & acculturation, formation of cognitive style, native vs non-native high school students, Canada, 58:872
curricula choices, Slovenian high school students, implications for educational practices, 53:12397
curriculum & applications & evaluation & role of adults as supervisor trainers, peer counseling program, junior high & high school students, 54:4275
curriculum & emotional climate & methodological choices & class dynamics, teaching English in all-black high school, 53:10454
curriculum employing activity-oriented guidelines vs traditional approach, knowledge of & attitudes toward consumer economics education, high school students, 57:13716
curriculum employing film & critical concepts, acquisition of visual structural unity, high school students with varying backgrounds in art, 57:11390
curriculum for alternative education, student motivation without extrinsic rewards & punishment, 10–15 yr olds, 54:10555
curriculum intervention & primary prevention model, personal growth & development & counseling skills, high school students, 54:8368
curriculum interventions for career development, vocational maturity, high school students, 58:2047
curriculum planning & implementation, career education, learning disabled secondary school students, 54:8461
curriculum-integrated sensitivity training led by teachers, alienation & self concept, 10th graders, 57:6792
decision making curriculum, application of skills to personal & educational & vocational choices, 7th & 8th & 10th graders, 55:8074
decision making program, vocational maturity, 11th graders, 58:10576
degree of visual impairment & school setting, involvement in career planning & exploratory occupational experiences & career maturity & locus of control, male vs female 8th–12th graders, 58:8410
deletion level of telegraphic prose, reading rate & comprehension, blind braille-reading vs sighted 7th–12th graders, 56:10901
delinquency & academic achievement, male suburban high school students, 54:9949
demographic & academic & institutional & personal influence characteristics, decision to accept vs reject college admission, students, 58:12662
demographic & school variables, real & ideal self disclosure to teacher & counselor targets, Norwegian 8th graders vs American 9th graders, 56:4878
demographic characteristics & educational objectives & liking for English course & English language skills, attitudes toward censorship of reading materials, secondary students, 55:3178
dependency-independency & model's prestige in microcounseling training, acquisition of open-ended commenting, high school sophomores aspiring to be peer counselors, 57:4472
descriptive &/or explanatory lecture method & accompanying picture & question & key point & topic title outlines, assimilation of complex verbal content, secondary school students, 57:11314
descriptive study, unwed parenthood, secondary school age students, implications for curriculum revision in cognitive affective domains for urban schools, 55:13168
desegregation, academic achievement, black vs white high school seniors, 56:1425
desegregation, achievement test performance between 1st & 6th grades & 9th & 12th grades, reanalysis of 1966 Equality of Educational Opportunity Survey, 54:6310
design & validation of individualized self instructional learning program, acquisition of ascending melodic interval skills, high school students, 56:2918
development & evaluation of curricular unit in gerontology, high school students, 58:2018
development & implementation & evaluation, psychology of adjustment curriculum based on social learning theory, high school students, significance for primary prevention, 55:8020
development & testing of photomicrographs & pasteups of physical chemistry laboratory apparatus, creativity measurement, 11th graders, 56:3055
development & usefulness of Life-meanings Survey, interview for assessment of outcomes of humanistically oriented educational projects, high school students & medical students & school administrators, 57:7229
development & validation of game based on historical data & model for historical simulation, 12–17 yr old students, 57:11330
development & validation, Student Opinion Inventory factor scales, high school students, 55:11310
development & validation, 3 forms of Dimensions of Self-Concept emphasizing school related activities, elementary & junior high school students, 57:7224
development of attitude scale, prediction of potential dropouts, inner city high school students, implications for curriculum planning, 55:1587
development of behaviorally-oriented child management course, teaching academically & non-academically-oriented tasks to children, high school students, 58:10344
development of instructional package for teaching negative base numeration systems, attitude & transfer, junior & senior high school students, 55:13191
development of instrument to measure social maturity, comparison of participation in social & recreational activities with normals, educable mentally retarded adolescents, 55:1577
development of learning goals & methods, high school French students, 54:8378
development of Likert scale instrument, morale measurement, high school students, 55:11293
development of measures of cognitive knowledge & attitudes about family life, 9th–12th graders, implications for curriculum planning, 58:12471
development of paradigm for counseling antisocial youths in secondary schools, 56:10771
development of peer counseling prototype for career advising, urban junior & senior high school students, 58:12773
development of Wickless Test of Spatial Perception for measurement of spatial perception ability, 8th–10th graders, 55:13625
developmental analysis, nature of linguistic knowledge revealed in spelling during yrs of formal schooling, 2nd & 4th & 6th & 9th & 12th graders, 55:1433
developmental changes in objects & modes of dependent behavior, female junior high & high school & college students, 55:819
didactic group therapy techniques, self esteem, male vs female potential vs non-potential school dropout students at freshman & sophomore levels, 58:2274
didactic structuring, self exploration during initial counseling sessions, high school students, 55:5680
differences in societal context & system of educational tracking & social class influences & parental interest, educational plans, high school students from America vs Norway, 56:4876
differential access to school, achievement & educational plans, 6th graders & 9–12th graders, 54:8408
Differential Aptitude Test scores & vocational training program choice, male vs female 8th–10th graders, 57:14012
Differential Aptitude Tests Form M, similarity of various item discrimination indices, 10th graders, 57:14007
differential gains in reading & language & arithmetic achievement, interschool comparisons of 4th & 6th & 7th & 10th grades, 53:8330
directed discovery vs direct detailed teaching methods, creativity & achievement, high school students, 55:1392
directive vs nondirective lecture-demonstration vs performance-sequenced groups, student achievement & understanding of science & teacher directiveness & role perception, high school students & teachers, 55:13262
disconfirming information, expression & increase in religious belief, adolescent female high school students, 54:6715
discovery teaching climate, self actualization & science achievement, 14–20 yr old secondary science students in residential schools for deaf, 58:10555
discrepancy among & level of & number of educational & occupational influence sources, interpersonal influence & stress, rural high school students, 54:7400
discrepancy between reading & listening vocabulary & performance on group standardized intelligence & reading tests, high school problem readers, implications for remedial work, 58:4428
discriminant analyses, academic achievement & student values & attitudes & demographic characteristics, high school vocational education students vs general academic students, 57:13847
dissuasive message about illicit drugs alone vs combined with similar material about licit drugs, attitudes toward illicit drug usage & Authoritarian-Rebellion Scale scores, male vs female high school students, 58:4251
divergent & convergent thinking, gifted high school seniors, 57:4361
divergent thinking experiences, creative production & transfer between mathematical & nonmathematical domains, geometry vs advanced algebra class secondary school students, 56:2931
dogmatism, perception of counseling relationships, high school seniors, 57:6979
dogmatism, study time, 11th & 12th graders, 55:8179
driver education using fear arousal, safety attitudes & simulator performance, high school students, 56:8667
driving offenses & criminal convictions, male mentally retarded automobile drivers in special schools vs high school students with IQs over 100 vs under 90, 57:10565
driving simulator vs film-only pretraining, transfer effectiveness of open-loop simulation using passive instructors in driver education program, high school student-drivers, 54:8625
dropout prevention program within school guidance department using paraprofessionals, maintenance of school attendance or full-time employment & court referral, 10th grade Appalachian & Black & Puerto Rican & White potential dropouts, 57:6960
drug abuse in small urban areas, vocational vs high school students, Austria, 53:9410
drug attitudes & usage, school alienation, students in lower to middle class inner-city high school, 55:7018
drug education curriculum based on causal approach to human behavior, high school seniors, 53:12451
drug education, drug knowledge & usage & self esteem & empathy, high school students, 58:12516
drug education program attendance, prevalence & frequency of drug usage & attitudes & preferences about drug education, high school students, 58:6302
drug knowledge & attitudes, high school administrators vs students vs teachers, implications for drug programs, 55:10793
drug usage & abuse in large city, relations with parents & peers & social achievement & motivation & interests & leisure activities, high school students, Essen, West Germany, 53:9457
drug usage & life purpose interrelationship, junior & senior high school students, 55:2302
drug usage, disaffected students in public urban & suburban & private residential high schools, 55:4468
drug usage frequency & attitudes, university & community college & high school students, Florida, 54:5110
drug use, attitudes toward marihuana use & marihuana laws, secondary school students, Texas, 54:7386
drug use, high school students, 53:7217
drug use patterns & attitudes concerning drug abuse education & prevention, college vs community college vs high school students, 56:5958
dyadic vs individual task-oriented counseling approaches, acquisition of friends & absences & attending behaviors, high school girls who had recently transferred into school, 58:10612
E- vs S-selected task & task preference & sex appropriateness of task, prose test performance, high school students, test of preference-success assumption in education, 57:13552
easy-to-difficult vs difficult-to-easy item order, mathematics test performance & heart rate measures of stress, high vs low test-anxious 11th graders, 53:6239
educational & demographic characteristics & school size, reading & language arts achievement, 9th graders, 57:11438
educational & occupational & personal experiences & perceptions of district's curriculum & guidance program, 1967 high school graduates, 5-yr longitudinal followup study, 56:2971
educational & personal & family characteristics, educational & occupational aspirations & expectations, female 12th graders, 58:12653
educational & vocational activities, high school student surveyed 1.5 yrs after graduation in 1972, summary of followup study, 58:4148
educational aspirations & parents' educational level & number of siblings & other demographic data, desired family size, college-bound vs non-college-bound high school seniors, 58:972
educational aspirations throughout high school & sex differences & order effects, application of discrete-time Markov model, multiwave observations of high school students at 4 grade levels, 57:7272
educational cognitive styles & career maturity & guidance counseling, sex bias in educational programs, males vs females in vocational & academic high school programs, 58:2012
educational experiences, adjustment to school environment, elementary & junior high & high school foster children, 54:6301
educational level & concept maturation & intelligence, levels of concept acquisition in terms of concrete/abstract attribute perception, 14–16 yr old secondary school students of chemistry, 57:13803
educational level & sex & age differences, word knowledge & formation & number ability & nonverbal & abstract & reasoning & matching & closure & flexibility test scores, high school students, New Guinea, 57:4467
educational practices, motor creativity, 15–18 yr old females, 56:8706
educational program about careers in mental health field, high school students, 57:4327
educational program evaluation, computer assisted instruction in mathematics, secondary & high school & mentally retarded students, 53:12461
educational ritual & balance, corporal punishment, school masters & 13–17 yr old male students, New Zealand, 53:6160
educational system within & attitude changes toward kibbutz & social values & ideas, 18 yr old graduates of secondary-type schools, Israel, book, 56:10522
educational track position, self report delinquent involvement, male & female high shool seniors, 55:1444
effectiveness evaluation, curriculum designed to teach decision making as cognitive skill, high school students, 55:8116
effectiveness of flow diagrams &/vs texts, verbal chaining acquisition, high school biology students, 57:9028
ego involvement, prediction of attitude change as result of viewing 1 or more persuasive films on controversial issue, 10th graders, 58:10491
elective vs conventional English program, achievement & attitudes, high school seniors, 56:2891
Emergency School Assistance Program, racial attitudes, black & white secondary school students in North Carolina, 55:1365

empathy training with modeling & feedback & reinforcement, ability to respond empathically in tutoring situation, high school students, 55:3064
empirical validation of sex balanced vocational interest inventory items, high school seniors, 58:173
employer-based career education program, career development growth & occupational interest change, high school seniors, 56:4966
enactment of role of successful student, performance on intelligence tests & achievement & creativity & grades & self image, high school students, 55:13345
enactment-research-reaction method as speech education persuasion unit, attitudes toward & knowledge of social problem-finding behavior, male vs female secondary school students, 57:6753
encouragement of sports participation from significant others & perceived femininity & athletic ability & body image, female high school students athletes vs nonathletes, 58:6334
enrollment in consumer economics course vs advanced placement college-bound courses, achievement in understanding of consumer concepts, male vs female high school juniors & seniors, 57:13741
enrollment in special vs regular school, attitudes toward self & parents & peers & school & community, pregnant & nonpregnant girls, 58:2884
enrollment vs nonenrollment in occupational home economics courses vs enrollment in consumer & homemaking courses, self concept & career maturity, 12th graders, 57:13749
equivalent inference patterns in class vs conditional logic, 4th vs 9th graders, 55:544
ethnic & educational & socioeconomic backgrounds, vocational awareness & development & responses, in-school & out-of-school adolescents, 55:13648
ethnic composition of schools, achievement motivation, black & white high school students, 54:1852
ethnic groups & sex, self concept at time of enrollment vs after 12 wks of attendance in continuation high schools, high school students, 58:4325
ethnic membership & D-48 Test vs Cultural Fair Intelligence Test, prediction of Science Research Associates Achievement Test scores, 8th & 9th graders, 57:9161
evaluation of moral profile & relationship to personality development in pedagogical process, 8th–10th graders, 56:4695
evaluation of need-based counseling system, use of Spanish-surnamed counselor trainees as support in public schools, alienation of Spanish-speaking learners, 56:4960
evaluation of Ohio Vocational Interest Survey, educable mentally retarded 8th graders, 56:8777
evaluation of perceived priority problems & need for guidance service programs, secondary school students, Ghana, 58:10623
examination vs expository modes of instruction in composite vs isolated rhetorical principles, achievement in rhetorical analysis of prose, high school students, 56:4822
exercises in values clarification & identification with poetry of black & white poets, racial attitudes, black vs white 9th & 10th graders, 55:4052
existence of "ressentiment" & perceptions of internal-external control & power control ideology of certificated high school staff, public high school students, 56:1464
expectations & perception of priority order of selected educational goals, high school administrators & teachers & students & citizens & school board members, 55:12993
experiences in & knowledge of career planning & occupational activities, career guidance status, 8th–11th graders, 54:4262
experiential education of full-time volunteer work with institutionalized mentally retarded, self concept & values & attitude change, high school students, 55:8095
experimental peers vs counselor directed vs writers, raising moral judgments, high school students, 58:12521
experimental validation, reading ability on graded word list, educable mentally retarded intermediate & junior & senior high school students, 54:6344
experimental vs traditional educational program, internal-external locus of control & self esteem & academic achievement, students at Canadian girls' high school, 57:11395
expert speakers on legal vs pharmacological vs sociopsychological effects of drug abuse, drug attitudes & knowledge, 10th graders, 58:4220
expository vs rule & example vs discovery methods of teaching mathematical generalization & achievement & school class, transfer of learning, high school geometry students, 57:6767
expressed vs tested vocational interests, white affluent 9th graders vs inner-city disadvantaged male vs female students, 53:12563
extracurricular activities, race relations, black & white high school students, 55:13375
extracurricular participation in sports & music, educational expectations, high school females, 58:8358
extraversion & anxiety & independence & leadership & creativity & school environment, academic achievement, high school students, 55:8168
extraversion-introversion, learning English as 2nd language, 12th graders from Spanish-speaking countries, 57:6852
factor analysis, psychometric structure of biographical items in Project TALENT's Student Information Blank, high school students, 57:11775
factor analysis with oblique rotation to simple structure, aptitude & intelligence & personality, academic performance, 10th graders, 53:1939
factored biographical questionnaire, identification of differentially gifted adolescents, high school students, 53:12566
factorial structure, inductive reasoning tests, high school students, 57:4729
factors of mathematical aptitude & interaction with algebra & geometry treatments, high school students, 55:8108
factors predicting retention in geography, high school students, 58:12608
faculty perceptions of organizational climate, student & teacher performance, driver education teachers & students, 55:7887
family attitudes of autonomy, classroom self control & motivation, preparatory school children, 54:8395
family background & achievement & area of residence school, educational plans & desires, 12th grade male & female Negroes vs Caucasians vs Indian Americans vs Oriental Americans vs Puerto Ricans vs Mexican Americans, 55:13396
family background & peer characteristics & academic ability & achievement, curriculum placement & subsequent educational plans & self concept & intellectual orientation, high school seniors, 58:4399
family background factors, occupational aspirations, rural American Indian vs white high school students, 55:3333
family social class, effects of open schools on achievement, elementary & middle & high school students, 54:8414
family socioeconomic status & mental ability & scholastic performance & region of residence & sex, occupational aspiration-expectation discrepancies, high school seniors, 57:11603
favorable vs unfavorable teacher description, perceived teacher performance & S's learning, male vs female high school seniors, 58:8347
fear of academic success, male vs female 8th–12th graders, 55:10844
fear of failure & personal & social need achievement & projective motive to attain success & avoid failure as factors of achievement motivation & achievement related fantasy, Dutch-speaking senior high school females, 55:1480
fear- vs anxiety-inducing situations, affiliative behavior, approach- vs avoidance-oriented high school & college students, 54:5327
feedback mode regarding classroom climate, congruence between student perceptions of climate & teacher goals for climate, high school students & teachers, 58:10454
feedback training & film, measurement & modification of white counselor trainees' perceptions of black high school students, 55:12909
field independence/dependence, correspondence between content structure & psychological structure before & after social studies instruction, high school students & teachers, 56:10648
figural vs symbolic instructional mode & cognitive aptitude, learning mathematical inequalities, 10th & 11th graders, 55:8193
Florida State-Wide Eighth Grade Testing Program, measurement of stability & educational & occupational aspirations & expectations, 9th graders, 54:6358
foreign culture experience, comparison of home/host family background & integration into host family & religious & political attitude change, German high school exchange students in US, 57:9025
foreign language instruction in elementary school, foreign language proficiency, Japanese 7th & 9th & 11th graders, 53:3999
forms of secondary school grade organization, effectiveness with respect to growth of academic achievement variables, 10th graders, 55:1436
friends' marihuana use & family cohesion & school interest, attitudes toward drug usage & drug abuse prevention, rural & suburban high school students, implications for drug education planning, 56:2265
friendship patterns & cliques, academic achievement, 9th graders, 55:1424
frustration & aggressiveness & prior contact & opportunity for contact, interracial behavior & opinion change, Black & White high school students, 58:8352
full- vs part-time attendance at area vocational-technical schools, academic achievement, high school students, 57:11458
General Aptitude Test Battery, prediction of vocational training success, 11th & 12th grade vocational students, 58:10599
general reading directions vs outlined learning goals & dispersed vs nondispersed text organization, recall from prose & recall dependencies, high school students, 57:11420
genetics instruction, cognitive characteristics thought to be involved in genetics learning, high school students, 55:5549
geographic mobility & academic performance prior to move, subsequent academic performance, 9th graders who have moved once or several times vs have never moved, Sweden, 57:13827
geometry course for 1 semester emphasizing nature of proof, comprehension of deductive processes, 10th graders, 56:2869
giftedness & race, work ethic, Black vs White high school honor students, 58:2159
goal selection & T group participation, self rated change, high school seniors, 54:7439
goal-setting conference group vs conference group alone, locus of control orientation with respect to intellectual achievement, 10th graders, 58:12480
GPA & abstract reasoning ability & functional information skills & teacher ratings of student conformity to model behavior, high school students, significance for appropriateness of letter grades, 58:2235
GPA vs departmental examination results vs Service of Admission to College & University test battery scores, predictors of university GPA, Canadian 12th graders, 54:4162
grade & curriculum & sex & parental education & income & tribal & church affiliations & leadership responsibility, needs as reflected in Ss' autobiographies, secondary students in Zambia, 55:13440
grade & race & sex, attitudes toward social & emotional organizational climate of schools, White vs Black vs Indian 7th–12th graders, 57:6882
grade & race, attitudes toward student involvement in decision making, Cass Technical High School students vs teachers, 55:12933
grade & sex & socioeconomic status, concerns about teachers & classroom experience, 8th–10th graders, 55:13409
grade level & curriculum & sex, occupational knowledge, 6–12th graders, 55:13559
grade level & locus of control & race, patterns of occupational choice, black inner city vs white middle class male high school juniors vs seniors, implications for vocational counseling, 57:2035
grade level & sex & self concept, self assessment of language ability, 7th vs 10th graders, 56:2988
grade level & sex, perceptions of behaviors legitimate for school administrators to describe, 10th–12th graders, 56:1459
grade level & years enrolled in consumer/homemaking programs, attitudes toward home economics curriculum concepts, 8th vs 11th grade boys vs girls, 56:10704
grade level, cross sectional similarity of factor structure of affective & cognitive classroom environment variables, 8th & 11th graders, 56:10720
grade level, perceptions of priority guidance & counseling needs, 8th vs 10th vs 12th graders, 57:13980
grades as negative vs positive incentive, assignment completion, high school students, 54:4070
grading criteria variability, standardized tests in forecasting academic success, 10th graders, 55:8148
group approach to teaching social education dealing with drug abuse & sex & racial prejudice, 7th–11th graders, book, 56:4809
group career guidance & group size, vocational maturity, 10th graders, 57:14013
group centered counseling, school alienation & study anxiety & school behavior, educable mentally retarded inner city Mexican American high school students, 57:11560
group centered vs programed activity group counseling, self concept & internalized control & attendance & dropout rates, high school students, 57:6985
group contingency, modification of aggressive physical & verbal behaviors in classroom, 9th graders, 57:11504
group counseling, attendance & achievement & behavior, chronically absent high school sophomores, 58:8432
group counseling, negative attitudes & behaviors toward school & teachers, high school students, 55:8397
group counseling program & counselor dogmatism, anxiety & attitudes toward others & academic achievement & attendance & citizenship, secondary school students, 58:8415
group counseling program, improvement in adjustment, 9th & 10th graders transferring from parochial to public school, 55:8412
group counseling, self image & academic success, underachieving high school students, 56:4987
group counseling using human relations treatment program, school conduct & attendance & social adjustment, disruptive 10th grade males, 58:6429
group guidance & counseling, self concept, female high school students, 58:4402
group method, improvement of self awareness, high school students, 55:1552
group process techniques, management of school integration, teachers & parents & students, 54:2000
group vocational counseling, manifest anxiety as predictor of changes in self concept & dogmatism, high school students, 55:3271
group vs independent use of & construct validity of Self Directed Search, career development, high school students, 55:3291
group vs individual test administration & need achievement, manual dexterity aptitude test performance, male potential dropouts vs regular high school students, 56:3043
grouping & response characteristics of instructional objectives when learning from prose, intentional & incidental learning, high school students, 56:8676
guidance in career development planning, high school seniors in 1955 vs 1972, 55:8365
health behavior status, course curriculum development & instruction effectiveness, senior high school students in health classes, 54:8386
heterogeneous vs homogeneous ability grouping, achievement in American history, 11th graders, 53:4011
hierarchically-ordered questioning technique employed by beginning English teachers, written response to short stories, 10th graders with high vs low reading ability, 58:10346
high level cognitive questions, levels of response & critical thinking abilities, high school students in social problems classes, 58:10313
High School Characteristics Index, individual vs aggregate responses to school environmental pressures, high school & vocational-technical students, 56:1517
high school curriculum, change in work values between 9th–12th grade, 9th & 12th graders, 53:12428
high school diploma, motivational force & achievement indicator, high school seniors & graduates & teachers, 55:3112
high school equivalency program tutoring experience with economically poor minority high school youth, attitudes toward teacher's role & students & poverty, college student tutors, 58:10371
high school extracurricular activities participation, educational and occupational attainments & income, 15-yr followup study of 17 yr old males, 57:13571
high school grades & college entrance examination scores, college performance, junior & senior college students, implications for developing admissions & counseling criteria, 58:2269
high school graduation as symbolic of feared developmental task, failure in senior year following average or better progress, 53:8337
high school guidance counseling, relationship between student characteristics & educational goals, high school students, 56:6847
high school students acting as classroom instructional aides, development of positive self concepts, elementary school students, 57:6764
high school students as speech assistants, residential school for blind children, 54:6329
high school teachers as reading teachers, reading achievement & dropout problems, inner-city high school students, 54:8417
Holland's Self Directed Search, occupational choices, high school juniors, 58:4448
home life & school performance, Papago Indian high school dropouts vs nondropouts, implications for prevention program, 56:8740
home relationships & peer affinities & achievement & behavior problem duration & vocational education enrollment & drug usage & discipline measures & behavior types, success vs failure of behavior modification, deviant secondary school students, 56:10625
human relations training model, interpersonal perception & response & self concept, 9th grade language arts students, 57:6952
humanistic orientation, discipline process promoting responsible & productive behavior for potentially disruptive high school students, 58:6198
hypothetical vs operational cognitive objectives of Nelson Biology Test Form E & New York State Regents Examination in Biology, high school students, 55:8667
identification & use of educational cognitive style as vehicle for providing information to personalized biology course, 9th graders, 55:13228
identification & values, status attainment processes, working & lower class high school students, 58:7504
imagery instructions &/or drawings, learning prose, college vs high school vs elementary school students, 54:10599
immediate vs delayed vs no feedback following multiple choice test, 1-wk retention, high school students, 54:10551
immediate vs delayed vs no videotape feedback in role playing session, anxiety level, 12th graders, 57:2485
improvement of social behavior of elementary school children, volunteer high school seniors, 55:3295
incidence & variables contributing to onset of cigarette smoking, secondary school students & medical students, Nigeria, 56:5957
inclusion of homosexuality unit in health education course, personality & attitude changes, high school students, 56:4761
income level, perceptions of secondary school, higher vs lower income 9th grade students vs teachers, 56:1431
indigenous & Western counseling approaches, development of guidance & counseling based on student's needs in Western Nigerian high school, high school seniors & graduates, 55:8396
individual & small & large group counseling, career exploration & school satisfaction & vocational maturity, high school students, 55:1554
individual counseling using goal-setting & reinforcement, raising GPAs, 11th grade underachievers, 55:13547
individual interview vs group-administered written questionnaire, preparation for group counseling, 9th–12th graders, 57:4473
individual vs group token reinforcement contingencies, control of classroom behavior & motivation to complete assignments & amount of token & social reinforcement received, 4th–10th graders, 55:10837
individualized instruction using computer-generated instructional guide & student-selected objectives, number of objectives mastered & overall physics achievement & attitudes, high school students, 55:5485
individualized mastery instruction vs group instruction method in mathematics, mathematics achievement, low ability secondary school students, New Zealand, 58:10299
individualized reading complemented by Communication Skills through Authorship program, attitudes toward reading & achievement in word & paragraph meaning, 10th grade reluctant readers, 55:8043
individualized vs traditional methods of instruction, achievement & attitudes, high school students in chemistry class, 57:13706
inductive & deductive presentation modes & dissonant & consonant feedback, information-seeking behavior, high school students, 55:10792
industrial arts experience, mechanical aptitude, 1st yr high school occupational education students, 55:13332
industrial work experience & academic preparation & teaching experience of teacher, achievement, 11th & 12th graders in industrial education vs vocational education programs, 57:13802
influence & implications of selected demographic factors, value judgments & opinions in social studies, high school students, 55:8278
informal vs formal student leadership, perceptions of characteristics & behavior & amounts of influence & nominations for leadership situations, high school students vs faculty, 56:10700
information intermix student-centered teaching approach, biology class, high school students, 54:6249
informational model, guide for understanding sociology & psychology & pharmacology of drug use, secondary school teachers & students, 55:13232
initial standards, residential secondary schools for emotionally disturbed students, 55:3202
initial teaching alphabet vs traditional orthography method of reading instruction in 1st grade, attitudes & achievements in language arts & reading & spelling, 10th & 11th graders, 55:3060
innovative drug abuse prevention program, drug & alcohol usage, urban high school students, 56:10631
innovative homeroom program, attitudes toward school & teachers, 11th & 12th graders, 56:10640

inservice teacher training in BSCS biology, student achievement & attitudes & critical thinking & science processes & teacher & student verbal behavior, secondary teachers & students, 55:13036
instruction in probability, learning of probability structure vs cognitive structure, high school students, 56:2858
instruction strategy based on active problem solving combined with interdisciplinary approach to current social issues, motivation & problem solving skills, high school & college students, 57:11351
instructional effectiveness of random vs logical vs ordering theory generated learning hierarchies, high school seniors, 58:10358
instructional objectives & text organization & prior experience, recognition & free recall of passages, high school students, 55:13135
instructional objectives before vs after text with vs without relevant information, prose learning, 10th & 12th graders, 53:1946
instrument development as measure of student's comprehension of physics & chemistry concepts, high school students, 55:1570
intelligence & organization of prose material, learning & retention of prose material, male high school students, 55:8167
intelligence & spelling ability & reading comprehension & pronunciation & vocabulary, anagram problem solving ability & speed & accuracy, students 16 yrs old & up having completed 11th grade, 55:3301
intensity of team involvement, coach-player relationship & educational plans, high school basketball players, 56:8757
intensive group counseling, attendance & failures & classroom behavior & verbal intelligence, failing male Chicano 10th & 11th graders, 58:6418
intensive instruction in cue attendance or hypothesis generation, subsequent open exploration behavior, 9th graders, 57:13779
interaction of open school organization & family environment, reactions to school life, elementary & high school students, 56:6780
interest & occupational interest similarities, counseling about occupational alternatives in natural resource field, high school students interested in natural resource occupations, 53:12550
interrelationship of career choice competencies & attitudes, 9th graders, test of J. Crites' model of career maturity, 57:2040
interrelationships between creativity & intelligence & achievement measures, Upward Bound high school students, 55:8334
IQ & GPA & intellectual efficiency & responsibility, prediction of success in independent study social studies program, male high school seniors, 58:12736
judgmental dimensions used in evaluating teaching effectiveness, high school & college students, 56:10703
kindergarten through 8th grade vs through 12th grade school districts, achievement & adjustment & attitudes, secondary school students, 55:10788
knowledge & attitudes toward students involved in moderate & heavy usage of marihuana, high school counselors & principals vs counselors in drug day treatment & mediation centers, 58:10192
knowledge about & attitudes toward drug usage & legalization of marihuana, elementary vs secondary teachers vs high school students, 53:7194
knowledge of alcoholism, elementary & high school & vocational school students, 57:12692
labeling of adolescents' ability in classroom situation, attitudes toward students, teacher education students, 55:12969
language therapist, basic mathematics tutoring, high school students, 54:4226
large vs small school environment, self concept & high school priorities & participation, male 9th–12th graders, 58:4339
leading crowd influence, attitudinal & behavioral changes of aspirants to leading crowd membership, high school students, 57:11465
learners' involvement in interactive problem solving tasks vs traditional homework sequence, mathematics learning, high school students, 55:1406
learning about labor force, occupational knowledge, male high school students, 55:3242
learning habits & attitudes, apathy of learning, high school students, 58:2149
learning interests & self concept & fate control & post high school plans, verbal & math achievement, black high school students, 56:1423
learning package & S characteristics, achievement, high school students, 55:10737
learning style of teacher & student, academic achievement, high school students & teachers, 55:13351
length of exposure, social acceptance & academic standing, blind high school students, 55:10906
length variations, open-book comprehensibility of university calendar, 7th-form high school students, New Zealand, 56:5724
lessons in values analysis in social studies program, views on childrearing, high school students, 56:8693
level of acceptance of sex role stereotyping & attitudes toward mathematics, mathematics achievement, male vs female 7th & 11th graders, 55:13306
level of intellectual development, comprehension of concrete & formal operational science subject matter, high school biology & chemistry & physics students, 55:5563
liberal vs conservative socioeconomic values & beliefs, 11th & 12th graders & their parents & teachers in independent vs public high schools, 55:12959
life style vs traditional physical education program, physical fitness & friendship status & attitudes toward physical education, high school girls, 56:10627
likeness & differences between student & teacher in personal dominant motive, achievement, high school students, 58:12635
Likert scale construction & validation, attitudes & attitude change toward school-served food after nutrition education, elementary & high school students, 54:6394
linear recursive path model, causal relationships of in-school student characteristics to satisfaction in post high school employment, male vs female high school students, 55:5810
linguistic competence & personality & aptitude & creativity & attitude factors, communicative competence in 2nd language, high school students enrolled in German language classes, 57:6808
linguistic performance & years of education, WISC IQs & establishment of norms, Cree & Ojibwa 6–15 yr olds, Canada, 57:9203
listening to classical vs popular music, tone & genre & style patterns in spontaneous writing, high school students, 56:10525
listening to humorous record before testing, creativity test performance, 10th graders, 56:3093
living in area of food scarcity vs food accumulation, academic achievement & motivation, Ibo male vs female secondary school students, Nigeria, 58:2070
locus of control & career preference, academic achievement & perceptions of feminine ideal held by men who Ss considered significant in their lives, female 12th graders, 55:5699
locus of control & confirmation vs no confirmation vs feedback exchangeable for money, achievement in programed instruction, male lower-middle class 11th & 12th graders, 57:9024
locus of control & demographic characteristics & educational attainment, Mexican American high school seniors vs college sophomores vs seniors vs nuns vs priests vs Mexican national college students, 57:5651
locus of control & sensation seeking, perceptions of socio-psychological climates, high school students, 58:12692
locus of control, achievement & achievement oriented behavior in open classroom, 11th & 12th graders, 58:6205
locus of control, career maturity & related information seeking behavior, high school students, 58:10686
locus of control, career vs homemaking vocational choices resistance to change, high school females, 55:13650
locus of control, ideal & real occupational aspirations, female 11th graders, 56:1494
locus of control, influence aspirations in school system, Black students in racially tense high schools, 58:10472
locus of control, vocational maturity & choice realism & job knowledge, low socioeconomic status black & white high school males, 56:3109
Machiavellianism, academic motivation, Black high school students vs dropouts, 58:8356
Machiavellianism, vocational attitudes, 3rd–12th graders, implications for career education & guidance, 56:3103
marital role expectation patterns, high school students, implications for problem solving teaching strategy for marriage education classes, 57:13731
masculinity & perceptions of school experiences as favoring masculine or feminine values, male high school dropouts vs graduates, 57:4278
mastery learning strategy, achievement & attitudes, 6th–12th graders, 58:8276
mastery requirement, achievement of student selected objectives in individualized physics instruction, high school students, 56:1366
matching by interpersonal needs, reduction of incompatibility, 9th & 10th grade students & teachers at college-prep school, 55:8203
mathematics achievement, assessment of disjunctive syllogisms with positively vs negatively worded premise statements, 8th & 9th graders, 54:4151
meaning of word "integration," white & black & Asian students in multiracial high school, 54:2833
mediating responses & imagery & emotionality & expectancy, systematic desensitization of mathematics anxiety, high school students, 56:1065
membership in ethnic majority vs voluntary transfer to school where S is in ethnic minority, academic achievement & attitudes toward school, elementary & high school Mexican Americans, 56:2772
memorization of rule statements, performance & retention & transfer in computer-based learning task, high school students, 55:10823
memory of past science courses & teachers & fear of failure due to perception of science difficulty & reading level of textbooks & advanced content of textbooks, approach-avoidance of physics courses, 12th graders, 55:13408
memory span & category clustering & reading comprehension scores, variance in average free recall of pictures & words, 10th graders in special reading classes, 57:9149
mental & emotional disturbances, secondary students, 55:2443
mental & personality domains of development, low & high-achieving gifted 9th–11th graders from disadvantaged environments, 53:4023
mental ability & achievement level & differentiation & consistency of personality codes, effectiveness of Self Directed Search as vocational guidance tool, 9th graders, 57:2032
mental health, junior high vs high school vs college students, Taiwan, 58:11777
mental imagery & reading comprehension & attitude, 11th & 12th graders, 58:12645
methods following Piagetian theory in classroom learning process vs traditional teaching methods & age & GPA & aptitude for accounting & logical reasoning & IQ, formal operations ability, 15–19 yr old high school accounting class students, 55:13104
mobile assisted career exploration, career development, rural male vs female 9th graders, 55:13539
mode of SVIB score interpretation, expressed interests & questions 1 wk later, high school juniors, 55:8461
model dormitory experience, self concept & self esteem & sense of physical adequacy & general maladjustment & personality disorders, Intermountain School Navajo adolescents, 55:13139
model for facilitation of motivation, concept attainment, high school & college students, 55:13323
model for predicting academic success, high school students seeking admission into associate degree programs of community colleges, 58:12758
model of occupational choice, program selection, 10th graders, 55:13604
model office simulation, interpersonal relations development, high school business students, 55:8131
moderator variable methodology, prediction of performance in computer science courses, high school students, 55:11057
Modern Language Aptitude Test & Uznadze's Haptic Set Test, set & objectification & 2nd language learning, bilingual & unilingual Canadian grade & high school students, 57:4362
modularized/individualized secondary educational psychology program, secondary teachers & students, 53:12437
MOLD classroom simulation to motivate involvement in areas of personal assessment & vocational & educational exploration, curriculum selection, 9th graders, 55:13522
monitoring of self generated & externally generated errors in school-related tasks, differentiation of learning & non-learning disabled, high school students, 57:6100
moral reasoning & sense of competency & control & political efficacy, activist vs nonactivist high school students, 54:9705
moral reasoning course, ego development & moral reasoning, high school juniors & seniors, 58:4278
motion picture films as paired associate learning task, differential learning, deaf adolescents, 55:3223
motivation & race & social class, flexibility of mean WISC IQ, black vs white high school students & males, 56:3080
motive to avoid success, achievement conflicts, high school men & women & college men, 54:12568
multicultural & boarding school experience & family background & academic specialization & complexity of society, moral development, Kikuyu secondary students & college students from various ethnic groups, Kenya, 58:6298
multidimensional model, assessment of emotional change to music in classroom, high school choral students, 58:10592
multidimensional scaling & factor analysis of perception of coaching behavior, high school hockey players, 56:4686
multimedia program, academic achievement & attitudes, elementary & high school students, 55:3020
multiple choice test constructed by facet design, reading comprehension, 10th graders, 55:3542
multivariate study of 3 computerized adaptive testing models, measurement of attitude toward teaching effectiveness, 9th & 10th graders, 55:8427
music aptitude & performance, music perception, 11th & 12th graders in school bands, 53:6186
national impressions, evaluation of concepts of Canada & Canadians & America & Americans, Canadian & American 5th & 8th & 11th graders & college students, 54:5090
nationalist attitudes, high school students, Quebec & Belgium, 55:669
need achievement & individual vs group testing & test anxiety, manual dexterity test performance, male high school potential vs nonpotential dropouts, 56:9053
needs & environmental press, attitudes to aspects of high school physics course, 11th graders, 54:4019
neuropsychological techniques, use of left hemisphere in learning to read, learning disabled adolescents, 58:4396
noncognitive variables, academic achievement prediction, high school students, 55:5561
nonverbal intelligence test scores, high school science vs humanities students, 58:4453
nonvocational vs vocational high school & GPA & parental educational background & occupation & socioeconomic status & head of family & race, occupational & educational aspirations, female high school seniors, 56:2967
notetaking vs underlining critical information & expectancy of multiple choice vs constructed response exam, test performance & posttest recall, high school students, 54:10581
number and reason for school psychological referrals & sex of S, black students in lower socioeconomic inner city school system, 55:8382
objective & detailed linguistic indicators vs teacher ratings, evaluation of written compositions, 12th graders, 55:3254
objectives & achievements & student characteristics, Finnish foreign language curriculum, 17 yr olds with 6 yrs foreign language study, 54:4107
observational instrument, measurement of verbal & nonverbal interaction between students & teacher, physical education student teachers trained vs not trained in interaction analysis & high school students, 55:1494
occupational & educational aspirations & expectations, preschoolers to 12th graders, empirical literature review, 56:3133
occupational decision making over high school years, 9th–12th graders, 55:11076
occupational guidance program, self concept, high school students in vocational vs nonvocational curricula, 55:8425
occupational guidance &/vs weekly group counseling during following semester vs Remedial Reading & General Mathematics summer programs, attitude & anxiety & self concept & attendance & citizenship & GPA, potential dropout high school students, 55:13595
occupational information instruction & group vocational exploration, vocational attitudes, high school girls, 56:10789
occupational information, occupational perceptions, 11th graders vs college students vs teachers, 58:10629
occupational information systems, vocational maturity, senior high school students, 56:3057
occupational interests & expectations, Anglo vs Mexican American high school students, 55:5720
occupational knowledge & academic ability & ego strength & aversion to risk & locus of control, occupational aspiration, high school seniors, 56:10769
Ohlsen model of group counseling, school behaviors & self concept & idiosyncratic goal & academic achievement, disruptive 7th–10th graders, 58:10586
open environment individualized instruction format, classroom communicative interaction patterns, deaf high school students, 57:6920
open- vs closed-space classes, academic achievement & attitudes, 9th graders, 56:1380
open-ended vs intermediate expository teaching styles, attitudes toward & achievement in physics, 14–16 yr old physics students, 53:3983
openness of school program, achievement & self-reliance & reactions to school & college aspirations, 5th–7th & 9th & 12th graders, 54:8335
oral vs written vs oral & written formative test administered weekly, achievement & attitudes, high school biology students, 56:6702
ordering of information & semantic coherence of content & text vs filmed information presentation, open problem solving performance at initial & mastery learning stages & forgetting, 16–17 yr old high school students, 57:11371
orientation & philosophy & educational atmosphere of high schools, self concept, Eskimo 9th graders, 55:5594
orientation of stimuli & light masking, separation & detection thresholds with pairs of overlapping straight lines, dyslexic & normal secondary school students, support for concept of developmental lag in visual information processing, 57:13012
origins & trends & problems, adolescent education in residential settings, Israel, 57:4330
overseas living experiences, ethnocentrism & social distance & ethnic & racial group attitudes & social integration attitudes, 7th–12th graders at American School in Brazil, 58:3203
Overt Classroom Behavior Inventory vs Dutton Mathematics Attitude Scale vs Revised Aiken & Dreger Mathematics Attitude Scale vs Student Classroom Behavior Inventory, prediction of mathematics achievement, high school students, 57:11451
overt vs covert answering methods in studying programed materials involving graphical addition & subtraction of vectors, achievement, high school students, 58:4241
paragraph vs indented vs keyed outline vs boldface emphasis in text, comprehension of connected text, high school students, 58:8322
paraprofessional & indigenous high school student administering social reinforcement procedures, improvement of school attendance, truant disadvantaged Chicano junior high school students, 55:13552
parent education program, educational achievement & aspiration, Portuguese immigrant secondary school students, 58:10395
parent orientation about child's health education unit, parent-child communication about family life & human sexuality, parents & their 11th grade children, 57:4329
parent oriented community education mathematics workshop, mathematics achievement & attitudes, junior high & high school students, 56:1391
parental behavior & socioeconomic status & aspirations & attitude toward school, academic achievement & failure, male & female rural & urban Ugandan secondary school students, 54:10573
parental educational attainment & family income level & visit to college & geographical area of residence & post-high school plans, attitudes toward metropolitan junior college within state, male vs female high school seniors, 57:13868
parental environment, personality development & vocational preference, male high school seniors, 57:9120
parental guidelines & activities for use of household literature in reinforcing secondary school reading instruction, vocabulary & word recognition & reading rate & comprehension, secondary school students 1 to 3 grades behind in reading, 57:13702
parental influence & socioeconomic status & size of residence & academic performance & aspirations & sex, achievement orientations, high school seniors, 54:6314
parental occupations & student attitudes & student & teacher values, academic underachievement, Mexican American high school students, 58:12613
parental participation in systematic contingency management program, truancy reduction, Mexican American male high school student, 56:4749
parental status & mental ability & self esteem & educational aspirations & academic performance & race, educational attainment, black vs white male high school students, 56:6768
participation in college bound program, vocational maturity & occupational realism, inner city disadvantaged 10th & 12th graders, 58:4224
participation in decision making about musical performance vs traditional conductor directions, perception & performance of expressive phrasing, high school string orchestra students, 57:13752
participation in drug education program & GPA & family background, drug knowledge & attitudes, 10th grade males vs females, 56:10623
participation in Early Evening Vocational-Technical Training Program, self concept & absenteeism & dropout potential, high potential dropout high school students, 55:5537
participation in ethnic studies program, change in attitudes toward Chicanos & blacks & Native Americans, white middle class high school students, 56:1397

participation in human awareness program, locus of control & self concept & GPA & school attendance, junior & senior high school students, 58:4256
participation in independent study program, personality changes, high school students, 55:3046
participation in special education classes, self image, male vs female educationally handicapped high school students, 55:3216
participation vs nonparticipation in career education program, educational & occupational aspirations & expectations, black secondary school students, 56:10605
partner vs self study method, achievement & attitudes in beginning algebra, 9th & 10th graders, 58:12528
passages in English vs Spanish set in home vs school context, perceptions of speaker's personality, bilingual Mexican vs Anglo American high school students who had studied Spanish, 58:9192
passages of contemporary fiction focusing on violent incidents, attitudes toward reading of fiction & violence measured by semantic differentials & interview responses, junior high & high school students, 57:865
pass/fail grading procedures, attitudes & achievement, senior high typing students, 56:3047
past academic success or failure & immediate experiences of success &/or failure, motivation to achieve, 14–16 yr olds, 58:6286
peer approach, provision of sexual information in informal school "rap rooms," high school students, 54:4146
peer approval vs disapproval, improvement in pitch intonation performance, high school music students, 57:13722
peer counseling group approach program, self concept & school learning performance & attendance & classroom behavior & attitudes, educable mentally retarded & socially maladjusted potential high school dropouts, 56:6862
peer counselor training, communication skills & attitudes toward school & self concept, high school students, recommendation for inclusion of training in school program, 57:6946
peer group intervention, academic performance & truancy & behavior problems, 15–17 yr old female problem students, 56:8801
peer group violence, high school dropout problem, former high school dropouts, 55:2894
peer reinforcement program, school attendance, elementary & high school students with chronic absenteeism, 53:1901
peer taught drug education classes vs no classroom instruction, knowledge about & use of & attitudes toward drugs, 9th graders, immediate & 6-mo followup study, 58:4273
peer tutorial program with high vs low achieving tutors, academic achievement & self concept, 9th grade tutors & low achieving mathematics tutees, 55:13266
perceived difficulty & interest in occupation, male vs female high school students, 55:1620
perceived participation in school management, morale, black vs white high school teachers vs students, 56:10560
perceived problems, junior & senior high school students & parents, implications for helping marginal children using teacher-counselor program, 55:8405
perception of adolescent school behavior patterns, teachers & school personnel, 53:6122
perception of role & function of high school counselor, high school counselors & principals & students & counselor educators, 58:4188
perception of school organizational environment, high school students & teachers, 55:13055
perception of teachers' pupil control ideology & behavior, high school teachers & their students, 58:12652
perceptions & attitudes toward teacher coordinators, secondary distributive education students, 58:12671
perceptions & expectations of role of guidance counselor, junior & senior high school students vs their parents, 54:4257
perceptions of & preferences for cooperative & competitive school environment, 6th graders in traditional school vs open school vs high school students in traditional school, 56:10709
perceptions of actual vs stereotypic teacher personality characteristics, high school teachers & students, 55:10656
perceptions of authoritarian-democratic attitudes & practices of retired military teachers, secondary school social studies students vs career teachers vs retired military personnel employed as social studies teachers, 55:13075
perceptions of counselors' duties within school & their potential helpfulness, secondary school students, 58:8431
perceptions of counselors in counseling relationship, male high school student clients, 55:3230
perceptions of crucial problems & issues in school & community, inner city senior high school teachers vs students vs parents, 55:12942
perceptions of curriculum information & technical qualifications & social role characteristics & reward value hierarchy, choice of high school curriculum, students, 55:8232
perceptions of custodial teacher pupil control behavior, attitudes toward school, junior and senior high school students, 55:1501
perceptions of employment in retailing occupations, Navajo high school students, replication of J. G. Bennett's study, 55:13429
perceptions of family & peers & future self & work & school experience & school & town data, selection process & evaluation of vocational choice, suburban working class 9th & 12th graders, 57:7019
perceptions of high school governance, practice of civic education, junior & senior high school students, 55:8256
perceptions of learner goal priorities, parents vs secondary students vs educators, 57:11196
perceptions of personal problem counseling as performed by high school counselors & social workers & paraprofessionals & psychologists, minority inner city high school students, Seattle, Washington, 57:6155
perceptions of reading ability & standardized reading test performance, 10th graders, 58:12631
perceptions of real & ideal roles of high school disciplinarian, high school administrators vs disciplinarians vs teachers vs students, 56:1340
perceptions of role & functions of school psychologist, professional school personnel vs school psychologist educators vs secondary school students vs parents vs community members, 57:6668
perceptions of role of District of Columbia senior high school teacher, high school administrators vs principals vs teachers vs students vs professors in teacher education programs, 58:6155
perceptions of secondary guidance programs as effective agents in career planning, high school students in Tennessee, 55:5599
perceptions of secondary school counselor's role & function, school administrators & high school students & teachers & counselors & counselor trainees, 55:8347
perceptions of self & parental behavior, teacher-rated aggressive & passive & withdrawn & prosocial behaviors, educable mentally retarded 12–29 yr olds in special classes, 58:8369
perceptions of significant others as sources of advice, self concept & educational & occupational goals, 9th–12th graders, 58:12670
perceptions of social studies programs in Kentucky high schools, students & teachers & administrators & outside Os, 56:2774
perceptions of student involvement in school board functions & governance, board chairpersons & superintendents & high school student body presidents, 57:11261
perceptions of tasks of Catholic education, 9th graders vs teachers vs parents, 58:12561
perceptions of teacher communication behaviors & effectiveness, 7th–12th grade students & teachers, 55:5605
perceptions of teacher pupil control behavior & attitudes toward teachers, attitudes toward school, senior vs junior high school students, 56:1460
perceptions of urban disadvantaged students' problems, high school students vs counselors vs administrators, 55:13401
perceptions of use of drugs, junior high vs high school students vs teachers vs parents vs college students vs faculty, 58:11620
performance contracting program, reading & mathematics achievement, educationally deprived 7th–12 graders, 55:8056
performance objectives, electrical skill learning, educationally disadvantaged high school students, 55:1394
Performance-Maintenance Leadership behavior patterns, perceptual-motor learning task of copying inverted Japanese syllabaries, female high school students, 57:11203
periodic reinforcement of reading skills, reading rate & reading comprehension & reading efficiency, advanced high school sophomores in developmental reading program, 56:2917
personal & background characteristics & perceptions of preferences & achievement, high school teachers & their students, 58:6124
personal & environmental variables, happiness in school, 5th & 8th & 11th graders, Japan, 56:4863
personal & social & emotional problems, counselor preferences, female students, 56:4866
personal activities & home environment & teacher influence, success in reading, disadvantaged high school students, 55:8156
personal characteristics & attitudes & drug education programs, drug usage, secondary school students, 55:2303
personal characteristics & home & school environments & financial situation & military draft & peer & teachers' & guidance counselors' & administrators' influences, decisions concerning attendance vs nonattendance at post-high school educational institution, rural male high school graduates, 55:10643
personal characteristics & home background & educational history & type of primary school attended, prediction of post-primary school destination, secondary school vs vocational school entrants vs terminal leavers, 56:6639
personal characteristics, occupational students in vocational center schools & comprehensive high schools, 55:13567
personal concerns, study habits & attitudes, 9th & 10th graders, 58:10455
personal growth skills & techniques as education for living program, high school students, 54:12539
Personal Orientation Inventory scores as measure of self actualizing qualities, males vs females attending suburban vs rural public vs suburban Catholic high schools, 57:6897
personal orientations & perceived structure & alienation, organizational membership in school setting, high school students, 55:10956
personal profile & recommendations for meeting potential dropout problem, secondary school dropouts in rural Alabama, 55:10931
personal values, occupational preferences, 10th vs 11th vs 12th grade males, implications for need of vocational guidance, India, 56:1510
personal values, success in practical experience internship program, high school students, 57:11444
personality & attitudinal & behavioral variables & drug usage, truant vs nontruant 9th graders, 57:13895
personality & behavior & interests & achievement & physiology & demography & home background, general mental ability & verbal vs math proficiency, 1961 National Merit Scholarship participants, 57:13821
personality & cognitive variables, prediction of achievement using traditional lecture approach vs individualized instruction, students in high school biology, 57:13806
personality & environment types of J. L. Holland, perceptions of occupational congruency, male & female high school students, 54:12672
personality & moral characteristics & background factors, high school athletes vs nonathletes, 55:3181
personality & socioeconomic background & program placement, perception of school's organizational characteristics, 11th graders, 55:1493
personality & work motivation profiles, 7th–11th grade potential vs actual high school dropouts vs nondropouts vs graduates, 55:3185
personality characteristics & attitudes toward achievement, male vs female 15–17 yr old Mainland high achieving vs underachieving Japanese American Sansei students, 56:2994
personality characteristics & prediction of in-school dropout, graduates vs nongraduates in open secondary school, 58:12609
personality factors, prediction of general & differential academic performance, 10th graders, 56:6837
personality orientations, stated occupational choice & vocational maturity & self concept, junior high & high school students, 55:5701
personality trait measurement using group peer rating technique, occupational & school success prediction, adult workers & high school seniors, 58:10591
personality traits & academic achievement, male & female Indian high school students, 58:10440
personality traits & quantitative & verbal skills achievement, high vs low achieving Black high school students, 57:6851
personality traits & self concept differences, Black vs White vs Oriental vs Mexican American vs American Indian high school students, 57:11482
personality traits as measured by 16PF, vocational maturity, high school & college students, 58:2317
personality traits, emotional satisfaction vs turmoil in 2nd language learning, high school students, 55:3134
personality traits, reactions to acceptance or rejection by college of choice, high school seniors, 58:11773
personality type & sex & socioeconomic status, perceived person-environment congruency, using occupational environments, 10th & 11th graders, test of Holland's interaction hypotheses, 57:4394
personality type profiles, occupational preferences, high school seniors, investigation of J. L. Holland's theory of vocational choice, 57:9112
personality variables, congruency vs discrepancy of expressed & inventoried interests, high school students, 55:1548
personalized learning experience in psychology course, learning effectiveness & attitudes, high school students, 55:3064
personalized student counseling & home visit program, school dropout rate & attendance & achievement & self concept & attitude toward school, high school students, implications for identification of problem students, 56:10775
phase-elective nongraded flexibly scheduled vs traditional instructional program & sex & race, academic achievement, Black vs White urban high school students, 58:4239
picture &/vs word presentation of information, classroom learning & recall, secondary school students, India vs Scotland vs Africa, 58:6224
pilot vs traditional career education program, vocational attitudes & plans, high school seniors, 58:2050
placement & position of topic sentence in paragraph, reading comprehension, male vs female 11th vs 12th graders, 58:6274
political education program, changes in group dynamics & classroom communication, 16–18 yr old students, applications for training political education teachers, 55:13454
population education course with vs without locus of control component, changes in locus of control & population learning, noncollege-bound 11th graders, 57:4353
positive educational achievement & socially approved passing of General Educational Development examination, self concept, high school dropouts in educational & self improvement program, 56:4690
positive human relations program utilizing lay counselors, academic advancement & achievement, high school students from low income homes, 58:10619
positive reinforcement, comprehension & attitudes & rate of Bible reading, high school religion students, 54:7298
positive vs negative vs combination instruction, teaching safe driving behavior in simulated emergency situations, high school student beginning drivers, 55:8076
positively influenced teacher & student expectations of student success, science academic achievement, 10th grade teachers & students, 55:3184
power & conflict, student–teacher relationship, high school & college & graduate students, 53:3946
powerlessness & instrument for its measurement, academic achievement & psychosocial behavior, black & white high school students, 54:8394
practical mindedness vs achievement vs variety vs decisiveness vs orderliness vs goal orientation values, job achievement, high school students enrolled in cooperative vocational educational program, 56:1415
praise & ignore vs punish, disruptive & appropriate classroom behavior, white male adolescents & teachers, 55:12698
precollege aptitude & achievement & interest measures, prediction of GPA & credits earned & major field & graduation in 4 yrs, longitudinal study of college students entering as freshmen, 58:8424
predictive ability of creativity tests & presentation of phonetic spelling materials, acquisition of Gregg shorthand, high school students, 57:11299
predictive validity of Scholastic Aptitude Test vs high school achievement, minority high school students, 53:4083
preferences for arts vs science subjects at 3 stages of schooling, personality differences with reference to thing-person dimension, secondary school students, England & Wales, 56:4861
preferences for content of printed material & study method, comprehension, 8th–10th graders, 54:10572
preferences on design of drug education programs in schools, drug user vs nonuser high school students, 55:13233
prejudice reduction instruction program, attitude change, high & low prejudice female high school students, 54:10490
preparation time at home for tests & anxiety, test performance, 12th graders, 57:9085
prerequisite principles & conceptualization treatment & problem solving ability, cognitive achievement, high school students, 54:4099
preschool education, achievement in regular public school classes, 6–16 yr old hearing impaired children, 54:6345
prescriptive vs nonprescriptive nature of role & strength of game elements, role acceptance in simulation games, male vs female 12th graders, 58:12700
presence of O, teacher verbal behavior as perceived by students, 8th–10th grade teachers, 58:8190
presence vs absence of interest in literature, perception & appreciation of excerpts from literary texts vs texts rewritten to present only concrete contents, 10th graders, 54:12584
prevalence & correlates of drug use, high school students vs dropouts, 53:7270
principle of inconsistency, application to strategies for changing attitudes toward culturally diverse groups, Canadian 10th & 11th graders, 55:8055
prior achievement & life history, prediction of GPAs, high school seniors, 56:8724
prior cross- & inter-racial contact in grade school & other social contexts & home racial attitudes, interracial perception & behaviors, Black vs White high school students, 58:2124
prior passage reading & passage difficulty level & reading ability & understanding judgments, reading-storage test as measure of gain during reading, 4th–12th graders, 57:9160
probability learning & mathematical learning theory, young students, 54:12573
problem review & encouragement vs problem drill, treatment of functional fixedness in problem solving, high school students, implications for teaching, 58:6193
problems & procedures of obtaining normative data, American College Testing's assessment programs for career guidance, 8th & 9th & 11th graders, 54:1965
program of instruction in spoken communication, visually handicapped high school students, 54:4215
programed instructional materials & student-controlled pacing & immediate feedback, mathematics & communications performance, 9th–12th graders, 53:1930
programed material, cognitive development & creativity, advanced high school students, 55:5484
programed vs conventional instruction, attitudes toward programed instruction & achievement in geography, 14 yr old students, Nigeria, 56:8692
prolonged periods of teacher silence vs normal speech patterns, learning, high school students, 56:6760
proposed guidance curriculum unit, strengthening of career entry skills, high school age job seekers, 55:3237
psychological education via school counselor, test anxiety & academic achievement motivation & internal control & school performance, 12th graders, 55:8420
psychology course stressing personality & temperament & interests & abilities, stimulating self analysis & self evaluation, high school students, 55:3063
psychosocial dimensions of sex differences, school achievement, 7th–12th graders, 58:12574
punitive threat & anxiety level, hostility, American Indian high school boarding students, 55:10940
pupil sex & grade & educational plans & experience with student teachers & type of class, attitudes toward student teachers, high school students, 55:8249
qualitative data analysis, predictors of completion or noncompletion of compensatory education program, high school students, 58:10306
quantity of schooling, achievement, 3rd & 6th & 9th & 12th graders, replication of D. E. Wiley & A. Harnischfeger's analysis, 57:4367
question & answer method, training of oral summarization of English reading materials, Japanese high school students, 53:12435
questioning strategy, reading comprehension scores, secondary level educable mentally retarded students, 56:3011
questionnaire development, measurement of perceptions of student teacher's competence, junior & senior high school students, 58:10821
race & sex & grade level & special education vs regular classroom settings, attitudes toward police officers, normal vs educable mentally retarded primary vs secondary students, 55:1496
race & sex & grade, performance on Lorge-Thorndike vocabulary test vs Black Intelligence Test of Cultural Homogeneity, Black vs White urban high school students, 58:6696
race & sex, interpersonal touching & self segregation, Black vs White high school students from integrated vs segregated schools, developmental considerations, 58:1072
race & sex of counselor & counselee & contract counseling method designed for Upward Bound students, achievement & power & affiliation needs, Negro & Caucasian high school students, 57:6993
race & socioeconomic class, underachievement & underaspiration, Mexican- & Anglo-American 11th graders, 53:10480

race & socioeconomic status contexts, fulfillment of college aspirations, high school seniors, 55:1491
race & urban vs rural residence & segregated vs desegregated school, achievement test scores, Black vs White 12th graders, 57:9082
race of short story characters, reading interest & comprehension, black vs white 9th graders, 56:2946
racial composition, placement in educable mentally handicapped vs learning disabled classes, white & black middle & high school students, 54:4181
racial proportion of school, social & nonclass activities participation & occupational aspirations, 12th grade black vs white students, 56:10695
rate of information processing, critical reading scores & anxiety, fast vs slow reading 10th graders, 57:13833
ratings of & pupils' controllability of sources of scholastic achievement, teacher expectations, high school teachers & principals, 58:8225
ratings of importance of objectives in foreign language instruction, inservice teachers & student teachers & secondary school students, 57:11364
ratings of school practices, high school students & teachers, 55:1482
rational group counseling vs teaching of rational ideas vs study skills, reduction of irrational beliefs & academic underachievement, anxious high school achievers, 55:3296
reactions to value of feedback from Teacher-Image Questionnaire used by students vs department chairpersons vs principals in helping Ss work effectively with students, high school teachers, 57:13601
readability of high school text passages before vs after revision, 9th graders differing in reading ability, 57:9174
reading ability & brief operational instructions, nature & efficiency of learning strategies used in memorizing numerical information, high school students, implications for school curriculum, 55:8194
reading about probability & discussion with partner in learning cell, acquisition of principles of probability, 5th & 9th graders & college students, 54:10542
reading achievement level & classroom discussion vs tutorial approach to literature, ego identity development, 9th & 10th graders, 58:10360
reading instruction employing programed text vs computer based display unit, reading achievement, semiliterate 14–18 yr olds, 55:13466
readings of historical fiction, attitudes toward selected concepts, high school students, 56:10599
realistic details in visuals, facilitation of learning of specific objectives, 10th graders, 54:10474
reduction in minimum legal drinking age, monthly shipments of alcoholic beverages to stores & junior & senior high school vice principals' observations & alcohol usage among high school & college students & attitudes toward law, junior & senior high school students & college students & vice principals, Canada, 57:3157
reduction of reading disabilities in elementary school pupils, high school students as teacher aides, 54:6322
reference group perspective,career maturity, lower socioeconomic black high school seniors, 56:6801
regional residence & type of school attended & sex, differing forms of national attachment, secondary school students, Yugoslavia, 57:12620
regression analysis, identification of demographic & environmental & personal variables characterizing pregnant high school girls, pregnant & never-pregnant girls, implications for sex education & primary prevention programs, 57:3146
regression models, attitudes toward public secondary schools, high school students, northern Mississippi, 58:10489
rehabilitation process through resource room program, high school students with behavior disorders, 57:13957
reinforcement expectancy & self actualizing tendencies & locus of control, academic achievement prediction, black high school students, 55:8158
reinforcement techniques, frequency of vocational information seeking behaviors, high school students, 55:5724
relationship among self concept & academic achievement measures, 9th graders, 54:12592
relationship between attitude orientation & academic achievement, 11th grade students from Mexico & US, 55:2386
relationship of student perceptions to academic achievement, high vs low achieving high school students, 55:3113
relationships between residential mobility & personality traits & sociocultural factors, academic achievement, male vs female high school sophomores, 56:3972
reliability & validity & age changes, sentence preference test as measure of readiness to use abstraction & generalization in thinking, 12 & 14 & 16 yr olds, 54:10660
reliability & validity, Quality of School Life scale, elementary & middle & high school students, 58:2230
reliability & validity, revision of School Attitude Inventory, 4th & 6th & 8th & 10th graders, 55:8395
religiosity, school behavior in major areas of classroom conformity & social considerations & personal goal seeking & controversial matters, high school students, 55:3179
religious involvement, juvenile delinquency, high school students, replication of T. Hirschi & R. Stark's findings, 54:7297
remediation of psycholinguistic disabilities, 6–14 yr old severely emotionally disturbed students, 55:5648
reorganization of written material during notetaking & verbal aptitude, free recall, high school students, educational implications, 57:13829
repatterning of social studies passages based on syntactic patterns in student prose writing, reading comprehension, 10th graders, 55:1385
repetition vs list vs behavior instruction, problem solving behaviors, 9th & 10th & 11th graders, 55:3092
repetitive part vs whole learning methods, serial recall, male & female 7th vs 10th graders vs college students, 54:8836
response pattern analysis, subsequent content of written responses to short stories, students in integrated urban high school vs high schools in affluent residential vs industrial suburbs, 56:6741
responses to educational project for participation in decision making, secondary school pupils, France, 53:1896
restandardization based on word difficulty, Burt-Vernon Graded Word Reading Test, 1st–12th graders, 53:12577
role of counselor, financial incentives for academic performance, black & Chicano high school & college students, 55:3100
role rehearsal & modeling techniques, discrimination of covert self monitoring, chronic schizophrenics & adult psychiatric outpatients & male alcoholics & high school & college students, 56:1079
S perceptions of own & parents' & friends' value orientations & coplayer orientations in social simulation game of High School, pursuance of academic & athletic & social high school activities, college students, support for interactive behavior model, 57:11501
salience of racial group membership, attitudes toward black studies, high school boys, 55:8229
satisfaction & dissatisfaction & motivational systems, junior & senior high school students, 58:10456
scale development, attitudes toward foreign language learning, high school & junior college students, 56:1491
school & student characteristics, perceptions of independent schools, Black independent secondary school students, 58:12637
school achievement & interpersonal relationships, orthopedically disabled 6–16 yr olds, 53:9941
school administrative policy & social environment & student performance, school attrition, secondary schools, Zaire, 58:9379
school building design, informal verbal communication, 11th graders, 57:11673
school bussing, student attitudes & behavior, 11th grade students, 55:3170
school counseling workshop, facilitation of open communication & positive interpersonal school climate, teachers & high school students, 54:8323
school delinquency rate, perceptions of peers & teachers, 9th–12th grade males in high vs low delinquency schools, 57:4388
school desegregation during 1st year, year-end grade average & absentee-dropout rate & discipline problems, Negro 11th graders, 55:10885
school enrollment size, perceptions of school climate & alienation & deviant behavior & voluntary participation in extra-class activities & teacher-student relationships, high school students, 57:11498
school management, pupil dropout rate, high schools, 58:12423
school noises as stressor, performance on School & College Ability Test, high school seniors, 56:2932
school performance & social responsibility & school & youth culture interests, male 10th & 12th graders, 56:8735
school program for gifted, attitudes & motivation, junior high & high school students, 55:13482
school racial integration, student morale, black & white 11th graders, 56:2990
school setting & race & sex, occupational interests, 10th graders, 57:13861
school social work, juvenile maladjustment & misbehavior, coeducational comprehensive & secondary school students, 54:8498
school socioeconomic status & racial composition, teacher-student control behavior, high school students, 55:13367
school status & affect toward school & social class, deviant subgroup involvement & deviant behavior, high school boys, examination of A. Cohen's general theory of subcultures, 57:6075
school-controlled conformity of dress for teenagers, behavior & security-insecurity, 8th–11th graders, 55:2952
schools' & teachers' stated & derived cognitive educational objectives in American history classes, 55:8036
school's goals & home environment, peer status scores, black & white 14–17 yr old students at integrated residential school for disadvantaged, 55:10907
schoolwork adjustment program, aptitude & intelligence & interest test scores, disadvantaged 10th & 11th & 12th graders identified as potential dropouts, 58:10342
science career plans, high school students, 55:13382
Scientific Creativity Test & IQ, identification of creative scientific talent, high school students, India, implications for school curricula, 57:4477
scores on Hebrew interest inventory for females & job satisfaction, female 16–17 yr old high school students & 25–40 yr old working women, Israel, implications for validity of J. Holland's theory, 58:2323
secondary school work study program open to students of all academic & economic levels, 58:8278
selected attitudes & characteristics & role of curriculum alternatives, decisions to withdraw vs remain in school, high school students, 58:6313
selected participation criteria & social dimensions, participation in national school lunch program, New York City high school students, 58:4226
self acceptance & self rejection & personal & psychological problems & demographic characteristics & school failure history, successful vs nonsuccessful male high school seniors, Libya, 58:12590
self actualization & self concept, high school vs college athletes vs nonathletes, 58:6311
self actualization, engagement & involvement in reading, 11th graders, 55:13407
self concept & ability to cope with anxiety & social skills & attitudes toward family & school & authority & drug usage, incidence of drug abuse & peer group counseling results, drug abusing high school students in treatment program vs non-drug-abusing high school students, 57:6949
self concept & academic achievement, high school students, Tonga, 58:10468
self concept & acculturation levels & academic achievement, Mexican American 6th & 8th & 10th grade participants vs nonparticipants in Federal lunch program, 55:13334
self concept & achievement motivation & anti-Indian discrimination & culture conflict & family instability, academic achievement, Indian high school students in urban environment, 58:4294
self concept & achievement motivation & occupational interests, Black vs White high school achievers, 58:12629
self concept & father's occupation & parents' educational level, selected school behaviors, Puerto Rican vs Black vs White high school students, 57:6896
self concept & perception of parents' evaluation of academic ability & parental & self expectations, black male high school dropouts vs nondropouts, 55:3121
self concept & personality traits, drug attitudes & usage, elementary & junior high & high school students, 58:4335
self concept & socioeconomic status, level of academic achievement, 9th & 10th graders, 57:11446
self concept, attitudes toward counseling, male vs female Canadians vs West Indian Black high school students, 58:4357
self concept, career choice, female Black college students vs high school students planning vs not planning to enter college, 57:9200
self concept congruence, teacher ratings of school adjustment & comments on report cards & number of teacher referrals, 10th & 11th & 12th graders, 57:4386
self concept, GPA & scholastic ability & achievement, continuation vs conventional high school students, 55:5581
self concept of academic ability & importance attached to academic achievement, high- vs low- vs under- vs overachieving male 10th & 11th graders, India, 56:6769
self concept of art & academic ability, black & white secondary students, 55:10918
self concepts & educational aspirations & social expectations, academic achievement, black vs white high school senior males, 56:4830
self concepts, self evaluations by well adjusted vs maladjusted vs delinquent secondary school students, 55:1509
self control techniques & social reinforcement, study behavior, junior & senior high school students, 58:7945
self enhancement vs skill development models, causal predominance of academic achievement over self concept of ability & perceived evaluation of others, 8th–12th graders, 58:12584
self esteem & family authority structure & socioeconomic status, academic achievement, high school students, Philippines, 57:6863
self esteem & racial attitudes & academic & social status, cross-racial friendships & informal communications & interracial studying together, Black vs White 9th–12th graders, 58:4361
self esteem & self concept of academic ability & educational & vocational aspirations & expectations & attitudes toward school persistence, Black adolescents out of school vs in alternative school program vs public high school, 58:1946
self esteem & vocational maturity, occupational choice level, male 11th graders, 57:1990
self esteem, vocational choice, high school students, implications for confounding variables in personalogical analyses of vocations, 55:11078
self estimates of foreign language ability & performance on French achievement test, Nigerian 5th formers, 57:1963
self evaluation training, grade estimation, high school students, 58:10414
self growth & self educative attitudes, identification of factors & developmental trends, 5th vs 8th vs 11th graders, 57:9104
self ideal–self concept discrepancy, ability to apply principles of dynamics to new situations, male adolescents, 55:1461
self monitoring & self recording, increase in ecological acts, high school students in ecology class, 56:8669
self perception & level of aspiration & tolerance of differences & awareness of moral & social issues & human & civil rights, Black high school students attending segregated schools vs bussed to achieve desegregation, 57:11509
self recording & charting of productivity & decision making & emotion & social behavior, self management of growth during senior year in high school, 57:11461
self reinforcement, improvement of stimulus generalization of academic behavior acquired in token economy, 9th grade mathematics students, 56:8657
self reported drug usage, extracurricular activities & accomplishments, male private high school students, 57:10195
self reported problems, Filipino vs American vs Korean high school & college students, 54:1905
self-concept & creativity, Barodan 10th grade over- vs under- vs normal-achievers, 53:4039
Self-Directed Search vs Vocational Preference Inventory in vocational guidance program, vocational choice & evaluations of experience, high school students, 56:6865
self-improvement secondary classroom experience with 2 behavior modification techniques, 9th–12th graders, 54:6401
semantic differential technique, measurement of attitudes toward drug users, high school students in drug education course, 55:4467
sensitivity-encounter group experience, self concept & school achievement, female adolescent underachievers, 56:10796
sentence length & syllabic count & vocabulary as components of readability formulas, comprehension when reading social studies materials, 10th graders, 58:10434
sentence relatedness & presentation singly vs in paragraphs & scrambled vs original order, reading rate & recall, high school students, 57:11418
sequential differences in test scores on general ability test, kindergartners & 1st & 4th–6th & 10th–12th graders, Puerto Rico, 55:8432
sequential patterns of multiple drug use, high school students, 58:5287
sequential testing model, classification into instructional groups, 8th & 10th & 11th & 12th graders, 55:11051
sex & ability in dyads & simulation tasks, role taking & career maturity, 11th graders, 55:8373
sex & academic achievement level & aptitude & family socioeconomic status & birth order, level of educational aspirations, high school seniors, 55:3161
sex & achievement level & utility of Preliminary L2 System, verbal interaction in 2nd language classrooms, 11th graders in French class, 56:1454
sex & age & school size differences, participation in school activities & self concept & school-related alienation, high school students, 57:4392
sex & age differences in moral maturity, perception of school environment, boarding vs day high school students, 57:4406
sex & average grade & extracurricular activities & course of study & area of residence, attitudes toward Christian education & high school education, graduates of classes of 1969 vs 1973 vs their parents, 57:13848
sex & culture & amount of reading material in each item, guessing on multiple choice tests, 10 & 14 yr olds, 54:10632
sex & ethnic group & paternal education & high school program, attitudes toward school & educational plans & school experiences, high school seniors in class of 1972, longitudinal study, book, 58:4136
sex & ethnicity & rural-urban residence, perceptions of academic programs & extracurricular activities & school atmosphere & procedures, 11th graders, southern New Mexico, 58:12698
sex & grade level & intelligence & achievement, perceptions of ideal teacher behavior, 9th vs 10th vs 11th vs 12th graders, 55:13444
sex & grade level & school attended & mobility of school attendance & family type & achievement level, attitudes toward school & self & school staff & peers, 7th & 9th graders, 58:2120
sex & grade, patterns of performance in mathematical aptitude, urban Black high school students, 58:6263
sex & IQ & teacher evaluation of Ss' motivation, response to advance concrete vs abstract organizers for science teaching, 9th graders, 58:12538
sex & locus of control & study questions, learning from prose material, 11th graders, 58:4317
sex & parental understanding vs misunderstanding, self concept & academic aspirations, 9th graders, 56:8737
sex & post high school plans, perceptions of counselor services, junior vs senior high school students, 55:3276
sex & race & academic aptitude & achievement & mobility & attendance patterns & behavior problems & involvement with special services personnel & reasons for dropping out, high school age home- vs school-instigated dropouts vs graduates of academic vs prevocational programs, 56:6795
sex & race & socioeconomic status & grade in school & school/grade cohort & school's racial composition, occupational & educational aspirations, junior high & high school students, 58:10482
sex & race, occupational & educational aspirations & expectations, white vs black 9th–12th graders in rural community, 56:6787
sex & race, perceptions of teachers' pupil control behavior orientation & S alienation, 9th–12th graders, 58:12684
sex & school environment & curriculum & teacher attitude toward inquiry-oriented curriculum, cognitive preference & biology achievement, high school students, Israel, 57:1970
sex & social class & ability, desire to leave school at 15 & 16 vs staying until 18, 3rd-yr students in comprehensive schools, 53:10494
sex & socioeconomic level & race, locus of control & academic achievement relationship, black & white & Mexican-American 9th–11th graders, 55:1432
sex & socioeconomic status & curriculum, vocational maturity & subsequent vocational adjustment 16 mo after high school graduation, high school seniors, 58:4345
sex & socioeconomic status, perceptions of college environment concepts, Anglo American & Mexican American high school students, 58:12682
sex & use of trial & error methods & divergent vs convergent thinking, problem solving task performance, secondary school geometry students, 57:6845
sex & verbal & mental ability, analogy test performance, White vs non-White high school & college students from differing socioeconomic levels, significance for study of test bias, 58:10808
sex differences, career goals & occupational choices, adolescents in grammar vs secondary professional vs apprentice schools, 58:2320
sex education for teenagers, comparison between student interest & book information, 9th graders in public & private-nonreligious & Catholic schools, 57:6787
sex education presented within biology classes, emotional reactions & material mastery, hospitalized emotionally disturbed adolescents, 56:4914

sex, locus of control & locus of evaluation & self esteem & identity confusion & identity crisis resolution correlates of mathematical ability, high school seniors, 58:10438
sex role identification & intelligence, academic achievement, high school girls, 56:4817
sex role identity & sex of teacher, attitudes toward school & teachers, male vs female Black 4th–6th vs 9th–11th graders, 58:8363
sexist vs neutral-gender wording, scores on occupational measures, high school girls, 56:4963
significant-other influence & residential variations, aspiration formation, rural vs urban white high school males, 56:4867
similarity on self actualizing behavior, interpersonal attraction, high school students & teachers, 55:5612
simulation game & vocational level, awareness of factors in vocational decisions, 10th & 11th grade players vs nonplayers, 57:14018
simulation game, personal autonomy & life career planning, black senior high males, 55:13601
simulation of perceptual readiness model employing cartoons, shaping of problem recognition behavior in social studies, 9th–12th grade slow learners, 56:10659
simulation vs lecture-discussion teaching method, cognitive retention & affective perception of learning experience, high school history students, 55:8087
simultaneous audiovisual presentation vs 2 unitary audiovisual presentations using compressed speech, subject matter learned & retained, high school science students, 58:10309
single- vs 3-screen presentation, knowledge gain & opinion shift, Lockheed employees & high school students, 57:1914
single-concept instructional variables & advance organizers & within-text questions, learning of concepts in taxonomy of behavior management, 12th graders, 58:12475
situational aspects, patterns of competencies necessary for leadership within high school, 9th–12th graders, 56:8743
small group discussion project involving teachers & consultant, perceptions of student-teacher relationship, male 11th graders, 58:12656
small group interaction, attitude changes toward social institutions & peer groups & self concept, high school students, 55:3228
social & cultural & economic factors & educational perspective & home & academic attitudes, school dropout behavior, secondary school students, 54:6313
social characteristics & self concept of academic ability & educational aspirations & school adjustment & family relations & traditional values, academic achievement, 10th & 11th graders in public & private academic lises in Turkey, 55:13326
social class & environment & S's future plans, perceptions of use of school counselor & guidance programs with respect to allocative function & individual decision making processes, high school seniors, 56:4970
social class & family structure & perceived maternal encouragement & academic performance & self concept, college plans, Black male vs female high school seniors, 58:4347
social reinforcement, instrumental dependency, male institutionalized high school dropouts, 55:3279
social rejection, 3rd vs 6th vs 9th vs 12th grade regular class vs educable mentally retarded students, 57:13850
social status & educational styles of mothers & teachers, achievement motivation & anxiety, 12–15 yr old students, 58:6292
social values, vocational interests & motivation for college attendance, high school seniors, 55:1470
socially incompetent behavior of students, re-identification & behavior descriptions, junior vs senior high school teachers, followup study, 58:10252
social-psychological factors, academic underachievement, 15-yr-old aggressive boy, 53:3399
socioeconomic & cultural & educational characteristics, dropout prediction, 55:8171
socioeconomic & racial population of school, incidence & content of restroom graffiti, high school students, 56:7884
socioeconomic class & school's desegregation history, number & types of personal problems discussed with counselor, urban Black vs White 11th graders, 58:4430
socioeconomic status & academic ability & sex, placement in college preparatory vs other curriculum & subsequent academic achievement & educational attainment & self conceptions of competency, high school seniors, 56:6694
socioeconomic status & class in school, development of bilingual reading comprehension, Yoruba high school students, Nigeria, 58:6267
socioeconomic status & drug attitudes & academic achievement & participation in school-related activities & demographic characteristics, drug usage, Mexican American junior & senior high school students, 55:4456
socioeconomic status & educational background & occupation of parents, personal values, secondary & junior college & university & postgraduate & professional students, 54:9510
socioeconomic status & grade level & type of subject, perception of teacher behavior, male vs female Indian vs Black vs White high school students, implications for staff evaluation process, 58:12388
socioeconomic status & post-high school & long-range plans & planning activity & senior courses, vocational decision-making strategies, non-college-aspiring high school juniors, 53:12555
socioeconomic status & proximity to university campus, transfer of political & economic & aesthetic & social & religious values, high school students & teachers, 55:2903
socioeconomic status & sex, attitudes toward guidance counseling, Negro & Caucasian high school students, 55:3143
socioeconomic stratification of classes, behaviors in multiethnic classrooms, high school teachers & Mexican American & Black & White students, 58:12704
Something About Myself creative self perception scores, Hungarian vs US high school & college students, 55:12305
spatial information training & drawing practice, spatial visualization ability & representational drawings, 9th graders, 55:5478
spatial visualization & general reasoning & inductively vs deductively structured instruction, learning inequalities, high school geometry students, 56:4755
special academic & vocational programs, remaining in school & attitudes toward school, potential dropouts in 9th grade, 53:12535
special problems & approaches, counseling, high school students, book, 53:6232
special training class during summer residential program, self esteem, Upward Bound participants, 55:3224
spuriously reported test scores, subsequent self-concept of ability & performance, high school students, 55:10896
stage band vs concert band music literature, musicality & aesthetic sensitivity to music, high school band students, 54:10472
stage of departure from school, vocational maturity & realism of vocational choice, 7th–12th graders, 55:5759
standard English vs Black dialect form of reading subtest, reading test performance, Black vs White low achieving 9th graders, 58:10441
state hospital treatment program, high school students working with blind mentally retarded residents, 57:11024
step vs translation teaching methods, verbal mathematics problem-solving, female 9th grade algebra students, 56:4747
strategies of special units in secondary schools & counselor's skills, treatment, disturbed secondary school students, 55:8374
structured group counseling, self concept & attendance & achievement, absentee-prone high school students, 55:8350
structure-of-intellect test scores vs Florida State-Wide Twelfth Grade Tests scores, physics achievement prediction, high school students, 55:8383
structure-oriented biology class vs Investigating Your Environment module, critical thinking & specific affective behaviors & attitudes toward education, high school students, 58:12483
student & teacher & school characteristics, ability to solve applied vs pure problems in mathematics, students in final year of secondary education, 58:6283
student & teacher attitudes toward school environment & academic achievement, assessment of principal competencies & interaction with principal, 4th & 6th & 8th & 11th graders, 58:10484
student analyses of motivation & school learning, 7th & 11th graders, 54:12576
student characteristic variables, prediction of stability of expressed occupational choices, high school students, implications for occupational guidance, 56:4983
student characteristics & involvement in learning & mastery vs nonmastery learning strategies, arithmetic achievement, 8th graders, 54:6298
student group counseling vs adult education intervention programs, culture conflict, Cuban senior high school students, 58:8427
student involvement, successful integration of schools, principals, 55:7950
student opinions & membership in student groups, accuracy of teachers' estimates of student opinions, male & female high school students & teachers, 55:3177
student participation in school governance, perceived effectiveness in terms of quality of decisions & educational benefits & student morale, high school students & staff, 57:11282
student planning during teachers' labor conflict, secondary school students, Sweden, 53:8258
student sensitivity training vs Adlerian parent training, self esteem & academic achievement & parental attitudes toward childrearing, 9th–11th grade males, 57:6801
student social adjustment level, value differences, high school teachers & students, 55:10937
student volunteering to ask & answer questions & make statements, teacher questions to volunteers vs nonvolunteers & positive feedback, high school students & teachers, 55:8250
student vs E choice of study material & order of choice & immediate vs delayed testing, delayed retention of material & task enjoyment & willingness to participate in similar future tasks, high school students, 55:1383
student vs teacher perceptions, student creativity measured by "Something About Myself", high school students, 58:1934
student-activity vs traditional vs combined teaching method, preparation of students in cognitive & affective areas of citizenship, 12th grade social studies students, 55:8008
student-led experimental approach in program teaching mental health principles, self acceptance & acceptance of others, high school students, 57:11386
students' ratings of teachers as feedback, teacher effectiveness, high school teachers & students, 55:13405
student-teacher compatibility, achievement in algebra, high school students, 55:3073
student/teacher racial & socioeconomic composition & actual vs perceived educational values & student trust, student satisfaction with educational service, high school staff vs students, 56:10697
student-teacher regard & demographics & academic aptitude & achievement & number of yrs in present school, perception of school environment, secondary school teachers & students, 55:12960
study motivation & study behavior, high school students, research summary & educational implications, book, 58:2165
studying geometry vs algebra, ability to understand conditional statements, 10th graders, 55:1393
subjective organization, retention & understanding of prose using self instructional curriculum technique, high school students, 55:1428
success sharing vs transactional analysis group counseling, locus of control expectancies, high school seniors, 58:10626
summer German language weekly reader program, retention of German I achievement & facilitation of German II achievement, high school students, 56:2911
summer work study program in mental health & retardation, career orientation & college major & employment, high school participants & not accepted applicants & nonparticipants, followup study, 56:8694
Survey of Study Habits & Attitudes, analysis of responses to test a priori classification of items into scales & hierarchical structure of scales, high school & college students, implications for counseling, 55:11022
suspension practices, perceptions of effectiveness in control of student misbehavior, urban high school teachers vs administrators vs suspended vs nonsuspended students, 58:6166
syntactic maturity in oral & written language, reading comprehension of materials of varying syntactic complexity, 4th & 8th & 12th graders, 55:10874
systematic career decision making program in group vs individual counseling context, occupational decision congruency, high school juniors, 57:4479
systematic intersensory transfer, word recognition skills, high school remedial readers, 56:3034
systematic restructuring of material based on model of concept attainment vs textbook approach, reading comprehension scores, good vs poor 9th grade readers, 58:2105
tactics for increased effectiveness, counseling disadvantaged high school students, 56:8779
tape recorded presentation & presence of post-passage adjunct questions, retention of verbal material, average & underachieving 9th & 10th graders, 55:8086
task complexity, individual differences in information processing during classification learning, high school students, 56:6757
teacher ability to articulate nature & influences & underlying assumptions of technology, student awareness of taken-for-granted assumptions to which they have been socialized, social science teachers & students, 56:3002
teacher behavior modification training, teacher verbal behavior, student inquiry, high school students & teachers, 55:1289
teacher discourse, mathematics achievement, high school algebra students, 55:8183
teacher expectations based on model of self fulfilling prophecies & ascribed characteristics of Ss based on their social origin, standardized & teacher evaluations of academic achievement, high school students, Canada, 57:4374
teacher home visits, attitudes, parents vs faculty vs high school students, 58:6121
teacher humanistic-custodial pupil control ideology, productive work in & outside classroom, high school students, 55:10944
teacher inservice training consisting of group discussion & readings & listening to prerecorded tapes & student group discussion, belief systems, teachers & high school students, 55:10695
teacher needs & student & teacher belief systems & student perception of teacher performance, high school studies & mathematics teachers & students, 55:3164
teacher participation in teacher effectiveness training, perceptions of classroom climate, secondary school students, 58:10473
teacher personality traits & attitudes & age & sex, choice of helping teacher, high school seniors, 55:8241
teacher preferences for & ratings of students, creativity & peer perceptions of their judgments & students' achievement & self-concept, high school students & teachers, 58:2145
teacher quality perceptions, achievement, 10th graders, India, 53:8350
teacher ratings of personality of 7th–10th graders, correlation with grades, 55:3305
teacher skin color & use of neutral vs affective group-related language during teaching, test scores, black male 11th graders, replication of I. D. Glick's study, 56:10727
teacher use of behavior modification vs information processing vs social interactions vs person teaching models & analytic vs nonanalytic subject matter, self concept of academic ability & attitudes toward teacher, junior vs senior high school students, 57:13775
teacher- vs learner-control of learning activities in geometry classes, immediate achievement & progress rate & delayed recall & attitudes, high school geometry students, 55:8028
teacher- vs student-centered vs CHEM study method of teaching high school chemistry, achievement in chemistry & critical thinking abilities & scientific interest, high school students, 55:13192
teacher- vs student-structured independent study, student satisfaction in reading & attitudes toward instruction, high school students perceiving vs not perceiving selves as self directed, 55:8209
teacher-centered vs class-centered vs self directed teaching approaches, learning accomplishment & satisfaction, high school students, 56:2861
teacher-directed group counseling, self esteem & congruence of teacher & student perceptions of group climate & achievement of teacher's goals for group climate, high school students & teachers, 55:10943
teacher-dominant vs student-dominant teaching methods, class performance, introverted vs extroverted high school students, 55:7983
teacher-pupil relationships & profile characteristics, urban high school dropouts vs graduates, 56:1444
teachers & counselors & parents & peer group influences & college preparatory program, commitment to seek admission to college, underachieving inner-city minority high school students, 56:3003
teachers' & Ss' convergent & divergent abilities, prediction of academic achievement & classroom behavior & climate, 10th & 11th graders, 57:4286
teacher's age & teacher-pupil sex interaction, perception of teacher behavior, junior & senior high school students, 55:10962
teachers' attitudes toward independent learning, attitudes toward independent learning in reading short stories, 10th graders, 58:10464
teacher's expectations for students, educational ambitions, high school students, 55:8286
teacher's use of behavioral objectives, achievement gain, secondary school students, 55:1360
teacher-student attitude similarity, attraction to teacher & lesson & teaching technique, 7th–12th graders, discussion within classical conditioning model of attraction, 56:1442
teacher-student attitude similarity, information retention, junior high & high school students, 55:10900
teacher-student attitude similarity, information retention, high school students, validity of classical conditioning hypothesis, 55:13380
teacher-student cognitive interaction, learning, high school home economics students, 55:8163
teacher-student personality type similarity, achievement & satisfaction, 9th & 10th graders, 58:8361
teacher-student relationships, urban alternative high school, 57:13900
teaching designs & exercises, open exploration & discussion of attitudes toward sex, high school & college students, book, 53:1923
teaching parenthood programs, high school students, 54:4102
teaching unit on Black culture, racial beliefs & authoritarianism & openmindedness, White high school students, 57:11307
teaching using homogeneous groups at same performance level in specific subjects vs classification of students into sections according to global academic performance, French high school students, 54:12519
Teams-Games-Tournament teaching method vs individualized instruction, social connectedness & time on task & peer tutoring frequency & pro-academic peer norms, 7th–9th graders with academic & human relationship problems, 55:10813
television program viewing behavior, Black vs White 10th–12th graders, 57:12443
temporal distance, estimation of involvement in potential future events, Swedish high school students, 54:5248
test mode & delay interval, retroactive inhibition of prose materials, high school students, 56:10661
testing alone vs testing with explanation vs unit reviews, learning & retention of mathematics, 6th & 8th & 10th & 11th graders & college freshmen, 56:10606
test-retest reliability, Singer Vocational Evaluation System, educable mentally retarded high school students, 57:9363
test-wiseness, performance on standardized scholastic achievement & general mental ability measures, Mexican American & Black & White 11th graders, 58:10616
text organization & goal-descriptive directions, performance on goal-relevant test elements & incidental learning, high school students, 54:4080
thematic organizers, reading comprehension, high school & college students, 58:10411
theme-centered group process, attitudes toward male-female dyadic relationships in areas of communication & freedom & trust, high school seniors, 57:3893
theory of achievement motivation, grades & occupational aspirations, 10th graders, 56:10680
threat restrictiveness & curtailment of recipient's autonomy & freedom of choice, compliance to threats & promises, female high school students, 54:6825
time-expanded speech, listening comprehension of French, high school students, 58:10310
token economy & contract & group guidance meetings, truancy, high school students, 54:8472
track position, deviant behavior, college-bound vs noncollege-bound high school juniors & seniors, 57:11480
tracking, academic self esteem, male high school students, 55:8234
traditional vs ability grouping in physical education program, self concept & physical achievement, high school boys, 58:12562
traditional vs contract grading, venereal disease knowledge & gain & attitudes toward classroom & learning activities, 9th graders, 54:10609
traditional vs diversified elective English program, materials & instructional techniques & classroom activities & attitudes toward English & grade received, male vs female 11th & 12th graders in urban vs suburban schools, 56:10613
traditional vs mnemonic teaching method, vocabulary development, average ability 10th graders, 56:2871
traditional vs television-supplemented teaching methods, subject matter proficiency, 3rd-yr lyceum students, 53:12419
training for formal thought, educable mentally retarded & average intelligence adolescents, 56:6725
training in student-helper roles, self esteem & attitude toward school performance in spelling & arithmetic achievement, high school students, 54:10560
training selected members in development of accurate empathy, interpersonal quality of classroom, socially-liked secondary school students, 58:10496

training to conduct facilitative interviews with peers, high school students, 55:1546
trait anxiety level & sex & general ability, academic achievement, 10th graders, 53:1938
transactional analysis, self concept & locus of control & truant behavior, suspended high school students, 57:6739
transfer from regular to continuation high school, attendance patterns & achievement scores, White vs minority students, 58:6325
treatment employing punishment & monetary rewards, reduction of blindisms, blind 16–20 yr olds, implications for classroom procedures, 58:8370
trend away from physical science & foreign language toward English & social sciences, re-examination of statistical evidence of Dainton Committee, 2nd & 5th & 6th form students, 55:1349
trends in academic performance & American College Testing program test scores, high school & college students, 10-yr longitudinal study, 56:2936
tutorial program vs conventional instructional approach, reading & written expression & attitudes, 11th & 12th grade tutors & 6th grade tutees, 55:13137
type of terminal education in public school, occupational adjustment, educable mentally retarded who attended special vs regular classes vs occupational training centers, 55:8317
types & rates of teacher & student questions & teacher verbal approval/disapproval behavior, social studies teachers & high school students, 57:4407
under- vs overproportion of Black students in school, self concept & cognitive & affective attitudes toward school desegregation, male vs female Black high school students, 58:6289
understanding of rules of conditional logic, 10th vs 11th vs 12th graders, implications for curriculum planning, 58:12510
unexpected examination performance & achieved outcome & sex role differences, internality of causal attributions for academic performance, high school students, 57:6864
unipac vs traditional instruction, attitudes toward instructional method & achievement in Spanish class, high school students, 58:12554
Upward Bound program, impact on self & family & friends & academic achievement & significance of future, poverty high school students, 58:12474
urban activity group counseling, behavior & self concept & interpersonal orientation, continuation high school students, 56:3048
use of anthropological materials, development of worldminded attitudes, high school students, 55:13243
use of moderator variables, identification of potential school dropouts, 8th–10th graders, 57:9163
use of nontraditional approaches from "street academies," academic achievement in traditional schools, alienated inner-city high school blacks, 55:5510
use of portion of rehearsal time for developing skills in describing music, performance & musical achievement, high school band students, 56:4753
use of teachers in counselor-supportive role, development of close student teacher relationship, high school students & teachers, 56:4975
use vs nonuse of simulation board games prior to reading selected short stories, oral responses & attitudes toward stories, 11th graders, 58:6226
validation against civilian vocational-technical high school criteria, Armed Services Vocational Aptitude Battery, high school students, 56:7043
validation of Personal Orientation Inventory, relationship between level of counselor actualizing & student perception of guidance services, high school students, 57:7242
validity & reliability, brief scales of educational attitudes based on F. N. Kerlinger's Education Scale VII, high school students interested in teaching & college student teacher trainees & teachers & educational & noneducational personnel, 57:4738
validity & reliability of cloze procedure as measure of comprehensibility & difficulty of mathematical language, 7th–10th graders, 56:3063
validity of objective testing as process of appraising thinking ability, students in high school biology & physics, 57:13990
validity of Quincy All-Choice Continuum for measurement of educational attitudes, high school students, 58:8671
value & attitude changes, 10th–12th graders & candidates for masters degree in counseling, 56:8744
value clarification techniques, achievement & attitudes & affective behavior, 10th–12th graders in biology class, 57:13698
value profile, academic achievement, high- vs low-achieving adolescents, 55:5585
values clarification process exercises, values & clarity of values & dogmatism, high school juniors & seniors, 58:2272
values clarification program, self image, capable continuation high school students, 58:6245
values-oriented career & leisure counseling, leisure attitudes & preferences & self concept & career preferences, 11th graders, 58:2247
variables related to communications between high school principals & students, 55:7885
various classroom physical seating arrangements, attitudinal & interactional impacts, senior high school social studies students, 55:3163
varying access to diagnostic self test answers & permission to & experience in bypassing learner-controlled activities in science instructional modules & ability, validity of activity selection decisions & attainment of instructional objectives & time spent on learning activities, high school students, 57:13748
verbal format & reading ability, performance & learning time in principle learning, 10th–12th graders, 55:13317
verbal reinforcement by senior high school paraprofessionals, treatment, 4th grade male underachievers, 54:6256
verbal reinforcement counseling vs parent effectiveness training, inappropriate classroom behavior & self esteem & attitudes toward parents & school, potential dropouts, 58:2264
verbal reprimands, incorrect responses in grammatical exercises, 15–17 yr old students, 55:13311
verbal vs figured modes of programed instruction & sex & cognitive factors, mathematics achievement & retention, 9th graders, 56:2940
verbal-symbolic vs verbal-spatial-numeric presentation & spatial visualization vs general reasoning aptitude, learning quadratic inequalities, high school algebra students, implications for adapting instruction to learner characteristics, 56:4839
video modeling methods, self referent affective statements & time perspective & degree of concreteness & content of verbalizations in initial counseling interview, Mexican American high school students, 57:9196
videotaped female career role models & reinforcement of statements indicating positive attitude toward females in work role during discussion, vocational attitudes, female high school students, 58:4424
videotaped modeling & rehearsal & corrective feedback & praise, training in behavior modification techniques to teach profoundly retarded children & generalization of training, high school students, 55:10338
videotaped peer model guidance, attitudes toward drugs & alcohol, high school males, 57:4488
videotaped speaker's social role & personal experience with drugs, recall of drug information & attitudes toward drugs, 8th graders, 54:10523
viewing simulated invasion & touching & eye contact behaviors of female teachers with male vs female student actor, perceptions of teacher helpfulness, male vs female high school students, 56:10701
violent juvenile gang interaction patterns & normative structure, relationship to school attendance & achievement, inner city 13–19 yr old black male gang members, 55:13314
visual aptitude, reading & mathematics achievement & relationship to achievement gain in grades 4–11, 11th graders, 57:6816
visual feedback from chart, self directed change in academic performance rate, 9th & 10th grade typing & 11th grade accounting students, 55:5523
visualization of poetically elicited mental images & variables involved in response to reading poetry, 10th and 12th graders of varying academic ability, 57:6822
vocational awareness, construction & validation of Vocational Awareness Index & concurrent validity with Career Maturity Inventory, high school students, 54:10697
vocational development after high school vocational choice, superior consistent vs inconsistent students, 54:4351
vocational exploration group program, career maturity attitudes & employability perceptions & exploratory career behaviors, 8th & 10th & 12th graders, 57:6955
vocational interests & aptitudes, school grades, high school students, 54:12574
vocational maturity & anxiety, vocational choice & certainty, 10th grade prevocational students, 58:8344
vocational maturity & idealistic & realistic educational aspirations & occupational aspirations, rural vs urban 10th graders, 55:1559
vocational maturity, appropriateness of vocational choice, 9th graders, 56:8806
vocational maturity, 9th vs 11th grade Arabs vs Americans, 56:6887
vocational needs & extent of extracurriculur activities & vocational need stability, 8th & 10th graders, 1970–73, 57:13853
vocational orientation program, subsequent employment, students in secondary level business school, 56:4756
vocational plans & certitude & curriculum choice & perceptual-cognitive variables, graduating high school seniors, 58:4450
Vocational Preference Inventory, hexagonal model of occupational classification, rural high school seniors, 53:4080
weekend religious experience, value patterns as measured by Allport-Vernon-Lindzey Study of Values, Catholic high school students, 55:13144
What Kind of Person Are You test, screening device for creativity, mathematically academically accelerated 10th & 11th graders, 56:8784
whole word vs "hard spot" vs individual letters & list vs in context presentation methods, spelling performance, 11th graders, 54:1885
WISC & Wide Range Achievement Test scores & differences between subtest scores, Negro & white 6–15 yr olds referred for school work difficulties, 55:5726
WISC-R scores & profile scatter, learning disabled 6–15.5 yr olds, diagnostic implications, 57:9156
with vs without instruction on additional 150 brief forms & derivatives from most frequently used business words, shorthand writing speeds, high school students, 56:2893
work evaluation program, self concept improvement, high school students selected as reluctant learners, 57:4323
work-study curriculum development, vocational training, mildly retarded intermediate & high school age students in suburban school, 56:8771
work-study program emphasizing educational approach to employment & acquisition of problem solving skills, learning disabled high school students, 56:4926
work-study program, self concept & GPA, 10th grade potential dropouts, 55:8069
written spelling proficiency, 6–19 yr old deaf students at state residential school, 57:6930
year in school & sex & academic achievement, attitudes toward school, high school students, 58:12678
6th grade school record information, prediction of grade at which Ss would drop out of school, White high school students, 58:2256

High School Teachers

ability grouping & allocation of teachers in high school classrooms, high school students & teachers, 55:13026
academic discipline & exposure to career education & age & sex & work experience & number of yrs of teaching & educational attainment level, attitudes toward career education, high school teachers, 56:8642
academic self concept, attitudes toward teachers, high school & college students, 56:1450
acquisition & stability of reinforcement & higher-order questioning & probing skills of teaching & subsequent student performance, teacher education students, 58:12460
Adlerian group counseling with students &/vs C-group consulting with teachers, students' attention-getting behaviors, high school teachers & students, 57:4468
administrative verbal behavior model for principal-teacher interaction, 55:2985
affective training, interpersonal behavior changes, preservice elementary & secondary teachers, 55:10666
age & sex & employment & marital status & teaching experience & school size & length of service with principal, reactions to effective & ineffective administrative behavior of principals, high school teachers, 58:6177
age & sex & socioeconomic status, preferences for photographs & films & television programs & similarity to teacher preferences, secondary school students, implications for curriculum, 57:13575
age & teaching experience & level & primary recreational outlet & major area of concentration, religious attitudes, elementary vs secondary preservice & inservice teachers, 58:1949
anticipation game participation, understanding of educable mentally retarded children, junior & senior high school special class teachers, 58:8180
attitudes & interests & values of successful group leaders, small group facilitators vs secondary school teachers vs Gestalt group leaders, 55:7093
attitudes & perceptions of others' attitudes toward disciplinary behaviors, high school administrators vs teachers, 57:11266
attitudes on progressive & traditional teaching ideologies & dogmatism & philosophical consistency, elementary & secondary school teachers, 55:12986
attitudes toward & evaluation of high school guidance program, high school teachers, 58:2252
attitudes toward & knowledge of drug abuse, elementary & high school teachers & parents, 53:12390
attitudes toward & perceptions of incorporation of career education goals into curriculum, elementary & secondary school teachers, 55:13205
attitudes toward Black vs White teachers, Black vs White secondary school students in newly desegregated high school, Austin, Texas, 57:13874
attitudes toward deviate behavior of superordinates, high school teachers, 55:7917
attitudes toward epilepsy, teachers & counselors & nurses in high schools, 53:11585
attitudes toward methods of teaching organization & demands on pupils & goal priorities, teachers in upper level of comprehensive schools with differing organizations & building designs, 57:1903
attitudes toward protest & authoritarianism as measured by Protest Situational Attitude Scale, high school teachers vs labor union members, 58:7325
attitudes toward vocational education program, comprehensive vs vocational high school students vs parents vs teachers, 58:12559
attitudes toward work & job satisfaction & political attitudes, concepts of teaching as insulated from social context, suburban high school faculty, 58:8197
attributes of students' achievement assessed by teachers, secondary school students & geography & mathematics teachers, 55:8437
authoritarianism & risk taking & interpersonal trust & level & length of teaching & staff size & school location & job satisfaction & bureaucracy, need for involvement in decision making, elementary & secondary school teachers, 58:12433
availability & perceived importance of evaluative information for formative vs summative purposes in areas of goals & designs & implementation & outcomes, high school students vs teachers vs principals, 57:13648
background & personal characteristics, vocational counseling effectiveness measured by high school students' ratings, vocational & regular school counselors & vocational teachers, 55:1598
belief systems of teachers & staff members, cognitive level of questioning during class, high school teachers, 55:13390
bidirectionality of influence in teacher-student interaction, junior & senior high school students & teachers, 55:8212
class ability level, modification of difficulty of instructional language, high school social studies teachers, 58:10315
Class Atmosphere Scale, assessment of classroom psychosocial environment, junior & senior high school students & teachers, 57:11582
classroom discipline, high school & student teachers, 56:4887
classroom verbal interaction, perception of quality of teachers' interpersonal relationship, high school students, 55:8266
clinical supervisors emphasizing helping relationship & congruent conference format, student perception of class & student-teacher relationship & teacher growth, high school teachers & students, 57:1994
cognitive & affective & psychomotor domains of academic perceptions of black high school students, black vs white teachers, 55:13449
cognitive & affective achievement of systematic self evaluation, performance in beginning mechanical drawing class, high school students & teachers, 55:3160
communicative social control policy & social participation in activity planning, illustration using "alternative" high school, 58:7319
community acceptance & school practice & goals & student agreement with teacher attitudes & practices, humanistic teaching methods, high school teachers & students & community residents, 58:2058
computer managed study, student learning & evaluation, secondary school students & teachers & administrators, 54:10489
conceptual analysis of advising & psychological & moral development conditions needed in advice giving & receiving, secondary school teachers as advisors to students, 57:13673
congruence between teachers' & supervisors' perceptions of school environment & teachers' deviant classroom behavior, high school teachers & supervisors, 58:1961
consensus of "mathematicians" & "educators" reference groups attached to resolutions of projected classroom situations, resolution choice, preservice secondary school mathematics teachers, 56:2789
content area responsibility & teaching experience & instructional level, attitudes & perceptions of competency in reading instruction, secondary teachers, 58:12407
critical thinking & open-mindedness & values, Catholic high school seniors & their teachers, 55:3174
demographic characteristics, job satisfaction, secondary school industrial arts teachers, 55:5447
demographic variables, sense of power & pupil control ideology & behavior congruence, secondary teachers, 58:6182
desegregation, alienation & self discrepancy, high school teachers, 55:2922
development of modularized/individualized psychology course, secondary preservice teachers, 56:10552
directive vs nondirective lecture-demonstration vs performance-sequenced groups, student achievement & understanding of science & teacher directiveness & role perception, high school students & teachers, 55:13262
dogmatism, curricular preferences, secondary social studies teachers, 55:10709
drug education workshops, elementary & secondary school teachers, 53:12376
drug knowledge & attitudes, high school administrators vs students vs teachers, implications for drug programs, 55:10793
educational background & age & sex & job experience & salary use & grade taught, morale, elementary & middle & secondary school teachers, 57:13667
ego level, accuracy of prediction & values of idealized class & perceptions of actual class, high school teachers, 58:10238
employment level & sex & education & school enrollment size, discrepancies between current practice & desired status of health education in Illinois public schools, teacher training personnel vs high school administrators vs health instructors, 55:10689
expectations & perception of priority order of selected educational goals, high school administrators & teachers & students & citizens & school board members, 55:12993
expectations of & experiences with principals vs colleagues vs students & parents, male vs female black elementary & secondary teachers in predominantly white school, 56:2814
expectations of school administration & teachers toward each other described by concepts of dependence & distance & change, morale & job satisfaction, lay & religious high school teachers in Jesuit schools, 55:1255
feedback mode regarding classroom climate, congruence between student perceptions of climate & teacher goals for climate, high school students & teachers, 58:10454
field independence/dependence, correspondence between content structure & psychological structure before & after social studies instruction, high school students & teachers, 56:10648
format of 1-day workshop, development of relationships between high school & college psychology teachers, 58:1972
grade & race, attitudes toward student involvement in decision making, Cass Technical High School students vs teachers, 55:12933
grade & sex & socioeconomic status, concerns about teachers & classroom experience, 8th–10th graders, 55:13409
grammar & general-principles-of-language instruction, secondary school English teacher candidates, 58:8229
group autonomy & cohesiveness, expectations & perceptions of principal's role performance as communicator, high school teachers, 58:4209
group discussion, attitudes toward risk taking, elementary & secondary school teachers, 54:10464
high school diploma, motivational force & achievement indicator, high school seniors & graduates & teachers, 55:3112
high school teachers as reading teachers, reading achievement & dropout problems, inner-city high school students, 54:8417
implementation of selected innovative teaching practices, opinions about potential success of practices & attitudes about open concept school facilities & learning process, high & middle & elementary open concept school teachers, 57:11219
implicit values in physical education, male vs female physical education teachers in urban vs suburban secondary schools, 58:8178
income level, perceptions of secondary school, higher vs lower income 9th grade students vs teachers, 56:1431

individual student rates of volunteering of answers, rate of teacher directed questions to individuals & percentage of volunteering approved in 1st & 3rd mo of term, high school teachers, 56:2993
industrial work experience & academic preparation & teaching experience of teacher, achievement, 11th & 12th graders in industrial education vs vocational education programs, 57:13802
informal vs formal student leadership, perceptions of characteristics & behavior & amounts of influence & nominations for leadership situations, high school students vs faculty, 56:10700
informational model, guide for understanding sociology & psychology & pharmacology of drug use, secondary school teachers & students, 55:13232
innovative hiring technique & teacher performance ratings, newly hired 7th–12th grade teachers, 58:6184
inservice biology methods course, behavior change, secondary school biology teachers, 55:5411
inservice education program, decision making skills & self concept & perceived interaction & collegiality & teacher openness, elementary & secondary school teacher vs administrator vs parent participants, 56:10547
inservice teacher training in BSCS biology, student achievement & attitudes & critical thinking & science processes & teacher & student verbal behavior, secondary teachers & students, 55:13036
instrument for identification of implicit values in physical education programs, secondary school physical education teachers, 58:6195
interests & personality traits & work values, 1st–12th grade student vs experienced teachers, 56:4740
interpersonal needs as measured by FIRO-B, mobility & choice of setting & role, public school teachers & administrators, 55:13064
interreligious & interracial contact, racial prejudice & anti-Semitism, American 8th & 10th & 12th graders & teachers, book, 55:12099
item analysis, teacher-made mastery tests, junior & senior high school teachers, 55:13542
job responsibilities & geographic area of work, perceptions of principal's role in collective negotiations, elementary vs secondary school teachers vs principals vs superintendents vs school board members, 57:13671
knowledge & attitudes regarding education of pregnant students, administrators & board members & teachers, 55:13063
knowledge about & attitudes toward drug usage & legalization of marihuana, elementary vs secondary teachers vs high school students, 53:7194
leadership style of school principals, morale, high school teachers, 58:4156
learning style of teacher & student, academic achievement, high school students & teachers, 55:13351
liberal vs conservative socioeconomic values & beliefs, 11th & 12th graders & their parents & teachers in independent vs public high schools, 55:12959
life changes, absenteeism & transfer requests & continued education & grading distribution, high school teachers, 53:1866
likeness & differences between student & teacher in personal dominant motive, achievement, high school students, 58:12635
locus of control, attitudes toward vocational education, black high school teachers, 56:4734
logical consistency vs inconsistency in educational philosophy, flexibility in teaching, high school teachers, 57:4315
matching by interpersonal needs, reduction of incompatibility, 9th & 10th grade students & teachers at college-prep school, 55:8203
measured & perceived needs & perceptions of their athletes' needs, winning vs losing high school football coaches, 57:4294
middle class life styles, high school teachers, Mexico, 55:9549
modes of adaptation to school conflict resulting from community Mexican American confrontation, high school teachers vs administrators, 58:10191
modularized/individualized secondary educational psychology program, secondary teachers & students, 53:12437
National Teacher Examination scores & demographics, high school teaching effectiveness, teachers, 56:4736
nature of judging Ss & grade level of students, reinforcement preferences, elementary & middle & high school teachers, 53:8235
occupation & race & sex, psychological needs & occupational values & concerns about work traits & job characteristics, Ss in social work & radiological technology & secondary social studies teaching, 57:9224
openmindedness, initial bureaucratic orientation & subsequent deference to norms after 1 yr of teaching, beginning elementary & secondary school teachers, 56:8637
opinions on teacher participation in decision making, elementary & secondary teachers vs principals, 58:12390
organizational climate & S morale, secondary school teachers, 58:6191
organizational climate, job satisfaction, teachers in rural vs suburban high schools, 56:2800
participation in Adlerian theory seminar, attitudes toward students & articulation of effective solutions to behavior problems & democratic classroom performance, elementary & secondary school teachers, 55:10719
participation in career education programs, attitudes toward career education in schools, elementary & junior high & high school teachers from rural environment, 58:10270
participation in IOTA workshop & teaching experience & sex, attitude change toward role of teacher in humanizing instruction, elementary vs secondary teachers vs student teachers, 58:1997
participation in project physics institute & teaching experience, attitudes about teaching process & profession & changes in teaching strategies, high school physics teachers, 57:13651
perceived participation in school management, morale, black vs white high school teachers vs students, 56:10560
perceived role of female high school physical education teacher, college physical education majors & faculty & high school principals & teachers & physical education teachers, 58:2000
perception of principal's role, evaluation of principal, high school teachers, 55:2984
perception of role of secondary school counselor, principals & counselors & teachers, 55:2946
perception of school as work environment, elementary & secondary school teachers & school board members, 54:10452
perception of school organizational environment, high school students & teachers, 55:13055
perception of teacher effectiveness by other teachers & students & principals, classroom verbal interaction patterns, secondary school teachers, 55:13029
perception of teachers' pupil control ideology & behavior, high school teachers & their students, 58:12652
perception of use of multi-ethnic instructional materials, secondary school science teachers, 58:6169
perceptions & attitudes toward teacher coordinators, secondary distributive education students, 58:12671
perceptions of actual vs stereotypic teacher personality characteristics, high school teachers & students, 55:10656
perceptions of authoritarian-democratic attitudes & practices of retired military teachers, secondary school social studies students vs career teachers vs retired military personnel employed as social studies teachers, 55:13075
perceptions of crucial problems & issues in school & community, inner city senior high school teachers vs students vs parents, 55:12942
perceptions of environmental press & pupil control ideology, flexibly-modular vs conventionally scheduled high schools, high school teachers, 55:7892
perceptions of job satisfaction & teacher–student relations & school status & successful teacher attributes & student characteristics, teachers from de facto segregated high schools, 53:8213
perceptions of leadership behavior & values & pupil control ideologies of principals, high school teachers vs principals, 57:11281
perceptions of learner goal priorities, parents vs secondary students vs educators, 57:11196
perceptions of principal leadership style, teacher performance, high school teachers, US vs Greece, 57:13640
perceptions of real & ideal roles of high school disciplinarian, high school administrators vs disciplinarians vs teachers vs students, 56:1340
perceptions of role of District of Columbia senior high school teacher, high school administrators vs principals vs teachers vs students vs professors in teacher education programs, 58:6155
perceptions of school district organization, educational administration vs school district central office staff vs elementary & secondary principals vs teachers, 55:13079
perceptions of secondary school counselor's role & function, school administrators & high school students & teachers & counselors & counselor trainees, 55:8347
perceptions of self needs for teaching human sexuality, high school teachers, 58:12431
perceptions of sex role stereotyping & administrative career aspirations, secondary female teachers, 58:6170
perceptions of social studies programs in Kentucky high schools, students & teachers & administrators & outside Os, 56:2774
perceptions of tasks of Catholic education, 9th graders vs teachers vs parents, 58:12561
perceptions of teacher communication behaviors & effectiveness, 7th–12th grade students & teachers, 55:5605
perceptions of use of drugs, junior high vs high school students vs teachers vs parents vs college students vs faculty, 58:11620
personal & background characteristics & perceptions of preferences & achievement, high school teachers & their students, 58:6124
personal & organizational & job satisfaction variables & expressed values & perceived decision making participation & educational attitudes, high school teachers vs principals, 56:10565
personal & perceptual & motivational factors, prediction of aspiration level toward administrative roles in education, male vs female elementary & secondary teachers, 58:4170
personal characteristics & home & school environments & financial situation & military draft & peer & teachers' & guidance counselors' & administrators' influences, decisions concerning attendance vs nonattendance at post-high school educational institution, rural male high school graduates, 55:10643
personal characteristics & perceptions of effectiveness of selected personnel services, elementary vs secondary teachers vs principals vs central office administrators, 58:8214
personal values & subject-matter teaching assignments, perception of primary tasks of secondary schools, high school teachers, 55:13043
personality & educational philosophy & classroom behavior, teachers in comprehensive high school, 58:1996
personality orientation, discussion group teaching style, junior & senior high school home economics teachers, 57:8969
personality traits, classroom interaction style, secondary school teachers, 55:13071
personality traits, job satisfaction, male vs female & experienced vs less experienced & elementary vs secondary teachers, 55:10690
personality traits, popular vs unpopular secondary school teachers, 56:8635
personality traits, preservice male secondary vs elementary teachers, 57:1894
Personality Types & Occupations questionnaire, need satisfaction potential of high school teaching, prospective secondary teachers, 54:8294
positively influenced teacher & student expectations of student success, science academic achievement, 10th grade teachers & students, 55:3184
power & human relations intervention strategies, introduction of teacher & counselor accurate empathy training for behavioral contracting with students, secondary school teachers & counselors, 57:6699
praise & ignore vs punish, disruptive & appropriate classroom behavior, white male adolescents & teachers, 55:12698
presence of O, teacher verbal behavior as perceived by students, 8th–10th grade teachers, 58:8190
principals' authentic vs leader behavior as perceived by secondary school principals vs teachers, 55:2958
professional zone of acceptance & perceived leadership of their principals, high school teachers, 55:7933
psychologist-teacher collaboration, development of team teaching high school psychology courses, 54:10529
pupil control ideology, self acceptance & acceptance of others, elementary & middle & high school teachers, 55:12984
ratings of & pupils' controllability of sources of scholastic achievement, teacher expectations, high school teachers & principals, 58:8225
ratings of secondary mathematics teachers' effectiveness & classroom personality patterns, assistant director of secondary education & mathematics coordinators & school principal, 56:1342
reactions to value of feedback from Teacher-Image Questionnaire used by students vs department chairpersons vs principals in helping Ss work effectively with students, high school teachers, 57:13601
recognition of & reaction to early adolescent social & psychological needs, elementary & junior high & high school teachers, 58:8201
reliability & validity & establishment of norms for Student Evaluation of Seminary, instrument, student evaluation of teacher effectiveness, 9th–12th grade students in seminary schools, 55:3292
school counseling workshop, facilitation of open communication & positive interpersonal school climate, teachers & high school students, 54:8323
school crossovers to achieve racial balance, job satisfaction, secondary mathematics & English & social studies & science teachers & selected elementary school teachers, 55:7942
school delinquency rate, perceptions of peers & teachers, 9th–12th grade males in high vs low delinquency schools, 57:4388
school location, perceived classroom problems, beginning secondary teachers, 56:1329
school organizational climate factors, morale & absence frequency & perceptions of school facilities & services, elementary & secondary school teachers, 57:6715
schools' & teachers' stated & derived cognitive educational objectives in American history classes, 55:8036
self & student & principal evaluations of teachers holding MA vs BA degrees, high school teachers, 56:2825
self acceptance & acceptance of others, humanism in pupil control ideology, elementary vs middle vs high school teachers, 57:13593
self actualization level, pupil control ideology, elementary & secondary school teachers, 55:7928
self concept & philosophic orientation, black vs white elementary & secondary school teachers, 55:2988
self concept & prejudices toward minority groups, prospective elementary & secondary teachers, 58:10264
self concept & professional practices & perceptions of exclusion from social & professional interactions with colleagues, female secondary mathematics & science teachers vs male & female teachers in other curriculum areas, 57:11297
self concept, ability to establish teacher-pupil rapport & effectiveness of student teaching, male vs female prospective secondary vs elementary student teachers, 55:12998
self evaluation technique, evaluation of teacher performance, high school secretarial business education teachers, 56:8634
sex & age & educational background & teaching & industrial experience & subject area, preferred environment & job satisfaction, high school vocational arts faculty, 58:4199
sex & experience & grade level taught & stability of teaching behavior & inservice training aimed at reducing learner inattention, effectiveness in reduction of inattentive behavior & responsiveness to training, elementary vs secondary teachers, 57:1900
sex of teacher & speaker & perceived differences in sex roles, criticism of classroom speeches, high school speech teachers, 58:10255
sex role stereotyped attitudes concerning teacher–subject appropriateness, male vs female secondary school teachers, 53:1904
similarity on self actualizing behavior, interpersonal attraction, high school students & teachers, 55:5612
small group discussion project involving teachers & consultant, perceptions of student-teacher relationship, male 11th graders, 58:12656
social intelligence, prediction of teacher effectiveness measured by student ratings, secondary school student teachers, 57:11244
social origins & career commitment during college & occupational attitudes, Norwegian academic secondary school teachers, 55:1294
socially incompetent behavior of students, re-identification & behavior descriptions, junior vs senior high school teachers, followup study, 58:10252
socioeconomic status & grade level & type of subject, perception of teacher behavior, male vs female Indian vs Black vs White high school students, implications for staff evaluation process, 58:12388
socioeconomic status & proximity to university campus, transfer of political & economic & aesthetic & social & religious values, high school students & teachers, 55:2903
socioeconomic stratification of classes, behaviors in multiethnic classrooms, high school teachers & Mexican American & Black & White students, 58:12704
structured vs unstructured instruction & teachers' low vs high conceptual levels, use of cognitive-memory & convergent & divergent & evaluative questions, preservice secondary teachers, 55:10787
student ability types measured by scholastic aptitude tests, perceptual cues used in rating creative problem-solving ability, high school teachers, 53:4125
student opinions & membership in student groups, accuracy of teachers' estimates of student opinions, male & female high school students & teachers, 55:3177
student social adjustment level, value differences, high school teachers & students, 55:10937
student volunteering to ask & answer questions & make statements, teacher questions to volunteers vs nonvolunteers & positive feedback, high school students & teachers, 55:8250
student vs teacher perceptions, student creativity measured by "Something About Myself", high school students, 58:1934
students' ratings of teachers as feedback, teacher effectiveness, high school teachers & students, 55:13405
student/teacher racial & socioeconomic composition & actual vs perceived educational values & student trust, student satisfaction with educational service, high school staff vs students, 56:10697
student-teacher regard & demographics & academic aptitude & achievement & number of yrs in present school, perception of school environment, secondary school teachers & students, 55:12960
suggestions for motivating students, secondary school teachers, 54:8331
Summer Institute for Cultural Awareness, self actualization & perceptions of goal achievement, experienced high school teachers, 58:8177
supervisory approaches of principals, attitudes toward supervision & evaluation & self, secondary teachers, 58:6173
suspension practices, perceptions of effectiveness in control of student misbehavior, urban high school teachers vs administrators vs suspended vs nonsuspended students, 58:6166
teacher ability to articulate nature & influences & underlying assumptions of technology, student awareness of taken-for-granted assumptions to which they have been socialized, social science teachers & students, 56:3002
teacher behavior & characteristics, ability to identify creativity in students & self, 6th & 8th & 11th grade teachers, 55:13086
teacher behavior modification training, teacher verbal behavior, student inquiry, high school students & teachers, 55:1289
teacher characteristics & role perception & conflict, rural high school teachers, Uganda, 57:13595
teacher dogmatism & receptivity to change & selected biographical data & administrator's perceptions of teacher behavior, classroom teachers & counselors & librarians, 55:7954
teacher evaluation practices & perception of & attitudes toward procedures, high school teachers & principals, 55:13007
teacher home visits, attitudes, parents vs faculty vs high school students, 58:6121
teacher humanistic-custodial pupil control ideology, productive work in & outside classroom, high school students, 55:10944
teacher inservice training consisting of group discussion & readings & listening to prerecorded tapes & student group discussion, belief systems, teachers & high school students, 55:10695
teacher judgment as reliable & valid measure of reading difficulty in language of mathematics, secondary mathematics teachers, 56:3072
teacher life changes & performance, student dropouts, high school teachers, 55:5420
teacher needs & student & teacher belief systems & student perception of teacher performance, high school studies & mathematics teachers & students, 55:3164
teacher preferences for & ratings of students, creativity & peer perceptions of their judgments & students' achievement & self concept, high school students & teachers, 58:2145
teacher self actualization & pupil control ideology, elementary vs secondary school teachers, 56:1451
teacher training & experience & educational level, learning principle sophistication & performance, elementary vs secondary school teachers vs noneducators, 55:13088
teacher-directed group counseling, self esteem & congruence of teacher & student perceptions of group climate & achievement of teacher's goals for group climate, high school students & teachers, 55:10943
teachers' perceived participation in decision making & perception of principals' leadership & principals' leadership behavior & perception of teachers' participation, secondary school teachers & principals, 57:13618
teacher-student relationships, urban alternative high school, 57:13900
teaching performance test, effectiveness assessment of performance based prospective teacher training program, secondary-curriculum teacher trainees, 54:10449
timed student responses, teaching behavior, high school teachers, 55:1498
tobacco smoking history, attitudes & behavior toward students' smoking practices & attitudes toward smoking education, elementary & junior & senior high school teachers, 58:1953
trainer's observations of T group dynamics, high school teachers, 58:7914
training in use of systematic behavior observation procedures, perceptions of severe behavior problem children & professional referrals, elementary vs secondary regular vs special education teachers, 58:8185

types & rates of teacher & student questions & teacher verbal approval/disapproval behavior, social studies teachers & high school students, 57:4407
types of verbal feedback used in classroom, 9th & 12th grade social studies teachers, 58:12634
use of teachers in counselor-supportive role, development of close student teacher relationship, high school students & teachers, 56:4975
value systems & norms, assessment of existence of distinct youth culture, 11th & 12th graders & high school teachers, 54:7372
varying numbers & forms of cues, construction of mathematical description of judgments of teacher quality, high school teachers, 56:2780

High Schools
analysis of forestry curriculum supplement, gymnasium school of Sweden, 57:1950
attendance at traditional vs community alternative free school, self concept & future educational & vocational orientation, black high school seniors, 56:8649
attitudes toward junior colleges, high school counselors, 55:2954
attitudes toward sending children to selective high school, male manual workers, Austria, 55:10640
career development program, small secondary schools, 53:12575
case study in leadership situations, leader behavior & leadership styles, principals in independent secondary schools, 56:10561
content analysis & member attitudes & beliefs, high school underground press, principals & underground editors & school editors, 55:1244
content analysis of illustrations in textbooks & teaching materials, sex role stereotyping in home economics curricula, senior high schools, 57:11361
creativity & leader behavior, high school principals, 55:1299
creativity, comprehensive vs continuation high school students, 55:8002
curriculum guide to provide basic course structure, high school psychology, 57:11339
effectiveness of Henderson County Tennessee high school instructional program in preparing students for post high school educational & social educational & social & vocational experiences, 58:8250
forms of secondary school grade organization, effectiveness with respect to growth of academic achievement variables, 10th graders, 55:1436
guidance procedures in secondary schools, role of guidance counselor in observation, 54:8509
high school curriculums & career vs personality development & attitudes & attitude change, vocational guidance concerns, vocational guidance counselors, 53:10540
high school psychology, book, 55:12944
high school type & sex & socioeconomic factors, prediction of academic achievement, college students, 55:13586
high schools, test scores & educational attainment & occupational status, 55:5400
historical origins & growth & underlying ideology, teaching of English in secondary schools, England, 57:13736
implementation of high school guidance center, maximal use of counseling time, 54:4269
intellectual & nonintellectual predictors, high school status, 2nd & 5th graders, implications for educational program planning, 53:4029
interdisciplinary teaching of history & geography & civics & religious knowledge at upper school level, Sweden, 56:8698
interventionist model, psychological services in secondary schools, 57:4474
introduction of innovative language learning laboratory, institution's response as illustrated by system communication patterns, public secondary school, 56:2767
job placement program development, transition from secondary school to work, 53:12665
leadership variables & behavior, school climate, secondary school principals, 57:11224
Life Career Development Program, high school & college counseling program, 54:12618
Opinion Attitude & Interest Survey performance & family background & high school, remaining in vs dropping out of premedical curriculum & medical school acceptance, premedical students, 4-yr longitudinal study, 57:6604
outside observer in high school, usefulness as resource for uncovering structure of school organization, 57:11507
perception of importance of functions of public high school guidance department chairpersons, high school principals & counselors & department chairpersons, 55:5415
perception of role & function of high school counselor, high school counselors & principals & students & counselor educators, 58:4188
perception of senior high school guidance program, community service personnel, 55:1571
perceptions toward selected discipline policies existing in high schools in Southern California, students & parents & educators, 55:8226
precollege psychology, foreign countries, 54:10546
primary vs secondary school principals' concept of education welfare officer's role & desire for 2-way relationship with parents, ability to function effectively as social worker, education welfare officers, 58:8198
professional & personal characteristics & school environment, attitudes toward & perceptions of role as evaluator & influencing factors in teacher evaluation, elementary & secondary school principals, 55:13015
school's goals & home environment, peer status scores, black & white 14–17 yr old students at integrated residential school for disadvantaged, 55:10907
social status composition of high school, subsequent attendance at selective institution of higher education & educational attainment, college students, longitudinal analysis, 57:8957
student characteristics & teacher training & content, high school psychology courses, Canada, 54:10544
students with disciplinary problems & class cohesiveness & integration, high school students & teachers, 56:10693
task analysis, principals in people's high schools vs compulsory schools, 56:1305
team teaching & school organization & architectural design, design of comparative study of upper level schools, Sweden, 55:5406
transfer from regular to continuation high school, attendance patterns & achievement scores, White vs minority students, 58:6325
working with & understanding young children, high school program, 54:4068

Higher Education [See Also Clinical Psychology Grad Training, Clinical Psychology Internship, Dental Education, Graduate Education, Graduate Psychology Education, Medical Education, Medical Internship, Medical Residency, Postgraduate Training, Psychiatric Training]
accelerated & individualized school programs & early college admission, facilitation of educational development, mathematically precocious youth, 56:4905
administration & political problems in implementation, college credit granted on basis of achievement of competencies, 54:6294
advanced management education, discrimination study of psychological impacts, experienced practitioners, 57:4549
affective imagery, approach to transpersonal consciousness, techniques for use in higher education, 55:5479
age & educational background, higher education curriculum interests, Ss aged 62 yrs & older, 57:6643
age & income & employment history & nursing education, continuing education needs & participation, nurses, 58:1850
algorithmic prescription, collective decision process for preselection problems in higher education, Belgium, 54:10431
alternative goals of higher education, implications for evaluation of learning, 54:8391

tutoring/counseling training, counseling & tutoring skill development & goal realization & awareness of sources & techniques of referral, tutors in higher education, 58:8224
types of influences in college education, moral development, 55:1249
undergraduate course on interface of mental health & criminal justice, 53:8302
use of multiplier effect in continuing professional development, Michigan school psychologists, 55:7835
views on decision making & governance & collective bargaining, trustees of institutions of higher education vs chief faculty union officers, 57:13660
world of work & relationship to undergraduate liberal education, 58:4139

Highway Safety
age & sex & time on job & traffic violations & supervision & job satisfaction & physical environment characteristics, injury rate, naval ammunition depot personnel, 54:2108
age, hazard perception during automobile driving, 16–70 yr old drivers, 56:3145
alcohol & drugs & driving & driver education & road factors & research priorities, road traffic safety research seminar, New Zealand, 58:12845
alcohol impairment in highway fatalities, North Carolina, 1972, 53:10638
angular motion & apparent size or brightness of taillights in darkness, perception of lead vehicle movement, 57:4582
avoidance conditioning of response latency & force of response, caution behavior, drivers, implications for highway safety, 57:2120
barbiturates, driving behavior, literature review, 56:3643
bike lanes, types & frequency of bicycle-automobile accidents, 58:2395
criteria in ergonomic studies of highway security, categorization of accidents & near accidents in terms of driver-vehicle systems, 53:8516
definition of safety criteria & accident categorization, ergonomic studies of road safety, 53:10637
different colored reflectors on street markers for right & left sides of street, judgments of road course, highway patrolmen, 53:12762
driver education using fear arousal, safety attitudes & simulator performance, high school students, 56:8667
driver improvement program & personality & attitudinal factors, driving behavior, problem drivers, 58:6440
driver performance measurement based on dynamic driver behavior patterns in changing traffic situations, high school student drivers, 56:1558
driving record, caution profile, male college students, 53:12767
drug use, driving risk, high school students, 56:3964
establishment of minimum luminance level for automobile instrument panels, 45–67 yr olds wearing glasses & 46–66 & 17–24 yr olds without glasses, 56:8896
evaluation of Alcohol Safety Action Project Law Enforcement/Driver Control subsystem, alcohol-related traffic enforcement & project vs regular patrol performance & frequency of drivers contacted & total traffic enforcement contact, 56:8819
habitual driving responses, appropriate avoidance response in emergency situation, pairs of male drivers, 55:1684
highways with 2 vs 4 lanes, lane position maintenance, automobile drivers, 54:8640
identification of Canadian traffic signs using multi-target confidence-rating procedure, interpretation of d prime values & signal detection theory analysis, female 23 yr olds, 56:10897
individual differences in field dependence, auto safety, literature review, 56:6942
information about time-to-collision, visual control of braking, implications for safety theory, 57:11875
length estimation of highway guidelines & spaces, 16–79 yr old males & females, 55:11186
light reduction due to headlamp dirt, frequency & visibility effects, 53:8520
marihuana, driving behavior, literature review, 56:3638
marihuana usage, driving frequency & charges & accident involvement, college students, 53:10645
methodologies, evaluation of traffic safety programs & impact on motor vehicle crashes, 57:2114
motivation to use traffic signs, perception of highway traffic signs & safe driving, 20–33 yr old drivers, 53:10648
multidisciplinary approach to 'handicapped drivers' potentials & problems, national symposium summary, 54:7949
narcotic drugs, driver safety records, literature review, 56:3717
negative aspects of driving test, implications for revision, Australia, 55:11188
official action at end of driver improvement interview, moving violations & driving accidents, problem drivers, 53:10642
operator experience & attitudes & knowledge of traffic laws & safety practices, bicycle–motor vehicle accidents, bicyclists & motorists, 53:12754
photo-optic system to record driver lateral positioning on highways, design & implementation & use, 56:10896
physical construction of lamp housings & flash patterns & intensity of roof-mounted emergency lights, distance visibility threshold in daylight, 56:6945
positive vs negative vs combination instruction, teaching safe driving behavior in simulated emergency situations, high school student beginning drivers, 55:8076
public opinion about seat belts, case study in application of clinical-quantitative strategy for public opinion research, 58:10803
road characteristics & driver perception & expectation & decision factors, traffic accidents, 53:10649
road markings to indicate radius of approaching curve, driving performance in simulator, male college students, 57:14133
road safety problems diagnostic, newly qualified drivers, 14-mo longitudinal study, 58:8537
rotation of automobile controls, recognition time for pictographic symbols, college students, 58:2391
self-report vs observation of exposure to risk as pedestrian, 5–11 yr olds, 53:10641
sodium vs mercury lit roads, signal detection, 53:2098
speed & distance from intersection when light turns yellow, probability of proceeding through intersection, drivers, 56:1560
standard 2-dimensional vs hooded standard vs curved traffic signs, signaling efficiency & correct response during rush hr vs nonrush hr, 57:2119
straight vs curved road negotiation, eye movements & fixations, college student drivers, recommendations for road design safety, 58:8536
studded tires as technical safety measures, driver reactions, 57:7078
target brightness & position, visual search performance, implications for vehicle speed & collision analysis, 58:254
traffic sign alone vs with visual loading task vs with visual loading task & visual distraction, RT to identify & classify traffic sign messages, college students with 5 or more yrs of driving experience, 57:2113
use patterns & effects & experiences related to driving, marihuana use & alcohol consumption prior to or during automobile driving, freshmen college students, 53:11564
vertical traffic signs with numeral vs arrow types of information & sign location & color contrast, sign identification, 21–51 yr olds, 57:9250
vigilance as safety factor, automobile driving, 57:2116
warning letters, improvement of future collision & conviction rates, prenegligent drivers, 56:1557

Hinduism
aging, artistic creativity, male Brahmin folk painters, India, 55:9372
authoritarianism & anxiety & caste status, religious prejudices, Hindu vs Muslim college students, 57:8070
ethnocentrism, causal attribution of desirable vs undesirable acts, Hindus vs Muslims, India, 53:5049
guru-disciple vs Jungian analyst-analysand relationship & self realization vs individuation, 57:10082
intrafamilial interpersonal environment, schizophrenic patients of Hindu families, India, 58:3495
marital age & age difference between spouses & income & sexual satisfaction & education, marital happiness, Hindu females from upper middle & middle class nuclear families, 54:9507
monetary reward & punishment, perceptual organization under perceptual learning conditions, Indian Hindu vs Muslim vs American white 8–12 yr olds, 54:2811
psychological characteristics & life experiences, acceptance of Hinduism & guru, devotees to American guru, 54:879
religious attitude, anxiety & authoritarianism & conformity & dependency, male Hindu college students, 58:9574
religious belief intensity, extent of supernatural beliefs, Hindu & Sikh students, India, 54:9440
social character of women in changing Indian society, upper & middle class Hindu housewives & women professionals, India, 55:4351
techniques from Buddhist & Hindu traditions & Yoga breathing, test anxiety, students, implications for mental health field, 57:1542

Hippies [See Subculture (Anthropological)]

Hippocampus [See Also Amygdaloid Body]
acetoxycycloheximide, hippocampal response to mesencephalic stimulation & spontaneous bioelectrical activity of hippocampus, male mice, 53:4763
acquisition of brightness discrimination, fucose incorporation into hippocampus, male rats, 56:7401
ACTH & corticosterone during 2 critical neonatal periods & electrical stimulation of hippocampus & septum, circadian periodicity of stress-induced pituitary-adrenal responsiveness & circadian plasma corticosteroid rhythm, rats, 56:9486
active avoidance relearning performance 5 min vs 1 vs 24 hrs after training, ventral-hippocampal vs sham-operated male albino rats, 54:9108
age & respiratory infection, hippocampal theta rhythm during exploratory sniffing, 4–9 vs 20–26 mo old rats vs 12–14 wk vs 14 mo old hamsters, 57:2627
amygdaloid & dorsal hippocampal & anterior cortical & olfactory bulb & anterodorsal caudate nucleus & septal lesions, rearing behavior, male rats, 57:7737
amygdaloid vs hippocampal lesions, central cholinergic mediation of shock-induced aggression & pain sensitivity, male rats, 56:7457
anatomical & behavioral mapping, rhythmic slow wave activity in hippocampus, rats, 57:9742
application of gamma-aminobutyric acid & noradrenaline & serotonin & their antagonists to dorsal hippocampus, latency of avoidance reaction, rats, 53:9017
argument for recognition memory in animals & effect of hippocampal lesions on recognition vs associative memory, 57:12140
arousal from sleep & wakefulness, hippocampal unit activity to tonal stimuli, male rats, 54:4641
asparate & glutamate, transmission of excitatory hippocampal afferents, 56:3556
associational vs motivational variables, hippocampus vs ventromedial hypothalamus vs motor cortex neural responses, male rats, 56:7407
atropine & diethyl ether & urethane & pentobarbital, types of hippocampal rhythmical slow activity & relations to behavior, rats & rabbits, 55:6590
atropine & eserine & phenothiazines & amphetamine, neocortical & hippocampal activation in relation to behavior, male rats, 53:9122
atropine sulfate & development of hippocampal electrical activity, behavioral correlates, rats & guinea pigs & rabbits, 58:11265
atropine vs physostigmine, spontaneous behavior & cortical or hippocampal EEG, rats, 57:5338
auditory & visual stimulation, tonic & phasic excitatory responses in hippocampus, rabbits, 53:449
autopsy findings, partial left temporal lobectomy, hippocampus's role in experiential recall, 2 patients, 53:5738
avoidance conditioning & pseudoconditioning, RNA metabolism of hippocampus & neocortex, rats, 53:2494
bilateral alvear lesions in dorsal hippocampus & neocortical lesions, avoidance performance in shuttlebox, male rats, 56:5623
bilateral hippocampal administration of carbachol & diisopropyl fluorophosphate & arachis oil, single trial alternation performance, male rats, 53:9003
bilateral hippocampal vs cortical lesions, single alternation, rats, 55:6501
carbon dioxide, gradient of retrograde amnesia for passive avoidance response & hippocampal monoamine metabolism, male rats, 55:11807
cerebellar control, electrical activity in lateral geniculate bodies & hippocampus & lateral rectus muscles of eyes during sleep-waking cycle, cats, 56:3547
cerebral administration of somatotropin release inhibiting factor & analogs into hippocampus, stereotyped behavior & sleep-waking cycle & EEG, male rats, 56:9594
cholinergic stimulation, seizure development pattern & sensitivities of amygdala & caudate & hippocampus, male rats, 54:2521
classical conditioning of nictitating membrane response, neuronal activity in dorsal hippocampus, rabbits, 58:540
comparison of potentials evoked in hippocampus & preoptic region during recruiting & after post-tetanic potentiation & amygdaloid kindling, male rats, 55:3965
consummatory behavior elicited by electrical stimulation or norepinephrine stimulation of neocortex or hippocampus, EEG & direct current activity & cortical spreading depression, male rats, 58:2927
current intensities & reinforcement magnitude, minimal current intensity of hippocampal stimulation for production of retrograde amnesia, male rats, 53:2564
delta-9-tetrahydrocannabinol & morphine & ethanol infusion into hippocampus & caudate nucleus vs ip injections, induction of conditioned taste aversion, male rats, 58:7070
depletion of cortical & hippocampal noradrenaline by 6-hydroxydopamine, acquisition & extinction of runway response & leverpressing & successive light-dark discrimination task, rats, 58:3008
desglycinamide lysine vasopressin, hippocampal serotonin metabolism & carbon dioxide induced amnesia following passive avoidance response, rats, 58:3020
different activation levels in brain, theta rhythm in neocortex & hippocampus following sound stimulation, rabbits, 57:5145
differential classical conditioning with tones as conditioned stimuli & eye shock as unconditioned stimulus, corneo-retinal potential & heart rate & hippocampal EEG conditioned responses & general somatic activity, rabbits, 53:4593
differential hippocampal lesions, latent inhibition, rats, 58:11213
diphenylhydantoin & diazepam, post-tetanic potentiation of evoked potentials in hippocampus & responses to single stimuli, rats, 57:778
dorsal hippocampal lesions, blocking & conditioned inhibition of nictitating membrane response, rabbits, 58:9094
dorsal hippocampal lesions, conditioned suppression of licking response, male rats, 53:4627
dorsal hippocampal lesions, effects of amphetamine & irrelevant stimuli & prior exposure to stimuli on locomotor activity, male rats, 55:11742
dorsal hippocampal lesions, habituation of orienting response & arrest-reaction to auditory stimulus & locomotor & rearing activity & exploratory head-dip responding, rats, 57:5280
dorsal hippocampal lesions, maze response perseveration, male rats, 57:9801
dorsal hippocampal lesions, responsiveness to distracting stimulus & reactivity under different response conditions, male rats, 55:9227
dorsal vs ventral vs total hippocampal lesions, behavioral effects in maze & brightness discrimination & avoidance learning & motor activity, rats, 58:651
dorsolateral hippocampal vs neopallial bilateral lesions, spontaneous alteration in maze & open field activity over 6-wk period, rats, 57:9807
electrical hippocampal stimulation, conditioned reflexes & delayed reactions, cats, 55:9205
electrical hippocampal stimulation, theta rhythm & motor activity & heart rate, dogs, 55:9210
electrical stimulation of dorsal hippocampus, learning of brightness discrimination, male rats, 55:11714
electrical stimulation of dorsal hippocampus, thresholds for evoking EEG epileptiform activity during different stages of sleep-wakefulness cycle, 58:640
electrical stimulation of entorhinal cortex, long term potentiation of perforant path-granule cell synapse in hippocampus, male rats, 55:383
electrical stimulation of nucleus locus coeruleus, cellular discharges in hippocampus & self stimulation & action of norepinephrine, male rats, 56:345
electrical stimulation of nucleus locus coeruleus & loud auditory stimulus, hippocampal neuronal responses in conditioning paradigm, rats, 56:346
electrical stimulation of septum & caudate nucleus, behavior inhibition & relation to hippocampal EEG, rabbits, 55:9207
electrical stimulation to dentate gyrus of dorsal hippocampus, acquisition & reversal of simultaneous visual discrimination, male rats, 55:11713
electrodes implanted in dentate gyrus of hippocampus, long- & short-term memory in avoidance task, male mice, 53:6767
electrolytic lesions of various hippocampal subfields, long & short term memory, male mice, 54:2493
electrolytic or 6-hydroxydopamine lesions of locus coeruleus & dorsal tegmental noradrenergic projection, maze learning, male rats, 56:1991
entorhinal lesions & commissural stimulation, extracellular field potentials & monosynaptic potential, male rats, experimental test of diaschisis theory of function recovery, 58:633
environmental manipulations, firing of place units in hippocampus, male rats, 56:3558
evoked potential & histological techniques, ascending projections of cerebellar fastigial nucleus to hippocampus & amygdala & temporal lobe sites, monkeys & cats, 53:4549
exogenous glucocorticoids, hippocampal theta rhythm, male rabbits, 55:4135
fatigue, hippocampal electrical activity during long-continued avoidance performance, male rats, 53:8890
feedback training of 36-44 Hz EEG activity in left visual cortex & right hippocampus, immobility associated with reinforcement acquisition, cats, 58:6982
ferric ions located in hippocampal subfields, behavioral deficits in avoidance task performance, mice, 55:6441
fimbria-fornix lesions, sexual-social activity & open field activity, male vs female guinea pigs, 58:7062
fornix lesion, avoidance conditioning, male rats, 55:6499
fornix lesions, selective abolition of place learning, male rats, 55:403
free & membrane-bound ribosomes & polysomes in hippocampal neurons during & after acquisition of brightness discrimination task, male rats, 54:6917
free behavior vs behavior induced by stimulation of 2 hypothalamic-hippocampal systems, hippocampal electrical activity, cats, 55:11707
frequency analysis, hippocampal EEG during voluntary & automatic & immobile behavior, free-moving male rats, 54:4632
functions of hippocampus & limbic structures, information storage, nonanesthetized rabbits, 58:11146
high frequency stimulation of medial vs lateral hypothalamus, septal vs hippocampal EEG, cats, 56:1980
hippocampal & amygdaloid lesions, tone stimulus control of light discrimination learning, male rats, 53:4626

hippocampal ablation, latent inhibition & stimulus generalization of classically conditioned nictitating membrane response, rabbits, 55:6522
hippocampal ablations, tonic immobility response prolongation, rabbits, 53:9026
hippocampal cholinergic activity & its reduction by subseizure electrical stimulation of hippocampus, barpress response acquisition under continuous reinforcement, male mice, 57:7722
hippocampal EEG & muscle tonus & body movement during slow-wave sleep, female cats, 55:9157
hippocampal granule cell deficits due to localized X-irradiation, activity & dyadic behavior, male rats, 56:323
hippocampal lesion location, activity changes, male rats, 53:8992
hippocampal lesions & adrenalectomy, diurnal fluctuations in open field activity, male rats, 58:9085
hippocampal lesions & delay of reinforcements, acquisition of spatial response in Y maze, male rats, 55:9233
hippocampal lesions & dexamethasone vs ACTH, activity & passive & active avoidance, male rats, 58:614
hippocampal lesions & retention task with vs without interpolated activity, relearning preoperatively acquired task, male rats, 54:11193
hippocampal lesions & situational cues, passive avoidance learning & extinction, rats, 58:7068
hippocampal lesions, activity & body weight & performance on differential reinforcement of low rate schedule & extinction & corticosterone levels, male vs female rats, 53:4644
hippocampal lesions at 12 vs 30 vs 50–60 days postpartum, reversal & passive avoidance learning, rats, 56:374
hippocampal lesions before vs after exposure to to-be-discriminated stimuli, transfer of cues in discrimination task, animals, 55:6487
hippocampal lesions, conditioned taste aversion & passive avoidance, male albino rats, 55:401
hippocampal lesions during rearing, transfer of perceptual learning, male rats, 54:515
hippocampal lesions, general activity during classical & pseudoconditioning, rats, 55:4065
hippocampal lesions, learned taste aversion, male rats, 55:4070
hippocampal lesions, locomotor & consummatory responses, male rats, 57:687
hippocampal lesions, performance on geometric progressive ratio schedule, rats, 56:3675
hippocampal lesions, taste aversion conditioning to physiological saline & aversiveness of novelty in drinking fluid, rats, 56:5618
hippocampal microinjections of dextroamphetamine & scopolamine, active avoidance behavior, male rats, 53:8993
hippocampal or intrahypothalamic injections of anticholinergic compounds, operant responding in schedule of reinforced & punished & nonreinforced components, male rats, 55:4153
hippocampal perforant paths lesions, maze performance & functional recovery, male rats, 55:6517
hippocampal role, inhibition & learning & memory consolidation in shuttle box conditioning & pseudo-conditioning tests, weanling vs adult rats, 54:9233
hippocampal seizure & afterdischarge, psychosis, 53:9773
hippocampal seizure afterdischarge, retention of passive or active avoidance or barpressing habit, rats, experimental model of transient global amnesia, 55:11711
hippocampal self stimulation during simultaneous stimulation of positive & negative emotional centers in cortex, rats, 55:9208
hippocampal stimulation, acquisition & extinction & generalization of conditioned suppression, male rats, 55:6477
hippocampal stimulation duration, reminiscence, 2 strains of mice, 56:337
hippocampal stimulation, passive avoidance, 2 strains of mice, 56:340
hippocampal theta activity abolition by medial septal lesions, drug-learning dissociation following training with alternating saline & pentobarbital sessions, male rats, 58:11179
hippocampal theta rhythm disruption by medial fornical lesions, normal jump avoidance performance, rats, 55:4067
hippocampal vs hypothalamic stimulation induced feeding, situational control over ingestive behavior, male rats, 56:343
hippocampal vs neocortical lesions vs sham operations, taste-aversion learning, rats, 53:569
hippocampal vs neocortical lesions, open field locomotor activity & plasma corticosterone levels, male rats, 56:5615
hippocampal vs prefrontal cortex lesions, emotionality & serial spatial reversals & spatial probability & differential reinforcement of low rates & barpress extinction, male rats, 53:571
hippocampal x-irradiation-produced granule-cell agenesis, instrumental runway performance, male rats, 53:6770
hippocampectomy, brightness discrimination with reinforcement for choosing brighter vs dimmer alternatives, male rats, 53:4613
hippocampectomy, reinforced vs nonreinforced pattern running & extinction, male rats, 56:7475
hippocampectomy, sleep patterns, male cats, 54:538
hippocampus & contextual retrieval of information from memory, theory of information storage within specialized memory, 53:8857
hippocampus lesions, attention & discrimination reversal, rats, 55:4063
hippocampus lesions, blocking & conditioned inhibition of nictitating membrane response, rabbits, 58:11218
hippocampus lesions, memory & emotions, 54:9206
hippocampus lesions, minicomputer monitoring of social behavior, male mice, 56:356
hippocampus lesions, visual discrimination learning & transfer, male rats, 53:6790
hippocampus vs cortical lesions, inhibitory control of attention, rats, 55:9228
hippocampus vs prefrontal cortex lesions, species-typical behaviors, cats, 53:2573
hormonal mediation, facilitation of shuttlebox avoidance performance, rats with hippocampal vs septal lesions, 57:2690
hypothalamic-hippocampal stimulation, free behavior & operant task performance & hippocampal theta rhythm, cats, 57:7719
injected curare, depth profile of hippocampal theta rhythm, rats, 55:11823
injections of 6-OH-dopamine-HBr into septal area prior to hippocampal lesions, water consumption & open field activity & passive avoidance responding & DRL performance, rats, 56:9451
insulin pretreatment, avoidance conditioning & freezing & struggling behavior after dorsal hippocampal lesions, male rats, 56:9456
intrahippocampal injection of potassium chloride & labeled-H-orotic acid, spreading of solutions, rats, 53:11134
intrahippocampal methylscopolamine, exploratory behavior, lines of mice selectively bred for frequent vs less frequent rearing responses, 54:4769
intraventricular anticholinergics, cholinergic hippocampal rhythmical slow activity & neocortical desynchronization, male rabbits & rats, 57:5417
irrelevant intertrial task, pattern discrimination & Y maze performance, hippocampal vs sham lesioned rats, 53:535
kindling of motor seizures from hippocampal commissure, male rats, 56:342
lesions of fornix vs subiculum, learning tasks, male rats, 53:6778
lesions of septum & dorsal hippocampus & food pellet omission & noncontingent reinforcement, response rates under fixed-interval reinforcement schedule, male rats, 53:567
levels of water deprivation & carbachol stimulation of dorsal hippocampus, conditioned saccharin aversions, rats, 55:11805
lithium & serotonin & noradrenaline & gamma-aminobutyric acid & electrical stimulation of pyramidal cells in locus coeruleus, electrical activity & neurochemical responses, rats, 53:6871
localization & anatomical identification of theta & complex spike cells in dorsal hippocampal formation, rats, 55:6373
long term potentiation in intact anesthetized hippocampal preparation vs hippocampal slice preparation, neural mechanism of plasticity, male rats, 58:4577
mechanisms in rostral portions of 2 subcortical systems, control of arousal & activity & exertion, 58:11138
medial prefrontal cortex lesions, fiber degeneration routing to hippocampus, monkeys, implications for learning & memory, 56:9514
medial septal nucleus lesion & peripheral stimuli & iteration, hippocampal neuronal activity & septal modulation & habituation, rats, 58:654
metamizyl, neuronal activity of dorsal hippocampus, 54:4827
method for recording hippocampal theta electrical activity, freely-moving rat, 55:5883
methylphenidate, temporal variability in hippocampal theta rhythms, female cats, 54:2546
models, mammalian hippocampal biology, 55:319
morphological changes in cerebral cortex & hippocampus & diencephalon & hemispheric dominance, rats, 54:6852
neocortical & dorsal hippocampal biopotentials, internal inhibition, rabbits, 55:9099
neurotropic drugs & electrical stimulation of hippocampus, short term memory, dogs & rabbits, 55:2015
nicotine & metyrapone, plasma corticosterone & hippocampal 5-hydroxytryptamine, stressed vs unstressed male rats, 54:4775
noncontingent preshock, learned helplessness & shock escape conditioning & gross body activity, hippocampectomized albino rats vs cortical vs unoperated controls, 54:9099
novelty & frustrative nonreward, hippocampal EEG, male rats, 53:2456
odorant presentations, temporal relationships between rhythmical slow wave activity in dorsal hippocampus & stereotyped sniffing, male hamsters, 54:8952
operant training to leverpress during 1 discriminative stimulus & to lick during another, dorsal hippocampal rhythmic slow activity, male rats, 57:593
orienting & arousal, hippocampal unit responses, male rabbits, 53:448
orienting to novel stimuli & arousal from sleep, hippocampal unit activity, animals, 55:3961
paralysis produced by curare or gallamine neuromuscular blockade or urethane anesthesia, neocortical & hippocampal EEG activity, rats, 58:11373
partial or total hippocampal perforant path sections, avoidance & locomotor behavior, male rats, 55:11740
patterns of hippocampal astroglial hypertrophy & neuronal degeneration, young vs aged memory deficient rats, 58:547
patterns of hippocampal single cell activity, rats, 55:9122
pentobarbital &/vs scopolamine dosages, spontaneous alternation & hippocampal electrical activity, female rats, 58:680
peripheral stimulation & lesions of medial septal nuclei, evoked activity of single neurons in hippocampus, male rats, 58:9088
pharmacological observations, role of hippocampal & autonomic pharmacology in performance & learning, 54:4711
photically evoked after-discharge occurrence, relation to dorsal hippocampal EEG patterns, rats, 53:8873
physostigmine & orientation reaction, power spectral density of hippocampal theta activity during rhombencephalic sleep, rats, 57:5381
pilocarpine & nicotine, short term memory & excitability level of hippocampus circle structures, dogs, 55:449
pilocarpine vs physostigmine vs amphetamine dosages, suppression of photically evoked after-discharge & hippocampal EEG & ambulatory activity, rats, 56:3685
postcommissural or precommissural fornix or anterior hippocampal lesions, hyperactivity induced by septal lesions, female rats, 55:4056
posttrial hippocampal & amygdaloid & lateral hypothalamic electrical stimulation, long & short term memory of appetitive experience, male rats, 56:334
posttrial hippocampal stimulation, conditioned emotional response consolidation, rats, 55:4041
prior competitive experience & hippocampal lesions, paired competitive behavior, male rats, 58:9090
psychotropic drugs, short term memory & excitability of dorsal hippocampus & mesencephalic reticular formation & their intracentral relationships, dogs, 54:9134
radioautographic procedure, protein synthesis in hippocampus during spatial reversal task, male rats, 55:6423
relaxed wakefulness vs hippocampal stimulation, beta-wake & photically evoked potentials, rabbits, 57:661
REM sleep vs voluntary movement vs sensory stimulation, depth profiles of hippocampal theta rhythm, rabbits, 55:11634
response-braking model of hippocampal function, criticism of study of J. Altman et al, 54:6903
reversal training, protein alterations & leucine incorporation in hippocampus & sensorimotor cortex, rats, 58:2829
rewarding & aversive brain stimulation, dorsal hippocampal unit & EEG responses, rats, 53:11141
rhythmical hippocampal & olfactory EEG during spontaneous behavior & REM sleep, rats, 57:5139
RT & cortical & subcortical visual evoked potentials during brightness discrimination, monkeys, 57:564
running speed, hippocampal theta activity, male rats, 53:8877
seizure & subseizure posttrial hippocampal stimulation, appetitive operant behavior, male mice, 55:11719
selective disruption of hippocampal output, locomotor & avoidance & maze behavior, male rats, 54:11203
selective hippocampal lesions, anatomical & behavioral analysis of hippocampal cell fields, male rats, 57:7735
septo-hippocampal pathway lesions, avoidance behavior, rats, 58:2968
septum & anatomically related lesions, presence &/or permanence of overresponding on DRL 20-sec schedule, rats, 56:5606
sexual behavior, hippocampal & cortical activity, female rats, 54:4640
shock-induced arousal, elicitation & hippocampal EEG waveform elaboration of photically evoked afterdischarges, rats, 57:662
shriek of seized hen vs tone of equal intensity to shriek, responses of hippocampal neurons, hens, 55:1958
single-stage vs serial destruction of hippocampus, passive avoidance & reversal learning, rats, 57:9806
slow wave sleep, metabolism of 5-hydroxytryptamine in hippocampus & dopamine in striatum & thalamus, cats, 57:5182
sodium amylobarbitone & ethanol & chlordiazepoxide & delta-9-tetrahydrocannabinol, hippocampal theta-driving curve, rats, 56:2024
spontaneous & induced hippocampal theta, generators & topography, anesthetized & freely moving rats, 57:12244
spontaneous behavior & active avoidance conditioning, frequency characteristics of hippocampal EEG, male rats, 53:2468
spreading depression in cortex & striatum & hippocampus, Pavlovian conditioning of eating, male rats, 55:6634
state of consciousness & latent inhibition, hippocampal unit activity during conditioning, male rats, 56:7375
statistical analysis, spontaneous activity of hippocampal pyramidal cells, rabbits, 56:3545
stimulation of dorsal hippocampus, defensive shaking-off conditioned reflexes, rabbits, 53:9014
stimulation of hippocampus, evoked responses in amygdala & preoptic area & ventromedial nucleus of hypothalamus, female rats, 56:3659
stimulation of mesodiencephalic reticular formation & medial & lateral hypothalamus & medial septum, hippocampal EEG changes, cats, 57:2702
strychnine, blockade of caudate & hippocampal inhibition of extralemniscal thalamic unitary responses, cats, 58:2915
subtotal hippocampal lesions, hippocampal electrical activity, male rats, 56:357
transections of fornix system, acquisition of DRL schedule & avoidance task, male rats, 58:4996
undernourishment, reversal of spatial discrimination learning in water maze, development of hippocampus, rats, 57:5257
unilateral hippocampal lesions & cutting optic chiasm, orienting bias to visual or auditory stimuli, male rats, 53:579
uridine-5-monophosphate, incorporation of radioactive leucine injected into hippocampal neurons during brightness discrimination, male rats, 56:2067
ventricular & hippocampal microinjections of dextroamphetamine & scopolamine, active avoidance behavior, rats, 57:767
visual & auditory stimuli, reactivity patterns in dorsal hippocampus, rabbits, 55:9112
visual discrimination task performance, relationship between electrical activity in cortical & subcortical areas, female cats, 58:8992
6-hydroxydopamine, behavior activities & neocortical synchronization & hippocampal theta frequency during light & dark periods, newborn rats, 54:4835

Hips
muscle fatigue localized in knee & hip flexors & extensors, dynamic balance, male 19–25 yr olds, 56:9074
referral source & medical & psychiatric history & social data & diagnostic assessments & casework activity, elderly hip fracture patients, 54:5626

Hiring [See Personnel Selection]

Hispaniola
cultural & structural & organizational & current theoretical developments in study of Latin American compadrazgo, 54:11514
spirit-possession belief & trance behavior, 2 religious cults in Caribbean, 53:5033

Histamine
acute vs chronic administration of morphine vs methadone vs naloxone, concentration & turnover of histamine in hypothalamus, male rats, 54:11237
antidepressants & diphenhydramine & brain content of acetylcholine & histamine, perphenazine-induced catatonia, male rats, 55:416
carbachol vs histamine vs isoproterenol application to medial septal area, drinking & eating & brightness discrimination task performance, rats, 53:4645
diencephalic lesions involving medial forebrain bundle, histamine & l-histidine decarboxylase activity, rats, 53:11121
histaminergic agents, seizure susceptibility, male mice, 56:3710
metiamide, histamine mediation of stress & stress & aspirin-induced ulceration by involvement of histamine H2 receptors, male rats, 56:3691
psychopharmacologic characterization of alarm pheromone Schreckstoff, fathead minnows, 57:2658
rearing in enriched vs impoverished environments, altered brain cyclic adenosine monophosphate responses to norepinephrine vs isoproterenol vs adenosine vs prostaglandin vs histamine, male weanling rats, 58:2904
selective breeding for differential sensitivity to ethanol, adrenocortical response to ethanol & histamine & electric shock, mice, 56:5678
skin reactivity to histamine prior to drug therapy or during drug-free period, schizophrenics & other psychiatric patients, 57:8802

Histidine
diencephalic lesions involving medial forebrain bundle, histamine & l-histidine decarboxylase activity, rats, 53:11121
histidine, serum zinc concentration, anorexia & taste & smell function & mental change & cerebellar function, patients with progressive systemic sclerosis, 55:7653
histidine-free amino acid load, taste aversion, male rats, 53:4693
levohistidine, sleep–waking cycle, patients with intractable narcolepsy, 54:1577
maternal nitromethane injections & histidine high diet, behavioral concomitants of experimental histidinemia, rat offspring, 55:9198

Histology
chlorpromazine, correlation between clinical responses & Histocompatibility Leucocyte Antigenic-SD antigen classification, schizophrenic patients, 57:13341
chronic lithium application, mineral content of bone & soft tissues, female rats, 54:4777
cobalt impregnation, identification of neural pathways in mammalian tissue, 55:11259
evoked potential & histological techniques, ascending projections of cerebellar fastigial nucleus to hippocampus & amygdala & temporal lobe sites, monkeys & cats, 53:4549
experimental technique, permanent documentation of intracerebral electrode sites, 54:4747
histological evidence, direct connections between optic lobes, cockroaches, 55:329
histopathological distribution of intracranial neoplasms, children, North America vs Europe vs Africa vs Asia, 58:5667
lesions of raphe nuclei, tryptophan & tyrosine hydroxylase activity, locomotor activity & startle responses & maze learning, rats, 56:7480
light & electron microscopical & histochemical study, motor nerve cells in spinal cord, hibernating & non-hibernating hedgehog, 57:5151
planimetric volumetry of cerebral hemispheres, normals vs Parkinson's syndrome vs Pick's disease cases, 57:3716
prenatal imipramine exposure & postnatal rearing conditions, behavior & histology, rat offspring, 55:11769
prenatal injection of progesterone, behavioral & biochemical & histological effects, rat offspring, 58:5014
tracing technique & microelectrode recordings, forebrain visual projection, leopard frogs, 53:446
transplantation of embryonic neural tissue, growth & differentiation of transplanted neural tissues, rats, 54:9060
ultrastructure & histochemistry of spinal ganglia, hibernating hedgehog, 57:5147

History
alcohol & alcoholism, US history, 53:1444
alcoholism, pre-Hispanic Mexicans, 53:1429

views of American geologist J. LeConte on theory of evolution, 58:68
violence & aggression, origin of & role in historical & modern times, book, 57:5618
Wallon, H., contribution to development of theories of imitation & emotions & syncretic thought in children & his influence on psychologists & philosophers, 53:10700
wholistic–atomistic controversy history, neuropsychology, 54:4
Wundt/W., scientific history & status of psychology as science, assessment from Marxist & dialectical & historical materialism backgrounds, 56:6977

Hoarding Behavior (Animal) [See Animal Hoarding Behavior]

Hobbies [See Recreation]

Hoffmanns Reflex
H-reflex technique & nonstartling sounds, time course of audio-spinal influences during rhythmic movements synchronized to sound, 18–30 yr olds, 56:5498

Holtzman Inkblot Technique
color preference, color perception on inkblots, endogenous depressives & hypomanics & introverts & extraverts, 54:5475
construct validity, Holtzman Inkblot Technique anxiety & hostility scores, college students, 57:9370
construct validity of trait absorption as measured by Holtzman Inkblot Technique, college students, 57:8313
correlations between Holtzman Inkblot Technique & California Psychological Inventory & Rokeach Dogmatism Scale, assessment of personality dimensions, college students, 56:9943
genetic correlates & sex differences, Holtzman Inkblot Technique responses, mono- & dizygotic same-sex & dizygotic opposite-sex college student twin pairs, 56:747
genetic correlates & sex differences, Holtzman Inkblot Technique responses, twins, discussion of article by D. G. Rice et al, 56:9956
Holtzman Ink Test & MMPI, prediction of aggressive behavior, hospitalized patients, 55:4692
Holtzman Inkblot Technique developmental indices, reading achievement, 2nd & 4th graders, 3-yr-study, 53:2877
Holtzman Inkblot Technique, performance differentiation, brain damaged vs schizophrenic male veterans, 56:8098
Holtzman Inkblot Technique performance, assessment of brain damage, 56:6293
Holtzman Inkblot test as measure of changes in communication patterns between therapist & client, male students, 53:7886
human movement response as measured by Holtzman Inkblot Technique & attitudes toward parent figures, college psychology students, 58:3364
methylphenidate hydrochloride, ratings of talkativeness & psychosis & word associations & Holtzman Inkblot performance before vs during vs after drug, acute schizophrenic vs nonpsychotic patients, 58:5933
pathognomic verbalization on Holtzman Inkblot Technique, differential diagnosis, organics & schizophrenics & neurotics, 56:8097
psychodiagnostic efficacy, Holtzman Inkblot Technique, schizophrenics vs psychoneurotics vs organically ill patients vs normals, India, 58:11787
Q analysis for refinement of diagnostic effectiveness, Holtzman Inkblot Technique, normal vs delinquent & retarded black male adolescents in low socioeconomic neighborhood, 56:3220
regression formula of C. M. Barnes using 2 weighted Holtzman Inkblot Technique variables, assessment of brain damage, brain damaged vs schizophrenic vs normal adults, 56:8264
response length, Holtzman Technique scores & comparison with E. Megaree's results, college students, 56:4096
role expectations during testing, schizophrenic behavior on word association task & Holtzman Inkblot Technique, male psychiatric patients, 57:3466
space response on Holtzman Inkblot Technique, aggression & autonomy as correlates, college students, 57:3365
split-half reliability, Holtzman Inkblot Test variables, schizophrenics & organics & neurotics & normals, 54:5495
state anxiety & threat of shock, Holtzman Inkblot Technique scores, college students, 53:5334
surgery-induced stress, anxiety as measured by Holtzman Inkblot Technique, male 20–65 yr olds, 58:7748

3-mode factor analysis, developmental changes in Holtzman Inkblot Technique, 6 vs 9 vs 12 yr olds, 58:6719

Home Accidents
age & sex & behavioral problems & family characteristics, accidentally poisoned 1–6 yr olds, Egypt, 58:1473
product source & purchase behavior & drug usage & safety precautions, product injuries in the home, families, 57:7009

Home Environment
achievement & personality measures of sons over 10 yrs, socioeconomic & educational resource utilization, migrant mothers & sons, 54:5039
adjustment & coping strategies in deteriorating neighborhood with high-crime & low-income rates, elderly single-room occupants in large city slum hotel, 54:977
aftercare home treatment service vs conventional treatment, costs & rehospitalization, 54:10298
age & intelligence & social class & family situation & number of siblings, academic achievement, 1st–4th graders living at home vs in hostel, 58:10429
age & school adjustment & parental education & motivation & childhood & home & social factors, academic achievement, college students who failed university examination, India, 56:10684
age & sex & income level & size of city of residence & home environment, fear of walking around one's neighborhood, adults, 55:7215
agency vs independent adoptions, childrearing practices & attitudes & home conditions & child's behavior, adoptive parents, 56:9771
alcoholism, mental health & family environment, 53:7646
artwork techniques, play as diagnostic & therapeutic medium, use in classroom & home & store-front clinics, 54:10120
attitudes toward & assessments of married student housing, college student occupants, 57:9275
attitudes toward personal adjustment & intellectual growth & college & university experiences, residential vs nonresidential college seniors, 54:1839
audio-recording methods, assessment of child-deviant & parent-negative & parent-commanding behaviors, 4–10 yr olds referred to child-family intervention program for home-behavior problems, 56:6414
audiotape recorded behavior with observers present or absent, differential reactivity to home observation procedures, families with 4–8 yr olds, 54:6538
background aspects, academic achievement, students at teachers college, 56:2832
behavior modification in home setting, aggression & stealing behavior & parental attitudes, families with predelinquent boys, 57:13304
behavior problems & affectional relationships, institutionally-reared 4.5 yr olds vs home-reared vs adopted children, 54:6144
belief in just world, allocation of grades with information concerning Ss' aptitude & home environment, college students, 54:7544
birth order & family environment & parent-child relations, mental abilities, male 11 yr old Canadians, 58:847
birth order & structure of home, university faculty inventors vs noninventors, 55:12286
center-based "relational" vs home-based "behavior modification" programs, intellectual development, 12–24 mo old children referred for social or verbal developmental lags or home-environment problems, 56:470
childhood & present-day variables, commitment to Women's Liberation Movement, females, 55:9654
childhood home & experiences & early school & university years & feelings toward & health of parents, "superhealth", college students, 57:3322
childhood home & school interests & parents' childrearing practices & alcohol & drug experience, alcohol & drug abuse, US Army soldiers, 57:8166
child's age & sex, furnishings & toys in child's room as index of parental behavior, 1 mo to 6 yr olds, 57:3116
chronic high residential density, choice between self- vs E-selected candy for reinforcement & problem solving after exposure to solvable vs unsolvable cognitive learning task, male Black 6–9 yr olds & 7th & 8th graders, 57:14144
classroom & free play environments & age, motion activity level over 3 days, male 1st vs 3rd vs 6th graders, 58:7175
cognitive development & preschool achievement & visual & auditory development & language & personality & home environment, disadvantaged preschoolers, 56:5753
combination school-home motivational system, elimination of discipline problems, 3rd graders, 56:2839
community attitudes towards home treatment of mental patients, Tel Aviv residents, 55:6882
community mental health program, medical & social & psychological evaluation within home, impaired older adult, 54:3814
comparison of behavior in home & school settings, determinants of deviancy, normal vs deviant grade school children, 58:9700
concordance for mental development, 7 yr old monozygotic vs dizygotic twins vs siblings from twin families, implications for genotype & home environment, 58:7246
conservation of weight acquisition, blind 6–14 yr olds living at home vs in institutions vs sighted Ss, 53:5701
consistency & stability over time, home environment variables related to IQ, upper middle class children tested at 0–3 & 4–6 & 7–10 yrs of age, 57:2915
contingency contracting at home by parents, weight increase & eating behavior, 11 yr old with large weight loss, 54:8096
contingency contracting vs positive behavior check list, negative home & classroom behavior & self concept, educationally handicapped children, 56:2622
correlation between Bayley Scale of Infant Development & home environment inventory, infants from 6 through 36 mos old, 57:916
covariation within behavior repertoires at home & school & application of contingency management procedures, problem children, 54:3764
curriculum to affect moral atmosphere of family, moral development, adolescents & their parents, 57:9052
day care intervention during 1st yr of life, maternal attitudes & mother-infant interaction patterns, developmentally high risk infants & their mothers, 57:7897
decline in concept conservation abilities, 65–83 yr old institutionalized vs community resident males, 55:1157
degree of Spanish heard in home & syntactic ability, oral reading achievement, Mexican American 1st & 3rd graders, 57:6843
delinquency & family structure & atmosphere interrelationship, implications for therapy, 53:3735
democratic vs authoritarian vs laissez-faire home atmosphere, self esteem & power motives & scholastic & spelling averages, 7th graders, 55:12026
democratic-authoritarian family climate & parental education & income, academic achievement, college students, Pakistan, 57:11411
demographic & home environment characteristics & parental perceptions of level of retardation & length of stay, 1–19 yr old residents vs applicants to state institution for mentally retarded & their parents, 58:8052
demographic characteristics & mental disorders, homeless single psychiatric patients vs representative sample from common lodging houses, 58:9635
descriptive statistical data from child guidance center clientele, age & sex of children & reasons for referral & agent of referral & father's profession & neighborhood, 54:1731
desensitization in everyday environment, selective mutism, 11-yr-old female, 53:3762
development of parental counseling program, counselor's understanding of home environments & preventive & educational goals to eliminate school problems, parents of 1st–8th graders, 54:8462
development of short form primary grade apperception battery, prediction of clinical judgment from battery score data & use of battery in screening school & home adjustment, 1st & 2nd graders, 57:2031
development, 5–30 mo old day care vs home care children, 55:509
early home environment, mental test performance stability, children from 6 to 36 mo, longitudinal study, 55:11930
ecological correlations of demographic characteristics, juvenile delinquency, Sydney, Australia, 55:7349
educational environment of home, achievement, 5th vs 7th graders, 55:1448
elimination of multiple-request pattern from child discipline methods, elicitation of positive home environment, parents, 56:2619
encouragement & teaching by caretakers, precocity in motor development, rural infants, Kenya, 57:5497
enriched vs restricted school experience & sex & socioeconomic status, conservation attainment, Orthodox Jewish 1st graders, 57:6791
enrichment of home & educational environments & ability training, disadvantaged children, 58:4369
environment, childhood development, review, 58:5094
environmental & nutritional deprivation, children with learning disabilities, 54:1411
environmental influences, behavior disorder severity & type & onset age, Puerto Rican working-class vs non-Puerto Rican middle-class children, 53:5648
environmental noise recorded in noisy neighborhood, sleep patterns in laboratory, Ss from noisy vs quiet sleeping environments, 55:11517
environmental stimulation at home, early cognitive development through sensorimotor stage, deaf 23–38 mo olds, 57:13037
failure of parents to provide holding environment necessary to facilitate integration of positive & negative internalized relationships, borderline personality development, adolescent female, 57:1378
familial support structure in task situation, mentally disturbed vs cardiac impaired vs normal children & parents, 58:11784
Family Aide Program Planning & Evaluation Instrument, paraprofessional planning & assessment of home-based intervention program for child development in disadvantaged families, 58:1728
family environment & clinical & psychometric data, development & adaptation, visually handicapped, longitudinal study from age 0–6 yrs, 58:9779
family history data vs socioeconomic status, prediction of intellectual & educational functioning from ages 4–7, longitudinal double cross validation design, 56:9643
family income & parental education & family density & children living in household, interrelationships between & nomological networks of psychometric & Piagetian measures of sensorimotor intelligence, male vs female infants, 56:5786
family learning environment, arithmetic & English achievement & intelligence & self esteem & educational & occupational aspirations, school age children, 55:5567
family patterns & relations & home circumstances, West Indian families in London, 54:2923
family relations & environment & personality development, adolescents attempting suicide, 54:5549
family relations & frequent changes in living environment as exogenous etiological factors in schizophrenia, acute schizophrenics, 54:5463
family therapy in home setting, breaking cycle of repeated hospitalization, 46 yr old female, 56:1026
genetic & environmental factors, IQ & achievement test performance, Black & interracial children adopted by advantaged White families, 57:7996
group rearing conditions, promotion of creativity, review, 55:12020
home & family variables & other preschool influences, occupational knowledge, 1st graders, longitudinal study from birth, 56:471
home & school & community environmental factors, delinquency & antisocial behavior, affluent adolescents, 54:1400
home & school dialect differences, school success & occupational choice & mobility, children of impoverished minorities, rural northeast Thailand, 58:10193
home as unconventional setting in adult basic education program, intrusions of setting into social action, 54:6148
home background & sex & ethnicity & school performance, cognitive style & conceptual tempo & preferred mode of perceptual organization & conceptual categorization, Anglo & black & Chicano 9 & 10 yr olds, 55:6814
home culture & information learned at home about natural phenomena, learning about natural phenomena in school, Kpa-Mende students, Sierra Leone, 56:564
home environment & age, conservation & classification & role taking abilities & verbal egocentrism, 7–9 yr olds in rural environments, Hungary, comparison with Norwegian children in M. Hollos & P. A. Cowan's study, 57:7953
home environment & sex, level of achievement, Mexican American & Anglo Caucasian disadvantaged 4th graders, 55:1426
home environment, achievement of cognitive skills in Head Start, low income children, 55:8152
home environment, cognitive & affective performance, educationally disadvantaged kindergartners, 56:3805
home environment, development of formal operational ability, 15 yr old junior high school students, 56:9662
home environment, etiology of psychosocial dwarfism, emotionally-labile short statured children without evidence of heredity or organic disease, 58:7753
Home Environment Perception Scales scores, expatients vs informants, 53:11603
home environment, prediction of cognitive & divergent-productive intellectual abilities, Filipino 6th graders, 55:13528
home environment tobacco smoke, respiratory illness, children & adults, 53:3478
home environment, urban 7 yr olds & parents, longitudinal study, England, book, 56:2122
home environmental factors, reading achievement, primary grade students, 54:10591
home environments & mother–child interactions, language-delayed children across all socioeconomic strata, 53:7059
home environments during 1st 2 yrs of life, mental test performance, 54 mo olds, followup study, 58:801
home environments, infants at high-risk for developmental retardation vs general population, 54:9973
home followup care by public health nurses, functioning level in family & community, chronic undifferentiated & paranoid schizophrenics, 54:8200
home language stimulation by teenaged oral readers, language development, disadvantaged 2 yr olds, 55:13195
home life & school performance, Papago Indian high school dropouts vs nondropouts, implications for prevention program, 56:8740
home location & differential schooling, logical thinking & reading achievement & conservation, 2nd & 4th graders, 58:12603
home management program to train parents to act as therapists, functioning of retarded children outside of institution, 53:8075
home observation for measurement of environment, prediction of IQ at age 3 yrs, 6 mo olds, 58:10818
home observational study, parental antecedents of compliance, 2.5 yr old male twins & singletons, 55:6839
home treatment emphasizing intensive relationship & utilizing mother's regressive position, young mother & infant with complex anorexia, 58:3957
home treatment program, normal postural tone & movement, 2 yr old athetoid cerebral palsied boy, 56:10456
home treatment services, family therapy, 54:5970
home vs day center illness behavior, chronic schizophrenics, 53:3271
home vs hospital & home vs hospital treatment, length of hospital stay & readmission rate, psychiatric patients, 54:6113
home vs hospital treatment, psychiatric patients, 54:6124
home vs laboratory setting & being left with mother vs father vs stranger, separation protest, 12–18 mo olds, 54:853
home-based program with verbal interaction techniques, stimulation of child's cognitive & language development, low income mothers & their preschool age children, 58:8004
home-constructed version of Skinner box, environmentally controlled childrearing, 54:7
house vs apartment living, incidence of psychiatric illness & personality traits, females, 57:2128
household structure & race & family socalization, premarital sexual behavior, White vs Black female 15–19 yr olds, 58:11610
housing noise, psychopathology & psychosomatic symptoms, shift workers, 56:10909
housing types vs contentment with housing, loneliness, elderly, 53:2901
human factors engineering, visual displays & work places & tools & appliances & stairways & ramps for aged, 53:2085
in vivo conjoint therapy employing extended home visit by cotherapists, evaluation of research method concerning interpersonal behavior & therapeutic technique, couple in conflict, 57:6301
incarceration & institutionalization & overlap between prisons & mental hospitals & homelessness, 55:4348
indirect/open vs direct/closed home & classroom environment, divergent thinking, girls vs boys, 57:4336
inter- & intra-setting analysis in home vs clinic, family interactions with 4–6 yr old child, families, 55:4394
interaction in home vs clinic setting, family behaviors, normal vs deviant families, 55:952
interaction of open school organization & family environment, reactions to school life, elementary & high school students, 56:6780
intervention program, children at high risk for development of mental retardation, 58:5983
IQ & home environment, achievement attributions, kindergartners, 54:5024
IQ change following domicile change, patients with reversible hyposomatotropinism occurring with suspected or proven child abuse, 57:10619
language variety preference & school & home-street register maintenance, perceived differences in style & content between Black & Standard English, urban Black 1st graders, 57:7843
level of maternal formal education & aspects of home environment, cognitive task performance, 2 yr olds, 55:2178
life disturbances & personal independence & housing & neighborhood satisfaction, consideration of moving, Ss aged 62 yrs & older, 54:2796
limited living space, interpersonal relationships, pairs of roommates in men's dormitories, 54:5212
living & working conditions & relationships, development of neurasthenic neurosis, patients, Yugoslavia, 57:10461
living conditions & juvenile delinquency, Polish families in municipal housing project, 53:934
living environment, mentally retarded, 57:3628
malnutrition & environment enrichment by early adoption, height & weight & IQ & school achievement, female Korean infant to 3 yr old orphans, 56:2155
marital adjustment of parents, length of time of residence in home, severely mentally retarded children, 55:7399
maternal language style & prereading activities in home environment, reading readiness test performance, prekindergartners, 58:837
matrilocality vs patrilocality & unilocality vs bilocality, residential variation, hunter-gatherer societies, 55:6885
measurement of toddler management training, changes in parent-child relationship in clinic & generalization to home setting, parents seeking assistance in coping with toddler's oppositional behavior, 57:10866
mental & social & motor development, children from day care center vs family homes, 53:9245
methodological approach of family-placement therapies for mentally ill & retarded, 58:1529
mobile homes vs traditional single-family dwellings, social-emotional attitudes & adjustment, 1st vs 6th graders, 58:11501
model of adaptive learning styles for individualizing instruction in school & at home, young children, implications for teacher training, 57:13733
modeling influences of fathers & sex-typing of reading & judgmental conformity, reading achievement, male vs female 1st–3rd graders, 58:8318
models of cultural deprivation process linking socioeconomic status & family environments & children's abilities, extension of basic model with consideration of parental abilities, 57:997
mothers teaching home lessons of readiness skills to other mothers & kindergartners, school readiness, 55:13171
multifamily housing environment, strategies for adapting to sensory load, 4 & 5 yr olds, 58:12848
naturalistic videotape recordings, activity-domain analysis of behavior-space relations in homes, families, implications for research on crowding, 57:11669
open forum family counseling, perception of family environment & behavior change of child while controlling for relationship styles, parent couples, 57:6280
organic & social factors, 1–3 yr olds with accelerated vs normal vs retarded development, 54:785
paired associates training with contingent reinforcement, generalization of newly acquired phonemic responses in home environment, 6–8 yr olds, 55:10428
parent & teacher training in behavioral techniques, generalization of behavior change between home & school settings, 1st–3rd graders with maladaptive or undesirable behavior, 57:13576
parent training for home use of parent-child interaction exercises, intellectual & interpersonal growth, preschoolers, 58:12120
parent training to modify antecedents & consequences to children's vocalizations, generalization effects across stimulus settings at home & school, 6–12 yr old nonverbal children, 57:6353
parental characteristics & environmental stresses, development of infantile autism, 5–10 yr old autistic males vs males with severe developmental disorder of receptive language, 56:9999
parental environment, personality development & vocational preference, male high school seniors, 57:9120
parental health & finances & living environment & attitude toward aging, quality of parent-child relationships, noninstitutionalized elderly parents & their adult offspring, 58:5247
parental influence & socioeconomic status & size of residence & academic performance & aspirations & sex, achievement orientations, high school seniors, 54:6314
parental response sets, behavior during naturalistic observation in homes, 4–8 yr old deviant vs nondeviant children, 56:10100
patterns of & relationships among maladjusted behaviors & family relations & home environment, nursery school students, 57:3424

peer presence, interaction with mother & toys during free play at home, 19 mo olds, 57:5605
perceptions of responsibilities of home for selected nonacademic instructional concerns, teachers & parents, 56:10534
personal & family background & current status & attitudes & interests & self concept, elderly using Jewish Community Center resources vs living alone vs living with families, 54:2798
personal activities & home environment & teacher influence, success in reading, disadvantaged high school students, 55:8156
personal adjustment & parental environmental variables, ordination to Catholic priesthood, seminarians, 58:4481
personal characteristics & home & school environments & financial situation & military draft & peer & teachers' & guidance counselors' & administrators' influences, decisions concerning attendance vs nonattendance at post-high school educational institution, rural male high school graduates, 55:10643
personality & behavior & interests & achievement & physiology & demography & home background, general mental ability & verbal vs math proficiency, 1961 National Merit Scholarship participants, 57:13821
personality & biographical correlates, behavioral personal space, male junior college students, 56:745
personality & environmental factors, personal & social & behavioral & school & peer adjustment & work efficiency, students, 56:4844
personality correlates & parental absence & mother-father similarity & parent-child closeness, mathematical & verbal ability patterns, female college students, 58:3075
physical distance between residences & amount of face-to-face contact, choice of friends & enemies & strength of liking & disliking, townhouse residents, 57:12769
preschool parent involvement program using parental self-assessment & child's perception of parental behavior, self-concept, Anglo- & Mexican-American & black children & their mothers, 53:8314
presence of black nanny for more vs less than 1 yr, color concept attitudes, Indian middle & upper class preschoolers, 57:2850
presentation of cumulative file folder information about target child's sex & attractiveness & ability & home background, judgments of creative & intellectual ability & expectations about achievement & teacher-student interaction, elementary school teachers, 57:13582
prevalence of psychological disturbances, children from welfare vs cross-section homes, reanalysis of data of T. S. Langner et al, 54:1271
prior exposure to & configurational aspects of visual cues in aquaria, dominance fighting & territorial defense, jewel fish, 54:7146
program for helping & understanding neurotics at home & work, book, 54:9847
provision of early special education by parents, modification of environment & design of learning tasks, handicapped children, 57:13953
proximal learning environment of family, child's cognitive performance, middle & lower class families & their 11 yr old males, test of social learning theory of family, 57:9072
proximity & density, helping behavior, male vs female Ss, 57:3256
proximity seeking & attention seeking measures of dependency, day care vs home care 4 & 5 yr old boys vs girls, 55:554
psychiatric & psychological evaluation, patients in home-dialysis, follow-up study, 53:10299
psychological job stressors, health & family & home life, police administrators, 54:12720
pupil mobility & educational home environment, reading achievement, inner city 6th graders, 55:13333
race & sex & crowded home environment, physical interpersonal distance, Negro vs Caucasian disadvantaged 4 yr olds, 55:736
racial milieu of school & home & parental racial attitudes & rearing practices, racial identity & self esteem & aggression & play behaviors, Black 4 yr olds attending preschools in Black vs White environments, 57:10106
rearing in commune vs nuclear family, cooperation & competition & self reliance over 1 yr, preschool age children, 57:10037
rearing in family vs collective settings, reactions to social pressure, Israeli & Soviet 12 yr olds, 54:11473
regression analysis, comparing effects of blocks or compounds of variables, application to comparison of school & home effects in science education & reading comprehension & literature, 56:5195
relationship & verbal & visual conceptions of likes & dislikes in own homes as reflected in interviews & drawings, 5 yr old black preschoolers, Florida, 56:468
relationship between clinical behavioral measures & direct home observations, hyperactive 6–12 yr olds, 54:3390
relationship between parental financial support & family problems & living conditions & employment problems, college freshmen, 54:5185
relationship with parents & home environment & personality & parental illness, adolescents convicted of homicide, England, 57:6088
religion & sex & type of family dwelling & area of residence, student attitudes toward mentally ill, 30 yr old graduate students, 55:2440
residence with single vs foster vs natural parents, recidivism rates during residential & after care programs, female 13–17 yr old 1st time offender delinquents, 56:4589
resident satisfaction with subsidized housing facilities & importance of total living environment & physical unit & management, private multifamily housing project residents, review, 58:6505
role of spouse, success or failure of home hemodialysis, 56:1163
school & home environment & personality traits & self assessment, socially passive vs active 11–14 yr old students, 54:7253
school vs home measurement setting, validity of attitude measurement, 4th–8th graders, 57:7169
school vs nonschool variables & personal aptitudes, postschool employability, male & female & nonwhite high school students, 55:3340
school's goals & home environment, peer status scores, black & white 14–17 yr old students at integrated residential school for disadvantaged, 55:10907
selection & organization & accessibility of relevant information, learning environment design for infants & caretakers & college students, 57:4590
self concept structure, situation-specific moral behavior, college students, 55:9897
self esteem & attitude toward education & occupational ideal & student grouping & home language & best friend's self esteem, Puerto Rican elementary students, 56:2976
self esteem & family authority structure & socioeconomic status, academic achievement, high school students, Philippines, 57:6863
self evaluation & social structural variables of age & sex & race & socioeconomic background & broken homes & delinquency involvement or vulnerability, delinquents vs normal junior & senior high school students, 58:9703
sentence completion test & different living conditions & age differences, attitudes toward life & people, 60 yr old & over Japanese females living with families & in homes for aged, 55:2250
sex & ethnicity & academic vs home settings & degree of acculturation, achievement motivation, Mexican American vs Anglo American 4th & 6th graders, 58:7266
sex & grade level & family income & number of siblings & living arrangement & perception of home life, marriage role expectations & familistic attitudes, southern Black high school students, 57:5687
sex & self-perceived norms of alcohol consumption, self-reported heavy vs moderate vs light drinking, homeless & from lower-income racially mixed neighborhood & upper-income men & emergency women's shelter residents & women from upper West & East Side, 53:9511
sex & social class, mother-infant interaction & attachment in home & playroom laboratory situations, mothers & infants at 3 & 12 mo of age, longitudinal study, 58:5078
sex, perceptions of home vs university environment along personalization & social & affect dimensions, college freshmen, 58:8542
sibling as therapeutic aid to home parental management of child, behavioral change in child & sibling, 55:10359
sibling involvement as therapeutic agents, behavior therapy at home for disturbed brother or sister, 57:1647
siblings as therapeutic aid, home behavioral treatment with parents as therapists, disruptive children, 57:8744
social & cultural & economic factors & educational perspective & home & academic attitudes, school dropout behavior, secondary school students, 54:6313
social & environmental variables & relationship to mental retardation, black educable mentally retarded in special education vs normal students, 55:7382
social class, socialization history & mental health status & personal adjustment, young adult schizophrenics & juvenile delinquents, Santiago, Chile, 56:4166
social factors, attitudes toward social & health related issues, Ss from medium-sized community, 55:9532
social learning techniques in child management, deviant behavior, siblings of socially aggressive boys, 55:1020
socioeconomic environment differences, perception of humor, 4th graders, 55:11876
socioeconomic status, environmental force in home lives, 3 yr olds, 55:9510
sociological analysis, interactional patterns & coping strategies, elderly tenants in slum hotel, book, 58:7293
specific cognitive training in nursery & home settings, intelligence & linguistic competence, preschool children, 57:1954
specific constraint of retirement home, locus of control & adjustive behaviors & attitudes, elderly in retirement villages, 56:1217
stability of family relationships & perceptions of home & previous institutionalization & truancy-runaway offenses, desire for release, institutionalized white male 13–17 yr old delinquents, 55:7343
stressful experiences & number of stressors & living area & living arrangements & sex & CA & educational level, coping ability & flexibility & locus of control & time orientation, autonomous aged, 56:2172
student's sex & attractiveness & family background & general abilities, expectations concerning student's class leadership potential & interpersonal pleasantness & family status & size, public school teachers, 57:13835
subculture & personality & environment, environmental perception, 8th & 11th graders from small Texas towns, 56:10923
symptoms & home behavior & effect on family, schizophrenic patients managed extramurally, 53:11869
systematic reinforcement techniques, household task performance in home setting, 4 yr old female & 5 yr old male, 54:8833
team work & home environment emphasis in remedial-educational institute, emotionally disturbed children, Czechoslovakia, 55:10995
testing in own home vs away from home, Peabody Picture Vocabulary Test scores, Head Start vs non-Head Start Black 4–5 yr olds, 57:4491
training family members as remediators in E-structured lab & home settings & family-structured home setting, modification of oppositional behavior, preschoolers, 55:10376
treatment in private homes as alternative to hospitalization, acute psychiatric patients, 57:13397
Vertical Home Start preschool home-based enrichment program, language & mathematics skills in 3rd grade, preschoolers, 57:9049
view of homelessness through skid row & prison & mission & mental hospital populations, 55:4344

Home Reared Mentally Retarded
comparative computer content analysis, unstructured speech, institutionalized vs noninstitutionalized retarded children, 54:1420
experimental preadmission program of counseling & child training procedures, encouragement of home care, parents of severely & profoundly retarded preschool age children, 56:6548
parental age at S's birth & sex of S & parent-child relationships & state of marital relations & perceived degree of family disruption, parental decision for institutionalization, home reared vs institutionalized mentally retarded children, 55:4877
personality traits, male vs female 12–17 yr olds with severely vs profoundly mentally retarded sibling in institution vs at home vs with normal sibling, 55:7403
self concept, educable mentally retarded children residing in institution vs natural home, 58:1412
social reinforcement, mental test performance & social motivation, institutionalized vs noninstitutionalized mentally retarded, 58:11933

Home Visiting Programs
coordinated home care services delivered by team of health professionals sponsored by VA Hospital, elderly patients, 58:7997
crisis intervention phone service with emergency home visits, client characteristics, 53:8040
development & evaluation of friendly visitor program, social isolation & adjustment & cognitive awareness & mental state, community-based aged, 55:12768
evaluation of mobile psychiatric-hospital-based team, preventive psychiatric & medical & social attention, distressed elderly people in community, 57:1722
home counseling by psychiatric social worker, adolescents & parents, 55:7733
home visiting intervention program, interaction with & stimulation of mental development of their 3 yr olds, Jamaican mothers, 55:10464
home visiting program employing parental education, promotion of childhood development, 1–24 mo olds & parents in rent-to-income housing project, 56:10422
home visiting program, evaluation of agency sponsored family day care programs & providers, 55:7732
home visits, family treatment, 54:8102
home-care vs ordinary outpatient treatment, psychiatric hospital readmission vs return to employment, 16–45 yr old schizophrenics, 57:4070
preferences for type of escort protection & comfort in job performance in presence of protector, community staff nurses vs nursing students, 57:1842
preschool home visitation &/vs kindergarten or preschool roundup, beginning school anxiety, 1st graders, 58:4230
psychiatric home visiting care, Czechoslovakia, 55:1131
teacher home visits, development of visual perception skills, disadvantaged preschoolers, 57:6754

Homeostasis
acupuncture tonification, blood pressure normalization & physiological change & psychological improvement, chronic psychiatric patients, 56:1152
ad lib feeding with bland diet & gastric glucose load, body weight regulation & palatability response, humans, 57:12277
availability & concentration of dietary protein, short term behavioral control of protein intake, male rats, 57:7712
cancer cachetic organism, animal model for extra-hypothalamic controls of feeding, 57:12260
computer simulation, behavioral homeostasis, 54:670
computer simulation of motivational systems, circadian & homeostatic properties of drinking behavior, rats, 54:706
concepts of homeostasis & family myth, implications for family therapy, literature review, 58:5858
consummatory behavior induced by hypothalamic stimulation, hunger level & sweetness intensity covariations in yielding reinforcement degree, rats, sensory-drive interactions governing role of reward in homeostasis, 55:9218
cybernetic model in psychology, conceptual & descriptive tool for self-regulatory mechanisms & heuristic value, 57:2180
diet with cation exchange resin & chelator vs nonnutritive fiber & choice vs no choice of mineral vs distilled water, presence of specific hunger for minerals, gerbils, 57:7705
environment & physiological homeostasis, motivational theory, animals, 54:718
experimental methods & apparatus, central mechanisms of thirst & water-electrolyte balance & instrumental conditioning parameters, rabbits, 53:739
family homeostasis & sexual conflict, family extrusion of aged patient, 2 female & 1 male elderly patients, 54:11480
gas & electrolyte homeostatic changes in arterialized capillary blood & fluid, patients with acute alcoholic psychosis, 55:12561
glycol solution vs agar jelly vs electrolyte-induced hydration, skin conductance responses & levels, female college students, 53:2490
homeostatic stances of families, family therapy, 54:3759
intrinsic reinforcement, learned behavioral regulation, rats, 54:722
lateral hypothalamic lesions, lateral hypothalamic recovery syndrome, infant male rats, 53:2547
mannose or beta-hydroxybutyrate or fructose, adrenal discharge of epinephrine & feeding behavior during insulin-induced hypoglycemia, rats, 58:11359
method of measuring stability of person's rules of relating to specific other person, homeostasis & change in dyadic relationships in learning, counselor effectiveness, counselor trainees, 56:6614
physiological adjustment to environmental heat exposure & remedies, athletic competition, athletes, 54:11144
prenatal auditory stimulation & genotype, developmental homeostasis & morphology & exploratory behavior, inbred mice offspring, 58:2787
regulation of milk intake, preweanling rats, 55:3834
review of cold pressor test research & parameters of potential model of homeostasis in autonomic functioning, 54:6899
self-regulatory functions for internal & external adaptation to environment, humans & rats, 53:6890
servo theory analysis, language behavior & acquisition & linguistic change, 56:9623
theory of homeostatic mechanism for optimal stimulation, hyperactivity, 54:12156
weak artificial selection for positive & negative phototaxis & geotaxis, homeostatic drive favoring neutrality, Drosophila, 57:7641

Homicide
age & sex & mental status & crime type & assailant-victim relationship, victims & female offenders who commited murder & manslaughter & attempted murder & wounding, 53:3247
aggression content of folk tales of India, correlation with homicide frequency & other forms of aggression, 54:9645
alcohol use, criminal homicides, 53:7663
amount of clinical information available, accuracy in longitudinal judgments discriminating between test protocols of men convicted of murder vs crime against property, nonexperienced graduate students vs medium-experienced practicum students vs advanced clinical interns, 57:13129
analysis within framework of K. Horney's theory, psychodynamics & character structures, men convicted of sudden unpremeditated murder, 54:9948
anthropological analysis, homicide & major crime, Sudan, 55:6912
attempted vs never considered suicide, depression & personality & hostility & number of convictions, male convicted murderers, 56:8174
background & marital & childbearing data & illness characteristics, schizophrenic women who murdered their children, 54:1265
biographical data, episodic violent behavior resulting in atypical murder, males remanded to mental institution vs penal institution, 55:12463
capital homocide figures, investigations of capital punishment, 54:2851
capital punishment as suicide & murder, 54:11636
causation & therapy, murders through love, 14–25 yr olds, 54:12067
characteristics & symptoms, young asocial sexual aggressors & assaulters vs hospitalized sexual deviants with uncontrollable sadistic fantasies, 57:12948
childhood & educational & occupational & marriage & parenthood role loss, male suicide victims vs homicide offenders vs nonviolent hospitalized males with psychoneurotic complaints, 58:9689
clinical & psychodiagnostic investigations, murders & attempted murders by persons under 20 yrs of age, 54:12066
commitment of stabbing during self-hypnotic state, treatment & recovery, 17 yr old male, 58:9696
conflict level, 22–40 yr old neurotic patients vs convicted murderers vs normal adults, 58:11865
contraindications of acting out suicidal & homicidal fantasies in psychodrama, 54:8101
criteria evaluation, prediction of homicidal predisposition, adolescents who committed & attempted homicide, 54:1390
cultural anthropology perspective, analysis of homicide patterns & underlying attitudes, Houston, book, 58:923
cultural factors, regional homicide rates, criticism of S. Hackney's & R. D. Gastil's theory, 53:5103
death penalty, encouragement of homicide & violent crimes, case report, 54:11558
dehumanism associated with episodic dyscontrol or personality, prediction of homicide, adolescents, 54:5541
demographic characteristics & history of psychiatric treatment, homicide & suicide victims, 56:6119
disintegration phenomenon, psychopathology of schizophrenic murderers, 57:5949
doctor-identification from terrifying childhood experience with doctors, understanding Jack the Ripper, 57:8469
EEG, 16–70 yr old male prisoners charged with murder, 53:9840
ego functioning & personality structure, filicidal vs physically child-abusing mothers, 57:6064
fantasy & fear of infanticide, child, case report, 53:5464
feelings of inadequacy in interpersonal relations & loss of defense mechanisms, people charged with murder or attempted murder, 58:7687
Freudian & Jungian & anthropological elements in act of dismemberment murder, 54:5531
Freudian interpretation & archetype concept, filicide in myth & art, 53:7347
Gastil's Southernness index & socioeconomic & demographic variables, 1st & 2nd degree murders & manslaughter, test of Gastil's theory of Southern culture of violence, 57:3546
homicidal aggression, hospitalized male schizophrenics, 58:7666
homicide by children, literature review, 53:5597
homicide rates & status integration, US & Ceylon, 56:855
homicide type & pathologies, homicide offenders from 3 ethnic groups, 54:1365
homicides, drug using populations, 54:1407
illegal drug usage & sex role, female homicide victimization, male & female illegal drug using vs non-drug using homicide victims, 55:7377
incidence & type & causes, murder patterns, book, 53:9854

indicators, use in prediction of murderous behavior, case study of impulsive & violent & paranoid young murderer, 55:880
infantile cerebral injury, incidence of manslaughter, male 14–15 yr olds, 54:1482
lack of analysis of genocide of Nazis by psychological anthropologists, 55:9540
legal & medical-psychiatric considerations, infanticide resulting from postpartum psychosis, Canada, 54:5437
level of societal modernity & modernization process, suicide & homicide rates, 58:7720
lunar cycle, homicides, epidemiological study, 53:1449
matricide as rescue & murder in mythology & fiction & clinical material, 55:6679
matricide in schizophrenic psychosis, 50-yr-old male, 53:5542
motivation & psychological profile & background, study of murders & mutilations & matricide of E. Kemper, book, 57:1410
motive & method & biological reality of assault on younger sibling, children, 55:12496
multiple discriminant analysis of Rorschach protocols, prediction of homicidal behavior, male convicted murderers vs Ss incarcerated for offenses other than homicide, 56:6319
murder & ensuing legal processes, 4 case reports, book, 58:11898
murder occurrence, subsequent attendance at murder movie, female college students, 53:1119
nature & degree of victim participation, homicide in Scotland, 54:1333
neonaticide, 33 yr old single woman, 58:3519
neuroticism & extraversion & anxiety & socialization adequacy, 25–50 yr old female prisoners convicted of homicide, 58:11904
New York state's 1970 liberalized abortion law, perceptions of abortion vs genocide myth, low income pregnant blacks & Puerto Ricans seeking abortion & prenatal care, implications for educators & social engineers, 55:4369
normal or altered state of consciousness, act of murder, convicted murderers & other offenders, 56:2497
number of killers & victim mutilation, simulated jurors' judgments in murder case, college students, 55:6982
observation of & participation in personal violence in Vietnam, soldiers, 54:875
patient reaction to murder of attendant by another patient & changes in day-to-day hospital functioning, 53:1863
Patrick McKay, account of diagnosed "psychopathic killer", book, 57:12946
patterns of depression & schizophrenia & drug & alcohol abuse & suicide & homicide, American Indians, literature review, 57:3419
personality & family & social & followup adjustment variables, adolescents charged with parricide vs murdering another relative or close friends vs strangers, 57:1412
popular conception of criminality, adjudication of homicide defendants, 58:3231
postwar homicide rates in warring societies, 1900–70, implications for legitimation of violence model, 58:3165
prehospitalization period & alarm symptoms, psychotic patients with history of 1–3 homicides, 58:7649
psychiatric abnormality, males & females accused of murders, Scotland, 58:9686
psychiatric profile, male 28 yr old accused murderer with amnesia from alcohol intoxication, 55:10016
psychoanalytic interpretation of matricide, examples of Orestes & Nero, 57:9927
psychobiography of A. Eichmann as traveling salesman of genocide, 57:9279
psychodynamic & treatment aspects, sustained neurological deficit, victim of attempted homicide, 54:5607
psychological & sociological discussion of violence & murder, US & other countries, book, 57:1423
psychological evaluation, mother who killed her child & attempted suicide, 57:8468
reciprocity & unreciprocity in role relationships, individual violence & murder & suicide, male homicide offenders & suicide victims & psychoneurotics, 55:2497
relationship between homicide & capital punishment, literature review, 54:11535
relationship with parents & home environment & personality & parental illness, adolescents convicted of homicide, England, 57:6088
Rorschach data interpretation, homicidal & suicidal impulses in Nazi leaders tried at Nuremberg, 58:3386
Rorschach protocols, prediction of homicide & suicide, astronaut candidates, 58:9693
Rorschach responses, distinguishing murderers from suicides, male murderers, application of J. M. Kendra's technique, 56:10099
self esteem & use vs nonuse of weapons & choice of weapon, prisoners with murder & assault &/or armed robbery sentences, 58:7707
sex & ethnic origin & victim–offender relationship & motives & type of homicide & previous pathologies of offenders, criminal homicide, Oriental & Western Jewish & non-Jewish Israelis, 54:12048
similarities & differences, firearms use & interpersonal relationships, homicide offenders & victims, 54:1406
social & economic & climate variables, suicide & homicide rates & male/female suicide rate ratio, cross cultural comparison using 1966 World Health Statistics, 56:853
social & psychiatric factors & fate of surviving siblings & involvement of social agencies with families & parent-child relations, murdered children & their killers, 56:10096
social & psychological & legal characteristics, sexual homicides, 57:12984
southern culture of violence, homicide rates, 54:1334
statistical & psychopathological features, parricide occurrence, France, 53:7655
suicides directly linked to homocides, 15-yr study, Finland, 53:9878
survey of criminal homicide cases, murder & victim age & sex & socioeconomic status & type of weapon & motives, Nigeria, 1953–63, 58:1356
symbolic interactionist's approach, understanding problem of violent criminal acts, 58:11862
therapy, 6 yr old fratricidal girl, 55:12640
threat vs no threat of death penalty, superego control & guilt & overt expression of emotion as measured on MMPI, convicted murderers, 57:6079
use of capital punishment & high murder rates, analysis of D. Glaser & M. S. Zeigler's article, 58:5259
use of captial punishment & high murder rates, response to W. C. Bailey's analysis, 58:5261
variations in regional homicide rates, homogeneity of areas, 54:7366
WAIS difference, murderers vs attackers referred for evaluation, 58:9711

Homographs
balanced & polarized homographs to define high & low encoding variability & right & wrong terms, verbal discrimination learning & recall, college students, 57:414
homograph stimuli, paired associate transfer, college students, 53:10905
homographs & homophones embedded in context & biased content, written recall using Brown-Peterson paradigm & dual semantic encoding, college students, 57:7418
peripherally presented & unreported disambiguating word, perceived meaning of centrally fixed tachistoscopically presented homograph, 53:6586
semantic ambiguity, judgments of background & situational frequency, college students, extension of Winograd & Geis' study, 54:10989
stimulus presentation rate & knowledge of differing presentation & recognition contexts, recognition memory of homographs, 57:9525
word associations to homographs, response probability, 53:317

Homonyms
auditory discrimination of word pairs with contrasting standard English pronunciation & contrasting vs homonymic dialect pronunciation, dialect vs standard English speaking 1st graders, Newfoundland, 56:7170
homographs & homophones embedded in context & biased content, written recall using Brown-Peterson paradigm & dual semantic encoding, college students, 57:7418
presentation of visually different but auditorally same vs visually & auditorally different stimulus word pairs, RTs for same-different judgments & homonym pairs, 55:4557
prompting by semantically selected context words, stability of semantic encoding of homonyms, college students, 56:1753
type of context & context variability, recognition of homonyms, college students, 57:2438
words visually masked by own homophones vs word associates, mask delay time for accurate target report, implications for parallel perception & vocalization processes, college students, 57:11847

Homosexual Liberation Movement
classification of homosexuality, attack on decision of American Psychiatric Association, 56:601
developments & critical incidents, gay liberation group evolution, 54:967
formal organizational structure & social functions, gender-integrated gay community, male vs female homosexual participants, 56:2254
identity change & changing consiousness in social movement groups' setting & transition from deviant to minority group identification, lesbians, 57:5741
membership in gay community, sexual beliefs & attitudes & preferences, male vs female homosexuals, 57:12679
membership in homophile organizations, self esteem & alienation, male & female homosexuals, 56:9785
neuroticism & introversion-extraversion & self esteem & life characteristics, college male activist vs nonactivist homosexuals vs heterosexuals, 55:2297
process of homosexual identification & effect of homosexual subculture, lifestyle as identified by semi-structured interview & overt & covert observation, male "career" homosexuals, 57:10179
psychoanalytic perspective, homosexuality & its treatment & Gay Liberation Movement, 56:10228
self concept, identification with gay vs women's liberation organization, females, 55:6990
small group technique of consciousness-raising, gay liberationist groups with profound sense of alienation, 53:11575
social & legal aspects, homosexuality, 53:11523
stigmatizing labels of mental illness & sexual orientation, perceptions of deviance & disabled individuals' self perception & homosexuals' cognitive performance & interpersonal effects, female college students & gay liberation members, 56:693
typology of styles of loving in search for partners, patterns of gay love & gay liberation, 57:5735

Homosexuality [See Also Bisexuality, Lesbianism, Male Homosexuality]
active treatment for homosexuality, sexual behavior & attitudes & adjustment, 3-yr followup study, 57:13123
age & education & socioeconomic level, relationship between sex role & sex orientation, homosexual vs heterosexual males, 55:4438
analysis of attitudes toward homosexual behavior, White American adult population, 58:9425
assaultive & troublesome behavior, adolescent homosexual prison inmates, 56:10085
attitudes & philosophies & theories & treatment modes & counselor-client relations, homosexuality, adolescent males & counselors, 56:8320
attitudes of homosexually oriented bar patrons, homosexual types, 53:2957
attitudes toward homosexuality, church, 53:11503
attitudes toward homosexuality, reactions to homosexual & heterosexual slides, male vs female college students, 58:5280
authoritative professional opinion, attitudes toward homosexuality, male college students & prisoners, 58:11613
aversive therapies vs positive conditioning procedure, sexual orientation, homosexual patients, 58:1661
behavior therapy, compulsive exhibitionism & homosexuality, 54:10219
bisexual love, ego-orgasm & distinction from homosexuality, 54:11584
body satisfaction & self concept, attitudes toward homosexuality, male college freshmen, 57:10192
changing status of homosexuality, implications for psychiatric treatment of homosexual patients, 58:1591
classification of homosexuality as sexual orientation disturbance by American Psychiatric Association, 54:11901
classification of homosexuality, attack on decision of American Psychiatric Association, 56:601
clinical & mythological & metapsychological aspects of homosexuality, implications for psychoanalytic treatment, 54:8122
comparative analysis of Rorschach signs, diagnosing homosexuality vs sex-role disturbances, sex-role disturbed & homosexuals, 53:11753
compensatory distance model, attitudes toward homosexuality, family doctors & journalists & youth club mentors & teachers & debating coaches, 53:11626
concepts of prejudice & normality & sickness & deviancy, relationship to homosexuality, 54:7405
concurrent validity, Rorschach protocols scored for frequency of W. M. Wheeler's signs of homosexuality, criticism of N. M. Stone & R. E. Schneider's study, 55:5916
concurrent validity, Rorschach protocols scored for frequency of W. M. Wheeler's signs of homosexuality, 55:5946
confusion of power conflicts with homosexual dynamics, etiology & nosological categories of paranoid disorders, 58:5508
contraction breathing technique using faradic shock, controlling unwanted homosexual behavior, 4–8 yr followup, 56:10297
counseling goals, homosexuals, 55:5226
counseling procedures in educational setting, youthful homosexuals, bibliography, 57:13972
counselor's facilitation & support of sexual feelings, healthy identity, homosexual clients, 54:5768
crisis-oriented brief team treatment experience, male & female homosexual patients, 57:3786
cultural differences in sex role preferences as variable in homosexual behavior, need for statistical control in experiment designs, 58:3235
dealing with gay college students, perspectives for mental health professionals, 53:3833
demographic variations, societal response to homosexuality, 58:11606
developments & critical incidents, gay liberation group evolution, 54:967
diagnostic categories of transsexualism vs transvestism vs homosexuality & recognition of gender dysphoria syndrome, 53:9723
differences in gender identity & role & present & past adjustment & parental influences, homosexual cross-dressers & non-cross-dressers & applicants for sex change surgery & heterosexuals, 56:9796
educational programs, attitude change toward homosexuality, college students, 53:10451
EEG response to hyperventilation, homosexuals seeking treatment vs heterosexual controls, 54:11989
emotional contexts & social functions & forms of homosexual behavior, male & female & adult & infant monkeys, 58:2777
ethical issues, approaches to treating homosexuality by behavior therapists & other therapists, 56:9782
ethical issues, behavior therapists' & other therapists' approaches to treating homosexuality, discussion of G. D. Davison's article, 56:10486
ethical issues, behavior therapists' & other therapists' approaches to treating homosexuality, response to G. D. Davison's article, 56:10500
etiology & symptomatology & assessment of normality vs abnormality, homosexuality, 55:4427
etiology, homosexuality, 53:11508
European cultural contact, homosexuality, New Zealand Maoris, 53:5028
evolution & present status & ethics of application of aversion therapy to homosexuality & fetishism & transvestism, 58:7943
existentialism philosophy & psychology of irreversible homosexuality, 53:9374
Freud's theory, relationship between paranoid delusions & homosexuality, 54:5471
gender identity & considerations for sex assignment, chromosomal & gonadal females with adrenogenital syndrome born with penis, implications for etiology & theory of homosexuality, 57:6165
group treatment with "straight" therapists, gay problem drinkers, 58:5734
homosexual & homoerotic behavior, male vs female college students, 55:7002
homosexual as crime victim, 55:690
homosexual group membership, impressions of personality & likability, college students, 54:3048
homosexuality & law, 53:11514
homosexuality & prostitution & employment & affectlessness & need for reassurance & deprecation of others & emotional conflict, male to female transsexuals, 56:3945
homosexuality, book, 54:11647
homosexuality, Christian ethics, 54:11504
homosexuality, Netherlands, 53:11550
homosexuality, venereal disease, 53:12003
hormonal metabolism, 18–32 yr old homosexual & heterosexual male college students, 54:2449
hypnotherapy, treatment of anxiety & depression & claustrophobia & latent homosexuality & family problems, psycho-depressive neurotic 32 yr old female, 57:4019
iconography of decapitation, treatment of selected works of Donatello & Caravaggio as reflecting homosexual outcome to Oedipus complex, 58:751
incidence of homosexual & heterosexual experiences & associated attitudes & demographic characteristics, college students, 56:9786
inclusion of homosexuality as pathological condition in "Diagnostic & Statistical Manual" of American Psychiatric Association, statement to Nomenclature Committee, 58:10164
inclusion of homosexuality unit in health education course, personality & attitude changes, high school students, 56:4761
integration of changes in attitudes toward homosexuality with alternative behavioral approaches for treatment of homosexuality, 56:6423
intellectual & educational level, transsexuals & homosexuals, comparison to results of 1967 Swedish study, 58:3251
intensity of threat of infanticide & parental environment, development of homosexual identity as acted out fantasy of sexual reversal, 4 child patients, 57:3548
issues of labeling & selective discrimination of homosexuals, psychiatric treatment of inner conflict, homosexuals, 54:10040
legal stigma, career deviance, labeled homosexuals, 54:916
location of gay bars, 53:2946
medical community's view of sexuality in 18th century, history of homosexuality as pathological diagnosis, literature review, 54:1339
membership in homophile organizations, self esteem & alienation, male & female homosexuals, 56:9785
motivation concepts measured by Picture Identification Test & sexual identity, identification of Need Association Dyads, college students classified as declared homosexual vs sexually uncertain vs clinical vs normal controls, 57:5718
multiple behavior therapy techniques, homosexuality, 21-yr-old male, 53:1759
Oedipus fixation & symptom formation & reactive behaviors, homosexual preferences or total repression of sexual urge, 58:3248
orgasmic reconditioning, physiological & behavioral sexual arousal & self report of sexual adjustment, adult male homosexuals, 56:6397
origins & meanings, homophobia, 56:3947
overpopulation & status of homosexual in society, 53:11538
paramarital relationship counseling, homosexuals, conference proceedings, 53:1786
paranoia, Rorshach & TAT responses, 21–55 yr old females selected via MMPI paranoid scale performance, support for Freudian theory of relationship between paranoia & repressed homosexual wishes, 58:9647
paraprofessional training program, crisis intervention & peer group counseling in gay community, homosexual nonprofessionals, 58:4073
parental attitudes toward homosexuality, gender role identity, children of opposite-sexed homosexual parents, 55:7008
partner's sexual orientation & attitude toward homosexuality & sex of partner, personal space as reaction to threat of interaction with homosexual, male medical students, 57:8186
patients' pretreatment content expectancies & counselors' content emphases, classification system for analysis of sexual counseling content, 54:3628
perinatal progesterone, sexual activity, male guinea pigs, 56:434
physiological & psychological factors & demographics & religious & legal perspectives & treatment, homosexuality, 54:2870
primal therapy, treatment of homosexuals, 58:1538
psychiatric opinion, nature of homosexuality, psychiatrists & trainees, 56:8559
psychoanalysis, feminine pseudohomosexuality, case report, 54:12369
psychoanalysis of a homosexual syndrome, case report, 58:7837
psychoanalytic perspective, homosexuality & its treatment & Gay Liberation Movement, 56:10228
psychoanalytic view, homosexuality in erotic & oedipal atmosphere of Shakespeare's "Julius Caesar", 55:6676
psychodrama inter- & intrapersonal issues & role conflict, homosexuals, 55:2625
psychological adjustment & homosexuality, literature review, 58:5273
"rational group psychoanalysis", efficacy for treatment of homosexuality, 58:7819
reassessment of homosexuality & transsexualism, 58:5271
recent developments & research & directions for future, therapeutic approaches to homosexuality, 55:10180
relationship between demographic & behavioral characteristics & public attitudes & perceptions about homosexuality, 1970 survey, 54:1037
reported consequences of decriminalization of consensual adult homosexuality, police officials & prosecuting attorneys & homosexual group members in 7 American states, 57:5621
Rorschach Prognostic Rating Scale, factor structure & relationship to therapeutic outcomes, psychoneurotics & homosexuals & schizoids, 56:7026
schemata of man & woman, 4th graders vs adult heterosexuals & homosexuals, 54:9365
self-observation & self-analysis & humor therapy, neuroses & homosexuality as autonomous self-pity, 53:3626

sex & personal contact with homosexuals & parental influence, attitudes toward homosexuality, college students, 58:9419
sex research, current status, 55:9647
sex role attitudes & cognitive rigidity & tolerance for ambiguity & authoritarianism, attitudes toward homosexuals, college students & faculty, 53:9332
sexual interests & stimuli & interpersonal & social & psychological factors, homosexual groups receiving vs not receiving psychiatric treatments vs heterosexuals, 53:11502
sexual liberalism-conservatism & sex guilt & attitudes toward homosexuality, West Indian male vs female college students, 55:9651
social & legal & economic problems & biases of social welfare & mental health establishment, gay families, 57:5694
social & legal aspects, homosexuality, 53:11523
social class, bias in judicial disposition of criminal cases, defendants prosecuted for felonious homosexual acts, 54:7430
sociological objectivity, homosexual research analysis, 57:12675
special problems & society's attitudes & approaches to reduction of prejudice, gay addicts in drug & alcohol abuse therapeutic community, 56:4581
stigma of homosexuality, economic oppression in labor market & work environment, homosexuals, 54:913
stigmatizing labels of mental illness & sexual orientation, perceptions of deviance & disabled individuals' self perception & homosexuals' cognitive performance & interpersonal effects, female college students & gay liberation members, 56:693
stuttering therapy, spontaneous remission of homosexuality & instatement of heterosexuality, 20 yr old male, 57:6447
survey of gay service organizations, 57:5637
theoretical & practical advantages of multiple therapy with male & female therapists, homosexualty, case report, 56:994
theoretical comparisons of Stoicism & paranoia, 55:1737
training social workers in homosexual counseling, 54:12424
transvestism & homosexuality as biological "play" rather than psychopathology, 54:2933
unconscious drives with defensive processes & adaptive implications, homosexuality as diagnostic category, 54:12045
variation vs deviation, terminology describing nonheterosexual behavior, 55:4442

Honesty
construct validation of measure of authority & social & truth values, college students with different academic majors, 57:2233
conventional vs random response questionnaires using 50 vs 83.3 percent likelihood of having to respond honestly, honest response, US Army company grade officers, 54:10816
counselor's honesty & concern for client, successful counseling, 55:7531
E modeling & demands for honesty & initial level of suggestibility, response to "hypnotic" suggestions, college students, 55:220
elicited & spontaneous verbal vs nonverbal clues, truth & deception during polygraph examinations, 53:3075
encoding & decoding of speaker's nonverbal cues to deception or honesty, deception attribution of speakers, Os, 58:7498
giving deceptive vs honest verbal response to interviewer's questions, pupil size, college students, 57:2664
honest vs deceitful & compliant vs defiant intentions of target, influence in Prisoner's Dilemma game, male college students, 53:9486
honesty & truthfulness in governments & motivations for misrepresentation &/or deception, 54:9421
honesty of self-report of employment earnings & hospitalization, male psychiatric patients, 53:3287
hypnotic vs task motivational suggestibility condition & honesty instructions, reality testing, college & graduate students, 58:6905
important vs unimportant messages in unsealed envelopes marked vs not marked "confidential", return rate & privacy invasion by finders, 58:9504
information reliability & validity, chronic male heroin users, 55:10549
internal-external locus of control & empathy & situational determinants defined by scoring instructions, honesty behavior in self correction of tests, 6th graders, 57:5900
locus of control, honesty, 4th graders, 55:3155
modeling & E trust & trustworthiness, reciprocal self disclosure, college students, 55:4506
moral conduct & moral judgment development, trainable mentally retarded 6–17 yr olds, 57:10576
physical attractiveness, behavioral dimensions of intelligence & honesty & helpfulness & nonprejudice, test of self fulfilling prophecy theory, 55:12312
physical attractiveness, honesty as socially desirable response, 58:7534
self vs other evaluation & reinforcement of textbook reading & answering questions, affective responses to achievement, 4th graders, 55:1422
sex of witness & wrongdoer & authority figure, bystander reactions to simulated petty crime, college students, 57:10279
situational variables of owner characteristics & setting & S personality variables, reactions to lost dollar, college students, 56:9870
verdical vs nonverdical perceptions of control over aversive events, RT & GSR, 55:4003

Hopi Indians [See American Indians]

Hormones [See Also Adrenal Cortex Hormones, Adrenal Medulla Hormones, Aldosterone, Androgens, Corticosterone, Corticotropin, Cortisone, Deoxycorticosterone, Epinephrine, Estradiol, Estrogens, Estrone, Glucagon, Gonadotropic Hormones, Hydrocortisone, Insulin, Melatonin, Norepinephrine, Oxytocin, Parathyroid Hormone, Pituitary Hormones, Prednisolone, Progesterone, Prolactin, Sex Hormones, Somatotropin, Testosterone, Thyroid Hormones, Thyrotropin, Thyroxine, Triiodothyronine, Vasopressin]
ACTH, extinction of lithium chloride-induced conditioned taste aversion in preference & forced drinking tests, male rats, 56:3759
ACTH–melanocyte stimulating hormone 4–10, anxiety & visual memory & visual attention, 21–30 yr old men, 55:6622
adult vs neonatal injections of alpha-melanocyte stimulating hormone, learning & memory & attention, weanling & adult male & female rats, 58:9105
alpha melanocyte stimulating hormone, blood flow to brain regions, male rats, 55:4109
amphetamine sulfate, human growth hormone, endogenous vs reactive depressives vs schizophrenics vs chronic alcoholics, implications for altered brain monoaminergic activities as correlates of depressive disorders, 57:13328
anabolic hormones, voice alterations, geriatric patients, 55:12723
androgen- & estrogen-induced copulatory behavior, inhibition of luteinizing hormone secretion, castrated male rats, 54:2484
biological bases of animal paternal response in species along phylogenetic scale, cultural similarities & differences in human paternal behavior, 57:10144
biological factors & roles of socialization & modeling, sex differentiation during childhood, 57:9947
body image, male vs female transsexuals who had vs had not undergone hormone or surgical treatment, 58:9829
body temperature & endocrine & hormone activity during human sleep, 57:12276
bovine growth hormone, brain biogenic amine levels, normal vs hypophysectomized male rats, 57:657
castration & testosterone, serum & hypothalamic luteinizing hormone releasing hormone content, male rats, 53:581
central adrenergic functioning, role in normal cognitive functioning & learning disability & depression & drug addiction & stress, implications for therapeutic use of gonadal steroid hormones, 57:5190
cerebral electrotherapy, urinary free catecholamines & 17-ketosteroids, adult males, 53:1818
characterization of receptor binding of radioactive thyrotropin-releasing hormone to membranes of brain tissue, rats, 55:3946
chlorpromazine, inhibitory action of ethinyloestradiol on follicle-stimulating hormone & luteinizing hormone & blood levels & stimulation of basal neurophysine levels & growth hormone, college students, 57:2766
cholecystokinin, elicitation of behavioral sequence of satiety, intact male rats & Ss with chronic gastric fistulas, 54:11156
chronic cannabis & differential hormonal treatments, brain 5-hydroxytryptamine & plasma corticosterone & aggressive behavior, ovariectomized rats, 54:7034
chronic intravenous cannulation technique allowing multiple daily blood samples to form serial hormone profiles, 53:531
cognitive mediation, originality & creativity & letter-frequency hierarchy, college students, 55:173
cortical administration of somatostatin & hypophysectomy, motor & sleep-waking cycle, rats, 57:2784
crustecdysone, absence of estrogenic & antiestrogenic activity, rats, 53:11215
C-terminal octapeptide of cholecystokinin-pancreozymin, feeding behavior & satiety, normal vs ventromedial hypothalamic lesioned male rats, 57:7708
cultural & cognitive & hormonal factors, intercourse rate, female undergraduates taking oral contraceptives vs using other birth control methods, 54:5161
cyclic adenosine monophosphate following theophylline treatment, hormonal release of stereotyped programed behavior, silk moths, 57:12431
cyclic adenosine-monophosphate & prostaglandins' roles in neurotransmission & neurohormones role in central nervous system, biochemistry & mental illness etiology, 53:3358
cyproterone acetate, luteinizing & follicle stimulating hormone serum levels, intact vs castrated male rats, 53:2605
cytidine diphosphate choline, plasma growth hormone levels & depression, 53–67 yr old depressive psychiatric patients, 55:10413
delayed-type & immediate-type allergy, stress dermatitis & molecular analysis, 53:3280
dogfish melanocyte-stimulating hormones & corticotrophin-like intermediate lobe peptides, extinction of conditioned avoidance, male rats, 55:6642
dual cerebroventricular & vascular cannulation technique, plasma hormone levels, unanesthetized rats, 58:8615
duodenal infusions of liquid food & chemical &/or colligative load, inhibition of sham feeding due to elicitation of satiety, male rats, role of cholecystokinin, 55:371
estrogen, serum luteinizing hormone level, homosexual males, 53:11170
experimentally evoked affective arousal, cortisol & growth hormone & free fatty acids levels, 22–29 yr old males, 55:11653
exposure to night work, serum gastrin reactions & psychosomatic complaints & personality variables, 18–60 yr old dayworking railway repairmen, 58:574
fetal gonadal hormones, agonistic behavior, pregnant female pigtail monkeys, 54:9003
glucose access & high-fat & high-protein diets & protein synthesis inhibition & glucocorticoids, feeding induced by repeated protamine zinc insulin injections, male rats, 54:9076
gonodal hormonal sex differences, open field defecation in response to dexamethasone, female ovariectomized rats with vs without testosterone propionate, 56:9465
growth hormone, refractoriness of prepubertal activity system to estradiol, immature female rats, 53:620
growth hormone treatment, emotional & medical & family problems, hypopituitary dwarfs, longitudinal study, 55:7661
growth hormone-release inhibiting hormone, behavioral effects, male mice, support for central nervous system actions of peptides, 53:6863
homo- & heterotypical & anti- & adrenocortical hormones, sexual motivation, 54:9022
hormonal & reproductive condition of intruder, aggression, female mice with young litters, 55:3922
hormonal & social factors, nest building, male ring dove, 55:9076
hormonal metabolism, 18–32 yr old homosexual & heterosexual male college students, 54:2449
hormonal profiles & EEG & psychological test performance, women with spontaneous menstrual cycles & taking oral contraceptives, 57:5419
hormone levels & alpha rhythm of EEG & psychological test performance during menstrual cycle, women using vs not using oral contraceptives, 57:2808
hormone therapy in psychiatry, historical survey, 57:6388
hormones, sexual function & behavior, female humans & animals, literature review, 53:599
hypothalamic releasing hormones, neurochemical & neurological & behavioral effects in clinical & laboratory situation, 57:5379
inability of kidneys to respond to exogenous & endogenous antidiuretic hormone, polydipsia & polyuria, SWR/J mice, 54:11169
infant hormonal & metabolic disorders, sleep, 53:3505
injection of egg laying hormone, egg-laying behavior, Aplysia californica, 58:5008
insulin-growth hormone ratio, regulation of body weight & feeding, mammals, criticism of S. Wood & E. Decke & J. Vasselli's theory, 54:6904
insulin-growth hormone ratio, regulation of body weight & feeding, mammals, reply to J. Panksepp's criticism, 54:6919
insulin-induced hypoglycemia & growth hormone release vs catecholamines, neurotransmission abnormalities, 20–64 yr old patients with affective disease, 55:12398
insulin-induced hypoglycemia, growth hormone responses, postmenopausal depressed women, 54:1284
intestinal hormone cholecystokinin, satiety elicitation & food intake inhibition, rats & monkeys, 55:2000
intracarotid injection of radioactive melanocyte stimulating hormone, radioautographic localization of radioactivity in brain, male rats, 55:4145
intracranial or systemic hormone administration, lordosis behavior, ovariectomized guinea pigs, 57:2692
intraventricular somatostatin & thyrotropin hormone, motor system & sleep-waking pattern, rats, 56:9571
iv catheterization, plasma cortisol & growth hormone responses, 18–38 yr old males, 54:4722
iv thyrotropin-releasing hormone as antidepressant, reactive depressive patients, 55:5142
juvenile hormone, dominance & ovarian development, social wasps, 55:2065
kHz level of electronically generated newborn mouse calls, approach responses, lactating female & hormonally primed male & female mice, 57:9686
levodopa, human growth hormone, postmenopausal vs unipolar depressed postmenopausal females vs unipolar & bipolar depressed males, 54:3699
luteinizing hormone & estrogen & ovariectomy, agonistic behavior, female Quelea, 53:523
maternal treatment with growth hormone, prenatal & postnatal development, rats, 58:11241
mating & plasma concentrations of testosterone & luteinizing hormone & prolactin, male rats, 55:343
mating & steroid-induced luteinizing hormone release, gonadotropin release, spayed rats, 53:517
mean plasma prolactin & leuteinizing hormone, emaciated women with anorexia nervosa, 53:1329
melanocyte stimulating hormone & melanocyte stimulating hormone/ACTH sub 4-10 & melanocyte stimulating release inhibiting factor & corticosterone, tonic immobility & body temperature, lizards, 56:9601
melanocyte stimulating hormone release inhibiting factor & thyrotropin releasing hormone, laboratory findings & possible relations to results with humans, 57:5355
melanocyte stimulating hormone vs melanocyte stimulating hormone-release inhibiting factor, acquisition of complex appetitive task, male rats, 55:11817
melanocyte stimulating hormone vs melanocyte stimulating hormone inhibiting factor, acquisition vs extinction of inhibitory response, male rats, 57:7777
melanocyte-stimulating hormone & overtraining, spatial extradimensional shift learning, male rats, 53:2677
methadone, plasma testosterone level & follicle stimulating & luteinizing hormone & prolactin, male methadone patients, 53:6813
milk synthesis process & suckling stimulus & lactation hormones, hyperphagia & body weight, nursing vs cycling vs virgin female rats, 58:4936
model of interaction between endocrine function & agonistic responding, animals, 55:11642
mood & repression-sensitization & perceptual style & physiological correlates, stress induced growth hormone release, 18–32 yr olds, 57:5197
natural & synthetic polypeptides, modification of pentobarbital effects & dissociation of brain & pituitary effects, male mice, 54:11252
neural pathways & chemical transmitters & orogastrointestinal & hormonal & humoral factors, excessive food intake & obesity, 55:2002
neurotransmitter regulation of pituitary secretion & pharmacological agents affecting neurotransmitters, 58:552
nocturnal hormonal profiles, obese vs anorexic Ss vs normal females, 58:5681
oral & iv thyrotropin-releasing hormone, computer EEG & behavior, depressed patients, 55:2697
oral administration of thyrotropin-releasing hormone, schizophrenic men, 55:5139
oral thyrotropin releasing hormone dosages, psychological & hormonal responses, 21–58 yr old depressed patients, 57:1691
ovariectomy & hormone-induced nipple growth & thelectomy, effects of suckling stimulation on aggression, virgin mice, 56:1972
phenothiazines, circulating levels of hormones, female psychiatric patients with inappropriate lactation & amenorrhoea, 53:1649
physiological mechanisms, control of maternal behavior, rats, literature review, 53:9200
plasma growth hormone & cortisol levels at rest & while receiving electric shocks & during avoidance of electric shocks, monkeys, 56:9492
plasma luteinizing hormone concentration reduction, postmenopausal females with unipolar depressive illness, 54:5436
plasma testosterone & luteinizing hormone levels, psychogenic impotence, 20–60 yr old impotent males, 57:3701
prenatal hormones & postnatal socialization, gender identity differentiation, 53:11443
prenatal hormones, differentiation of CNS mediating gonadotropin release & adult sexual behavior, primates, 54:2487
prenatal porcine growth hormone, cortical neuron number & learning ability, offspring of female rats, 53:9106
prenatal 2,4,5-trichlorophenoxyacetic acid, open field behavior, rats, 55:2109
prestimulation, avoidance responding & hormonal dependence, male rats, 57:636
prognostic value, thyrotropin-releasing hormone stimulation test, 25–81 yr olds with endogenous depression, 55:7298
prolonged lithium therapy, plasma levels of antidiuretic hormone, manic depressive patients, 58:9982
protirelin, depression treatment, 53:5862
psychic stress of pharmacology sex examination, serum growth hormone & serum insulin & plasma renin activity, medical students, 57:2673
psychoexperimental model & use of automated test battery, investigation of hormones as psychotropic agents, 57:5330
psychotropic action of hormones, 1974 proceedings of First World Congress of Biological Psychiatry, Buenos Aires, Argentina, book, 57:2650
quantitative pharmacoelectroencephalogram, means for prediction of possible psychotropic properties of hormones, 57:5339
rate of biotransformation of ACTH analogs, pole-jumping avoidance behavior & melanocyte-stimulating hormone activity, male rats, 56:3781
relation of hypothalmic releasing factors to understanding of neuroendocrine mediating mechanisms in psychobiology & psychosomatic medicine, 54:11075
relationship of endocrine gland activity to CNS via hypothalamic hormones & neurotransmitters, 55:290
severity & timing of maternal exposure to thiouracil-treated mash diets, induction of maze learning deficit by thyroid deficiency, rat offspring, 56:7501
sex difference, differential response to neonatal hormonal treatments & early handling, 53:11199
sex-related ichthyosis & mental deficiency & retarded growth hormone deficiency, adolescent, literature review, 57:3420
steroid hormones, behavior, 54:9029
stress, hormonal regulation of immune response, mice, 53:6747
subcutaneous porcine growth hormone each day from day 7 to day 20 of gestation, cortical neurone proliferation & brain weight & learning performance of offspring, pregnant female rats, 55:6625
synthetic alpha-melanocyte-stimulating hormone, extinction of appetitive operant response, male rats, 53:610
synthetic alpha-melanocyte-stimulating hormone, avoidance learning at high vs low shock level, male rats, 53:629
thyrotropin releasing hormone vs luteinizing hormone-releasing hormone vs placebo, depression scores, unipolar & bipolar endogenously depressed female patients, 53:12133
thyrotropin releasing hormone, depressant action on central neuronal activity, rats, 54:9190
thyrotropin releasing hormone, psychopharmacology, male rats & mice, 56:2023
thyrotropin, 26–74 yr old depressives, 54:10198
thyrotropin-releasing hormone, depressive patients, 53:12168
thyrotropin-releasing hormone, hyperactivity response to stimulation of 5-hydroxytryptamine, rats, 54:4809
thyrotropin-releasing hormone, 24–61 yr old severely depressed inpatients, 55:10420
transitions between wakefulness & sleep & statistical evaluation, CNS influences on rhythms of endocrine hormones, 56:9425

Horses
diazepam & promazine, food intake, horses, 58:670
evolutionary level, REM sleep periodicity, goats & ponies & cows, 53:6740
human contact, electrocardiogram & general behavior, horses, 53:485

hypnogram, index of adaptation to changes in physical environment & social context & diet, horses & cattle & sheep & pigs, 56:5454
intensive husbandry, behavioral adaptation, livestock, 56:9357
modification of penile erection, horses & men, aversive stimulating antimasturbatory devices, 53:717
rank & social behavior under natural living conditions, highland ponies & cattle, 58:6956
significance for communication, tail movements, pigs & cattle & horses & goats & dogs & cats, 57:12206
social behavior & group spacing & communication, feral horses, 58:497

Hospital Accreditation
institutional program changes during accreditation survey visit, suggestion for unannounced surveys of mental retardation services, 57:8888

Hospital Admission [See Also Psychiatric Hospital Admission, Psychiatric Hospital Readmission]
admittance procedure, attitudes toward psychiatric hospitalization, patients, 57:13425
age & sex & educational background & parental rearing & social class & social stability, type of clients admitted to alcoholic treatment units, inpatients in England & Wales, 56:1229
attitudes toward attitudes & behavior of hospital staff during admission, patients, 53:10372
characteristics, long stay patients in hospitals for mentally handicapped, 56:10445
community mental health center operation, effects on patients & professional staff & hospital admissions, 57:4089
county characteristics, admission to state hospital for treatment of alcoholism & psychiatric disorders, male vs female alcoholics & psychiatric patients, 53:12339
demographic & personality & drug history characteristics, consecutive admissions to Veterans Administration hospital drug abuse program, 53:5651
demographic characteristics & type of drug problem & drug used, hospital drug abuse admissions, 55:4460
demographic characteristics, admission to general hospital psychiatric unit vs mental hospital, psychiatric patients, 53:8197
demographic characteristics, Ss admitted to hospital emergency room for acute drug overdoses, 55:7259
development of Geriatric Psycho-Social History Outline for use by social workers, reduction of morbidity & mortality rates following hospital admission, aged, 57:6524
diagnoses at admission vs discharge, psychiatric inpatients, 53:12348
distance between hospital & patient's domicile, frequency of admissions to psychiatric hospitals, 57:13438
fiscal problems & clinical issues & decisions regarding treatment modalities as areas of conflict at intake in child guidance clinics, 55:10478
high 1st admission rates & diagnosis for schizophrenia, mental hospitals in London vs west of Ireland, 54:3314
number of hospital admissions & surgical procedures, intellectual status, male vs female children with spinal bifida, 58:5722
number of times admitted for hospital treatment, locus of control & personality differences measured by Mini-Mult, hospitalized male alcoholics, 58:7686
onset of illness & diurnal temperature variation & birth month & season & seasonal variations in hospital admissions, manic-depressive patients, 56:10037
patients' premorbid personality & social setting information, procedures for hospital conferences with families of stroke patients, 54:6131
psychiatric nurses as consultants to patients & physicians in general hospital emergency room, 53:8185
psychosocial characteristics, hospitalization rate & length of stay, males hospitalized for alcoholism, 55:10495
rate of hospital admissions for suicidal behavior across 2 generations, black & white & Puerto Rican adolescents, 55:12492
semantic differential, attitudes toward treatment & treatment personnel at hospitalization vs discharge, alcoholic patients, 56:1210
sex & age of admission & precipitating factors & outcome & family history of schizophrenia or affective disorders, atypical schizophrenic vs schizophrenic vs bipolar vs unipolar depressed patients, 57:6030
social & demographic & psychological variables & personality patterns, voluntary male admissions to state hospital detoxification ward, 53:5645
social & psychometric results for alcoholic addiction units with no selective criteria, alcoholic males, 54:12050
social class & rural vs urban vs suburban environment & occupational status, first hospitalization rates for schizophrenia, 54:7774
specialized terminology & behavior of medical & nursing staff, patient's experiences upon admission to hospital cardiac care unit, 53:8188
successful placement in community group homes vs rehospitalization, mentally retarded adults, followup study, 55:2750
symptom onset & clinical manifestations & related legal & ethical & social problems, chronic hospital admission seekers with apparent acute illness who discharge themselves against medical advice, 58:7747
systematic training program, interpersonal communicative skills development, hospital admission unit personnel, 53:9686

Hospital Attendants [See Attendants (Institutions)]

Hospital Discharge
acceptance of hospital treatment regime as measured by discharge type & hospitalization length, 18–27 yr old vs 45 yr old & older psychiatric patients in acute vs long term treatment hospitals, 56:8518
administrative problems of prereleasing patients, posthospital care of mentally ill by relatives, 54:12443
admission & follow-up information, relationship with staff & therapeutically beneficial vs detrimental effects of leaving institutional facility against medical advice, psychiatric patients, 53:6073
age & ethnic group & previous admissions & elopements, elopement from state psychiatric hospital, patients granted home leave vs discharged patients vs elopers, 56:8526
age & length of stay in mental hospital, economic benefits of securing patients' release, hospitalized patients, implications for selecting patients for token economy programs, 56:10443
agreement between psychological test findings & psychiatric discharge diagnosis, psychiatric patients, implications for value test results, 56:6159
analysis of state hospital population subject to release under Florida law, community resources for meeting patients' needs, 55:12760
arrest rates & crime & violence, patients discharged from psychiatric hospital, implications for aftercare, 57:1402
attempted suicide & suicide following hospital discharge, functional psychotics, 55:4831
attitudes toward diagnosis & hospitalization, compliance with postdischarge recommendations, parents of retarded children, 53:390
attitudes toward hospitalization & discharge, chronic psychiatric patients, 54:10401
attitudes toward their hospitalization & treatment & discharge, former patients of community mental health center, 57:11018
background & admission & discharge, adjustment to treatment program, Caucasian vs Indian male alcoholics, 56:4471
biological & psychological & sociological variables, violent vs nonviolent criminal arrest rates, discharged alcoholic vs nonalcoholic psychiatric patients, 58:12234
care & placement of mentally ill in community, role of mental health professionals & need for collaborative efforts & alternatives, 56:6485
causes & effects of discontinuing treatment following hospital discharge, schizophrenics, 5-yr followup, 57:11032
characteristics of hospital discharges against medical advice, voluntarily admitted mental patients, 58:1791
clinical histories & diagnoses, incidence of drug addiction & chronic alcoholism, patients discharged from general hospital against medical advice, 58:6011
concordance of multiple assessments of mental status & dimensions of outcome, discharged schizophrenics, 2–3 yr followup, 55:7317
consideration for discharge by local authorities, institutionalized mentally retarded, 54:3826
constitutional right to treatment or release of involuntarily hospitalized mental patients, implications for hospital psychiatrists, 58:1905
contacts with mental health center & evaluation of services & treatment, early vs normal outpatient termination, former outpatients, 57:1740
contributing factors & outcome & differentiation from regular discharge patients, irregular discharges from inpatient facilities, review, 57:11035
control vs treatment model of administration, staff's decision to continue vs terminate indefinite commitment, psychopaths in mental hospitals for criminally insane, 54:5544
daily living activity group, preparation for psychiatric hospital discharge & transition to community, psychiatric patients, 55:7743
demographic & military status & clinical variables, hospital discharge disposition decisions & posthospital adjustment, US Navy enlisted men with diagnosed psychophysiological reaction, 4-yr followup, 58:3641
demographic characteristics & achievement & personality traits, prediction of type of discharge status from community hospital, alcoholics & drug addicts, 56:4617
demographic characteristics & diagnosis, amount & types of aftercare services provided, patients discharged from state mental hospitals in Kentucky, 1-yr followup, 58:3953
demographics & personality, psychiatric & alcoholic patients who sought redress from state hospital review board, 54:8227
descriptive analysis, social-emotional support system & presence of skills for independent survival & interaction with environment & others & activities, chronic long term psychiatric patients interviewed 4 days after discharge, 57:1388
diagnoses at admission vs discharge, psychiatric inpatients, 53:12348
discharge from hospital without consent or knowledge of staff as measure of psychiatric patient discontent with treatment, analysis of W. E. Davis's study & R. J. Craig's criticism, 56:4571
discharge from state hospital to rehabilitative & comprehensive aftercare community program, transition phase & role of medication & training of staff, chronic psychiatric patients, 57:6489
discharge summary questionnaire, outcome criteria of short vs long term psychotherapies, psychiatric patients, 54:12255
discriminant analysis, predictors of chronicity, never released vs current extrainstitutional psychiatric patients, 56:10441
duration of psychiatric hospitalization during 130-yr period, Finland, 57:4124
ECS therapy, condition at discharge & duration of hospitalization & social recovery, manic patients, 56:6321
effectiveness of referral techniques, frequency of initially vs continuously successful referrals, patients discharged from inpatient psychiatric unit of urban community mental health center, 55:12763
emancipation of mental patients & hospitalization, 55:5277
emotional adjustment, psychiatric patients unexpectedly discharged due to war, 1- & 10-mo followup, 55:7309
emptying state hospitals, impact on discharged schizophrenics & communities, need for treatment alternatives, 55:5268
ethnicity & age & gender, ratings of improvement at discharge, psychiatric patients, 53:3886
evaluation of hospital discharge to residential care, mentally handicapped, England, 58:10057
expectancies of mental hospital staff & warmth & expectancies of college student "patients" or "therapists," patients' hospitalization outcome & outcome of therapeutic analog, 54:7976
factors leading to prolonged confinement & forces providing belated release & role of social & familial influences, psychiatric hospital discharge after more than 10 yrs of hospitalization, psychiatric patients, 53:6066
family relations & socioeconomic status & societal attitudes, course of mental illness, patients receiving aftercare for 5 yrs after discharge, 53:7534
foster care preparation & placement vs continued hospitalization, social functioning & mood & activity & adjustment, psychiatric patients, 58:3954
hospital discharge, changes in psychic structure measured by intelligence scales & checklists of emotional states, schizophrenics, 58:9659
hospital discharge, readmissions & community adjustment & happiness, long-stay psychiatric patients, followup study, 54:8218
housing association as supportive network & principle of minimum therapeutic dose, discharged psychiatric patients, 55:5244
independent behavior after discharge from aftercare hospital residence program, medically rehabilitated disabled patients, followup study, 56:8533
insight into mental condition & premorbid functioning, participation in outpatient remedial care programs, postdischarge schizophrenic patients, 53:7867
interaction of state of defensiveness during hospitalization & experience of adverse life events after hospital discharge, suicide following psychiatric hospitalization, male psychiatric patients, 57:3603
interpersonal attraction toward & liking vs disliking of patient, assessment of & interaction with & discharge & transfer of patient, mental hospital staff, 57:13429
interpersonal environmental influences, posthospital adjustment, short-term psychiatric patients, 53:6062
judgments of release readiness, hospital discharge, male schizophrenic patients, 53:3895
Katz Adjustment Scales scores of S & significant other, early prediction of post-hospitalization relapse, discharged schizophrenics & nonschizophrenics, 57:12884
legal & medical aspects, psychiatric hospital discharge, 57:8873
legal issues in admission & treatment & confidentiality & discharge of minors, planning of specialized adolescent treatment unit in state mental hospital, 57:11023
mental state at discharge & continuance of neuroleptic medication & sex, work success & readmission rate & death, schizophrenics & paranoid psychotics, 12-yr followup, 56:6133
methodology & rationale, preliminary inquiry on long-term post-psychiatric hospital follow-up, psychotic & nonpsychotic psychiatric patients, 53:6050
milieu therapy program, hospital stay & discharge & adjustment to community, chronic patients in state hospital, 54:3927
multiagency organized hotel program vs long term hospitalization, coping with discharged mental patients' problems & "revolving door" syndrome, 58:12191
negotiation processes, release from a mental hospital, 54:3940
nonhospital institute, discharged psychiatric patients, 57:4063
option vs no option given concerning right to refuse to sign medical release authorization form, subsequent form signing, clients in community mental health clinics, 56:8495
outpatient treatment & prognosis, schizophrenic patients after 1st hospitalization, 1.5–4.5 yr followup study, 57:3495
pattern of communication before & after surgery & after hospital discharge, breast cancer patients, 54:12409
perceived psychiatric ward atmosphere, ward outcome as measured by dropout & release & recidivism rates, male chronic psychiatric patients, 57:4131
perceptions of mental illness & societal labeling, hospital discharge, patients committed to state hospital, 53:11847
pre- & post-discharge hypnotics & minor tranquilizer use, former psychiatric patients, 57:1687
predictions of posthospital adjustment for schizophrenic patients, male schizophrenics vs relatives, 6-mo followup, 56:10031
predischarge conference psychodrama employing role playing, recognition of premature discharge & comprehension of evaluation process, psychiatric patients, 57:3820
problems in mental hospital readmission & subsequent discharge decisions, 57:8891
processes & functions, 10 yr aftercare group, discharged psychiatric hospital patients, 53:3770
psychiatric assessment unit for readmission screening in VA hospital, treatment disposition & discharge planning by staff members, 58:10051
psychiatric diagnosis & hospital discharge, predictive validity of psychogeriatric assessment schedule, 60–96 yr old patients with functional disorders & dementia, 55:11309
psychiatric hospital discharge criteria identification, 53:12341
psychiatric management, precipitation of crises leading to premature hospital discharge, patients, 53:10071
psychiatric residency training program, admission & discharge policies & patient disposition on hospital psychiatric wards, 53:1267
psychometrics, prediction of post-operative convalescence & hospitalization length, cholecystectomy patients, 57:1714
psychosocial factors in & approaches to alleviating hospital overstay, implications for social casework, 58:8043
rate of remaining in hospital & discharge & resettlement & readmission rates & economic status, long stay mental hospital patients, 3-yr followup, 57:6520
ratings of clients, subsequent posthospital adjustment, hospital staff, 53:10347
ratings of consequences of patient release decisions from psychiatric hospitals, social workers from psychiatric & general medical hospitals, 58:8042
reactions to preparation for patient's discharge, families of psychiatric patients, 56:6316
recidivism of mentally ill poor patients, negative aspects of community psychiatry, 54:3800
recovery styles from acute psychotic episodes, color & motion & detail & empty space & global expressiveness of artwork, schizophrenics at admission & discharge & 1-yr followup, 58:11825
relationship with recently discharged mental patient, nonpsychiatrist medical practitioners, 54:3232
release of long-term mental patients from state hospitals, social implications & community acceptance, 53:8147
resocialization program, preparation for hospital discharge, long term psychiatric patients, 54:3924
review of patient population to identify physically fit & potentially dischargeable patients, long-stay female psychiatric patients, 54:6109
role of civil liberties groups for reform & dispersal of patients to community, future of phasing out large mental hospitals, 56:6530
role playing technique to acquaint patients with postdischarge problems, recovering psychotics, 57:13424
seizure control & psychosis & parental marital happiness & physical aggression level & family mental health, successful discharge from residential treatment center, emotionally disturbed epileptic 7–17 yr olds, 57:11026
semantic differential, attitudes toward treatment & treatment personnel at hospitalization vs discharge, alcoholic patients, 56:1210
sex & racial differences, state mental hospital admissions & diagnoses & releases, black & white patients, 53:12329
sign-out letter as civil rights &/or therapeutic issues, hospitalized psychiatric patients, 57:4121
social & medical & economic situations & attitudes toward services desired after discharge, former psychiatric patients, 1-yr followup after psychiatric hospital discharge, 58:4006
sociodemographic & diagnostic characteristics, male patients discharged with vs against medical advice from lock-&-key psychiatric institution, 58:4003
sociotherapeutic methods, reduction of hospitalization length, 55:10519
step-system treatment format of rewards & privileges, discharges from chronic schizophrenic ward, psychiatric patients, 56:2611
success & failure in community, male schizophrenics, longitudinal & follow-up studies, 53:3538
success & failure rates of discharges & predischarge characteristics, understanding of human violence, released Oak Ridge patients, followup study, 55:5272
symptom onset & clinical manifestations & related legal & ethical & social problems, chronic hospital admission seekers with apparent acute illness who discharge themselves against medical advice, 58:7747
techniques for providing information about illness, satisfaction with communications before vs following hospital discharge, medical patients, 58:4005
tolerance of deviance characterizing significant others in discharged patient's environment, performance in community & hospital readmittance rate, older discharged long term psychiatric patients, 57:1729
transfer from institution for criminally insane to open mental health institution, discharge & recidivism, inmates, follow-up study, 53:3897
transfer of patients among state hospitals & hospital discharge policy, discharge rate, psychiatric patients, 54:8222
transferral from correctional hospitals to civil mental hospitals, release rates, prisoners, 54:10397
transition model, placement in regular & special classes following psychiatric hospital discharge, emotionally disturbed & mentally retarded & learning disabled children, 58:4373
transitional care program employing behavior modification & group & family therapy principles in the therapeutic community, maintenance of positive changes & prevention of rehospitalization, newly discharged psychiatric patients, 58:4000
transitional employment program with cooperation from business & industrial firms, vocational rehabilitation, recently discharged psychiatric inpatients, 54:8185
types of clients & lengths of residence & manners of discharge, 27–62 yr old male alcoholics admitted to alcoholism rehabilitation halfway house, 55:1186
unauthorized departures, psychiatric hospital patients, followup study, India, 58:10044
use of hospital discharge potential scale as monitoring technique, psychiatric patients, 54:6101
utilization of adult siblings as resource, discharge planning of mentally ill patients by social workers, 57:6491
utilization of aftercare & rehospitalization rate, psychiatric patients, 1-yr postdischarge followup, 58:4016
utilization of recommended courses of aftercare treatment, patients discharged from Utah state mental hospital, 1-yr followup, 58:3962
validity of ward behavior rating scale as rated by nursing staff, prediction of discharge, long-stay & elderly psychiatric hospital patients, 55:5248
walk-in activities center in state hospital as part of prerelease program, social interaction & decision making participation, psychiatric patients, 58:10038

zero vs non-zero days in hospital, prediction of readiness for discharge, 20–53 yr old male schizophrenic patients, 57:6512

Hospital Staff [See Medical Personnel]

Hospitalization [See Also Commitment (Psychiatric), Hospital Admission, Hospital Discharge, Psychiatric Hospital Admission, Psychiatric Hospital Readmission, Psychiatric Hospitalization]
accidents & poisoning & violence & suicide, causes of death 10–15 yrs after hospital admission, male vs female alcoholics, 53:5634
age & length of hospitalization, Bender Gestalt Test as index of destructuralization, 19–72 yr old chronic schizophrenic inpatients, 58:4635
care improvement in ward, measurement of changes in level of functioning, severely impaired geriatric patients, 55:12791
clinical psychological practice, newly organized pediatric psychology program for hospitalized children, 58:3998
clinical records analysis of hospital deaths during 5-yr period, comparison of psychiatric & somatic parameters with autopsy results, psychiatric patients 70 yrs & older at death, 57:11041
conjoint hospitalization of mother & baby, treatment of postpartum syndromes, 55:7520
contingent faradic therapy, chronic vomiting, hospitalized 7.5 mo old infant, 54:5812
correlation of length of retrograde & anterograde amnesia & hospitalization duration, patients with closed head injuries & unconsciousness & amnesia, 54:9985
counseling orientation program, belief in locus of control & hospital adjustment, newly admitted hospital patients, 56:4572
descriptive analysis of acute illness behavior, progression from symptom onset to hospitalization, Ss who survived heart attack & were hospitalized vs Ss who died prior to hospitalization, 58:7746
detoxification & aftercare services & psychosocial inhospital treatment, posthospital adjustment, alcoholic males admitted to inpatient alcoholic treatment center, 54:1807
development & key cluster analysis of scale of patient attitudes toward chronic respiratory illness & hospitalization, coping with chronic illness, patients hospitalized for chronic asthma, 57:4757
development of hospital stress rating scale, short term medical & social patients, 55:5280
diagnoses & disciplinary difficulties & situational drinking behavior, alcoholism, hospitalized Navy & Marine Corps women, 54:7868
diagnosis & pay grade & length of service & days hospitalized, prognosis for alcoholism, hospitalized US Navy personnel under vs over 25 yrs old, 57:1796
distance from central nursing station & medical service office, severity of mental disorientation & dying process, aged sick & dying, 57:4134
dying & hospital care of dying, philosophical discussion, 57:11019
early childhood hospital admissions, later childhood emotional & behavioral disturbances & delinquency, 10 yr olds from Isle of Wight & inner London borough, replication of J. W. Douglas's findings, 57:6078
early hospital admissions, behavior & learning disturbances in adolescence, 55:5251
educational & direct treatment approach, anxiety prevention & reduction, 8–11 yr old pediatric surgical patients, 58:12221
family member hospitalization, familial stress, 58:12240
family therapy vs hospitalization vs psychotropic drugs vs electroshock therapy, primary vs secondary hypochondriasis, elderly, 56:6310
fears & apprehensions exhibited during oedipal period of psychosexual development & role of nurses, hospitalized preschool girls, 57:2984
freedom to innovate & cooperation from ward staff, introductory playleaders in 2 children's wards of 2 hospitals, 58:8040
general hospitals & nonpsychiatric treatment of psychiatric patients, need for psychiatric training of physicians, 57:4126
genetic mechanisms vs recent excessive drinking, positive reactions to foodstuffs, male alcoholics recently hospitalized for detoxification vs abstinent members of Alcoholics Anonymous, 53:5649
Heimler Scale of Social Functioning, measurement of pre- and post-hospitalization adjustment, alcoholics, 55:10515
hospital as source of emotional disturbance, physically ill children & family, 54:3498
hospital procedures on mother-infant interactions, development of initial mother-infant relationships, 57:6502
hospitalization, husband & wife roles, hospitalized vs healthy Greek male vs female spouses, 55:10508
identity development, psychological adjustment, Black vs White hospitalized adolescents from lower socioeconomic backgrounds, 58:885
illness-related cognitively-altered physical environments in hospitals, psychological reactions & psychotherapeutic guidelines, infants & children, selective literature review, 56:1201
illness-related disturbing experiences in hospital, emotional & affective & psychological responses, children & their parents, implications for management of acutely anxious child in biological or surgical crises, 57:13418
imprisonment & enforced passivity, ego regression, federal & juvenile prisoners & hospital patients, 53:9809
incidence of alcoholism in general military hospital, Michigan Alcoholism Screening Test, active-duty Navy enlisted men, 53:5611
intensive inhospital vs incommunity treatment, adjustment & abstinence, alcoholics, 54:10194
interests in staying in hospital with hospitalized child & availability of facilities, mothers, 55:10498
isolation from family, posthospitalization psychotic episode, 17-yr-old female with anorexia nervosa, 53:5462
length of hospital stay & physical illness, perceptual & behavioral & self report measures of dependency, hospitalized patients, 55:7739
liaison psychiatry, psychological needs of nonpsychiatric medical patient, 58:5766
life change unit scores immediately preceding hospitalization vs 7–12 months prior, newly admitted patients, 53:12354
life changes, hospitalization, reply to H. J. Wershow & G. Reinhart's criticism, 57:8518
locus of control & cognitive style & knowledge of severity of illness, prediction of S coping response to treatment & hospitalization, chronically ill 4–11 yr olds with fatal vs nonfatal prognosis, 57:6161
mass involuntary transfer, cause of death & medical hospitalization, geriatric neuropsychiatric patients, 56:6551
mass relocation, mortality fluctuations as indicator of stress before & after transfer, chronically ill hospitalized geriatric patients, 56:6552
medical hospitalization program vs feedback-behavior modification program, multiple-drug & alcohol abusing US military personnel, 56:1231
medical psychology & psychosocial aspects of illness & hospitalization & medical practice, 55:7747
medical vs psychiatric vs alcoholic ward & patient experience & staff attitudes, therapeutic value, alcoholics, 54:3875
misconceptions about hospitalization & ways for staff to help cope with them, children, 56:1212
mother's rooming-in & anxiety proneness, aggression & postoperative complications & behavior 2 wks after hospitalization, 3–5 yr olds hospitalized for tonsillectomy &/or adenoidectomy, 58:10053
multidisciplinary team approach to patient progress rounds on university hospital cardiology service, 4 case reports, 58:1787
need-for-nursing-care scale development & application, assessment of patient's mental & physical condition & capacity for social activity & integration & need for care, geriatric patients, 54:1784
neonatal pediatric developmental screening & standardized psychological assessment performance at 1 yr of age, intensive care nursery infants, 55:12748
observational technique utilizing behavior scaling procedure, determination of preferred behaviors among available options, alingual deaf/blind retarded 4–24 yr olds in hospital ward, significance for curriculum planning, 58:1785
percentage of psychiatric hospitalizations of elderly, 1954 vs 1974, Cuneo province, Italy, 58:12220
perceptions of important & satisfying & dissatisfying aspects of hospitalization experiences, adult patients in Army hospitals, 53:8180
personality characteristics, Israeli & American soldiers hospitalized for psychiatric vs medical reasons, 55:9920
physician understanding & rehearsal of anticipated events with therapist, ego strengthening & problem solving & coping behavior, 32 yr old female schizoid being treated for acute hospitalization anxiety, 57:8576
predisposing factors & consequences, hospitalization of alcoholics, Bahama Islands, implications for community education, 55:10550
preparation for hospitalization & surgery & sources of anxiety encountered & behaviors demonstrated, 4 yr old Black male who underwent surgery for genital defect, 57:3679
presleep duration & sleep & sleep disruptions during nap time, 2–5 yr old hospitalized children, significance for hospital routine adjustments, 57:6496
primal therapy, hospitalization as traumatic childhood event, 54:5769
problems of abandonment in hospital, children, 56:10436
professions & careers & organizational structure & processes, book, 56:3108
prolonged immobilization, kinesio & psychopathologic & psychosocial effects & iatrogenic & nurisgenic factors, ill aged, 55:926
psychodiagnosis, medical patient with 3 yr history of continuous hospitalization & multiple surgical interventions, 58:5702
psychological aspects & immediate management by family physician, suicide attempts, children & adolescents, 58:3530
psychological problems in prehospital & hospital & posthospital phases, myocardial infarction patients, 55:914
psychometric assessment, accuracy of psychiatric diagnosis & hospital placement, geriatric vs psychogeriatric hospital patients, 54:11949
psychosocial characteristics, hospitalization rate & length of stay, males hospitalized for alcoholism, 55:10495
psychosocial factors in & approaches to alleviating hospital overstay, implications for social casework, 58:8043
psychotherapeutic techniques & role of consulting psychiatrist, coping with surgery & hospitalization, physically ill adolescents, 53:7838
reactions to specific illnesses & personality & speed of recovery & dispensing emotional aid & modification of hospital procedures, hospitalized children, book, 53:6046
recapitulation of separation-individuation process during hospitalization & home care, male 21 mo old hospitalized twice for correction of congenital hip dislocation, 58:1732
regressive & aggressive fighting response to physical restraint during hospitalization, 12 mo old female, 57:4135
satisfaction with hospital care & powerlessness, tuberculosis patients, discussion of previous findings, 56:6550
satisfaction with hospitalization & attitudes of nursing personnel, aggression, male surgical patients, 55:5266
sensation seeking, adaptation to stress resulting from life change, hospitalized medical patients vs healthy relatives & friends & recently hospitalized or injured evening students vs healthy students, 58:7774
sleep, quality & intensity of mood during hospitalization following delivery, postpartum women, 58:12219
social & professional characteristics & knowledge of sociological correlates of illness in relation to patient's length of hospitalization, physicians, 58:12339
social adjustment & economic productivity & hospitalization history & phenothiazine usage & community services, prognosis in schizophrenia, 10-yr followup of 1st admission schizophrenics, 56:9989
social needs & satisfaction with hospital social services & perception of social worker's role, aged former patients of social workers, 56:8505
stress of hospitalization & surgery, dependence & independence levels along prehospitalization–postdischarge continuum, patients who had total hip or knee replacements, 56:1151
surgery & hospitalization for esophogeal atresia, personality development, children, followup, 55:12781
symptomatic disorders associated with somatic disease & reactive states during hospitalization & disturbances connected with patient's release & disorders among staff, psychiatric problems in intensive care unit, 53:8159
systematic psychological preparation & stress-point nursing care, upset behavior & cooperation in hospital & posthospital adjustment & parental anxiety & satisfaction with information & care, 3–14 yr old surgical patients & their parents, 55:1175
telemetric mobility sensing system, assessment of family interaction & hospital ward events, 17 yr old female with anorexia nervosa, 54:8224
theme-focused group sessions, negative reactions to illness & hospitalization, pediatric patients, 57:10793
training program to improve nurse-patient communication, patient improvement & patient care, nurses & patients at general hospital, 57:13419
trait anxiety & prior experience derived from bio-data & coronary artery disease severity, state anxiety during hospitalization, male myocardial infarction vs surgical patients, 58:1484
transfer to alcoholic treatment unit, impression management as self-insight responses, 20–65 yr old male alcoholic inpatients, 53:5629
treatment & management & legal & ethical problems, ill & injured hospitalized adolescents, book, 58:1518
treatment objectives & physical milieu & behavior of other individuals, ward behavior, hospitalized patients, 53:10356
understanding of & guidelines for acceptable sexual behavior in hospital setting, adolescents, 55:12790
unwarranted hospitalization, normative crises, adolescents, 55:1159
views on hospitals & patients & interest in psychopathology & biological theory & nonverbal behavior analysis & psychotropic drug treatment & ego psychology & community psychiatry, collection of E. J. Kempf's papers, 1912–1958, book, 54:1499
work schedule reorganization, length of patient hospitalization & cost per patient & staff absenteeism, 53:8162

Hospitalized Patients
active-treatment vs custodial ward vs combination, activity patterns & use of space, psychiatric hospital patients & staff, 54:12463
activities therapy program, treatment of hospitalized patients, 53:12330
adolescent self image & staff & psychotherapist attitudes toward violent males vs females & extent of violent behavior, male & female hospitalized juvenile delinquents, 55:4832
age & length of stay in mental hospital, economic benefits of securing patients' release, hospitalized patients, implications for selecting patients for token economy programs, 56:10443
age & sex & duration of illness, personality profiles, hospitalized asthma patients, 57:3326
age & ward conditions & special privileges & trouble while away from hospital, patients leaving mental hospital without permission, 54:12441
age of catastrophically ill hospitalized patients & psychosocial variables, emotional status perceptions, nonmedical health care staff, 58:12232
age, prevalence of epilepsy, mongols in English hospitals, 54:1328
age, verbal short term memory & memory recovery, 52–68 vs 21–37 yr old alcoholic patients, 56:4229
analysis technique, types of physician-patient interactions in small community general hospital, 57:11017
anticoagulant therapy with bishydroxycoumarin, organic brain damage secondary to alcoholism, hospitalized patients, 53:10148
antidepressant drug 69276, physiological & psychological effects, hospitalized depressed patients, 54:1593
antiepileptic & neuroleptic drugs & barbiturates & benzodiazepines, hospitalized epileptics, 57:10950
anxiety & depression & ego defense, process of memory recall, hospitalized patients on somatopsychic vs general medical unit, 58:9758
assertive therapy group, interpersonal interaction, 18–50 yr old female outpatients vs 18–30 yr old hospitalized psychotics, 58:3785
assessment instruments, demonstration of change, hospitalized psychiatric patients, 53:12345
associative performance & idiosyncratic responses & response latency, hospitalized schizophrenics, 16-yr followup, 55:9954
attitudes & fantasies, cooperation with research, patients on psychiatric research unit, 54:5469
attitudes & feelings toward strike by health care employees, hospital patients & staff, 57:11029
attitudes toward attitudes & behavior of hospital staff during admission, patients, 53:10372
attitudes toward self & others, 21–55 yr old suicidal vs psychosomatic vs normal hospitalized patients, 53:1383
attitudes toward sexual relations among patients & between staff & patients & among staff in mixed-sex hospital, psychiatric hospital staff, 54:11865
attributional analysis, inability to distinguish sane vs insane in mental hospitals, criticism of D. L. Rosenhan's report, 54:12013
awareness of risk taking of excessive drinking & attitudes toward drinking, 27–68 yr old hospitalized alcoholics in voluntary treatment program, 54:3403
behavior modification, eating behavior following leg amputation, 46-yr-old male hospitalized diabetic, 53:10188
behavior modification techniques, drinking & related behavior & achievement of moderation, chronic hospitalized alcoholics, 54:1710
behavior therapy techniques, inpatient treatment of character disorders, 53:5936
behavioral adjustment, helping behavior, psychiatric hospital patients, implications for treatment, 54:1325
beliefs regarding locus of control, readjustment to community, hospitalized schizophrenics, 55:9929
biographic profile of patients & summary of center activity, treatment center for alcohol & drug abuse, 54:8070
brief psychotherapy during hospitalization period, coping during recovery process, patients with 1st heart attack, 54:1532
brief transference-focused psychotherapy involving selective intervention & nurturing of positive transference & active patient participation, determining posthospital treatment, hospitalized psychiatric patients, 54:12250
bromide drug abuse, 6 hospitalized housewives, 53:1446
changing population characteristics in a university general hospital, psychiatric inpatients, 6-yr longitudinal study, 55:10502
characteristics of acute drug reactions, 50–80 yr old hospitalized patients, 55:4688
client's role insufficiency & supplementation during role transition, diagnosis of nursing problems & nursing intervention, 55:1112
clinical research climate, analytically oriented psychotherapy, acutely schizophrenic patients as Ss in psychobiological investigation, 54:5794
clinical-phenomenological study of dipsomania, alcoholic patients, 55:2501
communication & comfort, dying child in hospital environment, 54:3959
community problems from community-based residential treatment, formerly hospitalized mental patients, 53:8045
computer assisted data collection, token economy program monitoring & recording, ambulatory hospitalized patients, 54:1809
conceptual level matching with therapist, personality orientation & recovery, inpatient alcoholics, 53:3755
content interpretation, impromptu paintings, 4–12 yr old terminally ill leukemic vs hospitalized vs healthy children, 55:7438
counseling orientation program, belief in locus of control & hospital adjustment, newly admitted hospital patients, 56:4572
covert sensitization & negative reinforcement, treatment of disruptive classroom behavior, male adolescent hospitalized delinquents, 55:10381
credit incentive system, motivating participation in therapeutic activities, day hospital patients, 58:9949
delta-9-tetrahydrocannabinol, dysphoric reactions, hospitalized patients with unipolar depressive illness, 54:1559
demographic & history & personality characteristics, attaining normal limits vs elevated MMPI profiles, hospitalized psychotic patients, 58:1308
demographic characteristics & alcohol-related symptomatology, black & white male hospitalized alcoholics, 53:5650
demographic characteristics & medical data, hospitalized battered vs nonbattered children up to 6 yrs old, 55:906
demographic characteristics & type of drug problem & drug used, hospital drug abuse admissions, 55:4460
demographic characteristics, 100 geriatric hospital admission patients, 53:6047
demographics & personality, psychiatric & alcoholic patients who sought redress from state hospital review board, 54:8227
development & key cluster analysis of scale of patient attitudes toward chronic respiratory illness & hospitalization, coping with chronic illness, patients hospitalized for chronic asthma, 57:4757
development of hospital stress rating scale, short term medical & social patients, 55:5280
development of instrument to measure satisfaction with nurses & nursing care, patients in primary care setting, 56:6545
development of Social Role Adjustment Instrument, social adjustment & psychopathology, formerly hospitalized & nonhospitalized female mental patients, 55:12378
diagnosis of normal persons posing as psychiatric patients, psychiatric hospital, psychiatrists, criticism of D. L. Rosenhan's report, 54:12005
diagnostic groups, measurement of aggression & hostility, female patients admitted to general hospital, 54:12143
dibenzepine, reactive & endogenous & neurotic & psychopathic & senile depression, 21–87 yr old hospitalized patients, 54:1585
dosages of pipiothiazine, 8–24 yr old hospitalized patients & continuing outpatients, 57:3972
dropping out of treatment, psychiatric & medical in- & outpatients, critical review, 54:12159
drug usage prevalence & attitudes toward drugs, secondary school students & college students & student nurses & patients attending outpatient clinics & hospitalized patients & young offenders in Glasgow, Scotland, 54:11561
drug vs group vs occupational therapy for depression, alleviation of high death anxiety, hospitalized depressed patients, 56:8292
education & profession & social level & ways of spending spare time, normal Ss vs hospitalized depressives vs drug addicts vs alcoholics, 54:12046
etiology & treatment & prognosis, hospitalized patients with communicating hydrocephalus, 55:2536

evaluation of behavioral observation systems for gathering naturalistic data, reporting of adaptive vs nonadaptive behavior, schizophrenic patients on hospital wards, 54:1285
evaluation of milieu therapy program, chronic hospitalized psychiatric patients, 53:10344
exposure to model who consented or refused to participate & comprehension of request, volunteering to participate in psychological experiment, chronic hospitalized male psychiatric patients, 55:4776
family treatment & individual psychotherapy & small homelike milieu & major tranquilizers, hospitalized adolescent female schizophrenic, 54:12200
feeling expression & emotions toward patients, establishment of human contact, psychiatric nurses, 54:3968
fluphenazine, neurotic & psychotic hospitalized & outpatient Ss, 56:4520
frequency & expression & control of angry feelings, individual differences in illness behavior, patients referred for treatment of intractable pain vs outpatients reporting pain as prominent symptom, 58:1475
frequency & length & content of discussions & written reports about hospitalized psychiatric patients, hospital staff nurses & psychiatrists, 54:5416
frequency of incidence, Australian antigen, psychiatric hospital patients, Opava, Czechoslovakia, 54:5466
goals & methods of speech therapy, aphasic stroke patients, 54:10047
group psychotherapy conducted by staff vs patients, verbal productivity, psychotic inpatients, 55:996
group remotivation therapy, increased verbal interaction, hospitalized regressed male chronic schizophrenics, 58:5825
group therapy & sociotherapy, hospital patients & outpatients, 55:981
group therapy, hospitalized spinal cord injured patients, 58:5829
group therapy sessions, parents of children hospitalized with intractable asthma, 55:1004
guidelines, referral for psychotherapy, hospital patients, 54:3595
haloperidol dosage & side & long term effects, treatment effectiveness, hospitalized psychotics, 53:1678
Hand Test, sociopathic acting out, epileptic patients in day hospital, 53:5720
Holtzman Ink Test & MMPI, prediction of aggressive behavior, hospitalized patients, 55:4692
hospital continuing education program employing group behavioral rehearsal & role playing, attitudes toward & coping with sexual acting out of long term hospital patients, nurses & health care professionals, 56:1291
hospital effectiveness measured by need satisfaction, performance of management functions, hospital patients & employees & physicians, 58:10045
human relations program, awareness & sensitivity to patients' problems & needs, hospital staff, 56:6607
imprisonment & enforced passivity, ego regression, federal & juvenile prisoners & hospital patients, 53:9809
incidence of alcoholism & alcohol-related disorders, hospital patients, implications for training social workers, 54:2936
incidence of psychopathology, hospitalized 5–12 yr olds referred vs not referred for psychiatric consultation, 55:4667
independent psychiatric examination, justification for hospitalization, patients hospitalized against their will, 53:1856
individual psychotherapy with vs without drugs vs medication only & therapist experience, psychotherapeutic outcomes, hospitalized schizophrenics, reply to criticism of Michigan Psychotherapy Project, 57:8585
individual therapy without vs with drugs vs drugs alone & therapist experience, outcomes, hospitalized schizophrenics, criticism of Michigan State Psychotherapy Project, 57:8594
inhospital detoxification, young drug addicts, 54:3722
inpatient care vs outplacement, physical health & level of self care & psychiatric condition & morale, geriatric ward patients, 57:6526
Institutional Aversion Survey Schedule, identification of potential & present aversive stimuli, male vs female 19–66 yr old psychiatric patients, 57:4109
integration & content evaluation dimensions of self images, normal vs psychiatrically hospitalized adolescents, 56:793
internal vs external cuing, fluid intake of preferred nonalcoholic beverage, alcoholic vs nonalcoholic vs obese patients, 55:10006
interplay among psychological & physiological & sociological factors, perceptions & degree of agreement & nature of payoffs in alcoholism, 1st time hospitalized alcoholics vs their psychiatrists vs other hospital personnel, 58:3552
interplay between modern medical practice & supernatural voodoo subculture, hexed patient with regional enteritis, 54:5444
interrelationships among psychiatric resident physicians vs medical student clerks vs inpatients as measured by degree of rapport & ascribed role, 54:12457
interview vs questionnaire methods, evaluation of attitudes toward obstetric nursing care, prenatal patients, 54:8233
intrapsychic adjustment & patient's environment, prognosis, hospitalized psychiatric patients, 56:8509
intrusions on territory & personal space, anxiety, hospitalized patients, 53:1835
Jenkins Activity Scale profiles, coronary-prone behavior patterns, hospitalized patients with vs without coronary heart disease, 53:3497
length of hospital stay & physical illness, perceptual & behavioral & self report measures of dependency, hospitalized patients, 55:7739
levodopa & peripheral dopa decarboxylase inhibitor, Sydenham's chorea, male patients, 55:11814
levodopa, IQ & memory, hospitalized parkinsonian patients, 53:1660
liaison psychiatry, psychological needs of nonpsychiatric medical patient, 58:5766
life change unit scores immediately preceding hospitalization vs 7–12 months prior, newly admitted patients, 53:12354
limited life expectancy & religious belief & emotional adjustment, ward behavior & attitudes, emphysema patients, 55:7426
locus of control & varying environmental conditions, long term preservation or reversal of operant changes, long term hospitalized female schizophrenics, 55:10358
locus of control orientation & duration of disability & demonstrated knowledge about paraplegia, rated progress in physical therapy, hospitalized male paraplegics, 55:10535
low-dose amitriptyline overdoses, patients admitted to general hospital, implications for prescription guidelines, 58:3922
mass relocation, mortality fluctuations as indicator of stress before & after transfer, chronically ill hospitalized geriatric patients, 56:6552
meaning of & coping with pain & suffering, hospital patients, 53:6052
medical emergency management, psychiatric syndromes in intensive care patients, 56:8514
mental health nurse consultation service development, management of psychological & emotional problems of hospital patients, staff nurses, 54:1514
mental illness & emotional arousal & changes in job status & severe fatigue, cardiac arrhythmic disorder & EKG disturbances, patients with cardiac arrhythmias, 56:4333
milieu vs implosive vs brief psychotherapy, hospitalized alcoholics, 53:10192
misconceptions about hospitalization & ways for staff to help cope with them, children, 56:1212
misuse & abuse of diazepam, addiction-prone patients, 55:885
MMPI correlates of extreme field dependence & independence, male & female hospitalized psychiatric patients, 54:9897
MMPI scores, organic vs functional vs mixed groups of low back pain patients, 57:3315
monthly distribution of births, psychiatric hospital patients vs general population, 53:9801
morning coffee hour, socialization behavior, hospital patients, 53:6053
motivation for visits & use of emergency room, patients from family practice, 55:1152
multivariate prediction, assaultiveness, male psychiatric inpatients, 55:10023
mutual story telling technique, communication between pastor & hospitalized children, 53:6003
National Training Laboratory vs traditional therapeutic methods, utilization of empathic responses, hospitalized psychiatric patients, 55:10304
need for greater integration between somatic & psychological/psychiatric treatment, nonpsychiatric patients in general hospital, 57:13435
neuroleptic drug dosages & number of disorders, increased allowable income, work output, British hospital patients, 53:1853
neuropsychological assessment of drug effects, discharged polydrug-treatment program inpatients, 55:4794
noctran 10, sleep disturbances, hospitalized psychiatric & nonpsychiatric patients, 57:3963
noncontingent reinforcement within token economy program, "planning behavior", hospitalized chronic schizophrenics, 58:3864
nurses as members of psychiatric team, management of problem patients on general hospital medical wards, 54:1197
nursing observation of physical & psychosocial aspects of functioning, written plans for nursing care, aging & chronically ill patients, 54:6120
obtaining informed consent for treatment, psychotic parathyroid adenoma patient, 53:10298
open ended group technique, needs of hospitalized stroke patients, 54:10360
operant training, eating, hospitalized anorexia nervosa patients, 54:10241
oral drive & susceptibility, alcoholism & cigarette smoking, hospitalized alcoholics & nonhospitalized controls, 54:1368
patient behavior & physical settings & psychological demand of situations & treatment environments, behavioral consistency, chronically institutionalized psychiatric patients, 54:11978
patient characteristics in Carstairs State Hospital, 18–50 yr old female patients, 55:12354
patient motivation & types of drug addiction & concurrent psychiatric problems & types of therapy, experimental hospital for drug addicts, 57:13466
patient-centered approach, program for improvement of veteran–employee relations, 53:10345
patterns of previous abuse of alcohol, hospitalized drug addicts, 55:10037
payment for work assignments, training involvement & number of hours & weeks worked & rehospitalization rate, patients in short term mental hospital, 54:3937
peer counseling in general hospital, patients adapting to catastrophic illness, 57:6505
penfluridol, hospitalized chronic psychotic females, 57:8786
perceived parental attitudes, chronic alcoholism, Veterans Administration Hospital patients, empirical test of McCord & McCord's theory of origins of alcoholism, 56:8158
perception of parental behavior, 12–18 yr olds in crisis ward at medical center, 55:12355
perception of pediatric nursing role, nursing personnel & hospitalized 4–8 yr olds, 56:1207
perceptions of important & satisfying & dissatisfying aspects of hospitalization experiences, adult patients in Army hospitals, 53:8180
period analysis of EEG, establishment of normative data, 30–82 yr old patients in VA hospital, 57:12249
personality & temperament differences, hospitalized male alcoholics with high vs low traffic accidents & violations, 54:3387
personality factors, vocational rehabilitation, 14–65 yr old male patients with chronic renal conditions & hemodialysis, 54:6065
physical risks involved, rapid smoking treatment to eliminate smoking behavior, hospitalized patients, 55:12686
physiological stress, serum dopamine beta-hydroxylase activity as index of sympathetic-adrenal function, rats & hospital patients, 53:434
plasma cortisol level, diagnosis of suicide risk, hospital inpatients, 53:1441
play therapy, emotional & psychological problems due to hospitalization, hospitalized children, 53:10326
polypharmacologic therapy problems & treatment of toxicomania, chronic hospitalized schizophrenics, 58:5935
postgastrectomy hypoglycemia, organic brain dysfunction, hospitalized patients, 55:10117
prediction of treatment outcome, alcoholic patients treated in general psychiatric hospital vs specialized unit, 54:12442
preferential assessment of nursing activities, patients & nursing officers in military hospital, 56:8513
prescribed psychotropic drug use prior to hospitalization, general medical & surgical hospitalized patients, 54:3670
presence vs absence of childhood onychophagia, suicidal vs nonsuicidal behavior, hospitalized male veterans with personality disorders, 56:869
presleep duration & sleep & sleep disruptions during nap time, 2–5 yr old hospitalized children, significance for hospital routine adjustments, 57:6496
primary & team nursing care systems, patients' perception of nursing care & staffs' perceptions of nursing care & job satisfaction & station effectiveness, state & private hospitals, 56:1202
principles basic to successful operation of drug addiction clinic & psychopathological characteristics needing management during patient treatment, 57:13480
program of administrative supervision of psychoanalytic student interns, treatment of hospitalized psychiatric patients, 58:8094
programed drinking schedule, social adjustment & MMPI profiles, male alcoholic inpatients, 53:10194
programed teaching approach, compliance with health recommendations, patients following myocardial infarction, 58:12179
progression of moods & understanding of their medical condition, coronary care unit patients, 55:910
projective pictures depicting events & people related to hospital environment, focus of attention on objects vs people, hospitalized vs never hospitalized 5–12 yr olds, 53:10346
prolonged psychotherapy, symptoms, hospitalized patients with chronic neuroses, 57:3845
psychiatric management, precipitation of crises leading to premature hospital discharge, patients, 53:10071
psychiatric study, hospitalized alcoholics, 2-yr study, 53:3415
psychoanalytical treatment approach, psychogenic abdominal pain, hospitalized children, 57:3813
psychodiagnosis of pseudopsychiatric patients, psychiatrists, criticism of D. L. Rosenhan's report, 54:11984
psychological & neurological manifestations & causes & metabolic importance & clinical procedures, folic acid deficiency, psychiatric hospital patients, 55:12350
psychological differences, critically vs non-critically ill hospitalized patients vs normal Ss, 55:12584
psychological problems in prehospital & hospital & posthospital phases, myocardial infarction patients, 55:914
psychomotor & projective testing following brain trauma, hospitalized males & females, 55:933
psychosocial characteristics, hospitalization rate & length of stay, males hospitalized for alcoholism, 55:10495
pulse pressure & arteriosclerosis, initial time for perceived reversal in direction of rotating objects, hospital patients & hospital staff, 55:12582
rationale & techniques & material, hypnosis, hospitalized children, 55:12735
rehabilitation hospital treatment, 2 leprosy patients, 53:3881
relationship between perception of time passage & death involvement, hospitalized suicidal & terminal & geriatrically ill & normal patients, 54:3255
response demand technique, self directed group participation & satisfaction-productivity & tension & time orientation & self perceptions of leveling, hospitalized psychiatric patients, 55:7554
responses to phenomena in intensive care unit, consciousness levels, school age children hospitalized for heart surgery, 57:1760
retention of cultural values, posthospital community adjustment, 20–50 yr old schizophrenic male patients born in Puerto Rico & attending posthospitalization aftercare programs, 58:1776
role of psychologist in working with dying person at home & in hospital, 54:10064
role playing & monetary incentives, social interaction & responsiveness, chronic psychiatric patients, 55:1025
Rosenzweig Picture Frustration Study test scores, psychotic vs alcoholic psychiatric hospital patients, 54:9838
satisfaction with technical & interpersonal aspects of coronary care unit, discharged patients, implications for nursing, 56:6531
selected questions from Symptom-Sign Inventory, differential diagnosis, 37–86 yr old long-stay psychiatric inpatients, 56:10013
self administered alcoholism screening test, hospitalized alcoholics & their spouses & counselors, 54:3386
self perception & perceptions of type of nurse who works best with cancer patients & perceptions of typical & ideal hospital & cancer patients, surgical vs medical vs cancer vs outpatient department nurses, 58:4102
semi-automated assertion training procedure, teaching denial assertion to unreasonable demands, chronic hospitalized mental patients, 55:10362
serotonin uptake & efflux from blood platelets, autistic 3–6 yr olds vs nonautistic hospitalized 5.5–11.5 yr olds vs normal 5–12 yr olds, 57:1400
severity of alcoholism, cognitive style & intellectual performance, hospitalized alcoholics, 53:9834
sex & iv vs oral drug dependence, self esteem, in- vs outpatient drug dependent vs normal Ss, 58:5568
sex chromosome aneuploidy, male patients in hospitals for mentally retarded & maladjusted, 53:9916
sex differences, history of parental alcoholism, state hospital alcoholics, 54:7848
sexual life & sexual satisfaction & sexual frigidity, 40–60 yr old females hospitalized for myocardial infarction vs other diseases, 58:3619
short term family therapy, short term hospitalized patients, 54:1629
slant vs length vs texture judgments, visual capture, male hospital patients vs college students, 54:8787
smoking attitudes & quantity, hospitalized veterans, 53:9929
smoking behavior & attitudes toward smoking, willingness to participate in smoking cessation program, male VA Hospital patients, 54:10373
social deprivation or satiation, reinforcing properties of social stimulation, chronic male hospitalized schizophrenics, 54:11986
social group work, expression of emotional reactions & provision of supportive milieu & exploration of alternative behaviors & attitudes, hospitalized rheumatoid arthritics, 58:1786
social learning or token economy vs social learning & milieu approach using group pressures & patient decision making responsibilities with response contingent management, generalization of adaptive inhospital behavior to community settings, hospitalized patients, 54:8226
Social Readjustment Rating Scale validity, differentiation between previously hospitalized vs nonhospitalized college students, 53:3884
social services of experimental hospital for drug addicts, patients' personal & interpersonal relationships in & outside hospital & aftercare & job placement, 57:13469
social work intervention, hospitalized patients experiencing assaults to self image & changes to life style, 56:6521
social work with hospitalized terminally ill & their families, social workers, 54:10350
sociodemographic & clinical & dispositional characteristics of patients, attitudes toward suicide attempters, psychiatric residents, 54:5363
socioeconomic factors, hospitalized psychiatric patients, 53:7604
socioeconomic status, content & function of verbal interactions with adults initiated by child, disadvantaged vs advantaged hospitalized preschoolers, 55:2778
standardized rehabilitation program in therapeutic community, voluntary male alcoholic patients, 1 yr followup study, 54:8062
stimulus overinclusion, hospitalized acutely ill psychiatric patients, 53:5575
structured learning therapy with modeling & role playing & social feedback-reinforcement & with subsequent training, meal-time social behavior, chronic inpatients, 56:4467
structured vs unstructured teaching format & body image, compliance with post-hospitalization prescriptions & knowledge about life following heart attack, 32–75 yr old male patients, 58:12181
survey of suicide attempts, hospitalized medical & surgical patients, 7-yr longitudinal study, 56:2495
symbolic modeling & therapeutic expectancy & social reinforcement & social stimuli, social interaction behavior in hospital, withdrawn chronic schizophrenics, 55:9930
symptom onset & clinical manifestations & related legal & ethical & social problems, chronic hospital admission seekers with apparent acute illness who discharge themselves against medical advice, 58:7747
theme-focused group sessions, negative reactions to illness & hospitalization, pediatric patients, 57:10793
theory & practice of mental health team, immediate & short term treatment of burn victims, hospitalized Israeli soldiers injured in 1973 Yom Kippur War, 56:1213
therapeutic activities of thiothixene & its place among antipsychotic drugs, hospitalized psychiatric patients, 55:2688
therapeutic value, extended patient bedside visits, physicians, 54:6103
therapist & patient field differentiation, inpatient psychotherapy, 53:5814
tilidine hydrochloride, analgesic activity & side effects, hospitalized postoperative orthopedic & trauma patients, 53:1680
time of day & day of week of suicide, male hospital patients who committed suicide, 54:5556
time-out from positive reinforcement, management of malingering in hospital, 10-yr-old male with intractable bronchial asthma, 53:12188
token economy, ego correlates of behavior change, chronic state hospital patients, 55:10503
token economy system, modification of activity level, patients with chronic pain syndromes, 58:3873
token economy ward in large psychiatric unit, nurse-observed behavior changes, patients, 53:12351

token reinforcement group therapy, generalization of verbal conditioning to verbal & nonverbal behavior, chronic psychotic hospitalized female patients, 53:5949
Totally Automated Psychological Assessment Console test battery & computerized report writing, development of automated system of intelligence testing & report writing, VA hospital patients, 57:7143
training & communication, dealing with deaf hospital patients, nurses, 54:3960
training program to improve nurse-patient communication, patient improvement & patient care, nurses & patients at general hospital, 57:13419
treatment objectives & physical milieu & behavior of other individuals, ward behavior, hospitalized patients, 53:10356
treatment setting & role of psychiatric consultants & psychological implications of accidents, patients with multiple trauma in intensive care units & trauma centers, 57:1505
treatment time length & integration into hospital social structure, patients in rehabilitation hospital, 53:6067
typical vs pathological reactions, neuropsychiatric complications, child burn patients, follow-up study, 53:9917
value structure, prediction of drug rehabilitation discharge, residential addicts, 53:1681
variations in immediate environment & level of malaise & stressful experiences, onset & duration & disruption of sleep during scheduled daily nap time, 2–5 yr old hospitalized medical & surgical patients, 56:8086
videotape modeling in alcoholism rehabilitation, psychological adjustment & self confidence & motivation to stay sober, male hospitalized patients, 55:7785
videotaped self confrontation or role modeling treatment, drinking behavior, 25–55 yr old alcoholic inpatients, 55:1195
view of significance of life events, hospitalized depressed patients, 53:9810
visits with patient's family by groups of patients, resocialization & family attitudes toward hospitalized relatives & stereotyped attitudes & understanding by psychiatric staff of patient-family relationships, chronic patients, 53:8182
ward milieu, attitudes toward mental illness & dehumanization, hospitalized psychiatric patients, 55:10512
Wyatt vs Stickney case, right to treatment, mental hospital patients, 56:1214

Hospitals [See Also Psychiatric Hospitals, Sanatoriums]
abortions, university hospital ward staff problems, 53:9407
activating rehabilitative nursing in geriatric hospital, geriatric patients, 57:13415
age & population, use of hospital emergency room vs health center, 53:8160
age & shift & preceding hospital experience & work during program & hospital size, job satisfaction & satisfactoriness, newly licensed nurses, 57:1849
Alcoholics Anonymous group establishment in VA hospital alcoholic treatment unit, families of alcoholics, 57:11030
ambulatory psychiatric services in hospital, summary of activities, 53:8177
analysis of staff & facilities & programs, child psychiatry division in Harlem Hospital Center, 53:8196
analysis technique, types of physician-patient interactions in small community general hospital, 57:11017
assessment of effectiveness of VA Spinal Cord Injury Service, inpatients & outpatients & physicians & staff members, 58:6039
auditing records of inpatients & outpatients for quality control, hospital clinic psychological service, 58:12224
cancer research & treatment unit, social work methods & specialization, 53:3863
clinical examinations & ward setups & communicable diseases & art therapy, geriatric wards, geriatric patients, 22nd Symposium of Kyushu Neuropsychiatric Association, 53:10338
community hospital role, treatment of alcoholic patients, 53:12287
community hospital treatment, alcoholics, 53:12151
construction & statistical validity & reliability, "What Do You Think About Hospitals?" scale & Hospital Behavior Rating Scale, male senior high school students & student nurses & registered nurses & hospital patients, 54:8710
consultation in general hospital by psychiatrist & clinical nursing specialist, nursing management of patient's behavioral problems, 55:5252
consultation services & inpatient & outpatient referrals & population, integration of psychiatric unit within hospital, Brazil, 53:3898
consultative role in diagnosis & therapy, psychiatric nurse in general hospital, 54:12452
cybernetic model, nursing unit characteristics, Veterans Administration hospital nurses, 55:10435
discussion groups & individual counseling with patients & inpatient & outpatient care services & clinical organization & research & psychological support services, medical cancer care program in general hospital, cancer patients, 53:12334
distance of patient's home from hospital, frequency of visiting & siting of hospitals in rural areas, visitors to patients in geriatric & psychiatric & subnormality hospitals, 53:12335
early experience in hospital stimulation program & parental education, learning & visual attention over 1st mo of life, newborns, 58:9307
economic & linguistic & cultural factors, patient populations served & treatment staff, psychiatric section of general hospital, French Guiana, 54:8220
evaluation & treatment concepts in day clinic, Maudsley Hospital in London, 56:1208
evaluation of social climate & ward atmosphere studies, 55:10505
extending clinical psychology into psychiatric public health services, 55:5337
feasibility of day hospital services, physicians & psychiatrists & medical heads & lay heads of social agencies, 54:8168
foundation & treatment methods of Marmottan Center, voluntary therapeutic inpatient hospital for drug addicts, France, 57:13463
functional social work in hospital setting, 54:8209
functions & activities of psychiatric ward consultation & liaison nurse services, ghetto hospital, 53:8184
general data & diagnoses & indications & referral routes, psychiatric unit in general hospital, 57:6497
guided play in pediatric hospital playroom, anxiety & sleep habits & regression behavior, 2–6 yr old patients, 55:1169
historical & organizational development, 1st psychiatric department in general hospital, Copenhagen, 55:2771
history from 1945–69 & models of future care, psychiatric services in general hospitals, 56:6534
hospital effectiveness measured by need satisfaction, performance of management functions, hospital patients & employees & physicians, 58:10045
hospital performance & size & type & location & administrator age & tenure, information sharing as interorganizational activity, hospital administrators, support for "slack" explanation, 58:6495
hospital size, management styles & behavior, Oklahoma hospitals, 58:1793
human relations training, work atmosphere & communication skills, nurses & social worker & technician on orthopedic unit of hospital, 57:13275
immediate effects of improved hospital environment, behavior patterns, mentally handicapped Ss, 54:10381
infirmary death & terminal illness, college students, 54:12653
interaction frequency between staff member & supervisor & consensus of both on expectations of supervisor's behavior, evaluations of task performance of colleague supervisors, hospital physicians, 57:4256
interdisciplinary consultation program, integration of psychosocial care in general hospital, 53:10357
involvement of family members in treatment of patients, medical & psychiatric hospitals, Asia & Africa, 57:1761
leader behavior & subordinate's role ambiguity, subordinate satisfaction & performance, administrative & professional & technical & service personnel in hospital, support for path-goal theory, 53:10606
level & patterns of staffing nurse personnel, 54:11880
liaison psychiatry on coronary care units, 54:6136
mental health counselor role, psychiatric liaison service of general hospitals, 53:1814
mental health education & community consultation, community psychiatry, 53:8082
mental health engineer as closing gap between research & application to hospital administration, 53:8175
more effective emergency ward treatment of suicidal patients in Toronto general hospital, 54:10399
need for psychotherapeutic messages in all therapeutic work actions, physicians & nurses in coronary care units of hospitals, 57:10983
neonatal mortality rates, urban hospital vs US vs Sweden, 1960–1969, 53:9944
new format for ward rounds, correction of deficiencies in history-taking & interviewing & physical diagnosis techniques, hospital physicians on large medical service, 53:3239
non-job-specific behaviorally based rating scales, hospital environment, 54:4313
organization & frame of reference & economics of psychiatric outpatient unit of hospital, 58:3995
organizational climate, job satisfaction, university teaching hospital nurses & administrators, 53:10602
organizational level, leadership behavior within hospital environment, nurses, 56:10518
organizational structure, performance outcomes, British hospitals, 55:13703
parent evaluation of medical social services in children's hospital, 54:10369
perceptions of hospital organizational climate, job satisfaction, nurses working in hospitals, 57:14128
perceptions of important & satisfying & dissatisfying aspects of hospitalization experiences, adult patients in Army hospitals, 53:8180
physician-manned medical clinic vs nurse-manned chronic care clinic, treatment of hypertension, 55:7744
policies & procedures & staff & background facilities & patient characteristics & diagnoses & admissions, Swedish psychiatric emergency service, 54:3946
polypharmacy with psychoactive drugs, elderly hospitalized patients, survey of Veteran's Administration hospitals, 56:8459
preliminary considerations, establishment of outpatient psychology screening clinic in pediatric hospital, 55:12782
prescribing habits for psychotropic drugs, internists & surgeons & gynecologists on inpatient wards in teaching hospital, 54:3663
prevalence of alcoholism on general military hospital wards & emergency room admissions & patient days & admissions with concomitant medical or surgical problems, US Army hospital medical-surgical ward, 54:7857
primary & team nursing care systems, patients' perception of nursing care & staffs' perceptions of nursing care & job satisfaction & station effectiveness, state & private hospitals, 56:1202
primary nursing as organizational modality, quality of patient care & patient satisfaction & cost effectiveness in acute care setting, nurses, 57:8872
principles basic to successful operation of drug addiction clinic & psychopathological characteristics needing management during patient treatment, 57:13480
problems in deliverance of emergency services in hospital-based community mental health center, 55:2746
problems of implementation, medical center rape crisis intervention program, 57:1767
project for expansion of vocational rehabilitation services to rural hospitals, cooperation with welfare medical assistant program, 53:12327
provision of psychological services in general hospital setting, 55:7751
psychiatric intervention with paraprofessional support, provision of consultation to hospital general medical staff who treat alcoholic & drug addicted patients, 57:1795
psychiatric nurse specialist, role in hospital medical-surgical area, 53:5394
psychiatric nursing & forms of treatment, Connecticut state hospitals, 1868 to 1972, book, 53:8152
psycho-ecological model, role of psychologists in VA Spinal Cord Injury Service, 58:6031
psychological aspects of geriatric rehabilitation, hospitalized geriatric patients, 57:13422
public hospital emergency room crisis intervention employing trained volunteer companions, rape victims, 57:6474
rationale & curricula & structured teaching procedures, remedial language training program in hospital, 55:13468
reactions to work in emergency room of general hospital, psychiatrists, 55:2776
responses to phenomena in intensive care unit, consciousness levels, school age children hospitalized for heart surgery, 57:1760
role as consultant to hospital pediatric service, psychoanalysts, 58:6009
role interexpectation & role satisfaction in innovative drug abuse community-oriented treatment program in traditional setting, treatment staff members & involved administrative personnel in VA hospital, 57:8903
roles & organization & financing, psychiatric consultation-liaison services in general hospitals, 57:13430
satisfaction with technical & interpersonal aspects of coronary care unit, discharged patients, implications for nursing, 56:6531
settings & roles & specific experiences available during training in pediatric hospital, clinical psychologist trainees, 55:12875
sex, perception of doctors, 20–70 yr old patients from government vs mission vs private clinics, India, implications for medical training, 58:10135
social environment on ward, job satisfaction, mental health associates working in state hospitals, 57:2103
social system mythology, contextual approach to medical ward psychiatric consultation, 53:1847
state hospital reorganization along treatment program lines, psychology staffing, 53:8158
suitability of psychiatric staff assigned to hemodyalitic unit of general hospital, 54:10400
talk time program in university hospital pediatric ward, bedridden children, 54:10392
telephone consultations subsequent to geriatric milieu therapy workshop, adoption of therapy program in nursing homes & hospitals, 56:8511
therapeutic community, neuropsychiatric department of general hospital, 55:10509
treatment time length & integration into hospital social structure, patients in rehabilitation hospital, 53:6067
variables within medical centers, development of community mental health programs, 58:3977
work schedule reorganization, length of patient hospitalization & cost per patient & staff absenteeism, 53:8162
Yom Kippur War, social structure & community of general teaching hospital in Jerusalem, 54:11488

Hostility
aerobatic flight, anxiety & hostility levels & blood glucose & cholesterol & triglyceride & plasma-free fatty acids & serum thyroxine, volunteers, 55:6422
aggression & exposure to aggression-eliciting vs inhibiting stimuli & hostility catharsis & hostility-reducing alternatives to aggressive behavior, 53:5323
aggression & hostile thoughts & awareness, Rorschach performance, male prisoners, 55:7373
aggressive humor stimuli, cathartic effect on measured hostility, male delinquent adolescents, 56:2500
aggressive provocation & sympathetic arousal level & knowledge of mitigating circumstances behind provocation, retaliatory behavior, male college students, 55:12276
aggressive stimuli & victim visibility, aggressive behavior measured by horn honking from drivers, 54:9617
analog treatment using direct instruction vs indirect suggestion, hostility & direction of change, 21–45 yr old neurotic anxious & aggressive psychopathic male prisoners, 58:12264
anger arousal & type of expression & communication destiny, anger & cathartic value of self expression, college students, 55:9787
anxiety & aggressive habit strength interaction, aggressive feeling expressions & intensity & social messages & physiological recovery time after aversive noise signaling poor performance, prison inmate volunteers, 57:7506
apology vs verbal attack by E after arbitrary waiting situation & chance of retaliation, state depression & hostility & retaliation amount, male vs female college students, 57:12079
attempted vs never considered suicide, depression & personality & hostility & number of convictions, male convicted murderers, 56:8174
attitude changes toward racial hostility & identification with police, college students riding in suburban vs core city police cars, 54:9436
behavior modification principles, reduction of disruptive & hostile behavior, 14–34 yr old severely & profoundly mentally retarded, 56:1085
behavioral indices of aggression & hostile content on TAT, male institutionalized juvenile offenders, 56:857
birth order & sex & authoritarianism & self reported hostility & hostile relevance level of TAT cards, projection of hostility into TAT stories, college students, 55:9858
Buss-Durkee Hostility Inventory, measure of violent attitudes vs behavior, long term prisoners, 54:7847
censure of vicarious aggression, differential reactions to male aggressiveness toward nonassertive female, male vs female college students, 53:6686
characteristics & reactions, families of patients on chronic hemodialysis, 55:12569
chlordiazepoxide & oxazepam, hostility as inner motivational state, moderately & highly anxious male research volunteers, 55:1076
chlordiazepoxide, hostile & irritable & anxious symptomatology, anxious neurotic outpatients, 54:1608
chlordiazepoxide hydrochloride, affective & behavioral hostility in social interactive setting, male volunteers, 53:4748
client friendly vs hostile behaviors, offerings of nonpossessive warmth & accurate empathy & genuineness, male vs female clinical psychologists, 57:6268
client's race & hostility/friendliness & sex, empathy & positive regard & genuineness responses, counselor trainees, 58:3754
construct validity, Holtzman Inkblot Technique anxiety & hostility scores, college students, 57:9370
correlational analysis, Hostile Press & Fear Survey Schedule, college students, 55:4593
crisis-type confrontations with students, resolution strategy for teachers, 57:1985
cross-validation, experimental MMPI scales measuring control & hostility & social maladjustment, psychiatric outpatients with posttest arrest for felony vs no arrests, 53:5616
crowding & competitive interaction, anxiety & depression & hostility, college students, 55:9753
defense mechanism preferences, high vs low hostility-guilt male vs female college students, 57:8321
degree of hostility arousal & object exposure & appraisal of objects, aggressive behavior elicitation following exposure to commonly available hostile objects, males, 57:2498
dependence on other & opportunity for thought, interpersonal hostility, male college students, 53:9550
descriptive vs insulting expression of anger toward S, S's subsequent aggression as reflected by setting shock intensity, 57:8234
diagnostic groups, measurement of aggression & hostility, female patients admitted to general hospital, 54:12143
electrosleep vs placebo, anxiety & hostility, male psychiatric patients, 57:10668
elimination of item imbalance, validity of MMPI Overcontrolled-Hostility scale's ability to discriminate among criminal groups differing in propensity for violence, response to T. E. Deiker, 55:56
emotional distance & overcloseness in family process, hostile Rorschach responses, juvenile delinquents, 58:11887
establishment of nurse-patient relationship based on therapeutic communication, hostile unwed Black pregnant adolescent, 57:4040
experimental heroin addiction cycle, verbal interaction & role behavior in small group setting, heroin addicts, 57:1403
explanation given for provocation by E, subsequent hostility & ratings of intentionality, 12–14 yr olds & high school students, 56:6033
expression of aggression & hostility, obese college women, 55:4934
expression of feelings vs cognitive reinterpretation of criticism vs both, reduction in hostile aggression, male college students, 54:5239
factor analysis, repeated state hostility & guilt measures, female high school students, 56:3257
fantasy, anger reduction, violent vs nonviolent vs overcontrolled hostility inmates, 55:10536
father absence & family size & birth order & sex, self esteem & alienation & hostility toward adult world, Black vs White college freshmen, 58:1260
father loss due to mutually-agreed separation or divorce of parents or desertion, differential expressions of hostility & depression, adolescent girls, 55:2267
"feeling ladder," frustration & resentment & defiance & indignation as threat-induced anger, 54:3591
field dependence & sex & stressful group situation, use of defense mechanisms & expression of guilt & hostility & shame & neuroticism level, adults in Tavistock workshop, 58:7923
free association anxiety & hostility, junior high school students referred vs not referred by school guidance personnel for counseling, 55:4325
guilt & anxiety & sex, TAT & self report & peer-related hostility discrepancies, junior high & high school students, 55:7213
high vs low aggressiveness & personality traits, emotionally disturbed male adolescents in residential treatment, 58:3517
high vs low scores on Paired Hands Test measuring interpersonal feelings on friendliness-hostility dimension, predictability of friendly cooperative behavior in group task assignment, 4th–6th graders, 57:10247
hostile & violent environment, social attitudes & cognitive functioning, Catholic & Protestant 6–10 yr old males, Ireland, 56:3878

hostile attitudes toward mother figures & social isolation & biological factors & situational stresses, postpartum depression, new mothers, 57:5994
hostile or friendly group characterization & group structure, group perception under stress/nonstress conditions, physical education students, 57:10235
Hostile Press measure of fear of failure scores, Philosophies of Human Nature Test scores, college students, 55:4600
hostile vs neutral treatment procedures, mood & conceptual level & ability to label & rate client affect & empathic responses, beginning counselors, 55:10564
hostility & aggression, Black hypertensives vs diabetics vs diabetic hypertensives vs general medical patients, 58:5699
hostility & direction of expression, depressed patients, 53:3345
hostility & emotional tension & tension release through creativity in therapy, 58:3780
hostility & guilt & need for approval & assault, expression of aggression under arbitrary & nonarbitrary frustration, college students, 55:9783
hostility & mystery of sexual difference, perversion, discussion of Freudian & anti-analytic theories of sexual aberration, 57:3524
hostility & mystery of sexual difference, perversion, discussion of R. J. Stoller's paper, 57:3532
hostility & sex & race, creative thinking ability, white & black college students, 55:7196
hostility & type of drug & oral vs iv drug use, drug dependent groups of patients, 58:9687
hostility arousal & aggressive humor, catharsis & humor preference, college students, 53:9578
hostility measurement, fantasy capacity, high school students, 54:1157
hostility patterns, patients with unipolar vs bipolar affective illness, 53:3263
hostility-guilt & dependency needs & blood pressure change following frustration & opportunity to aggress against frustrator, essential vs renal hypertensives, 58:7770
impulsivity & intent to kill & motivation for attention by others & self directed hostility & medical consequences, pill overdose vs violent methods of suicide attempts, patients at hospital emergency room, need for drug education, 54:1353
impulsivity-reflectivity & tendency toward hostile &/or aggressive behavior, right vs left temporal lobe epileptics, 58:11970
incidental stimuli associated with love & hostility & fear, focal story-writing task, applicability of motivational theory of personality, 55:3816
increasing incidence & hostile or malicious intent, false fire alarm conflict, firemen & ghetto dwellers, 56:549
individual differences, heart rate responses to affective sound, dental hygiene & other female students, 54:9006
induced mental & physical stress, anxiety & hostility & depression ratings & estimates of own emotional reactions, male vs female college students, 56:8010
initial resistance to training sessions, reorientation from traditional operations to community-oriented team strategy, police officers, 53:10598
instigation & aggressive vs neutral film, cathartic vs aggressive responses, male college students, 53:8844
instigation of angry feelings & aggressive retaliation, construct validity of MMPI Overcontrolled Hostility scale, prison inmates, 55:5948
insult & approval, aggressive behavior, male high school sophomores, 55:12232
insult vs no insult & reading of aggressive vs neutral vs erotic passages, subsequent aggression, college students, 58:1091
insulting vs neutral evaluations from partners & practiced vs unpracticed responses after observation of movie violence, delayed effects on aggressive reactions, male college students, 56:6027
insults & aggressive modeling & vicarious reinforcement, aggressive behavior, male young adults, 58:1181
internal consistency & retest reliability, hostility scale for MMPI Form R, chronic detoxified alcoholics, 56:3248
internal-external locus of control, hostility & morality-conscience guilt, male vs female college students, 57:3299
interview with hostile client of same vs opposite race, self concept & anxiety level & degree of racial prejudice, high school counselors, 58:10595
IQ & academic achievement level, emotional stress & hostile aggression & fantasy need for achievement, male vs female children, 57:12805
level of provocation & provoker attributions, aggression & anger, 57:5822
manipulated anger level & fear of confederate administration of shock, aggressive response level to confederate vs confederate friend vs nonassociated person, support for conflict theory of aggression displacement, 57:10295
marihuana, hostile feelings & verbal hostility in small group setting before & after introduction of frustration stimulus, 21–30 yr old males, 57:5386
metabolic & mental rest & epinephrine stimulation & starvation, plasma free fatty acid levels & anxiety & hostility responses, obese vs normal Ss, 56:10200
mode of counterresponse to verbal attack, initial victim's hostility toward self & aggressor & relationship & communication with aggressor, female college students, 58:3345
narcissistic rage from loss of mirror relationship, combat aggression, combat soldiers, 53:9845
nonviolent/nonresistant values, control & management of hostility, members of Mennonite Church communities, 56:7759
opportunity to counteraggress, hostility, female college students, 55:7156
organizational frustration, reported performance of potentially detrimental behaviors, employees, 54:12754
overperception of ghetto hostility toward police, adults & policemen, 53:2938
oxazepam, review of clinical cases associated with excitement & hostility & laboratory research of effects on hostility, 54:10187
parent discussion group, children's attitudes concerning family & social relations & self concept & parents' attitudes concerning authoritarian-control & hostility-rejection & democracy, parents & children, 55:6947
parental love-oriented vs power-assertive discipline, hostility & guilt & conflict over hostility, male graduate students, India, 56:5923
patterns of aggression dynamics as measured by Buss-Durkee Inventory, general hospital patients with variety of physical illnesses, 57:3720
patterns of aggressive behavior & related hostile attitudes, women, 58:3250
personal & impersonal frustration & intensity of instigation conditions & trait hostility, state hostility response intensity, male college students, 57:3388
personal history variables & personality traits measured by MMPI performance, Overcontrolled-Hostile personality constructs & scale performance, highly vs mildly violent vs nonviolent female offenders, 58:9685
phone conversation with depressed patient, depression & anxiety & hostility & rejection & perception of patients, normal female college students, 56:2455
predictive validity, Buss-Durkee Hostility Inventory, male psychiatric patients, 58:2549
prejudice toward Negroes, hostile behavior via shock-giving to whites vs Negroes in trainee role, college students, 55:12265
presence of white vs Negro counselors & task complexity & labeling, performance on digit symbol task & incentive & expectancy & defensiveness & hostility & anxiety & task satisfaction, black 7th & 8th grade males, 53:12504
prosocial vs hostile aggression, effects of provocation & victim's pain cues on aggressive responses, college students, 57:3271
protriptyline vs nortriptyline, hostility & somatic symptoms & recovery, psychiatric patients, 55:1083
provocation followed by opportunity to immediately retaliate vs waiting in solitude, retaliatory activities, male vs female college students, 58:5364
psychodrama, overt & covert & verbal & nonverbal hostile group members, 53:5825
psychotherapeutic processes & techniques, treatment of pathologically angry patients, 58:7825
punitive threat & anxiety level, hostility, American Indian high school boarding students, 55:10940
race & sex, hostile & aggressive behavior, black vs white 10th graders, 56:9946
race of target & insult & potential retaliation, aggressive behavior, black female college students, 55:7102
racial group composition, racial-aggressive humor appreciation, Black & White male college students, test of reference group theory, 58:3307
rational emotive therapy training, self understanding & insight-based actions & decreased anxiety & hostility & improved sexual adjustment, graduate students, 54:11874
relationship between fear of failure as measured by hostile press & somatic reactions to stress, college students, 55:4601
repeated administrations of state hostility & guilt measures, estimation of trait hostility & guilt & factor structure of traits, male high school students, 55:12336
role playing vs discharge vs intellectual analysis in short counseling-analog sessions & level of focusing, reduction of personal anger conflicts, female college students, 57:13150
Rorschach test, assessment of hostility, literature review, 54:3138
scenarios depicting offensive vs defensive force vs threat, perceived aggression, 55:4539
scores on Overcontrolled Hostility Scale & egocentric balance & empathy & aggressive behavior during hospitalization, psychiatric offenders grouped on basis of their criminal charge, 58:7697
self disclosure level, hostility & authoritarianism & anxiety facets of diminished mental health, Black female college students, 58:3369
self perception of strong vs average hostile tendencies, anxiety & projection of hostility, high vs low paranoid college students, 58:6884
self ratings of hostility, nonendogenously vs endogenously depressed vs nondepressed psychiatric patients, 55:4767
sex & age & race, locus of control & reactions to interracial hostility, Black vs White college students, 58:3409
sex, aggression after discussing feelings or opinions, previously insulted college students, 58:7482
sex differences, guilt reactions to hypothetical guilt-inducing situations of sexual or hostile or moral nature, males & females, 54:8506
sex of provoker, perception of provocation, female vs male college students, 58:7497
social skills training, modification of abusive verbal outbursts, 26 & 48 yr old male psychiatric patients, 56:6405
sociocultural model with socioeconomic relations as basis, hostile intergroup images, 57:3039
stereotyper's attribution toward & delivery of consequences to target person, post-experiment hostility & liking of stereotypes, college students, 56:2352
structural & behavioral orientation, theory of intergroup antagonism, 54:5198
structural learning therapy vs focusing manual instructions as methods of teaching "focusing", level of experiencing & hostility & depression, female psychiatric patients, 55:12428
subliminal presentation of aggression vs loss vs oral gratification stimuli, mood depression & hypomania & hostility & self esteem, college students, significance for psychodynamics of elation, 55:9904
symbolic modeling vs systematic group desensitization, counselor response to client hostility, beginning counseling students, 58:12328
teacher interpersonal movements & amount of influence on students' effort, & anxiety & hostility & depression, students, 57:13885
threat of freedom loss & opportunity to protest & restoration vs nonrestoration of freedom & perceived reason for outcome, hostility & attitudes toward threatener & feelings of internal control & self perception, 57:12736
timing information about mitigating circumstances, emotional responses to provocation & retaliatory behavior, male college students, 56:7991
validity of Behavioral Interpersonal Personality Test, measurement of hostility, school children with behavioral problems vs functioning satisfactorily, 55:5942
validity, Overcontrolled Hostility scale of MMPI, youthful offenders, 55:5951
ventilation of anger, subsequent hostility feelings, college students, 57:4995
verbal conditioning, measurement of expression of hostility, depressed & nondepressed Ss, 56:832
viewed violence, aggression & hostility, discussion of catharsis effect, 55:12255
viewing of various replies to inappropriate & angry criticism, characterization & rating of replier, college students, 55:752
viewing stress-inducing slides & locus of control, skin conductance & nonspecific electrodermal responses & feelings of discomfort & anxiety & depression & hostility, college students, 58:4951
written vs oral attitudinal vs counterattitudinal responses to angering communication, anger & hostile behavior & physiological responses, college students, 55:4559

Hot Line Services

altruism & authoritarianism, number of words used & referrals made over telephone, crisis center volunteers, 58:1756
American University Hotline, manual for trainers, 56:2730
awareness & call rates, effectiveness of college phone help line, college students, 56:8782
caller-therapist interaction in conversation, showing & not showing & canceling appointments, telephone referral calls to suicide prevention & crisis centers, 55:10476
caller-worker value orientation congruency, worker's empathy & warmth & genuineness & techniques & use of referral sources, untrained vs newly trained vs veteran lay volunteer crisis telephone workers, 58:10016
calling hotline vs thinking about vs talking to self about problems, problem solving skills & feelings of control immediately vs 1 wk after treatment, 58:1740
community mental health center emergency telephone service counseling effectiveness, experienced vs inexperienced volunteers vs professionals, 58:12208
concept & growth & policies & training & procedural manual, university student-operated & community-oriented hotline telephone service, 53:12284
conceptual functioning, preferred responses to interpersonal situations, college student workers vs volunteers vs nonvolunteers for telephone help line, 57:6482
concreteness of volunteers' verbal expressions & motivation of callers for receiving help, prediction of show vs no show for appointments for face-to-face counseling, callers to suicide prevention & crisis service, replication of Slaikeu et al study, 55:1134
counselor voice & speech style & personality variables & client preferences, client-centered therapy & telephone counseling, telephone counselors & psychiatric patients, 53:10266
crisis counseling & informational telephone therapies, 54:6021
crisis intervention center, number & time of calls & age & sex of callers & problems initiating call & importance in suicide prevention & comparison to US data, Prague, 58:3967
demographic characteristics & intelligence & MMPI scores, accepted vs rejected volunteer applicants for telephone crisis intervention center, 58:1757
development & validity & reliability of empathic listening test, selection & training of telephone crisis workers, college & graduate counseling students & telephone crisis workers, 57:1835
empathic listening vs active advice giving styles of telephone counseling, college students, implications for paraprofessional training & outcome evaluation of ongoing telephone counseling services, 57:11004
empathy & therapeutic orientation, paid & volunteer crisis phone workers & professional therapists & college students, implications for selection of volunteers, 54:9768
ethical issues in evaluation of community-based hotlines, criticism of R. Genthner's research procedures, 57:1726
ethical issues in evaluation of community-based hot lines, response to M. Baizerman's criticism, 57:1735
hot lines in counseling, referrals & sex information & planned parenthood, 54:6046
interagency network for rape crisis intervention, 58:1747
MMPI, prediction of conscientiousness, hotline volunteers, 57:4521
peer-counseling telephone service, women, 58:1767
perceptions of crisis call center, mental health professionals & agency volunteers, 53:1293
perceptual-judgmental & activity-interpersonal relationship preferences, prediction of ratings by peers & expert judges on empathy & genuineness & warmth, college student volunteers in telephone crisis center, 58:8483
personality traits & needs & helping styles, nonprofessional volunteers in telephone crisis intervention center training, 58:6095
pre- & posttraining self–ideal congruency & level of therapeutic functioning, college student volunteers in hotline center, 54:9791
problems of telephone counseling services, handling calls from males who masturbate while talking to female counselors, 56:6522
procedures & issues, operation of 24-hr crisis service dealing with child abuse, 53:3838
psychotherapeutic character & value, mental first aid & crisis intervention telephone services, 58:10010
punctiliar emergency psychotherapy, conceptualized synthesis of principles of psychodynamics & crisis theory in hot line setting, 57:8659
rape-crisis telephone answering training manual, paraprofessionals, 56:2746
rating phone calls between role playing callers & hot line workers, evaluation of counseling & information-giving skills of hot line telephone crisis centers, 53:10230
role & function of suicide prevention telephone services, US & Australia & Europe, 57:13405
selection & training & evaluation, suicide prevention telephone work paraprofessionals, 55:12920
staff & training & questions, operation of sex information telephone service, 54:6006
strategies & approaches, "hot line" telephone counseling, 54:3813
suicide rates, callers to poison information center, 55:12774
systematic observation method, categorization of helper-helpee crisis center telephone interactions, 54:3824
telephone conversation analysis, effectiveness of psychotherapeutic counseling by telephone, telephone counselors & female clients, 53:1816
telephone counseling, masturbation, 53:12102
telephone counseling, operations & staffing of Suicide Prevention Incorporated & Youth Emergency Service & Acid Rescue, 53:10250
telephone hot line service, screening & training problems, teenage listeners, 55:1121
training guide for operating hotline, 13–21 yr olds, 54:9789
validity & reliability, measurement of telephone counseling effectiveness, hotline users & counselors, 53:12298
Vermillion Crisis Intervention training program, communication of empathy & discrimination skills, male & female college & graduate students, 58:10148

Housewives

activity choices & satisfaction & psychological functioning & personality traits, married female middle aged college graduates with children, 57:1083
advantage & risk & complexity & observability & compatibility as innovation attributes, purchase outcome prediction, housewives, 53:6293
affective reactions to relocation in new community, low vs high socioeconomic status housewives, Australia, implications for community psychology, 58:3184
aftercare programs using housewives & ministers as volunteers, hospital readmissions, schizophrenic outpatients, 54:1737
age, personality traits & psychological needs, college educated homemakers with vs without careers, 55:12317
appearance & taste of coffee, perception of new coffee product, housewives, application of proximity judgments by multidimensional scaling & multivariant analysis of variance, 54:8535
attitude structure & normative beliefs & perceived instrumentality & pessimism & alienation from neighbors & government & general ecological issues, paper recycling, female heads of households, 55:11198
biographical inventory data, consumer behavior typology, housewives, 55:5851
brand attribute evaluation, brand choice, housewives, longitudinal study, 53:2024
consumer attitude toward product & availability & economic factors, housewives, 57:7102
convenience & offering & degree of risk, catalog buying behavior, Georgia housewives, 53:6297
dogmatism, perception of risk in consumer choice decisions, housewives
exposure to TV advertising, attitude change & choice of new brand, housewives, 53:1126
feminism, androgyny & anxiety & self concept, members of feminist organizations vs college students vs working vs nonworking women, 57:8146
flowchart formats vs standard set of paragraphed instructions for telephone dialing, telephone scientists & engineers & housewives, 54:6510
group career counseling program, career obstacles & knowledge of information sources & career alternatives & occupational attitudes & self confidence, female homemakers vs college students, 58:10680
grouping of printed digits, forced-paced manual entry performance, engineers & clerical & shop workers & housewives, 53:8515
housework & paid work as sources of satisfaction, working class married women, 57:9211
Human Resources Center program, enhancement of change in suburban communities, housewives, 54:3985
information load varied in terms of brand numbers & amount of information per brand, brand choice behavior, housewives, 53:6283
media effects, cognitive activity & counterargument & source derogation & supporting argument & message retention & acceptance of advertising message as attitudinal responses, 25–55 yr old housewives, 53:5296
mental anguish & resultant pathology, plight of uprooted housewives, 54:11631

need for achievement & career patterns, actual & ideal participation in marital decision making & husbands' actual & ideal performance of domestic activities, wives, 58:9394
neighborhood socioeconomic status & interracial mix, amount of interracial contact & aspiration similarity, Black & White homemakers, 57:10073
parental attitudes & parent identification, career vs homemaking orientation, college women, 55:4319
perception of social episodes, analysis of categorical & dimensional representations, housewives vs college students, implications for taxonomic system, 56:7861
personality & attitudes & significant others & demographic characteristics, choice of life style & sense of identity, 30–58 yr old college-educated wives & mothers, 56:8050
personality characteristics & interpersonal relations, spouses in 1- vs 2-career families, 57:3085
personality traits, television preference & viewing behavior, London, Ontario housewives, implications for advertising, 55:13745
phosphate detergent ban vs brand continuity, demographic characteristics & attitudes toward laundry detergents & phosphate regulation laws, housewives, 53:1008
Position Analysis Questionnaire, analysis of homemaker job, female homemakers, 54:8582
price & brand cues, perceived quality of selected products, housewives of various socioeconomic groups, 56:1568
price differentials & promotion & advertising & product availability, consumer choice behavior under semi-artificial conditions, housewives, 57:11677
product price & package design & brand familarity, perceived quality & purchase intentions, housewives, 56:8909
race & marital status & level of education, value orientations, black vs white female academicians vs homemakers, 55:9556
range of behavior & attitude alternative & group size variation & probability of particular behavior & attitude occurrence, group conformity influence, housewives, 55:7082
reactions to buyers of prepared vs nonprepared foods, housewives, 56:3151
relationship between cognitive brand loyalty & product class importance, consumer brand choice behavior, housewives, 55:3402
reliability, mathematical models of birth intention, Chinese housewives, 58:11557
retirement & former work life, perceived level of social contact & adjustment, middle class women classified as still working vs retired vs housewives, 58:7263
satisfaction levels & satisfaction correlates of homemaker work role, female full-time homemakers & full- or part-time outside job holders, 58:10712
sex role socialization, work satisfaction, females with full-time employment & full-time housekeeping, 53:12712
social & work roles, depressed housewives vs working females, 54:11987
social character of women in changing Indian society, upper & middle class Hindu housewives & women professionals, India, 55:4351
sociology of housework, urban housewives, book, 54:11606
taxonomy, prepurchase information gathering patterns, Canadian housewives, 53:11647
test of psychological reactance theory predictions, attitudinal response to implementation of antiphosphate ordinance, housewives in middle income areas, 54:11600
theoretical antecedents & predictive validity of M. Fishbein's Behavioral Intention Model, housewives' responses to consumer questionnaire, 54:4301
time spent doing housework, 1973 vs 1923 unemployed vs employed women, 53:7262
TV vs radio vs newspapers, contributions to fulfillment of cognitive & affective & social-integrative & escapist needs, housewives during vs following 1973 Middle East war, Israel, 57:7838
types of "interest" in TV commercials, housewives, 53:7367
viewing of TV commercial promoting fish consumption, psychoanalytic view of evoked fantasies, housewives, 55:9820
Women's Liberation Movement & perceived childhood socialization experiences, liberal-conservativeness & sex role stereotypes in attitudes & behavior, mature female students vs housewives, 55:12162

Housing

ability to maintain & acquire social relationships, sense of powerlessness & normlessness & social isolation as alienation from moving into public housing, elderly, 54:2795
age & social class, stress associated with discrepancies between aspiration & achievement in housing, urban Filipino men, 58:3390
age integration of public housing projects, well-being, elderly tenants, 55:12088
analysis of desires & health & income & mobility, survey of housing needs, aged, West Germany, 57:8053
assessment & evaluation, living conditions of social deviates in urban environments, Sweden, 57:9257
attitudes of area residents toward urban apartment projects, implications for establishing ideal living environments, book, 58:2406
attitudes toward & assessments of married student housing, college student occupants, 57:9275
attitudes toward rent debate & allowance take-up, tenants who claimed benefits vs nonclaimers, England, 56:3101
changed housing, social adjustment & morale, 62 yrs & over Ss, 55:9561
collaboration between planners & area residents, production of housing project, 56:10913
community development in housing, increasing tenant participation in public housing management, 54:9492
computer simulation for evaluation of alternative government housing actions & policies, decision to move & search & selection process components, 56:8953
conceptual framework of rehabilitation, social structure of housing in community, psychiatric patients, 53:8092
cooperative apartments as alternatives to residential care, formerly hospitalized mental patients, 58:7996
crime & vandalism rates, attitudes & behavior in use of urban housing development facilities, residents, 55:13742
cultural & family norms, housing adjustment behavior, families, 55:1698
decision making regarding housing selection, families in planned townhouse development, 55:6956
demographic characteristics & mental disorders, homeless single psychiatric patients vs representative sample from common lodging houses, 58:9635
descriptive analysis, social interaction patterns & roles in slum hotel, aged tenants, 55:12086
descriptive investigation, behaviors & attitudes during stages of residential relocation process, families, 55:9617
desire to live in senior citizen apartment building, elderly nonresidents, 54:5056
detached vs apartment housing, satisfaction with housing environment & propensity to move, residents, Denmark, 56:10915
development of functionalist ideas concerning man & his built environment, Sweden, 57:9261
differential perceptions of various physical components of modern residential neighborhood, Copenhagen, 56:10920
distance of patient's home from hospital, frequency of visiting & siting of hospitals in rural areas, visitors to patients in geriatric & psychiatric & subnormality hospitals, 53:12335
dominant norms of freedom & privacy & utilitarianism & social interaction, single-room occupancy hotels, aged, 54:2801
dormitory vs single occupancy cell prison housing, systolic & diastolic blood pressure & pulse rate, prisoners, 55:1180
ecological variation, prevalence of "old & handicapped" & sociopathic & depressed types of suicide, urban areas in England, 57:6043
economic welfare & housing & health & family & social support & knowledge & use of public services, elderly homeowners & blacks & Polish & hotel residents & Rogers Park residents & public housing residents, Chicago, 56:544
employee lodging, hygienic requirements & relationship to mental & physical strength, 58:2293
evolution of residence hall administration at Ohio University, 1883–1969, 57:1889
exploratory study of life style, family consumption expenditures, suburban families, 55:6959
freedom-of-choice & personal space & physical setting, efficiency of task oriented group, students in all-women's Catholic high school & urban families from various housing environments, implications for habitability research, 57:7084
gift-situation reactions relevant to ego strength & dependency & retentiveness, elderly male & female public housing residents, 54:3110
group size & privacy, residential crowding, college students, 53:1038
group-home program, independent living in community, former mental hospital patients, 54:6035
growing up in public housing projects, development of psychological strength & success achievement, 20–35 yr olds, 58:11515
house vs apartment living, incidence of psychiatric illness & personality traits, females, 57:2128
household needs & preferences & activities, design criteria for living units, elderly, 54:5073
housing & status of women & childrearing & education, summary of section relating to Moshi District in study by National Research Council of Tanzania, 55:628
housing association as supportive network & principle of minimum therapeutic dose, discharged psychiatric patients, 55:5244
housing characteristics, well being, elderly tenants in federally assisted housing, 55:4353
housing environment research, need for involvement of tenants in decisions & planning that affect their housing conditions, 56:10918
housing types vs contentment with housing, loneliness, elderly, 53:2901
improved housing, long-range effects & determinants of satisfaction, aged tenants, 57:1038
improved public housing facility, morale & life satisfaction, elderly residents, 56:7752
income expectations, housing purchase & consumer decisions, Wisconsin households, 55:13746
increase in welfare programs & housing improvement, Denmark, 56:9737
in-depth interviews, self-concept & occupation & housing & leisure time & politics, 16–22 yr old working youths, implications for education & counseling, 53:2035
interaction patterns with kin & friends & neighbors & housing satisfaction, Ss over age 55 living in retirement hotel, 57:12597
involvement of local government in solving urban problems of transport & housing & roads & planning & environmental protection, 55:13741
large urban housing developments, mental health hazards & problems, epidemiological study of Mulhouse, 55:13744
law & income & maintenance & housing & employment & social services, findings of Britain's Committee on One-Parent Families, 54:9503
life disturbances & personal independence & housing & neighborhood satisfaction, consideration of moving, Ss aged 62 yrs & older, 54:2796
long range satisfaction with low-rent public housing project vs previous living situation, elderly tenants, 54:5059
maintenance of function in relocation, healthy aged moving voluntarily vs nonmovers, 55:4357
making public survey research data of racial discrimination in housing, 54:7412
mathematical model, determination of low income family residential preferences & location decisions, Texas families, 57:128
model employing predictor & selection process & ouctome of move variables, decision to move to planned townhouse community, 53:995
multifamily housing environment, strategies for adapting to sensory load, 4 & 5 yr olds, 58:12848
neighborhood context, play facility use in multifamily housing, children & teenagers, 58:6507
neighborhood racial characteristics, attitudes & social behavior & health, female adult low income housing residents, 56:7755
organizational participation & age & sex & education & number of children & residence & income as determinants associated with developmental process, life satisfaction during 4th decade of life, female college graduates & males chosen to share life, 58:9232
perceived privacy options & self esteem & internal control, aged, 55:12278
personality traits & childhood housing history, housing style preferences, 58:11748
physical distance between residences & amount of face-to-face contact, choice of friends & enemies & strength of liking & disliking, townhouse residents, 57:12769
population density & housing & pharmacological treatments, rodents, implications for studies with humans, 55:13735
preindustrialized vs industrialized communities, semi-private & semi-public housing areas & social interaction & isolation, Denmark, 56:10919
problems & need for cooperation between neighbors & researchers, housing research & planning, 56:10924
proximity, acquaintance links in high rise residence measured by small world method, residents, 58:1078
psychiatric illness, apartment vs house dwellers in military community, 53:11883
psychological principles for design of dwellings, 57:9274
purposes of & attitudes toward housing & environmental threats, lower class, 54:2019
racial attitudes & responses to Black vs White information requests conerning apartment availability, attitude-behavior consistency in racial discrimination, apartment complex managers, 57:10094
reminiscence & life reviewing as adaptation to severe life change & dissatisfaction with past life, elderly people living in sheltered housing, London, 54:2785
residence in different resident halls & personality, perception of college environment, sorority vs traditional female vs fraternity vs traditional male college students, 56:2965
residence propinquity & age & race & sex similarity between chooser & chosen, friendship network, city housing project residents, social space theory analysis, 57:3042
resident satisfaction with subsidized housing facilities & importance of total living environment & physical unit & management, private multifamily housing project residents, review, 58:6505
residential constraint, psychological & social correlates of life satisfaction, residents of retirement home vs retirement village, 55:11910
residential location in urban area, life style differences measured in time-space framework, suburban vs urban middle income families, 56:6949
residential priorities & acceptance of racial mixture, status concern theory of residential prejudice, female students & married & homebound females, 56:2202
social class & home ownership vs rental, prejudicial attitudes, black vs white community residents, 56:9748
socioeconomic status, residential location choice & housing distribution patterns in metropolitan area, 54:2912
sociological research, housing policy & program formulation, 54:9502
subsidized homeownership, attitudes, black families of low & moderate income, 55:12065
successful vs unsuccessful placement in group living homes, adaptive behavior, mentally retarded 16–45 yr olds, 57:4085
tenant & project characteristics, dimensions of well-being, urban public housing families, 54:897
Turn Key-3 government housing project, self image, couples, 55:9550
use of outdoor space in urban housing environment, low- & middle-income inner-city neighborhoods, Baltimore, Maryland, 53:12586
value hierarchies & types, identification of behavioral potentials in consumer housing decisions, female college students & parents & male friends, 53:1024
values & vocational interests & current housing, architectural preferences, male college students, 58:12849
visitation to apartment house managers, racial discrimination in apartment rentals, black & white confederates, 54:7304
wife's employment, income & satisfaction with housing & neighborhood & social class & marriage & division of family decision making & household chores, Black vs White families in lower working class neighborhood, 57:10145

Hue

achromatic contrasts vs subjective ratings & Shepard-Kruskal multidimensional scaling analysis, minimally distinct borders between juxtaposed heterochromatic fields, 53:6575
additive color mixer for exploration of color solid, 54:4412
color hue & value & chroma, perceived heaviness of color compared to white, 20–23 yr old optometry students, 56:9081
color perception & hue categorization, 4 mo olds , 55:6719
color vision in peripheral retina, hue & saturation, adults, 58:6786
colorless patterned field exposure to 1 eye & patternless colored field exposure to other, pattern-contingent chromatic aftereffects, humans, 54:6686
complementary surround, shifts in yellow & blue unique hue loci, female Ss with normal trichromatic color vision, 56:97
culture, color & emotion synthesia, Guatamalan Spanish vs Mayan Izutujil, 56:568
dark & light adaptation, hue discrimination in peripheral color vision, paid college students, 53:201
degree of perceptual uniformity, Munsell & Swedish Natural Color System scales, 53:10835
exposure to familiar wavelength vs another from same vs different hue category, response to hues, infants, 56:2131
hue & brightness & contrast with background & observation time, figural dominance in ambiguous patterns, female college students, 57:7346
hue category, looking time & perception & recovery from habituation, 4 mo olds, 55:11927
hue discrimination & studies of neutral zone, trichromatic vision, 3 mo olds, 56:5768
lateralized colored stimuli, hemispheric hue & saturation sensitivity differences, right handed Ss, 57:2309
linear & nonlinear opponent color coding, 56:1730
localization of stimulus at response key, generalization along hue dimension after nondifferential training, pigeons, 54:7130
luminance & hue differences, visual evoked cortical potential color vision pattern response, color normals vs protanopes vs tritanope vs deuteranopes, 53:4367
luminance levels, spectral equilibrium colors & non-spectral equilibrium red & additivity, test of closure properties for opponent processes, 53:6555
modified 3-key matching-to-sample procedure, transfer of hue matching, pigeons, 55:11577
performance in hue discrimination, invariant points in hue shift functions, pigeons, 56:3522
psychophysical procedure & stimulus duration & state of visual adaptation, Bezold-Brucke hue shifts, 57:11919
psychophysical procedure & stimulus duration, measurement of Bezold-Brucke hue shifts, male Os, 58:10899
retention interval between habituation & test & retroactive interference, recognition memory for hue, 4 mo olds, 56:7622
retinal ratio theory vs everyday experience of lightness perception, perceived lightness dependency on perceived spatial arrangement & lateral inhibition explanation, 58:2614
saturation level, error in lightness, female college students, 53:2245
scaling of saturation & hue shift, summary of results & implications for opponent color theory, 54:2276
separate chromatic thresholds for each hue of binary hue stimuli, 56:1714
stimuli defined by chromatic contours, stereopsis, 53:6540
stimulus exposure duration, Bezold–Bruecke hue shift, 54:6667
subtractive effect of red inducing field, perception of hue & explanation of chromatic induction, 56:1736
successive chromatic contrast, visual sensitivity, evidence for interactions between photopic mechanisms, 58:6804
surface color preferences, art students, 55:3629
temporal response characteristics of chromatic mechanisms isolated under hue substitution conditions, 57:7328
visual colorimeter technique, psychophysical measure of simultaneous color contrasts, Os, 53:8700
wavelength composition of reflected light & illumination cues & surface composition & texture & organizational tendencies & 0's attitude, perception of surface color, 55:1798

Human Biological Rhythms

abrupt change of time environment, sleep & cardiovascular adjustments & circadian rhythms, healthy humans, 57:604
age & stress, organization of sleep-waking state, 2 vs 8 wk old infants, 57:885
alcohol, circadian variations in cognitive performance, male medical students, 53:9070
alterations of wake-sleep cycle, physiological & biochemical & multiple task performance responses, young men, 58:562
altered sleep duration & sleep period time displacements, auditory vigilance task, habitual long-sleeping college students, 56:3599
amphetamines, circadian rhythms, obese Ss, implications for psychological dependence mechanism, 57:12379
awakenings from different EEG stages of sleep & day body temperature, estimation & production & reproduction of short time intervals, 18–24 yr old males, 57:9756
behavioral ratings & intelligence test scores, diurnal variations in excretion of free & conjugated metanephrine & normetanephrine, 9–12 yr olds, 53:11063
"beyond time" isolation in caves, polygraphic study of bicircadian period of sleep & waking cycle, young males, 53:2483
biological clocks regulating sensory & psychomotor aspects of perception, healthy vs emotionally disturbed vs brain damaged Ss, 58:11783
biological rhythms disturbances, depression syndromes, 53:3532
biological rhythms of mind, psychosomatic adaptation to social stimuli or pathological aberrations, 56:8087
biorhythmic cycles, perceived emotional state & family interaction, adults & minors, arousal theory interpretation, 57:5198
biorhythms & guide for construction of biorhythm charts, book, 56:7427
biorhythms, physical & emotional characteristics & coping with daily problems, book, 54:11130

change from Daylight Saving Time, time of waking & oral temperature & feelings of alertness rated over 10 days, 57:605
chronopathological structure of diurnal variation, manic depressive illness, 55:4785
circadian body temperature, chronic schizophrenic vs nonschizophrenic chronic psychiatric patients vs nonpatients, 57:10478
circadian placement & sleep vs wakefulness during retention interval, long term verbal & visual memory, college students, 58:2694
circadian rhythm changes, work & nonwork activities, Ss in isolation inside submarine, 55:3345
circadian rhythms in mental activity, humans & animals, discussion of chronobiology in neurology & psychiatry, 56:9423
circadian rhythms, problems of long distance jet airline traveller, 54:9031
circadian temperature variations, fluctuation of motor function in multiple sclerosis, 53:1532
circadian variation, rate of ethanol metabolism, alcoholics, 53:11921
circadian variations, catecholamine excretion & body temperature & attention & subjective arousal, Swedish Army conscripts, 58:556
circumcision, sleep–wake states, male neonates, 53:515
computerized study, night-to-night & epoch-to-epoch variations in frequency of activity of sleep sigma spindles, 10–15 & 20–40 yr old & Ss over 65 yrs of age, 53:4548
concepts & principles of biorhythms, application to social casework & counseling & psychotherapy & psychiatry, 58:7797
consistencies & consequences, sleep & wake behavior during morning & afternoon, neonates, 55:11903
cyclical fluctuations in physiological variables during menstrual cycle, verbal behavior, women, 56:7421
diurnal temperature cycles, cognitive ability performance, 5–14 yr olds with cerebral palsy living in residential school, 58:6356
diurnal variation & individual differences, perception of intractable pain, male vs female patients, 57:3681
diurnal variation, grammatical transformation & logical syllogism tasks of logical reasoning, college students, 54:6758
emotional states & heart rate during 24-hr period of ordinary daily activity, males vs females, 57:7693
extended & reduced sleep & shifts of habitual sleep time, subsequent performance & mood, male college students, 55:8713
extraverbal dimensions in analytic psychodrama, psychotic children & adolescents, 57:6266
fluctuations of plasma levels of cortisol & aldosterone over 24-hr period during manic phase, male manic depressive patients, 57:10421
frequency analysis of sleep EEG, males wintering at South Pole, 55:2006
gastric contractibility rhythms as ultradian rhythm, fasting college students, 54:11115
imipramine vs dexphenmetrazine vs amphetamine sulfate, composition of diurnal sleep, narcoleptics, 57:6414
increase vs decrease & delay vs advance in sleep, auditory vigilance task performance & body temperature & sleep stage measurements, male college students regularly sleeping 7–8 vs 9.5–10.5 hrs per night, 58:2870
initial video recording & polygraph leads placement in laboratory, alertness & fussy-crying & sleep-wake cycles & subsequent laboratory adjustment, 2 & 8 wk olds, implications for observations & polygraphic studies, 57:7910
intact & damaged brains, spontaneous rhythms of perceptual motor performance, 7–79 yr olds with mental disorders, 55:4768
intensive physical & social & environmental stimulation, diurnal sleep patterns & activity & novel situation & ongoing ward behaviors & anthropometric measures & caretaker ratings, nonambulatory profoundly mentally retarded children, 58:9820
intracellular & membrane-bound oscillators & metabolic regulatory systems & individual's internal clock, information storage, 58:11142
intracycle cardiac activity, systematic change in perceptual performance, male 27–36 yr olds, role of carotid sinus baroreceptor activity, 55:11676
life experiences & emotional states & stress, changes in amount of sleep required, 57:2648
lithium, diurnal rhythm of plasma phosphate & calcium & magnesium, lithium-treated patients with manic-melancholic disorder vs other psychiatric patients vs healthy persons, 56:10382
long-term flight & fatigue & crossing time zones, circadian variations in renal excretion of magnesium & calcium & phosphorus, 53:6745
maternal labor medication, sleep–wakefulness & rest–activity cycles after birth, infants, 54:6886
maximal speed tapping test, characteristics of neural biological clock regulating perception & psychomotor performance, healthy 24–55 yr olds vs physically healthy vs brain damaged psychiatric patients, 58:566
measurement & normative data & individual differences & day-to-day variability, human sleep length, literature review, 55:9004
memory load in short term memory & search tasks under rapidly rotating shift system, circadian variation in performance efficiency & body temperature, male college students, 57:4577
menstrual cycle & oral contraceptives, rhythms of sexual desire & activity, females, 55:9163
menstrual cycle, alteration of shock aversion thresholds, male college students vs female college students taking vs not taking oral contraceptives, 58:7047
methylphenidate in divided doses, sleep stages & ultradian rhythms, hyperactive 8 & 9 yr olds, 58:1692
multivariate analysis, heart rhythm indicators, 30 yr old males, 55:6429
nap sleep during 40 hr period, REM sleep & circadian temperature cycle, adult males, 55:6221
performance testing at different times of day, color-name interference in Stroop Color-Word Test, 16–50 yr old housewives & workers & college students, implication for work shift choice & work distribution, 55:11065
periodicities for rapid eye-movement–nonrapid eye-movement cycle, periodicities in spiral aftereffect from 4 PM to midnight, 16–17 yr olds, 53:482
phase of cardiac cycle & ascending & descending heart rate epochs, RT task performance, male college students, 57:5222
physical & emotional sensitivity biorhythms, male vs female college students, 56:1952
placement on 90 min sleep-wakefulness cycle, REM sleep patterns, college students & male narcolepsy-cataplexy patient, 55:340
polygraphic sleep recordings & EEG & psychometric tests during wakefulness, healthy 1 mo to 96 yr olds, 58:11045
properties of neural biological clock regulating sensory perception, normal 24–55 yr olds & 20–74 yr old psychiatric inpatients, longitudinal study, 58:2858
psychometric & diurnal & electrophysiological correlates of bodily activation level, college students, 56:7276
rhythm of dopamine-beta-hydroxylase activity in serum & cerebrospinal fluid, chronic schizophrenic patients with vs without sleep disturbances & neuropsychiatric patients, 58:11834
selective sleep deprivation, sleep-linked prolactin & growth hormone secretion, healthy 19–55 yr olds, 58:2855
self assessment inventory & behavioral measures of depression depth, diurnal variation of mood, 35–45 yr old unipolar depressives, 54:9908
self report & verbal content analysis, diurnal variations in mood, male college students, 54:2448
shifting time in circadian rhythm of habitual sleep, performance on vigilance & calculation tasks & mood, male college students, 53:293
sigma sleep spindle activity across 3 consecutive nights, normal males, 56:3597
sleep deprivation, changes in cyclic adenosine monophosphate & dopamine-beta-hydroxylase, healthy volunteers, 57:9748
sleep deprivation, circadian rhythms in urinary catecholamine excretion & performance on electronic rifle range & fatigue & self-ratings, servicemen, 53:8905
sleep deprivation, circadian rhythms of catecholamine excretion & shooting range performance & self ratings of fatigue, Swedish Army officers & corporals, 54:2433
sleep deprivation for 72 hrs, catecholamine urinary excretion & shooting range performance & self ratings of fatigue, humans, 54:475
sleep-wake cycles of varied length, sleep efficiency, male 18–29 yr olds, 55:11650
sleep-waking rhythm of ACTH & growth & luteinizing hormones & prolactin, humans, implications for diagnosis & management of neuro-endocrine clinical syndromes, 58:4949
speed vs accuracy measurement of performance & short term memory task demands & knowledge of results, circadian rhythms in step-input pursuit tracking, 18–70 yr olds, 58:4716
stress & sleep patterns, cardiovascular activity & disorders, 57:3660
temporal regulation of biological rhythms & catecholamine & serotonin hypotheses, conceptualization of pathogenetic aspects of cyclothymia, 56:10041
time of day, circadian rhythm in extraversion-introversion & salivation, 18–25 yr olds, 56:301
time of day, immediate & delayed recall of meaningful material, 12–13 yr old students, 58:12591
time of day of exercise, sleep EEG, males, 56:1941
time of day, self reported measures of anxiety & stress & regression & depression, 7th–9th graders, implications for methodology, 56:8000
time trends & periodic cycles in eye movements during REM sleep, college students, 55:9161
time trends & periodic cycles in REM sleep eye movement, functional & mongoloid adolescent retardates, 58:11915
types of behavior & activities during day, EEG & electro oculography & EMG evaluation, 21–32 yr old male students, 58:2843
ultradian & circadian variations in conscious awareness, biorhythmic variations, literature review, 55:6410
ultradian rhythms in perception of spiral aftereffect, 19–24 yr olds, 55:2016
variability during 4 nights of testing, sleep-stage percentages & sleep time & latency & duration & cycle time of rapid-eye-movement sleep & number of rapid-eye-movement periods & eye movements, 17–30 yr olds, 53:471
wake-sleep cycle alteration of 12 hrs, physiological & biochemical responses & multiple task performance, young men, 57:5179
waking-ultradian biorhythm & relationship to REM-NREM cycle, perception of spiral aftereffect & beta movement, humans, 57:7526
water immersion of short duration, sleep patterns & diuresis & ascorbic acid excretion, human Ss, 58:4945
withdrawal & re-presentation of TV audio reception, elimination of disturbing naptime behaviors, preschoolers at day care facility, 56:8647
word frequency & time of day of session & practice, consistency in auditory-visual pointing task, male aphasics, 58:3618
48-hr period of continuous work & sleep loss, work efficiency, college students, 53:6348

Human Channel Capacity
absolute identification of auditory pitch, information transmission of 3.1 bits, college students, 55:5985
age & retention interval & 2 visual stimuli, visual short term memory development as measured by information transmitted, 3rd vs 5th vs 7th graders, 58:804
age & short term memory limitations, capacity & processing deficits, children, literature review, 57:7932
age vs information load, performance in divided attention visual & auditory discrimination task, 21–38 vs 42–75 yr old males, 57:2282
associative structure & presentation rate & intrusion & serial position, listening & recall of monaurally vs dichotically presented word lists, 7- vs 10- vs 14- vs 17-yr-old students, 53:4485
attention demand, short term kinesthetic memory, significance for limited capacity model of forgetting, 58:6868
attention switching between auditory digit & secondary pursuit tracking tasks & signalled switches & attended channel voice cue, information processing patterns, 57:346
auditory matching &/or tracking task & task importance, age trends in time-sharing performance, 7 vs 10 vs 13 yr old males, 57:5509
auditory vs visual scanning vs auditory–visual integration, 1st & 2nd & 3rd & 5th graders, 54:9337
capacity sharing & refractoriness, successive reactions, male Israeli college students & Air Force flight cadets, 58:8721
channels, successive order of recall of dichotically presented lists, 17–39 yr old males, 56:1786
concurrent reading & writing tasks, divided attention skills, college students, 57:7536
constant vs variable list length analysis & channel capacity theory of response selection mechanism, college students, 57:4949
control processes as attentional demands of task & process appropriateness for task, memory, 57:12025
conventional reinforcement procedure vs reward as inseparable part of stimulus object, information processing analysis of discrimination learning performance, 4–6 yr olds, 57:5531
dichotic listening, shared attention, support for parallel processing hypothesis, 56:177
digit vs word pairs vs sentences & memory load & exemplar presentation orders, inversion effects in constructive memory, 57:7449
divided attention, information processing in manual tracking, male college students, 55:9005
embedded sentences, memory constraints & sentence comprehension, college students, 58:4815
environmental sensory & information inputs overload, behavioral effects, literature review, 56:3299
experimental procedures & analytic techniques, human information processing capacity, 55:11436
flexible task assignment strategy, productivity & mental load, textile mill workers, 57:9231
identification & measurement of intellective load carrying thresholds, 54:4562
information processing workloads imposed by varied landing approaches, endocrine-metabolic effects using stress battery of urinary determinations, US Air Force instructor pilots, utility for instrument display research, 57:7079
information transmission method, expressing short term memory span as channel capacity, college students, 58:4824
interpolated tasks & exposure to chess positions vs nonsense trigrams using Brown-Peterson paradigm, recall performance & interference effects, support for chunk encoding & storage & retrieval basis for interference, 57:7430
kinesthetic memory load, memory for end location of criterion movement, US Navy personnel, analysis of structural & capacity interference, 58:239
letter array size & concurrent nonvisual activity, visual search performance, college students, support for automaticity of perceptual processing, 58:4705
limited capacity of short & long term memory, organization of free recall lists, 57:7476
magnitude of energy within specified frequency bands around each signal frequency, detectability in 1 channel in 2-channel simultaneous detection task, female college students, 56:3368
matching stimuli of 1 vs 4 letters & auditory vs visual probes, capacity limitations in information processing, college students, support for perceptual & postperceptual limitations, 57:11998
mean shadowing latency, semantic processing in dichotic listening, replication of J. L. Lewis's findings, 53:4354
memory load & number of inference trials & information type, problem solving performance in inference task, 5 yr olds, implications for role of selective attention in reducing task complexity, 57:4942
memory load in short term memory & search tasks under rapidly rotating shift system, circadian variation in performance efficiency & body temperature, male college students, 57:4577
methodological problems, investigation of mental load & application to work setting, 58:2289
model development & application, optimal allocation of cognitive resources to spatial locations, college students & faculty, 58:10856
model of physical & mental load components of objective complexity in production systems & impact of technology & postulation of channel capacity theorem, 58:2400
mountain climbing experience, decline in word retention due to psychophysiological load, mountain climbers, 57:9516
noise, short term memory for task-irrelevant social cues, implications for effect of environmental overload on social behavior, 57:7434
number of targets & retinal location & direction & distance of simultaneously presented targets, identification & localization of target letters & blanks, college students, implications for limited capacity attention mechanism, 57:11911
order of recall & recall of order, short term & long term retrieval in free & serial & modified recall tasks & 2-storage process model, college students, 57:7456
paced tapping &/or digit-naming task with auditory secondary task, additivity & interaction patterns in timesharing, college students, support for hybrid processing model with serial & parallel stage arrangements, 57:9564
perception & attention, literature review, 57:11843
pitch & loudness level & repetition rate, prediction of multidimensional channel capacity, 20–45 yr old males, 55:8795
position of moving pointer at delivery of auditory signal & pointer rotation direction & auditory signal intensity, absolute judgment in complication experiment, postgraduates & college students, 56:7103
processing capacity requirements, stimulus encoding on primary task, graduate & college students, 55:1835
Psychological Refractory Period paradigm, investigation of role of speech control in human information processing, male students, 57:360
reading comprehension skill, short term memory capacity & memory for structured language, 3rd & 5th graders, 56:3439
sensory overload, time perception & clinical & psychedelic effects & adaptation, 55:3605
sensory overload vs neutral movies vs sensory isolation, behavioral & biochemical responses, 58:11154
sentence pairs with vs without word cue identifying preceding word string as verb & agent, processing load as measure of case role identification & integrative sentence meaning processing, college students, 58:2672
short term memory capacity & planning ability, syntactical structure, 4.5–5.5 yr olds, 55:4232
simultaneous attention to 49 spatial positions with dots as targets & 9 positions with letters as targets & advance vs post-display knowledge of target position, recognition of target at center of display, college students, 55:9003
simultaneous performance of main 5-choice serial-response & secondary auditory digit task, response & error rates as indices of microstructure of dual task interaction, 25–35 yr old females, 56:7107
simultaneous 3-channel signal detection & signal frequency, performance & criterion as function of order of report, female students, support for role of cognitive processing stages in multichannel listening tasks, 57:9477
sleep deprivation or noise stressor arousal, selective attention in tasks with multiple stimulus input sources vs simultaneous performance conditions, support for dual mechanism of attention, 57:7520
smoking & secondary load sensorimotor activity tendency, coping with mental load, smokers vs nonsmokers, 57:9434
strategy-contingent recoding vs modality-specific encoding, confusion & intrusion, visual & auditory recognition & recall, college students, 53:4480
subjective organization of memory materials, limited capacity for processing information, students, 58:6844
suprathreshold stimulation in absence of adaptation, hypothesis of independent spatial frequency channels, Os, 58:10906
tachistoscopic presentation of dot or line linear arrays & stimuli density, visual numerosity limits, perceptual limit interpretation, 57:9454
tactile stimulation & feedback, numerosity discrimination, college students, significance for channel capacity, 58:4737
task complexity defined as time demand & aircraft type, pilot behavior during aircraft controlling, training recommendations & accident causation & accident causation implications, 58:2348
task difficulty, optokinetic nystagmus eye movements during visual imagery & mental arithmetic task performance, female college students, 58:6748
training, dynamic stereo acuity performance, male & female college students, 54:8779
uni- & multidimensional signal information & separate & combined responses, psychological refractoriness, college students, 57:2289
unidimensional stimulus pairs of perceptual attributes & dimensional constancy over stimulus presentation blocks, time & central processing capacity requirements assessed by same/different matching performance, 58:10951
urban stimulus overload vs overload with perceived control, altruism, college students, 56:2385
verbal & nonverbal distractors, tactile retention of stimulated phalanges, female college students, 53:4516
visual & tactual standard & comparison presentation modalities, cross-modal matching accuracy, 55:8722
visual letter matching task & subsidiary auditory RT tasks, analysis of limited capacity central attention mechanisms, 58:2732
visual perception load task manipulating interstimulus interval, response & involuntary hand movements, train drivers, 57:9433
visual vs auditory distraction, letter cancellation task performance, males, 56:1842

Human Courtship [See Also Social Dating]
age & courtship stage, male-female congruence of intimacy expectations, 17–19 vs 20–24 vs 25–30 yr olds, 56:5810
age differences, development of mutuality & empathy, older males with young women & older women with young males, 55:4440
analysis in terms of recurring motor patterns, courtship dance, Medlpa of New Guinea, 57:10100
attitude toward dating & mate selection, Chinese college students in 1959 & 1974, 54:11578
behavioral vs lecture-discussion approach, premarital counseling, engaged couples, 58:12215
construct validity of Z. Rubin's love scale, romantic vs conjugal love & liking & trust relationships, casual dating & exclusive dating & engaged & married couples, 56:5990
contemporary vs traditional motivations, mate selection, male & female Polish respondants, 55:4400

content analysis of personal ads in singles newspaper, 58:7304
delineation of interpersonal & organizational behaviors in formation & impact & management of romantic relationships in organizations, 58:8519
demographics, marriage & family formation & dissolution patterns, 57:1090
instrumental & expressive values in mate selection, Black vs White college students, 57:3111
involvement in courtship, romanticism, male vs female students, 54:2969
motivational vs personality trait relationships, mate selection, spouses, 56:5897
perceptual accuracy of partner's attitudes toward marriage & planned parenthood & religion, engaged couples planning Catholic church wedding, 57:10148
period in relationship development, similarity of self esteem & values & self differentiation, dating & engaged college students, 58:3382
stages of courtship & changes in premarital relationships, married couples, 57:10193
surname length, mate selection, engaged couples, 55:4478
system for courtship contract review, expectations & feelings during courtship, couples in marriage counseling, 54:12326
therapeutic strategy, resolution of premarital impasse of courtship, couples, 57:13249
traditional & changing patterns of mate selection & marriage rituals, residents of Malaysian village, 57:3119
unequal involvement & discrepant age & aspirations & intelligence & physical attractiveness as factors, timing & characteristics of breakup before marriage, college students, implications for marital breakup, 56:5904

Human Development [See Also Related Terms]
physiological bases of behavior & psychology of learning, development of educational process, book, 57:1885
adult development & aging, family & personal interests & social task activities, preretirement age persons, implications for disengagement theory, 57:884
age differentiation & life course, overview of theories & review of studies, 58:11402
aggression as developmental necessity & distinction between healthy & defensive aggression, 57:12840
analysis & comparison of goals & policies & actual services, mental health & developmental disability services, Illinois vs other states, 54:12395
analysis of life span attachment, need for multilevel structural descriptions of intra-individual attachment behaviors in relation to personality variables & cognitive & state changes & alterations in personal-social & object environments, 58:2471
application of E. Erickson's theory of human development, old age, 55:11866
attachment as a life span concept, theoretical & methodological implications, 58:3135
autonomous systems, human behavior & development, 53:7012
basic human developmental tasks, psychoanalytic reevaluation of maturation concepts within context of current cultural traditions, 58:2444
behavioral theory of human action, schizophrenia & depression, book, 54:1261
bibliographical study, conceptualizations of self processes in human development, 57:2873
biological model, developmental rotation of functions, 57:2867
biosocial approach, study of human development & adjustment & social change, 58:4563
circannual trends in mother–infant interactions, adult behavior, families, 53:7125
classification of interactions during early human developmental stages, origin of psychosomatic phenomena, 53:9807
concept of development from perspective of cook's art, 56:3815
concept of dialectic, humanistic rationale for behavior & development & contributions to human development, book of papers, 57:4645
concept of drive & motivational variables, classical ethological views of motivation, review, 55:11871
context for use of proto-language & theories of language development, 55:9426
contributions of play research to human development, literature review, 57:12485
counseling & counselor education research model, assessment of developmental change in students, 54:8376
current views of behavioral development, 1973 meetings of International Society for Study of Behavioral Development, 53:4847
definition & theory & methods, ecological approach to human development, 57:9934
development & dynamics, human behavior, introductory textbook & handbook, 56:5063
development & potentialities of man, book, 54:2678
developmental counseling, book, 53:8038
developmental repetition, emergence of skills at early age & reemergence in later life, 54:7177
dialectical theory of development, 55:11895
dialectical theory of human development, 57:7125
differences in mother-child relations during 1st 2 yrs, importance in later development, 58:764
discontinuity theory of psychological development, application to problem solving tasks & loss of skill under stress, 17–21 & 11–26 yr olds, 57:12480
early experience & later development, book, 58:11400
early intervention, poverty & human development, literature review, 54:5665
educational framework, concept & model of adulthood applicable to technically advanced & highly industrialized societies, 58:10205
empirical data & model, life span human development, standardized test scores, 9 & 10 & 11 yr olds, educational implications, 55:9373
environment & innate disposition, individual development, 54:4978
evolutionary point of view, manifestations of behavior in schizophrenia from earlier stage of human development, 55:4746
functions of human development liaison specialist, illustration in case report of 7 yr old boy, 58:3984
general behavior development theory incorporating J. Taylors axioms, for conscious organism, using J. Searle's & M. A. Halliday's functional analysis of speech acts, 56:3824
general systems theory, discussion of ideas from 1973 meeting of International Society for Study of Behavioral Development, 53:4850
global discussion from perspective of behavioral scientist, human development & social interaction & institutions., 55:6860
growth process in nature as separate from psychopathology, 53:7566
human development, introductory textbook, 56:5744
human development model, integrating career development into higher education curriculum, 54:10645
human development, textbook, 56:2123
human life cycle, relevance for marriage & family education & counseling, Bantu tribe, Africa, 58:956
humanistic approach, human development, book of readings, 54:7179
instinctiveness of impulse for caring & need for attachment, human development, book, 58:3064
language, development & pathogenesis & psychotherapy, 19th century France, 54:2169
learning & memory, pain, 56:2119
leisure in terms of whole life development, book, 54:11374
life review & life cycle group therapies, aging, 55:2551
life-long human development, basis for social work intervention, book, 53:8137
life-span development, book, 56:5745
man as creature, early cultural development & social Darwinism & heredity & environment & evolution & language, book, 53:4251
man's evolutionary relationships with diverse technologies & institutions & organizational forms which have subtended survival, 54:11491
masturbation, role in human development, book, 54:11368
Merton's theory of anomie & deviant behavior, social structure vs development, delinquency, 55:7336
metatheoretical isolationism, impact for developmental theories, critique of proposition of H. W. Reese & W. F. Overton & S. Pepper, 57:4639
methodological issues in study of evolution of nervous system & behavior, collection of papers, 58:4527
midlife crisis, C. G. Jung's formal model of ontogenesis, 55:513
myths & problems in US, aging, 55:2159
ongoing process of growing up, 1st-person research representing new humanism, 58:3062
onto- & phylogenetic precursors, operative & adaptive task of repression, 58:11716
optimal human development, implications for psychology, 58:11398
parapsychological phenomena & life cycle, 58:4533
personal vignettes of meaningful life events, human development, textbook, 57:5472
pre- & postnatal exposure to methylmercury, human development, 55:9308
problematic-solution point of view, aging, 55:2161
proposal for international use of new term "biodromal" expressing developmental trend over entire life span, 54:7185
psychoanalysis, effects on medical treatment & theory of mind & personality research & knowledge of human development, 53:5964
psychological development & psychotherapy, 18 yr old male with congenital absence of touch & pain & temperature & vibration & joint position & visual sensations & stereognosis, 57:8521
psychological development & religious growth from ages 30–60, 57:10105
psychosocial approach, human development, book, 54:4976
rationale & techniques, computation of compensated "post hoc" developmental age value in long term studies of intervention, 55:8604
recursive-nonrecursive factor model & developmental causal network, 53:807
reevaluation of incest taboo in human development & psychotherapy, book, 53:3353
reflection mediating evolution, 4 evolutionary stages of human mind, 58:4552
relationship between spiritual & sociological poverty & relationship among human growth & response to own & others' poverty & various forms of voluntary poverty, 54:4970
scale construction & measurement, avoidance of ontological confrontation of death, 57:11807
self perceived position on continuum between childhood & adulthood, school's classification & placement of S, 8th graders, 56:1302
sequential strategies in developmental research & distinction between description & explanation of developmental changes, 57:4701
sex differences & age vs generational differences, internality-externality from adolescence through adulthood, 58:9321
social & environmental changes, individual development, book, 58:6516
statistical & personal aspects through life cycle, mental health, book of readings, 54:7186
symbolism of I. Bergman's "Wild Strawberries", epigenetic values in E. Erickson's conceptualizations of life cycle, 58:744
theoretical & historical & experiential background, graduate training program for human development liaison specialists, 58:4091
theory of development stressing relationship between biological & psychological approach, reciprocity of heredity & milieu, 54:11379
trait & equilibrium biases in psychology & comprehensive view of development based on dialectic concept of man, significance & implications for psycho-research, 58:6574

Human Factors Engineering
accidents & injuries & noise pollution & ecology concerns, snowmobile design & utilization, 53:12770
adaptation of Benesh Movement Notation, movement & posture of sitting Ss, 57:4583
advanced agricultural & chemical & biological experimental methods applicable to human factors engineering research, summary of research program findings, 57:11663
algorithmical & heuristical methods, analysis of operator activity, 58:2307
analysis of user information requirements in field army, evaluation of automated information system, US Army experienced staff officers, 56:8893
anthropometry for equipment design, male vs female 9–10 yr olds, France, 58:8529
behavioral data, application to man-machine system development & functioning, book, 56:8894
bike lanes, types & frequency of bicycle-automobile accidents, 58:2395
biomechanics of hand/handle linkage, performance in gripping & turning using screwdrivers & related devices, 56:3140
cloze & Flesch methods & SMOG grade & FORCAST & Automated Readability Index, measuring readability–comprehensibility & reading level of textual manuals, 53:6398
coding answers for optical mark reading, errors in answering multiple choice questions, paid adult volunteers, implications for computer software design, 58:10738
computer simulation approach, prediction of manning factors in postyear 2000 ships, 56:3144
computer simulation method, feasibility for evaluation of human effects on nuclear systems safety, 56:6940
congruent vs spurious vs no motion, static & dynamic simulator tracking efficiency, airline pilots, 53:6333
contemporary views of human behavior in world of work, references to Hawthorne studies, book, 56:1521
contributions of communications signals to total noise exposure in cockpit & method for noise dose prediction, Royal Air Force pilots, 58:4509
criteria in ergonomic studies of highway security, categorization of accidents & near accidents in terms of driver-vehicle systems, 53:8516
curved vs flat traffic marker signs at acute-angled intersections, psychological & sensory components of driver decision behavior, application of signal detection theory, 56:10900
cybernetic analysis, delayed feedback in simulated automobile steering, drivers, 55:13733
day care environmental design, intellectual & emotional & psychological development, infants, 54:12760
daytime vs nighttime message exchange between bridge staff of 2 ships crossing crowded narrow strait, information density & ratio of auxiliary information, 54:8637
definition of safety criteria & accident categorization, ergonomic studies of road safety, 53:10637
Design Option Decision Tree, systematic analysis of design problems & integration of human factors data, 55:8540
desirable features of physical environment & living practices on inpatient units, mentally retarded, 53:8164
determination & evaluation of readability of textual materials, 54:2119
development of human factors systems approach, evaluation of EMG training methods & feedback significance in learning, 55:9128
development of indices & methods of measuring readability–comprehensibility of textual materials, 53:12775
development of prototype human resources data handbook for systems engineering, application to fire control systems, 56:3141
development of technology for human resources data as criteria in engineering design studies, 56:8890
different letter styles, sight word reading success, 4th graders, 53:10449
dynamic utility convergence & decision aiding, adaptive computer aiding in dynamic decision process, 56:8900
earplug rankings based on protector-attenuation rating, 57:7080
ease of interpretation in context vs isolation, graphic symbols for vehicle & equipment operation, male mechanical engineering students, 54:4281
education & training in ergonomics, technological universities & higher vocational schools, Netherlands, 53:12755
educational ergonomics, systems analysis identification of components & suggested research focus, 58:2393
EMG signal changes in lower limb muscle group exercised to fatigue while walking in full pressure suit, implications for industrial design, 58:231
engineering psychology & human performance, literature review, 1965–1974, 56:10802
engineering psychology as ergonomics, solutions to psychological issues of man-technology integration, 56:1555
equal-sensation technique, differential vibration between feet and automobile seat, adult males, 53:6383
ergonomic analysis, workplaces for rehabilitation, psychiatric patients, 58:6027
ergonomic approach, environmental design for architectural barriers, 57:4589
ergonomics & work study, 54:10688
ergonomics, application to design of products for industry, 53:8521
ergonomics as study of human-machine system, survey of ergonomics in other countries, 58:4508
ergonomics as system of values & utilization of scientific methods, 58:4506
ergonomics research, India vs Europe, 54:10765
establishment of minimum luminance level for automobile instrument panels, 45–67 yr olds wearing glasses & 46–66 & 17–24 yr olds without glasses, 56:8896
ethnocentricity & national & cultural variables, international application of human factors engineering, 53:2084
evaluation of "short-type," error & keystroke rate in selecting & typing abbreviations, experienced typists, 54:6514
evaluation research in man-environment systems, annotated bibliography, 57:11665
experimental system, control of airborne contamination in operating rooms, 54:6515
flowchart formats vs standard set of paragraphed instructions for telephone dialing, telephone scientists & engineers & housewives, 54:6510
formatting & organization problems, human engineering standards, 58:8535
general psychology research, 1975 review of work at University of Goteborg, 56:5068
grouping of printed digits, forced-paced manual entry performance, engineers & clerical & shop workers & housewives, 53:8515
guidelines, design of safety training program, accident prevention, 54:8628
guidelines, readability of employment tests, 54:4391
handlebar configuration, assessment of bicycle maneuverability during various tasks, 18–41 yr old males, 58:4512
historical background & work in Human Factors laboratory, State University of New York at Buffalo, 55:3386
history & research & educational programs & application within industry & design institutes, ergonomics, Bulgaria, 56:6947
human factors analysis, diesel-electric locomotive cab, 54:6506
human factors contribution, industrial quality control, 54:10757
human factors, design of carrels for learning, 55:11192
human factors engineering & software interface in man-computer systems & display formats, 57:4585
human factors engineering, visual displays & work places & tools & appliances & stairways & ramps for aged, 53:2085
human factors field testing vs laboratory experimentation, 53:6394
human factors, health care system, book, 55:10448
human factors in economic affairs, book, 54:7395
human factors information taxonomy, applications for architectural programs, 53:6390
Human Factors Laboratory reports, 1945–1968 annotated bibliography, 53:12761
human factors, man-computer shared decision & control, military computer operators, 53:2101
human factors observers, reducing errors in field test programs, engineers & supervisors, 53:6387
human factors research, India, 54:10763
human factors, Romania, 55:11190
human factors, systems development, 54:2121
human performance evaluation of matrix displays, literature & technology review, 57:9253
human sitting habits & construction of work-chain with tilting seat to avoid overstretching back muscles, 56:5038
impact of human engineering standards, product designs, 58:8534
increase & evaluation of Air Force written material readability & comprehensibility, procedural instructions, 53:12364
industrial psychology vs ergonomics, 58:4505
inflight data relevant to performance of tasks in weightless environment, 56:3137
information & control & decision theories' man–machine models for quantitative descriptions of inanimate physical systems & human performance modeling, book, 53:8522
International Ergonomics Association, papers & abstracts presented at 1976 Congress, 56:8892
interpretation of aerial photographs, book, 54:12763
intersystem congruence model, play & recreation & leisure, 53:12763
investigator-controlled treadmill speed vs self-paced vs heart-rate controlled speed, energy cost evaluation of new load-carriage system, US Army males, 58:4514
lay-out of dimension values, ability to extract specified values accurately & rapidly from engineering drawings, 53:6385
learning to operate oscilloscope, difficulties in psychomotor adaptation & human engineering analysis, adults, 58:6503
length estimation of highway guidelines & spaces, 16–79 yr old males & females, 55:11186
letter-digit combinations, copying errors, female 21–64 yr olds, 54:2109
lighted deck shape, night carrier landing, 56:10907
link analysis procedures development & evaluation, integration of collected information & development of hypotheses for prevention & control of organized crime, teams of law enforcement intelligence analysts, 54:6438
luminance & background, preference for reticle color, US Navy pilots, 54:6507
maintenance-related human factors technologies & topics, reduction of life cycle costs of hardware systems, 57:4576
manipulations of word shape & word boundary, reading & visual search, college students, 54:6757
map display location & orientations, manual piloting performance, pilots, 53:8467

maximum force requirement for actuation of automobile service brake, drivers, 53:8517
methodological problems, ergonomics & industrial psychology, 58:2308
methodological problems, investigation of mental load & application to work setting, 58:2289
microanalysis of industrial work processes, parallel & sequential information processing in hand movement response, 58:6500
misapplications & criticism, analysis of variance techniques in ergonomics research, 53:2083
multimethod-multitrait validation of digital simulation model of intermediate size crew performance, patrol gunboat class navy ship crews, 56:3143
numerical vs descriptive modifier data, reading time & recall, college students, 53:6174
objectives & definition, ergonomics, 58:4513
operator experience & attitudes & knowledge of traffic laws & safety practices, bicycle–motor vehicle accidents, bicyclists & motorists, 53:12754
optical distortion & size & distance estimation & hand-eye coordination & acuity & stereoacuity, comparison of scuba facemasks, 53:6396
parallel vs tunnel runway lighting, aircraft carrier night landing accuracy, male engineering & science students, 53:8525
passenger boarding of moving walkway systems, analysis of boarding style & loss of balance, recommendations for design changes, 57:4580
passenger comfort, effect of rating scale parameters in field situation, cross-channel hovercraft passengers, 55:5912
past & new & revisions of formulas, prediction of readability, literature review, 54:1817
perceptions of ergonomics, members of French Ergonomic Society varying in professional training, 58:6502
photo-optic system to record driver lateral positioning on highways, design & implementation & use, 56:10896
physical & behavioral characteristics & economic & social & aesthetic preferences, handicapped & nonhandicapped & aged users of urban transportation systems, 54:6509
placement of foot pedal controls, RT & movement & braking response time & response complexity, adolescents & young adults, 57:4578
principle, design of "workable" control-display relations for vertical linear displays with rotary control, 57:2111
psychographic vs demographic data, explaining product design preference behavior, 53:6279
readability & comprehensibility measurement, literature survey, 53:12366
relationship between generated glidescope & lighted deck shape, night carrier landing, 56:10908
road markings to indicate radius of approaching curve, driving performance in simulator, male college students, 57:14133
roll-pitch vs yaw-pitch vs pitch-yaw Gimbal orders, target acquisition & workload, experienced pilots, 56:10902
rotation of automobile controls, recognition time for pictographic symbols, college students, 58:2391
rung shapes, ladder safety, 58:4510
safety & application to recreation, man–machine–environment complex, 53:12757
safety, recreational & powered garden vehicles, 53:12772
sampled imagery displays, factors affecting visual performance of observers, 53:6384
scale side & pointer type, direction of turn stereotypes for vertical linear displays with rotary control, high school & college students, 58:2387
science & productive social labor, 58:2290
scoring methods, verification & diagnostic performance in petroleum refinery fault-finding problems, 58:12844
seat height & baldness & environmental temperature, subjective response to overhead thermal radiation, bald & nonbald male technicians & scientists, 53:4326
sex differences & noise & task pacing, visual inspection performance using simulated printed circuits varying in complexity, 56:8861
short-term memory, numbering systems design, 53:10634
spatial restrictions, speed & errors in fork-lift truck driving, 53:8513
stair size & shape, energy expenditure & probability of missteps & movement responses, humans, 58:2399
standard time-compressed display vs displays providing spatial & temporal target cues vs primarily spatial cues, target detection performance, college students, 55:3656
standard 2-dimensional vs hooded standard vs curved traffic signs, signaling efficiency & correct response during rush hr vs nonrush hr, 57:2119
status of ergonomics & psychology, Bulgaria, survey, 54:2120
symbol context & viewer experience & design features, interpretability of graphic symbols used on farm & industrial machinery, male college students majoring in mechanical engineering, 58:8528
system-theoretic approach, analysis of problem of training & relationship to control of "adaption automaton" of trainee, 57:4500
theoretical constructs application, analysis of athlete–coach social interaction, 53:12760
unpredictable computer response delays, online problem solving with typewriter vs cathode ray tube vs line printer output, 57:4579
varied control system according to error level, fluctuation of orientation in compensatory & pursuit tracking tasks, 53:10636
vertical traffic signs with numeral vs arrow types of information & sign location & color contrast, sign identification, 21–51 yr olds, 57:9250
visual vs kinesthetic-tactual compensatory displays, inflight performance, pilots, 53:8473
work task performance in full pressure space suit, power spectral density analysis of EMG recordings from bicep brachii & middle deltoideus & upper trapezius of right torso, 57:3102
writing style, ease of comprehension, test of R. Flesch vs R. Gunning's procedures, 54:141

Human Females

abbreviated assertive training, verbal & nonverbal assertiveness, female college students, 56:4978
ability & achievement & personality & self concept & esteem & values, career orientation, women, 54:1184
ability to meet & fulfill academic standards & reasons for leaving school of 1st choice & choice of community college & socioeconomic variables, female college students who transferred to 2 yr college after dropping out of 4 yr college, 55:8283
ability/achievement & interests & personality, selection & persistence in technical academics, female college students, 55:10898
academic & vocational aspirations, perceptions of faculty & administration's role expectations, female college students, 55:13379
academic positions & higher degrees held, women in psychology, Australia, 58:6100
accuracy of recall of histories of oral contraceptive use, females attending family planning clinics, 53:11522
achievement & femininity factors, prediction of career commitment, female college seniors, 56:3061
achievement & security needs, distortion of upward communication, female subordinates in hierarchical organizations, 54:6500
achievement motivation & fear of success & sex role orientation, success expectancy & causal attributions for performance outcome under cooperative vs competitive conditions with male vs female partner, female college students, 58:11637
achievement orientation, adolescent females of Hawaiian vs Japanese vs Philippino American descent, 56:7766
achievement related expectations & aspirations, female college students, 57:8134
achievement vs approval needs, academic achievement, 6th vs 9th vs 12th grade boys vs girls, 55:10839
achievement-related attitudes & behavior & motive to avoid success in females, expansion of M. Horner's conceptualization, 57:1267
active vs passive participation in Life Planning Workshop for Women, changes in attitudes toward & knowledge & expectations related to careers & life style preferences, college women, 55:4432
actuarial prejudice, expectations of achievement for women & evaluations of their performance & aspirations & achievements, 56:605
adaptation to new position as patrol officer, policewomen in traditionally female positions in police department, 58:8492
adherence to female role themes of submissiveness & dependency & conformity, depression, females, implications for diagnosis, 58:7654
admission of women to service academies, impact on woman line officer's role, 57:11629
adolescent development & culture & medical care problems, nonuse of contraceptives in teenage pregnancy, 54:5146
adoption, identity crises & normal parent-child conflict, adopted adolescent females, 54:9375
advantages & disadvantages & method of preoperative assessment, sterilization, women, 55:10437
aerobics vs anaerobics conditioning exercises, personality characteristics, 7th–8th grade girls, 56:2879
age & caste & education, job motivations, employed 20–55 yr old married women, India, 57:9221
age & diagnosis, distribution of attempted suicide & other psychiatric admissions, female inpatients, Trinidad & Tobago, 53:3267
age & marital status & educational attainment & occupational level, work & environmental components of job satisfaction & their importance in ideal job situation, full- & part-time female university employees, 57:7061
age & psychiatric morbidity & menopausal status, sleep disturbance, 40–55 yr old females, 58:1284
age & sex & experience level, attitudes toward & mental health standards for men vs women, clinical psychologists engaged in practice of psychotherapy, 56:8575
age & sex & residence & specialization & employment & branch of industry & change of jobs & salary & promotion & position of women, professional careers of College of Economics graduates, Czechoslovakia, 54:2036
age & sex, attitudes toward women, enrolled vs nonenrolled college students, 56:2253
age at menarche, weight gain until age 18, 14–18 yr old females, inclusion of nomogram showing normal changes of fatness of girls in different adolescent stages, 57:7882
age, instrumental & terminal value preferences, middle aged vs aged females, 57:10040
age, personality traits & psychological needs, college educated homemakers with vs without careers, 55:12317
age, role conflict, women, 58:11612
age, self perception & expectations of university environment, adult vs average-age college women, 57:4390
aggressive phase of menstrual cycle, aggressive behavior in double blind training task involving frustration, college females, 57:7672
agitated psychotic depression & increased water ingestion & inappropriate antidiuretic hormone secretion as syndrome, postmenopausal women, case reports, 55:4933
alcohol & caffeine consumption prior to & during pregnancy, pregnant women, 57:1126
alcohol consumption in social situation, power & affiliation motivation, middle aged females, 56:9805

description & evaluation, visiting women psychologist program, university psychology departments, 58:10105
description of Little Nell Complex as oedipal relationship between girl & grandfather, case report of 13 yr old female with depression following grandmother's death, 57:10486
descriptive statistics & validity & reliability, Women's Liberation Scale, college students, 55:9856
desirability of male partner, self presentation in terms of sex role stereotype, female college students, 55:12275
desire to be held during pregnancy, 16–31 yr old females, 53:6689
determinants of career choice, female college freshmen responding to questionnaire in 1959 vs 1974, 57:4410
development & services & approach, counseling component of campus-based women's center for counseling & guidance, women counselors, 56:4976
development & stability & social desirability of sex role stereotypes, career vs homemaking orientations, women, 54:1026
development & validity & reliability, Attitudes Toward Feminist Issues Scale, college students, 57:9359
development of age-appropriate sexual identification, prevalence & quality of oral passive aims, acting-out vs non–acting-out adolescent girls, 55:12500
development of competence, adult work style & achievement of success, successful women in atypical occupations, 58:9556
development of course for counseling women, surprise & anger & empathy reactions to course, male vs female counselor students, 56:4645
development of femininity patterns & self esteem, female 5th & 7th–9th graders, 57:3006
development of hypnotic contraception technique, inducing psychosomatic infertility, females, 56:8275
development of leadership orientation scale on SVIB, female college students, 54:10825
development of motivation to seek job-related information & subsequent decision making process, women in counseling situation, 57:11619
development of psychosocial identity, heterosexual relationships & future outlook, female college students, 58:7267
development of self report Sexual Arousability Inventory, female college students, 56:9787
development of Social Role Adjustment Instrument, social adjustment & psychopathology, formerly hospitalized & nonhospitalized female mental patients, 55:12378
developmental age, menstrual cycle disruption & stability upon entering college, women, 55:9170
developmental changes in objects & modes of dependent behavior, female junior high & high school & college students, 55:819
developmental patterns, categorizing behaviors, average vs slow learning children vs average vs schizophrenic adults, 55:4290
deviant social status, types of stresses experienced & coping behavior & self esteem, female never married 29 yr olds, 57:12688
diabetes & high blood pressure & gallbladder disease & gout & thyroid disease & heart disease & arthritis & jaundice, relationship between obesity & other diseases, weight-conscious women, 54:10015
diagnoses & disciplinary difficulties & situational drinking behavior, alcoholism, hospitalized Navy & Marine Corps women, 54:7868
difficulties in diagnosing true transsexualism & cautious approach to surgical intervention, transsexual females, 57:13116
direct decision therapy, decrease in indecision & irrational ideas & increase in self acceptance, divorced women, 57:6267
disconfirming information, expression & increase in religious belief, adolescent female high school students, 54:6715
discrepancy between anticipated & experienced community response to premarital sex & pregnancy, transformation of reaction in discovery process, female adolescent marginal deviants, 55:4800
disjunctive RT competitive task with male vs female competitor, test of M. S. Horner's "women's will to fail" hypothesis, female college students, 57:12762
dispositional guilt vs affective guilt states, female college students, implications for use of Perceived Guilt Index, 58:7577
divorce adjustment organization membership & additional academic class or divorce adjustment, self actualization & self concept, 22–55 yr old divorced women members vs nonmembers, 58:3680
dream recall, females taking vs not taking oral contraceptives, 57:815
drinking behavior & characteristics & types & counseling, female alcoholics, 57:12947
drug addiction patterns & causes, addicted & formerly addicted Puerto Rican females, 53:3422
duration of stay in psychiatric hospital, attitudes & behavior, Indian female schizophrenics, 53:8150
dynamics & distinguishing characteristics, attitudes toward motherhood, female college students & wives of college students, 56:7790
dynamics of categories of sexual problems & neuroanatomical basis for dual nature of orgasm, human females, 54:9520
dynamics of Coatlicue & House of Usher complexes, irrational reactions against women, sex offenders, 54:12069
early availability of sex information, later coital & reproductive behavior, female 16–47 yr old working class Jamaicans, 57:1115
early educational experience with forced abandonment of Navajo ways, subsequent self esteem & concept & perception & family interaction & sex & mother roles, Navajo women, 57:3061
early male envy of female sex characteristics & reproductive capacity & other significant determinants, devaluation of women, 54:3134
early pregnancy detection & abortion counseling, pregnant teenagers, 57:13407
early pregnancy detection & abortion counseling for pregnant teenagers, implications of S. Greenhouse's article for school counselors, 57:14033
early socialization experience & religious background & age & parental background, attitudes toward feminine achievement, female high school seniors vs 30–50 yr olds, 57:8151
eating patterns, graduation GPA, female junior college students, 57:6815
economic & political & educational structures, participation of women in labor force & employment in more powerful & well-rewarded positions, cross national study of 66 countries, 57:3045
economic shifts & social change, childrearing practices & sex role changes, women, Puerto Rico, 54:2865
ECS therapy & neuroleptic titration & massive supportive psychotherapy, hebephrenia, 15 yr old girl, 58:1499
ECS therapy, depression, 66 yr old woman with brain tumor, 55:9204
editorial practices of psychiatric & related journals in selecting articles & editors, implications for women, 56:2097
education & changing societal values & options & population control, fertility choice behavior, working vs nonworking women from post World War II to present, 54:2883
education & physical attractiveness & level of origins, status attainment through marriage, 25–40 yr old married females, 56:5926
educational & occupational & income attainment, working white & nonwhite 30–44 yr old women & their husbands & men of corresponding age, 54:2943
educational & occupational status, women, bibliography, book, 53:975
educational & personal & family characteristics, educational & occupational aspirations & expectations, female 12th graders, 58:12653
educational & vocational counseling program for total student development, private junior college females, 56:1490
educational & vocational planning, talented college-bound women, 56:4977
educational attainment & occupational status of mother & projected sex role definitions within family, subsequent role enactment, female high school seniors, 8-yr longitudinal study, 58:11607
educational background & attitude toward pregnancy & motherhood & mental disturbance & antenatal training & partner's presence in delivery room, self reports of childbirth pain, primiparous females, 57:8589
educational level & change in family & sex role attitudes & level of acculturation, psychopathology & personality adjustment, Puerto Rican women living in mainland US, 56:7785
educational program utilizing films which counter sex stereotyping, perceptions of appropriateness of occupations for females & aspiration level, female 9th graders, 58:10641
Edwards Personal Preference Schedule performance, female nursing students, 58:5394
EEG changes during spontaneous vs controlled menstrual cycles, correlation with psychological performance, young females taking vs not taking combined oral contraceptives, 56:9408
effective vs ineffective use of birth control, self esteem & use of denial & feminine identity, women, 58:11772
effectiveness & strengths, all-female vs mixed-sex psychotherapy vs consciousness-raising groups, 56:4450
ego identity & ego ideal, primipara wed vs unwed mothers vs nonpregnant women, 53:7407
ego identity status & field dependence & traditional femininity, senior college women, 55:4646
ego identity status, locus of control & fear of success & performance in competition with males & ability vs luck attributions, female college students, 58:7576
ego structure & parent-child relations & mother's intolerance of feminine sexuality & indifference or absence of father & success in love affairs, multiple causation studies, suicidal women, 54:5551
emotional & personality correlates, females with breast cancer, 55:4914
emotional conflict & manifest dream content, menstruating 20–35 yr old healthy females, 56:6078
empirical analysis, assumptions about determinants & consequences of female dominance in black families, 55:657
empirical test of Parsonian hypothesis, mutual destructiveness of dual-career marriages, sociologist husbands & wives, 56:5915
employment & fertility expectations, recently married females, 54:2861
employment status & background & female role orientation differences & perceptions of men's feminine ideal, work-leisure attitudes, women, 56:5007
employment vs retirement vs never having worked, morale, noninstitutionalized females over 65 yrs with annual income less than $5000, 56:5000
"empty nest" life span transition & accompanying stress, emotional & physical health, women, 58:1232
encouragement of sports participation from significant others & perceived femininity & athletic ability & body image, female high school students athletes vs nonathletes, 58:6334
endocrine & emotional & scarring problems & surgical procedures, burned breast, female, 55:10451
endorsement of beliefs by males vs females, problem solving choices, high & low dogmatic female college students, 54:7629
endurance training, maximal oxygen intake & other fitness measures, middle aged females, 54:10947
enrollment in special vs regular school, attitudes toward self & parents & peers & school & community, pregnant & nonpregnant girls, 58:4394
epidemiological & clinical evidence, predisposition of women to psychic disturbances, 57:12934
epidemiological approach, sexual dysfunction frequency, 30–39 yr old black women attending gynecology clinic, 56:6265
EPPS needs profile, female athletic competitors in 1972 Olympics, 56:7996
erotic & nonerotic films, vaginal plethysmographic measurement of pressure pulse & vaginal blood volume during film presentations for determination of sexual arousal, female college students, 53:8906
erotic fantasy & female orgasm, middle & lower class women, 58:9431
erotic stimulus exposure, skin conductance & heart rate & pupillary response & respiration & temperature & genital measures, normal vs sexually dysfunctional women, 58:1497
erotic visual stimulation, heart rate & galvanic skin responses, high vs low sex-guilt college females, 53:1019
estradiol & testosterone, suppression of intensive attacks & psychic symptoms, 45–55 yr old females with climacteric syndrome, 57:10928
estrogen & progestogen concentration fluctuations, sexual & maternal & aggressive behavior & sensory thresholds & dietary selection & activity & CNS & emotional response effects, human females, 58:565
estrogen therapy, improvement on attention & memory tasks, pre- & postmenopausal women with irregular bleeding or psychosomatic problems, 57:6389
estrogen therapy, severe endogenous depression, females, 57:6404
ethanol dosages, temporal discrimination, females on day 14 vs day 27 of menstrual cycle, 57:5304
ethnic group membership, work values & job attitudes, female White vs Black vs Spanish surname keypunchers, 58:6457
etiology & treatment & classification of female dysfunctions, 54:9814
etiology of urethral syndrome & expression of fantasies about urogenital area, women, 58:9761
evaluation of Heath's model of ego development, application to psychology of women, female 20–50 yr old college students, 58:11729
evaluation, policewomen on patrol in suburban police department, 56:8864
EVE '74 program for & about women, attitude modification & attainment of program's objectives, 56:9792
existence of 2 feminine prototypes differing psychologically & endocrinologically, implications for gynecology, 58:2813
existential analysis, women in sport, 55:6994
experience of parental conservatism effects, sex roles & expectations & decision making, immigrant girls vs boys of Italian parentage, Canada, 53:9303
experience of pregnancy & motherhood, changes in object-relations paradigms, primiparous women, 57:3292
experience of sex prejudice & depth of status & perceptions of their role & function & relationships, women school board members, 55:2960
experiences & attitudes toward shortened abortion consisting of contact with social worker & gynecologist, women who had legal abortion, 55:7699
experimental analysis of drinking behavior, female alcoholics, implications for treatment, 58:5593
experimental directions, Kuder Occupational Interest Survey scores, females considering reentry into educational system, implications for validity of interest measures, 58:187
experimental situation & E's sex & sex role attitude, responses to fear of success measure, human females, 58:108
Explore course, development of self actualizing lifestyle, middle aged women, 57:6752
exposure to virilizing hormones in utero or in childhood, hypersexual behavior associated with delinquency & aggressive behavior & hypomania, 14–17 yr old females, 56:6197
expressed feelings about marriage & family & occupation & friendships & social life & academics & self image & self satisfaction & certainty about future, expressed feelings of identity, female college students, 55:7187
expression of aggression & hostility, obese college women, 55:4934
extraversion & neuroticism & psychoticism, antisocial behavior, 11 & 12 & 14 & 15 yr old females, 54:1094
extraversion & neuroticism, nicotine & caffeine & drug intake, female college student smokers, 54:9674
face-to-face vs side-by-side invasions of personal space, affect & attraction & environmental perceptions & attributions of intent, males vs females, 54:7456
factor analysis, Femininity Study Responses, college females, 58:4647
factor analysis of Bem Sex-Role Inventory scores, male & female industrial workers & police officers & nonworking housewives, 58:6676
factor analysis, repeated state hostility & guilt measures, female high school students, 56:3257
factor analytic study of climacteric symptoms, women in climacterium, 58:1450
factorial structure & reliability of short form of Attitudes to Women Scale, 12–16 yr old vs adult females vs college students, 58:4605
factorial structure of femininity based on Femininity Study responses, female alcoholics vs college students vs chronic schizophrenics, 58:5473
factorial structures, responses on Femininity Study, alcoholic vs schizophrenic vs college females, 58:4644
factors inhibiting achievement & career motivation, women, implications for counselor intervention, 58:1009
factors relating to employment level, women administrators in Big Ten universities, 55:13078
failure in interpersonal competition & discrimination from members of same vs opposite sex, self evaluation, female college students, 55:12207
failures in contraceptive efforts & practices, Black & White & Puerto Rican & other females with planned vs unplanned pregnancies, 58:1506
familial & extra-familial influences, sex role related life choices, late adolescent & young adult women, 57:5611
familial influence & work values & work experience & role-model influence & collegiate activities, choice of male-dominated vs traditionally feminine occupation, female college students, 53:4127
familial vs extrafamilial group membership, personality development, females, case reports, 58:7258
family & occupational functioning, urban welfare women, 53:2057
family atmosphere & identification & birth order & maternal employment & father absence, development of career vs homemaker orientations & accompanying motivations, female college students, 58:4483
family background & drug abuse history & socioeconomic status, female narcotics addicts & nonaddicts in Mexican women's prison & nonprisoners, 53:3396
family background & early social & sexual experiences & parental & partner relationships & self concept & sexual attitudes, bisexual females, 58:9418
family background & educational & social experiences & future aspirations & personal beliefs, participation in WLM, female college students, 53:9391
family background, 20 yr old female college student diagnosed as unspecified schizophrenic, 58:11844
family dynamics & changes in social & work roles, etiology of female alcoholism, 55:10036
family interaction & contraceptive knowledge & sexuality & sexual experience & body image & role, contraceptive choice, single women, 58:11600
family oriented program, rehabilitation of physically disabled women, 54:6091
family size, role conflict, women, 54:850
family structure & occupational opportunities & social origins, occupational choices, 30–44 yr old females, 56:6892
family therapy, depression & attempted suicide & destructive behavior & family life, 33 yr old depressed female, 58:9891
family therapy, incest syndromes, 14–17 yr old female psychiatric patients, 55:7573
fashion change theory based on clothes as media of communication whose message describes wearer, ideal self image & self image, fashionable & unfashionable women, 54:1070
father loss due to mutually-agreed separation or divorce of parents or desertion, differential expressions of hostility & depression, adolescent girls, 55:2267
fear of failure & achievement motivation, reluctance to participate in psychological experiment, female college students, replication of previous study with male Ss, 56:7947
fear of failure & personal & social need achievement & projective motive to attain success & avoid failure as factors of achievement motivation & achievement related fantasy, Dutch-speaking senior high school females, 55:1480
fear of success & failure & opponent type & performance contingent feedback, substitution task performance, female college students, 53:1200
fear of success & fear of failure & competition against male vs female vs no opponent & success vs failure feedback, alpha-numeric substitution task performance, female college students, 58:378
fear of success as index of sex-role conflict & significance of male partner, performance on intellectual decision making task, female college students, 56:9788
fears & apprehensions exhibited during oedipal period of psychosexual development & role of nurses, hospitalized preschool girls, 57:2984
female alcoholism, literature review, 53:5606
female alcoholism, review of literature, 55:12460
female career role models & small group discussions, occupational aspiration level, female college students, 55:1562
female circumcision, treatment of frigidity, 54:1760
female influence, impotence, males, 53:1344
female leadership styles & behaviors, analysis of current fact & opinion, 55:1669
female life experiences & psychology of women, book, 57:5633
female mobility through marriage vs male mobility through occupational attainment, intergenerational study, 53:5076
female phobic syndrome, implications for treatment, 53:10019
female psychologist's role in correctional institutions, 53:5430
female role conflict questionnaire development, 53:3149

visual stimuli depicting thing- vs people-oriented vocational group choice, eye pupil size as predictor of vocational interest, female college students, 58:10664
vital statistics & self rated physical attractiveness, response to risque humor, female 18–29 yr olds, 54:2960
vocational adjustment & work interests & values & rehabilitation outlook, females on long-term hemodialysis, 53:3867
vocational congruence & manner of wife's perception & spousal congruence, role orientation & vocational & marital satisfaction, married females, 58:9391
vocational counseling for women, literature review, 55:13651
vocational interests & self concept & attitudes toward feminine roles, educational & vocational choices, female college juniors & seniors in traditional vs nontraditional majors, 56:8754
vocational maturity & competence & academic achievement & aptitude variables, congruent vs incongruent vs undecided occupational choices, female college sorority students, 55:5768
voice quality characteristics of fundamental frequency & vocal tract resonance in adult voice, perception of maleness & femaleness, college students, 57:300
warmth & involvement of parents toward their daughter & mother's satisfaction as woman & father's ideals for his daughter, feminine self concepts & self esteem, 7th grade females, 58:7278
weekend black experience encounter workshop, self concept change, black female college students, 55:5070
weekend workshop for personal development of women using female vs mixed-sex group, group process & outcome, females, 58:9909
weight, body image, college women, 56:734
welfare payments & socioeconomic factors, age-specific illegitimate birth rates, White vs non-White females, 57:3099
Wessman Personnel Classification Test & Edwards Personal Preference Schedule, personal characteristics, employed executive & nonexecutive women, 53:6289
Wilson-Patterson Conservatism Scale scores, reactions to menstruation, female college students, 53:11751
woman's role, victim-offender relationship in forcible rape, 57:6059
woman's search for identity, 55:6999
women & alcoholism, 53:9847
women & behavior therapy, 53:10186
women & psychotherapy, book, 53:10021
women & their bodies & personality & sex roles & education & work, selected bibliography, 58:5281
women pretending inferiority in dating situations, female vs male college students, replication & assessment of M. Komarovsky & P. Wallin's hypotheses, 55:681
women's changing concepts of self, significance for psychotherapy, 58:1570
women's group assertiveness training, personality characteristics, female college & graduate students, 56:6387
Women's Liberation Movement & perceived childhood socialization experiences, liberal-conservativeness & sex role stereotypes in attitudes & behavior, mature female students vs housewives, 55:12162
women's participation in bureaucratic positions & communist ideology & sex role attitudes, Cuba, 57:3038
women's rights & legislative candidates & abortion reform & equality of treatment & competence as issues relevant to women's rights movement, support among women, 55:615
women's roles, biological inferences & intervention & social interaction & education & equality & role innovation, book of readings, 57:5742
women's roles, Philippines, 55:678
women's self confidence in achievement settings, role of situation variables, 57:12830
women's situation today, psychoanalytic view, 57:12668
women's status in southeastern psychology departments, survey, 53:1265
women's studies course, attitudes & perceptions of sex roles & real & ideal self perceptions & attitudes toward women's rights, 58:10287
women's studies course, attitudes toward self & other women, female college students, 55:13223
women's study courses, sex role attitude change, female college students, 55:1398
work attitudes & demographic characteristics, Work Incentives Program effectiveness, female trainees, 53:4203
work histories, vocational pattern groups, women who were college students in mid-thirties, 56:1525
work level, work values, youthful female workers vs normative sample of 18–25 yr old female workers & high school students, 58:8463
year in college & self actualization & demographic variables & feminine role attitudes, psychological femininity, female college students, 57:5725
16PF scores, female graduate students in physical education, comparison with 1962 & 1970 general population norms, 57:5923

Human Figures Drawing

ability to make drawn representations of human figure drawings of children at various MAs, 19–44 yr olds, 58:90
accuracy in naive production of pathology from human figure drawings of emotionally maladjusted vs normal 7–9 yr olds, elementary school administrators & secretaries & teachers & 7th graders & trained personnel in interpretation, 56:6833
age & sex of human figure drawing & S, Articulation of Body Concept Scale performance, Nigerian primary school children, 58:1239
age & weight & height, size of human figure drawing, learning disabled 6–12 yr olds, 57:3622
age, presence of a body & head-related items in human figure drawing, learning disabled vs normal 7–15 yr olds, 54:10001
Bender Gestalt Test & Human Figure Drawing Test & TAT & Rorschach Inkblot Test, utility for personality measurement, 14–21 yr old retardates, 54:5577
bilateral symmetry of human figure drawings, schizophrenics vs nonpatients, 56:4189
body outline drawing, perception of internal bodily content, 1st & 3rd & 5th graders, 53:7005
content analysis, kinetic family drawings, middle class adolescents, implications for clinical use & test norms, 58:6714
convergent validity, Draw-a-Person Test & Peabody Picture Vocabulary Test & Stanford Binet (L-M) estimations of intelligence, kindergartners, 54:1995
culture change & sex, Draw-A-Man Test responses, Navajo kindergartners, 56:7784
derivation of discriminant functions from House-Tree-Person drawings, prediction of psychodiagnostic classification, 10–12 yr old males in neuropsychiatric center, 55:2442
developmental trends in drawings in relation to perceptual & intellectual development, characteristics at successive age between 2 & 16 yrs, 57:5535
diagnosis of psychopathology, comparative utility of Stanford-Binet Intelligence Scale & Raven Progressive Matrices & Draw-A-Man Test, mentally retarded vs neurotic 4–8 vs 8–12 yr olds, 58:9631
Draw A Person profile characteristics, 5–17 yr olds & adults, 54:3098
Draw-A-Man Test & field observations, personality characteristics, 6–11 vs 12–18 yr old Quechua children in Peruvian Andes, 55:12014
Draw-A-Man test, development of design, Belgian 3 vs 4 vs 5 yr olds, 58:7167
Draw-A-Person Test & Personal Preference Scale & TAT & Eysenck's Personality Inventory, sexual identification & relationship with mother & extraversion-introversion dimension, 18–26 yr old heroin dependent males, 56:851
Draw-A-Person test performance characteristics, 19–53 yr old incarcerated male sex offenders, 58:5595
Draw-A-Person test performance, 3–5 yr old males vs females, 53:856
Draw-A-Person Test performance, screening for emotional disturbances, kindergartners, 57:6966
Draw-A-Person test, racial self identification, Black vs White lower class 9–11 yr olds, 58:1275
Draw-A-Person Test reliability & validity, IQ & personality assessment, 5th graders, 57:2242
drawing & sculpture, representational development of human figure, 2–7 yr olds, US & Israel, book, 53:814
drawing men with arms coming out of heads, 2–4 yr olds, 56:5785
drawings of imaginary family, 5 & 8–12 yr old children of separated parents & Ss with deceased fathers, 55:2213
emotional indicators in human figure drawing scores, children with difficulty in school environment & symptoms of visual problems vs normals, 58:1389
empirical evaluation of kinetic-family-drawing styles, diagnosis of emotional disturbance, emotionally disturbed 7–13 yr olds, 57:12913
empirical evaluation of validity of Draw-A-Family Test, black vs Puerto Rican vs white family members, 56:8988
experimenter bias, training effects on Draw-A-Man Test performance, kindergartners, experimental replication, 55:5696
family drawing test, usefulness as introduction to child & family therapy, 54:5816
family identification as measured by Kinetic Family Drawing technique, male vs female Black vs White vs Chicano 10–12 yr old educable mentally retarded, 58:1402
father absence vs presence, personal adjustment & conceptual differentiation of sex role attributes, 4th grade low income Mexican Americans, 57:1011
field dependence & body articulation, creativity, urban 7th graders, support for relationship between analytic-global cognitive style & creativity, 58:5410
figure positioning & drawing performance, 6–11 yr old blind children vs sighted children in blindfold & visual conditions, role of visual experience & translation rules, 57:6164
formal characteristics & content & global interpretation variables of figure drawings, self esteem differentiation, 5th–6th grade males, 56:9901
General Anxiety Scale for Children scores, relationship to anxiety levels measured by Draw-A-Person scores, high vs low anxiety 5th & 6th graders, 55:12330
group vs individual administration, size of human figure drawing, high vs low self esteem college students, 57:3390
House-Tree-Person drawings, utility for screening for developmental deviations or emotional disturbance, deaf vs normal 7–10 yr olds, 55:12548
human figure drawings, developmental differences in anxiety signs & sex role stereotypes, male vs female adolescents vs young adults vs middle aged, 58:7291
human figure drawings, mentally retarded vs brain damaged vs normal children, 54:9959
human figure drawings, 14–19 yr olds incarcerated at training schools, 54:9940
human figures drawing as measure of sexual identification with dominant parent, kindergartners, 57:2994
human figures drawing, expressions of cooperation & group values & attitudes, 11–12 yr old Australian vs Canadian vs English vs New Zealander vs US children, 55:7092
human figures drawing, potential predictors of future disease states, former medical students, 55:4672
impairment rating scale for human figures drawing, identification of organic brain damage, detoxified chronic male alcoholics, 56:3247
instructions to draw ugly & good looking male & female faces, characteristics of drawings, white vs black college students, 56:2370
interpersonal affect, analysis of interpersonal distance & human figure & expressive line drawings as intuitive indices of social cognition, 58:5301
interrater reliability, L. Handler's Draw-A-Person test, female college students, 53:1168
interscore reliability & concurrent validity, D. B. Harris vs E. M. Koppitz scoring systems for human-figure drawings, 6–12 yr old boys, 56:8991
intraindividual variability of development of human figures & tree drawings, 4 & 6 & 8 & 10–12 yr olds, longitudinal study, 58:7239
Kinetic-Family-Drawing styles, emotionally disturbed vs normal 1st–6th graders, 57:10473
measurement system, emission & evaluation of affective associations to figure drawings, female college students, 53:5301
personal construct complexity, articulation of human figure drawings, 17–42 yr old psychiatric inpatients & 18–44 yr old college students, 58:3488
phase of menstrual cycle, cyclical changes in tension reflected in human figures drawing & embedded figures testing, women, 57:5178
prediction of intelligence from Draw-A-Person variables, utility of selection ratio for maximizing accuracy of moderately valid instrument, institutionalized drug addicts, 57:7220
predominantly left vs right cerebral damage, visual construction & spatial integration of human figures drawing, patients, 55:12553
preference for complexity-asymmetry on Welsh Figure Preference Test, degree of form differentiation on figure drawing task, 6th graders, implications for art education, 54:10528
psychodiagnostic validity, draw a person in the rain technique, inpatient adults & adolescents & female chronic psychotics & incarcerated adolescents, 56:3261
quantitative scoring procedure, evaluation of Kinetic Family Drawings, emotionally disturbed vs well adjusted young vs older boys, 58:10804
racial or ethnic groups & sex, human figures drawing, college students, 56:8022
role empathy, human figures drawing, white female alcoholics, 56:6192
role playing health-engendering vs health-depressing behaviors by E, consonant-vowel-consonant recall & digit span task & Draw-A-Person test performance, college students, 56:9201
Rorschach & Draw-A-Man tests, identification of extraversion & introversion, 15 vs 18 yr old Belgian students, 58:6645
Rorschach & human figures drawing responses, institutionalized Down's syndrome vs other mentally retarded Ss, 58:3571
Sarason's Test Anxiety Scale scores & time estimation & conceptual maturity, spatial placement of human figures drawings, young adolescents, 57:1274
selected anxiety-processing indicators observed in human figures drawing, elementary school academic achievement, kindergartners, longitudinal study, implications for detection of Ss needing remedial assistance, 57:6858
self concept, Ss' vs judges' ratings of Draw-A-Person Test, college students, 56:4128
self-image & relation to environment, Draw-a-Person Test, American Indians vs Caucasians, 53:7391
self-regard, size of human figure drawing, married & unmarried pregnant women & nonpregnant & unmarried women, 53:5368
sequential tactile-pressure cues applied to body parts, human figure drawing, kindergartners, 55:11978
sex & social class & IQ, height of drawings in Draw A Person test, 5–17 yr olds, 54:3099
sex of S & E & teacher modeling task behavior during instruction, Draw-A-Man Test performance, kindergartners, 57:13864
sociocultural factors & sex role frame of reference, sex of 1st drawn picture, male vs female Jordanian college students, cross cultural comparison with R. A. Craddick's findings for American college students, 56:9781
validity & reliability & discriminative power & nature of projections elicited, Draw-a-Family Test, 5–11 yr olds, 58:165
validity of Draw-A-Person sign prediction vs clinical prediction, female homosexuality, 17–42 yr old homosexuals vs 19–47 yr old heterosexuals, 56:6313
visual training, changes in emotional indicators derived from Koppitz scoring of figure drawings, children with vs without academic problems, 58:8366
WISC & Wide Range Achievement Test & Human Figures Drawing & Bender Gestalt Test, differentiation among special education subgroups, 55:1560

Human Information Processes [See Cognitive Processes]

Human Information Storage

neurobiological bases of memory storage processes, selected research review, 57:9727
ability to attach labels to earlier nonverbal experiences prior to establishment of labeling rules, college students, implications for inability to recall early childhood experiences, 56:5325
ability to keep track mentally of rapidly changing situations, implications for theories of short term memory, 56:9223
abstract vs concrete sentences followed by verbal vs perceptual coding task, recall, 16–45 yr olds, 56:9192
abstraction of arbitrary categories, recognition ratings for old & new word groups & hierarchical response structure, college students, 55:11432
accuracy & order of report in tachistoscopic identification, scanning & organization in short-term memory, college students, 53:4501
acute alcohol intoxication, memory storage processes & state dependency assessed by performance on recall & recognition tasks minimizing retrieval, 21–33 yr old moderate alcohol drinkers, 58:5035
age & codibility of letter sequences, short-term memory, young vs middle-aged vs old females, 53:11471
age & contextual constraint, span of tachistoscopic apprehension, 7–17 yr olds, 54:2713
age & short term memory limitations, capacity & processing deficits, children, literature review, 57:7932
age & storage dynamics, continuous recognition memory, children vs young adults vs aged, 54:822
age, recognition memory test performance, aged, implications for storage vs retrieval theories of adult age decrement in recall, 57:12543
age, storage organization & recall of sentence material, 60–82 yr old retired professionals vs 19–25 yr olds, 57:2910
alternation vs preservation, concept identification tasks, 3 vs 5 yr olds, role of attending & encoding processes, 55:9459
amount & type of concurrent memory load, rate of readout from iconic memory, college students & faculty members, 57:430
amount of information, matrix mode of problem representation in logical deductive reasoning problem solving, college students, 53:4452

amount of information to be retained, efficacy of internal plans for recall, high school students, 57:2449
arousal-neutral dimension of word meaning & encoding instructions, patterns of EEG alpha activity during word processing & recall, male college students, 56:280
associative factors, sensory register & short term storage relationship in 2-storage theory of human memory, 55:8946
attention, visual & auditory suffix effects, college students & housewives, 54:11021
auditory & visual & abstract coding, recognition & recall errors using presentation of long strings of letters, 55:6137
auditory & visual short term memory tasks, modality specific consonant intrusion errors in recall & encoding processes, 57:4989
auditory location of stimulus presentation, proactive interference release during short term memory encoding, college students, 54:2368
auditory similarity of consonants in long & short term memory defined by stimulus duration, long & short term memory performance, college students, 56:9188
auditory &/vs visual distraction, short-term recall of picture & word triads, college students, 53:10959
auditory vs visual report cues, recall of single letter from target row & interference with visual memory, college students, 56:5311
auditory vs visual vs bimodal stimulus presentation, recall probability, implications for 2-component human memory theory, 54:371
average storage load amounts in letter–number spatial–color identification tasks & pre- & post-exposure cues, transformation from sensory register to short term storage in recall, female college students, 54:6791
backward & forward masking effects in identification of letters of alphabet, processing of information in iconic storage stage, normal & retarded adolescents, 55:10079
backward auditory masking, sensory storage & processing rates, normal vs educable mentally retarded Ss, 56:10130
balanced & polarized homographs to define high & low encoding variability & right & wrong terms, verbal discrimination learning & recall, college students, 57:414
Bayesian procedure to separate storage & retrieval forgetting components, analysis of recall & recognition performance in Brown-Peterson task, college students, 57:2411
bigram pairs presented with constant vs varied word code & massed vs distributed spacing, recall, college students, 55:1882
biological processes, memory storage & recovery, 54:8983
bivariate vs univariate conditions, memory span in bits of information for digits & locations, college students, 54:388
breadth, pictorial & verbal encoding modalities, bilingual college students, 53:2414
buildup of proactive inhibition & release through change in nature of items, 54:8897
categorically postcategorical interpretation of modality effect, reply to L. G. Nilsson, 55:3714
categorically vs alphabetically organized words, encoding specificity in cued & free recall, college students, 53:8820
categorized word order in list, unitization & recall of related words, college students, 53:4486
category cues same as or different from input encoding of item & instructional information about cue relevance, encoding-specificity effect in recall & recognition, college students, 53:402
category membership, memory scanning for words, college students, 54:386
category size & input order conditions, recognition memory for categorized lists of words, 2nd vs 5th graders, 57:2954
coding efficiency, mnemonic transformations in free recall, college students, 54:6799
coding of information as fequency of nerve action potentials, brain as information handling device, 56:277
coding of temporal vs spatial patterns, short term memory, young adults, 55:8903
cognitive representations, imaginal & verbal memory codes, 56:153
cognitive structure for encoding & utilization rules, encoding & search in free recall, college students, 54:6794
combining constructs of semantic & episodic memory, 56:7241
component selection in paired associate learning, implications for research & theory, 57:422
components of short term proactive interference using Brown–Peterson paradigm & final free recall test, college students, 54:2359
concept of "faint entries" in lexical storage, generalization to account for slips of the tongue, support for R. Brown & D. McNeill's explanation, 56:7580
concrete & abstract sentences, memory for language organization, college students, 54:11033
concrete nouns vs numbers as retrieval cues & mnemonic instructions, forgetting & recovery in paired-associate learning, college students, 53:299
concrete vs abstract prose descriptions, thematic organization & memory retrieval, college students, 53:4427
consistent contiguity vs spatial grouping of unrelated stimulus items, free recall & subjective organization, educable mentally retarded adolescents, 56:10135
constant vs variable list length analysis & channel capacity theory of response selection mechanism, college students, 57:4949
constant vs varied input of letter strings, recall & learning new letter strings, college students, 54:6790
construction of cognitive representations based on conceptual relations, learning & comprehension, 54:291
context effects, processing strategies for recognition of rotated forms, 55:3709
cue saliency, storage & structure & decoding memory processes, 53:409
cued recall, trace storage in free recall, college students, 55:6177
cued to forget items, false recognition for homophones of items, 56:1801
cued vs uncued recall of categorized lists, 53:4499
cuing conditions, storage & retrieval of verbal information, college students, 55:3756
cuing, retroactive inhibition in paired associate learning & analysis of item inaccessibility vs permanent unavailability, college students, 57:12063
current projects on brain information storage & RNA role in learning & protein synthesis & inhibition & new methodology in neurochemistry of memory, 55:9143
dark pre- & postexposure field conditions, icon as rod phenomenon & iconic storage location in retinal photoreceptors & partial report superiority, Ss with normal uncorrected vision & needing weak correction & rod monochromat, 56:9116
deficits in primary & secondary memory & sensitivity to interference & semantic & acoustic encoding & storage & retrieval, amnesic Korsakoff patients, 55:10125
delay intervals & acoustic & simultaneous acoustic & visual distraction, short-term retention of pictures & words, college students, 56:1810
delays in color naming in discrete-trial Stroop task with sequences used as carriers for color, representation in memory of digit strings, college students, 55:203
depth of information processing & functioning of human memory, current research review, 57:2357
depth of processing & functioning of recognition & recall processes, empirical & theoretical issues, 57:11984
development of short & long term storage mechanisms, free recall performance, 2nd vs 4th vs 6th grade high vs average academic achievers, 55:9390
developmental changes, ability to shift from 1 mode of representation in encoding to another mode of decoding, 1st & 4th & 7th graders, 55:9388
developmental characteristics, storage & retrieval phases of memory, 3rd & 5th & 7th graders, 54:2708
diazepam vs scopolamine, storage & retrieval & organizational processes in memory, college students, 55:9270
dichoptic & binocular 2-part stimulus presentation & interstimulus interval, stimulus integration thresholds, 8–12 yr old dyslexics vs normals, 55:12538
dichotic ear-order effects, identification & storage of nonlinguistic sounds, right handed Ss, 54:4646
dichotic tone bursts with different interaural time disparity & ascending-descending tone sequence, persistence of pitch-segregating echoic memory, college students & staff, 57:2340
dichotically vs binaurally presented digit lists followed by binaural probe item & instructions to attend to one or both lists, decision time to determine probe occurrence among attended items, graduate & college students, 57:7377
differential encoding of visual & auditory materials & mode of presentation as encoding category in short term memory, introductory psychology students, 55:8866
differential reinforcement as contingency of information storage & retrieval, learning during adaptive instruction, 58:2038
differentially encoded information, coordination of codes in short term retention, college students, 54:382
differentiation of decay from memory storage & proactive interference processes, forgetting from short term memory, patients with organic brain disease with vs without clinical memory impairment, 58:1485
difficulty of distractor task within retention period, allocation of available processing capacity to short & long term components of memory, 55:8963
digit presentation rate with intervening pattern masks, identification time & nonvisual "recognition" buffer vs noniconic "visual buffer" models of short term memory, college students, 57:2448
